

The ultimate husband in Chinese chapter 5921-5930

Well...

Yue Feng pondered for a while, nodded and said, "That's right." Then, he briefly told Ilona about the knowledge of antiques.

Ilona was very fascinated, and she admired Yue Feng even more for a while.

The two walked and chatted, and unknowingly returned to the palace.

When he arrived at the palace, Yue Feng went directly to Mona to say goodbye. It was almost time to recuperate in the past few days, and it was time to return to Kyushu.

Both Mona and Ilona were a little reluctant, but they also knew that Yue Feng had a heavy responsibility and could not stay here forever, so he had to be sent all the way outside the palace.

Leaving the Rakshasa, Yue Feng did not fly, but walked for a while to enjoy the scenery along the way.

Ok?

At a mountain intersection, I saw a little girl sitting on the side of the road, all dirty, with a broken bowl in front of her, begging there.

It's just that at this moment, there are few pedestrians on the road, and it seems that the girl is alone there, which is pitiful. Seeing that the girl's eyebrows and eyes were somewhat similar to Xiao Xi's, Yue Feng raised sympathy, walked

in slowly, and asked in a warm voice, "Girl, why are you alone, where are your parents?"

I am accustomed to parting from life and death, but I can't watch my children suffer the most.

The girl seemed timid, and when she heard the question, she did not answer, but stood up and took a step back.

call!

Seeing this, Yue Feng breathed a sigh of relief, squatted down, and prepared to continue asking.

However, at this moment, the girl suddenly raised her right hand, and a cloud of white powder sprinkled over her head and face. Yue Feng didn't have time to react, and her whole body was instantly shrouded in powder.

Yes, this little girl is not a beggar at all, but is here to attract Yue Feng's attention.

Nima...it's a trap.

The moment he inhaled the powder, Yue Feng felt that the world was spinning, and he cursed inwardly, and then his eyes darkened, and he didn't know anything. Speaking of which, Yue Feng possessed the Primordial Spirit and was immune to a hundred poisons, but at this time his strength had not fully recovered, and the sudden incident made him fooled.

Not knowing how long he had been in a coma, Yue Feng finally woke up.

call!

When he woke up, Yue Feng took a deep breath and felt his brain swell.

Nima, what a shame, the dignified teacher of the Heavenly Emperor was raided by a little girl....

Cursing inwardly, Yue Feng wanted to stand up, but found himself bound by five flowers, and then looked around, completely stunned. Living.

I saw that I was in a secret room.

Ok?

The next second, Yue Feng's eyes fell directly in front of him, and he couldn't move his eyes away.

I saw that there was a chair in front of me, and there was a beautiful and sexy woman sitting quietly on it. She had beautiful facial features and graceful curves, so people couldn't move their eyes when they saw it.

Who is this?

At this moment, Yue Feng was stunned for a moment, and at the same time, he was also a little puzzled.

This woman looks about the same grade as Ilona. Although she is beautiful and sexy, she is very face, and she has never seen it before.

Could it have something to do with that Hauge?

No, Hauger knew his identity, so he didn't have the courage.

At this time, Yue Feng did not know that the beautiful woman in front of her was Xu Shaojun, the younger sister of Xu Wei, the leader of the Tiandao Society.

The business of Tiandaohui spreads all over the continent of Kyushu. Xu Wei is mainly in charge of the business at the headquarters of the Rakshasa tribe, while his younger sister Xu Shaojun has been in Kyushu. Half a month ago, when the headquarters of Tiandaohui was sacked by Yi Taier, Xu Shaojun was on the ground. Yuan Continent was very saddened when he learned what happened to his brother at that time.

Two days ago, Xu Shaojun came to the Rakshasa clan quietly, preparing to take revenge, but he couldn't find the opportunity. He accidentally learned that Yue Feng left the palace today and secretly set up an ambush.

"You are Yue Feng!"

At this time, when Yue Feng was secretly doubtful, Xu Shaojun's delicate face showed a bit of grief and anger, and said lightly: "The hero of Jiuzhou, who helped Zhou and abused him, did not expect that one day he would Get caught."

When speaking, Xu Shaojun couldn't hide his grief.

In her heart, her brother and the headquarters of the Tiandao Society were destroyed by the Rakshasa clan, and Yue Feng and the Rakshasa clan queen were closely related, so naturally they could not escape the responsibility.

Help Zhou to abuse?

Hearing this, Yue Feng's mind was full of greetings, and he immediately smiled bitterly and said, "Beauty, what do you mean? I don't understand, do we know each other?"

The ultimate husband in Chinese chapter 5922

Call!

Xu Shaojun breathed a sigh of relief, stood up slowly, and said slowly: "It seems that you don't know me yet, okay, then let me tell you, I am the leader of the Tiandao Society, Xu Wei's sister, Xu Shaojun!"

Tiandaohui?

Hearing this, Yue Feng frowned secretly and couldn't help laughing: "I don't know your brother, did you arrest the wrong person?"

Of course, Yue Feng knew that Tiandao would be sacked because of this matter at the time. , Mona also convicted Itel.

Moreover, Yue Feng also heard that that Xu Wei is a character.

I just didn't expect that the other party also has such a sexy and beautiful sister...

Mumbling in my heart, Yue Feng couldn't help looking up and down at Xu Shaojun, and saw that she was wearing a light yellow short skirt, which made her exquisite and graceful figure, It is vividly displayed.

Coupled with those slender snow-white legs, any man will be unable to extricate himself when he sees it.

Swish!

Seeing Yue Feng staring at him tightly, Xu Shaojun's delicate face showed a bit of icy coldness, and then quickly walked to Yue Feng.

Gudong!

At this time, when he observed it up close, Yue Feng was stunned and couldn't help but twitch his Adam's apple secretly.

Snapped!

However, at this moment, Xu Shaojun bit his red lips tightly, raised his jade hand, and slapped Yue Feng without warning!

This chapter is provided by . Visit for daily update.

A crisp sound rang out, and Yue Feng was a little stunned.

"What Kyushu hero is just a womanizer. I warn you, if you dare to look at me with this kind of eyes, you will dig out your eyeballs!" Leng Xiaoxiao said coldly. .

The girl is young and quite fierce.

Hearing the warning, Yue Feng did not panic at all, but just smiled bitterly.

With emotion in his heart, Yue Feng breathed a sigh of relief and looked at Xu Shaojun: "You look so naturally beautiful, I just appreciate it, why are you so lustful? Besides, there is no grudge between us, it's not good for you to catch me like this. "

While speaking, Yue Feng tried to open the acupoints, but the powder he inhaled before, he didn't know what the ingredients were.

“No grievances?”

At this time, Xu Shaojun sneered, looking at Yue Feng’s eyes with a bit of hostility: “I have thousands of brothers in the Heavenly Dao Society, and my brother’s life is all gone, this hatred is not shared. Dai Tian, and you are the VIP of the Rakshasa Queen, and you were in the Rakshasa when the headquarters of the Heavenly Dao Society was wiped out, so you said it had nothing to do with you?”

It turned out to be because of this...

Hearing these words, Yue Feng was very helpless, and explained with a wry smile: “Girl, you are a bit unreasonable, it is Itaire who will slaughter your Heavenly Dao Society!

” In other words, the main responsibility lies with Itair, and it has nothing to do with the queen...”

At this time, Yue Feng was very speechless, and this Xu Shaojun was also true.

“Shut up...”

Just before Yue Feng could finish speaking, Xu Shaojun snorted: “You and the Queen are the same raccoon dog, do you think I will believe what you say?”

Uh...

Seeing the other party’s harassment, Yue Feng was speechless: “Then what are you going to do?”

Xu Shaojun thought for a while, and said slowly: “It’s very simple, you take me into the palace, I want to meet the queen in person, and ask her clearly.” Brother can’t die in vain, this hatred must be guaranteed.

“No!”

Seeing the killing intent in Xu Shaojun’s eyes, Yue Feng didn’t even think about it, shook his head and refused: “I can’t do this.” This Xu Shaojun, who can use the little girl to plot against me, does not compromise the means to achieve the goal, why? Can you bring her into the palace?

Snapped!

As soon as he finished speaking, Xu Shaojun’s face turned cold, he raised his hand and slapped Yue Feng again, and said coldly, “Do you think you have the right to negotiate with me? Let me ask again, will you take me into the palace?”

Nima ...

This slap, Xu Shaojun almost used all his strength, Yue Feng only felt that his face was hot, and suddenly there was some fire, but his hands and feet were tied tightly, and he couldn't break free.

Holding back his anger, Yue Feng showed a smile: "Xu Shaojun, if you really want to see the queen, I can be a middleman and help you get in touch, but I want to take you directly into the palace, please forgive me for not being able to."

The ultimate husband in Chinese chapter 5923

When he said this, Yue Feng's tone was flat, but there was no doubt.

"Okay!"

Hearing this, Xu Shaojun lost his patience and sneered immediately: "Yue Feng, I don't want to embarrass you, as long as you cooperate, but I give you a chance, but you are so ignorant, then don't blame me. It 's over!" After the

last sentence, Xu Shaojun turned around and picked up a strange box from the corner.

What the hell!

At this moment, when he saw what was in the box, Yue Feng's face changed, and he was shocked and angry.

I saw that there were more than a dozen fingernail-sized scorpions in the box. They were golden all over. At first glance, they looked like exquisite handicrafts, but Yue Feng knew that this was an extremely rare golden armored scorpion.

The golden armored scorpion is not highly poisonous, but it makes people in the world change the color of the conversation, because this kind of scorpion likes to sting people's meridians the most.

At this time, Yue Feng never thought that Xu Shaojun in front of him was so sexy and charming, but his methods were so cruel.

call!

Soon, Yue Feng reacted and said coldly: "Hey, girl, don't be too much."

"Am I too much?"

Hearing this, Xu Shaojun's delicate face was full of contempt: "I just want to be for me. Brother revenge, I asked you to help, but you pushed three and four, and now you say that I am too much, don't tell me, should my brother be damned?" After the

voice fell, Xu Shaojun quickly picked up a golden armored scorpion and placed it on Yue Feng's shoulder.

In an instant, the golden armored scorpion raised its scorpion tail and stabbed the meridian on Yue Feng's shoulder.

hiss!

For a moment, Yue Feng only felt a piercing pain coming, and his whole body trembled. This kind of pain did not agree with a wound, and went straight to the soul, but Yue Feng still gritted his teeth and did not shout.

The next second, Yue Feng gritted his teeth and said, "Girl, I advise you to calm down, you can't solve the problem like this."

"Shut up!"

At this time, Xu Shaojun was angry and scolded coldly: "Don't tell me about it. These big principles, how do I do things, it's not your turn to comment, I just ask you if you agree to take me into the palace."

Yue Feng smiled bitterly, but did not respond.

"It's very tough!"

Xu Shaojun sneered, then took out a few golden armored scorpions and threw them on Yue Feng.

Puff puff...

A few golden armored scorpions quickly spread out on Yue Feng, and then raised their tails and stabbed the acupoints and meridians everywhere. In an instant, Yue Feng felt that his soul was torn apart. At first, I could grit my teeth and endure it, but in the end I couldn't help it anymore, so I screamed loudly.

"Nima..."

"Girl, wait for me..."

"One day you will fall into my hands and see how I teach you..."

Seriously, Yue Feng didn't want to be so rude, but The pain of the golden armored scorpion stab on the meridians is really unbearable.

While scolding, Yue Feng trembled all over, cold sweat soaked his gown, every inch of muscle was twitching, and his face was extremely pale.

“Haha!”

Hearing the scolding, Xu Shaojun was not angry, a smile appeared on his delicate face, and he said to Yue Fengxi: “As expected of Yue Feng, you dare to threaten me at this time? It seems... .”

Before he could finish speaking, Xu Shaojun suddenly frowned, his face showed a bit of pain, his delicate body trembled, and he almost fell to the ground.

Ok? what's going on?

Seeing this scene, Yue Feng frowned secretly, while watching Xu Shaojun closely. Seeing that her face suddenly turned pale, her whole body was extremely weak.

Could it be that this girl suffers from a hidden disease and has an attack at this time?

Haha...

Realizing this, Yue Feng endured the pain on his body and smiled.

It seems that my luck is not bad. At a critical moment, I encountered this girl's illness. Otherwise, I don't know how to be tortured by her later.

Thinking to himself, Yue Feng observed Xu Shaojun carefully, and soon saw the clue.

This girl, it seems that the poison in her body has attacked, and it seems that she has been caught by the fire poison of the Taipan snake.

Taipan snake is a rare spirit snake that likes to haunt underground magma and hot environments. It has a powerful fire poison in its body, and this fire poison has a long incubation period. As long as it is bitten by a Taipan snake, the fire poison will kill it. It will penetrate deep into the dantian meridian, and it is difficult to eradicate it.

The ultimate husband in Chinese chapter 5924

Yue Feng guessed well, Xu Shaojun was caught by the poison of Taipan snake.

Two years ago, Xu Shaojun inspected an ancient tomb. The ancient tomb was built near the underground magma, and there was a Taipan snake that had been dormant for hundreds of years.

At that time, Xu Shaojun and the Taipan snake fought fiercely for dozens of rounds. Although she was successfully killed in the end, she was also poisoned by fire.

In the following two years, Xu Shaojun tried many methods, but he couldn't completely disperse the fire poison. He could only rely on his internal strength to suppress it, but it would happen every six months.

Every time I have an attack, I feel like I'm on fire, and the pain is unbearable.

Huh ...

At this time, Xu Shaojun's delicate face was extremely flushed, and the fire poison in her body made her groan.

Haha...

Seeing this situation, Yue Feng laughed secretly, this girl's methods are so hot, and being tortured by fire poison at this time can be regarded as retribution.

Swish!

Seeing Yue Feng's face full of ridicule, Xu Shaojun was very annoyed, endured the burning pain in his body, and shouted at Yue Fengjiao: "Yue Feng, you can't protect yourself, you dare to laugh at me, wait and see how I torture you."

This Yue Feng, who was tortured so badly by himself, even dared to laugh at this time, he was simply courting death!

Uh... Seeing her fierce face, Yue

Feng was very speechless: "Girl, you are unreasonable. You arrested me and tortured me like this, and you are not allowed to laugh?"

Feng looked at Xu Shaojun up and down, and continued: "Besides, your current situation is not much better than mine. The fire poison of Taipan snake is not something that ordinary people can bear. You should take care of yourself."

This chapter is provided by . Visit for daily update.

Huh?

Seeing Yue Feng mention the Taipan Snake, Xu Shaojun was shocked, his delicate face, unable to hide his shock, said to Yue Feng: "How do you know that I am the Taipan Snake's fire poison?"

Yue Feng smiled slightly: "This is nothing unusual, you can see it at a glance." Seeing

his determined face, Xu Shaojun was stunned, and then instinctively asked:
“You...know the way of treatment?” “

Of course I do.”

Yue Feng raised his mouth and said slowly: “Actually, it is not difficult to solve this fire poison. You only need to take Hansui Dan to remove it.”

Hansui Dan?

At this moment, Xu Shaojun became excited and looked at Yue Feng closely:
“You....Do you have Hansui Dan?”

When he spoke, Xu Shaojun had some expectations in his eyes.

You must know that in the past two years, in order to remove the fire poison from the body, Xu Shaojun has searched for elixir everywhere in the rivers and lakes, and even tried to find a way to eradicate it through the personal connections of the Tiandao Society, but in the end, he found nothing.

At this time, seeing Yue Feng explain his problem in one sentence, and also know the solution, why not get excited?

“Yes!”

Seeing Xu Shaojun’s excited look, Yue Feng smiled secretly, nodded and said, “The cold marrow pill is not particularly rare. I happen to have one on my body.”

Yue Feng is not bragging, but there is indeed a cold marrow on his body. Dan.

“You’re not lying to me?” Xu Shaojun was suspicious.

Yue Feng smiled lightly: “If you don’t believe it, forget it.”

Hearing this, Xu Shaojun hesitated, endured the pain of the fire poison, and walked slowly.

When he got to the front, Xu Shaojun untied the rope for Yue Feng and asked, “Where is the cold marrow pill on your body?”

Hu!

Yue Feng took a deep breath and said with a smile, “I’ll get it for you if you don’t want to be a man or a woman, but you have to help me take out the golden armored scorpion first.

” On the meridians, this kind of taste is really uncomfortable.

Hearing this, Xu Shaojun thought for a while, then took out a pack of special medicines, led out the golden armored scorpion on Yue Feng’s body, and put it in the box.

The moment the golden armored scorpion was taken out, Yue Feng only felt relieved.

Afterwards, Yue Feng took out a cold marrow pill from his body, and saw that the cold marrow pill was completely white, and in Yue Feng’s hands, it exuded bursts of fragrance.

Is this the Cold Marrow Pill?

Seeing Hansuidan, Xu Shaojun was suspicious. In the past two years, Xu Shaojun has checked many ancient books, trying to find a solution, but he has never heard of Hansuidan.

However, upon smelling the fragrance of the Cold Marrow Pill, Xu Shaojun could clearly feel that the pain of the fire poison raging in his body suddenly eased a lot.

The ultimate husband in Chinese chapter 5925

Obviously, this elixir does work.

In the next second, Xu Shaojun stretched out his jade hand with an unquestionable tone: “Give it to me quickly!”

“Well, to you!”

Seeing the urgency in Xu Shaojun’s eyes, Yue Feng smiled slightly and handed over the Cold Marrow Pill. Just at the moment Xu Shaojun picked it up, he accidentally dropped the medicinal pill on the ground.

pat!

The Cold Marrow Pill was very fragile. It fell to the ground and shattered into pieces in an instant.

Yes, Yue Feng did it on purpose.

This girl tortured him half to death just now, how could she give her the Cold Marrow Pill so easily?

“Oops?” At this moment, Yue Feng looked at the shattered medicinal pills and said

hypocritically, "I was stung by a golden armored scorpion just now, and I had no strength. Why did I fall to the ground? I'm sorry."

, Yue Feng looked at Xu Shaojun with a half-smile.

"You..."

Xu Shaojun's pretty face changed, and he was very angry at the time: "Okay, you Yue Feng, you are playing with me..."

When he said this, Xu Shaojun's eyes flashed with coldness, and a strong aura filled his body. Murder out.

This Yue Feng is really abominable, it is obviously intentional, and he also makes an innocent appearance.

This chapter is provided by . Visit for daily update.

The more Xu Shaojun thought about it, the more angry he became. At that time, his inner strength urged him to raise his hand and hit Yue Feng.

"Hey!"

Seeing Xu Shaojun's palm calling, Yue Feng didn't panic at all, and didn't even hide: "Girl, if you kill me, you won't want to get the cold marrow pill in the future!"

Hu...

Hearing this, Xu Shaojun's delicate body suddenly froze and withdrew his palm force abruptly.

Yes, if you kill him, you won't be able to save yourself.

Thinking about it, Xu Shaojun glared at Yue Feng: "But the cold marrow pill has been destroyed by you, you..."

Before she could finish, Yue Feng smiled slightly: "What are you panicking, I can refine it!"

What?

At this moment, Xu Shaojun was stunned again, looking at Yue Feng blankly, thinking that he had heard it wrong.

Can he refine the Cold Marrow Pill?

After thinking about it, this person is a famous person in Kyushu. It is said that his achievements in alchemy are unprecedented, and there is no one since. He said that he can refine cold marrow pills, which is definitely true.

Thinking to himself, Xu Shaojun hurriedly urged: "Then what are you still doing, not refining." The

tone was high and unquestionable.

However, Yue Feng sat lazily on the chair and instructed Xu Shaojun: "It's not difficult to make Hansui Dan, you go and find me a porcelain jar."

Seeing that he turned his back on the guest, Xu Shaojun was stunned for a moment, and then his eyebrows became tight. Suo: "What did you say?"

This Yue Feng actually used me as a servant?

Who gave him the courage?

Yue Feng had a leisurely expression on his face, while kneading the place where he was stung by the golden armored scorpion, he said slowly: "Girl, you have to figure out, now you are begging me, and if you still want Hansui Dan, you have to be obedient. Do you understand?"

You...

Xu Shaojun stomped his feet angrily, but he had nothing to refute, so he could only suppress his anger, walked out of the secret room quickly, went outside to find a porcelain jar and came in.

Yue Feng took the jar, and then took out the herbs he had collected from his body. These materials were all collected by Yue Feng before, each of which was a rare spirit herb in the world. Carry it with you all the time, just in case.

Soon, everything will be ready.

However, Yue Feng did not rush to refine, but sat on a chair and looked at Xu Shaojun with a smile.

"You..." Seeing him like this, Xu Shaojun frowned and said angrily: "What are you doing? Why are you looking at me like this?"

Hu

Yuefeng sighed lightly, pinched his shoulders behind him, He said meaningfully: "Alchemy is a physical task. You stung me with a golden armored scorpion just now,

and your meridians are still hurting. I'm afraid that if you accidentally fail the alchemy next time, it will be troublesome. You must know that these herbs are not good. Looking for it."

Hearing this, Xu Shaojun couldn't help but say: "What are you talking about!"

Yue Feng smiled: "You massage me, squeeze my body, my muscles and bones are comfortable, and I can conscientiously concoct alchemy."

Swish!

Hearing this, Xu Shaojun's pretty face changed, and he was ashamed and angry: "Yue Feng, you are courting death!

", is simply delusional.

But... if he didn't massage him, he wouldn't be able to refine the Cold Marrow Pill.

The ultimate husband in Chinese chapter 5926

Seeing her tangled face, Yue Feng made an indifferent look and said with a smile: "If you feel reluctant, then forget it."

After speaking, Yue Feng sat on the chair and stretched: "But, I have to rest."

Rest?

Xu Shaojun was stunned for a moment, and said anxiously: "Why do you need to rest? Hurry up to make alchemy." She clearly felt that the fire poison in her body was raging, and it was getting worse and worse.

Yue Feng sighed and said hypocritically: "I also really want to make it now, but just now so many golden armored scorpions stabbed my body, my meridians were damaged. You don't massage me, I can only rest by myself. It's relieved."

Hearing this, Xu Shaojun was in a hurry.

He couldn't stand being tortured by fire poison, how could he have time to wait for Yue Feng to rest.

"Okay!"

After some inner turmoil, Xu Shaojun nodded, then bit his lip, and walked slowly behind Yue Feng. A pair of jade hands were placed on his shoulders and kneaded gently.

To be honest, giving Yue Feng a massage, Xu Shaojun felt ten thousand reluctance in his heart.

But no way. The fire poison in the body is getting more and more serious, as if the whole person is about to burn, the taste is really unbearable.

“Yue Feng, are you feeling better?” Xu Shaojun couldn’t help but ask while pressing lightly.

She didn’t care about Yue Feng, she just wanted him to make alchemy quickly.

“Yeah!”

Yue Feng squinted his eyes and looked like an uncle: “It’s so-so, but the strength is not enough. It would be better if you use more strength.”

This chapter is provided by . Visit for daily update.

Hearing this, Xu Shaojun was very angry.

You bastard, Yue Feng, I put down my dignity to give you a massage.

However, Xu Shaojun still suppressed his anger, and slowly increased the strength of his hands, biting his lips and asking, “So what?”

Hmm!

Yue Feng nodded comfortably, and then pointed to his legs: “You don’t need to press your shoulders, your legs are a little numb, you pinch me...”

“You...”

Seeing Yue Feng’s progress, Xu Shaojun was annoyed His face flushed: “Do you want to die...”

Feeling Xu Shaojun’s anger, Yue Feng did not panic at all, and said with a smile: “Do you still want Hansui Dan?”

Hearing this, Xu Shaojun had no choice but to force it. Angered, he squatted in front of Yue Feng and started pinching his legs.

call!

At this moment, Yue Feng only felt comfortable all over, and couldn’t help sighing in relief.

At the same time, from Yue Feng's point of view, Xu Shaojun's perfect curve can be seen.

I have to say, this girl has a really good figure....

Shameless...

Seeing Yue Feng's gaze, Xu Shaojun was shy and angry, he scolded secretly at the time, and after pinching for a few minutes, he finally couldn't hold it any longer: "Yue Feng, you can refine pills now."

"Refining, refining!"

Seeing that Xu Shaojun was on the verge of a seizure, Yue Feng immediately gave up and nodded with a smile: "Refine now!" With

that, Yue Feng stretched out a hand and lazily stood up and started igniting alchemy.

Xu Shaojun stood aside, watching intently, and saw Yue Feng skillfully sorting the medicinal materials, then lighting the fire, refining... Every step was orderly.

For a while, Xu Shaojun couldn't help but admire secretly even though he was very angry.

This Yue Feng is worthy of being a well-known figure in Kyushu, refining medicinal pills is so easy and comfortable, I am afraid that those alchemy masters will not be able to reach this level...

bang!

Just when Xu Shaojun was secretly admiring, he heard a vibration from the porcelain jar, and then, a scent of medicinal herbs came out, exuding bursts of fragrance.

Immediately afterwards, Yue Feng opened the porcelain jar and took out a refined cold marrow pill.

For a time, Xu Shaojun's delicate body trembled, and his face was full of excitement and excitement.

Great, the Cold Marrow Pill has been refined.

"Here!" Yue Feng looked at her with a smile and handed over the medicinal pill.

Xu Shaojun quickly got the result of Hansui Dan, and he took it without any hesitation at that time.

Gudong!

After taking Hansui Dan, Xu Shaojun was pleasantly surprised to find that the burning sensation on his body was relieved a lot.

What made Xu Shaojun puzzled was that although the burning sensation in his body was gone, the fire poison had not been completely eliminated.

With doubts, Xu Shaojun explained the situation, and then asked Yue Feng: "What's going on?"

The ultimate husband in Chinese chapter 5927

Call!

Yue Feng breathed a sigh of relief and said slowly: "The fire poison has been in your body for too long, and it has penetrated into the meridians. It is impossible to recover at once. In your case, you need to take one pill every month. It will take a year to completely eradicate it."

That's it...

Hearing this, Xu Shaojun bit his lip and thought for a while, then looked at Yue Feng and said, "Then... can you help me refine some more."

What ? ?

As soon as he finished speaking, Yue Feng couldn't help shouting: "Girl, you think it's a cabbage radish, you want as much as you want, do you know how many precious herbs are needed to make Hansui Dan? Besides, The materials on my body are only enough to refine one."

What should I do then?

At this moment, Xu Shaojun frowned slightly and became a little anxious.

At this moment, Yue Feng showed a smile and said slowly: "In this way, I can give you the pill recipe for refining the cold marrow pill. You not only have to let me go, but also promise me a condition.

" To reiterate, your brother's death was caused by Itair, and has nothing to do with the queen or even the Rakshasa clan, and ital has already paid the corresponding price."

Hearing this prosperity, Xu Shaojun bit his lip lightly. , pondered.

"Okay!"

After a few seconds, Xu Shaojun nodded and said to Yue Feng, "I promise you that I won't take revenge on the Rakshasa, but I can let you go. What are your conditions?"

Yue Feng thought about it and said. Said: "I know, what does the little girl who plotted against me have anything to do with you?"

After all, he is also a hero of Kyushu, the teacher of the Emperor of Heaven, but it is too embarrassing to be raided by a child of a few years old. More importantly, that little girl is somewhat similar to Xiao Xi, so Yue Feng has always kept it in his heart.

This chapter is provided by . Visit for daily update.

Xu Shaojun was stunned for a moment. He didn't seem to expect that Yue Feng would suddenly mention this. He immediately thought about it and said, "That is an orphan. I met him on the roadside half a month ago."

Hearing this, Yue Feng Xinsheng felt a little sympathy: "Can I see her?"

"Okay!"

Xu Shaojun nodded in agreement without any hesitation, and then called his men outside to bring the little girl over.

The little girl was still wearing the clothes that Yue Feng wore when she saw her before, and she had no stage fright at all. After entering, she said to Xu Shaojun, "Sister, what's the matter?" After

speaking, the girl was stunned when she saw Yue Feng. After a while: "Yeah, are you awake?"

Yue Feng smiled and asked directly: "What's your name?"

"My name is Ajiu." The girl answered neither humble nor arrogant, as if afraid of Yue Feng's revenge, and quickly added He said: "It's my sister who asked me to sneak attack on you, it has nothing to do with me."

Haha...

Hearing this, Yue Feng was instantly happy.

This Ah Jiu is very interesting, he is a big kid. Xu

Shaojun blushed and looked at Ajiu with a frown: "You little girl, I'll bring you back, give you food and drink, and you turn around and betray me."

"I'll tell you the truth, it's you who made me stunned."

“You...”

Xu Shaojun said angrily, “You’re honest, right? I’ll see how I deal with you later.”

Seeing this situation, Yue Feng hurried over to persuade him, and said to Xu Shaojun: “Okay, she is still a child, what do you care about with her? Well, let me take her away.”

Xu Shaojun is cruel, Ah Jiu Staying by her side will definitely not have a good life, it is better to take it back to Tianmen.

Hearing Yue Feng’s words, Xu Shaojun pouted: “This stinky girl is a white-eyed wolf. Take it away if you want.”

Seeing her promise, Yue Feng turned to look at A Jiu: “A Jiu, starting today , will you come with me?”

However, Ah Jiu’s answer made Yue Feng feel like laughing and laughing.

“Why should I go with you?”

Ah Jiu tilted her head and looked at Yue Feng with a bit of vigilance: “You don’t want to take revenge on me, I tell you, I will work hard, but I’m not afraid of you.”

Haha...

At this moment, Yue Feng couldn’t help laughing again, and then looked at Ajiu seriously: “Don’t be nervous, I won’t take revenge on you, I’m looking at you and my little sister You look alike and want to live with you.”

“When you go back, I’ll let someone teach you kung fu and send you to school, how about that?”

At this time, Yue Feng likes this Ah Jiu more and more.

Seriously, seeing Ah Jiu in front of him, Yue Feng suddenly remembered the scene when he first met Xiao Xi. The two girls were orphans, and they knew each other too well, regardless of background or experience.

The only difference is that Xiao Xi is gentle and considerate, while this Ah Jiu is very sharp. If it is trained, it will become a great tool in the future.

Ok!

After listening to Yue Feng's words, Ajiu thought for a while, and finally nodded: "Well, anyway, I have nothing, and I'm not afraid of what you will do to me."

Seeing her answer, Yue Feng smiled.

Immediately, Yue Feng wrote the recipe for Hansui Dan and gave it to Xu Shaojun. Xu Shaojun kept his word and immediately let Yue Feng and Ajiu leave.

"Alas!"

A Jiu looked at Yue Feng when he got outside: "I don't know what your name is yet."

Yue Feng smiled and replied, "My name is Yue Feng, you can call me Brother Feng in the future."

A Jiuyi nodded with a mature face: "Okay, you said just now that you will find someone to teach me kung fu and help me go to school, so what am I going to do for you?"

Yue Feng was stunned: "No need to do anything, You just need to be happy, why do you ask this?"

Ah Jiu's eyes flickered, and she said word by word, "I wandered around, and I learned a truth early on, there will be no pie in the sky, so I just think The big sister before, she gave me a place to live and food, and I'm going to help her knock you out..."

Uh...

Seeing her serious look, Yue Feng felt a little distressed, and at the same time he felt a little bit sad. have no choice.

Such a young child has experienced so many sinister things in the arena.

With emotion, Yue Feng smiled and said, "You don't have to do anything for me. From now on, you will treat me as your family."

"Okay." Ah Jiu nodded suspiciously.

While talking, the two rushed towards the Diyuan Continent.

Two hours later, Yue Feng and A Jiu arrived at Yunfeng City in Xuanye Continent. At this time, night fell, and Ah Jiu was still a child. After walking for several hours, she was already exhausted. Yue Feng immediately decided to find a place to rest.

Yunfeng City is one of the most prosperous cities in Xuanye Continent.

At this time, the lights on the street were just beginning, the traffic flowed continuously, and the pedestrians were woven together on the sidewalk, which was very lively.

Yue Feng and A Jiu walked a few streets, and soon, they saw a chain hotel ahead.

The name of this hotel is very interesting, called blacktiger, and the decoration is very luxurious. Below the name of the hotel, there is a line of small characters with the words Heihu Industry...

Seeing the name, Yue Feng couldn't help laughing.

There is no need to guess, this chain hotel must be opened by Li Heihu, but it is unexpected that Li Heihu, a big and rude, even gave the name of the hotel a foreign language.

Speaking of which, I haven't seen Li Heihu for a long time.

With emotion in his heart, Yue Feng pulled Ah Jiu and said, "Just this hotel in front."

Ah?

Ajiu thought she had heard it wrong, so she was stunned and said, "It's expensive to live in this place, right?"

Yue Feng couldn't help laughing: "It's just for one night, but you can still afford it." Living in Li Heihu hotel, where do you need to spend money?

Yue Feng thought about it, and when he got to the front desk, he called Li Heihu to meet and catch up.

While speaking, Yue Feng took Ah Jiu into the hotel lobby.

Wow!

The moment she entered the hall, seeing the luxurious decorations around, Ah Jiu couldn't help but grow her mouth. Although she has been wandering around the world, she is well-informed. This is the first time she has come to such a luxurious hotel.

Yue Feng, on the other hand, looked indifferent. Seeing that there was a sofa not far away for the guests to rest temporarily, he said to Ah Jiu, "You go over there and wait for me first."

Ah Jiu responded.

Yue Feng went straight to the front desk and said politely, "Can you let me make a phone call?" The

lady at the front desk is very beautiful, dressed in professional attire, which sets off a charming curve. Hearing this, I couldn't help looking up and down at Yue Feng, her tone Indifferent: "I'm sorry, we don't lend out the phone of our hotel."

The man in front of him, dressed in ordinary clothes, looked like a poor man, and he went here to borrow a phone.

Noticing the contemptuous gaze of the lady at the front desk, Yue Feng didn't care, and wanted to explain his purpose.

Wow....

But at this time, I heard a crisp sound from the lounge area in the hall. Yue Feng hurriedly looked over and saw Ah Jiu standing in front of a broken porcelain bottle with an embarrassed expression.

Yue Feng hurried over and said softly: "What's the matter? Is there a cut?"

Ah Jiu shook her head and said with lingering fear: "No cut, I just saw how beautiful this big vase was, so I couldn't help but touch it. After a while, I don't know if you touch it and it will fall."

After speaking, Ah Jiu whispered: "Is this thing very expensive?"

"It's fine!" Yue Feng smiled and comforted: "It's just a vase. "

Speaking, Yue Feng glanced at the broken vase. The texture was delicate and the glaze was bright and bright. Judging from the style of the painting, it should have a history of hundreds of years, and it is an antique.

But to Li Heihu, a porcelain vase is nothing.

"Alas!" The

two were talking when the lady at the front desk walked over quickly and saw the broken vase, she couldn't help but exclaimed: "What's the matter with you two? Do you know how much this vase is? Can you afford it?" The

voice fell, and several security guards rushed over and surrounded Yue Feng.

"Boy!" The

next second, the security captain looked up and down at Yue Feng: "Looking at you, you look so poor, and you went to our hotel to make trouble. Do you know how much this vase is?"

Seeing his attitude, Yue Feng frowned secretly.

A Jiuren is a big kid, and he couldn't help it at this time. He stuck out his tongue at the security captain: "Isn't it just a vase, what's so amazing."

"What did you say?" The security captain stepped forward and glared fiercely. With Ah Jiu, let's do it.

Yue Feng's figure flashed, blocked in front of A Jiu, and said to the security captain: "A big man, threatening a child?" The

security captain blushed and shouted at Yue Feng, "A stinky girl, hit her with me. If you think your hands are dirty, I tell you kid, hurry up and lose money, or don't want to leave."

"Who said I was leaving?" Yue Feng said lightly.

It's just a vase, isn't it?

"Hula.."

Hearing the noise here, many passing guests stopped to watch.

"What's the matter?"

At the same time, the hotel manager, surrounded by several subordinates, walked in quickly.

The hotel manager is called Zhao Liang. He has some contacts in Yunfeng City, and he is considered the number one person. Two years ago, Li Heihu took a fancy to him and asked him to manage the hotel.

Swish.

When he walked to the front and saw the broken porcelain vase on the floor, Zhao Liang's face instantly became ugly, and he said coldly: "What the hell is going on?" Fei, placed in the hall, means breaking disasters and bringing fortune... Obviously it's broken!

“Manager.” The security captain nodded in greeting, then pointed at Ah Jiu: “It was this stinky girl who broke it.”

After that, the security captain looked at Yue Feng again: “She and this poor man are together, the two of them should be a thief, and it’s my fault. I didn’t pay attention to the team members and let them slip in.”

In the eyes of the security captain, Yue Feng and the other were wearing shabby clothes, no different from beggars.

Nima!

Hearing this, Yue Feng was both ridiculous and angry.

This security captain is really arrogant. He just said that I can’t afford the porcelain bottle, but now he says I’m a thief?

Whoa!

At this moment, after listening to the captain’s words, the crowd watching the excitement couldn’t help but talk in a low voice. At the same time, they looked at Yue Feng with disdain.

“The thief is so courageous now that he dares to come to a high-end hotel to steal...”

“It’s his bad luck, he didn’t steal anything, and he broke a vase...”

“It is said that this vase is very valuable, depending on its value. It looks like I’m afraid I can’t afford to sell myself.” The

surrounding discussions kept coming, but Yue Feng just pretended that he didn’t hear it.

Ah Jiu couldn’t bear it anymore, and shouted angrily at the surroundings, “Don’t talk nonsense, we are not thieves, we are here to live in the store.”

Haha...

Hearing Ah Jiu’s words, everyone around them first He was stunned for a moment, then burst into laughter.

“Haha... What did she say? She wants to live here?”

“I’m dying of laughter, just like you, begging for a year, I’m afraid you won’t be able to stay a night.”

Hearing the ridicule around, Ah Jiu's face blushed extremely. Seeing her like this, Yue Feng smiled slightly, and whispered

comfortingly: "Don't bother with them, you can't make sense with these snobbish people." At this time, Zhao Liang took a step forward and looked at Yue Feng: "Porcelain bottle, this girl broke it?" "Yes." Yue Feng nodded. Seeing Yue Feng's admission, Zhao Liang sneered: "Come on, how to deal with this?" Yue Feng smiled slightly and said slowly: "Let me borrow the phone, and I will give you a satisfactory answer within half an hour." "As long as you get in touch with Li Heihu, things can be solved easily. What? At this moment, whether it was Zhao Liang or the others around, they were all stunned, and then many people burst into laughter. "This kid is really interesting. How dare he borrow a phone." "I think he wants to take advantage of the phone to escape." Zhao Liang couldn't help laughing. With a condescending attitude, he said coldly to Yue Feng: "Boy, don't play tricks with me, break the vase, and still want to borrow the phone? Are you flooded?" Facing the humiliation, Yue Feng did not get angry, but took a deep breath and said seriously: "If the phone is inconvenient to borrow, then forget it, then please call Li Heihu and say that an old friend wants to see him." Ok?

Hearing this, Zhao Liang's expression froze, and he was stunned. He looked at Yue Feng, full of doubts.

Does he know Mr. Li?

You must know that Li Heihu is the big boss of Heihu Industry, and the industry spreads all over Kyushu. Speaking of which, Zhao Liang is also a well-known figure in Yunfeng City, but in front of Li Heihu, he is not qualified to carry shoes.

And this shabby boy in front of him actually called Li Heihu by his name and claimed to be his friend?

Who is Mr. Li, how can he have such a poor friend?

"Boy!"

Finally, Zhao Liang reacted and sneered at Yue Feng: "I don't have time to waste my saliva with you. Since you can't give a satisfactory answer, I have no choice but to be polite."

After speaking, Zhao Liang directed at the surrounding people. The security guard shouted: "Don't be stunned, tie the two of them up."

Clap...

Hearing the order, the security captain raised his hand and waved, and the other security guards rushed towards Yue Feng.

Seeing this, Yue Feng shook his head secretly, pulled Ah Jiu with one hand, and dashed out of the siege with his figure. At that time, before everyone could see what was going on, Yue Feng had already brought Ah Jiu to the front desk.

Later, Yue Feng was too lazy to talk nonsense, picked up the front desk phone, and dialed Li Heihu's number. Li Heihu's phone number ends in six and six. It is easy to remember, and Yue Feng has never forgotten it.

Since the other party does not borrow the phone, he can only do it himself.

What?

At this moment, both the lighting and the security captain were stunned.

This person is so fast, could it be that he is a master on the rivers and lakes.

Soon, the security captain was about to bring his accomplices to surround him again, but at this moment, Zhao Liang stopped him.

At this time, Zhao Liang clearly saw that when Yue Feng made a call, he pressed a string of six.

He...

For a moment, Zhao Liang was stunned, his mind went blank.

This person actually knows the boss's number... Could it be that he is really the boss's friend.

Dududu...

Just when Zhao Liang was stunned, the phone rang a few times and connected, and then Li Heihu's low voice came: "Which one..." On the

phone, Yue Feng showed a smile: "Li Heihu, it's me!"

Hearing Yue Feng's voice, Li Heihu seemed to be stunned, and then he shouted excitedly: "I'm going, Brother Feng, am I dreaming? Is it really you, Brother Feng?"

"In the past year, Yue Feng has been busy with matters in the arena, and rarely contacted Li Heihu, and Li Heihu did not dare to take the initiative to disturb him. At this time, Yue Feng called him personally.

What?

Li Heihu's excited voice was very loud. Whether it was Zhao Liang or the others around him, he could hear it clearly, and all of them were dumbfounded.

what's the situation?

The big boss of the dignified black tiger industry, how to be so respectful to a boy in shabby clothes?

Also, call him Brother Feng?

What happened to this kid?
