

The ultimate husband in Chinese chapter 6031-6040

When she said this, Su Xueying couldn't hide her disgust for Yue Feng.

Speaking of which, Su Xueying didn't like him at all. At that time, she just looked at Chen Shishi's face and decided to let Yue Feng stay. When she found an opportunity, she decided to drive Yue Feng away.

Uh....

Hearing this, Yue Feng smiled bitterly, never expecting that Su Xueying's views on herself were so extreme.

I've explained it several times before, that she and Chen Shishi are friends, not the kind of relationship she thought, but this Su Xueying doesn't believe it, it's really helpless.

Feeling helpless, Yue Feng did not refuse, and nodded with a smile: "Okay!"

In fact, Yue Feng's injury has healed, but his strength has not fully recovered, so it doesn't make much sense to stay here. Even if Su Xueying didn't say anything, Yue Feng wouldn't stay too long.

Yue Feng thought about it, left early the day after tomorrow, and went to Donghai City to find out the situation.

Seeing his promise, Su Xueying didn't talk nonsense, and crossed her hands to signal Yue Feng to start divination.

Yue Feng smiled, asked Su Xueying's birth date, wrote it on the turtle shell, and then began to divination.

Crash...

The next second, the turtle shells were scattered on the table, Yue Feng looked at it, and suddenly frowned secretly.

This hexagram is a bit...

Seeing that his expression was different, Su Xueying said lightly: "Have you figured out anything?" In her heart, she did not think that Yue Feng would be able to fortune-telling, and she was just pretending at this time.

Feeling the contempt in Su Xueying's eyes, Yue Feng didn't care at all, and smiled slightly: "From the hexagram, your fortune has been smooth in the past two days, and nothing special has happened."

This chapter is provided by . Visit for daily update.

Yue Feng was right, Su Xueying's facial features are exquisite, the heaven is full, and it is the sign of longevity and wealth. This kind of person does not need divination at all. From the appearance, there are very few catastrophes in a lifetime.

"It's a mystery."

Hearing these words, Su Xueying pouted and said angrily: "This is the result of your divination? This kind of perfunctory words, even if they are not fools.

"Yue Feng glanced: "I see, you are a liar, you don't understand at all."

At this moment, Yue Feng was very helpless, and immediately smiled bitterly, and continued to look at the hexagram in front of him, his expression became a little subtle.

"Stop pretending." Su Xueying couldn't help saying.

Yue Feng ignored her, but on the basis of the hexagram in front of him, he moved the two turtle shells on the table, took a closer look, and then slowly said: "You want to know the specifics, it's very simple, this is very simple. The hexagram of the time shows that within two hours, you will have a small peach blossom calamity."

When he said this, Yue Feng looked Su Xueying up and down, and his heart was very complicated.

Divination is very mysterious, and even someone like Guiguzi can hardly tell the whole story, let alone Yue Feng, who is the first glimpse of the door.

However, Yue Feng didn't talk nonsense. At this time, the hexagrams showed that it was indeed the peach blossom robbery. As for how it happened, Yue Feng didn't know.

At this moment, Yue Feng looked at Su Xueying and muttered secretly: Everyone in the whole town knows that Li Wei has been chasing Su Xueying. Could it be that this peach blossom disaster was caused by Li Wei?

It's just... After teaching Li Wei that night, this kid hasn't shown up for two days.

Peach Blossom Tribulation?

Hearing these three words, Su Xueying was also shocked, and her delicate face was a bit strange: "What Peach Blossom Tribulation, what does it mean, can you explain it clearly?"

This....

this question is beyond Yue Feng's ability, he scratched his head at that time: "I can't tell the specifics, it should be that you will have a skin-to-skin relationship with a certain man."

When explaining, Yue Feng was very embarrassed.

Nima, the hexagram is indeed shown in this way, but in what form it will happen, only God knows.

Swish!

Hearing this, Su Xueying's delicate face suddenly blushed, and then she quickly reached out and pinched Yue Feng's waist. This wind wave is so abominable, he dares to use divination to play tricks on me.

"Hey!" Yue Feng couldn't help taking a breath of cold air, and his face was speechless: "What are you pinching me for?"

Su Xueying blushed and said angrily, "Who told you to take advantage of me and talk nonsense?" He and Feng Tao are two people, he said so, isn't he secretly the man in the Peach Blossom Tribulation is himself?

The ultimate husband in Chinese chapter 6032

Uh....

Feeling Su Xueying's anger, Yue Feng didn't know whether to laugh or cry.

I just explained it according to the hexagram, how could I take advantage of you?

Thinking to himself, Yue Feng sighed: "I'm just explaining the hexagrams to you, you..." Su Xueying interrupted him before he finished speaking.

"You don't need to explain." Su Xueying said coldly, "What you just said was within two hours, right, well, if the things you said did not happen within two hours, then leave here immediately.

"Then, Su Xueying looked at the time: "Within two hours, you will still be from Taihetang, come and follow me to work in the pharmacy." After the

last word fell, Su Xueying walked quickly into the backyard.

Yue Feng smiled bitterly and followed behind.

The pharmacy is a place to store herbs. At the back of the hall, there is a large space, half the size of a basketball court. There are rows and rows of wooden shelves, all of which are sealed with herbs.

call!

Entering the pharmacy, Yue Feng saw dozens of kraft papers on the ground at the door at a glance. These kraft papers were cut into squares, and on each kraft paper, some python skins were evenly placed.

Obviously, these python skins belonged to the previous giant python.

After two days of drying, these python skins can be sealed.

At this time, Su Xueying skillfully wrapped the kraft paper, then took out the folding ladder from the door, and said to Yue Feng, "Wait, hand me these wrapped python skins."

The shelves in the pharmacy reached the roof. These pythons The medicinal value of the skin is very high, but there are not many opportunities to use it, and it can only be placed on the top of the shelf.

This chapter is provided by . Visit for daily update.

Yue Feng responded, and then couldn't help saying: "How about I come?" These shelves are so high that it is a little dangerous for her to climb the ladder alone.

However, Su Xueying didn't accept Yue Feng's good intentions at all, and said coldly, "Do whatever you want to do, why do you talk so much? You are not from Taihetang, just give me a fight."

Alright!

Seeing her attitude, Yue Feng smiled bitterly.

At this time, Su Xueying had already reached the upper level of the ladder. At this moment, from Yue Feng's point of view, she could just see the scenery under the long skirt...

"You..."

Su Xueying saw Yue Feng's gaze, and Su Xueying again Embarrassed and angry: "What are you looking at, hand me the python skin." While speaking, Su Xueying couldn't help stamping her feet.

However, she forgot that she was on the ladder now. At that time, she stepped on the ladder and even became unstable, and fell directly from the ladder.

“Ah!” Su Xueying couldn’t help exclaiming at that time.

Shit ...

Yue Feng was also taken aback. He didn’t have time to think about it, he quickly reached out his hands to catch Su Xueying, the moment his tender body fell into his arms, Yue Feng smelled a fragrance.

However, Yue Feng didn’t have time to feel it, and was then brought to the ground by the impact of inertia.

It just so happened that when Su Xueying and Yue Feng fell together, their sexy red lips were also printed on Yue Feng’s mouth.

hum!

In an instant, Su Xueying’s pupils dilated, and her mind was buzzing and blank.

This...I kissed him just now...

Yue Feng was also stunned!

Swish!

After being stunned for a few seconds, Su Xueying reacted and hurriedly got up from Yue Feng’s body, her face flushed red and she almost cried: “You bastard, you...you take advantage of me.

” I haven’t talked about my boyfriend yet, but now my first kiss has been snatched away by this bastard...

For a while, Su Xueying became more and more angry, glared at Yue Feng, and wanted to kill him.

“You’re unreasonable.” Yue Feng also recovered, stood up quickly, patted the dust on his body, looked at Su Xueying and said speechlessly: “You fell down accidentally, how can you blame me? Besides, If it wasn’t for my kindness to reach out to pick you up, I’m afraid you’ve already been injured.”

As he spoke, Yue Feng couldn’t help but recall the scene just now.

It feels good, it’s wonderful...

"I..." Su Xueying blushed and wanted to refute, but in the end she couldn't say a word.

Because what Yue Feng said was right, it wasn't him just now, and he was afraid that he had already fallen.

But... being taken advantage of by him in vain like this, it's really embarrassing.

Just when Su Xueying was getting more and more angry, Yue Feng suddenly thought of something, and a smile appeared on the corner of his mouth. Looking at Su Xueying's eyes, it also flashed with deep meaning.

The ultimate husband in Chinese chapter 6033

After realizing this, Su Xueying became even more angry: "What are you laughing at?"

Yue Feng scratched his head and said with a smile: "I suddenly remembered that hexagram, saying that you will have a peach blossom calamity within two hours. I thought it was that Li Wei, but in the end I never thought that the hexagram would end up on me."

When he said this, Yue Feng's eyes showed a bit of ambiguousness.

Swish!

Hearing this, Su Xueying's delicate face turned even redder, like a ripe apple.

Yes, what he said just now has come true. It seems that he really knows how to do divination....

Muttering in his heart, Su Xueying recalled the scene just now, and became more and more shy in her heart.

For a time, the atmosphere was very delicate.

A few seconds later, Yue Feng broke the embarrassment: "Forget it, I'll go up." After saying that, he climbed up the ladder and put the python skin on top of the shelf.

Su Xueying stood below and looked at Yue Feng silently, her mood was very complicated at this time.

This man, who first subdued the mighty Li Wei, can also do divination, which is completely different from the soft rice man he imagined. Could it be that he really misunderstood him?

"Okay!"

Just when Su Xueying was thinking secretly, Yue Feng had already put away all the python skins, clapped his hands and got off the ladder, and looked at Su Xueying with a smile: "What else is there to do." Phew

!

Facing Yue Feng's smile, Su Xueying didn't know why, but a strange feeling suddenly appeared in her heart, the rosy face that had just receded, rose again, and said in a low voice, "Someone sent a few baskets of herbs in the morning, you can take them to the backyard. Let it dry in the open space."

This chapter is provided by . Visit for daily update.

When she said this, Su Xueying was a little shy and didn't dare to look at Yue Feng at all.

okay!

Yue Feng responded and quickly walked out of the pharmacy to dry the herbs.

Looking at Yue Feng's back, Su Xueying couldn't help muttering in her heart: This man doesn't seem to be as bad as he imagined. On the contrary, he is unexpected every time.

Oops...

Just thinking about it, Su Xueying patted her face, this person is Chen Shishi's boyfriend, what is she thinking about.

.....

At this moment, on the mountain road a few miles northwest of the town, an old man slowly descended from the sky, immortal, but could not hide his tiredness.

It is Shennong.

A few hours ago, Shennong escaped from the Nalan family manor by using the 'Shape Shifting Talisman', and was chased by Gone all the way, until half an hour ago, he got rid of Gone.

After running for his life for several hours, Shennong was exhausted and could no longer walk.

Um?

At this moment, Shennong looked at the town not far away and was stunned.

How did you get here?

Shennong is no stranger to the town in front of him. Decades ago, Shennong traveled around the world. When he passed by here, he met a young man who was saving people. Shennong saw that the young man was very talented in medicine, so he gave him a few pointers.

Although decades have passed, Shennong still remembers the situation clearly. The young man said that his family practiced medicine for generations, and he opened a medical clinic in the town called Taihetang.

“Taihetang!”

After looking at it for a while, Shennong couldn't help but mutter to himself: “It seems that it is God's will. Since it's here, it's better to hide here for a while.” After speaking, he walked along the mountain road towards the town.

To be honest, Shennong didn't want to be a tortoise, but he couldn't help it. That demon guy was too strong, and he was severely injured now. Even if he returned to the secluded manor, he would be found by the other party.

The town in front of you, with its remote location, is a good place to take refuge and cultivate.

Soon, Shennong came to the door of the hall of Taihetang. It was noon, the sun was hot, and there was almost no one on the streets of the town. Otherwise, if he saw such an immortal old man, someone would definitely come. onlookers.

At the door, Shennong looked at it and walked slowly into the hall.

At this time in the hall, Su Xueying was sitting there thinking wildly. The scene of falling from the ladder in the pharmacy just now could not be shaken away for a long time.

“Excuse me!”

At this moment, Shennong came to him and said, “Is Su Zhongxian here?” Su Zhongxian, it was the name of the boy Shennong met, that is, Mr. Su.

Hearing the question, Su Xueying reacted, and she was stunned when she saw Shennong in front of her.

The ultimate husband in Chinese chapter 6034

This old man has a unique temperament.

Muttering, Su Xueying politely said: "Grandpa, you...are you looking for my grandfather?"

This old grandfather is very well-mannered. He is not a resident of the town. How could he know his grandfather?

You know, Grandpa has been practicing medicine in the town for decades, and he has basically never left the town. How can he meet friends from other places?

grandfather?

Hearing Su Xueying's name, Shennong was stunned for a while, then realized something and laughed at himself.

Decades have passed, and the boy at the time is not old.

Thinking to herself, Shennong showed a kind smile, nodded and said, "Yes!"

"Grandpa is resting in the backyard now, I'll take you there." Su Xueying didn't think much, she said, and took Shennong to the backyard.

At this time, in the backyard, Mr. Su was sitting on the reclining chair with his eyes closed.

"Grandpa!"

Before entering the backyard, Su Xueying shouted: "A friend from outside came to find you."

Suddenly being disturbed, Mr. Su was a little unhappy, opened his eyes and said, "Grandpa has never left the town, Where are the foreign friends from?" Just as she was talking, Su Xueying walked in with Shennong.

call!

At this moment, Shennong's eyes fell on Mr. Su, with a smile: "Little friend, I haven't seen you for many years, are you okay?"

This chapter is provided by . Visit for daily update.

At this moment, Mr. Su stood up tremblingly and looked at Shennong in disbelief, the whole person was stupid .

"Mr. Jiang?"

After a few seconds, Mr. Su couldn't hide his shock and said, "Is that you? Mr. Jiang?" When he spoke, Mr. Su's voice trembled, and his eyes were filled with endless reverence and joy.

The scene of encountering Shennong decades ago will never be forgotten by Mr. Su for the rest of his life.

He remembered very clearly that when he was only sixteen years old, he went up the mountain to collect herbs, and encountered a small town resident who fell from the mountain. The resident was in critical condition at the time. He was dying, and dozens of bones were broken, and his internal organs were also injured by shocks. .

At that time, Old Master Su, relying on his family's medical skills, rescued him on the spot, but the resident lost too much blood, and the situation became worse and worse. Just when he was in a state of anxiety, an old man with immortal style suddenly appeared beside him.

After his instructions, Mr. Su rescued again and finally pulled the resident back from the gate of hell.

Old Man Su admired the other party's medical skills, but unfortunately the old man just stayed for a while and left, and only told Old Man Su that his surname was Jiang.

At this time, Mr. Su never thought that after a few decades, he would be able to see this fairy-like character again.

Feeling the excitement of

the old man Su, Shennong smiled lightly: "It's me!" Shennong is also known as the Jiang Shan clan, but very few people know this nickname.

Haha....

At this moment, Mr. Su was very excited and said with a big laugh: "Mr. Jiang, decades have passed, but you still look the same." After saying that, he politely invited Shennong to the house.

Seeing this situation, Su Xueying was stunned and couldn't help saying: "Grandpa...this is..."

At this time, the old man Su was very excited, and introduced to Su Xueying: "Girl, remember Grandpa Did I ever tell you a story? That fairy-like old gentleman."

"Quick, come and salute!"

What?

Hearing this, Su Xueying was completely dumbfounded and stared at Shennong blankly, her eyes filled with incredible.

When she was very young, Su Xueying heard from her grandfather. When he was young, he met an old gentleman with superb medical skills. However, in his grandfather's account, when he met this old gentleman decades ago, the other party had already in a rare age.

And now, decades later, this old Mr. Jiang is still alive.

How old does this have to be.

After a while, Su Xueying came to her senses and bowed respectfully to Shennong: "Su Xueying has seen senior."

"No gift, no gift." Shennong raised his hand with a smile.

Having said that, Shennong looked at the environment here and was very satisfied. The place was secluded and secluded, which was very suitable for healing. Once the injury was healed, he would find a way to contact Yue Feng and tell him what happened to the Nalan family.

The ultimate husband in Chinese chapter 6035

After all, in Kyushu, there is no one who has the strength to deal with the demons except Yue Feng.

Shennong didn't know yet that Yue Feng was in this Taihe Hall.

At this time, Old Master Su, still immersed in excitement, waved at Su Xueying and said, "Go and make tea." Such a fairy-like character suddenly came, and he must be treated well.

Um!

Su Xueying responded and walked out quickly.

"Sir!"

As soon as he left, the old man Su said excitedly: "This is really like a dream. I didn't expect that the younger generation will see you again in my lifetime.

”

You must know that Mr. Su is very prestigious in the town, but at this time, in front of Shennong, he is like a child.

Shennong smiled slightly, looked at the old man Su and said, "Looking at your condition, you have also achieved good attainments in medical skills. It is very good. It did not live up to my expectations for you back then."

Hearing the praise, the old man Su had a humble expression on his face. Then he couldn't help but said: "The old gentleman suddenly visited, is there any order?"

Hu!

Shennong took a deep breath, and said a little embarrassedly: "I'm not afraid of the jokes of the little friend, the old man passed this place, and wanted to take a break in your place." After speaking, Shennong couldn't help coughing, and his face also showed a bit. weak.

Shennong was severely injured in the previous fight with Gone, and he fled all the way to the present, and he couldn't hold it anymore.

"Senior!"

This chapter is provided by . Visit for daily update.

Seeing this, Mr. Su was shocked: "You... Are you injured?"

Although Mr. Su did not know the true identity of Shennong, he was like a god in his heart.

And now, it is incredible that someone actually injured him.

Shennong nodded, but didn't want to say more, just said slowly: "Excuse me." That Nie Zhan, but a demon, has an ordinary identity fee, and the old man Su in front of him knows that, there is no benefit at all.

"Sir, you're welcome." Mr. Su is a wise man. Seeing that Shennong didn't want to say more, he didn't ask any further questions. He just said respectfully, "It's an honor for the younger generation to have you here. If you need anything, just tell me."

Shennong nodded. The head, at the time, was not polite, and named more than a dozen herbs. With these herbs, the injury can be quickly healed.

Hearing the order, Mr. Su did not dare to neglect, and went to the prescription to get the medicine in person.

call!

Seeing Mr. Su leave, Shennong breathed a sigh of relief.

I can finally breathe a sigh of relief.

....

on the other side.

At the foot of Mount Hua, Han Bing brought Nalan Wushuang and Tie Bowen to the ground slowly. Soon, at the entrance of Lu Bu's ancient tomb, Han Bing

said slowly: "This place is very hidden. You Nalan family members will not be found in a short time, so let's take a break here for a while."

This ancient tomb is more familiar with the environment here.

Um!

Hearing this, Nalan Wushuang and Tie Bowen did not hesitate and nodded in agreement.

Han Bing stopped talking nonsense and entered first, followed by Nalan Wushuang.

Soon, in a hall in the ancient tomb, the three began to rest.

"Sister Hanbing!"

At this moment, Nalan Wushuang couldn't help but said, "Thank you a moment ago. I used to treat your brother like that, I hope you don't take offense." , but Han Bing was able to help regardless of previous suspicions, which made Nalan Wushuang very grateful.

Han Bing smiled lightly: "The past is over."

After speaking, Han Bing took out two medicinal pills from her body and handed them over to Nalan Wushuang and Tie Bowen respectively: "This is Huiyuan Dan from our Emei faction, It will help to restore your strength, you should take it first."

Nalan Wushuang nodded and took the medicine pill.

Tie Bowen said gratefully: "Thank you." The voice fell, and he also took the medicine pill. Then sit cross-legged and begin to recover internal strength.

In a blink of an eye, half an hour passed.

call!

At this moment, Nalan Wushuang and Tie Bowen slowly opened their eyes and exhaled at the same time, unable to hide the ease on each other's faces.

They clearly felt that after taking Huiyuan Dan, the power of Dantian had recovered by 70 to 80%.

At this moment, Han Bing stood up slowly and asked, "What's the matter? Why did the old man Nalan pursue you? Also, you said that the old man was controlled by Nie Zhan, what is that Nie Zhan? people?"

The ultimate husband in Chinese chapter 6036

Hearing the question, Nalan Wushuang thought for a while and replied, "I don't know the origin of this Nie Zhan, the origin of this person is unknown, and I didn't know what happened to my grandfather at the time, so I agreed to let him stay. In the family, and he made an exception to accept him as a disciple..." Having

said that, Nalan Wushuang explained the situation at that time in detail.

This Nie Zhan is so mysterious?

Knowing this, Han Bing frowned.

Oops...

At this moment, Nalan Wushuang thought of something and patted his forehead: "Oh, I almost forgot about Senior Shennong, we must go back and save him.

" ...

what?

Han Bing was taken aback and looked at Nalan Wushuang in astonishment: "Senior Shennong? He... how could he be in your Nalan family?" Because of Yue Feng's relationship, Han Bing and Shennong have several ties, and they are right in their hearts. This senior is very admirable.

Nalan Wushuang hesitated for a while, then explained the situation in detail. At the end, he couldn't help but look at Tie Bowen, his face couldn't hide the shyness.

It turned out to be so.

Seeing the expressions of the two of them, Han Bing suddenly looked surprised, and was very happy for Nalan Wushuang. This unruly young lady of the Nalan family almost ruined her brother's reputation at the beginning. She thought that her bad habits would

be hard to change, but now it seems that she has completely changed for this Rakshasa man.

It's a really gratifying thing to do.

Thinking to himself, Han Bing smiled slightly and said, "Don't worry about Senior Shennong, if he wants to leave, Nie Zhan may not be able to stop him." After speaking, Han Bing

glanced at the sky outside: "The most important thing now is , is to go to Donghai City first."

This chapter is provided by . Visit for daily update.

Two days ago, news came from Donghai City that nearly 10,000 heavenly soldiers and generals in the diligent Tianjian had surrounded the Tianmen villa, and the situation was in critical condition.

call!

At this moment, Nalan Wushuang did not hesitate, took a deep breath and said, "We will accompany you." Family affairs still require Tianmen to come forward.

Han Bing nodded, and immediately rushed towards Donghai City with Nalan Wushuang.

After a four-hour flight, the three finally arrived in Donghai City.

Today's weather is not good, the fog is foggy, making people feel depressed.

Over Donghai City, Han Bing and Nalan Wushuang slowly landed at the seaside villa.

Um?

As soon as his feet landed, Han Bing frowned, feeling that something was wrong. You must know that this seaside villa is the secret hall of Tianmen, and there are usually many people patrolling nearby, but today, the surrounding of the villa is deserted, and there is no one.

At this time, Nalan Wushuang and Tie Bowen looked at each other and had a bad premonition.

Soon, Han Bing took the lead in reacting, and walked into the gate of the villa first, followed by Nalan Wushuang and Tie Bowen.

This...

In the villa, the scene in front of them made the three of them gasp in breath, and their minds were dazed!

I saw that blood was everywhere on the ground in the courtyard of the villa, and all the doors and windows of the villa were all shattered, and there were traces of fighting everywhere!

Obviously, there has been a tragic fight here.

Something happened to Tianmen?

At this moment, Nalan Wushuang's brows were knitted together, and her delicate body trembled, unable to conceal her inner consternation.

"Uncle Wen.... Uncle Great Sage..." Han Bing's heart trembled and he couldn't help shouting.

When he shouted, Han Bing's legs became weak, and he could hardly stand still. At that time, Bingbing tried hard to calm himself, walked quickly into the villa, and quickly searched.

However, to the disappointment of Han Bing, the inside and outside of the villa was almost completely destroyed, let alone people, not a single corpse was seen.

"Uncle Wen, Uncle Great Sage, where are you? I'm Han Bing..." Han Bing kept shouting, her beautiful face was full of anxiety.

Nalan Wushuang and Tie Bowen kept looking around, but the entire villa was really empty.

Done!

At this moment, Han Bing's tender body trembled and slumped on the ground: "Uncle Wen and the others... must have been taken away by the Qin Tianjian."

Hearing this, Nalan Wushuang and Tie Bowen looked at each other, both Was shocked.

Afterwards, Nalan Wushuang reacted and couldn't help but say: "Qin Tianjian? Why do they deal with Tianmen and Wendian Master?"

The ultimate husband in Chinese chapter 6037

"I don't know either!"

Han Bing shook his head: "It is said that it has something to do with my father. At that time, when I got the news from the Emei School, I quickly went down the mountain, and I met you on the way..."

This ...

Hearing this, Nalan Wushuang bit his lip tightly and lost his mind for a while.

She originally thought that after escaping from the family, she rushed to Donghai City as soon as possible to seek help from Tianmen, but she never thought that Tianmen also suffered disaster.

Tie Bowen remained calm, but couldn't help saying at this time: "Why don't we go to Qintian to investigate. If Palace Master Wen and the others are really caught, let's find a way."

"Yeah!" Han Bing took a deep breath. With a sigh, he nodded: "This is the only way to do it now." The

voice fell, and the three of Han Bing did not delay, and immediately set off for Qin Tianjian.

Two hours later, on the hillside north of Qintian Supervision, the three of Han Bing stood there quietly, looking at them from a distance, each with an extremely solemn expression.

I saw that around Tiantian Prison, there were patrolling heavenly soldiers everywhere, and the guards were heavily guarded.

Alas...

Seeing this scene, Han Bing couldn't help sighing.

At the same time, Nalan Wushuang was also extremely shocked and couldn't help saying: "This... such a defense, I'm afraid even a fly can't get in."

Tie Bowen, who was beside him, was also frowning.

Han Bing pondered for a moment, had an idea in his heart, and said slowly: "We want to go in and investigate, it's definitely not possible to break in hard, it will only kill you in vain, you can only think of other ways."

This chapter is provided by . Visit for daily update.

With that said, Han Bing glanced at the main entrance of Qintianjian, and said to Nalan Wushuang: "Wait, please two of you, attract the gods and soldiers of Qintianjian at the

main entrance. When the time is right, I will go from the other direction. , look and sneak in.”

Han Bing has been smart since he was a child, and he quickly came up with a countermeasure for the situation in front of him. Although it is a bit risky, he must try it anyway. After all, Uncle Wen and Uncle Saint are his own. relatives.

This...

Hearing this method, Nalan Wushuang hesitated, you know, there is a diligent supervisor in front of him. But in the end, he gritted his teeth and nodded: “Sister Hanbing, don’t worry, Brother Bowen and I will definitely buy you time.”

He slandered Yue Wuya before and almost ruined his reputation. This time, he risked his life to help Hanbing. , is also compensated.

After agreeing, Nalan Wushuang and Tie Bowen quickly rushed towards the main entrance of Qintian Supervision.

Frost continued to stay on the hillside, quietly waiting for an opportunity.

Swish!

When they approached the main entrance, the eyes of several divine soldiers guarding there focused on Nalan Wushuang.

“Stop.” In the next second, one of the leading magic

soldiers took a step forward and couldn’t help scolding: “Who are you? Leave quickly, this is the place of confinement, don’t get close!”

All looked wary.

call!

Hearing the scolding, Nalan Wushuang took a deep breath, a smile appeared on his delicate face, and he pretended to be calm and said: “Your Excellency, please don’t calm down, we have something important to report.”

An important thing to report?

Hearing this, several magic soldiers looked at each other, their expressions solemn. Then, a magic weapon captain walked out quickly and looked Nalan Wushuang up and down: “What’s the matter?”

“It’s like this...”

At this moment, facing the gaze of the captain of the magic weapon, Nalan Wushuang felt nervous in his heart, his palms were sweating, his mind quickly turned, and he said, "We two are Tianshan disciples. , when we passed through a small town just now, we encountered the remnants of the demon race, and at that time we desperately fled, only to escape the disaster."

Said, Nalan Wushuang's face was full of sincerity: "I implore the diligent Tianjian to quickly send troops to clear it up."

Saying these Nalan Wushuang was nervous, but he appeared sincere on the surface. To be honest, she has been unruly and willful since she was a child, and lying is almost commonplace, but this is the first time she has lied in Qin Tianjian.

Seeing her talking nonsense, Tie Bowen, who was beside her, also secretly sweated.

What? Remnants of the Demon Race...

Hearing this, whether it was the Captain of the Divine Soldier or the other Divine Soldiers around, their expressions changed.

In the next second, the captain of the magic weapon looked at Tie Bowen with a burning gaze: "Is the situation true?"

The ultimate husband in Chinese chapter 6038

"True!" Tie Bowen endured his nervousness and nodded again and again.

"You two are waiting here."

Upon hearing the answer, the captain of the divine soldier had a solemn expression on his face.

After a while, several gods walked out quickly, asked Nalan Wushuang again about the situation, and then began to discuss.

"What should I do? His Royal Highness is not in Qintianjian..."

"At this time, it is no trivial matter. In my opinion, we will immediately convene the soldiers to clear up the remnants of the Demon Race. When His Royal Highness returns, it will not be too late for us to report."

"Okay..."

After some discussion, one of the god kings looked at Nalan Wushuang and said, "You two, lead the way ahead."

Nalan Wushuang nodded quickly, feeling nervous and excited at the same time.

These gods and soldiers who are diligent in Tianjian are also too deceived. They made up their own creations, and they even believed them.

A few minutes later, several gods summoned thousands of soldiers and left Qin Tianjian. Under the leadership of Nalan Wushuang, they headed for the town dozens of miles away.

Huh...

At this moment, the ice guards on the hillside behind saw this scene and couldn't help but breathe a sigh of relief, and couldn't help but admire secretly in his heart.

This Nalan Wushuang really has a way to attract so many gods and soldiers so quickly.

With admiration in his heart, Han Bing did not hesitate at all, directly urged the figure, quickly approached the back door of Qintian Prison, and then flew in quietly.

This chapter is provided by . Visit [for](#) daily update.

Speaking of which, the luck of Bingbing and Nalan Wushuang is very good today. The God King Haotian is not in the Tiantian Supervision. Otherwise, such a simple trick of adjusting the tiger and leaving the mountain will easily be seen through.

...

At this moment, Qin Tianjian is in the prison.

Wen Chou Chou and Sun Da Sheng were all tied up with five flowers, and they all looked extremely depressed and anxious.

They have been detained for three days. For the past three days, Qin Tianjian has only detained them here without interrogation. It is precisely because of this that everyone in Wen Chou Chou feels even more uneasy.

Squeak!

At this moment, the prison door was gently pushed open, and then, a figure flashed in quickly.

Oops! Did Feng Zi also get caught?

Hearing the movement, Wen Chou Chou, Sun Dasheng and others all opened their eyes, but when they saw the person coming, they all frowned, unable to hide their disgust.

I saw the coming person wearing a gray robe, with a wretched smile on his face, and a bit of cunning in his eyes.

It is Wu Yong of the Wudang faction.

Nimal! What is this scumbag?

Seeing Wu Yong, Sun Dasheng couldn't help but curse.

Previously at the villa in Donghai City, this Wu Yong relied on the support of the diligent Tianjian, and spoke to Su Qingyan in a sloppy manner. When it was time to do it, he hid aside and became a tortoise, greedy for life and fear of death. His nature was on full display in him.

This kind of person, Sun Dasheng is the most despised.

At the same time, Wen Chou Chou, Su Qingyan and others also frowned secretly.

This Wu Yong, with a sneaky look, must be fine.

Soon, Sun Dasheng was the first to react, and said to Wu Yong: "What are you doing?" Mad, if his hands and feet were not tied, he really wanted to teach this shameless man a good lesson.

Ha ha...

In the face of Sun Dasheng's anger, Wu Yong was not angry at all, and he ignored it at the time, but went directly to Wen Chou Chou.

"Palace Master Wen!"

When he got to the front, Wu Yong squeezed out a smile and flattered at Wen Chou Chou: "Everyone is from the rivers and lakes, there is no need to meet each other, just like a bitter and bitter look."

"Before cooperated diligently . It has nothing to do with me that the Tianjian arrests you, and it has nothing to do with me. Speaking of which, you are all heroes and heroes in the rivers and lakes, but now you have ended up in such a field, I am also very sorry."

Phew...

see this picture of him On the face, Wen Chou Chou was disgusted in his heart, and he didn't give him a good face at that time, and said coldly: "What do you want to say?"

"Hehe..."

Wu Yong laughed wickedly, and lowered his voice: "Wen Palace Master really is Happy people, I will not play dumb riddles. Just now, the Tiantian supervisor mobilized a lot of troops and horses. This is a good opportunity. As long as the master of the palace is willing to pass on the secret art of the hall of longevity to me, I can quietly send it to me. Palace Master Wen let go."

The ultimate husband in Chinese chapter 6039

"Of course, I'm only responsible for guarding you here. I don't have much power. I can only let go of the Palace Master, but in any case, this is better than waiting for you to die here. Isn't it

right?"

At that time, Wu Yong looked closely at Wen Chou Chou, waiting for his response, with anticipation flashing in his eyes. You must know that moving flowers and connecting trees in the Hall of Longevity is one of the most domineering stunts on the rivers and lakes.

In particular, this kind of exercise can increase the speed of cultivation. Back then, when Wen Chou Chou was in charge of the Hall of Longevity, his strength was no more than that of a military general, but after cultivating it, he broke through Emperor Wu in just a few months.

Speaking of which, Wu Yong had coveted the secret of 'transferring flowers to join trees' as early as a few years ago, but he never had the chance, so naturally he would not miss it at this time.

At the same time, Wu Yong also kept an eye on the movement outside and was extremely cautious.

After all, this is Qin Tianjian, not Wudang. If something leaks out, he will have to peel off his skin if he doesn't die.

This shameless man.

Understanding Wu Yong's intentions, Wen Chou Chou didn't respond, but sneered, and couldn't help but curse inwardly.

For an unprincipled scum like him, he still delusionally wants to get the cheats?

Go dream.

"Palace Master Wen!"

Seeing that Wen Chou Chou didn't answer, Wu Yong was not in a hurry, and patiently persuaded: "I know you don't want to hand over the cheats, but look at your situation, the cheats are not as important as your life, but here is the Qin Tianjian, even if you have the ability to reach the sky, without my help, it is impossible to escape!"

"Besides, once you escape and find Yue Feng, you will have a chance to rescue others. Accept your fate?"

Hearing these words, Wen Chou Chou sneered.

At this moment, Su Qingyan next to him couldn't bear it any longer, and said coldly to Wu Yong: "Just a villain like you, you also want to get the secret book of the Palace of Longevity, don't be delusional."

"Oh?"

Listen When it came to Su Qingyan, Wu Yong not only was not angry, but he said with a smile, "Beauty Su looks so beautiful when she is angry."

As he spoke, Wu Yong looked Su Qingyan up and down.

It has to be said that this Su Qingyan is worthy of being the goddess of the rivers and lakes, even if she is tied up with five flowers and is so embarrassed, her aloof and elegant temperament is still fascinating.

Gudong!

After watching for a few seconds, Wu Yong couldn't help secretly swallowing his saliva.

Mad, if there were not so many people here, I would really like to enjoy the tenderness of this beautiful Su Da beauty right away.

Feeling Wu Yong's gaze, Su Qingyan was ashamed and angry.

At this time, Sun Dasheng couldn't bear it anymore, and cursed at Wu Yong: "Wu Yong, even a villain like you is worthy of negotiating conditions with Brother Wen? Go out and pee and take care of yourself, you are qualified to study in the Hall of Longevity. Town faction cheats?"

Mad!

Hearing Sun Dasheng's scolding, Wu Yong's face changed and his face flushed with anger.

This Sun Dasheng is really looking for death, he is already a prisoner, and he dares to be so arrogant.

The more Wu Yong thought about it, the more angry he became. He wanted to go over and teach Sun Dasheng a lesson, but he finally held back. The purpose of today is to get the secret book of moving flowers and connecting trees, and the others can be tolerated.

Wu Yong thought about it, and after he got the secret book, he would torture Sun Dasheng.

After making up his mind, Wu Yong took a deep breath, calmed down, and smiled at Wen Chou Chou: "Palace Master Wen, you are a smart person, you only have one chance, you have to think about it."

Phew!

At this moment, Wen Chou Chou took a deep breath, and without looking at Wu Yong, he said coldly, "Go away, I, Wen Chou Chou, act upright and aboveboard, and will never do such shameless deeds with a villain like you."

A villain like Wu Yong, Wen Chou Chou is too lazy to say a word.

Wen Chou Chou knew very well in his heart that Wu Yong said he was beautiful on the surface, but he was not trustworthy at all.

More importantly, moving flowers and connecting trees is the secret of the Hall of Longevity. Even if he dies, he cannot pass it on to outsiders, let alone a shameless villain like Wu Yong.

"Okay, very good!"

Hearing this, Wu Yong's face flushed red. At that time, the dog jumped off the wall in a hurry, and said fiercely: "Well, you are ugly and ugly, you are very principled, right? I don't believe it." The

voice fell . , Wu Yong took out his long sword and directly touched Wen Chou Chou's heart: "If you don't hand over the secret book, I will give you a cold heart."

When the last word fell, Wu Yong's eyes were full of killing intent.

The ultimate husband in Chinese chapter 6040

Swish!

Seeing this scene, whether it was Su Qingyan or the other people around, their expressions changed, and they couldn't help worrying about Wen Chou Chou.

This Wu Yong is a complete scum, and annoys him, afraid that he can do anything. If Wen Chou Chou doesn't hand over the flowers and join the trees, I'm afraid he will really kill.

"Cao Nima!" At this time, Sun Dasheng was also extremely frightened and couldn't help howling: "Wu Yong, let go of Brother Wen, something is coming at me."

"If I frowned, I'll give you my surname in the future."

Hearing the scolding, Wu Yong sneered: "Sun Dasheng, don't make a fuss, wait until I have finished chatting with Palace Master Wen, and then I'll play with you."

After that, Wu Yong's eyes fell on him again. On Wen Chou Chou's body: "Wen Chou Chou, you still need a cheat book, you choose one." When the voice fell, the tip of the sword pushed forward a little, instantly piercing Wen Chou Chou's heart and skin, and blood seeped out instantly.

However, Wen Chou Chou's expression remained the same, and he did not panic at all.

Looking at the blood oozing out of his heart, Wen Chou Chou looked indifferent, looked at Wu Yong and said, "I have been around for decades, and I have already lived enough. If you are really brave, you will kill me with one sword. If you want the secret book, there is no door."

After saying that, Wen Chou Chou glanced outside the cell and continued: "I'm afraid that you will end up with nothing in the bamboo basket and kill me without getting the secret book, and you will be held accountable by the Qin Tianjian in the end."

Wen Chou Chou knew very well that Wu Yong didn't dare to do anything at all, after all, this is not the Wudang faction, but the Diligent Tianjian.

This shameless scum will only scare and scare people. If he really wants to do it, he will not dare to borrow his two courage.

Mad!

Seeing Wen Chou Chou's attitude, Wu Yong couldn't tell how depressed he was.

As expected of Wen Chou Chou, his own thoughts were actually guessed clearly by him. If he left like this, it would be too embarrassing. No, he must find some face.

This chapter is provided by . Visit [for daily update.](#)

Muttering in his heart, Wu Yong tilted his head to see Su Qingyan not far away, and immediately came up with a plan.

“It’s amazing.” In the

next second, Wu Yong resisted his anger, showed a smile, and clapped his hands at Wen Chou Chou: “Palace Master Wen is indeed a hero of the Jianghu generation. Such courage really makes me humble. You are right, This is the prison of Qin Tianjian, I have ten courage, and I don’t dare to do anything to you. But...”

After speaking, Wu Yong paused deliberately, and looked at Su Qingyan: “I touch the beautiful lady Su. , it should still be fine, I don’t know, what is more important than the innocence of your brother and woman?”

Shuh!

Hearing this, Wen Chou Chou’s face changed and he said angrily: “What did you say?”

Wu Yong smiled evilly, walked straight to Su Qingyan, admired it up close, and replied, “Palace Master Wen, I have already It’s so clear, do you need to repeat it?” The

voice fell, Wu Yong leaned forward, sniffed Su Qingyan’s body, and his face was intoxicated: “It’s really fragrant!”

“Go away!” Su Qingyan’s tender body trembled. , Unable to hide the disgust on the beautiful face, he shouted tenderly: “Stay away from me!”

At the same time, Sun Dasheng couldn’t help shouting angrily: “Wu Yong, you shameless scum, stay away from my sister-in-law, Ma De, if you dare to touch her, Lao Tzu will surely smash you to ashes.”

Shua!

At this moment, Wen Chou Chou’s eyes were also extremely blood red, and he said coldly: “Wu Yong, you are courting death!” Wen Chou Chou originally didn’t want to talk nonsense, but when he saw Wu Yong’s insidiousness, he immediately became angry.

This bastard, his tricks can’t be successful, and he even wants to use Su Qingyan to threaten him, which is extremely shameless.

“Go to Nima!”

Hearing the angry shout, Wu Yong’s face was grim, his figure flashed and he rushed over quickly, and slapped Wen Chouchou’s face with a slap: “I’m a prisoner under the steps, and you want to threaten me? You have What strength?”

With this slap, Wu Yong used all his strength, Wen Chou Chou trembled, and a bright red slap print immediately appeared on his face.

Swish!

Seeing this scene, both Sun Dasheng, Su Qingyan and the others were extremely angry.

However, Wu Yong still felt that it was not enough, and slapped Wen Chou Chou again: "You care about the fame of Su Da beauty, don't you, then I will deal with her in front of you."
