

The ultimate husband in Chinese chapter 5631

What?

Hearing this, the entire hall was in an uproar, and everyone present was stunned, thinking that they had heard it wrong.

You must know that the Nalan family has strict clan rules. It takes at least two years for ordinary disciples to be promoted to elites, and to become the direct disciple of the patriarch requires extremely high talent and luck.

And the 'Nie Zhan' in front of him is not a member of the Nalan family at all, but is only a disciple from outside the family, and in less than two days, he has been accepted as a disciple by Nalan Hongzheng, which is incredible.

This...

In an instant, Nalan Xinran who was standing beside her trembled, her head buzzing, and looking at Nalan's solemn gaze, she was even more shocked.

What happened to the father?

The origin of this Nie Zhan has not been ascertained yet, so why was he suddenly accepted as a direct disciple.

More importantly, his father had always been suspicious of Nie Zhan's identity, but now he suddenly changed his attitude, which really caught people off guard.

"Patriarch!"

Just when Nalan Xinran was secretly surprised, an elder couldn't help but came out and persuaded Nalan Hongzheng: "Patriarch, this Nie Zhan is not from our Nalan family, and he is accepted as a direct disciple. , it's not in line with the rules."

After saying that, he didn't forget to look at Gone, this kid has mediocre aptitude, how can he be made?

At this time, the elder didn't know that Gone was hiding the power of the demon soul, so he couldn't perceive it at all.

As soon as the voice fell, the others around also spoke up, trying to make Nalanhong give up the idea of accepting apprentices.

"Yes, Patriarch, this Nie Zhan has mediocre qualifications. How can he be qualified to be your direct disciple?"

“This person’s origin is unknown, and it is a great luck to be taken in by our Nalan family...”

“Patriarch think twice.”

Everyone’s words of persuasion and my words of persuasion can’t hide their expressions. Gone’s contempt. Especially many elite disciples, they have made a lot of credit for the Nalan family over the years, but they are only elite disciples, and this Nie Zhan has been accepted as a direct disciple by the patriarch in less than two days. Why?

Hehe...

In the face of everyone’s contempt, Gone chuckled lightly and ignored it.

Nalan Hongzheng’s face suddenly turned cold, he stood up, looked around the audience and shouted angrily: “Everyone shut up.” Seeing that everyone was so rude to the master, a burst of anger rose in my heart.

Seeing that the patriarch was angry, everyone quickly shut their mouths, and the entire hall suddenly quieted down.

Nalanhong’s face was gloomy, and his eyes swept across the faces of everyone: “I have already decided on this matter, you don’t need to talk about it.”

“Although Nie Zhan is not strong, he will lose the beast language that has been passed down for many years. Moreover, his talent is good, and if he cultivates his strength over time, he will definitely improve.”

When he said this, Nalan Hongzheng had a determined face and could not be refuted.

call!

Seeing that Nalan Hong had made up his mind, everyone in the hall looked at each other and did not dare to speak rashly.

Seeing this situation, Gone was very satisfied, and a smile appeared on his face. With the identity of the patriarch’s direct disciple, in the future in the Nalan family, he would not have to worry about being disturbed.

Thinking to himself, Gonie walked slowly to Nalan Xinran and smiled slightly: “Senior Sister Xinran, take care of me in the future.”

Hmm!

Nalan glanced at him gladly and responded with a cold attitude.

Nalan Xinran Bingxue is smart, what happened today is very strange, there must be other circumstances behind it, otherwise, the father's attitude towards this Nie Zhan would not suddenly change so fast, it's just that this is the hall, there are so many people around, Nalan Happy to ask.

After thinking about it, she left the hall later and asked her father alone.

Feeling Nalan's cheerful attitude, Gone didn't care, smiled and stepped aside.

The next second, Gone looked at Nalan Hongzheng: "Master, I have nothing else to do. I went back to my room to rest. I slept late last night and didn't rest well." The

voice fell, and the expressions of everyone around changed.

This Nie Zhan is really rude. He was just being named a direct disciple, so he was so lazy, and he was still in front of everyone... Now, the patriarch should regret it.

The ultimate husband in Chinese chapter 5632

Everyone pondered and looked at Nalan Hongzheng in unison.

At this time, everyone agreed that the patriarch would definitely scold Nie Zhan, and then they had to know that the patriarch had always been a very disciplined person.

However, Nalan Hongzheng's attitude once again surprised everyone.

"Okay!"

Nalan Hong nodded with a smile and waved at Gone, "Since I didn't rest well last night, let's go back and rest.

" After speaking, Nalan Hong said to the crowd, "Nie Zhangang Come to our Nalan family, many things are not used to, if everyone is okay, don't disturb him, you know?"
The

attitude was extremely gentle, as if he regarded Gone as a guest of honor.

Gone nodded, without looking at the crowd, and strode out of the hall.

This...

Seeing Nalanhong's attitude like this, everyone present was stunned, their minds messed up.

What happened to the patriarch? It's just a foreigner who gave him such high treatment.

Facing everyone's doubts, Nalan Hongzheng didn't seem to see it, and waved his hand to signal everyone to leave.

For a time, everyone was full of doubts, but they didn't dare to ask any more questions. After thinking that Nalan Hong was saluting, they left the hall one after another. Only Nalan stayed there happily, with a delicate face that couldn't hide the doubts.

"Father!"

Seeing everyone leaving, Nalan Xinran couldn't help but took a step forward and asked, "Why do you want to accept Nie Zhan as a direct disciple, the origin of this person is unknown, and he took the initiative to stay in our Nalan family, I suspect there is ulterior motives."

Nalan Hongzheng shook his head and said slowly: "Xinran, I have thought about this matter carefully. I talked to him last night. This son is an orphan. It's not bad, but I haven't met a famous teacher."

"Also, yesterday afternoon, you also saw with your own eyes that he used animal language to tame two wind spirit wolves, so Nie Zhan is a rare talent..."

Said these At the time, Nalan Hong was serious.

But Nalan listened with pleasure, but his heart was even more anxious, and he couldn't help saying: "Father, you used to teach me that you can't just look at things on the surface. This Nie Zhan is extraordinary. How can you listen to him?"

"Nalan was very anxious.

Father has always acted prudently, how could he be so hasty today?"

She didn't know that Nalan Hong in front of him seemed to be the same as usual, but he was actually controlled by Gone.

"Okay, okay..."

Seeing Nalan Xinran arguing all the time, Nalan Hongzheng frowned and said impatiently, "Don't talk about this, father still has important things, you go out first."

"Where could Lan Xinran leave, her red lips lightly opened, and she still wanted to say, but at this moment, a family disciple walked in quickly and said respectfully to Nalan Hong: "Patriarch, Wudang Ye Yun came to visit."

Ye Yun ?

Hearing the name, Nalan Hong looked indifferent, nodded and said, "Let him come in."

The disciple responded and walked out quickly. After a while, he led a handsome man back to the hall and saw, The man is about thirty years old, wearing a snow-white long gown, which sets off a tall and straight figure, with sharp facial features and a high-spirited air.

It was Ye Yun, a disciple of the Wudang School.

Ye Yun, the leader of the younger generation of Wudang School, has been practicing in Wudang Mountain until he was twenty-five years old, and only started to go down the mountain to practice in recent years.

Ye Yun's reputation in the arena is not very loud, but his father, Ye Xuan, is famous. He used to be the principal of Shangwu Academy in Donghai City.

At this time, Ye Yun looked respectful and bowed to Nalan Hong: "Ye Yun has seen the patriarch. Recently, I represented Wu down the mountain to do errands. When passing here, I came to visit for my father.

" Pill bottle: "This is the Peiyuan Pill refined by my father, and I ask the patriarch to accept it with a smile."

When he said this, Ye Yun's eyes turned to Nalan Xinran standing aside from time to time, and his eyes were full of affection.

The Nalan family has always been on good terms with the Wudang faction, and they communicate with each other on weekdays. Three years ago, Ye Yun followed the elder Wudang to visit the Nalan family. When he first saw Nalan Xinran, he was immediately overwhelmed by his peerless beauty.

The ultimate husband in Chinese chapter 5633

, every time Ye Yun went down the mountain, he would find an opportunity to come to the Nalan family, on the surface it was a visit, but in fact it was to see Nalan Xinran.

Ye Yun is handsome and handsome, and his strength is not weak. In addition, his father was Nalan Xinran's principal, so Nalan Xinran had a good impression of him.

Um!

Seeing Ye Yun presenting the medicinal pill, Nalan Hongzheng did not show a very happy look, but glanced at it and said lightly, "Just put it on the table next to you."

After saying that, Nalan Hongzheng arrived at Nalan with joy. : “Since Ye Yun is here, you can go out with him and take a break for the father.”

Hmm!

Nalan happily responded and walked out of the hall.

Ye Yun’s attention was all on Nalan Xinran, but he didn’t notice at this time that Nalan Hongzheng in front of him had a markedly different attitude from before, and he followed out with joy at that time.

“Xin Ran!”

When he got outside, Ye Yun said with a flat face: “I heard that the mountain flowers in Beishan are blooming, let’s go to enjoy the flowers together.” As he spoke, his eyes were full of anticipation.

He ran all the way to the Nalan family. He was a little tired, but when he saw the goddess in his heart, he was instantly refreshed.

However, Nalan Xinran was in no interest and shook his head lightly: “Another day, I don’t want to go now.” Because of the fact that ‘Nie Zhan’ was accepted as a direct disciple by his father, Nalan Xinran couldn’t figure out the reason. In the mood to see flowers?

Uh...

Ye Yun was stunned for a moment, and found that Nalan Xinran was in a bad mood at this time, and quickly asked: “Xinran, what’s wrong with you? Have something on your mind? Tell me, maybe I can help.”

Nalan Xinran is shallow A smile: “How can you help?”

This chapter is provided by . Visit for daily update.

As he spoke, he explained in detail the matter of Gone’s joining the Nalan family and his father’s acceptance as a direct disciple.

Um?

Knowing the situation, Ye Yun frowned and felt a little incredible.

Although he is a disciple of Wudang, he is also aware of the strict clan rules of the Nalan family. For thousands of years, the Nalan family has also received disciples, but all of them are foreign surnames. Suddenly, a foreign surname became the direct disciple of the patriarch. First time hearing about it.

After being stunned for a few seconds, Ye Yun couldn't help but ask: "Do you think there is something wrong with the one named Nie Zhan?"

Nalan nodded happily: "I tested it yesterday, and two wind spirit wolves injured him. At a critical moment, he used Beast language, tamed the wind spirit wolf."

"The situation was very thrilling at the time, but I always felt that he seemed to be hiding something." As

he said, Nalan Xinran walked with Ye Yun, and unknowingly, reached the back garden.

As soon as he arrived in the back garden, he saw Gone sitting in the pavilion, enjoying the beauty in front of him with a comfortable face.

Seeing Gone, Nalan stopped immediately.

Ye Yun is a smart person, he guessed something at once, and asked, "This is the Nie Zhan you said?" He often came to the Nalan family and was familiar with the disciples of the Nalan family. Immediately guessed that this man is the person the goddess said just now.

Nalan nodded happily, then motioned for Ye Yun to leave together.

Before figuring out the situation, Nalan gladly didn't want to have too much interaction with Gogne.

"Senior Sister Xinran!"

However, before he took two steps, he heard Gone's voice from behind: "Please call someone and make me a pot of tea." The tone was polite, but it gave off an irrefutable meaning.

Hearing this, Nalan frowned and frowned, very displeased.

This Nie Zhan, who just became his father's direct disciple, became invincible.

Swish!

At the same time, Ye Yun's face sank, unable to fight over, and looked at Gone coldly: "You are Nie Zhan?" Nalan is glad to be his goddess, and this man is bossing her, how? Not angry?

Looking at the menacing Ye Yun, Gone looked indifferent: "It's me, who are you?"

Ye Yun sneered: "My name is Ye Yun, a member of the Wudang faction."

Wudang?

Gone frowned and thought for a while, then nodded suddenly.

There is such a sect in the continent of Kyushu. It is said that decades ago, it was always the Big Dipper of Mount Tai on the rivers and lakes. However, after the rise of Tianmen, the influence of the Wudang faction in the rivers and lakes has become less and less.

The ultimate husband in Chinese chapter 5634

However, Gone has never been to Wudang, and has no grudges with the Wudang faction, so he smiled at Ye Yun: "What advice?"

"Haha..."

Ye Yun sneered: "No advice, I am I want to tell you that you have just joined the Nalan family, Xinran is your senior sister, what qualifications do you have to arrange for her to help?"

It turned out to be because of this.

Hearing this, Gogne smiled slightly: "This is a matter between me and Senior Sister Xinran, I don't need you to take care of it."

"Why should I take care of it?" Ye Yun took a step forward, imposing like a rainbow.

Gogne didn't speak, just smiled.

The atmosphere suddenly became solemn.

Seeing this situation, Nalan happily walked over and gently pulled Ye Yun: "Ye Yun, don't make trouble with him." Although this Nie Zhan was arrogant and arrogant, he didn't do anything out of the ordinary.

Moreover, Ye Yun was a guest after all, and it was really making trouble, which was not good for anyone.

"Xinran."

Feeling Nalan Xinran's embarrassment, Ye Yun turned around and patted the back of her hand, comforting: "Don't worry, I won't mess around, I just let this kid know the rules."

After speaking, he didn't forget He glanced back at Gone.

At this time, many disciples of the Nalan family rushed over to hear the movement, and their expressions became complicated when they saw the scene in front of them.

“What’s the situation?”

This chapter is provided by . Visit for daily update.

“It seems to be Nie Zhan. If Senior Sister Xinran asks someone to make tea, Ye Yun can’t see it..”

“Hehe, this kid is really arrogant as the direct disciple of the patriarch. How dare you be rude to Senior Sister Xinran, wait and see how Ye Yun treats him.”

These disciples, who were originally unhappy with Gone, were now discussing and waiting to see Gone’s jokes.

Seeing many people watching around him, Ye Yun was more confident, and shouted at Gone: “Boy, you just took the patriarch as your teacher, you are so arrogant, it seems that you are very confident in your own strength, so let’s learn from each other, Dare?”

Ye Yun at this time, intent on venting his anger to Nalan, was already eager to try when he spoke.

Faced with this situation, Gone’s expression remained unchanged, and he said lightly, “Why should I discuss with you?” He could see that Ye Yun would not give him a chance to perform in front of Nalan Xinran.

Hearing the answer, Ye Yun sneered again and again: “Why? Don’t you dare?”

As soon as the voice fell, Nalan Xinran gently persuaded: “Ye Yun, forget it.” Although this Nie Zhan was rude, after all, his father had just The direct disciple received, and Ye Yun is a guest, and whoever wins or loses will not have a good impact.

However, Ye Yun had already made up his mind at this time, and did not listen to the dissuasion at all, and responded to Nalan with pleasure: “Xinran, don’t worry about it, I have a sense.”

After speaking, Ye Yun looked directly at Gone: “A Big man, are you so cowardly?”

Phew!

Seeing him being aggressive, Gone took a deep breath and slowly walked out of the pavilion: “Okay, then I’ll discuss with you.”

At this moment, feeling the aura around Gone’s body, Ye Yun couldn’t help frowning secretly.

Strange, this kid is not very strong, but he has such a strong aura...

Ye Yun at this time didn't know that he was facing an extremely terrifying existence.

But the goddess was watching, and Ye Yun was too lazy to think about it at the time, and immediately sneered: "It's a bit courageous, let's take it." The last word fell, Ye Yun's figure flashed, and he came straight to Gone.

wow..

Seeing this scene, all the disciples watching around couldn't help but cheer up.

"Ye Yun shot..."

"Hehe, this Nie Zhan really doesn't know how to live or die. He dares to discuss with Ye Yun.

"

Instead, he stared at Ye Yun who was rushing over.

At this moment, Gone instinctively wanted to use the power of the Demon Soul, but after thinking about it, it would reveal his true identity, so he immediately held back.

hum!

It was at this time that Ye Yun was already in front of him, raised his right hand, and hit Gone with a palm.

With this palm, Ye Yun unleashed the inner strength of the supreme martial art of the Wudang School, 'Taixu Gong'. The combination of rigidity and softness was as fast as a shock. Wherever he passed, the surrounding air was distorted.

The ultimate husband in Chinese chapter 5635

Feeling Ye Yun's speed, Gone's face became solemn, because he couldn't use the power of the devil's soul, he couldn't dodge the first time, he could only raise his palm and face it.

bump!

The next second, the palms of the two sides collided, and a dull sound was heard, and then Gone was shaken back a few steps.

But Ye Yun stood there, as steady as a rock.

Obviously, the fight just now was a high-level judgment.

Whoa!

Seeing this scene, many of the surrounding Nalan family disciples were all excited and applauded.

“As expected of a rookie in Wudang, Ye Yun is amazing..”

“Haha, this shot is good.”

“Ye Yun, teach him a good lesson...”

The praises from the surrounding people kept coming, but Ye Yun was not even half excited. , was extremely shocked.

This is impossible!

At this time, Ye Yun stared closely at Gone, and muttered secretly, just now, with his palm, he used 90% of the ‘Tai Xu Gong’, which could completely defeat the opponent at once, but the opponent was only a few steps back. , no real damage was received at all.

How could this be?

At this time, Ye Yun didn’t know yet that although Gone had restrained his strength and did not activate the power of the devil’s soul, he had already reshaped the devil’s body, and the defensive power was simply beyond what Ye Yun could imagine.

This chapter is provided by . Visit for daily update.

A few seconds later, Ye Yun reacted and looked at Gone coldly: “This time, you will not be so lucky next time.” After speaking, he turned around and greeted Nalan to leave happily.

To be honest, Ye Yun really wanted to teach this ‘Nie Zhan’ a lesson, but this was the Nalan family after all, and the other party was the direct disciple of the patriarch.

Moreover, Ye Yun had already gained the upper hand when the two sides exchanged palms just now, so Nalan was relieved to be angry.

Hu...

Seeing that Ye Yun was no longer fighting, the surrounding disciples were a little disappointed.

At this moment, looking at the backs of Ye Yun and Nalan happily leaving, Gogne's eyes narrowed slightly, and a bit of coldness flashed in his pupils.

Wudang Sect Ye Yun.... interesting.

...

On the other side, Donghai City, Haitang Garden.

The weather is nice and sunny today.

In the backyard full of begonia flowers, Yue Feng sat in front of the window and was fascinated by the map of Diyuan Continent on the table.

Where will Gogne go after leaving Huashan?

Also, there is still no news from Su Qingyan and Liu Ruxue. Did something happen to them, or were they stuck somewhere?

With these thoughts in mind, Yue Feng studied the map carefully for a long time, but he still had no clue, and was suddenly irritable.

"Brother Feng."

At this moment, a Tianmen disciple rushed in, sweating profusely: "Sister-in-law Qingyan is back, in the front hall, she seems to be in trouble."

Qingyan came back.

Hearing this, Yue Feng was overjoyed and quickly rushed to the front hall.

When they got to the hall, they saw Su Qingyan sitting on a chair, holding a cup of tea in her hand, her beautiful face was full of fatigue and anxiety. Wen Chou Chou crowd, surrounded by all around, all of them are extremely happy.

"Qingyan."

Yue Feng stood at the door and couldn't help shouting, his eyes full of affection.

Seeing Yue Feng, Su Qingyan's body trembled, and the tea in her hand almost fell to the ground. In the next second, she stood up quickly, ran over, and threw herself into Yue Feng's arms.

"Yue Feng, am I dreaming? It's you, it's really you..." Su Qingyan just hugged Yue Feng, her words incoherent in excitement.

This time, Yue Feng had been away for a few months, and there was still no news, which made Su Qingyan very worried. Why was he unhappy when he saw Yue Feng coming back suddenly?

"It's me..." Yue Feng patted Su Qingyan's fragrant shoulder lightly, and said with a smile, "You are not dreaming, I am back." After saying that, Yue Feng couldn't help kissing her delicate cheek. a moment.

Swish!

Su Qingyan's face turned red all of a sudden, and she said coquettishly, "What are you doing, Brother Wen is watching." When she spoke, Su Qingyan seemed unhappy, but she hugged Yue Feng even more.

Yue Feng couldn't help laughing: "What are you afraid of, Brother Wen and the others are not outsiders."

Haha... When

the words fell, everyone in Wen Chou Chou couldn't help laughing.

Su Qingyan's face turned even redder, and she couldn't help but glared at Yue Feng. After so many years, he was still so rude.

The ultimate husband in Chinese chapter 5636

After hugging for a while, Yue Feng suddenly thought of something and asked, "Qingyan, why did you come back? Did something happen to that cave at that time?"
The

cave?

Hearing the question, Su Qingyan was stunned for a moment and looked at Yue Feng: "How did you know that I was trapped in a cave before? Could it be..." After

saying that, Su Qingyan was shocked and suddenly realized something. , looked at Yue Feng with surprise and joy: "Could it be... the god general we met at that time was you?"

Su Qingyan Bingxue was smart, thinking of the abnormality of the "god general" before, she immediately guessed that it was Yue Feng. The wind pretends.

"It's me."

Yue Feng showed a smile and nodded: "The situation was complicated at the time. In order to avoid being discovered by the surrounding magic soldiers, I didn't have time to recognize you..."

Just when he said this, Yue Feng realized What, I looked around and found that there was no figure of Liu Ruxue, so I couldn't help asking: "By the way, where is Liu Ruxue who is with you?"

Ouch!

Seeing that Yue Feng mentioned Liu Ruxue, Su Qingyan patted her forehead and was just happy, how could she forget her?

In the next second, Su Qingyan couldn't hide her anxiety: "On our way back to Donghai City, we encountered a team of patrolling soldiers. In order to cover me, Liu Ruxue led those soldiers away."

"She must be very happy now . It's dangerous, we must go back and save her."

Hearing

this, Yue Feng was so anxious.

This woman, Liu Ruxue, is really reckless. Although she has divine power, her strength has not recovered. How can she be the opponent of a team of patrolling soldiers?

This chapter is provided by . Visit for daily update.

It was at this moment that Su Qingyan thought of something, and looked at Yue Feng tightly: "Do you know Liu Ruxue?"

Huh!

At the same time, the surrounding Wen Chou Chou all focused on Yue Feng, waiting for his answer.

Speaking of which, Wen Chou Chou was not familiar with Liu Ruxue at all. At that time, they only met once at the Xia Yin Sect. They only knew that this woman was taken by the Haotian God King all the way to Xia Yin Sect. , Yue Feng will know this woman.

This...

In the face of everyone's attention, Yue Feng scratched his head and explained: "This Liu Ruxue, I met on the Ziwei Continent. It is a friend."

The grievance between himself and Liu Ruxue, three Days and nights can't be finished, what's more, the two have also experienced a spring love, but this kind of thing, how can you say it in front of Su Qingyan?

Yue Feng thought about it, save Liu Ruxue first.

Hearing the answer, everyone nodded subconsciously. At this moment, Sun Dasheng walked over quietly, hammered Yue Feng on the shoulder, and said with a smile: "Okay, Fengzi. You really don't have any luck with your peach blossoms. You have confidantes everywhere."

This is not envy, just a simple joke.

Haha...

Yue Feng smiled and responded with some smugness: "That's right, brother, my charm has always been excellent." As

soon as she finished speaking, Su Qingyan's delicate face was full of anger. He secretly pinched him.

Yue Feng felt pain in his waist, and immediately put away his sloppy appearance, and said, "Okay, no joke, Liu Ruxue is in a very dangerous situation, she can't fall into the hands of the God King Haotian, I have to go and save her. She."

Yue Feng looked serious when he spoke.

Liu Ruxue came with her from Kyushu. She wanted to have three strengths and two weaknesses, and she would not feel at ease in her whole life. Moreover, she had promised her before that she would get rid of Prince Aotian to avenge Ren Pingsheng.

So, absolutely can't let her have an accident.

Hearing this, Su Qingyan nodded heavily: "I'm with you."

At the same time, Wen Chou Chou, Sun Da Sheng and others also spoke.

"Fengzi, let's go together."

"And me."

Previously, because of the pursuit of the God King Haotian, Wen Chou Chou was forced to hide in the underground secret passage of Xia Yin Sect, lingering like mice. People regard it as a great disgrace, and now there is an opportunity to fight back, and naturally I will not miss it.

call!

Seeing that everyone was eager to try, Yue Feng smiled bitterly, shook his head and said, "Brother Wen, Great Sage, I'll do this alone, too many people are easy to be discovered, and you have experienced fierce battles in Xia Yinzong before. , now need to rest."

The ultimate husband in Chinese chapter 5637

After speaking

, Yue Feng thought for a while: "Also, God King Haotian already knows the relationship between Xia Yinzong and us, those magic soldiers really want to see you, it must be an endless situation, I am different, I'm the emperor, even if I met the God King Haotian, he wouldn't dare to do anything to me."

Hu...

Hearing these words, everyone calmed down.

A few seconds later, Wen Chou Chou patted Yue Feng on the shoulder: "Okay then, be careful alone." Speaking of which, Wen Chou Chou was really worried that Yue Feng would go alone, but what Yue Feng said just now was good, everyone's experience After the incident of Xia Yinzong, the strength of each one has not recovered. If there is a conflict with the subordinates of the Haotian God King, the consequences will be disastrous.

Yue Feng nodded and hugged Su Qingyan before leaving reluctantly.

Leaving Haitang Garden, Yue Feng moved his figure and flew towards the mountains north of Donghai City.

After flying for a few minutes, Yue Feng arrived in front of a ruin. For a time, when he saw the environment in front of him, Yue Feng couldn't help feeling emotional.

Yue Feng is no stranger to this ruin.

At that time, the Shangwu Academy held a lion slaughter conference, and the 'Golden Lion King' Yu Zongtian of the Changsheng Hall was judged in public. The Tibetan land told Yue Feng, and the place where the books were stored was in the ruins.

Now that he is revisiting the old place, Yue Feng remembered the original scene again in his mind.

Huhu....

Yue Feng is recalling, suddenly, a few golden figures flew from the sky not far away, all wearing golden helmets and golden armor, they were a pair of patrolling soldiers.

Mad, what a coincidence.

Seeing these divine soldiers, Yue Feng cursed inwardly and hid behind the stone pillar.

This chapter is provided by . Visit for daily update.

Just after hiding, several divine soldiers flew over their heads, and they could vaguely hear their conversations.

“Ma De, where did that woman go?”

“This place is so big, it must not be far away, let’s continue the search.”

“Yes, let’s continue the search, and when His Royal Highness the King of God will come over, this woman can’t fly today. ...” During the

discussion, several divine soldiers flew into the distance.

Hearing this, Yue Feng was both happy and worried.

Looking at the situation, Liu Ruxue was near here, but after a while, the God King Haotian came over, and it was a little troublesome.

Thinking of this, Yue Feng did not dare to slack off, and carefully inspected the ruins. After a while, he saw a figure hidden in the shadow of a collapsed stone pillar.

With a graceful and charming figure, who is not Liu Ruxue?

I have to say that Liu Ruxue is very smart. The place he was looking for happened to be able to hide a person, and it was difficult to find it by flying over it.

call!

Yue Feng was overjoyed when he found Liu Ruxue, but in order to avoid making a sound, it would attract those magic soldiers, so he didn’t shout at that time, but walked over tiptoe.

Because Liu Ruxue’s back was facing Yue Feng, and Yue Feng deliberately lightened his steps, Liu Ruxue didn’t notice it at all.

Snapped!

After reaching behind, Yue Feng raised his hand and patted Liu Ruxue's shoulder lightly: "What is Liu Ruxue doing here?"

Liu Ruxue's spirit has been tense, and suddenly she was shocked when she heard someone behind her. , Immediately, he turned his head around quickly, and when he saw that it was Yue Feng, he was stunned.

Yue Feng? Is he here?

At the same time of shock, I was also a little excited. It was great. With Yue Feng here, even if he was discovered by those magical soldiers later, he would not be afraid.

Seeing her appearance, Yue Feng showed a smile: "What? You can't speak when you see me so excited?" As he spoke, he looked up and down at Liu Ruxue.

I haven't seen her for a few days. Although this woman is very embarrassed, the charm she exudes is still irresistible.

Swish!

Liu Ruxue was very happy at first, but seeing Yue Feng's eyes at this time, she kept staring at herself, her delicate face suddenly flushed red, and then she raised her hand and slapped Yue Feng fiercely.

With the crisp sound, Yue Feng was immediately blinded, covering his face and said, "Hey, what are you beating me for?"

Liu Ruxue snorted lightly and said angrily, "What did you say you were beating for? If it wasn't for you, neither would I. You will come to this continent of Kyushu, like a lost dog, and you have insulted my innocence before, so it is not an exaggeration for me to kill you."

The ultimate husband in Chinese chapter 5638

When saying this, Liu Ruxue looked ashamed and angry.

When she saw Yue Feng at this time, Liu Ruxue also thought of Prince Aotian in her mind. In her heart, she and Yue Feng were transported to the Kyushu Continent. If she wanted to avenge her senior brother, there must be no hope, because that Emperor Haotian The child is still in Ziwei Continent.

Coupled with the things that happened in the past two days, Liu Ruxue was physically and mentally tired. At this time, facing Yue Feng, she naturally wanted to vent her grievances.

However, Liu Ruxue did not know that Prince Aotian later came to the Kyushu Continent through the Chaos Teleportation Array.

Uh... After listening to Liu Ruxue's words, Yue

Feng was very helpless and said with a wry smile: "I brought you into the teleportation formation for your safety. Don't be unreasonable."

Feng's eyes flashed cunningly: "Besides, I didn't say I was irresponsible. The big deal, after you avenge you, I'll just marry you."

Shuh!

In an instant, Liu Ruxue's face turned even redder, and he spat: "Go away, who wants to marry you." After speaking, she raised her hand and wanted to fight again. However, this time, Yue Feng was already prepared, and his body froze. Dodge easily.

At the same time, Yue Feng did not forget to laugh and joke: "The relationship is all over, who are you not going to marry me?"

"You still say that?" Liu Ruxue stomped her feet in anger, and pulled out the long sword on her body. .

What the hell!

Seeing this situation, Yue Feng quickly said: "Okay, okay, don't tease you, don't be impulsive, there are magic soldiers nearby, we are making trouble like this, it's easy to be discovered."

Liu Ruxue stared He glanced at it and said angrily: "I was discovered when I was discovered. Anyway, I can't return to Ziwei Continent now to kill that Aotian Prince to avenge my senior brother."

Hearing this, Yue Feng couldn't help laughing: "It took a long time for you to get angry because of this. Let me tell you, that Prince Aotian has also been sent over, and he is now in the Kyushu Continent.

"What?" Liu Ruxue's delicate body was shocked.

Huh...

Yue Feng let out a sigh of relief and said with a smile, "What am I lying to you for? That Prince Aotian has already been arrested by me and is now being held in Donghai City." After speaking, Yue Feng explained the situation at that time, Roughly speaking.

Knowing the situation, Liu Ruxue was very excited, but at the same time, she couldn't wait: "Take me there."

Senior brother was taken away and died so tragically, he must kill Prince Aotian with his own hands.

Yue Feng responded and was about to leave with Liu Ruxue.

Buzz...

However, at this moment, a powerful aura came from the sky not far away, and then, a figure flew in the air.

Yue Feng and Liu Ruxue looked up, their expressions changed.

Nearly 1,000 elite soldiers came. The golden armor and golden armor showed a dazzling golden glow under the sunlight. The head was burly, and the whole body was filled with a strong aura, majestic and majestic.

It is the God King Haotian.

Half an hour ago, the God King Haotian got the whereabouts of Su Qingyan and Liu Ruxue, and immediately led his subordinates to rush here.

Nima!

Seeing the God King Haotian, Yue Feng wanted to cry but had no tears. He was really afraid of what to do.

I was thinking about how to avoid the God King Haotian, but finally bumped into it.

Swish!

At this moment, when Haotian God King saw Yue Feng, he was stunned for a moment, then his pupils contracted slightly and he raised his hand and waved.

In an instant, nearly a thousand elite soldiers rushed up and directly surrounded Yue Feng and Liu Ruxue.

Oops!

Seeing this situation, Liu Ruxue panicked, her delicate face couldn't hide her nervousness and worry. You must know that when she first came to the Kyushu Continent, she was caught by the God King Haotian, and she knew how terrifying the other party was. .

Yue Feng was also very uneasy, but he calmed down quickly and looked at the God King Haotian with a smile: "His Royal Highness God King, stay safe."

Although the other party has many people, but he is the emperor's teacher, what is there to be afraid of? ?

The God King Haotian's eyes flickered, his expression indifferent: "Yue Feng, you left the realm of God without authorization, do you know the crime?" During this period of time, because of Yue Feng's disappearance, Ao Lin has been urging the God King Haotian to find his whereabouts. For this reason, the God King Haotian suffered a lot of pressure.

At this time, I accidentally bumped into Yue Feng, and the God King Haotian suddenly raised a nameless fire.

Feeling the unhappiness of the God King Haotian, Yue Feng smiled slightly: "His Royal Highness is wrong. When did I leave the God Realm without authorization? Before I left, I asked His Majesty for instructions."

In fact, Yue Feng didn't tell Ao Lin at all at that time, because Ao Lin didn't let him leave the God Realm at all, but how could he tell Haotian God King about this?

Haotian God King knew that Yue Feng was talking nonsense, but he did not argue with him on this issue at this time, but said lightly: "Okay, let's not mention this matter for the time being." After

speaking, Haotian God King's face was cold Come down: "Yue Feng, let me ask you, did the Ouyang family secretly collude with the Xiayin Sect? , has always been the target of the Divine Realm's purging, the Ouyang family and the Xia Yinzong colluded, what consequences, you should know what the consequences are!"

When he said this, the power of the Haotian God King exploded, and the sky suddenly distorted.

The terrifying aura spread out, and Liu Ruxue's delicate body trembled slightly, only to feel that it was difficult to breathe.

Yue Feng's strength has not fully recovered, and he is also a little uncomfortable to be suppressed, but he still makes a cynical look, looking at the god king of Haotian with a smile but not a smile: "His Royal Highness, I don't understand what you are saying. You It is said that the Ouyang family secretly colluded with Xia Yinzong, do you have any evidence?"

Speaking of which, Yue Feng took a step forward, with the attitude of a dead pig not afraid of boiling water: "Take out the evidence and let me see."

Yue Feng thought in his heart . Clearly, the Haotian God King had no conclusive evidence in his hands, so he simply refused to admit it.

Huh...

Seeing Yue Feng's attitude, the God King Haotian was so angry that he said solemnly: "Yue Feng, don't make excuses. Two days ago, I led my subordinates to besiege the main altar of Xia Yinzong. My sworn brother Wen Chou Chou, Sun Dasheng, and members of the Ouyang family were all present." "If they hadn't colluded in secret, how could they be in the main altar

of the Xia Yin Sect? How do you explain these?"

Eyes almost burst out with fire.

In fact, this Yue Feng dared to forcibly argue.

Hehe....

However, Yue Feng did not panic at all and shrugged: "His Royal Highness, these are all your words, how can you make me believe it? You must say that my Ouyang family colluded with Xia Yinzong, and you still I have seen it with my own eyes, then let me ask you, did you catch someone at that time?"

When he spoke, the smile in Yue Feng's eyes became even stronger.

Yue Feng couldn't be more clear about the situation at that time. The God King Haotian surrounded the main altar of Xia Yinzong for a day and a night. In the end, the Chou Chou people and the followers of Xia Yinzong managed to escape.

This.... In

the face of the question, Haotian God King's face instantly became embarrassed, he opened his mouth, but he couldn't say a word.

At the same time, there was a bit of fire in my heart.

At that time, the Wen Chou Chou people and the followers of Xia Yin Zong were all blocked in the underground secret passage, but in the end they were allowed to run away, and none of them were caught.

However, how could God King Haotian tell Yue Feng about this kind of thing? So humiliating.

However, the Haotian God King didn't know at this time that at that time, the people who were ugly and ugly, and the people of the Hexiayin sect were able to get out of trouble, all relying on Yue Feng, and the one who faked the magic soldier was Yue Feng.

Haha...

Seeing the appearance of the God King Haotian, Yue Feng couldn't help laughing in his heart.

This God King Haotian, at this time, I think it is more uncomfortable than eating turtle eggs...

Thinking to himself, Yue Feng said with a leisurely face: "His Royal Highness, you are just talking about it, but you can't take it out. When the evidence comes out, how do you want me to cooperate with you?"

"When you find the evidence, come back to me, I still have something to do, so I'm leaving."

The last word fell, and Yue Feng greeted Liu Ruxue to leave.

At this time, Liu Ruxue was extremely shocked. Hearing the conversation between Yue Feng and Haotian God King, he only felt that his brain was buzzing, and he couldn't calm down for a long time.

What is Yue Feng's identity? How dare you talk to Haotian God King like this?

Swish!

At this moment, when Yue Feng was about to take Liu Ruxue away, the expression on the God King Haotian instantly became difficult to look at.

In the next second, the God King Haotian waved his hand and signaled the gods to intercept it. At the same time, he said coldly: "Yue Feng, you can leave, but this woman will stay."

After speaking, the God King Haotian's eyes were locked tightly. Liu Ruxue.

This woman, who has no primordial spirit but possesses divine power, must be the subordinate of the Demon Lord Gone. She must not be allowed to escape.

Huh

....

At this moment, when Liu Ruxue saw that the God King Haotian turned his target to himself, his heart trembled and he became nervous.

Yue Feng was still in a hurry and looked back at the God King Haotian: "Why?"

Why?

With a solemn expression on the face of the God King Haotian, he pointed at Liu Ruxue and said, "This woman, who does not possess primordial spirit, but possesses divine power, must be the remnant of the demon race. How could this king let her leave easily?"

"God King Haotian also believes that Liu Ruxue is related to Gone. You must know that the demons have a sinister cultivation technique that can devour divine power for their own use.

"I..."

At this moment, Liu Ruxue was very angry, and couldn't help shouting: "I said earlier that I don't know that Gone at all." Although she was afraid of the strength of the God King Haotian, she couldn't stand it either. He slandered again and again.

When the words fell, Yue Feng also smiled and said to the God King Haotian: "God King Haotian, you are really becoming more and more interesting. First, you slandered my Ouyang family for collaborating with Xia Yinzong, and now she is said to be Gone's subordinate. It's really ridiculous."

"Let me tell you the truth, this is my woman." The

last few words, Yue Feng's words were unequivocal and unequivocal.

Um?

Hearing this, God King Haotian frowned and was stunned.

Liu Ruxue's delicate body trembled, her delicate face was extremely blushing, and she stomped her feet: "Yue Feng, what nonsense are you talking about, who is your woman?"

"Forget about taking advantage.

At this time, Liu Ruxue didn't know that Yue Feng was protecting her by saying this.

Yue Feng secretly exhaled and shook his head at Liu Ruxue, motioning her not to interrupt.

"Haha..."

At this time, God King Haotian reacted, first looking at Liu Ruxue, then his eyes fell on Yue Feng, his face full of disbelief: "Yue Feng, if you say she is your woman, this king will believe it?"

Yue Feng smiled and said, "It's up to you to believe it or not, but I can tell you that her divine power was passed on to her by me, and she is a rare Nine Nether Profound Yin Body, so even if Without primordial spirit, it can also absorb divine power."

Hearing this, Haotian God King frowned, and at the same time secretly sensed Liu Ruxue's physique.

However, God King Haotian still didn't believe it. After all, this Yue Feng was too cunning.

Ugh!

Seeing this, Yue Feng sighed softly and said to Liu Ruxue: "Madam, it seems that His Royal Highness the God King doesn't believe in our relationship. In this case, you can call me Xiang Gong to listen to him, lest he continue to suspect."

Said After that, Yue Feng lowered his voice and said: "Liu Ruxue, you have seen the current situation, only in this way, the Haotian God King dare not forcibly arrest you, if you have nothing to do with me, he really wants to do it, and neither do I. The reason is blocking..." The

voice was so small that only he and Liu Ruxue could hear it.

Huh

Hearing this prosperity, Liu Ruxue's delicate body trembled faintly, and she was very embarrassed and angry.

This Yue Feng is really abominable, who knows if you are deliberately taking advantage of it, or if you really want to help me....

But looking at the God King Haotian, who is staring at him, Liu Ruxue didn't have time to think about it. She bit her lip tightly and hesitated. A few seconds later, he shouted at Yue Feng: "Xiang Gong!"

Haha...

Seeing her so cooperative, Yue Feng showed a smile and nodded with satisfaction: "My lady is really good." After

saying that, Yue Feng looked at the God King Haotian: "His Royal Highness God King, it's time for us to go now!"

Haotian God King's face was gloomy and uncertain, and after staring at Yue Feng for a few seconds, he gritted his teeth and said: "Okay, very good, Yue Feng, you are really good, I will not embarrass this woman, but you must follow me back to the realm of the gods. See your Majesty."

"His Majesty has an order. After finding you, this king will take you back to return to order as soon as possible. There must be no mistake." The

tone was firm and unquestionable.

Yue Feng was stunned for a moment, then smiled and said: "Okay, but I want to send my wife back first, so you can wait for me here." After finally returning to the Kyushu Continent, there are many things to do, how can it be possible to return to God's Domain?

Yue Feng thought about it, and after taking Liu Ruxue and meeting with Wen Chou Chou and everyone, he could leave Donghai City.
