

The ultimate husband in Chinese chapter 5941-5950

“Miss!”

Yue Feng smiled slightly: “It doesn’t matter who I am, but don’t forget, you owe me 50 million Kyushu coins, I will keep the words, wait until the next meeting, I hope you can Cash it. We will have a date in the future.” The

voice fell, and Yue Feng’s figure flashed and disappeared into the night.

asshole!

At this moment, Wang Qing realized that she had been tricked, and she was extremely embarrassed and angry: “I remember you, the next time I meet you, I definitely want you to look good.” This bastard, even if he lied to himself, he even caught the first step. Red Flame Mink.

What’s even more irritating is that he finally let the Chi Yan Sable go.

The tender voice echoed in the valley, but Yue Feng had already gone far, and the only one who responded to her was Ye Feng.

At the same time, Li Xue was also indescribably annoyed: “It’s too abominable, obviously a master, but pretending to be a mountain person to lie.”

Phew!

Wang Qing took a deep breath and said slowly, “When I get home, I will send someone to investigate his background immediately.” Although the opponent is not weak, he is a person after all, so how can he be the opponent of the entire Wang family...

At this time, Wang Qing is still I don’t know, Yue Feng’s background is far beyond her imagination.

“Okay, miss!” Li Xue nodded again and again, with a beautiful face that couldn’t hide her anger: “I’ll call the acupuncture point later, even if this bastard goes to the ends of the earth, I will find him.”

. . .

in mid-air.

Yue Feng hummed a little tune, feeling indescribably relaxed and comfortable.

Tonight is really full of harvest, not only got the blood of Chiyen Sable, but also got 50 million for nothing.

A few minutes later, when Yue Feng returned to the hotel room, he saw Ah Jiu sitting cross-legged on the bed, practicing according to the formula he taught.

“You’re back?” Seeing Yue Feng, Ah Jiu’s face brightened.

Um!

Yue Feng nodded: “Just bear with it, it will be fine soon.”

After saying that, Yue Feng found a container in the room and started refining the medicinal pills, taking every step very seriously.

Ah Jiu sat on the bed and watched silently, gradually showing a trace of respect for Yue Feng. This person is really omnipotent, and I must learn from him in the future.

After a while, Yue Feng finished refining the medicine pill and brought it to Ah Jiu to take it.

Phew....

the moment he took the medicine pill, Ah Jiu couldn’t help but let out a sigh of relief, but at this moment there was still some doubts in his heart: “Can this medicine pill really eradicate the cold in my legs?”

Yue Feng smiled “I, Yue Feng, never lie.”

Ah Jiu nodded and stopped talking. After a minute, she said in surprise, “It’s really eradicated. It’s amazing.”

At this time, Ah Jiu knew clearly I felt that the cold feeling in my legs disappeared without a trace, not only that, but my whole body was also full of vitality.

“It’s amazing!” Under the joy, Ah Jiu couldn’t help but sigh.

Ha ha...

Seeing her making a fuss, Yue Feng smiled slightly and couldn’t help but reached out and touched her head: “Don’t be emotional, it’s getting late, hurry up and rest, we have to hurry tomorrow.

” Jiu nodded obediently and lay down to rest.

Yue Feng said no more, walked out of the room, sat on the sofa in the living room and meditated, closing his eyes and resting.

...

on the other side, in the valley.

After more than two hours of hard work, Wang Qing and Li Xue finally opened the acupoint.

call!

At this moment, Li Xue breathed a sigh of relief, and immediately took out his mobile phone and made a call. Ten minutes later, a dozen bodyguards rushed over.

Wang Qing couldn't hide her anger and quickly explained the situation.

What?

Knowing the situation, more than a dozen bodyguards were all shocked and furious. Who is so bold, how dare to tease the eldest lady.

"Send everyone, be sure to catch this person." At this time, Wang Qing, her delicate face full of frost, said word by word, "I want him to know the price of teasing me.

" Miss."

Hearing the order, more than a dozen bodyguards responded in unison.

Half an hour later, the tranquility of Yunfeng City at midnight was broken. The Wang family dispatched everyone to conduct a major search in all major places in Yunzhou City.

Then a gossip came out that a man provoked the eldest lady of the Wang family. For a time, many people were secretly sweating for this strange man.

The ultimate husband in Chinese chapter 5942

It's not good to provoke anyone, but to provoke the eldest lady of the Wang family, isn't this self-defeating.

In less than an hour, large and small resting places in Yunfeng City were searched, but the hotel where Yue Feng and A Jiu lived was not searched.

Speaking of which, the Wang family has a huge influence in Yunfeng City, but they don't have the courage to check Li Heihu's hotel. You must know that Li Heihu's business

spreads all over the entire Kyushu. No matter how rich the Wang family is, in front of Li Heihu, it is only a drop in the bucket.

In a blink of an eye, the night passed.

The next morning, Ah Jiu woke up.

Because of taking the medicine pill, the stubborn diseases on Ah Jiu's legs were completely eliminated, so the whole person became different.

"Wake up!"

Yue Feng opened his eyes, slowly got up from the sofa, and said to Ah Jiu, "Go wash first, then I'll take you to breakfast, remember that there is a famous special snack in Yunfeng City, come here. You must try it."

Ah Jiu nodded.

Soon, the two of them washed up and were ready to leave.

As soon as the door opened, he saw Zhao Liang standing outside with a respectful face.

"The two of you are up?"

Zhao Liang smiled politely when he saw the two of Yue Feng coming out: "I have already ordered someone to prepare breakfast, it's in the restaurant on the roof." As he spoke, he was about to lead the way.

When Li Heihu left last night, he specially explained that he must treat the distinguished guests well and not make any mistakes. How could Zhao Liang dare to neglect him?

However, Yue Feng did not keep up, but said lightly: "No, we have to hurry, let's eat outside in a while." Although the breakfast here is good, but the place is too high-end and lacks some fireworks. , Yue Feng prefers street food stalls.

Uh...

Seeing Yue Feng's rejection, Zhao Liang was very embarrassed, and said with sincerity, "Sir, is our hotel not doing well enough, please give me some advice."

At this time, Zhao Liang was very nervous. Dissatisfied, I am afraid that I will be fired by the boss.

Hehe...

Seeing his nervous look, Yue Feng smiled slightly: "It's not that much, you're thinking too much, don't worry, Li Heihu won't embarrass you."

Hearing this, Zhao Liang breathed a sigh of relief.

Then, Zhao Liang thought of something and said, "Excuse me, did you go out last night, sir?"

Huh?

Yue Feng was stunned for a moment, and said indifferently: "What's wrong?"

"It's like this!"

Zhao Liang complimented and responded: "In the middle of the night yesterday, the local Wang family sent people to search all major places in the city and said that they would After arresting a person, I got the news that the person they are looking for is very similar to Mr. Zhao."

After speaking, Zhao Liang said seriously: "If the person they are looking for is really Mr., please stay in the hotel temporarily. I will deal with this matter, I still have some contacts in Yunfeng City, and the Wang family is not afraid of it even though it is powerful."

Zhao Liang's eyes were full of anticipation when he said this.

The person in front of him is the boss's honored guest. If he can help him get out of trouble this time, even if he has made a great contribution, the boss will definitely use him again in the future...

There is such a thing....

Knowing the situation, Yue Feng couldn't help it. Dark frown.

Interesting, this eldest lady is really resolute, and she started to act so quickly.

Thinking to himself, Yue Feng smiled lightly and said to Zhao Liang: "You don't have to worry about this, the person they are looking for is not me." He could see that this Zhao Liang was so attentive, he just wanted to perform well and take the opportunity to get Li Heihu's favor. reuse.

If it was normal, Yue Feng didn't mind giving Zhao Liang a chance, but now he was in a hurry to return to Donghai City, so he didn't want to make trouble.

“Okay!” Seeing Yue Feng say this, Zhao Liang didn’t say more, nodded, and immediately sent Yue Feng to the door of the hotel. Originally, I wanted to give Yue Feng a special car, but Yue Feng refused.

After leaving the hotel, Yue Feng took Ah Jiu to a famous snack street nearby.

Although it was early in the morning, the snack street was extremely lively, with various food stalls, one next to the other, fragrant.

call!

Smelling the fragrance, Ah Jiu couldn’t help sniffing her nose: “It smells so good!”

As she spoke, her stomach also growled.

Haha..

Seeing her appearance, Yue Feng couldn’t help laughing: “All the gluttons in your stomach have been hooked out, don’t worry, I’ll let you eat enough later.”

The ultimate husband in Chinese chapter 5943

Speaking, Yue Feng took Ah Jiu to the most famous breakfast restaurant.

“Boss!”

After finding a place to sit down, Yue Feng shouted at the boss, “Take two of the most famous ones here!”

Alright!

The boss responded, and after a while, two breakfasts came up.

At this moment, Ah Jiu couldn’t wait, she picked up a handful of buns and started eating, the corners of her mouth were full of oil, and she didn’t look like a little girl at all.

Yue Feng looked at her with a smile: “Eat slowly, no one is robbing you.”

Ah Jiu nodded and said vaguely: “The last time I ate buns was half a year ago, and I forgot what buns are. It smells so good.”

Hearing this, Yue Feng had a smile on his face, but his heart was full of unpleasantness.

Such a small child has suffered so much.

Wow...

Thinking to myself, Yue Feng just wanted to comfort him, but at this moment, there was a commotion not far away, and then, dozens of men in black, one holding in his hand. A portrait is being checked along the road.

Seeing this scene, many passersby gave way in panic.

Um?

Yue Feng could clearly see that the portraits in the hands of the men in black were acquainted with him in Jiufen, and it was obvious that they were the men of the eldest lady of the Wang family who came across him last night to search him.

This chapter is provided by . Visit for daily update.

Realizing this, Yue Feng did not panic at all, sitting there motionless.

Soon, several men in black came to the front, and they were stunned when they saw Yue Feng. Then they compared the portraits, and they were even more refreshed.

“It’s him!”

“Good boy, I finally found you.”

Excited, the man in black called his accomplice, who surrounded Yue Feng.

Immediately, the man in black looked at Yue Feng coldly: “Boy, you provoked our eldest lady last night, you are not too timid.”

Since last night, these men in black have almost taken the entire Yunfeng City. After searching again, they were exhausted, and their hearts were full of anger. At this time, they finally found Yue Feng, and naturally there was no good face.

call!

Yue Feng breathed a sigh of relief, and said slowly: “Provoking your eldest lady? This is wrong, I saved her life last night.”

Seeing him so calm, the man in black at the head was stunned.

This person is quite courageous. He is not chaotic in the face of danger...

Wow...

At this time, the surrounding guests also hid in the distance and pointed at Yue Feng.

“I heard that last night, the Wang family was looking for someone everywhere, so it turned out to be him.”

“If the Wang family can make such a big move, this kid is doing a lot of trouble.”

“Looking at his clothes, there should be no background. Dare to provoke the Wang family. , I’m afraid it will be troublesome.”

After everyone’s discussion, they were not very optimistic about Yue Feng’s fate. After all, the Wang family was in the entire Yunfeng City, but they had hands and eyes.

Finally, the man in black at the head reacted, and he was too lazy to talk nonsense at the time, and said to Yue Feng: “Boy, I won’t talk to you. If you dare to provoke our eldest lady, you should know the consequences and go with us.” The

tone was strong, Undoubtedly.

Yue Feng sat there, as steady as Mount Tai: “What if I don’t go with you?” As the

voice fell, Ah Jiu also pouted: “That is, why should I go with you?” Although she is young, she has wandered around the world since childhood. I’ve seen a lot of scenes, so I’m not nervous at all.

“Haha!”

Seeing this scene, the leading man in black smiled coldly: “It’s pretty tough.”

After saying that, the man in black first looked at Yue Feng, then looked at Ah Jiu, and finally directed at Yue Feng Said: “Boy, I know you have some strength. If you really do it, maybe we really can’t catch you, but there is a little girl next to you.”

“You can guarantee that we will fight later. , can you protect her integrity?”

Phew!

Hearing these words, Yue Feng was stunned for a moment, and he pondered secretly.

That’s right, his strength has not fully recovered, and when he really does it, he is not afraid of these men in black, but he cannot ensure the safety of Ah Jiu.

Muttering in his heart, Yue Feng stood up slowly and asked A Jiu, “Are you full?”

A Jiu wiped the corner of her mouth: “I’m full.”

Yue Feng nodded: “When you’re full, let’s go. This royal family is a guest.”

The ultimate husband in Chinese chapter 5944

Hmm!

Ah Jiuren was a big kid, and when he saw Yue Feng say this, he stopped talking nonsense and nodded immediately.

Yue Feng looked back at the leading man in black: "Let's go, lead the way ahead." It's a bit interesting.

Seeing that Yue Feng was not panicking at all, the man in black couldn't help but admire secretly, and then he greeted his companions, and brought Yue Feng two and quickly returned to the Wang family.

.....

On the other side, the Royal Villa.

In the villa hall, Wang Qing and her father Wang Kun are welcoming a distinguished guest.

If Yue Feng saw it, he would definitely be stunned.

Because this distinguished guest is none other than Zhu Bajie, but at this time Zhu Bajie is no longer the suave and handsome look that he used to be. A month ago, Shennong changed his appearance and became a stable uncle.

"Haha!"

At this moment, Wang Kun smiled and said to Zhu Bajie: "Sir, you are coming to the poor house, and you are welcome. This time you must stay here for a few days." The

voice fell, and Wang Qing next to him followed. He said, "Yes, Master, my father just recently got a batch of good tea leaves from Diyu Continent, you must taste it."

After saying that, Wang Qing picked up the teapot and brewed the tea herself.

Speaking of which, the Wang family has been in business for generations, and they rarely get involved in the arena. Originally, they would not have anything to do with Zhu Bajie. However, half a month ago, a business opponent, in order to deal with Wang Kun, secretly sent a killer to kidnap Wang Qing. At that time, Zhu Bajie passed by and saved him.

This chapter is provided by . Visit for daily update.

Wang Qing has been practicing since childhood, but she has never met a famous teacher. Seeing Zhu Bajie's extraordinary performance, she proposed to be a teacher at that time.

A beautiful beauty took the initiative to apprentice, and she was still a rich lady, so Zhu Bajie naturally did not refuse. However, because of something at that time, after the apprenticeship ceremony, Zhu Bajie left.

But today, Zhu Bajie passed by Yunfeng City, and thought that there was a beautiful apprentice here, so he stopped by the Wang family.

Soon, the tea was brewed.

Wang Qing graciously brought it over and handed it to Zhu Bajie: "Master, try it."

Hmm!

Zhu Bajie nodded approvingly, took a sip of the tea, and said with a smile, "Not bad, not bad!" It was wonderful to have a beautiful apprentice serving him.

Hearing Master's praise, Wang Qing raised her eyebrows and took the opportunity to say, "Master, you are not allowed to leave so soon this time, you must teach me some stunts. You don't know, my apprentice almost recruited people last night. "

As soon as she thought about her experience last night, Wang Qing couldn't help but get angry.

What?

Hearing this, Zhu Bajie looked astonished: "Who dares to bully my apprentice?"

"One is the robber Jiang Yang, and the other is more cunning, pretending to be a mountaineer." Wang Qing bit her lip and told the general situation . After finishing speaking, Wang Qing hugged Zhu Bajie

's arm and shook like a spoiled child: "Master, you must teach me a few tricks.

"

"I'll pass on your stunts in a while, to ensure that next time you encounter this situation, you will no longer be restricted everywhere."

Great!

Seeing Zhu Bajie agree, Wang Qing couldn't be more happy.

At the same time, Wang Kun next to him also said with a smile: "Mr. is willing to teach me this stubborn daughter, I am really grateful. If you have any requirements, please feel free to mention it."

Zhu Bajie nodded with a smile.

"Miss!"

Just as he was talking, a man in black walked in quickly from outside the door, his face full of excitement: "Miss, we caught the kid you said."

Caught?

Wang Qing was stunned for a moment, and she was immediately very excited. She couldn't wait to say: "Quick, bring it in."

When speaking, Wang Qing's delicate face could not hide the gloomy coldness, and the figure of Yue Feng appeared in her mind, this bastard. , took advantage of me last night, and extorted so much money from me, this time it's in my hands, let's see how I deal with you.

"Yes, miss!"

The man in black responded and walked out of the hall quickly.

As soon as his forefoot left, Zhu Bajie also stood up and said with a smile: "Teacher, Master, please go to make it easier, come when you go." After that, he went to the bathroom at the back.

Wang Qing responded and watched Zhu Bajie leave.

After a while, Yue Feng and A Jiu were brought in.

The ultimate husband in Chinese chapter 5945

"Miss!"

As soon as he entered the hall, Yue Feng saw Wang Qing and greeted with a smile: "Don't come here, I didn't expect us to meet so soon." As soon as the

voice fell, Ah Jiu couldn't bear it Zhu said in a low voice, "She's going to catch you, she's so pretty."

Shuh!

Seeing that Yue Feng was still able to laugh at this time, Wang Qing's face flushed red, and she was very embarrassed.

At the same time, Li Xue, who had been standing beside him, came out at this moment, pointed at Yue Fengjiao and shouted, "You liar, I didn't expect to be caught by us so quickly.

"Our lady kowtows to apologize, or you will cry later." The attitude was firm and unquestionable.

Wang Kun sat there with a gloomy face, and didn't even look at Yue Feng.

In his eyes, Yue Feng and A Jiu were little characters in the world, and they were not qualified to ask him to interrogate him.

well!

Facing Li Xue's attitude, Yue Feng sighed and said slowly: "What you said is really inexplicable. Last night, if it wasn't for me, you would have been defiled by that Jiang Yang robber. In other words, I am your benefactor. How did you become a liar?" Li Xueqiao blushed and couldn't help sighing: "You are obviously a cultivator, but you pretend to know nothing, and you deliberately don't give us acupuncture points, what are you not a

liar?"

At the same time, Wang Qing also spit out two words coldly: "Shameless."

Thinking of the scene where the other party gave her acupoints last night, Wang Qing was shy and angry. This bastard, he just didn't understand the acupoints. Also take advantage of yourself.

This chapter is provided by . Visit for daily update.

Uh.....

Facing the accusation, Yue Feng looked innocent and smiled bitterly: "What you said is even more wrong. From the beginning, you all called me 'poor and sour mountain people', and did not regard me as a cultivator at all. I had no choice but to cooperate with you, how could it all be my fault in the end?"

"You..."

Hearing this, Li Xue was furious, but couldn't refute it.

Wang Qing is also angry.

Because Yue Feng was right, at the beginning of last night, they regarded Yue Feng as a nearby mountain person. After all, his clothes were too ordinary and too shabby.

But... this is not the reason why he is playing tricks.

Soon, Wang Qing was the first to react, and she was too lazy to talk nonsense at the time, and said coldly to Yue Feng: "Stop talking nonsense, and quickly take out the documents."

This bastard took advantage of me and deceived me tens of millions. Let him succeed.

Although 50 million is not a lot of money for Wang Qing, it cannot be given to someone who is disgusting.

Wang Qing had thought about it. First, she had to go back to the handprint she had printed last night, and then she would teach him a lesson.

"This..."

At this moment, Yue Feng scratched his head and said with a smile, "I can't give it to you even more. You promised me this last night. How can you go back on your word?"

Seriously, five For Yue Feng, it is nothing, but it will not be easily returned to Wang Qing.

Swish!

Seeing that Yue Feng was not cooperating at all, Wang Qing lost his patience and said tenderly, "If you don't take it out, then I'll have to cut off your hands, and I won't even look at where this is.

" To call the men in black outside to do it.

"oops!"

However, at this time, Zhu Bajie walked out of the bathroom at the back and said with emotion, "This high-end toilet is convenient and comfortable."

After speaking, Zhu Bajie smiled at Wang Qing and said, "Good disciple, you Has the matter been dealt with? When it's done, Master will teach you your unique skills."

At this time, Zhu Bajie was completely focused on the beautiful apprentice, but he hadn't noticed Yue Feng yet.

What the hell!

Yue Feng saw Zhu Bajie at a glance, and was stunned. Why is he here?

“It’ll be ready soon.”

Wang Qing responded with a smile, “Master, wait a moment, I’ve finished teaching this bastard, let’s start.”

After speaking, Wang Qing looked at Yue Feng with a smug face: “Stinky bastard, don’t think if you are strong, my Wang family will not dare to do anything to you, tell you, my master is very powerful, you better be honest.” To be honest

, seeing Yue Feng’s strength last night, Wang Qing felt a little jealous. , but at this time, the master is there, so he is not afraid at all.

However, upon hearing Wang Qing’s words, Yue Feng did not panic at all, but instead smiled.

The ultimate husband in Chinese chapter 5946

The

next second, Yue Feng shouted at Zhu Bajie: “This friend, is this a guest here?”

Huh?

Hearing the question, Zhu Bajie was also stunned for a moment, then looked up, and the whole person was stunned for a moment.

This... this is Brother Yue Feng?

You are not dreaming.

Zhu Bajie couldn’t help but rubbed his eyes and looked again.

That’s right, it’s Brother Yue Feng, it’s really him!

At this moment, Wang Qing and others were also stunned, frowning secretly, especially Wang Qing, who had some doubts in his heart, this person doesn’t know my master...

“Hey!”

Right here When Li Xue was the first to react, she couldn't help scolding Yue Feng: "You shameless person, don't change the topic, don't hand over the documents today, kowtow to my lady and apologize, don't think about leaving safely."

This bastard is really hateful.

What's more abominable, at this time, I was still talking to the young lady's master. The young lady's master is a top powerhouse, how could she know such a scoundrel... The

more Li Xue thought about it, the more angry she was, and she shouted at the men in black next to her: "All What are you doing, grab it, escort it to the yard and tie it up, and this little girl, also tied up together."

Whoa!

This chapter is provided by . Visit for daily update.

Hearing Li Xue's words, several men in black rushed forward and were about to start.

"Stop!"

However, at the moment of this song, I heard Zhu Bajie shout angrily, and at the same time, a powerful internal force was urged, and several men in black were knocked back.

This.....

Seeing Zhu Bajie's anger, several men in black were terrified.

Li Xue's body trembled, and she was too scared to speak, but she was secretly surprised.

what's going on?

Miss's master, why is there such a big fire all of a sudden?

Wang Qing also trembled, feeling a little overwhelmed. Then he pointed at Zhu Bajie and

said carefully, "Master, what's the matter?" Wang Qing couldn't hide her shame and anger, pointed at Yue Feng and said, "Last night, it was this bastard who bullied the disciple. Yes, not only that, he also extorted tens of millions from me."

"Yeah!" The

voice fell, and Li Xue shouted: "This person is a scoundrel, and his behavior is despicable and shameless..."

“Shut up... ..” Just before he finished speaking, he was interrupted by Zhu Bajie’s angry shout.

At this time, Zhu Bajie was very angry, Ma De, Yue Feng brothers, what kind of characters, was actually called a scum by a maid?

In anger, Zhu Bajie glared at Li Xue: “Get out of here.”

“This...why is this!”

Seeing Zhu Bajie’s anger, Li Xue’s body trembled, and she couldn’t say anything in her heart. apprehension and doubt. At the same time, there is an unspeakable grievance in my heart. I am not wrong. This person has deceived the young lady tens of millions, so isn’t he a rogue?

call!

Not only that, Wang Kun and Wang Qing next to him, as well as the men in black, were also dumbfounded.

This... what’s the situation.

Why did Miss’s master speak to outsiders.

“Ha ha!”

Zhu Bajie ignored the gazes around him, laughed loudly at this moment, walked over quickly, and hugged Yue Feng: “Good brother, didn’t you go to the Rakshasa clan? Why did you come here?” , Zhu Bajie tilted his head and glanced at Ajiu, his eyes suddenly lit up: “Oh, and with a little beauty, tsk tsk, are these eyebrows grown?”

Uh....

Hearing this, Yue Feng Can’t laugh or cry.

This Zhu Bajie is really lustful, even children are unwilling to let go.

Feeling Zhu Bajie’s scrutiny, Ajiu couldn’t help but curled her lips: “Old woman!” If other girls heard Zhu Bajie judge their appearance, they would definitely be extremely frightened, but Ajiu was different. , She has wandered around the world since she was a child, she is well-informed and has a more assertive personality.

Hearing Ah Jiu’s words, Zhu Bajie didn’t get angry, but scratched his head: “You’re young, but you have a temper.”

Haha!

Seeing this, Yue Feng smiled, reached out and touched A Jiu's head, and said in a low voice, "Don't be unreasonable, this is Big Brother Zhu, according to your seniority, you have to call him Uncle."

A Jiu pouted, slightly Disapprove.

Zhu Bajie waved his hand quickly: "Brother, what you said, I'm just calm on the surface. I'm not as old as you said, so I don't need to be called Uncle."

Hearing this, Yue Feng was speechless.

This Zhu Bajie is so embarrassed, he has lived for thousands of years, and is still pretending to be tender in front of the little girl.

The ultimate husband in Chinese chapter 5947

This...

Looking at Zhu Bajie and Yue Feng, chatting like no one else, for a moment, everyone around was completely dumbfounded.

This... what's the matter.

Miss's master, actually called this man brother? Moreover, judging from the degree of their familiarity, the relationship seems to be unusual!

Speaking of which, Miss's master is unfathomable, how could he know such a scoundrel?

At this time, Zhu Bajie asked Ajiu's identity.

Yue Feng smiled and told about his previous experience and how he met Ah Jiu.

well!

Knowing the situation, Zhu Bajie was very emotional: "Why can't I encounter such a good thing?" After speaking,

Zhu Bajie looked at A Jiu with a smile: "A Jiu, doesn't it seem like he is studying with a teacher? I'm very good, as long as you are willing to be a teacher, I will definitely teach you to be the number one expert in the arena, and then no one will dare to bully you."
To

be honest, although Zhu Bajie is lustful, it is not to the point of madness. When he saw that Ah Jiu looked beautiful, and when he grew up, he must be a top-notch beauty, he raised his heart to accept his disciples.

Of course, Zhu Bajie didn't mean anything else, he just felt that there was a beautiful apprentice who looked pleasing to the eye every day.

"No..."

Just at this moment, Ah Jiu refused without thinking, shook his head and said, "I don't want to learn art from you. I want to follow the big brother." After saying that, Ah Jiu tightly held Yue Feng's hand .

After two days of contact, Ah Jiu has regarded Yue Feng as his family, how could he worship Zhu Bajie as his teacher?

This chapter is provided by . Visit for daily update.

Uh....

Being rejected directly by Ah Jiu, Zhu Bajie scratched his head, always embarrassed.

At the same time, Yue Feng couldn't help but laugh.

This Zhu Bajie is also a resounding task in the Kyushu Continent. I should have never imagined that one day I would be rejected by others when I accept an apprentice.

However, Zhu Bajie has a cheerful personality, and he quickly adjusted his mood. He waved his hand and smiled and said, "That's it, since you don't want to, it proves that the two of us are not destined."

After speaking, Zhu Bajie stretched out his hand and hooked Yue Feng's shoulder. , smiled and said: "Brother, it's hard to meet each other, we'll have a good drink in a while and catch up."

Originally, Zhu Bajie was a little bored here, but when he saw Yue Feng at this time, he was naturally overjoyed.

Yue Feng smiled and nodded.

"Sir!" At this moment

, Wang Kun finally reacted. Looking at Zhu Bajie, he couldn't help but ask, "This... what's going on here? Do you know each other?"

Kun's mind was a little messy.

When his daughter was a teacher, he knew Zhu Bajie's identity, but he had lived for thousands of years and was a top expert in the arena.

And this kid in front of him actually knew him, it was incredible.

At this time, Wang Kun didn't know that Yue Feng's fame was bigger and louder than Zhu Bajie.

At the same time, Wang Qing couldn't help but say, "Master, how do you know this kind of bastard?" As she spoke, she didn't forget to give Yue Feng a stern look.

Last night, Yue Feng took advantage of it for nothing. Wang Qing will never forget this for the rest of her life.

"Shut up!"

Hearing Wang Qing's words, Zhu Bajie's expression changed, and he said displeasedly, "You can't be unreasonable, this is my brother, although he didn't swoop in, but he is of the same goal. He has experienced life and death together. He is your elder. How can you talk to the elders like this?"

What?

Hearing this, Wang Qing's delicate body trembled, and she stood there in a daze, unable to regain her senses for a long time.

This shameless scum, turned out to be the brother that Master met in the rivers and lakes?

Just when Wang Qing was stunned, Zhu Bajie smiled at Wang Kun: "Boss Wang, I'm really disturbing today, I didn't expect to meet my brother here, please help me prepare a table of wine and food later, I want to meet up with you. Let's talk about the old brothers."

"Okay, this should, it should..." Wang Kun smiled and nodded again and again.

As one of the wealthiest businessmen in Yunfeng City, Wang Kun is well versed in the world. Although this Yue Feng has bullied his daughter, he is harmless. Who calls him Zhu Bajie's friend?

You must know that Zhu Bajie is famous in the arena. Give him a face today, and in the future, his daughter will be guaranteed to walk in the arena.

Which is more important, Wang Kun's heart is very clear.

"Father!" Wang Qing stomped her feet, full of reluctance.

At this time, Wang Qing was very depressed.

Even if the master favors one over the other, why doesn't the father hold him accountable?

Seeing her unhappy face, Wang Kun shook his head secretly.

"Go!" In the

next second, Wang Kun directed at Li Xue, "Prepare food and drink for Mr. Li."

Li Xue did not dare to go against it, and hurriedly walked out of the hall to prepare.

At this moment, Wang Qing's eyes flickered, she quickly followed out, and stopped Li Xue from outside the hall: "Li Xue, you wait first." While speaking, Wang Qing couldn't help but look back at Yue Feng who was in the hall. The embarrassment in his eyes could not be concealed.

"Miss!"

Li Xue stood on the footcloth and

said softly, "What's wrong?" "What's wrong with you?" Wang Qing bit her lip, unable to hide her irritability: "You really want to prepare wine and food for that shameless bastard. "Although Zhu Bajie said that the other party was his brother, Wang Qing couldn't swallow it.

Huh...

Seeing Wang Qing's anger, Li Xue sighed softly and said helplessly: "Miss, I know you're not angry, but that person is your master's brother, besides, the master has already ordered me. What else can I do?"

Hearing this, Wang Qing was even more annoyed.

Got it!

The next second, Wang Qing thought of something, her eyes lit up and she said, "Let's go." As she said that, she took Li Xue to the kitchen.

When they got to the kitchen, Wang Qing took out a packet of medicine from her body and instructed: "Li Xue, when you put this medicine powder on the cup, you must remember, don't make a mistake."

Seeing the package of medicinal powder, Li Xue was taken aback: "Miss, this is... This is the soul powder, do you want to use it for that person?" As Wang Qing's personal maid, Li Xue of course knew this. Pack medicine powder.

Late at night a week ago, a thief sneaked into the Wang family's villa and was caught by Wang Qing. After a lesson, the thief finally found the package of medicinal powder.

At that time, Wang Qing didn't think much about it, and just put it on her body. Just thinking about how to teach Yue Feng a lesson, I suddenly thought of this package of medicinal powder.

Wang Qing clearly remembered that the thief said that this medicinal powder was called Dianhunsan. As the name suggests, as long as people smelled it, or took it, they would lose themselves and act very irrationally.

"Yeah!"

At this moment, facing Li Xue's hesitation, Wang Qing nodded firmly: "That bastard took advantage of me last night and extorted tens of millions of dollars from me, even if he is a friend of Master, he can't teach him a lesson directly. I want to give him a little pain."

"Anyway, if you take this medicine powder, you won't die."

Hearing this, Li Xue nodded: "Okay." A

few minutes later, Li Xue and several other maids brought Back to the lobby with delicious food and wine.

According to Wang Qing's instructions, when Li Xue placed the wine glass, she deliberately placed the wine glass dipped in medicinal powder in front of Li Yuefeng. Although Li Xue's face was calm, her slightly trembling hands still betrayed her.

All this was naturally hidden from Yue Feng's eyes.

something wrong.

Aware of Li Xue's abnormality, Yue Feng muttered secretly.

"Li Xue!"

At this time, Wang Kun asked the other maids to step back, and said to Li Xue, "Just stay here and serve, and quickly pour the wine for Mr."

Having said that, Wang Kun greeted Wang Qing to take a seat. When the master drinks, the apprentices naturally have to accompany them, but it is a minimum etiquette and rules.

Although Wang Qing was very reluctant, she still sat down.

“Yes, sir!”

Li Xue responded at this time, walked up slowly, and filled the wine glass on the table.

Um?

At this moment, Yue Feng keenly discovered that the wine glass in front of him, after being filled with wine, produced some tiny bubbles, which did not disperse for a long time.

There is a problem with the wine.

Thinking of Wang Qing chasing out of the hall just now and discussing something with Li Xue secretly, Yue Feng guessed that his cup was passive.

Realizing this, Yue Feng glanced at Wang Qing and smiled secretly in his heart.

This eldest lady is still unconvinced in her heart, and wants to plot against me.... Okay, then I'll have a good time with you.

Thinking to himself, Yue Feng said to Li Xue, “Please pour me a glass of boiled water.”

Yue Feng looked around and smiled and said, “Don't mind me, I have a problem. When drinking, I like to drink boiled water.”

After hearing this, everyone didn't think much, and looked at Li Xue subconsciously.

In the next second, Wang Kun said, “Li Xue, what are you still doing, why don't you go?”

Li Xue responded and walked out of the hall quickly.

However, at this moment, Yue Feng secretly used his ghost hand and quietly exchanged his wine glass with the one in front of Wang Qing.

At this time, Yue Feng's ghost hand stunts were already perfect.

Soon, Li Xue prepared boiled water.

“Aiya!”

At this time, Zhu Bajie couldn't wait to hold up the wine glass and said to Yue Feng, “When are you drinking, and you want to drink boiled water? It's troublesome enough,

come on, we haven't had a good time together for a long time. , I must have a good drink today." The

voice fell, and Zhu Bajie drank the wine in the cup.

Yue Feng smiled and picked up the wine glass and drank it in one gulp.

Wang Kun and Wang Qing, who accompanied him, also picked up the wine glasses.

After drinking a glass of wine, Zhu Bajie started talking nonstop, all the interesting things on the rivers and lakes.

Yue Feng laughed when he heard it.

Wang Qing couldn't laugh at all, her attention was always on Yue Feng.

In a blink of an eye, the wine has passed three rounds.

Seeing that Yue Feng had nothing to do, Wang Qing couldn't help muttering secretly.

what's the situation?

This Yue Feng should have taken Dianhunsan, why is there nothing at all?

Muttering in her heart, Wang Qing turned her head to look at Li Xue subconsciously, and saw that Li Xue was also at a loss.

call!

Just when Wang Qing was puzzled, suddenly, there seemed to be a fire inside her body, and her whole body was extremely hot. Soon, her delicate face became extremely red.

what's the situation?

Wang Qing was startled, but before she could react, the burning heat in her body became stronger and stronger. The feeling was like being in a volcanic crater full of magma.

"It's so hot..."

Wang Qing became more and more uncomfortable, her brain was buzzing, and she gradually lost her mind. Finally, with a low snort, she took off her jacket.

Today, Wang Qing was wearing a sleeveless short shirt. After tearing off the jacket, her charming curves were instantly exposed.

Gudong!

Seeing this scene, Zhu Bajie couldn't help swallowing saliva.

Ouch... my apprentice's figure, I really can't say it, it's just too sexy.

While admiring, Zhu Bajie couldn't help but ask: "Teacher, what's the matter? You started to get drunk after only a few drinks?" As the

voice fell, Wang Kun also frowned secretly, and said a little unhappily: "What are you doing? Sober up. ." He knew best what her daughter was like, her drinking strength was okay, and she wouldn't get drunk after a few drinks.

But no matter what, with outsiders present at this time, it was really indecent for her to take off her coat like this.

Oops!

Li Xue, who was on the side, trembled, secretly anxious, and at the same time, her mind was a little messy.

In this state, Miss, it seems to be the effect of taking the soul powder.

But... I clearly put the wine glass smeared with medicinal powder in front of that shameless scum, why did the young lady drink it in the end?

Haha...

At this moment, Yue Feng showed a smile, and his heart was inexplicably happy.

This eldest lady wanted to plot against me, but she never thought that she would eventually shoot herself in the foot with a stone.

"Brother Feng..."

Yue Feng was proud of himself, and Ah Jiu, who was sitting beside him, quietly came up and whispered, "This young lady suddenly became like this, do you know what happened?"

Yue Feng He was stunned for a moment: "Why do you see it?"

Ah Jiu's eyes flickered, she stretched out her small hand and pointed to the wine glass in front of Yue Feng: "When the maid went out to prepare boiled water just now, I saw that you changed the quilt."

Said, Ah Jiu's little face was full of anticipation: "What kind of trick did you do? You look so powerful."

"

Hearing this, Yue Feng stared blankly at Ah Jiu, shocked and delighted.

When he used his ghost hand, no one in the entire hall noticed, even Zhu Bajie was kept in the dark, but this little girl saw the clue.

From this point of view, this Ah Jiu is very talented.

The more Yue Feng thought about it, the happier he became. You must know that ghost hand is a stunt that requires talent. Some people have a hard time mastering it after practicing for a lifetime, while some people can instantly comprehend it as long as they tell the trick.

The ultimate husband in Chinese chapter 5950

Over the years, Yue Feng has tried to pass on the stunt of ghost hand to Yue Wuya and Han Bing, but they have no talent in this area and can't learn it no matter how they teach it.

For this matter, Yue Feng has always been very sorry.

Although in the eyes of many people, the ghost hand is regarded as a sideshow, but it is also passed down by many predecessors with painstaking efforts. It would be a pity to break the inheritance in their own hands.

But at this time, seeing Ah Jiu's remarks, Yue Feng knew that the stunt of the ghost hand had a successor.

"Miss!"

Just when Yue Feng was secretly excited, Li Xue reacted and quickly helped Wang Qing, who was gradually losing her mind, and temporarily walked out of the hall.

"It's hot, I'm so hot!"

At this time, Wang Qing had completely lost her mind and even had hallucinations. As soon as she entered the room, she took off her short-sleeved shirt, revealing her charming curves.

Seeing this situation, Li Xue was both anxious and happy.

Fortunately, I helped the young lady out in time. Wouldn't it be even more embarrassing if she was still in the hall?

"Miss!"

Thinking to herself, Li Xue quickly took out the antidote and gave it to Wang Qing:
"Miss, calm down and take the antidote.

"

"Li Xue!"

When she was awake, Wang Qing saw her appearance, her delicate face blushing extremely: "What happened just now? Didn't I ask you to drug that bastard? Why did you put the wine glass on me? In front of him?"

When Wang Qing first ripped off her jacket, Wang Qing had not completely lost her mind, so she still remembered the situation at that time.

When she thought of losing her temper in front of her master and that bastard, Wang Qing felt ashamed and angry.

Li Xue looked innocent: "Miss, I really put the wine glass in front of him at that time, and I don't know how the wine glass ended up with you."

When she said this, Li Xue was also full of doubts.

I'm not mistaken, it's really evil...

"Forget it!"

Seeing Li Xue's face full of grievances, Wang Qing was upset and didn't bother to care: "This method is invalid, and I will think of another method later. Fix him." The voice fell, Wang Qing changed clothes and returned to the hall with Li Xue.

"Haha!"

Seeing her coming back, Yue Feng asked with a smile: "Miss, what happened just now? Do you still have such a hobby when you drink alcohol? You can't see it."

Haha, this eldest lady Self-defeating and paying back myself, I'm probably going to be pissed off at this moment.

Swish!

Hearing the teasing, Wang Qing's delicate face instantly flushed red, and she couldn't help it at all. She said tenderly, "You shameless scum, you dare to speak rude words, do you really think I dare not do anything to you?"

Wang Kun looked complicated, and whispered: "Don't be ridiculous."

At the same time, Zhu Bajie put down his glass and frowned at Wang Qing: "Teacher, don't be rude, how can you talk to my friend like this?"

"Master!"

Seeing that he was still protecting Yue Feng at this time, Wang Qing stomped her feet in anger: "Do you know how abominable your friend was last night, even if he cheated me for money, he still bullied me.

" !

Hearing this, Zhu Bajie sighed and smiled bitterly: "Then what do you want Master to do? Help you vent your anger?"

"Of course!" Wang Qing nodded affirmatively.

At the same time, Wang Qing glared at Yue Feng.

Yue Feng looked relaxed and comfortable, as if the matter in front of him had nothing to do with him.

At this time, Zhu Bajie scratched his head and said seriously to Wang Qing: "My foolish apprentice, you overestimate Master, not to mention whether I can beat him, but as far as his background is concerned, it is not you. I can handle it."

What?

Hearing this, Wang Qing was stunned, thinking that she had heard it wrong.

In the world, there are people who Zhu Bajie can't provoke?

A few seconds later, Wang Qing reacted and pouted, "Master, you deliberately scare me, right? What kind of background does he have? In my opinion, the biggest background is the relationship with you.

" No no no..."

Zhu Bajie picked up the wine glass, took a sip, and said slowly, "Master is really not talking nonsense, the former Lord of Heaven and the Emperor of Xi Cang was regarded as a hero of Kyushu by Kyushu. If you take out a title at random, it is much louder than my title, Master."
