

The ultimate husband in Chinese chapter 5931-5940

Feeling Li Heihu's excitement, Yue Feng smiled slightly: "Who else could I be? Are you in Xuanye Continent now? We haven't seen each other for a few years, let's catch up!"

"Okay..." Li Heihu was excited No, it's almost impossible to say anything.

Even if you are not in Xuanye Continent, you have to come here by plane.

"That's right!"

At this moment, Yue Feng glanced at Zhao Liang and said to the phone, "Just now at your hotel, my people broke a vase, and your people won't let you go, you can deal with it. Right."

What?

Hearing this, Li Heihu on the other side of the phone was furious and immediately said, "Brother Feng, is the person in charge by your side? You give him the phone..." Who

is not long-sighted, dare to trouble Brother Feng ...

Yue Feng smiled, and without saying anything more, he gestured to Zhao Liang and asked him to answer the phone.

Gudong!

At this time, Zhao Liang was inexplicably frightened. He was not a fool. Now the situation is very obvious. The person in front of him really knows the boss, not all, and has a good relationship.

Soon, Zhao Liang arrived at the front desk, picked up the phone, and stammered: "Old... Boss!"

"Zhao Liang, right? You are blind, or your brain is caught in the door? How did you do this as a manager??" On the other side of the phone, Li Heihu, like a furious tiger, scolded loudly: "Have you treated VIPs like this?"

"I warn you, please give me a treat. If there is a slight chance, you will get out of my way..."

Zhao Liang was scolded by the dog-blood spray, and almost couldn't stand, but nodded again and again: "Yes, it's the boss..."

After hanging up the phone, Zhao Liang squeezed out a smile and said respectfully to Yue Feng: "Sir, I'm really sorry, it's because I don't know Taishan, I'm offended." After speaking, Zhao Liang yelled at the

security captain, "Blind. If you see your dog's eyes, quickly take someone down."

At this time, Zhao Liang was unspeakably uneasy.

He never thought that the man in shabby clothes in front of him was so big, and he was actually the boss's honored guest.

Hearing the scolding, the security captain wanted to cry without tears, but he didn't dare to say anything. He quickly took the other security guards and walked out of the hall in despair.

At this time, Zhao Liang smiled and said politely to Yue Feng: "I will arrange a suite for Mr. immediately. If you have any requirements, feel free to mention it."

Li Heihu had already agreed on the phone just now. The manager's position can't be kept, so how dare you slack off.

Seeing his attitude changed, Yue Feng smiled slightly: "Where's the vase? Do you want to lose it?"

"No, no.." Zhao Liang quickly shook his head, his forehead covered in cold sweat.

This...

seeing this situation, all the guests who were watching the lively around were dumbfounded.

Whatever the case, after just one phone call, the manager's attitude changed 180 degrees.

What is the origin of this shabby boy?

Yue Feng didn't care about the expressions of the people around him. Under the guidance of Zhao Liang, he took Ah Jiu into the VIP elevator.

A few minutes later, Yue Feng and the two were placed in the most luxurious suite. The suite was located on the top floor, standing in front of the floor-to-ceiling windows, overlooking the night view of the entire Yunfeng City.

Wow!

It was the first time for Ah Jiu to live in such a high-end place. When Zhao Liang left, she ran to the floor-to-ceiling window and exclaimed, "This is too luxurious, it's like living in the sky." After

speaking, Ah Jiu was curious . Looking at Yue Feng: "Brother Feng, who are you?"

Yue Feng sat on the sofa and looked at her with a smile: "Didn't I tell you before, my name is Yue Feng."

Yue Feng

Ajiu tilted her head and muttered a few words in her mouth, then her eyes flashed and she looked at Yue Feng in shock: "You... you are Yue Feng, who is called the hero of Kyushu in Jianghu? The one who founded Tianmen That?"

Ah Jiu was shocked when she said this.

Speaking of which, when he heard Yue Feng introduce himself before, Ah Jiu didn't think that he had such a big background. Although he felt that the name was familiar, he also thought it was the same name as Yue Feng, who was circulating in Jianghu.

But just now, after seeing Yue Feng's powerful contacts, Ah Jiu realized that he had been wrong before.

The ultimate husband in Chinese chapter 5932

"What's wrong?"

Seeing Ajiu staring at him blankly, Yue Feng couldn't help laughing and said, "Stupid?"

Ajiu calmed down and jumped onto the sofa opposite, pretending to be an adult "I'm just sighing that I was adopted by Yue Feng, who is famous all over the world."

Seeing her appearance, Yue Feng couldn't help laughing: "Don't be emotional, wait for someone to bring food in. , If you are tired, rest early, and I have to go see an old friend."

"Okay, go and do your work, don't worry about me."

Yue Feng smiled, and after a few words, he walked out of the room.

Half an hour later, an exclusive plane landed in Yunfeng City several times. It was Li Heihu who came. Li Heihu was not in Yunfeng City, but after receiving the call from Yue Feng, he rushed over as soon as possible.

The arrival of Li Heihu caused a great shock in the business community of Yunfeng City. The local wealthy businessmen and families all visited him immediately, but they were all rejected by Li Heihu.

A private club in Yunfeng City.

In the largest box, Li Heihu was sitting there, his face full of excitement. Opposite him, Yue Feng was sitting leisurely on the sofa.

“Brother Feng!”

Li Heihu was full of smiles and said with emotion: “After so many years, you still have the same style, it’s rare to see each other, how about we have a few drinks?”

Hmm!

Yue Feng nodded and said with a smile, “You can have a few drinks, but you can’t drink too much. I have to go tomorrow.”

Li Heihu was very excited. He knew that there were not many opportunities to drink with Yue Feng, so he immediately called for service. Health, go get the most expensive wine in the clubhouse. Also let him get some snacks.

After a while, the wine and dishes were served, and the two chatted while drinking.

Yue Feng talked about his own experiences over the years, but Li Heihu was fascinated by it. He couldn’t help but sigh: “Brother Feng’s experience is legendary.” After

speaking, Li Heihu’s eyes were full of fascination: “I want to It’s not that I have too many industries in my hands, I want to go to the rivers and lakes.”

Yue Feng smiled: “You are not bad, the industries are all over Kyushu.”

Talking here, Li Heihu suddenly thought of something and scratched his head: “In recent years, , I have also been paying attention to the situation in Jianghu, by the way, Brother Feng, in a month, the Nalan family will hold a wedding, do you know?” The

Nalan family?

Hearing this, Yue Feng was stunned: “Who wants to get married?”

“Nalan is happy!”

Li Heihu took a sip of wine, his eyes flashing with a strange brilliance: "It was the female classmate who was with you in Shangwu Academy, The one who looks as beautiful as a fairy."

"Speaking of which, in my opinion, a goddess of this level can only be controlled by someone like Brother Feng, but I heard that the person she is going to marry is a woman. What is the name of the little-known guy, Nie Zhan... I heard that the Nalan family has spread invitation posts, and the whole world has been sensational."

Nie Zhan...

Hearing this name, Yue Feng couldn't help but murmured in his heart.

Isn't that the kid who just joined the Nalan family? It took a long time for Nalan to win the heart of Nalan.... To

be honest, there are many confidantes around Yue Feng, so Nalan is not too uncomfortable to marry happily, but instinctively feels that there is something wrong with this wedding. .

However, Yue Feng didn't think much about it and continued to chat with Li Heihu.

After drinking for several hours, Yue Feng did not return to the hotel until the middle of the night.

Squeak!

As soon as she entered the room, she saw the door of the suite next to it opened, and Ah Jiu rubbed her eyes and walked out.

Yue Feng was stunned for a moment: "Why haven't you rested yet?"

A Jiu's delicate little face flashed complicatedly: "I...my legs are cold, so I just got out of bed and moved around."

Cold legs?

Hearing this, Yue Feng was secretly surprised, how could he have cold legs at such a young age?

Thinking to himself, Yue Feng walked over: "Come on, let me take a look." After saying that, he squatted in front of Ah Jiu and checked.

At this time, Ah Jiu, wearing a cartoon nightdress, was indescribably cute.

However, Yue Feng could clearly see that her exposed legs had a dark blue color on her skin, and her hands touched them, as if it was ice, cold to the bone.

At the bend of the leg, Yue Feng could clearly see that there were two faint scars on it.

This...it was bitten by an ice ring snake.

The ultimate husband in Chinese chapter 5933

The

ice ring snake is a rare poisonous snake. It is recorded in "Wu Ji Danshu". Its snake skin is a material for alchemy. This kind of snake only haunts in an icy environment.

As long as the ice ring snake bites, the cold poison will quickly spread throughout the body, and then the person will freeze to death.

As for A Jiu's small grade, who was bitten by the Ice Ring Snake and survived, it was a big fate.

"Ice Ring Snake?" Hearing Yue Feng's muttering, A Jiu's face was full of doubts: "So that icy blue worm has such a special name."

Yue Feng asked seriously, "When did you get bitten? "

Huh?" Ah

Jiu pondered for a while, then said slowly: "It was half a year ago, at the foot of a snowy mountain, I didn't see it clearly at the time, and I was bitten. I just remember that the long worm was very beautiful, Bingbing. Lanlan."

"Afterwards, I was so cold that I lost my legs and lost consciousness. I thought I was going to die, so I kept running, kept running..."

Having said that, Ah Jiu raised her head and looked at Yue Feng, her delicate face was full of stubbornness: "Afterwards, every time my legs get cold, I will keep moving and walking."

Huh...

Hearing this, Yue Feng felt very distressed.

Ah Jiu suffered so much at such a young age, but speaking of which, although her method was stupid, it had some effect. However, this method cannot eradicate the cold poison that has penetrated into the legs.

Thinking to himself, Yue Feng showed a smile: "When I pass you a set of formulas, after you practice, you will be able to relieve the cold."

Speaking of which, the red lotus fire in Yue Feng's body can dispel the cold poison in Ah Jiu's legs. It was just that the ninth grade was too young to bear the powerful power of the Red Lotus Karmic Fire.

In this case, Yue Feng can only use other

Um!

Hearing Yue Feng's words, Ah Jiu nodded obediently.

Afterwards, Yue Feng passed the formula to Ah Jiu, and then quickly walked out the door.

In order to completely eradicate Ah Jiu's situation, he must take the 'Chiyan Pill'. Of course, the Chiyan Pill Yuefeng can be refined, but it lacks the same important material, the blood of the Chiyan Sable.

The Red Flame Mink is also a rare spirit beast, the nemesis of the Ice Ring Snake. Using its blood to make the Red Flame Pill can completely eradicate Ah Jiu's disease.

Yue Feng remembered that there was a valley more than ten kilometers away from Yunfeng City, where the environment was unique, and there should be red flame ferrets infested.

After a few minutes of flying, Yue Feng finally reached the valley.

At this time, it was the second half of the night, and the light was dim, but Yue Feng had excellent eyesight. After walking around the valley, he soon found a tall blood-scale tree.

The blood scale tree is one of the rare trees in Kyushu. It is named because the bark is blood red and has a fish scale shape. The fruit of the blood scale tree is the favorite of the red flame sable. Therefore, if you find the blood scale tree, you are not afraid to catch it. Red Flame Mink.

call!

At this moment, seeing the tall blood-scale tree in front of him, Yue Feng couldn't help heaving a sigh of relief.

Found the bloodscale tree, now just need to wait for the rabbit on the line.

Thinking to himself, Yue Feng saw a piece of grass not far away, so he was going to take a rest and wait quietly for the red flame sable to appear.

“Hey!”

However, before taking two steps, he heard a clear voice coming from the direction of the grass: “Don’t get in the way here, leave quickly.”

Hearing the sound, Yue Feng was stunned for a moment, and only then did he realize that the grass was on the grass. , sitting with two slender figures.

The two girls were not very old, in their twenties, one of them was wearing a white dress and couldn’t hide her charming temperament. At first glance, she was the eldest lady of which family.

The other one looks pretty and should be a personal maid.

Yue Feng guessed right. The one wearing a white dress is called Wang Qing, the eldest lady of the Wang family in Yunfeng City. The Wang family is famous in Yunfeng City and has strong financial resources.

Beside Wang Qing was her personal maid Li Xue.

As the daughter of a rich family, Wang Qing doesn’t like famous brands, but she likes spirit beasts. She recently learned that there are red flame ferrets in this valley, so she brought Li Xue to investigate at night.

Before coming, Wang Qing deliberately went through the information, knowing that Chi Yan Sable likes blood scale fruit, so she and Li Xue hid to observe quietly, but unexpectedly, an uninvited guest suddenly came.

In Wang Qing’s eyes, Yue Feng was dressed in ordinary clothes. He should be a nearby mountaineer. He came out in the middle of the night to collect medicine, so he didn’t take it seriously.

The ultimate husband in Chinese chapter 5934

Huh?

At this moment, Yue Feng first looked at Wang Qing and then at Li Xue, and couldn’t help but admire secretly.

Unexpectedly, in the middle of the night, I could meet two beauties.

Wang Qing felt very unhappy when she noticed Yue Feng’s gaze.

At the same time, Li Xue couldn't bear it anymore, took a step forward, and said contemptuously at Yue Feng: "What are you looking at? Do you know who my young lady is? Hurry up!" The

voice was clear, but there was no doubt.

Hearing this, Yue Feng frowned secretly, and it was a little ridiculous at the same time. The next second, Yue Feng said lightly, "Even if you are rich, this valley is not yours, right? You can be here, why can't I?"

He shouted: "You scumbag, do you understand first come, first come? I don't have time to waste words with you, hurry up."

It's disgusting for a poor man to reason with us.

Hehe...

Yue Feng chuckled lightly and didn't bother to argue, so he turned and left, waiting quietly on the distant hillside.

The most important thing at the moment is to catch the red flame sable, and it is meaningless to argue with such a rich lady.

At this time, the grass is here.

Seeing Yue Feng turn and leave, Li Xue couldn't help but pouted: "This kind of trickster is really hateful."

This chapter is provided by . Visit for daily update.

Wang Qing was a little irritable: "If this person dares to come again later, you will teach him a good lesson." This kind of poverty It's annoying to look at.

Shasha...

As he was talking, he heard footsteps.

At this moment, Wang Qing and Li Xue thought that Yue Feng had left and returned, but their pretty faces changed and their hearts were angry.

"Hey!"

Li Xue stood up angrily and pulled out his short sword: "You scumbag, I think you are really not afraid of death." Although it is a business family, Wang Qing is free to practice, and Li Xue is a carry-on The maid is not weak.

However, seeing the person coming in the next second, Li Xue was stunned for a moment.

I saw that the person who came was tall and tall, with a strong atmosphere of rivers and lakes, and it was not Yue Feng at all.

This person is about thirty years old, with a long knife hanging from his waist, he has a good momentum, and his eyes are flickering with evil spirits. At first glance, he is not good. This person's name is Du Du Hong, a Jiangyang robber who committed crimes in other places a few days ago, and fled to Yunfeng City tonight.

Swish!

Du Hong had been running around all the way, he was exhausted at first, but when he saw Wang Qing and the two, he was refreshed and his eyes were straight.

So sexy.

Unexpectedly, in the middle of the night, in this wilderness, I can still meet two superb beauties.

With a sigh, Du Hong grinned and walked over slowly to chat up: "Two beauties, what are you doing here late at night? Do you need help?" As

he spoke, Du Hong's eyes kept on Wang Qing and Wang Qing. look.

"Go away!"

Du Hong's appearance made Wang Qing and Li Xue extremely disgusted, and then Li Xuejiao shouted: "Who needs your help, I warn you, this is the eldest lady of the Wang family in Yunfeng City, don't fight. What a crooked idea, get out of here." The

Wang family is famous in Yunfeng City, and no one dares to provoke them. If the other party knows their identity, they will definitely leave.

Wang Qing also frowned, unable to hide her contempt.

Tonight was really unlucky. First I met a bad guy, and then I met a satyr...

"Oh, so it's the rich lady."

However, after Du Hong heard this, instead of leaving, he smiled. His eyes were fixed on Wang Qing: "I look so sexy and come from a delicate family, so I have to get closer."

After speaking, Du Hong walked towards Wang Qing quickly.

Swish!

Feeling the frivolity in the other's eyes, Wang Qing was extremely embarrassed and her face flushed.

"Shameless!"

Li Xue also shouted coquettishly, without any hesitation at the time, tightly holding the dagger, thinking of Du Hong stabbing directly.

Seeing Li Xue rushing over, Du Hong didn't panic at all, but showed a playful smile: "The beauty is quite temperamental, it suits my appetite, but it's boring to fight and kill, let's play something interesting later, I promise you will have a lot of aftertastes, hehe ." The

voice fell, Du Hong's figure flashed, and he directly greeted Li Xue.

Dang!

In just one round, Du Hong knocked out Li Xue's dagger, and then quickly shot and hit Li Xue's acupuncture point.

The ultimate husband in Chinese chapter 5935

Suddenly, Li Xuejiao's body trembled and she couldn't move.

"Li Xue!"

Seeing this scene, Wang Qing exclaimed in surprise, then bit her lip, her delicate body rose up, and attacked Du Hong.

Du Hong was very excited and said proudly, "The eldest miss has taken the shot personally, then I will take a good look at it."

After speaking, Du Hong went up to meet Wang Qing and fought fiercely on the grass with Wang Qing.

While fighting, Du Hong opened his mouth to ridicule, and what he said was unbearable, which made Wang Qing even more embarrassed and angry, but the opponent was too strong to be suppressed at all.

The situation here, Yue Feng on the hillside not far away, can see clearly.

call!

At this moment, Yue Feng could clearly see that Wang Qing's steps were chaotic under Du Hong's suppression, and it was almost impossible to hold on.

However, Yue Feng was not in a hurry.

This Wang Qing, relying on her status as a rich lady, has a high attitude, and now she is suffering, and it should be.

At this time, the grass is here.

Bang bang bang...

Wang Qing and Du Hong exchanged palms and saw Wang Qing's delicate body trembling, she took a few steps back, her delicate face was extremely ugly.

"Hehe!" Du Hongxie laughed, took advantage of the situation to catch up, raised his hand quickly, and tapped her a few times.

In an instant, Wang Qing's body trembled, unable to move.

Seeing this scene, Li Xue was shocked and couldn't help but exclaimed: "Miss!"

Immediately, Li Xue shouted at Du Hongjiao: "Bold thief, you quickly let us go, otherwise, the Wang family will not let you go."

"Hey!"

Hearing Li Xue's coquettish drink, Du Hong did not panic at all, but said cheerfully: "What is it called? It is God's will to meet two beauties in this wilderness. I naturally want to enjoy it."

After speaking, Du Hong walked up to Wang Qing, raised her chin with one hand, and said with a smile, "Right!"

Wang Qing was so disgusted that she shook her head and dodged, while shouting: "Get out, get out!"

At this moment, Wang Qing was embarrassed and angry.

As the eldest lady of the Wang family, she is sought after by people wherever she goes. When have you ever suffered such humiliation?

"Ah?"

Wang Qing's anger did not make Du Hong restrained, but more exciting interest, and immediately smiled and said: "Not only are people hot, but this temper is also hot, hehe, I'm going to kill you."

Saying, Du Hong stopped Wang Qing's waist and pulled it closer to his arms.

Wang Qing was tapped on the acupuncture point and could not resist at all. At that time, she let out a coquettish cry and was directly hugged by Du Hong.

"You..." Wang Qing almost fainted from anger, she was about to cry at the time, and kept shouting: "Bastard, get out of the way, don't touch me, get out..."

At the same time, Li Xue He was also very embarrassed and shouted: "Shameless, let go of Miss."

Du Hong looked back at Li Xue and said with a smile: "Miss has a big temper, and your maid is not small, what's the matter? Seeing Lao Tzu touching your young lady, are you jealous?"

"Don't worry, after we're done, Lao Tzu will come to love you again, haha..."

After saying this, Du Hong turned around and admired Wang Qing in his arms: "Beauty, don't do it. I'm afraid, I'll be gentler later." Du Hong said with a wicked smile, and slowly put his mouth up.

At this moment, Wang Qing's face was full of despair.

"Oops!"

However, just at this critical moment, a cynical voice came and said to Du Hong: "My friend, do you enjoy the two beauties? See you have a share, do you want to give me one?"

While speaking, Yue Feng walked slowly down the hillside.

Um? !

Hearing this suddenly, Du Hong was startled, and his eyes instantly locked on Yue Feng: "Where is the kid who doesn't know whether to live or die?"

At the same time, Wang Qing and Li Xue also had complicated expressions.

This thug has come here?

And... what did he just say? Are you going to do bad things with this bastard?

Thinking of this, Wang Qing and Li Xue were both ashamed and angry.

“Hey!”

At this time, facing Du Hong’s anger, Yue Feng said with a smile: “Don’t be nervous, this friend, I just passed by, I didn’t mean to disturb, I just wanted to come over and get some light.”

“Go away!”

Du Hong His face was gloomy, and he was too lazy to talk nonsense at that time, so he spit out a word coldly.

The ultimate husband in Chinese chapter 5936

Du Hong was very angry at this time.

Mad, this boy is dressed in ordinary clothes. At first glance, he looks like a nearby mountaineer.

Really ignorant and fearless.

At this time, Du Hong didn’t know that Yue Feng had hidden his strength, so he looked like an ordinary person. In fact, his strength was simply beyond what Du Hong could imagine.

“Oh?” What

Du Hong didn’t expect was that his anger did not frighten Yue Feng away, but instead said incessantly, “You are not kind at all, you want to occupy both beauties. Speaking of

this, Yue Feng sighed with emotion: “Hey, I’ve been a bachelor for more than 20 years. I finally met two beautiful women tonight, so you can assign me to be the wife. It’s a big deal. I’ll give the medicine I just picked.” You.”

When he said this, Yue Feng’s face was sincere, he didn’t know, he really thought he was a mountain villager who couldn’t get his wife.

Um?

Seeing what he said was serious, Du Hong was stunned for a moment, and then he couldn’t help laughing: “You are a little funny, you want to get a wife, right?”

Du Hong has traveled in the world for so many years, but this is the first time he has encountered such a bold mountain. People, I admire his courage a little.

Swish!

However, at this moment, Wang Qing and Li Xue were both embarrassed and angry, their faces flushed red, and they stared at Yue Feng fiercely.

“You...” The

next second, Li Xue took the lead in reacting and shouted at Yue Fengjiao: “You shameless troublemaker, you really want to eat swan meat, and you want to beg your wife too? Don’t be delusional.”

This chapter is provided by . Visit for daily update.

Not to mention the young lady, not even her maid would look at him.

Wang Qing is also very angry, and she is too lazy to talk nonsense with Yue Feng while maintaining her identity.

Ha ha!

Facing Li Xue’s ridicule, Yue Feng smiled slightly: “You can’t protect yourself now, so you don’t care if I can get a wife?”

This maid is very good at bullying others, so she needs to be angry with her.

“You...”

Hearing this, Li Xue stomped her feet angrily, but couldn’t refute it.

“Haha, it’s interesting...”

At this moment, Du Hong calmed down and nodded at Yue Feng: “Boy, you are very kind, I appreciate you very much, well, since you said so, After I finish playing, I will give this maid to you to be your wife.”

The two women in front of them each have their own merits, and they must all be enjoyed.

Du Hong thought about it. After enjoying it, he would give Li Xue to Yue Feng. Anyway, the other party was a poor boy from the mountains, so it would be good to have a wife.

As soon as the voice fell, Li Xue’s eyes turned black and he almost fainted.

This person is too hateful. If he wants to sully himself, he has to give himself to this poor and miserable people...

Just when Li Xue was furious, Yue Feng touched his chin and pondered.

The next second, Yue Feng frowned, shook his head at Du Hong and said, "Friend, how can you give me the woman you've touched? I don't want broken shoes." After

speaking, Yue Feng turned his eyes and pointed to Wang Qing said: "Besides, I like her, so let's just give her to me, then, if she gives me a big fat boy, I will definitely thank my friend for his kindness and give your name. "

When he was talking, Yue Feng had a simple and honest face, but he was secretly laughing in his heart.

Haha...

pretending to be a silly boy in the mountains feels pretty good.

"What?"

Hearing this, Du Hong was stunned for a moment, and then his face turned ashen: "Good boy, you are playing with me."

Mad, this boy is really hateful. If you don't want to give you a maid, you still want to get a rich lady.

What annoyed him even more was that Yue Feng actually said to give up his name, doesn't this regard him as a dead person...

shuh!

Li Xue next to him was also very embarrassed and stared at Yue Feng fiercely.

This poor and miserable person is really abominable. He actually said that I was a broken shoe...

At the same time, Wang Qing was also very angry, and her delicate body was trembling for a while. This bastard is really a toad who wants to eat swan meat, and even wants to marry me. Wife, what are you dreaming about?

At this time, Yue Feng looked at Du Hong with a smile: "My friend, how could I play you? I'm serious."

The ultimate husband in Chinese chapter 5937

While talking, Yue Feng did not forget to take a look at Wang Qing: "This beauty has a temperament and is very suitable for me."

Shah!

Hearing this, Wang Qing couldn't bear it anymore, and shouted tenderly: "Go away, who matches you?"

At the same time, Du Hong's face became gloomy: "Boy, I won't talk nonsense with you, get out of here, Otherwise, I will throw you into the mountains to feed the wild dogs."

Seeing that he was angry, Yue Feng pretended to be very nervous and waved his hands again and again: "Friend, don't be angry, if you don't want to give this lady to me, let me Just enjoy the taste."

At this moment, Wang Qing was about to explode with anger.

This bastard is still delusional to meddle with himself.... What a cowardice.

"Ma De!"

At this time, Du Hong lost his patience, scolded and shouted angrily at Yue Feng: "You are really courting death, kid." When the

last word fell, Du Hong rushed up and punched Yue Feng. .

Du Hong's move is called 'Bahu Fist', which is extremely powerful and can break gold and crack rocks.

In Du Hong's eyes, the boy in front of him was just an ordinary mountain person. As long as he was hit by this punch, he would surely die on the spot, with no chance of life.

"Oh!"

Yue Feng was shocked when he saw Du Hong's punch, and pretended to be very scared: "If you don't want to, why don't you want to do it?"

When he said this, Yue Feng's figure flashed. , his feet seemed to be smeared with oil, and he quickly fled towards the woods not far away. Du Hong's punch was directly empty.

This chapter is provided by . Visit for daily update.

Um?

When the punch failed, Du Hong was stunned for a moment, but was actually avoided by this kid.

Accident, definitely an accident.

Thinking to himself, Du Hong shouted loudly, "You want to run even if you have provoked Lao Tzu, can you run?" As the words fell, Du Hong's inner strength exploded and he chased directly towards Yue Feng.

Phew...

Seeing this situation, Wang Qing and Li Xue looked at each other with a bit of complexity on each other's delicate faces.

To be honest, this trickster is very hateful, and I wish he was killed at this time.

It's just... this troll is dead, and the fate of the two of them is not much better...

At this time, in the woods.

"Friend!"

Yue Feng turned back and shouted at Du Hong as he ran: "If you have something to say, don't do it, let's do it, I don't want that eldest lady anymore, just give me that maid."

"Go . Nimad!"

Du Hong scolded: "Shao Te Code is long-winded, you will die."

At this time, Du Hong just wanted to kill Yue Feng quickly, and then go back to enjoy the tenderness of beauty.

At the beginning, Du Hong was still full of confidence, but gradually he felt that something was wrong. The boy in front of him was only a few meters away from him, but he couldn't catch it.

Under such circumstances, Du Hong became more and more annoyed, and shouted, "Stop for me, kid."

Shuh!

Hearing the angry shout, Yue Feng stopped in an instant and looked at Du Hong with a smile: "I understand, which beautiful girl is my friend going to give me." The sight in the woods was dim, and the two women couldn't see clearly at all. , you don't have to hide yourself.

Seeing him stop, Du Hong grinned: "Send you off? Lao Tzu will send you to the West."

When the last word fell, Du Hong burst out with all his strength, charging towards Yue Feng like a cannonball.

Ha ha!

Looking at the old Du Hong, Yue Feng did not panic at all, but showed a smile.

“Oh, there’s a snake!” Seeing that Du Hong was about to rush forward, Yue Feng’s expression changed, and he pointed behind him and shouted, “What a big snake.

” One, can hear clearly.

snake?

At this moment, Wang Qing and Li Xue looked at each other, and they were both inexplicably excited.

These two bastards should have been bitten to death by snakes.

At the same time, Du Hong was also taken aback. He instinctively looked back and saw that the grass behind him was empty, how could there be any snakes?

It was at this time that Yue Feng stretched out his foot and hooked it lightly, causing Du Hong to lose his footing and fell directly into the mud.

“I’m sorry!” Yue Feng scratched his head and smiled: “I read it wrong just now, there are no snakes.”

Nima!

Being played by a mountain villager, Du Hong only felt that he had been greatly humiliated. At that time, his face turned dark, and a carp stood up and said viciously: “Good boy, I won’t take down your bones one by one today, I swear. Not human.”

When the

voice fell, Du Hong’s inner strength exploded, and he slapped Yue Feng’s heart with a palm.

This time, Yue Feng is not dodging, standing there, as steady as a rock.

boom!

This palm hit Yue Feng firmly, and he heard a dull sound, Du Hong’s wow, a mouthful of blood spurted out, and the whole person was directly shaken back ten meters away.

Yue Feng, however, stood there, his face as usual.

This...

At this moment, Du Hong was stunned and struggled to get up, looking at Yue Feng in shock.

How could this be, the palm just now contained ten layers of internal strength, how could this kid have nothing at all, and he even hurt himself?

“You...” In shock, Du Hong stared at Yue Feng, completely lost his previous arrogance: “Who are you?”

Yue Feng smiled slightly, and slowly took out an order from his body. Card.

What?

Although his vision was dim, Du Hong vaguely saw that the token in Yue Feng’s hand was exquisitely made, with nine dragons engraved on it, which was a token of Tianmen.

“You...”

For a while, Du Hong was full of fear, and he couldn’t speak clearly: “Are you from Tianmen?”

Whoever walks in the rivers and lakes does not know Tianmen, especially Jiangyang robbers like Du Hong, who are more concerned about Tianmen. It’s a change of color. After all, the purpose of Tianmen’s establishment is to act on behalf of the heavens, and specially punish him for such a small person.

Yue Feng put away his smile and looked at Du Hong quietly: “People like you do a lot of evil, I should have killed you, but I will give you a chance today.”

“Yes, yes...” Du Hong was full of cold sweat and nodded again and again, completely different from the arrogant look just now.

At this time, Du Hong was very frightened. He thought that the other party was just an inconspicuous mountain person. How could he know that his background was so big...

“From today onwards, you are not allowed to commit crimes and endanger the rivers and lakes.” Yue Feng continued: “If you let me know that you are doing evil everywhere, I will take your life.”

After speaking, Yue Feng waved his hand: “Go away.”

“Thank you for your life.” Leaving and disappearing into the night in the blink of an eye.

call!

As soon as his forefoot left, Yue Feng relaxed, walked out of the woods, and walked towards Wang Qing and Li Xue.

At this moment, Wang Qing and Li Xue were stunned when they saw Yue Feng come out safe and sound.

what's the situation?

This poor and miserable man has no strength at all, and he was not killed by that person.

And... where did that person go?

“Hey...”

Just when Wang Qing and the two were puzzled, Yue Feng walked over with a smile and said solemnly, “That friend was so unlucky that he didn't hit me, but was bitten by a poisonous snake. “

He went to look for medicine to detoxify, hehe, this time I'm cheap, you two big beauties belong to me.”

It turned out to be bitten by a poisonous snake.

Hearing this, Wang Qing and Li Xue were stunned, completely unaware that they had been deceived by Yue Feng.

In the next second, Li Xue recovered and spat at Yue Feng with shame and anger: “You poor and troublesome people, what are you doing in your daydreams? If you talk nonsense again, I will cut your tongue off.”

In Li Xue's eyes, compared to Du Hong, Yue Feng was not at all threatening, so naturally he didn't take it seriously.

At the same time, Wang Qing was also very embarrassed and glared at Yue Feng: “Go away, I warn you, if you dare to touch us, I will tell you that you can't live or die.” “Aiya

?”

Hearing this, Yue Feng did not get angry at all, but said with a smile: “You two can't move, you were almost defiled by that person just now, and you are still so fierce?”

After saying that, Yue Feng walked straight to Wang Qing, and he looked up and down: "Although you are a hot-tempered young lady, your figure is really good. You can definitely give birth to a big fat boy." When the words

fell, Yue Feng pretended to tear Wang Qing's clothes.

Swish!

At this moment, Wang Qing was furious and at the same time extremely nervous: "You... you stop and don't touch me."

Li Xue, who was beside her, also changed her pretty face, and said tenderly, "Bastard, let go of Miss. ."

Yue Feng stopped and looked at them with a smile: "It's okay to let you guys go, what's the benefit of me?" Since in their eyes, I am a poor and miserable person, then I will use the way of making trouble for people. Have a good time with you guys.

This....

Hearing Yue Feng's words, Wang Qing and Li Xue looked at each other and fell silent.

Soon, Wang Qing thought of something and said, "I have money. As long as you let us go, I will give you a lot of money. Then, you can buy a house and marry a wife."

"Yes!" Li Xue quickly echoed: "We'll give you the money."

Yue Feng smiled: "How much?"

Wang Qing bit her lip lightly and thought about it: "One hundred thousand Kyushu coins."

One hundred thousand?

Hearing this number, Yue Feng sneered secretly.

Ma De, I was really dismissed as a beggar...

Thinking to myself, Yue Feng scratched his head: "With 100,000 yuan, can I buy a house and marry a wife?"

Wang Qing and Li Xue nodded again and again.

In their hearts, 40,000 Kyushu coins were already astronomical for the poor man in front of him, and he had no reason to refuse.

What they didn't expect was that Yue Feng shook his head and said solemnly: "You guys are bullying me and I haven't seen the world, right? A buddy from our village spent more than one million yuan just for marriage last year, but you only gave me 100,000, and with this money, I can't do anything."

What?

Hearing this, Wang Qing and Li Xue both frowned.

This person is talking nonsense, now the mountain people are so rich?

At this moment, Yue Feng looked impatient and looked at Wang Qing up and down: "Forget it, I don't want any more money, you just give me a baby, which saves a lot of trouble."

Said, Yue Feng pretended to pull Wang Qing's clothes again.

"You... you stop!"

Wang Qing's pretty face changed, her face turned pale with fright, and she quickly said, "I'll give you one million!"

"It's still too little!" Yue Feng shook his head.

"Ten million..."

"You eldest lady's innocence is worth ten million."

"Fifty million..." When she said these three words, Wang Qing almost cried.

Yue Feng accepted it when he saw it, and nodded with satisfaction: "50 million is about the same. Well, seeing that you are so sincere, I won't touch you, but we have to make a letter and sign it."

After saying that, Yue Feng took out the paper and pen from his body. After writing the document, he picked up Wang Qing's hand and pressed the fingerprint.

Speaking of which, Yue Feng was not short of money at all, and doing so was just to teach Wang Qing a lesson.

After setting up the document, Wang Qing took a deep breath, bit her lip and said, "Now you can let us go."

"Okay!"

Yue Feng nodded with a smile, but scratched his head in the next second: "Then... how can I let you go."

"Release the acupoints!" Li Xue said urgently.

Solve the hole?

Yue Feng smiled secretly and walked out of a look of shame: "I don't know how to solve acupoints."

Hearing this, Li Xue and Wang Qing were both stunned, wanting to cry without tears.

That's right, this person is a mountain person, so he knows how to solve acupoints?

Depressed, Wang Qing breathed a sigh of relief and said, "It doesn't matter, I'll tell you how to solve it." Then, she said the location of the acupuncture points.

To be honest, Wang Qing is self-sufficient and delicate, and she didn't want Yue Feng to touch her, but she thought that after Du Hong had detoxified the snake venom, he would definitely come back. Before he returned, he had to leave here.

At this time, Wang Qing didn't know that she and Li Xue were both deceived, so Du Hong was not bitten by a snake at all.

Soon, after Wang Qing explained it in detail, she turned to Yue Feng and said, "Do you understand?" Yue Feng touched the tip of his nose and looked embarrassed: "I'll give it a try."

For Yue Feng, the acupoint is just a piece of cake, but they have always looked down on themselves, and naturally they will not be easily untied for them.

Saying that, Yue Feng took a step closer and began to unblock Wang Qing's acupoints, looking clumsy.

"You..."

At this moment, Wang Qing's whole body was tense, and she felt Yue Feng's hand swiping, both shy and anxious: "Don't touch..."

Yue Feng With an innocent face: "I didn't touch it, isn't this a solution for you?" As he

spoke, Yue Feng admired Wang Qing up close.

I have to say that although this eldest lady has a arrogant personality, her figure is really unremarkable, her curves are sexy, and any man will be unable to extricate himself when he sees it.

Hearing this, Wang Qing didn't say more, but felt even more anxious.

In the blink of an eye, ten minutes have passed, and Yue Feng has not yet found the right position. Wang Qing is almost suffering, and can't help saying: "Forget it, you don't need to solve the acupoints for me. I... I will solve it myself.. "

The ultimate husband in Chinese chapter 5940

When he said this, Wang Qing was ashamed and angry, holding back her anger.

This guy is really stupid.

I knew long ago that he wouldn't let him unblock the acupoints. In the end, the acupoints were not unblocked, and he was taking advantage of him for nothing.

Oh!

Yue Feng responded and withdrew his hand, but his eyes still admired Wang Qing's figure.

Seeing Yue Feng's gaze, Wang Qing was very displeased, but she didn't want to get angry. For fear that Yue Feng would suddenly turn his face and have a baby with her, she pretended not to see it, silently used her inner strength, and tried to open the acupuncture point. .

Li Xue, who was next to him, also hated his teeth.

"Hey!" In the

next second, Li Xue instructed Yue Feng, "Since you don't know how to solve acupuncture points, make a phone call for help." Both herself and the young lady had been taped for acupuncture points, and it would take at least a few hours to clear them by themselves. It's better to let this person make a phone call at home, as long as there is someone at home, there is nothing to be afraid of.

What's more important, this poor and miserable person in front of him is so abominable, he has extorted tens of millions from the young lady.

Call up?

Yue Feng is not stupid, he immediately understood Li Xue's intention, and immediately shook his head and said, "I can't use the phone.

"

Thinking to myself, Li Xue was about to speak.

"Squeak..."

However, at this moment, a strange sound suddenly came from the blood scale tree not far away.

In an instant, the three of Yue Feng heard the sound, and they were all delighted.

I saw a fiery red figure, jumping up the branches, picking the blood scale fruit to eat, the figure was only the size of a palm, and the body was filled with flames, and it looked like a fire from a distance.

The movements are smart, and the eyes are full of spirituality.

It is the red flame sable!

Haha...

Seeing Chi Yan Sable, Yue Feng was very excited, this time it was not in vain.

At the same time, Wang Qing and Li Xue were also overjoyed and exclaimed.

"Chiyen Sable!"

"Miss, there really are Scarlet Sables."

They came to this valley at night to investigate the whereabouts of Scarlet Sable. Why were they unhappy when they saw Scarlet Sable appear?

Whoosh!

Just when Wang Qing and the two were overjoyed, they saw Yue Feng's figure flashing. Before the two women could see what was going on, Yue Feng had already reached the branch of the Blood Scale Tree.

The next second, Yue Feng made a lightning strike and grabbed the Chiyen Sable in his hand.

Huhuhu...

Suddenly caught, Chiyan Sable screamed, and then spewed out a burst of flames. The flame was Chiyan Sable's life-saving stunt, but its flames did not harm Yue Feng in the slightest.

This...

Seeing this scene, Wang Qing and Li Xue were both stunned and looked at Yue Feng closely, their eyes full of incredulity.

Doesn't he know nothing? How did it suddenly become so powerful?

Especially Wang Qing, watching Yue Feng holding the red flame sable, completely unafraid of flames, her delicate body trembled faintly, and she was speechless for a long time. During this time, she has been studying the red flame sable, knowing that the flame of the red sable is very powerful, not to mention ordinary people, even practitioners dare not touch it easily.

And this person in front of him actually ignored the flame damage of Chi Yan Sable.

Who is he?

At this time, on the blood scale tree.

"Don't be afraid, don't be afraid!"

Facing the constant struggle of Chi Yan Sable, Yue Feng comforted softly: "I don't want to hurt you, I just take a little blood from you as medicine, be good."

At this time, Yue Feng used the Beast language.

Hearing this, Chi Yan Sable instantly calmed down, lying in Yue Feng's hands obediently, not moving.

Yue Feng lightly pierced Chiyan Sable's skin, took two drops of blood, and then let go of his hand. In an instant, Chiyan Sable rushed down the blood scale tree like an arrow from a string, and disappeared in the blink of an eye.

Seeing this, Wang Qing and Li Xue were even more shocked.

He... He was able to communicate with Chi Yan Sable...

At this moment, Yue Feng gently jumped down from the blood scale tree, saw them stunned, smiled and said: "I'm leaving, goodbye. Two Beautiful girl, don't miss me."

Shuh!

Wang Qing reacted, her delicate face flushed extremely red, and at this time she also realized that she had been tricked.

In the next second, Wang Qing asked shyly and angrily, "Who the hell are you?"
