What?

At this moment, Nalan Wushuang was shocked and completely stupid.

Even grandfather...

Tie Bowen was a little calmer, and couldn't help but said to Shennong: "According to the senior's words, what should we do now?" As he spoke, he held Nalan Wushuang's hand tightly.

She paid so much for me, and now that the family has undergone such a big change, she must be fully supported.

Phew...

Shennong took a deep breath, did not respond immediately, but secretly thought about countermeasures. However, at this moment, the door of the secret room was suddenly pushed open, and then a figure appeared at the door.

Although it is a long gown, it is amazing, and the whole body is filled with a terrifying aura, which is almost suffocating.

It was Gogne.

Behind Gogne, there are dozens of elite disciples of the Nalan family. These elite disciples were also secretly controlled by Gogne and only obeyed his orders.

Oops!

Seeing Gogne's appearance, both Shennong and Nalan Wushuang were shocked.

Tie Bowen also looked at Gogne closely, unable to hide the shock in his heart, this person is so powerful...

"Girl!"

At this time, Gogne looked at Nalan Wushuang, and showed a smile: "Your friend has come back to life? Congratulations." After listening to Nalan Wushuang's narration just now, Gogne rushed over.

This chapter is provided by . Visit [for](#) daily update.

His purpose is very simple, to control Nalan Wushuang as soon as possible, lest she destroy his overall situation.

Of course, Tie Bowen and Shennong could not easily let go.

“Shut up...”

Feeling the powerful aura around Gone, Nalan Wushuang endured the fear, forced himself to calm down, and shouted: “Don’t pretend to be in front of me, you secretly colluded with Wudang Ye Yun, and you are still there. On my way back, I was robbed and killed halfway, so cruel and ruthless, I am ashamed to be in my company.” The words were loud and could not be refuted.

Huh ...

Gone sighed lightly, without any anger, and said slowly: “Wu Shuang girl, I think you have misunderstood, your aunt and I’s wedding date is approaching, and I have never left the family, how could I secretly collude with Ye Yun? ”

Saying that, Gone looked at Tie Bowen: “Instead, it was you who brought back a Rakshasa clan from outside, which humiliated the family’s reputation. Before this kid was in a coma, the family didn’t care about it for the time being. Now this kid Okay , I need to interrogate it.”

Gogne held his identity and didn’t want to tear his face directly, so he casually found a reason.

“You...”

Seeing him turn black and white, Nalan’s unparalleled body trembled, and he shouted: “Don’t talk nonsense, Brother Bowen is a good person, why do you interrogate him? Also, this is the Nalan family. , you are only a foreigner, what rights do you have?”

Tie Bowen couldn’t help but step forward, looked directly at Gone, and said word by word: “My friendship with Wushuang can be learned from the sun and the moon. This is a helpless move, there is no purpose, please be careful when you speak.”

Hehe...

Seeing Tie Bowen speak up, Gogne smiled lightly: “It’s not up to you to decide whether you are innocent or not.”

Immediately, Gone’s eyes fell on Nalan Wushuang: “Girl, after I married your aunt, I am your uncle, and I am your elder. I did this for your own good, you are still too young, and it is easy to be deceived by ‘intelligent people’ . “

Nalan Wushuang’s face flushed with anger, and he even scolded him.

“Is that Nie Zhan?”

However, at this moment, Shennong, who had been silent, walked out slowly and looked at Gone up and down: “You don’t need to quibble, the person with ulterior motives is you, you can hide it from others, but you can’t hide it. Old man, Patriarch Nalan is under your control.”

When he spoke, Shennong looked serious.

“You controlled the Nalan Patriarch, and now you have to take action against this girl. Do you really think there is no justice in the world? As long as the old man is here, you will not be allowed to do whatever you want.”

Huh?

Seeing Shennong coming out, Gone frowned, and then smiled disdainfully: “Shen Nong, if you want to meddle in your own business, you’re afraid you don’t have the strength.” inside.

The next second, Gone was too lazy to talk nonsense, and waved his hand: “Take all three of them.” After

hearing the order, dozens of elite disciples swarmed.

The ultimate husband in Chinese chapter 6022

“You...”

Seeing these elite disciples rushing up, Nalan Wushuang was furious and shouted: “Are you going to rebel? Help a foreigner to deal with me?”

However, when he heard the scolding, dozens of The elite disciples didn’t hesitate, but as the speed increased, their faces were cold, and there was no fluctuation.

Crazy, these people are crazy.

Realizing this, Nalan Wushuang was both angry and panic.

At this time, Nalan Wushuang did not know that these people were controlled by Gone, and would not listen to her at all.

“Girl!”

At this moment, Shennong took a deep breath: “Don’t waste your efforts, these disciples are also controlled by him and won’t listen to you. The only way now is to break out as soon as possible.

”, Shennong took out two pills and handed them to Nalan Wushuang: “Hurry up and take it.”

Yes, Shennong is ready to use poison power, the current situation, but it is impossible to rush out with strength, only some extraordinary means.

This...

at this moment, Nalan Wushuang and Tie Bowen took over the medicinal pills and were stunned for a while, but seeing the freshness of the pills, they did not hesitate at that time and hurriedly took them.

“At this point, do you dare to use an axe in front of this old man?”

Shennong said coldly, then raised his hands quickly, a powerful breath burst out, and then, a white mist condensed in front of Shennong come out.

In the next second, the white fog seemed to possess spirituality, and quickly filled the air toward the dozens of elite disciples who were rushing towards it.

This chapter is provided by . Visit for daily update.

In these white mists, there is a strong poison. Although Shennong is the ancestor of medicine, his method of poisoning is also superb.

Putong putong..... In

the blink of an eye, dozens of elite disciples were shrouded in white mist. After inhaling, these elite disciples didn't have time to react, their eyes darkened and they fainted.

Shennong has a kind-hearted disposition, and he has no intention to kill. Although the poisonous mist he unleashes is violent, it is not fatal.

Mad!

But even so, Gogne was inexplicably frightened when he saw dozens of his subordinates lose their combat effectiveness in an instant. His face also became extremely gloomy.

I thought this Shennong could only heal people, but he really underestimated him.

Omg...that's awesome.

At the same time, Nalan Wushuang and Tie Bowen were stunned when they saw this scene, and they were indescribably excited.

As expected of the senior Shennong, he has solved so many people at the click of a button. It's amazing.

"Girl..."

Just when Nalan Wushuang was secretly excited, Shennong's face was full of anxiety, and he shouted: "Don't be stunned, you and this Rakshasa clan boy hurry up, leave here first, this old man will block this Gone first. "

Speaking of which, although Shennong had determined that the 'Nie Zhan' in front of him was the one behind the scenes, he was unable to accurately detect the opponent's true strength.

In this case, we can only take the safest way and let Nalan Wushuang and the two go first.

Shen Nong was very confident that even if he could not subdue this Nie Zhan, he could successfully hold him back.

"No!"

As soon as he finished speaking, Nalan Wushuang shook his head, his delicate and delicate face was full of determination: "Senior, this is a family affair of our Nalan family, and I will not leave."

Although Nalan Wushuang was unruly, But it is very principled, and the affairs of his family must not be retreated.

Tie Bowen also had a serious look, and shouted: "Yes, we won't leave, and we won't leave senior here alone."

Two fools.

At this moment, Shennong couldn't help laughing and crying: "This person's strength is unfathomable, even if you two stay, you won't be able to help this old man. Hurry up, only leave safely and save yourself is the best policy."

"Also, you also Don't worry, fighting alone, this person can't help this old man."

When he said this, Shennong's face was full of anxiety.

Huh...

At this moment, Nalan Wushuang bit his lip tightly, hesitated, and finally nodded: "Senior, be careful." After saying that, he grabbed Tie Bowen and quickly rushed towards the secret room.

To be honest, Nalan Wushuang didn't want to leave like this. After all, both grandpa and aunt were controlled by this hateful 'Nie Zhan'.

But what Senior Shennong said was not bad. Brother Bowen had just woken up and his strength had not recovered. Staying here would not help at all.

The ultimate husband in Chinese chapter 6023

Besides, Senior Shennong is the ancestor of medicine respected by the world, and his strength is strong. It should not be a problem to deal with this Nie Zhan.

"Let's go?"

Seeing this scene, Gone's mouth twitched with a hint of gloom, and his figure burst out, rushing over to intercept Nalan Wushuang. The strength of the whole body exploded, and the surrounding air seemed to plummet a few degrees.

Hiss...

Feeling the breath of Gone's explosion, whether it is Nalan Wushuang or Tie Bowen, they are all surprised.

Especially Nalan Wushuang, who stared blankly at Gone who was getting closer, his heart was full of horror.

Why did Nie Zhan's strength suddenly become so terrifying?

This man is too hateful, hiding so deeply.

"Wu Shuang be careful." Tie Bowen was also secretly shocked, couldn't help but shouted, he wanted to protect Nalan Wushuang behind him, but he just woke up and his strength has not recovered, so he can only watch and worry.

"What is the matter with this old man."

At this critical moment, Shennong shouted angrily, rushed over quickly, and fought fiercely with Gone.

While fighting, Shen Nong did not forget to urge: "Girl, the two of you hurry up, go..."

"Senior, you must take care!" Nalan Wushuang came to his senses, shouted, and took Tie Bowen to leave quickly. .

Mad...

Gone wanted to stop, but was entangled by Shennong and couldn't get out for a while, and his heart was very suffocated.

However, Gone quickly calmed down, and secretly gave Nalan Hongzheng an order to intercept through the soul control technique. Then, he seriously dealt with Shennong in front of him.

bang bang bang...

I saw the figures of Gone and Shennong, constantly shuttled back and forth in the secret room, bursting with roars. At first, Shennong was a little confident, but gradually he felt that something was wrong. No matter how fierce the attack is, it can be easily resolved by the opponent.

Not only that, Shen Nong could clearly feel that the power that pervaded the opponent's body suppressed him to such an extent that he could hardly breathe.

Who is this person? This power is too terrifying.

Even Yue Feng has not reached such a state.

Just when Shennong was secretly shocked, a smile appeared on the corner of Gone's mouth: "Shennong, you can't stop me at all, don't waste your time."

Om!

The last word fell, Gone broke out the power of the demon soul, and the surrounding air quickly froze.

The terrifying breath made the suppressed heart panic.

Immediately afterwards, Gone struck with lightning and slapped Shennong with a palm.

This power...is the power of the demon soul....

Feeling the overwhelming power of the opponent, Shennong was shocked. At this time, he finally realized that the opponent did not belong to Kyushu at all. He couldn't dodge in panic. Welcome.

At this time, Shen Nong, knowing that the other party was from the Demon Race, did not dare to have the slightest carelessness, and tried his best with this palm.

boom!

In an instant, the palms of the two sides collided, and a roar was heard, Shennong groaned, and was directly shaken and flew out, and finally hit the stone wall of the secret room before falling down.

“You...”

Shennong only felt the qi and blood in his body tossing, but he still held back and stared at Gone: “Are you from the Demon Race?” No wonder the other party could easily control Nalan Hongzheng, and Nalan was delighted.

Ha ha!

Gonie smiled slightly, and no longer concealed it at this time: “Yes, the deity is the Supreme Gonie of the Demon Race, hidden here, just waiting for the opportunity to make a comeback.”

“The Supreme Demon Race?” Hearing this, Shen Nong’s body trembled . , his head was buzzing, and he couldn’t help muttering to himself: “The leader of the Demon Race, Gone...”

No wonder Yue Feng and Qin Tianjian couldn’t find him, it turned out to be hidden in the Nalan family.

“Shen Nong...”

Seeing the change in Shen Nong’s face, Gone’s tone was relaxed, and he said slowly: “I didn’t want to kill you, but if you have to meddle in your own business, then you can’t blame me.” The

voice fell, and there was a glint in Gone’s eyes. Killing intent, he raised his hand suddenly, and a red glow erupted towards Shennong.

To be honest, Gone really didn’t want to make extra troubles, but his identity had been exposed, so he could only get rid of Shennong. After all, Shennong and Yue Feng had a close relationship and couldn’t stay.

Oops!

Feeling the power of Hongmang, Shennong’s face turned pale, and an unprecedented despair surged in his heart.

over, I hang the pot to help the world, and I will be a lifelong person, but I can't save myself in the end.

I'm really unhappy.

In despair, Shen Nong suddenly thought of something, and quickly took out a talisman from his body, urging the injection of internal energy.

This talisman is called 'Shape-shifting talisman', and it was obtained by Shennong over a hundred years ago when he traveled around the world.

More than a hundred years ago, Shennong traveled to the Xuanye Continent and rescued a seriously injured Taoist sect. In order to express his gratitude, the other party gave Shennong a shape-shifting talisman, saying that it could save his life in a critical moment.

However, Shennong is known as the ancestor of medicine, and his strength is not weak. He rarely encountered danger, so he carried this talisman close to his body and never thought of using it.

At this time, facing the moment of life and death in front of him, Shennong suddenly rang.

hum!

At the moment when the internal force was injected into the talisman paper, a strange energy instantly wrapped Shennong. After that, Shennong only felt light, and the whole person was moved to the woods outside the Nalan family manor.

At the same time, in the secret room where Shennong was just now, a fake body quickly condensed. This Shennong fake body was completely transformed by the power of the talisman, but it was lifelike, like a real person.

All this happened so quickly, it was almost a flash in the pan, and even Gogne didn't react.

Huh....

At this time, Shen Nong stood up from the woods and was surprised and delighted to see that he was intact.

That Taoist person didn't lie to me back then, this talisman can really save my life.

This chapter is provided by . Visit for daily update.

Excited in his heart, Shen Nong didn't have time to think about it, he moved his figure, and quickly went into the distance...

At this moment, in the secret room.

Boom...

The red glow erupted, instantly shattering the fake body.

At this moment, a smile appeared on Gone's face. This Shennong was honored as Yaozu in Kyushu, and his medical skills were superb. It was a pity to kill him like this.

But who told him to go against me?

But soon, Gone realized that something was wrong. If Shennong was killed, why would there not be a drop of blood on the ground? No, you've been fooled yourself.

Good you Shennong, you are actually playing stealing the sky in front of the deity...

Realizing this, Gone's face was extremely gloomy, and he quickly rushed out of the secret room. With his keen perception, he chased in the direction where Shennong escaped.

.....

On the other side, Nalan Wushuang took Tie Bowen and quickly left the manor, rushing towards Donghai City.

Kyushu is so big, but only Tianmen can help. More importantly, Shennong and Yue Feng have a close relationship. Now that Shennong is trapped in the Nalan family, Yue Feng will definitely not stand by and watch the situation.

Huh...

The two of them rushed all the way, not daring to stop for a while, and after a while, Tie Bowen was out of breath.

Seeing him so weak, Nalan Wushuang was very distressed and couldn't help but say, "Brother Bowen, how are you? Why don't we find a place to rest before continuing our journey?"

She wanted to rush to Tianmen immediately, but Tie Bowen's Safety is more important.

"No!"

Tie Bowen shook his head, gritted his teeth and said, "We can't stop, time waits for no one, I can hold on even if I'm fine."

Hearing this, Nalan Wushuang nodded and supported Tie Bowen to continue on the road.

Whoa!

However, at this time, they heard a burst of breath vibration behind them, and the two quickly looked back, both surprised.

He saw that hundreds of Nalan family disciples were chasing after him, and the head was dressed in black Tang suits with gloomy expressions.

It was Nalan Hongzheng.

After receiving the order from Gogne just now, Nalan Hong was quickly mobilizing his manpower to pursue Nalan Wushuang and Tie Bowen with all his strength.

"Oops, grandpa brought someone to chase."

Seeing this scene, Nalan Wushuang's delicate body trembled and panicked instantly.

Tie Bowen was also secretly anxious.

Because Tie Bowen didn't regain his strength, Nalan Wushuang couldn't walk fast with him at all. In the blink of an eye, he was surrounded by Nalan Hongzheng and others.

"Unparalleled!"

At this moment, Nalan Hong was full of anger and shouted angrily: "Where are you going with this alien kid? Come back with me quickly." His tone was cold and could not be refuted.

Nalan Wushuang quickly protected Tie Bowen behind him and shook his head: "I won't go back!" After

speaking, Nalan Wushuang took a deep breath and said slowly, "Then Nie Zhan is a beast in human skin, trying to Harm me and Brother Bowen..."

The ultimate husband in Chinese chapter 6025

Before

she could finish speaking, Nalan Hong shouted angrily, "Shut up, Nie Zhan is about to become your uncle. You slander your elders, but do you still understand the rules?"

This girl is getting more and more outrageous. Dare to insult the master, it is simply too unruly.

Swish!

Hearing the angry shout, Nalan Wushuang's delicate face instantly flushed, and he defended, "Such a sinister villain is not worthy of being my uncle, grandpa, don't be seduced by him again."

Nalan Hong was too lazy to talk nonsense, lifted the With a wave of his hand, he shouted, "Tie the two of them." After

speaking, Nalan Hong looked at Tie Bowen viciously: "You hateful alien boy, you want to kidnap my granddaughter, I will let you know what happens. What."

At this time, Nalan Hong was completely losing his mind and was controlled by Gone, and he couldn't calm down at all.

Whoa!

Hearing the order, the surrounding family disciples pulled out their long knives and rushed towards Tie Bowen.

"Don't!"

Seeing this situation, Nalan Wushuang was angry and anxious. At this time, because Nalanhong was on the scene, he didn't dare to do it. At that time, his knees bent, directly thinking that Nalanhong was kneeling down.

"Grandpa..." Nalan Wushuang bit his lip tightly, his eyes full of complexity, and pleaded, "I am in love with Brother Bowen, please don't hurt him..."

However, the more Nalan Wushuang was like this, Nalan Hong is getting more and more popular.

"You bastard, get up for me." Nalan Hong's face was ashen, and he scolded: "For such an alien boy, you don't even want your dignity? You have lost all the face of the family."

"This boy, I must arrest him. Go back, and you, too, go back with me obediently."

After saying the last sentence, Nalan Hongzheng issued the order again: "Do it, both of you are tied."

"Yes, the patriarch!" The

voice fell, and the surrounding family disciples responded in unison, then directed at Nalan Wushuang and Tie Bowen rushed up.

Seeing this, Tie Bowen smiled bitterly and said to Nalan Wushuang: "Wushuang, if you go first, don't mind me."

"No!"

Nalan Wushuang shook his head, bit his lip tightly, and stood up. He got up, pulled out his long sword, and looked coldly at the clan disciple who rushed up: "Whoever dares to hurt him, I will never forgive him." Seeing Nalan Wushuang's desperate attitude, the surrounding

clan

The disciples stopped involuntarily and looked at each other, very embarrassed, and there were fears in their eyes.

Anyway, this is the young lady, the patriarch's jewel, who would dare to do it?

Seeing this situation, Nalan Hong was very angry: "What are you doing? Start!"

Hearing the angry shouts, these family disciples no longer hesitated and rushed up.

In the face of this situation, Nalan Wushuang bit his lip tightly and clenched his long sword to meet him.

Bang Bang Bang... In

the blink of an eye, the two sides fought fiercely. These family disciples, because they were afraid of Nalan Wushuang's identity, did not dare to break out with all their strength, and they were defeated by Nalan Wushuang with little effort.

However, Nalan Wushuang didn't kill, just knocked these disciples unconscious.

But even so, hundreds of family disciples rushed forward one after another, and Nalan Wushuang could not hold it any longer.

How to do?

At this time, Nalan Wushuang fought with many disciples, and he was indescribably anxious.

If things go on like this, I and Brother Bowen will still be arrested, and we must find a way to escape.

“Everyone!”

In a panic, Nalan Wushuang said loudly: “I can’t take care of the family’s face anymore. In fact, my grandfather has been controlled by Nie Zhan, not only my grandfather, but my aunt is also controlled by him. “

The current Nalan family is almost completely controlled by Nie Zhan, and you are all kept in the dark...”

Nalan Wushuang was very complicated when he said this. After all, Nalan Hong is her My grandfather, now that I have spoken out about this in public, my grandfather has lost all of his majesty.

But she really had no other choice.

What?

Hearing these words, the family disciples present were all shocked, and their eyes were also fixed on Nalan Hongzheng.

The patriarch was controlled by that Nie Zhan?

Facing the eyes of everyone, Nalan Hong was furious: “What do you see me doing? Do you believe in such absurd things?” After

speaking, Nalan Hong was glaring at Nalan Wushuang: “You bastard, first Slandering your uncle, and now it’s out of nothing, talking nonsense, I’ll abolish you now.”

The ultimate husband in Chinese chapter 6026

Om!

The voice fell, and Nalan Hong’s figure burst out, like a black lightning, going straight to Nalan Wushuang.

“Grandpa...” Nalan Wushuang’s delicate body trembled faintly, she couldn’t help but murmured, her heart was even more unspeakable, she never thought that the grandfather who always loved her would now do it to herself .

Thinking of him being controlled by ‘Nie Zhan’, Nalan Wushuang felt even more complicated.

Phew...

In the blink of an eye, Nalan Hongzheng was in front of him, with endless anger and madness flashing in his eyes: "You bastard, you colluded with aliens, and today I will clear the door for the family." The

voice fell, Nalan Hongzheng's inner strength exploded, and a The palm called towards Nalan Wushuang's heart.

Feeling the power of this palm, Nalan Wushuang's face turned pale. At that time, he had nowhere to dodge, so he could only bite his lips tightly and use all his strength to meet him with a palm.

Bang...

The next second, the palms of the two sides collided, and Nalan Wushuang groaned, and the delicate body was shaken dozens of meters away, and fell heavily to the ground. His face was extremely pale.

Nalan Wushuang had already consumed a lot of internal energy when dealing with many family disciples just now, and facing Nalan Hongzheng at this time is naturally not an opponent.

"Unparalleled!"

Seeing this scene, Tie Bowen couldn't help shouting, trying to rush over, but was stopped by several family disciples.

The next second, Tie Bowen turned to look at Nalan Hongzheng, his eyes were blood red: "She is your granddaughter, you actually put such a heavy hand on her, you... Are you still human?"

"Tie Bowen was both distressed and angry.

This chapter is provided by . Visit for daily update.

He clearly saw that Nalan Wushuang's face was pale, and the whole person was extremely weak, and it was obvious that he was going to be unable to hold it.

Swish!

Hearing the accusation, Nalanhong looked grim and locked on Tie Bowen coldly: "Stinky boy, what qualifications do you have to point fingers at me? After I clear the door, I will clean up you." The

last word fell, and Nalanhong was walking step by step. Walk towards Nalan Wushuang.

“Mad!”

Seeing this situation, Tie Bowen was furious and kept scolding: “You are a lunatic if you take action against your own granddaughter...”

At this moment, Nalan Wushuang was also extremely desperate. With a smile, he said to Tie Bowen: “Brother Bowen, we can’t be together in this life, let’s see you in the next life.” As the

voice fell, Nalan Wushuang slowly closed his eyes.

It was at this moment that Nalan Hong was walking to the front. Sen Leng’s face did not show the slightest emotional fluctuation, and he raised his hand and slapped the top of Nalan Wushuang’s head.

“No...”

At this moment, Tie Bowen’s eyes were red and blood red, and he roared loudly. He was about to rush up to save people, but was pressed tightly to the ground by several family disciples, unable to move at all.

“Stop, let her go...”

“If she has three longs and two shorts today, all of you present, I will not let go...”

When he shouted these words, Tie Bowen’s voice was completely hoarse, His heart was cut like a knife, and two lines of blood and tears flowed from his eyes. He couldn’t even protect his beloved girl, so he was called a Rakshasa man in vain.

However, hearing Tie Bowen’s roar, the family disciples present did not take it to heart.

In their hearts, Tie Bowen did not regain his strength, he was just a waste person, and there was no threat at all.

“Stop!”

Seeing that Nalan Wushuang was about to die under the palm of his grandfather’s hand, suddenly, a cold and tender voice came, followed by a powerful aura, approaching from a distance.

Swish!

In an instant, the family disciples present all looked at it.

Nalan Hongzheng also stopped subconsciously, looked back, and was stunned for a moment.

I saw a girl in a white dress, she was astonishing and came quickly, her figure was graceful and charming, her facial features were exquisite and beautiful, and her whole body was filled with a cold temperament, like a fairy descending to earth.

It is ice.

For nearly a year, Han Bing has been practicing retreat in the Emei School, and rarely participates in the disputes between the rivers and lakes. A few days ago, I learned that Yue Feng had an accident in Wudang Mountain, and then Wen Chou Chou, Sun Dasheng and others were arrested by Qin Tianjian. After Han Bing found out, Frustrated, he immediately went down the mountain to investigate the situation.

Just now, Han Bing happened to pass by here, and when he heard the movement of fierce battle, he came to take a look out of curiosity.

When he saw Nalan Wushuang, Bingbing was very surprised.

The ultimate husband in Chinese chapter 6027

You must know that half a year ago, Nalan Wushuang hated Yue Wuya because of love and hatred, and deliberately slandered Yue Wuya and the Queen of Hailong Palace, saying that they were secretly fornicating and gave birth to a baby.

At that time, there was a lot of uproar in the whole Jianghu, not only Yue Wuya's image plummeted, but Tianmen's reputation was also affected. Under these circumstances, Han Bing had no sympathy for Nalan Wushuang, and even disgusted him very much.

It's just that Han Bing is kind-hearted. When he saw that Nalan Wushuang was about to die unexpectedly, he couldn't bear it, so he couldn't help but stop it.

is her?

Yue Wuya's younger sister, Han Bing?

At this moment, Nalan Wushuang saw that the person who came was Han Bing, and his delicate body trembled, and a trace of complexity emerged in his heart. Half a year ago, he slandered her brother, will he help me?

Wow...

At the same time, the disciples of the surrounding families stared at Han Bing, their eyes straight.

Beautiful, so beautiful.

It's like a fairy descending to the earth....

Even Nalan Hongzheng couldn't help but look at Han Bing a few more times, and after a few seconds, he calmed down and said coldly: "Who am I, it turns out to be the cold of the Emei faction. Ice."

Nalan Hongzheng's eyes flashed with arrogance, and he said word by word: "Hanbing, this is our Nalan family's business, I hope you don't interfere and leave quickly."

Nalan Hongzheng at this time, his expression Cold and arrogant, but there is some inexplicable fear in my heart.

You must know that although Han Bing in front of him is not very old, he is two years younger than his granddaughter Nalan Wushuang, but as early as five years ago, he was a rookie of the Emei School. , unfathomable.

call!

This chapter is provided by . Visit for daily update.

Hearing this, Han Bing breathed a sigh of relief and did not answer immediately, but quietly glanced at Nalan Wushuang.

Han Bing clearly saw that Nalan Wushuang was pale and extremely weak, not to mention Nalan Hongzheng, just an ordinary person who could easily kill her.

Aware of this, Han Bing looked at Nalan Hongzheng and said softly: "Patriarch Nalan, I'm not interested in participating in your family's affairs, I'm just a little curious, what mistake did she make to ask you, the grandfather, to do it yourself? ."

At this time, in Han Bing's heart, Nalan Wushuang was in trouble again.

After all, she has an unruly personality and acts impulsive, and I don't know how much trouble she has caused the Nalan family over the years.

Hehe...

Hearing the inquiry, Nalan Hongzheng raised a smile on the corner of his mouth, and said slowly, "Since you are not interested in participating, don't ask so much." At this time, Nalan Hongzheng was already a little impatient, but he couldn't bear it. attack.

After all, Han Bing's background is deep, and he can't turn against her because of a few words.

Han Bing nodded silently. He was too lazy to talk nonsense at that time, so he was about to turn around and leave.

"Sister Hanbing."

However, at this moment, Nalan Wushuang couldn't help shouting: "Please help me and Brother Bowen, I did not make a mistake, but my grandfather was controlled."

"This person is called Nie Zhan, insidious and despicable, first controlled my grandfather and then my aunt... I learned the truth and escaped, but was stopped here..."

When Nalan Wushuang and Yue Wuya had a good relationship, called him Brother Wuya, and Sister Hanbing. Although he and Yue Wuya were strangers now, he was used to calling him Sister Hanbing, and the name hadn't changed for a while.

What?

Hearing this, Han Bing's pretty face changed, and she was secretly surprised.

What happened to the Nalan family?

It's just... This Nalan Wushuang is arrogant and willful, maybe he's lying on purpose.

Seeing Han Bing's disbelief, Nalan Wushuang suddenly became anxious: "Sister Han Bing, I really didn't lie to you." The

voice fell, and Tie Bowen, who was not far away, nodded again and again: "Wushuang is right, this Patriarch Nalan is under control, otherwise, how could he attack his own granddaughter?"

"Please help the female hero."

When he pleaded, Tie Bowen's face flushed, and he could not wait to find a crack to burrow in, saying When he got up, he was also a respected warrior in the Rakshasa tribe. At this time, he couldn't even protect the woman he loved, and he wanted to ask another woman for help. It was really embarrassing.

But knowing that she can save Nalan Wushuang and protect her life, what is the dignity?

Call!

Seeing this, Han Bing exhaled softly and pondered.

This Rakshasa person also said the same, it seems that the situation is true.

"Bastard!"

At this moment, Nalan Hong was full of sullenness, and shouted angrily at Nalan Wushuang: "You bastard, you are still slandering the elders, watch me beat you to death." The

voice fell, Nalan Hongzheng He quickly raised his right hand and hit Nalan Wushuang's head.

Whoosh!

At this moment, Han Bing did not hesitate in the slightest, and the delicate body flashed forward, and the jade hand raised, blocking the palm for Nalan Wushuang, and in an instant, a dull sound was heard, and both Han Bing and Nalan Hongzheng were shocked. Take a few steps back.

Obviously, the palms collided just now, and the two sides were evenly matched.

At this time, Nalanhong was quickly stabilizing his figure, his eyes were fixed on the ice, and his heart was shaking.

This Bingbing is so young, but his strength is unfathomable. As expected, it is very difficult to deal with as rumored in Jianghu....

Thinking to himself, Nalan Hong is taking a deep breath and coldly said to Bingbing: "Girl Bingbing. , what do you mean? You want to interfere in the affairs of our Nalan family?"

"Senior, calm down!"

Feeling Nalan Hongzheng's anger, Han Bing's face was calm, his red lips parted lightly, and he said slowly, "I didn't mean to offend, I just can't stand it, Tiger Poison still doesn't eat its children, she is your own granddaughter, why bother with this cruel hand?" After speaking, Han Bing's eyes showed

a bit of deep meaning: "Could it be that she is right, you Are you really being controlled?"

Huh!

At this moment, Nalan Hongzheng was furious: "Shut up, I'm fine, how can I be controlled, girl Bingbing, if you can't leave, don't blame me for being rude."

When he said this, Nalan Hongzheng I have run out of patience.

There is indeed a problem. Seeing that Nalan

Hongzheng was so excited, Han Bing had already made up his mind, and said slowly: "Why are you welcome? I would like to see and see.

"

Muscles picked up and he said coldly: "Stinky girl, you really think this old man is afraid of you. If you don't grasp the opportunity, don't blame me."

Om!

As he said that, Nalan Hong's figure erupted, heading straight for the ice.

Han Bing was suspended there quietly, her beautiful face was very indifferent, without the slightest panic: "Senior is in such a hurry, it seems that it is not Nalan Wushuang's problem." The

last word fell, Han Bing's tender body froze. Shen, go up and fight with Nalan Hong.

Phew...

At this moment, the family disciples below could hardly help but take a deep breath, and saw that Han Bing and Nalan Hong were fighting in mid-air, and their figure was light and agile. That charming demeanor made many people Look in a trance.

Bang bang bang...

In the blink of an eye, the two sides fought fiercely for more than a dozen rounds. At that time, Nalan Hong was looking for an opportunity. He slapped Han Bing's shoulder with a palm, and heard a groan, and Bing Bing was shaken back by the volley.

To be honest, if the strength of the two sides is reckless, Nalan Hongzheng is not an opponent of Bingbing at all, but Nalanhong is being controlled by Gone, and he has lost his mind at this time, and Hanbing respects the other party as a senior, and did not make a full shot. Nalan Hongzheng took advantage of it.

"Ha ha..."

At this moment, Nalan Hong was full of pride: "Girl Han Bing, the gossip of our Nalan family is not something you can manage if you want.

" Be careful."

"Before, I respected you as a senior, so I gave three points of courtesy, but you are so aggressive, so don't blame me for not being polite."

Om!

The last word fell, and Han Bing slowly raised his jade hand, and in an instant, an ice-blue light emerged around her.

Immediately afterwards, a huge ice-blue dragon coiled in the air in front of the ice.

I saw this ice-blue giant dragon, surrounded by cold air, obviously formed by powerful internal force, but every scale on its body was clear and lifelike, as if it were real.

In particular, the terrifying icy aura pervaded his body, as if freezing the surrounding air.

That's right, what Han Bing used was Han Ao Ran's unique skill, the Big Bing Dragon Palm.

Back then, Han Ao Ran was the head of Emei. With his big ice dragon palm, he became famous all over the world, and Han Bing was even better than the blue. Under the guidance of Han Ao Ran over the years, he did his best, especially this move. The big ice dragon palm is even more amazing.

Huh

....

At this time, when the huge ice dragon appeared, both Nalan Hongzheng and the many disciples of the family below felt a chill to the bones, and their expressions were extremely horrified.

"This... This is the Emei faction's unique technique, the Big Bing Dragon Palm?"

"It's really strong..."

Under the shock, everyone looked at Han Bing with deep fear.

This ice is worthy of Yue Feng's daughter, the power of this big ice dragon palm is really amazing.

It was saved... Under the

shock of everyone, Nalan Wushuang looked at Han Bing closely, and couldn't hide the excitement in his eyes.

I didn't expect Sister Hanbing to be so powerful, and even learned the secret skills of the Emei faction. Now I and Brother Bowen are saved. But thinking that the other party is his grandfather, his mood becomes complicated again.

“Big ice dragon palm?”

At this moment, seeing the huge ice dragon in front of Han Bing, Nalan Hong was putting away his smile and his face became solemn.

hum!

In the next second, Nalan Hong didn't have time to think, and quickly deployed a protective film in front of him.

At the moment when the protective film was formed, a huge ice dragon roared and slammed into the protective film...

Boom!

An earth-shattering roar sounded, and I saw that the protective film was directly smashed. Then, the ice dragon's sharp claws slapped Nalan Hongzheng fiercely, and he heard a miserable howl, and his body fell heavily from the air.

“Pfft...” After landing, Nalan Hong was spitting out a mouthful of blood, then his eyes darkened and he passed out.

Although Nalan Hongzheng's strength is not weak, it is still a little powerless to resist the unique skills of the Emei faction.

Quiet...

For a moment, the audience was silent. Even if a needle is dropped on the ground, it can be heard clearly.

The surrounding Nalan family disciples looked at Han Bing, in addition to being shocked, there was also deep fear...

This Bing Bing's strength is too terrifying, the patriarch couldn't even catch her move.

“Patriarch...”

After being stunned for more than ten seconds, someone finally reacted, shouted, and rushed over to check Nalan Hongzheng's situation.

“Patriarch!” The

others also calmed down and gathered around.

At this moment, Nalan Wushuang was also unspeakably worried, and couldn't help shouting: "Grandpa..." Tears streamed down before the words fell.

Although he almost died at the hands of Nalan Hongzheng just now, his life was hanging by a thread, but he was his grandfather after all, and he was only controlled, not really wanting to kill himself. How can you not worry when you see him in a coma at this time?

"Don't panic!"

At this moment, Han Bing slowly landed and said to Nalan Wushuang: "Your grandfather just passed out, and his life is not in danger." Moved seven layers of skill, just for fear of accidental injury.

Otherwise, if he burst out with all his strength, Nalan Hong was afraid that he would be dead.

Um!

Hearing what Han Bing said, Nalan Wushuang nodded and felt a little relieved. She knew that Han Bing would not lie to herself.

Han Bing didn't talk nonsense. Taking advantage of the attention of those family disciples, Nalan Hongzheng was on him. At that time, he quickly took Nalan Wushuang and Tie Bowen away without any hesitation.

...

On the other side, Taihetang.

In the hall, Yue Feng was humming a little tune and was sorting medicinal materials.

At this time, Yue Feng was in a very good mood. He had been here for two days. During the past two days, Yue Feng had calmed down and cultivated. With the elixir that Chen Shishi had searched for, his injuries were basically healed, and his strength had recovered by half.

According to this progress, it will be fully recovered in a few days.

However, Yue Feng was also a little worried. A few days passed, and he didn't know what happened to Brother Wen and the others.

correct!

Suddenly, Yue Feng thought of something, took out a few tortoise shells from the medicine cabinet behind him, wrote symbols on them with a fine pen, and began to perform divination.

Divination is one of the oldest profound arts. When they were in the realm of the gods, Yue Feng and Guiguzi learned a little bit. Although the realm is not deep, it can be regarded as a first glimpse of the door, and a simple divination is still possible.

Yue Feng thought about it, since the phone could not be reached, he used divination to calculate the situation of Brother Wen.

To prepare for work last night, Yue Feng began to use tortoise shells for divination.

call!

After divination three times in a row, Yue Feng couldn't help but look solemn.

The ultimate husband in Chinese chapter 6030

On the divination hexagram, it is very clear that it is a fierce hexagram.

But what made Yue Feng relieved was that there was another vigor in the fierce hexagram, which showed that the current situation of Wen Chou Chou was very dangerous, but it was not life-threatening.

As long as it's not life-threatening.

After watching the hexagram for a while, Yue Feng murmured in his heart, ready to put away the turtle shell.

“Hey!”

However, at this moment, Su Xueying's voice suddenly came to mind behind him.

Yue Feng looked back and was stunned.

I saw that today Su Xueying was wearing a light green sportswear, fresh and refined, full of youthful vigor all over her body.

For a while, Yue Feng looked a little stunned.

Swish!

Seeing Yue Feng staring at herself, Su Xueying's face was faintly flushed, and she couldn't help kicking Yue Feng: “What are you looking at? I'm looking around, gouging out your eyes.”

"I tell you, if you didn't watch Shishi's face, I won't let someone like you stay in our Taihetang." The

voice was clear, showing a bit of contempt.

Until now, in Su Xueying's eyes, she still thought that Yue Feng was Chen Shishi's boyfriend, the kind who only eats soft rice.

Hiss...

Yue Feng took a breath, bent over and rubbed his kicked calf, and joked with a smile: "I just looked at it a few times, but I didn't do anything to you, so why are you so excited?"

"Yue Feng couldn't help joking: "So fierce, be careful not to find a boyfriend."

Hearing this, Su Xueying blushed and said with akimbo: "I can't find a boyfriend, I want you to take care of it?" This man can't see the slightest advantage, and he doesn't know what Shishi likes in him.

Thinking about it, Su Xueying thought of something, and asked Yue Feng, "I ask you, what happened that night?" Su Xueying was full of doubts when she thought of how Li Wei was crying that night.

that night?

Yue Feng was stunned for a moment, then realized something, and asked knowingly, "What night?"

"Don't pretend to be confused." Su Xueying frowned, and said impatiently, "It was the night when you were troubled by Li Wei, Honestly, what did you do to him that day?"

Oh!

Yue Feng nodded, pretending to be stunned: "That night, I didn't do anything to him, just reasoned with him at length and persuaded him to return from his lost way. I thought it would be useless. Who knows this Li Wei I was still very enlightened, and after my persuasion, I repented at that time." The

reason why he came here was to hide his identity, so Yue Feng would never tell the truth.

Seeing what he said, Su Xueying was full of disbelief, and said angrily: "You can make it up. I know Li Wei best. When a sow goes up to a tree, he will not repent."

Yue Feng laughed . without speaking.

Seeing him like this, Su Xueying knew that she couldn't ask anything, so she turned to leave, but glanced at a few turtle shells on the table.

Su Xueying clearly saw that some strange symbols were written on the tortoise shell, and her curiosity was aroused again: "What were you doing just now?"

"Divination." Yue Feng replied with a smile.

Although divination is ancient, it is not very demanding. As long as you are not a fool, you will get some fur after working hard for a few years. Therefore, this Yue Feng does not intend to hide it.

Divination?

Su Xueying was stunned for a moment, looking up and down at Yue Feng: "You know divination? I think you are bragging." Divination is an ancient mysterious art, and in the entire Kyushu continent, very few people really know it.

And this guy who eats soft rice in front of him actually said that he knows divination, which is ridiculous.

Yue Feng looked serious: "What am I lying to you for?" Is it so unexpected that he knows divination?

Pfft...

Seeing his appearance, Su Xueying couldn't help but chuckle: "Don't think that I don't know the mind of a person like you, I deliberately say what I know, pretend to be mysterious, in order to attract girls, in other words, Shishi Did you deceive you like this?"

After saying that, Su Xueying looked at the turtle shell on the table and continued: "Well, give me a divination, if it is accurate, I will arrange less work for you in the future. If it's not accurate, you will leave Taihetang, of course, when Shishi asks, you have to say that you left on your own initiative."
