

The ultimate husband in Chinese chapter 5641-5650

However, how could God King Haotian let Yue Feng leave easily?

“What if this king has to escort him all the way?” Haotian God King said coldly, waved his hand, and signaled the surrounding magic soldiers to stop Yue Feng again.

call!

Facing this situation, Yue Feng took a deep breath and put away the smile on his face: “God King Haotian, do you have to live with me today?”

God King Haotian chuckled and said lightly: “Your Majesty’s imperial order, When I find you, I will bring it back to God’s Domain for the first time, and this king is also instructed to act, I hope your Excellency can understand.”

When he said this, Haotian God King’s face was polite, but his tone was irrefutable.

Seeing this situation, Liu Ruxue became nervous again, and Yushou also subconsciously grabbed Yue Feng’s arm.

Hehe..

However, Yue Feng did not panic at all, and chuckled lightly: “Haotian, don’t come with me like this, if you have to find it hard, think about the consequences.” The

last word fell, Yue Feng from He took out something in his arms and held it up high.

It is the golden order of the Emperor of Heaven.

Wow....

Seeing the Heavenly Emperor’s Golden Order, the elite soldiers present suddenly burst into turmoil, and each of them revealed fear and fear in their eyes.

The golden decree of the emperor of heaven symbolizes the supreme status of the emperor of heaven. Seeing the golden order is like seeing the emperor in person.

Pfft... The

next second, nearly a thousand elite soldiers didn’t dare to make trouble, and knelt down in unison.

At the same time, the God King Haotian was also shocked. He didn't dare to neglect at that time, and knelt down: "Your Majesty's grace is mighty, and the grace of Heavenly Emperor is boundless."

To be honest, God King Haotian didn't want to kneel in the bottom of his heart, but he couldn't help it. Yue Feng had the golden decree of the Emperor of Heaven in his hand, as if His Majesty had come in person, any negligence would be disrespectful.

This...

Seeing this scene, Liu Ruxue's delicate body trembled, staring at Yue Feng blankly, completely dumbfounded.

What's happening here?

Why did the other party kneel when they saw the golden token?

Seeing God King Haotian admit his counsel, Yue Feng nodded with satisfaction and said with a smile, "His Royal Highness God King, I can go now." His tone was calm, but he was somewhat proud.

Huh...

At this time, the God King Haotian didn't dare to stop him. He nodded obediently and said, "I respectfully send the emperor." When he said these words, the God King Haotian was very angry, but he had nothing to do.

Yue Feng stopped talking nonsense, dragged Liu Ruxue and strode away.

At this time, Liu Ruxue's mind was buzzing, and the whole person was completely stupid. At that time, he didn't know how to leave with Yue Feng. He didn't react until after walking a long way, and asked Yue Feng: "Just now That God King Haotian, call you Emperor Teacher? You... Who are you?"

After all, the two sides have known each other for a long time, but in Liu Ruxue's view, the Yue Feng in front of him is too unpredictable. Impossible to see.

Yue Feng smiled and said lightly: "Emperor is the master of the Emperor of Heaven. It's just an honorary title."

What?

Hearing this, Liu Ruxue was completely dumbfounded.

God's teacher?

.....
On the other side, the Nalan family.

At this time, the sun was setting in the west, and the afterglow of the setting sun was sprinkled on the entire Nalan family's manor, and the antique building showed a golden halo.

In the garden, Ye Yun and Nalan sat happily on the bench, admiring the beautiful sunset in front of them.

call!

At this time, Ye Yun took a deep breath and said with emotion: "The sunset on Wudang Mountain is also very beautiful, but when I came here today and found the sunset view of the Nalan family, it is also a special feeling."

Nalan smiled happily: "If you like it, just Stay for one more day."

Ye Yun thought for a while, then smiled: "I taught your father's beloved disciple a lesson. Wouldn't it be embarrassing for him to stay here longer? Besides, I will return to Wudang tomorrow to resume my life.

", Ye Yun looked at Nalan Xinran affectionately, and said reluctantly: "But before I leave, I still have one important thing to do."

Feeling his gaze, Nalan Xinran couldn't help but beat his heart and bowed his head: "What's the matter?"

At this time, Nalan was pleased, bowed his head and lowered his eyebrows, his pretty face was shy, his appearance was indescribably charming, and he looked like a different person in peacetime.

She knew that Ye Yun liked her, and she also had a good impression of Ye Yun in her heart.

The ultimate husband in Chinese chapter 5642

At this moment, Ye Yun couldn't hold back any longer, grabbed Nalan Xinran's hand, and said emotionally, "Xinran, besides seeing you this time, I'm going to propose a marriage."

Propose a marriage?

Although he had already guessed something in his heart, when he heard this, Nalan Xinran trembled, stunned for a moment, as if a deer was running around in his heart: "This...isn't it too fast.

" Soon?"

Ye Yun was stunned for a moment, and said anxiously: "We have known each other for three years, and for the past three years, I have always had you in my heart, you know, every time I retreat in the secret room, my mind is full of you.

"I want to marry you earlier, I don't want to suffer from this kind of lovesickness again."
Hearing

this emotional confession, Nalan gladly couldn't express the joy, but still bit her lip and said, "But... But this matter requires my father's approval..."

Haha...

Hearing this, Ye Yun couldn't help laughing: "I've already thought about it, I'll visit Senior Nalan later."

Saying that, Ye Yun held Nalan's happy hand tightly: "Don't worry, I will definitely show my sincerity and persuade Senior Nalan."

Hmm!

Nalan gladly did not speak, but nodded, full of joy.

Over the years, Nalan has been happy to help his father, deal with family affairs, work day and night. On the surface, he is cold and arrogant, but he is actually very lonely in his heart. Since he met Ye Yun three years ago, he has been attracted by Ye Yun's uprightness. When he wants to propose a marriage, he is naturally very happy.

At this moment, in the patriarch's room.

Gone sat quietly in the chair, his face was indifferent, and he could not see the anger.

This chapter is provided by . Visit for daily update.

Next to him, Nalan Hongzheng stood there respectfully, as if he would be dispatched at any time.

"Master!"

At this time, Nalan Hongzheng took a deep breath and said angrily: "That Ye Yun is so abhorrent, he actually made the master lose face in public, what is the master going to do with him? This subordinate will do it." In the

afternoon The matter of Ye Xuan and Gone's discussion was spread throughout the whole family. At that time, Gone was defeated and became the talk of the disciples, and the matter soon reached Nalan Hongzheng's ears.

When the master is insulted, how can he not be angry?

call!

In the face of Nalan Hongzheng's anger, Gone was surprisingly calm. He smiled slightly and waved his hand: "No, that kid is just an ant in my eyes."

"Besides, I didn't exert all my strength at the time, and I lost too. It's right ."

Gone squinted his eyes and thought while saying, "Besides, I'm a direct disciple you just accepted. If you fail because of the competition, you will attack him, and you will inevitably be gossiped. So. This matter is not urgent."

"Yes, Master." Nalan Hong nodded.

Bang Bang...

Just as he was talking, there was a knock on the door, and then a family disciple cautiously said: "Patriarch, Ye Yun asks to see you." The

voice fell, Nalan Hongzheng and Gone looked at each other, both Dark frown.

The next second, Nalan Hong was reacting and said coldly, facing the door: "What did he come to me for?" The anger in his voice could not be concealed, this Ye Yun, who just offended the master, dared to ask to see him?

"Patriarch Hui." The disciple outside the door responded very politely: "He said there was something important to discuss."

Hehe...

Nalan Hongzheng sneered and was about to refuse, but was stopped by Gone.

"Let someone come in and ask what's the matter." Gone said lightly, and with a flash, he hid behind the bookcase by the wall.

Nalan Hongzheng nodded and said to the door: "Let him come in." The

disciple outside responded, turned around and left, and returned with Ye Yun in a short while.

Squeak!

At this moment, Ye Yun pushed open the door, walked quickly into the room, and cupped his hands towards Nalan Hongzheng: "Senior Nalan, please don't blame me if I offend you." The

attitude was full of compliments and politeness.

Nalan Hongzheng sat lazily on the chair with an indifferent expression: "What's the matter with you?"

Uh...

Feeling that Nalan Hongzheng was in a bad mood, Ye Yun was very embarrassed, and immediately guessed that it might be because Regarding the matter of 'Nie Zhan', he sneered and saluted: "Senior Nalan, on a whim, I had a discussion with Nie Zhan.

The ultimate husband in Chinese chapter 5643

Nalan Hongzheng hummed from his breath and waved his hand to indicate that it was all right.

Seeing that the other party did not blame the other party, Ye Yun was secretly relieved, and then cut to the point: "Senior Nalan, in fact, tonight I want to tell you about my marriage with Xinran."

Marriage?

Hearing this, Nalan Hongzheng was stunned.

At the same time, Gone, who was hiding behind the bookcase, also frowned slightly and narrowed his eyes slightly.

At this time, Ye Yun's mind was full of Nalan Xinran, and he continued: "Senior, Xinran and I have known each other for three years, we love each other, and I hope that the senior can be fulfilled. As long as the senior agrees to this marriage, I will return to Wudang and let me Master came to propose marriage, how?"

When the last sentence fell, Ye Yun's eyes were full of urgency.

However, Nalan Hongzheng was still indifferent, and after thinking for a while, he said lightly: "Ye Yun, although you are a rookie in Wudang and you are good in all aspects, I don't think you and Xinran are very compatible. Don't mention it."

This guy, who offended the master before, is now coming to propose marriage.

It's fantastic.

"Senior!"

Hearing the answer, Ye Yun's heart trembled, and he was a little anxious at the time: "Xin Ran and I are in love with each other, I am sincere to her, please don't do this, and I agree to the marriage with Xin Ran.

"Lan Hongzheng snorted coldly, with a firm tone: "My Nalan family has been standing in the rivers and lakes for nearly a thousand years. The major marriage matters have always been led by the 'parents' life'. As long as I don't agree, she decides that you are useless."

Said, Na Lan Hongzheng waved his hand impatiently, signaling Ye Yun to leave.

Seeing Nalan Hongzheng's resolute attitude, Ye Yun was almost on the verge of crying at that time, and wanted to refute, but finally held back, bowed and left the room.

As soon as his forefoot left, Gogne slowly came out from behind the bookcase.

"This Ye Yun is a bit interesting."

At this moment, Gogne looked out the door and said something to himself, having a new plan in his mind.

The ultimate purpose of his joining the Nalan family is to control the Nalan family. Becoming a direct disciple of the patriarch is the first step, but becoming a direct disciple is still far from the final goal, and when he saw Ye Yun's proposal just now, he immediately gave Ge Nirvana inspiration.

Over the years, the Nalan family has always cultivated Nalan Xinran as a successor. As long as they take Nalan Xinran, they will naturally be the master of the Nalan family.

Thinking of this, the corners of Gogne's mouth twitched, revealing a smile.

"You rest!" The

next second, Gogne said lightly to Nalan Hongzheng, and strode out of the room.

....

on the other side.

Ye Yun returned to the garden in a disappointed mood, and saw Nalan Xinran, still sitting there waiting.

“Ye Yun!”

Seeing Ye Yun coming back, Nalan Xinran quickly stood up, bit her lip lightly and said, “I...what did my father say?” When speaking, Nalan Xinran was a little nervous, after all, she was a girl, And it’s a marriage.

Ugh!

Faced with the inquiry, Ye Yun sighed lightly and smiled bitterly: “Senior disagrees.” After speaking, he explained the situation just now in detail.

At this moment, Nalan’s tender body trembled, and she panicked: “How could this happen?” From childhood to adulthood, his father has always seldom restrained himself. How could he be so conservative when it comes to marriage?

Seeing her Xiumei frowning lightly, Ye Yun came over, took her hand and comforted: “Don’t panic, I’ll ask Master to come in two days and persuade in person, your father will definitely let go by then.

”, Nalan Hongzheng will not lose face.

However, Nalan Xinran shook his head: “Ye Yun, you don’t understand my father’s temper. What he believes, even if the Heavenly King Lao Tzu comes, will not change.”

After speaking, Nalan Xinran frowned and thought.

Ye Yun was stunned for a while, and felt a little anxious. If Nalan Hongzheng really didn’t let go, wouldn’t the bright future for himself and Xinran become a fantasy?

Got it!

A few seconds later, Nalan’s eyes flashed with pleasure, and he had an idea, and said softly: “You wait to find my brother, my father will definitely listen to his words.”

The ultimate husband in Chinese chapter 5644

When he said this, Nalan’s delicate face showed a bit of complexity.

The eldest brother is Nalan Shinichi, who is eight years older than Nalan Xinran. More than ten years ago, he was the leader of the younger Nalan family, but when he traveled around the world, he was framed by a gang of gangsters and his legs were crippled. Wheelchair all year round.

Because of this, Nalan Hongzheng felt very guilty towards his son, and it was precisely because Nalan Zhenyi became a crippled person and could not become the next patriarch that Nalan Hongzheng turned to nurturing Nalan Xinran as a daughter.

call!

Hearing Nalan Xinran's words at this time, Ye Yun took a deep breath: "Xinran, is this okay?"

Nalan Xinran smiled and comforted: "Big brother loves me the most, you told him, he will definitely help." Speaking of which, Nalan Xinran originally wanted to go together, but after all, it was her own marriage, and as a daughter's family, she was thin-skinned.

Um!

Ye Yun nodded heavily: "Okay, then, I'll go back to the room to prepare, and then I'll go to the eldest brother."

Ye Yun was very excited at this time, if Nalan really wanted to help and talk, the marriage would definitely happen.

Nalan smiled happily and returned to the room with Ye Yun.

Just after the two left, a figure slowly walked out from a shadow not far away. Under the moonlight, his face was gloomy and there was a hint of sneer.

It was Gogne.

He heard the conversation between Ye Yun and Nalan Xinran just now.

At this time, watching Ye Yun and the two of them go away, Gogne said to himself: "A little ant from Wudang, who dares to offend the deity, and wants to take the first beauty of the Nalan family as his wife? What a wishful thinking."

Talking to himself, Gogne looked at the sky and rushed in the direction of Nalan Shinichi.

This chapter is provided by . Visit for daily update.

Along the way, Gogne used the power of the Demon Soul to avoid the patrolling family disciples.

Nalan Zhenyi's room is at the innermost part of the family manor. There is a rockery and flowing water in the room, and the environment is quiet and elegant. Nalan Zhenyi was placed here to cultivate his mood.

Bang bang...

Soon, Gogne arrived at Nalan Shinichi's room, making sure there was no one around, so he knocked on the door.

Soon, a question came from the room: "Who?"

Gone turned his eyes and replied, "Wudang faction, Ye Yun."

Hearing the answer, the sound of a wheelchair rolling was heard in the room, and then the door was opened. , Nalan Shinichi pushed the wheelchair to appear in front of Gogne.

I saw that Nalan Zhen was in his thirties, with handsome features, but his face was pale, and the whole person looked a little thin.

Since the loss of his legs, Nalan Shinichi has been living here, rarely going out, his personality has become very strange, and it has not improved until the last two years.

Um?

At this moment, Nalan Zhen was stunned when he saw Gone: "You are not Ye Yun." In the past two years, every time Ye Yun came to the Nalan family, in addition to seeing Nalan Xinran, he also occasionally visited Nalan. Shinichi, so, Nalan Zhen is no stranger to Ye Yun.

"That's right, I'm not Ye Yun."

When his identity was discovered, Gone didn't panic at all, but said with a smile: "But your death today is related to Ye Yun." There are several acupuncture points on Nalan Zhenyi's body.

Nalan Shinichi couldn't react at all. When his body stiffened, he couldn't move.

"What are you going to do?" Nalan Shinichi was very courageous. Faced with such a situation, he did not panic, but asked coldly.

call!

The corners of Gone's mouth twitched, and he said word by word, "Kill you and blame Ye Yun." As the

last word fell, Gone suddenly raised his right hand, imitating the palm of the Wudang School's Taixu Gong, and slapped it on the ground. Nalan Shinichi's Heavenly Spirit was covered.

As the Supreme Being of the Demon Race, Gogne is extremely talented, and he and Ye Yun only fought for one round in the afternoon, and he realized the essence of the opponent's 'Tai Xu Gong'.

Hearing a dull sound, Nalan really had no time to scream, his skull shattered, and he was exhausted on the spot.

After killing Nalan Shinichi, Gogne didn't panic, first wiped the blood on his hands, and then pushed the wheelchair into the room, leaving Nalan Shinichi's body with his back to the door.

After doing this, Gogne took out a packet of powder from his body, sprinkled it in the air of the room, and left quickly.

The ultimate husband in Chinese chapter 5645

Shasha...

Not long after Gogne left, he heard footsteps, and then he saw Ye Yun carrying a jar of wine and a roasted chicken, walking over with longing.

After marrying Nalan happily in the future, Nalan Shinichi is the eldest brother. If I ask him for help tonight, I will have a good drink.

"Really big brother."

Ye Yun shouted when he reached the door.

However, the room was silent and no one responded.

Ye Yun frowned, it's so late, it's impossible for the eldest brother to go out because his legs are inconvenient?

Muttering in his heart, seeing that the door was ajar, Ye Yun didn't think much about it at the time, and just pushed the door and walked in.

call!

Entering the room, Ye Yun saw Nalan Shinichi by the bed inside by the dim light outside, and saw him walking in a wheelchair with his back to the door, motionless.

At this time, Ye Yun didn't realize that something was wrong. He thought that Nalan Zhen fell asleep in the wheelchair, so he laughed and shouted: "Brother Zhen, why did you fall asleep in the wheelchair?"

” The wine and roast chicken were placed on the table next to them, then turned on the light and walked over.

What?

When he got to the front, seeing the situation in front of him, Ye Yun’s heart was shocked, and the hair on his body stood on end.

I saw that Nalan Zhen was bleeding out of seven holes and died.

In an instant, Ye Yun’s brain was buzzing, blank, and after a few seconds, he recovered and was ready to go out and call someone.

hum!

Just before I could turn around, I smelled a faint fragrance in the room. After inhaling it, I felt dizzy and almost couldn’t stand still.

Ye Yun hurriedly stimulated his inner strength, but what he didn’t expect was that the more he stimulated his inner strength, the stronger the dizziness, and finally his eyes darkened, and he passed out directly beside the wheelchair.

Yes, this scent is exactly the powder Gone sprinkled in the room before he left. It is a kind of poison that he prepared himself. No matter how powerful the existence is, as long as it smells it, it will lose consciousness.

.....

In the corridor, Nalan stood there happily and waited quietly.

This corridor is the only way to go to Nalan Zhenyi’s living room. Nalan Xinran is thin-skinned and waits here without following Ye Yun.

In the blink of an eye, more than an hour passed, and Ye Yun was not seen back.

Nalan Xinran couldn’t help but feel a little anxious, this Ye Yun wouldn’t just drink with eldest brother and forget to talk about the business...

“Senior Sister Xinran!”

Just as he was in a hurry, suddenly a shout came from behind, Nalan Xinran Startled, he looked back immediately and saw Gone walking over with a smile.

After killing Nalan Shinichi just now, Gogne didn't go far, and was watching secretly nearby. Seeing Nalan happily waiting for Ye Yun here, Gogne pretended to pass by. Phew

.. Seeing Gone, Nalan sighed with relief, feeling a little unhappy in his heart. How did I meet him here. Thinking to himself, Nalan Xinran said calmly, "Nie Zhan, why are you here?" Gone smiled: "I just came out of Master, and happened to pass by here, Senior Sister, what are you doing here? "

The ultimate husband in Chinese chapter 5646

When he said this, Gogne's face was extremely sincere, but his eyes were cunning.

Half an hour has passed, Ye Yun must have fainted. A Wudang disciple passed out in Master Nalan's room, and the eldest young master died tragically.

This time, Ye Yun jumped into the Yellow River and couldn't wash it.

Um!

Nalan Xinran at this time, who knew what Gogne was thinking, he nodded when he saw that he was so serious, and then walked towards Nalan Shinichi's room first.

Gogne's mouth curled into a sneer and followed slowly.

"Big brother, Ye Yun!"

Nalan Xinran couldn't help shouting when he reached the door, a little doubt on his delicate face.

Strange, there are no lights in the room, could it be that the eldest brother and Ye Yun are not there?

No, if the eldest brother is not there, Ye Yun will definitely go back to find me...

Thinking in his heart, Nalan walked into the room happily and turned on the light.

Dengdeng....

The moment the light came on, Nalan's face changed with joy when he saw the scene in the room.

I saw that the elder brother Nalan Zhenyi was sitting in a wheelchair with his back to the door, motionless. Beside him, Ye Yun collapsed to the ground, and the wine and roast chicken on the table didn't move at all.

what's the situation?

This chapter is provided by . Visit for daily update.

For a time, Nalan was stunned there, thinking quickly in his heart.

Could it be that the eldest brother did not agree with this marriage, so Ye Yun quarreled with him, and then the eldest brother knocked Ye Yun unconscious?

Because Nalan really turned his back to the door, Nalan Xinran didn't realize that he was dead, so he instinctively thought that the eldest brother and Ye Yun quarreled, and then the eldest brother knocked Ye Yun unconscious.

"Big brother!"

Thinking to himself, Nalan walked over slowly with pleasure and said to Nalan Shinichi's back: "What's wrong? Did you guys do it?" As he

spoke, he looked at Ye Yun on the ground, Finding that his life was not in danger, he just fainted, and he was secretly relieved.

At this time, Gogne, who followed from behind, took advantage of Nalan's willingness to not pay attention, and quietly sprinkled some antidote in the room to prevent Nalan from smelling the fragrance and fainting.

After doing this, Gogne pretended to be surprised and said, "What's the matter? Senior brother and Ye Yun did it?" As he

spoke, Gogne walked over quickly and pretended to check Ye Yun's situation: "It's okay, I just passed out and didn't get hurt much."

After that, Gogne continued: "Did Ye Yun and the senior brother fight? This Ye Yun is also true, he originally came to ask the senior brother for help, why did he turn around? what?"

Oh!

Nalan sighed happily and said, "I don't blame Ye Yun. Big brother has become very strange since his legs were abolished, and it has only gotten better in the past two years."

After speaking, Nalan walked up to Nalan Zhenyi with pleasure. : "Big brother, you..."

Just halfway through the sentence, seeing Nalan Shinichi's appearance, Nalan's face turned pale with joy, she let out an exclamation, and her delicate body took a few steps back.

I saw that Nalan really had a trace of blood oozing out of his mouth, nose, and even his ears, his face was blue, and he had obviously been dead for a long time.

Big brother... Big brother died?

At this time, Nalan was pleased, and his mind was completely blank...

How could this be...

At this time, Gonie took the opportunity to walk over quickly, pretending to know nothing: "Senior sister, what's the matter?" .

"Senior brother is dead?"

At this time, Gone was surprised, but there was a bit of gloom in his eyes.

A few seconds later, Nalan reacted with pleasure, and immediately kept Nalan Shinichi, heartbroken: "Brother, wake up, wake up, wake up, don't scare me..."

At the same time, Nalan was happy with tears. stop slipping.

The two brothers and sisters have a deep relationship, and Nalan has loved this sister since she was a child. It can be said that in Nalan Xinran's heart, the eldest brother is more kissable than his father. Seeing him die so tragically at this time, I feel that my heart is broken.

Seeing this scene, Gognie did not convince Nalan Xinran, but shouted at the door: "Someone, come here..."

Hula!

Hearing the call, many patrolling disciples rushed over.

Soon, seeing the scene in the room, all the disciples were shocked.

The ultimate husband in Chinese chapter 5647

"What's going on?"

"The eldest young master is dead... Ye Yun is still unconscious."

"What happened here?"

All the disciples were extremely puzzled and shocked when they were discussing, and wanted to ask, But seeing Nalan's heartbroken expression, it was difficult to speak.

At this moment, Nalan Hongzheng rushed over and was stunned when he saw the scene in front of him.

After being controlled by Gone, Nalan Hongzheng completely weakened his affection for his family.

“Xinran!” In the

next second, Nalan Hongzheng’s face was extremely gloomy, and he asked Nalan Xinran, “What’s going on? How did Shinichi die? Also, why is Ye Yun here.”

“It’s all my fault...”

Nalan Xinran’s eyes were red, and he cried, “If it wasn’t for me, things wouldn’t have turned out like this...” Then, he told the story.

“What?”

Knowing the situation, Nalan Hongzheng’s face was ashen, and he said coldly: “So, Ye Yun came to ask for help, but Shinichi didn’t want to, the two sides quarreled, and then moved?”

Said, Na Lan Hongzheng glared at Ye Yun, who was still in a coma: “This Ye Yun is really daring. If he fails to propose a marriage, he will kill my beloved son...” When the voice

fell, many of the surrounding family disciples also Outraged.

This chapter is provided by . Visit for daily update.

Seeing this scene, Gone sneered inwardly.

The evidence is conclusive, even if Ye Yun woke up, he would be speechless.

“Father...”

Seeing this situation, Nalan Xinran trembled, and quickly explained: “No one knows what was going on at the time, so we can’t just make a conclusion. Besides, Ye Yun also passed out.”

Nalan Xinran said Looking around the room, he continued: “Maybe, the murderer is someone else.”

Ye Yun acted brightly and loved himself deeply. Even if the eldest brother was unwilling to help, he would not be able to kill the eldest brother.

“Yeah!” As the

voice fell, Gone took a step forward and said in a pretentious manner: “Senior sister is right, this matter should not be as simple as it seems, this Ye Yun is a guest after all, even if he has the courage, it is impossible to attack the senior brother.” The city of

Gone is very deep, and he knows that in this case, if he falls into the trap, it will definitely arouse Nalan’s disgust. Doing the opposite way can win Nalan’s trust.

Sure enough, seeing Gone say this, Nalan nodded happily and was very grateful.

Wow...

just as soon as the voice fell, the surrounding family disciples refuted loudly.

“Why do you think that the death of the senior brother has nothing to do with Ye Yun?”

“According to me, he killed the senior brother.”

“Yes, he dared to kill him only because the senior brother lost his legs. Even if the big brother couldn’t stand up, before he died, he stunned him...”

The disciples were not used to Gone at first, but when they saw him talking to Ye Yun, they all sang the opposite, they didn’t know, Saying so myself, indirectly helped Gone.

“You...” Seeing that everyone identified Ye Yun as the murderer, Nalan was very anxious.

At this time, Na Lanhong waved his hand expressionlessly, motioning everyone to be quiet, and then gave Ye Yun a cold look: “Tie him first. Then wake him up with cold water.” When the

voice fell, several disciples came over immediately, tied Ye Yun with five flowers.

At this moment, Nalan gladly wanted to dissuade him, but he held back. After all, the tragic death of his elder brother was no trivial matter.

After tying Ye Yun with five flowers, a disciple brought a bucket of cold water and poured it on top of Ye Yun’s head.

Wow...

In an instant, Ye Yun felt a chill in his heart, and his whole body was jolted, and he immediately woke up.

And the moment he opened his eyes, seeing the room full of people, Ye Yun was immediately blinded.

Seeing him awake, the surrounding disciples were all incensed, and they all attacked him.

“Ye Yun, you are very courageous and dare to kill the big brother.” “I admired you very much, but I didn’t expect you to

be so despicable.

“

, Ye Yun’s brain was buzzing, and the whole person was stupid.

what did they say? I killed Nalan Shinichi?

How is this possible?

The ultimate husband in Chinese chapter 5648

Immediately, Ye Yun looked at Nalan Xinran with an anxious face: “Xinran, you believe me, I didn’t do anything to the eldest brother. After I came, the eldest brother died.”

“At that time, I wanted to check the situation in the room, In the end, I didn’t know why, so I fainted.”

Listening to his explanation, Nalan bit his lip happily and did not respond.

Everyone agreed that Ye Yun was the murderer. Under such circumstances, Nalan Xinran’s heart began to be shaken. After all, very few people came to this courtyard where the eldest brother lived.

And only Ye Yun was alone at the scene, so it was hard to escape suspicion.

call!

At this moment, Nalan Hongzheng finished examining Nalan Zhenyi’s corpse, he first looked around, and finally his eyes fell on Ye Yun, saying word by word, “You bastard, Zhenyi died at the hands of your Wudang ‘Tai Xu Gong’. , you said it has nothing to do with you?”

When he was talking, Nalan Hongzheng’s eyes were blood red, and he wanted to peel Ye Yun’s cramps.

Whoa!

When the words fell, the surrounding disciples immediately gathered around, staring at the top of Nalan Shinichi's head, and saw that his Tianling cover was imprinted with a handprint, and the depression of the five fingers was much deeper than the palm of the hand. The characteristics of virtual power' palm power.

In an instant, everyone was filled with righteous indignation.

“Sure enough, it's you.”

“Senior brother is good to you, but you actually murdered him.”

“It's so sinister and vicious, just because the big brother doesn't speak for you, you will kill the killer. Fortunately, senior sister didn't marry. Give you this scum....”

At this time, everyone didn't know that the real murderer was Gone, but his forged 'Tai Xu Gong' palm power was too similar, and everyone couldn't see the clue.

While everyone was yelling, Nalan Xinran also trembled, looking at Ye Yun with red eyes, full of disappointment and resentment: “Why, why do you want to kill my elder brother...”

When crying, Nalan Xinran almost collapsed.

She never thought that the man she admired would brutally kill her eldest brother.

Faced with this situation, Ye Yun was very anxious, and said to Nalan Xinran: “Xinran, I don't, I really don't...”

Just before he finished speaking, he was interrupted by Nalan Xinran's coquettish drink.

“Shut up!”

Nalan Xinran's delicate face was full of frost, pointing at Nalan Shinichi's Tianling Gai: “The evidence is conclusive, do you still want to argue? Ye Yun, I'm really blind.”

“I... ..”

Ye Yun opened his mouth, for a while, he didn't know how to explain. At this point, my mind was completely clouded.

I didn't do anything to Nalan at all, but he really died under the power of 'Tai Xu Gong'...

How could this be?

Seeing this scene, Gonie hurried over and comforted Nalan in a hypocritical manner: "Senior sister, it's not worth being sad for this kind of person. You must mourn for the death of my senior brother."

Saying that, Gonie helped Nalan happily walked out of the room.

Ye Yun was so anxious that he couldn't help shouting: "Xinran, you believe me, I really didn't kill the big brother."

However, Nalan Xinran didn't look back.

"Someone!"

At this time, Nalan Hongzheng said coldly: "First detain the murderer, and then notify the various sects in Jianghu. After three days, I will publicly execute the murderer."

"Yes, Master!"

Upon hearing the order, the named disciple responded and dragged Ye Yun out of the room.

At this moment, Ye Yun was anxious and flustered, and kept shouting: "I am not a murderer, you wronged a good person... I am really not a murderer..."

However, no one believed him.

.....

On the other side, Donghai City, Haitang Garden.

Yue Feng brought Liu Ruxue back to Haitang Garden safely, and everyone was excited.

After a few chats, Yue Feng took Liu Ruxue to the secret room where Prince Aotian was imprisoned.

At this time, in the secret room, Prince Aotian had both hands and feet tied with iron chains, but he did not panic at all, sitting there with his eyes closed and resting.

Squeak!

Suddenly, the door was pushed open, and Yue Feng and Liu Ruxue walked in slowly.

Seeing Liu Ruxue, Prince Aotian was stunned for a moment, then smiled slightly: "Junior sister, don't come here, I'm relieved to see that you're all right."

Shuh!

Hearing this, Liu Ruxue was very embarrassed and shouted: “Shut up, I’m not your junior sister, and you are not my senior brother. You murderer, die.” When the words fell, Liu Ruxue drew out her long sword . , fiercely stabbed towards Prince Aotian’s heart.

Ha ha!

Watching Liu Ruxue stab with a sword, Prince Aotian showed a smile, neither dodging nor dodging, not panicking at all.

At this time, Yue Feng quickly stopped Liu Ruxue: “Liu Ruxue, don’t be impulsive.”

Liu Ruxue Xiumei frowned and looked at Yue Feng unhappily: “Why stop me from killing him?” , Liu Ruxue couldn’t hold back her anger.

Huh...

Yue Feng breathed a sigh of relief and explained in a low voice, “I didn’t stop you from taking revenge, but you can’t kill him now.”

“Can’t kill him?” Liu Ruxue was stunned.

Yue Feng continued: “Yes, with your current strength, you can only destroy his body, but not his soul at all, and this body belongs to your senior brother, so even if you cut him into eight pieces , is in vain.”

Hearing this, Liu Ruxue was very annoyed: “Then there is no other way?”

Yue Feng smiled: “He is the royal family of the Divine Realm, with a special status, you and I can’t handle it, only Only the Heavenly Emperor can kill him.”

Saying this, Yue Feng said with a serious face: “Don’t worry, I promised you that if I want to avenge your senior brother, I will definitely do it. Now I will detain him first, and I will deal with other things. Take him back to God’s Domain and hand him over to the Heavenly Emperor.”

When he said this, Yue Feng had a sincere expression on his face.

Speaking of which, Yue Feng really wanted to bring Prince Aotian back to the realm of the gods immediately, but when he thought that Gone was still in the Kyushu Continent, he couldn’t rest assured. You must know that Gone was not only powerful, but also cruel, so he must not be allowed to go unpunished.

However, after listening to Yue Feng's explanation, Liu Ruxue was very displeased: "I don't listen to your reasons. You brought me here and you didn't let me take revenge yourself, so you were deliberately mad at me, right?"

Uh...

Seeing her annoyed look, Yue Feng couldn't help laughing and crying.

Later, Yue Feng had to explain, but Liu Ruxue didn't give him a chance at all, stomped his feet, and turned around and left the secret room.

When they got outside, Liu Ruxue bit her lip tightly, thinking secretly in her heart.

This Yue Feng is really hateful. He explained so much just now, all of which are excuses. He is just afraid of the identity of the other party's royal family.

Thinking of this, Liu Ruxue's eyes flickered, and she made up her mind, Yue Feng, you are afraid of the identity of the other party, I am not afraid. I'll wait until you're gone, and then kill this Aotian prince.

.....

On the other side, the coast more than ten kilometers northwest of Donghai City.

On the mountain road next to the coast, an embarrassed figure was walking aimlessly.

This person is very strange, with a pointed chin, long and narrow eyes, white and blue skin, and a short stature. From a distance, he looks like an old man who is over sixty years old.

It is Xiang Liu.

At that time in the cave, Xiang Liu originally planned to control Su Qingyan and Liu Ruxue, and enjoy the gentleness of the beauty. Who knew that Yue Feng, who pretended to be a divine general, had attracted a lot of divine soldiers after a fierce battle between the two sides.

Gone didn't dare to confront so many divine soldiers head-on, so he fled and ran for a whole day and night before finally getting rid of those divine soldiers, and he himself unknowingly reached the boundary of Donghai City.

Mad!

After walking for another ten minutes, Xiang Liu sat on a stone by the side of the road, thinking of Su Qingyan and Liu Ruxue in his mind, he immediately licked his lips and cursed inwardly.

These two little girls are lucky, but I will catch you sooner or later.

Whoa!

I was muttering in my heart when suddenly, there was a sound of footsteps in the woods next to it, and then a group of people rushed out quickly and directly surrounded Xiang Liu.

These people, wearing fish-skin soft armor and holding a machete in their hands, all look a little embarrassed, but their eyes are ferocious, and they are not good at first glance.

Yes, these people are the remnants of the Sea Dragon Palace.

At the beginning, Moyan took the elites of the Sea Dragon Palace. After the destruction of the Qintianjian, there were still some members of the tribe scattered everywhere. In the end, these tribes gathered. Because they could not return to Dragon King Island without the leader, they wandered along the coast to rob and mix. day.

Swish!

At this time, after surrounding Xiang Liu, all the members of the Sea Dragon Palace were stunned when they saw his appearance.

“I’ll go and meet a freak.”

“It looks so ugly...”

“Ma De, it’s really unfortunate today, I encountered such an ugly thing.”

Under the discussion of the crowd, the person in the lead strode out, looked at Xiang Liu up and down, and his eyes were full of contempt: “Boy, take the valuables on your body. Hand over things.”

This person’s name is Liu Yi, who used to follow Yu Du, Yu Du and Mo Yan are gone, and only Liu Yi is left with the highest status, so he was elected as the leader.

call!

Facing Liu Yi's strength, Xiang Liu frowned and said coldly: "Go away, I have no money." He was chased by a group of magical soldiers before, and he finally took a breath. Very irritable.

Hearing the answer, Liu Yi's face sank, and he said coldly, "Boy, do you know who we are?"

Xiang Liu was too lazy to talk nonsense: "I'll say it again, hurry up."

Mad!

Liu Yi was instantly angry, raised his hand and summoned a machete, and cursed: "Ugly thing, courting death!"

Om!

The words fell, Liu Yi's internal strength exploded, the machete drew a dazzling light, and slashed towards Xiang Liu's neck.

This knife is as fast as lightning, as long as it is cut, it will definitely be killed.

However, Xiang Liu was not in a hurry, sitting there without any intention of dodging.

Click.

In the next second, with a crisp sound, Xiang Liu's head was directly chopped off, Gululu rolled into the grass next to him, and blood spurted out, dyeing the ground blood red.

Hehe...

Seeing this scene, Liu Yi put away the machete, with a contemptuous sneer on his face: "Ugly, let you challenge me."

At the same time, other people around couldn't help but cheer.

"Boss Liu, good swordsmanship."

"That knife just now is so handsome..."

"Haha, this ugly thing really deserves..."

Listening to everyone's compliments, Liu Yi showed a smile, and then ordered: "Okay, don't be flattering, go search this ugly thing to see if there is anything valuable."

A few people responded, and they were about to walk over to search for Xiangliu.

Card wipe!

However, before he got close, he saw Xiang Liu, who had lost his head, and there was a sound of bones rubbing against his body, and then he slowly stood up.

Gudong!

Seeing this scene, everyone was startled and quickly backed away.

I saw that after Xiang Liu's body stood up, he went straight to the grass, picked up his head, and pressed it on his neck.

Hiss....

is this a human being or a ghost?

Seeing this scene, both Liu Yi and the others around him felt chills down their spines, and couldn't help but gasp. His legs were so weak that he could hardly stand still.

They still don't know that the Xiang Liu in front of them is the transformation of a spirit snake that has lived for more than two thousand years.

call!

At this moment, Xiang Liu moved his neck and looked at Liu Yi coldly: "You slashed me just now, now it's my turn." The voice fell, and the figure rushed over like a ghost.

Everyone's eyes flashed, and before they could react, Xiang Liu had already arrived in front of Liu Yi.

puff.

The next second, Xiang Liu's right hand stuck out, directly poking a blood hole in Liu Yi's heart!

"You..."

Liu Yi only felt that all the strength in his body had been hollowed out. He looked at Xiang Liu in astonishment, and after saying a word, he fell down and died.

This....

Seeing this scene, the others around were all terrified, and some of them urinated their pants on the spot.

What does this exist? It's too scary.

Pfft!

A few seconds later, I don't know who couldn't hold it, and knelt down all of a sudden, and then everyone else hurriedly knelt down and kowtowed to beg for mercy.

"Forgive your life, spare your life..."

"We have eyes but don't know Mount Tai, please be merciful and spare us."

When begging for mercy, many people almost cried. Murder at sea and smuggle goods, do all kinds of evil, but in the face of a terrible existence like Xiangliu, he has no courage to resist.
