

The ultimate husband in Chinese chapter 5971-5980

Speaking, Nalan turned around to say goodbye and returned to his room to rest.

She also knew that it was useless to worry about this kind of thing.

.....

On the other side, the Wudang faction.

In the hall, God King Haotian and Prince Aotian were sitting opposite each other, and their faces were a little gloomy.

The atmosphere is also a little dull.

The Haotian God King sent all the gods and soldiers of the Diligent Supervisor to search for the whereabouts of Yue Feng and the three of them in all parts of Kyushu. It has been an hour now, but there is no clue at all.

This made Haotian God King very annoyed.

Prince Aotian was even more angry, and said coldly at this time: "Why didn't you take action in the first place? If you have to wait until this prince is injured, what is your intention?"

Hu!

Facing the questioning, God King Haotian was very angry, but he still said patiently: "His Royal Highness, I was thinking of the overall situation at the time, and, at that time, His Highness already had the upper hand, who would have thought that Yue Feng would suddenly have two more A helper?"

"The world is impermanent, and this king doesn't want to do this."

After hearing the explanation, Prince Aotian was annoyed, and waved his hand: "It's alright, let's not talk about this, now the three Yue Feng are gone, What do I do next?"

When he spoke, Prince Aotian was inexplicably irritable.

Yue Feng escaped, and the news of his conspiracy with the Haotian God King will soon spread to the Divine Realm. At that time, Ao Lin will lead his troops to the lower realm, and the situation will be even more troublesome.

God King Haotian thought for a while, then said slowly: "For today's plan, the first thing to do is to find Yue Feng as soon as possible, and his power in Kyushu needs to be eliminated as soon as possible."

Hmm!

At this moment, Prince Aotian's face softened: "The specific situation, you can arrange it, I need to rest." Mad, Yue Wuya, that bastard, shot too hard, that hammer almost destroyed his own. soul.

Seeing his agreement, the God King Haotian said no more, walked out of the hall slowly, and began to deploy.

.....

On the other side, Donghae City.

It was already late at night, and the entire Zhongzhou City fell into silence!

However, in the Tianmen Villa by the sea, it is brightly lit.

In the villa hall, Sun Dasheng, Wen Chou Chou, Su Qingyan, and Xiao Yuruo gathered together, everyone was extremely silent and their expressions were complicated.

Yue Feng went to Qintianjian alone to seek help, and went to Wudang School to expose the true face of Prince Aotian, and he didn't know what was going on.

It's been a day now, and Yue Feng has not heard any news, which makes everyone feel a little inexplicable.

call!

At this moment, Sun Dasheng took a deep breath, stood up slowly, and said, "Why do I feel more and more wrong, Fengzi has the help of the Diligent Tianjian to catch Prince Aotian, is it still easy to catch him? It's impossible to have no news for so long."

"Could it be that something happened to Fengzi..."

Hearing this, Wen Chou Chou also took a deep breath and said slowly, "I also always felt that the God King Haotian was unreliable. I knew this earlier, we should have followed the past together. "

If that's the case, then what are you waiting for?" Seeing Wen Chou Chou saying the same thing, Sun Dasheng didn't hesitate, and shouted, "Let's gather our people immediately and go to the Wudang School." The

last word fell, and Sun Dasheng was ready to go out to convene people.

“Don’t be reckless!”

However, at this moment, Wen Chou Chou grabbed Sun Dasheng with a complicated expression: “At this time, Qin Tianjian has already intervened. If we rush there, it will only make the situation more complicated.” After speaking

, Wen Chou Chou looked around and continued. : “In my opinion, let’s wait for the news.”

What, wait?

Hearing this, Sun Dasheng was immediately anxious: “Brother Wen, it’s already time, you still have to wait, if Fengzi really encounters danger, we are waiting here blindly, wouldn’t we miss the opportunity?” The

voice fell, Many people around nodded their heads.

call!

At this moment, Wen Chou Chou took a deep breath and frowned in thought.

Wen Chou Chou is also an old river and lake. He has seen a lot of strong winds and waves, but this is the first time he can’t pay attention like this. After all, this matter involves God’s Domain.

“It’s not good!”

At this moment, a disciple of the Palace of Longevity rushed in in a panic, and said to Wen Chou Chou: “Palace Master, it’s not good, it

’s not good...” When shouting, The disciple was sweating profusely and looked extremely anxious.

The ultimate husband in Chinese chapter 5972

“What are you panicking about?” Wen Chou Chou was already upset. Seeing this disciple’s panicked appearance, he immediately frowned and rebuked angrily: “What kind of style? What’s the matter?”

Feeling Wen Chou Ugly angry, the disciple wiped off his sweat, tried to calm himself down as much as possible, and said quickly: “Palace Master, before we secretly went to Wudang to investigate, and got bad news, Brother Feng failed this time in Wudang. , fought with the opponent in Wudang...”

What?

Hearing this, whether it was Wen Chou Chou, Sun Dasheng, or everyone else present, their expressions changed.

I'm really worried about what's coming. Soon, Wen Chou Chou was

the first to react and looked closely at the disciple: "What's the specific situation?"

I can't sneak in, but I can hear the sound of a fierce fight."

After speaking, the disciple recalled and continued: "The gods and soldiers of the Tiantian Supervision did not make any shots. According to my speculation, Brother Feng should be alone with the fight. The Wudang faction started fighting. From the situation at that time, Brother Feng was more fortunate than good."

This... When

the voice fell, the entire hall was in an uproar, and everyone looked at each other in shock.

In particular, Su Qingyan and Xiao Yuruo suddenly panicked and became anxious.

If something happened to Yue Feng, what should I do?

"Bang!"

Sun Dasheng was extremely angry, and slapped him on the table, his whole body trembling with anger: "Made, I just said that there is something wrong with the God King Haotian, he has always been the enemy of Fengzi, how can he suddenly kindly help?"

Having said that, Sun Dasheng looked at Wen Chou Chou: "Brother Wen, time waits for no one, let's go to Wudang and rescue Fengzi.

This chapter is provided by . Visit for daily update.

"

The disciple in front of him shouted: "Call everyone immediately, go to Wudang quickly, and help Fengzi."

At this time, Wen Chou Chou didn't know that the battle of the Wudang faction was over, and Yue Feng was also sent away by the Shenxing Talisman.

"Yes!" The disciple responded, turned around and walked out quickly.

After a few minutes, everyone gathered and was ready to go.

hum!

However, at this time, a powerful aura came from the distant horizon, Wen Chou Chou and everyone looked at them subconsciously, their expressions changed, and they couldn't help gasping for air.

I saw that in the sky not far away, thousands of divine soldiers and gods came in mighty spirits. The golden armor on their bodies reflected the golden light, almost dyeing the entire sky into a golden color.

In the front, there are two divine generals and a man wearing a dark blue robe.

The man in his 40s or 50s looked like he had a righteous face, but there was a trace of evil and treacherousness in his eyes.

This person is called Wu Yong, the youngest elder of the Wudang faction. After Prince Aotian was called the head of Wudang, he drew him in. At this time, he has become Prince Aotian's henchman.

Mad!

Seeing Wu Yong and the god general of Qin Tianjian appear together, whether it is Wen Chou Chou or Sun Dasheng, everyone is shocked and resentful at the same time.

Looking at the situation, Haotian God King has led Qin Tianjian to unite with Prince Aotian.

Soon, Sun Dasheng was the first to bear it, raised his hand and summoned the Heavenly Axe and glared at Wu Yong: "You Wudang faction, what happened to Fengzi?"

Swish!

At the same time, the eyes of Wen Chou Chou and the people around them also converged on Wu Yong.

Hehe...

Wu Yong chuckled, his eyes full of contempt: "Yue Feng poisoned my seven ancestors of the Wudang faction, not only has no remorse, but also took the initiative to provoke Wudang, this man is cruel, despicable and shameless, called the hero of Kyushu, In fact, he is the No. 1 scum in the rivers and lakes."

“Fortunately, the Diligent Supervisor was clean and fair, and helped Wudang avoid catastrophe, but unfortunately the evil thief Yue Feng escaped in the end.” What he said was justifiable.

Of course, these are the arrangements of the God King Haotian, to tell right and wrong, and to confuse right and wrong. Wu Yong’s words at this time are just to deal with the ugly people and make up reasons.

Shameless...

Hearing these words, both Wen Chou Chou, Sun Dasheng and others were very angry.

Qin Tianjian and Wudang are really shameless. It was clearly Prince Aotian who took Ye Yun and used his identity to control Wudang. Yue Feng went to expose it for justice, but at this time, they became scum in their mouths.

The ultimate husband in Chinese chapter 5973

At the same time, everyone secretly rejoiced.

Listening to what he said, it would be great that Yue Feng finally escaped.

At this time, Sun Dasheng spit fire in his eyes and glared at Wu Yong: “Let Nima’s fart, what nonsense are you talking about? If you dare to talk nonsense again, I will abolish you.”

Fengzi has done so much for Jiuzhou these years. At this time In Wu Yong’s mouth, he has become a heinous scum, how can he not be angry?

“Elder Wu!”

At the same time, Wen Chou Chou also took a deep breath, looked at Wu Yong and said indifferently: “You are also a respectable figure in the arena, so you are not afraid of being ridiculed by others? What is the real situation? It’s clear.”

Hehe...

Hearing this, Wu Yong smiled contemptuously, his eyes full of pride: “Wen Chou Chou, I won’t argue with you, Yue Feng killed seven of my ancestors, and came to my Wudang to make trouble, This is a fact, otherwise, why didn’t the Diligent Superintendent in charge of supervising Jianghu not help Yue Feng, but in turn help us in Wudang?”

“Ma De!” Sun Dasheng couldn’t help cursing: “You are a raccoon and a raccoon dog.

“

Seeing Sun Dasheng insulted several times, several divine generals suspended in mid-air suddenly changed their expressions and shouted angrily.

“Bold!”

“How can you be so presumptuous in front of the Qin Tianjian?”

“If you dare to be rude, you will be severely punished.” In the angry shouts, the power of several gods exploded, and a powerful breath permeated.

This chapter is provided by . Visit for daily update.

Faced with this situation, Sun Dasheng frowned secretly.

Mad! Qin Tianjian is so supportive of Wudang, what are they going to do?

Haha....

Seeing Sun Dasheng’s expression, Wu Yong thought he was cowardly, so he couldn’t help sneering and said proudly: “Sun Dasheng, I know you are very strong, but you are not qualified to be wild in front of Qin Tianjian!”

As he spoke, Wu Yong’s tone turned cold, his eyes slowly swept over the Wen Chou Chou crowd: “Yue Feng is a disaster for the rivers and lakes, and has already been pursued by the Qin Tianjian. , follow us back to Qin Tianjian to cooperate with the investigation, if you dare to resist, you will be at your own risk.”

When he said this, Wu Yong’s face was arrogant and arrogant.

Before the change, Wu Yong had three guts, and he didn’t dare to speak like this to Wen Chou Chou. After all, Wen Chou Chou, Sun Dasheng and others were all top-notch existences in the Kyushu rivers and lakes.

But now with the support of the Diligent Supervisor, Wu Yong is naturally not afraid.

Whoa!

Hearing these words, Wen Chou Chou and Sun Dasheng were all furious.

The surrounding disciples also exploded.

“You want us to be captured? What a daydream...” “So confounding black and white, what a diligent supervisor is, it’s nothing more than that.”

“We would rather die than compromise.”

It got cold in an instant.

And against the Qin Tian supervisor? Simply overwhelmed.

At this moment, several god generals were too lazy to talk nonsense, and issued orders one after another: “Everyone present, arrest them all and bring them back to Qintianjian for interrogation.”

Om....

After receiving the order, many god soldiers suspended around, They burst out with divine power, rushing towards the Wen Chou Chou crowd.

“what!”

In the blink of an eye, the two sides collided, accompanied by a scream, and saw many disciples, stunned to the ground, passed out. Speaking of which, the disciples guarding here are all elites among the elites. If they face other sects, they will be able to stick to their formations.

However, this time they are facing the gods and soldiers, and the strengths of the two sides are not on the same level at all.

“You...”

Seeing this situation, Wen Chou Chou was furious. He never thought that the other party would be so shameless, and if he said he would do it, it would be unreasonable at all.

“Hehe!” Wu Yong’s face was gloomy, and he smiled evilly: “Palace Master Wen, you are a smart person, and those who know the current affairs are a hero. If you give up resistance, there may be a chance of survival.

” Given the chance, don’t blame me for being ruthless! “

“Shut up!” At this time, Wen Chou Chou clenched his fists and said coldly, “A villain like you, you want me to surrender too?” Are you worthy? “

Are you worthy!

The three words, like an invisible sledgehammer, slammed into Wu Yong’s heart, as if he had been greatly humiliated, his face flushed instantly: “Okay, very good, since you don’t know how to lift, then Don’t blame me. “

The ultimate husband in Chinese chapter 5974

When the

voice fell, Wu Yong's inner strength exploded, raising his hand and shaking the two Tianmen disciples out.

Putong putong...

These two palms, Wu Yong burst out with all his strength, and the two Tianmen disciples who were hit flew out more than ten meters away. After landing, they were covered in blood and died.

"Haha!"

After killing the two, Wu Yong's eyes were full of pride: "My Wudang faction, now with the help of Diligent Tianjian, is the general trend to dominate the rivers and lakes in Kyushu, and you idiots, you can't see the situation clearly, and you still try to fight, really Looking for death."

While speaking, Wu Yong burst out with all his strength, and several more disciples of the Hall of Longevity were killed by him.

"Fuck it, Nima!"

Seeing this scene, Sun Dasheng's eyes were red and blood red, and he shouted at that time, holding the opening axe tightly, thinking of Wu Yong rushing directly.

At the same time, Wen Chou Chou also summoned a long sword and joined the battle.

hum!

At this time, Sun Dasheng rushed to the front, his eyes fixed on Wu Yong: "Shameless villain, even if you die today, I will pull your back." The

voice fell, Sun Dasheng raised his hand and waved, and the opening axe burst into a dazzling golden light, towards Wu Yong roared.

Gudong!

Feeling the power of this axe, Wu Yong was shocked and couldn't help swallowing. Although he was a Wudang elder, his strength was comparable to that of Sun Dasheng, and he had no ability to resist.

This chapter is provided by . Visit for daily update.

After all, Sun Dasheng holds the number one magic weapon in the world.

At this time, seeing the golden light getting closer and closer, Wu Yong was full of horror. At that time, he wanted to dodge and dodge, but it was too late.

It's over.... now it's going to be a happy ending.

Om....

However, at this critical moment, several gods broke out together and deployed a protective film in front of Wu Yong. In an instant, Jin Mang burst out and slammed hard on the protective film, and a roar was heard, and the Jin Mang and the protective film collapsed at the same time.

Nima!

Seeing this scene, Sun Dasheng was furious.

If these gods hadn't shot in time, the axe just now would have killed the villain Wu Yong, which is really blind.

It 's dangerous and dangerous...

With luck, Wu Yong took a deep breath. At this time, he didn't dare to show it any more, and quickly shrank behind many magic soldiers.

At the same time, Yue Wuya and a few divine generals fought fiercely in mid-air. Although the Heaven-Opening Axe was very powerful, facing the joint efforts of several divine generals, they were more than enough.

In a blink of an eye, Sun Dasheng was surrounded by a group.

On Wen Chou Chou's side, facing thousands of divine soldiers, everyone was also losing ground, but no one backed down. They all knew in their hearts that the other party came prepared and had no choice but to resist desperately.

"Kill..."

"I would rather die than surrender..." A

fierce battle broke out between the two sides.

....

on the other side.

Yue Feng only felt that he was light and airy, and after some time, he finally stepped on the ground.

The moment his feet hit the ground, Yue Feng secretly let out a sigh of relief, then opened his eyes.

Um?

Seeing the surrounding environment, Yue Feng was stunned for a moment. He saw that there was a spacious room in front of him, the decoration was very simple, the front wall behind was a large mirror, and the floor under his feet was covered with a blanket.

The whole room gives a warm and comfortable feeling.

On other walls, there are some yoga advertisements.

This...

Seeing this environment, Yue Feng was stunned for a moment, and then he realized that this should be a yoga training place.

Realizing this, Yue Feng breathed a sigh of relief. Fortunately, Qin Tianjian and the Wudang faction could not find such a place for the time being.

Crash ...

Just as Yue Feng was thinking about it, there was a sound of water in the bathroom at the back of the room.

I'll go, no one will take a bath inside...

At this moment, Yue Feng was stunned for a moment, muttering in his heart, and couldn't help but look over, the bathroom door was frosted glass, and a slim figure could be vaguely seen.

Although there is no face in sight, this body must be very hot.

After watching for a few seconds, Yue Feng reacted and was about to leave. After all, he suddenly appeared here and was discovered, and he would be regarded as a pervert.

Squeak...

But at this moment, the bathroom door opened, and a delicate and beautiful woman walked out slowly.

The moment she came out, the woman's eyes fell on Yue Feng, she was stunned for a moment, and then she let out a scream...

The ultimate husband in Chinese chapter 5975

"Ah..." The

woman's name is Wang Xiaoman. She is the coach of this yoga fitness company. Just after teaching the students, she took a bath by the way. But I never thought that there would be a pervert sneaking in.

You must know that this high-end yoga club, whether it is a coach or a student, is a beautiful woman, and men with bad intentions often appear nearby.

"Pervert!"

After screaming, Wang Xiaoman pointed at Yue Feng, his delicate face was full of shame and anger: "Damn pervert, I'll call the police to arrest you." After speaking

, he took out his mobile phone.

What the hell!

Facing this situation, Yue Feng couldn't help laughing and laughing, and waved his hands repeatedly: "Beauty, don't get me wrong, I'm not a pervert, and I didn't mean to break in."

However, Wang Xiaoman didn't listen at all and took out the phone.

Yue Feng was in a hurry all of a sudden. He was not afraid to call the police, but he was afraid that the Qin Tianjian would find the news and come here.

This time, Wang Xiaoman panicked even more, took a step back and said nervously: "You...what are you doing, I warn you not to mess around..." The pervert is so daring now that he still wants to do it.

When he said this, Wang Xiaoman's voice trembled.

Hmm...

Yue Feng hadn't rushed to the front, suddenly his body trembled, his hands covered his heart, and he squatted down with pain on his face. The movement was too large just now, affecting the injury of the heart.

Yue Feng was seriously injured in the fight with the God King Haotian before.

This chapter is provided by . Visit for daily update.

Seeing this scene, Wang Xiaoman was stunned, looked at Yue Feng carefully, and said cautiously, "Hey, what's wrong with you?" Although he was not a cultivator, Wang Xiaoman also clearly saw that the man in front of him was pale and his forehead was covered in cold sweat. , apparently injured.

The pain came in waves, and Yue Feng didn't have time to respond.

Seeing him like this, Wang Xiaoman was not as frightened as before, and continued to ask, "You...you are injured."

At the same time, Wang Xiaoman muttered to himself.

Could it be... I misunderstood him, this person really broke in unintentionally? Is there that pervert who would do such nasty things when he was injured?

Um!

Yue Feng endured the pain and nodded: "Yes, I was robbed by a gang of bandits." The woman in front of her was an ordinary person. The truth was too shocking to her, so she just made up a lie. Bar.

Hearing the answer, Wang Xiaoman was stunned: "Are you a cultivator?"

Yue Feng nodded again. Immediately said: "I was chased by those mountain bandits just now, and I didn't know how to escape to this place. I also scared you, sorry."

It turned out to be the case.

Wang Xiaoman's nature is kind. Hearing this, he no longer doubts, and looks at Yue Feng very sympathetically: "Then... do you want to help you call the police?"

Hehe...

Yue Feng couldn't help laughing bitterly, this The woman is really interesting, she can think of calling the police for anything.

Thinking to himself, Yue Feng shook his head and said: "No need, the whereabouts of those bandits are erratic, and they can't be caught at all. I'm lucky to be able to get rid of them."

"Then take you to the hospital?"

"No need . , I'll be fine after a few days of rest."

After a few exchanges, Wang Xiaoman found that Yue Feng was not as dangerous as he thought, so he helped him to the sofa in the lounge next door, and poured a glass of water.

After doing this, Wang Xiaoman said, "Then what can I do to help?" Speaking of which, the two did not know each other, and they were shocked just now, but she was kind in my heart, seeing Yue Feng's injury so badly, I really can't bear to care.

call!

Feeling the sincerity in her eyes, Yue Feng breathed a sigh of relief, feeling a little moved, and then smiled: "Thank you, just let me make a phone call."

Since the transfer from the Wudang faction, Haotian God King and Aotian Emperor The son will definitely not give up, he must inform Brother Wen and the others.

Wang Xiaoman nodded, then took out his mobile phone and handed it to Yue Feng.

Yue Feng immediately dialed the villa's number.

Beep beep...

However, after several calls, the call has not been answered.

Yue Feng fought several times, but it was still the same, and he had a bad premonition in his heart.

Seeing this situation, Wang Xiaoman couldn't help but ask, "What's wrong? Can't your family get in touch?"

Yue Feng nodded with a wry smile, and then returned the phone to Wang Xiaoman.

The ultimate husband in Chinese chapter 5976

Brother Wen and the others couldn't get in touch, and they were hit hard again, which is in trouble.

"You..." Seeing Yue Feng's helpless look, Wang Xiaoman suddenly felt sympathetic and couldn't help asking in a low voice, "Where are you from? How about

I send you back?"

Wang Xiaoman could feel that the man in front of him was not a bad person, not to mention that he was seriously injured.

"Donghai City!" Yue Feng replied.

What? Hearing this, Wang Xiaoman trembled and was stunned: "Is it Donghai City in Diyu Continent?" It is more than ten thousand miles away from Donghai City.

In response, Yue Feng couldn't help but ask, "Where is this place?" Damn, he won't be teleported to other continents, right?

"This is the Yellow Sea Continent!" Wang Xiaoman replied softly.

Uh...

Knowing the situation, Yue Feng couldn't help but smile bitterly. The Yellow Sea Continent is thousands of miles away from the Diyu Continent. No wonder she was so surprised just now.

At this moment, Wang Xiaoman looked at the time, his delicate face showed a bit of complexity, he seemed to have experienced several inner struggles, and whispered: "Or...you go to my place to rest first tonight, tomorrow morning What do you decide?"

When speaking, Wang Xiaoman lowered his head and did not look at Yue Feng, very shy.

To be honest, if it was really a pervert, Wang Xiaoman would have called the police long ago, so he would not care about his life or death, and would not take the initiative to invite a man to live in her house temporarily. After all, she lived alone and suddenly brought a man back, It's so inconvenient.

But the person in front of him was seriously injured, and he was from Diyu Continent, so he couldn't bear to leave him alone.

This chapter is provided by . Visit for daily update.

This...

Yue Feng was stunned for a while, but he didn't expect the other party to take the initiative to invite him. He scratched his head and said embarrassedly, "Is this... convenient?" This girl is really bold, so she's not afraid. Are you a bad person?

"I..." Hearing Yue Feng's words, Wang Xiaoman bit his lip lightly: "I have a spare room there, no inconvenience, but you... You can't stay for too long."

Haha...

see you When she was like this, Yue Feng couldn't help but laugh.

This yoga teacher is quite interesting.

Thinking to himself, Yue Feng nodded and said, "Don't worry, I won't disturb you for too long."

Wang Xiaoman replied, and without saying much, he took Yue Feng to the underground garage.

The underground garage is very big, and there are luxury cars everywhere. In comparison, Wang Xiaoman's small car looks a bit unpopular, but it looks neat and tidy, and it is decorated with some small accessories, which is very warm.

Speaking of which, as a yoga teacher, Wang Xiaoman also belongs to the high-income group in this city, but she is more frugal and does not love vanity like other girls.

call!

When he got into the car, Yue Feng couldn't help but let out a sigh of relief, feeling very emotional.

I really can't imagine that one day, my dignified teacher of the Emperor of Heaven, will be protected by an ordinary girl...

At this time, Wang Xiaoman was about to start the car and leave.

Didi...

But at this moment, a whistle suddenly came from behind, Yue Feng looked back subconsciously, and saw a luxury car parked in the back at some point.

Immediately afterwards, a man in leather shoes got out of the car and walked over slowly.

The man was in his thirties, he wore gold-wire glasses, his body was slightly fat, and his hair was meticulously combed, but Yue Feng could tell at a glance that this man was wearing a wig.

"Xiaoman!" The

man reached the driver's window, leaned down with a smile, and said to Wang Xiaoman, "Why is it so late, I've been waiting for you for a long time." He spoke politely and with a gentleman's demeanor.

However, those eyes strayed from Wang Xiaoman's charming curves, intentionally or unintentionally.

The man is Zheng Qiang, the boss of a yoga training company and the boss of Wang Xiaoman.

Zheng Qiang is a local, and his family is very powerful in the local area. It can be said that Zheng Qiang is an out-and-out second-generation rich man who likes to spend time and money. He founded a yoga company a year ago. It's for hunting.

Half a year after the company was founded, Zheng Qiang has captured many beautiful yoga instructors with clever means. Recently, Zheng Qiang has set his sights on Wang Xiaoman again.

The ultimate husband in Chinese chapter 5977

Wang Xiaoman only came to work in this yoga training company three months ago.

On the first day she came to the company, Zheng Qiang was attracted by her delicate appearance and graceful figure, but she never had the chance to get close.

It was not until today that Zheng Qiang found an opportunity and took the initiative to invite Wang Xiaoman to dinner. However, Wang Xiaoman refused at the time, and Zheng Qiang did not give up, so he waited in the underground parking lot in advance.

“Mr. Zheng!”

Seeing Zheng Qiang appearing, Wang Xiaoman seemed startled, especially when he felt Zheng Qiang's gaze, swept over him constantly, and felt even more uncomfortable.

But the other party was the boss, so Wang Xiaoman was unhappy and didn't dare to show it: “Why are you here?”

Zheng Qiang said with a smile: “I'm waiting for you, I forgot that I told you during the day that we had dinner together at night.”

Having said that, Zheng Qiang said solemnly: “Recently, in our training company, there have been some problems in many aspects, resulting in serious loss of members. I want to have a good discussion with you and listen to your opinions.” The

discussion is just a gimmick. In the past few years, Zheng Qiang used this kind of work as an excuse to approach the beauty's subordinates, which can be said to be unfavorable.

question?

Hearing this, Wang Xiaoman bit his lip tightly and was very conflicted.

The company is doing fine now, so what's the problem. If we really want to talk about the problem of the loss of members, we have to blame Zheng Qiang. If he hadn't used various means to chat up those beautiful customers, would the members be lost?

Although Wang Xiaoman is not deep in the world, he is not a fool. He knows what Zheng Qiang is thinking in front of him.

“Mr. Zheng!”

At this moment, Wang Xiaoman thought to himself, then smiled Wan Yan and refused: “Otherwise, let’s talk about these things when I go to work tomorrow. I have some personal things to deal with now, and it’s off-duty time.” Going

out to dinner with him, It is when sheep go into tiger’s mouth that he is not that stupid.

When Wang Xiaoman first came to work, he heard other colleagues say that this boss relied on his wealth, and he would talk sweetly, so he didn’t know how many girls he had harmed.

Swish!

Seeing Wang Xiaoman refuse again, Zheng Qiang became a little unhappy and said solemnly: “Xiaoman, I have always been very optimistic about you. If you have such an attitude, I will be disappointed.”

“There are so many coaches in the company . I don’t look for you, but I find you, don’t you understand? Because you have a good image, strong business skills, and you are a yoga professional, I plan to propose you as the head coach next month.”

After speaking, Zheng Qiang made another face . Harmless to humans and animals: “Besides, it’s just eating, and I don’t do anything to you.”

When he said this, Zheng Qiang looked serious and serious, but he sneered secretly in his heart.

Over the years, I have tasted so many beauties, as long as they are attracted by me, none of them can escape from my hands. Wang Xiaoman, I’ve got you covered tonight.

At this time, Zheng Qiang only had Wang Xiaoman in his eyes, and he hadn’t noticed Yue Feng sitting in the back seat.

Haha...

Seeing this, Yue Feng couldn’t help but sneer.

Although I don’t know the details, Yue Feng has been in the arena for so many years and has a wealth of experience. At this time, he can guess a general idea: the boss in

front of him is actively waiting for the beautiful subordinates in the underground parking lot, obviously it is unspoken rules.

But I have to say that this person is really shameless, thinking of dirty things in his heart, but his mouth is high-sounding.

This...

At this moment, Wang Xiaoman bit his lip lightly and wanted to refute for a while, but he didn't know what to say.

If you don't eat with Mr. Zheng, you will be irresponsible for your work.

But I really want to go, who knows how Mr. Zheng will arrange himself...

After hesitating for a moment, Wang Xiaoman's palms are sweating, and he shows an apologetic smile: "Mr. Zheng, I'm so sorry, I have something to do tonight. , or... next time."

At this time, Wang Xiaoman was very nervous.

She knows Zheng Qiang's methods, and even if she refuses, he will chase after him. But no matter what, it's a day if it can be delayed.

What's more, I really have something to do today, and I have to go back to settle Yue Feng later. Because the man looked badly hurt.

Wang Xiaoman thought about it, and when the assessment this month is over, he will resign immediately.

The ultimate husband in Chinese chapter 5978

Seeing that Wang Xiaoman refused again, Zheng Qiang lost his patience and laughed in anger.

However, Zheng Qiang still held back his face and said with a smile, "What can happen at such a late hour? If you have any difficulties, I'll ask the assistant to help you later."

As

he spoke, Zheng Qiang opened the car door directly. He grabbed Wang Xiaoman's wrist: "I've already made a reservation for the restaurant, Xiaoman, if you don't appreciate your face tonight, I will be very disappointed, let's go."

At this time, Zheng Qiang had a smile on his face, but his eyes flashed. With evil glow.

In the past, there were also beauties who rejected them, but after using forcible means, the other party also half pushed them, and in the end, everything came naturally.

In Zheng Qiang's heart, Wang Xiaoman in front of him is also of this type. On the surface, he is reserved, but he will soon become obedient.

"Mr. Zheng!"

Suddenly being pulled out, Wang Xiaoman couldn't help exclaiming: "You...you let go, it's not good to be seen by others." The boss is so shameless, he started directly after being rejected..

In a panic, Wang Xiaoman wanted to curse, but thinking that the other party was the boss, he held back.

Um?

At the same time, Yue Feng, who was sitting in the back seat, also frowned.

This man is not too timid, he started to move so quickly?

"Xiaoman!"

Feeling Wang Xiaoman's nervousness, Zheng Qiang smiled and comforted: "Don't be nervous, I don't mean anything else, I just want to have a meal with you, by the way, I went to Estee Group some time ago. Headquarters, when I see that they have launched a new product, I will buy one for you."

After speaking, Zheng Qiang took out a small box from his body, took out a delicate bracelet, and put it on Wang Xiaoman's wrist. .

As you can see, the bracelet has a novel style, and it is full of jewels and diamonds, and the largest one is at least dozens of carats. It's worth a lot at first sight.

This...

At this moment, Wang Xiaoman's body trembled, looking at the bracelet on his wrist, his heart was shocked.

A new product from Estée? How much does this cost.

In the Kyushu mainland, there is no girl who does not know about the Estee Group. At the beginning, the Estee company was only famous in the Diyuan mainland, and only

made skin care cosmetics. The new products launched every year can cause many women to go crazy. buying spree.

Later, when the boundary of the continent of Kyushu disappeared, Estee took the opportunity to expand its business to various continents, and the company's products also expanded from cosmetics to jewelry and clothing at the beginning. The company's reputation has also completely covered the entire Kyushu continent.

It can be said that the current Estee company is the fashion vane of Kyushu. As long as it launches new products, it can be wildly sought after by the majority of women.

Of course, Estée's products are not affordable for ordinary people, but high-end luxury goods. Anything is astronomical. Just think of a professional elite like Wang Xiaoman, even if they earn a lot of money, they don't have the strength to buy the products of Estee, and they can only take a look at them from a distance.

Such a beautiful bracelet.

At this moment, Wang Xiaoman looked at the shiny bracelet on his wrist and felt dizzy. To be honest, Wang Xiaoman was on TV at the press conference of Estée a week ago and saw this bracelet, which is said to be priced at 888 Wan Jiuzhou coins, but I never thought that Zheng Qiang bought a pair in order to please himself.

Hehe...

Seeing Wang Xiaoman being stupid there, Zheng Qiang showed a smile.

There is no woman who doesn't eat this set. It seems that a good thing has happened tonight. I will call the hotel later and ask them to prepare an emotional room.

Thinking to himself, Zheng Qiang smiled and said, "Xiaoman, do you like it?"

Hearing the question, Wang Xiaoman came back to his senses, quickly took off the bracelet, shook his head and said, "Mr. Zheng, this thing is too precious, I can't have it, you Let's take it back."

With that, Wang Xiaoman handed the bracelet to Zheng Qiang.

Naturally, Zheng Qiang wouldn't answer, so he took advantage of the situation to launch a sweet-talking offensive: "Xiaoman, you are now out of the picture. In the past few months, you have been responsible for your work and taught the students with all your heart. This is the reward I gave you on behalf of the company. "

You are so beautiful and your skin is so fair, this bracelet is called 'Galaxy Love', and the gems on it are all natural, so they are perfect for you."

However, at this time, Wang Xiaoman was very clear-headed, shook his head and said, "Mr. Zheng, I really can't have it." As he

spoke, Zheng Qiang wrapped his other hand around Wang Xiaoman's waist.

Swish!

Wang Xiaoman, like a frightened rabbit, hurried to hide, but lost her patience at this time: "Mr. Zheng, please show some respect."

When she spoke, Wang Xiaoman was very nervous. She really didn't expect that Zheng Qiang would be so courageous. Big, hands and feet are getting more and more dishonest.

Wang Xiaoman's words did not make Zheng Qiang restrained, but more stimulated his interest. At that time, he smiled and said: "Xiaoman, don't refuse, to be honest, I really like you."

"Do you know how many girls there are? Son, I dream of being my woman, I don't even open my eyes to look at them, I only see you." When the

voice fell, Zheng Qiang suddenly pulled Wang Xiaoman into his arms, smelling the fragrance on her body, and his face was intoxicated: "Okay. Xiang, did you just take a shower?"

At this time, Zheng Qiang couldn't restrain himself.

After all, this underground parking lot belongs to the company, and now that the off-duty time has passed, no one will know even if Wang Xiaoman is run here.

Swish!

At this moment, Wang Xiaoman's delicate face flushed with shame and anger: "You...you let me go." As she spoke, she was about to break free, but she was only a weak woman and could not break free at all.

"Xiaoman!"

At this time, Zheng Qiang, with evil eyes flashing: "What's wrong with me? I live the life of Mrs. Kuo every day, and I don't have to come out and teach yoga. Don't worry, I only love you in this life. "..."

Before the last sentence was finished, Zheng forced his lips together.

“Let go of me, let me go...”

Wang Xiaoman was ashamed and angry, struggling hard, but where he could break free, he finally felt desperate.

So grown up and haven't talked about a boyfriend yet, are you going to be here tonight, sullied by this bastard?

Thinking about it, Wang Xiaoman couldn't help but cry.

boom!

Just when Wang Xiaoman was in complete despair, the sound of closing the car door sounded behind him, and then, a hand clapped on Zheng Qiang's body.

Hearing this news, Wang Xiaoman just remembered that Yue Feng was still sitting in the car, but he soon became worried. This man was seriously injured, and I am afraid that the matter could not be solved, and Zheng Qiang would take revenge.

“Ma De, who?” When the

good thing was interrupted, Zheng Qiang was full of fire, scolded, and looked back at the same time.

Seeing Yue Feng, Zheng Qiang immediately frowned: “Boy, who is your special code? How did you get in?” This man dressed so shabby must be a homeless person or a beggar who came in by mistake.

Mad, looking after the security guard in the parking lot, how do you see the door? How did you put such a person in?

Yue Feng did not answer immediately, but took advantage of the situation to grab Wang Xiaoman and drag her behind him.

Afterwards, Yue Feng looked at Zheng Qiang up and down, with absolute contempt in his eyes, and said lightly, “Tsk tsk, the second generation of the rich is really becoming more and more shameless. It's really shameless to be aggressive.”

For so many years, Yue Feng has encountered many wicked people, but the most disgusting thing in his heart is this kind of playboy who bullies women.

Swish!

Hearing Yue Feng's scolding, Zheng Qiang's face was instantly gloomy, his eyes spitting fire: "Boy, you are courting death, do you know who I am?" With the influence of his family in the local area, Zheng Qiang almost did whatever he wanted, who would dare to face insult him?

At this time, this guy in shabby clothes, dared to scold himself, even in front of a beautiful woman, was simply impatient.

"You..."

At the same time, Wang Xiaoman was also quite frightened. He quickly pulled Yue Feng, bit his lip and said, "Don't be impulsive..." Seriously, he was very grateful for his help. But the other party is Zheng Qiang.

He is a foreigner, how could he be the opponent of the local rich disciples?

Yue Feng smiled and signaled not to be nervous.

In the next second, Yue Feng looked at Zheng Qiang and said lightly, "I don't care who you are, just what you did just now is not as good as a beast. Hurry up and apologize to him, then get out!"

Apology?

Hearing this, Zheng Qiang was stunned, thinking that he had heard it wrong.

What is this poor guy saying? Want me to apologize for thinking I'm the savior?

In anger, Zheng Qiang grinned: "Good boy, it seems that you really don't know who I am. Let me tell you, tonight I kill you, it is no different from killing an ant."

"Cao Ni Damn, disturb Lao Tzu's interest, go to hell!" The

last word fell, Zheng Qiang came down the mountain like a tiger, thinking of Yue Feng rushing directly.

Seeing this scene, Wang Xiaoman trembled with fright, and quickly pushed Yue Feng: "You...you go!" This Zheng Qiang has learned Taekwondo, and it is said that he has won an award.

And this man, with injuries, how could he be Zheng Qiang's opponent?

To be honest, Wang Xiaoman was very moved when he stood up for himself just now, but he didn't want him to be beaten to death by Zheng Qiang.

However, Yue Feng stood there, motionless. Looking at Zheng Qiang rushing up, a smile appeared on the corner of his mouth, without the slightest panic.

Although Yue Feng was injured, it was a piece of cake to deal with a dude like Zheng Qiang.

Alas...

Seeing that Yue Feng didn't leave, Wang Xiaoman was completely anxious, and hurried to the back of the car to call the police. It's just that the signal in this underground parking lot is very poor, and I can't get through no matter how I call it.

"Boy!"

At this moment, Zheng Qiang had already rushed in front of Yue Feng, with a grim face, shouting: "A hero saves beauty in front of Laozi? Don't take a piss and take a look at yourself, do you have the strength, leave it to Laozi? Die." The

voice fell, Zheng Qiang raised his fist and smashed it towards Yue Feng's face.

Seeing this, Wang Xiaoman exclaimed, unable to bear to see this cruel scene, and quickly covered his eyes, worrying about Yue Feng.

boom!

Just as Wang Xiaoman covered his eyes, a dull sound came, followed by Zheng Qiang's miserable howl.

what's the situation?

Hearing Zheng Qiang's miserable howl, Wang Xiaoman moved his hands away, and when he saw the scene in front of him, his body trembled, and the whole person was stunned.

I saw Zheng Qiang holding his right arm and fell to the ground, his face pale, his forehead was covered in cold sweat, and he looked very painful.

However, Yue Feng was standing there with a calm expression on his face.

This....

Seeing this, Wang Xiaoman only felt that his mind was blank, and looking at Yue Feng's eyes, was also full of inconceivable.

Did he win?

Isn't he injured? Can you beat Zheng Qiang?

At this time, Wang Xiaoman didn't know that although Yue Feng was injured, his background was not comparable to that of Zheng Qiang. Although he practiced taekwondo, in front of a real practitioner, he was like a child facing an adult, not an adult at all. level.

"Damn it!"

Zheng Qiang covered his arms with a grim expression on his face, staring at Yue Feng, his eyes full of resentment: "You dare to beat me... I have to abolish you, not only to abolish you, but also to let you Seeing it with my own eyes, Xiaoman and I are..." In a panic, Zheng Qiang said the more vicious he became, the more unbearable he was.

Just before he could finish speaking, Yue Feng walked over quickly and slapped him in the face with a slap in the face. He heard a crisp sound, Zheng Qiang turned around in a circle, and finally sat on the ground with his buttocks on the ground. It was humming like a roller coaster.

"Shameless scum, dare to threaten!" Yue Feng said coldly.

The sound is not big, but the aura is powerful and breathtaking!

"You..."

Zheng Qiang was stunned when he felt Yue Feng's aura, and then shouted: "Wait, wait for me with the special code, if you don't cramp and peel, I will not be Zheng Qiang."

In this place, I always bully others by myself. When have you suffered this loss?

Simply shameful.

"You're still playing tricks, right?" Yue Feng chuckled, stepped on Zheng Qiang, and slapped him again and again.

Papapa...

not a single slap was slapped on Zheng Qiang's face with a thud.

Wang Xiaoman's heart skipped a beat when he saw it, and he was completely dumbfounded.

"Ah...you special code..."

“I’m going to kill you, kill you...”

At first, Zheng Qiang kept yelling, but slowly he couldn’t hold it anymore, and a snot I cried out in tears: “Friend, don’t fight, don’t fight, I was wrong...”
