

The ultimate husband in Chinese chapter 6071-6080

What?

Seeing this scene, whether it was Father Ma and the others, or those sand thieves, they all stood on the spot.

Especially those sand thieves, looking at Yue Wuya one by one, their eyes are full of astonishment, they just feel chills down their spines... Who is this person? The strength is so terrifying.

Facing the gazes of everyone, Yue Wuya stood proudly, the breath all over his body was suffocating.

Silence...

deathly silence, you can hear a pin drop.

At this time, Father Ma's mood was very complicated. Looking at Yue Wuya, he was shocked and delighted. He thought he was just a kid walking around in the rivers and lakes, but he never expected to be a master of hiding.

This time, I am not afraid of losing my life, and the goods are also saved.

"I'm asking you!"

At this moment, Yue Wuya looked at the sand thieves in front of him, and asked coldly, "What did you say about the big leader who wants to marry the princess of the sea shark, is it true or false?"

His tone was cold and unquestionable.

call!

Feeling Yue Wuya's threatening aura, all the sand thieves looked at each other, their faces could not hide their fear, but soon, one of the sand thieves took a step forward and shouted at Yue Wuya: "Good boy, the person who dares to move our Flying Eagle Castle, brothers, abolish him." The

voice fell, the sand thief shouted, and he took the lead in waving a long knife and charged towards Yue Wuya.

Wow....

This chapter is provided by . Visit for daily update.

At this time, the other sand thieves also recovered, raised their long knives one after another, and followed closely behind.

In their hearts, Yue Wuya killed their comrades with one move just now, but it was only by surprise.

However, these sand thieves muttered about Yue Wuya's strength.

"Looking for death!"

Seeing the sand thieves rushing up, Yue Wuya spit out two words coldly, his figure burst out, and he directly attacked them, fighting fiercely with these sand thieves.

Huh...

Seeing this situation, Father Ma and the others were so frightened that they all backed away, for fear of being accidentally injured.

Xiaoqing hid behind Father Ma and was nervous, but he did not forget to shout at Yue Wuya: "Big brother, be careful, be careful..."

Hearing Xiaoqing's shout, Yue Wuya slightly He smiled, indicating not to worry.

Bang bang bang...

I saw that Yue Wuya was like a tiger entering a flock of sheep, and his figure was constantly shuttling among these sand thieves. Every time he made a shot, a sand thief must fall.

In less than half a minute, dozens of pirates all fell into a pool of blood and lost their breath.

It 's amazing...

Seeing this situation, everyone in Father Ma was completely dumbfounded.

Just when everyone was shocked, Yue Wuya slowly walked over and smiled at Father Ma: "Father Ma, don't be nervous, I'm not a bad person, these sand thieves have been dealt with by me, take advantage of their accomplices. If you haven't come, you should pack up the goods and leave, the sooner the better."

"Okay!" Father Ma nodded in shock, then called everyone to pack up quickly.

At this moment, Xiaoqing took Yue Wuya's arm: "Big brother, won't you come with us?"

Huh!

Yue Wuya took a deep breath, glanced at the bright moon above his head, and said firmly: "I'm going to Fly Eagle Castle to save my future wife."

Future wife?

Hearing this, Father Ma and the others who were busy were stunned for a moment, and then they all looked at Yue Wuya.

The princess of the sea shark clan, is his future wife? Then he...

In doubt, Father Ma couldn't help but ask: "Little brother, who are you?"

"Tianmen, Yue Wuya!"

Yue Wuya solemnly responded with a few words, and then touched it. Xiaoqing's head, the figure rose to the sky, and disappeared from everyone's sight in the blink of an eye.

.....

At this moment, in the Great Hall of Eagle Castle.

It was already late at night, but the hall was brightly lit and a lively scene.

In the main hall, the leaders of Flying Eagle Castle sat in order, all with smiles on their faces.

Yan Fei sat on the seat with a smile on his face.

People are in good spirits on happy occasions, and the day after tomorrow, they will marry the princess of the sea shark clan. Yan Fei is very happy. Tonight, he specially set up a banquet to celebrate with his subordinates in advance.

At this time, the big and small leaders present stood up and toasted Yan Fei.

"Congratulations to the big leader, you will soon bring the beauty back."

The ultimate husband in Chinese chapter 6072

"Haha, the princess of the sea shark family is as beautiful as a god, and the big leader is really a blessing .

"

When it came, Yan Fei was in a very comfortable mood, raised his glass and laughed: "Okay, okay, I won't be drunk tonight, haha..."

Om!

However, at this moment, there was a sudden aura from outside the hall.

Immediately afterwards, a roar resounded through the night sky: "Flying Eagle Castle, everyone, get out." The

roar shook the world, and the big and small leaders in the hall couldn't help but tremble in their hearts, and at the same time, they were all terrified.

Who is so bold and dare to come to Feiyingbao to make trouble...

Yan Fei also frowned tightly. He didn't have time to think about it, and strode out.

Dozens of leaders followed suit.

Um?

When I got outside, seeing the scene in front of me, whether it was Yan Fei, or the big and small leaders present, and all the sand thieves in Feiying Castle, they were all stunned.

I saw a man quietly suspended in the night sky, with knife-like facial features, extremely cold.

It was Yue Wuya!

At this time, Yue Wuya had a cold and stern expression, and looked around the entire Flying Eagle Castle, but did not see Hai Linger's figure, and suddenly a trace of anxiety rose in his heart.

This chapter is provided by . Visit for daily update.

Linger is not here, has something happened?

At this time, Yue Wuya did not know that Hai Linger was locked up by Yan Fei at this time, and her life was not in danger for the time being.

Finally, Yan Fei was the first to react and looked up at Yue Wuya: "Who are you? Dare to break into my Flying Eagle Castle alone, you are not too timid."

"I am the Lord of Heaven's Gate, Yue! Wu! Ya! "

Yue Wuya spit out a few words coldly, his eyes locked on Yan Fei: "You are the leader of this gang of sand thieves? Hurry up and hand over Linger, or I will bloody your Feiying Castle."

What?

Hearing this, Yan Fei was shocked and looked at Yue Wuya closely.

Is he Yue Feng's son? The current Lord of Tianmen, Yue Wuya?

Whoa!

At the same time, the entire Flying Eagle Castle was in an uproar.

"Let's go, he is Tianmen Sect Master Yue Wuya?"

"No wonder he has such a strong aura."

These sand thieves from Flying Eagle Fort have always been active in the desert next door to the nearby area, and rarely do activities in the mainland, but Tianmen's The big name is like thunder.

After all, Yue Wuya has taken over Tianmen for many years, and his reputation has spread all over the continent of Kyushu. Who doesn't know him?

Yue Wuya?

At this time, Yan Fei held Yue Wuya tightly, and a sneer appeared on the corner of his mouth: "Who am I, it turns out that the Tianmen sect master has arrived, Yue Wuya, you are really arrogant, you are only one person, you dare to threaten to wash me with blood. Eagle Castle?"

With that, Yan Fei's mouth twitched into a hint of abuse, and continued: "Yes, your woman was caught by me, but I can't give it to you, because she will marry me the day after tomorrow and become Eagle Castle. Mrs. Yazhai."

Shuh!

Hearing these words, Yue Wuya's eyes were extremely blood red, and his body was filled with suffocating anger, surging with anger!

"You, look, die!" In the next second, Yue Wuya spit out three words coldly.

"Haha!"

Feeling Yue Wuya's anger, Yan Fei didn't panic at all, and said lightly: "I'm very angry, right? I'm not afraid to tell you, my name is Yan Fei, I used to be a disciple of Wangyougu, when your father suppressed us Wangyou Gu, the disciples of our Wangyougu, escaped and scattered, my master couldn't bear the pain of being displaced and died on the way."

“I will settle this account with Yue Feng sooner or later, but I didn’t expect that he would My son’s confidante, fell into my hands so soon...”

“This is God’s will, I not only want to get your woman, but tonight I will cut off your head and send it to the main altar of Tianmen. Yue Feng killed it. My master, I also let him experience the pain of losing a loved one.”

At the end of his speech, Yan Fei’s face was grim.

Speaking of which, when he first learned that the other party was Yue Wuya, Yan Fei was a little apprehensive, but he soon realized that Yue Wuya was tired and weak in his body.

In this case, Yan Fei had no more worries.

Swish!

Hearing this prosperity, Yue Wuya’s face changed: “So, you are a slippery fish in Wangyou Valley.” During the

speech, Yue Wuya’s heart became more angry.

Yue Wuya was very clear about Su Qingyan’s loss of memory in Wangyougu back then. It can be said that Wangyougu was finally destroyed, and it was entirely his own fault.

The ultimate husband in Chinese chapter 6073

I just never thought that in this Gobi desert, there is a remnant of Wangyou Valley.

Feeling the change in Yue Wuya’s face, Yan Fei sneered: “Whatever you call it, whether it’s a remnant or a scum, in short, you don’t want to leave alive tonight.”

“Really?”

Yue Wuya said coldly, A powerful aura burst out, and in an instant, the surrounding air suddenly distorted.

“Yue Wuya!” Yan Fei didn’t panic at all, and said coldly: “If it were normal, I might be afraid of you three points, but your strength has not fully recovered now, and I don’t need to come out of the Eagle Castle, I can take you out of the nest. Beheaded.”

Hearing this, the surrounding leaders, who were originally a little afraid, were inexplicably excited at this time.

It turns out that this Yue Wuya has not regained his strength...

“Big leader!” In the

next second, a burly man came out and said to Yan Fei: “A mere Yue Wuya, don’t bother the big leader to do it himself, Let me take him down.”

This burly man is called Kou Tianhu, the most powerful general under Yan Fei’s command, known as the flying tiger in the desert.

“Yue Wuya!”

At this time, Kou Tianhu looked directly at Yue Wuya and shouted, “Don’t be arrogant here, I will meet you when I come.” The voice fell, and the whole person rose into the sky like a cannonball, heading straight for Yue Wuya. Came endlessly.

call!

At the moment when people were in the air, Kou Tianhu roared and punched Yue Wuya in the face.

This chapter is provided by . Visit for daily update.

The punch was powerful and powerful, and the surrounding air roared.

However, Yue Wuya was suspended there, his face was indifferent, and he didn’t mean to dodge at all.

boom!

In the blink of an eye, the fists of the two collided fiercely, and Kou Tianhu groaned.

The moment he hit the ground, Kou Tianhu

staggered back a dozen steps before he stabilized his figure, his face flushed red at that time, and his heart was even more shocked.

Ma De, this Yue Wuya is worthy of being the Lord of the Heavenly Sect, his strength has not completely recovered, but he is still able to confront him head-on.

Pfft ...

In shock, Kou Tianhu’s face showed a hint of pain, and then a mouthful of blood spurted out, indescribably sluggish and weak.

Yes, that palm just now, Yue Wuya hurt Kou Tianhu’s heart.

What?

Seeing this scene, the other leaders present couldn't help gasping for breath, staring at Yue Wuya in midair, speechless for a while!

This Yue Wuya looks so weak, but he can still hurt Kou Tianhu with one move... Although Yue Wuya is the sect

master of Tianmen, his strength is strong. But Kou Tianhu is not weak. He is known as the flying tiger in the desert. Three years ago, Mingjian Villa sent someone to escort a sword to the Rakshasa tribe, but he was intercepted by Feiying Castle on the way. Nearly 100 elite disciples of Mingjian Mountain Villa were all beheaded, and their name was shocking for a while.

At this time, he was injured by Yue Wuya's punch...

This... How strong is Yue Wuya's strength?

"A bunch of rabble!"

Just when everyone was secretly shocked, Yue Wuya looked around indifferently, and finally looked at Yan Fei: "With this little strength, you dare to fight with me, but it's self-disgrace, Yan Fei is Well, I will give you one last chance, hand over Linger immediately, and then disband Flying Eagle Castle, maybe I can save your life."

There is no doubt about the words.

Mad!

At this moment, Yan Fei's face was extremely gloomy. Flying Eagle Castle had dominated the desert for several years and had a great reputation. At this moment, in Yue Wuya's mouth, it was so unbearable, it was a great shame.

In anger, Yan Fei was too lazy to talk nonsense, and pointed at Yue Wuya and shouted: "Everyone in Feiying Fort obeys the order and immediately kills Yue Wuya." Who to reward..."

Yan Fei's eyes flashed with madness when he shouted the last sentence.

When Yue Feng asked Wangyougu for advice, he wandered around like a lost dog, and finally had to live in this uninhabited place, but now, Yue Feng's son came to the door again...

The same thing can never happen again. , this time, no matter what, I will kill Yue Wuya and wash away the shame of Wangyougu's destruction.

The ultimate husband in Chinese chapter 6074

But after shouting these words, Yan Fei didn't make a move, but stepped aside and watched the situation quietly. He thought about it, let these men consume Yue Wuya's strength first, and wait for the right opportunity to make a sneak attack .

“Kill!”

“Let's go together!”

Hearing these shouts, many sand thieves in the entire Flying Eagle Fort screamed as if they had been beaten with blood, and rushed towards Yue Wuya!

They also knew in their hearts that Yue Wuya was not weak, but with so many of them, taking turns in battle would also consume him.

Flying Eagle Castle has been entrenched here for several years, and all of them are not general, so these sand thieves are not weak.

Huh...

Seeing the sand thieves rushing up, Yue Wuya didn't panic at all, with a look of contempt on his face, and said coldly: “You people, murdering people, committing all kinds of evil, today I will do the right thing for heaven.” The

voice fell, Yue Wuya's whole body burst out, and suddenly raised his hands!

“Death to all, the flames!” The

cold words came out of Yue Wuya's mouth. The moment the words fell, the temperature of the whole body suddenly increased. swept away.

The Flame Venerable Master is the unique teaching of the Ming Sect of the Diyuang Continent.

In those days, Yue Wuya worshipped Lu Jiechen of Mingjiao as his teacher, and got his true inheritance. Later, Lu Jiechen and Mingjiao were destroyed one after another, but these unique skills were passed down on Yue Wuya.

“Ah!”

In an instant, the flames erupted in the crowd. Under the terrifying flames, dozens of sand thieves screamed incessantly and fell from the air one by one. After landing, they were burned to death.

This chapter is provided by . Visit for daily update.

hiss!

Seeing this scene, both Yan Fei and the leaders were shocked.

This kid is too strong.

With so many people, they couldn't even stop him!

In shock, Yan Fei forcibly calmed down, and shouted at the surrounding subordinates: "Don't panic, he is alone."

Hearing this, everyone hesitated and rushed towards Yue Wuya again.

Seeing this situation, Yue Wuya's eyes were full of contempt, he locked Yan Fei tightly, and said word by word: "I have given you a chance, since you are obsessed, then you can't blame me."

Om!

The voice fell, and a terrifying aura erupted from Yue Wuya's body again. In an instant, the surrounding air seemed to be stagnant.

The terrifying aura suppressed everyone present and panicked!

"Kacha!"

Immediately after, Yue Wuya raised his hand and waved, accompanied by a crisp sound, a pair of giant hammers appeared in Yue Wuya's hands.

It is the Overlord Hammer!

As soon as the Overlord Hammer came out, the surrounding temperature suddenly dropped a lot, and there was a bloodthirsty aura in the air.

call!

Feeling the power of the Overlord's Hammer, all the sand thieves present couldn't help but gasp.

"This is the magic weapon of Megatron, the Overlord Hammer?"

"As expected of a magic weapon, this power is too terrifying."

Feeling the fear of everyone, Yan Fei suddenly became anxious and shouted: "What are you all panicking about? His strength hasn't fully recovered, he's just a tiger with lost teeth, let's go together and kill him..."

Hearing these words, everyone looked at each other, and then rushed up.

“Get out of here...”

Seeing this situation, Yue Wuya shouted angrily, and with a sudden wave of the Overlord Hammer in his hand, he saw a golden beam tearing apart the world and heading straight for the crowd.

Boom...

In the blink of an eye, Jin Mang exploded in the crowd, and a scream was heard. At that time, dozens of sand thieves fell in a pool of blood and passed out.

Speaking of which, if Yue Wuya was at his peak and used the Overlord Hammer, the sand thieves present would not be able to escape, but his strength had not fully recovered. Can knock these sand thieves unconscious.

So strong...

Even so, the rest of the sand thieves were secretly shocked and wanted to retreat.

At this time, Yan Fei shouted again: “Don’t be afraid, brothers, although his Overlord Hammer is powerful, it consumes a lot of internal strength. He is already at the end of his force. At this time, he must be full of energy.”

Wow!

Under Yan Fei’s clamor, the remaining sand thieves regained their morale and quickly surrounded Yue Wuya.

The ultimate husband in Chinese chapter 6075

Yue Wuya is too lazy to talk nonsense, wielding the Overlord Hammer and fighting with everyone. As Yan Fei said, his strength has not fully recovered at this time, and the Overlord Hammer consumes a lot of internal strength. After a while, Yue Wuya’s movements become slower a lot.

Haha... the opportunity came.

Seeing this situation, Yan Fei, who had been waiting for the opportunity, suddenly showed a smile and was very excited.

“Yue Wuya, die!” In the

next second, Yan Fei shouted, flew up, and rushed straight towards Yue Wuya!

hum!

When it was almost mid-air, Yan Fei burst out with all his strength. I saw a black light flashing around him, and then, a huge black bear condensed.

I saw that this black bear was more than ten meters high. Although it came out of illusion, it was lifelike, and its eyes were extremely blood red, which was shocking.

What Yan Fei performed was one of Wangyougu's unique skills, the Tyrant Profound Beast Art.

When the black bear appeared, the air in the entire Flying Eagle Fort was completely twisted, and everyone present felt that they were enveloped by a bloodthirsty aura.

Swish!

Seeing Yan Fei sneak attack from behind, Yue Wuya's pupils shrank and his eyes were extremely blood red.

This Wangyougu remnant is really despicable and shameless. I haven't made a move just now, just waiting for a surprise attack.

"Yue Wuya!"

At this moment, Yan Fei's face was full of hideousness, and he shouted: "If you want to destroy Feiyang Castle, I'm afraid you don't have the ability, go to die!" The

This chapter is provided by . Visit [for](#) daily update.

voice fell, and the black bear transformed into a roar, Instantly rushed towards Yue Wuya, raised a huge bear paw, and slapped it fiercely on the top of Yue Wuya's head.

Whoa!

Seeing this scene, the sand thieves below were all excited.

"The big leader is mighty..."

"The big leader has made a killing move, this Yue Wuya will definitely die."

"Yeah, the big leader's timing is too good." During the

discussion, everyone looked at Yue Wuya's eyes, all of them. There is a trace of pride, strong strength, what if there is a magic weapon, and finally died at the hands of the big leader?

call!

At this moment, Yue Feng looked at the huge black bear that erupted above his head, his face was not panic at all, and he sneered contemptuously: "Evil is invincible, you think that you can kill me by transforming a beast, you are too naive.

" Falling down, Yue Wuya injected his inner strength into the Overlord's Hammer to meet the black bear.

"Boom!" In the

blink of an eye, the huge figures of Yue Wuya and the black bear collided fiercely in mid-air, and they saw that the golden light of the Overlord's Hammer was as dazzling as the scorching sun. The figure was instantly defeated and disappeared without a trace.

For so many years, Yue Wuya has devoted himself to comprehending the power of the Overlord Hammer, and he has already mastered it. At this time, even if his internal strength is severely depleted, he can easily defeat the black bear with the power of the Overlord Hammer.

After all, the black bear was just transformed by Yan Fei, and the Overlord's Hammer was a real weapon.

What?

Seeing that the black bear was defeated, Yan Fei opened his mouth wide, trembling all over, and his mind went blank.

This...

At the same time, all the sand thieves present were dumbfounded, looking at Yue Wuya in a dazed way, filled with shock.

The power of the Overlord's Hammer was so terrifying that the black bear transformed by the big leader was defeated in one move.

"Yan Fei!"

At this time, Yue Wuya hovered in the air and looked at Yan Fei condescendingly: "In those days, when you Wangyougu was annihilated, it was fate and destiny, and today, Flying Eagle Castle will have the same ending. Doing a lot of injustice will kill oneself, this is the eternal truth."

Phew...

Hearing these heart-punching words, Yan Fei's face suddenly changed, and his anger rose.

"Yue Wuya." In the

next second, Yan Fei locked on Yue Wuya, and said coldly: "Don't be proud, the rivers and lakes are not the rivers and lakes of your Tianmen, and this world is not the world of your surname Yue." The

last word Falling down, Yan Fei roared and greeted his men, and continued to besiege Yue Wuya.

At this time, Yan Fei was completely irrational. He grew up in Wangyou Valley since he was a child, and regarded it as his home completely, but he was killed by Yue Feng. Ya came to the door.

Thinking of Master's death again, Yan Fei's eyes were blood red, and he was completely mad. He cooperated with his men, and every move was extremely ruthless, and went straight to Yue Wuya's key point.

The ultimate husband in Chinese chapter 6076

However, Yue Wuya, relying on the power of the Overlord Hammer, can save danger every time.

Faced with this situation, Yan Fei was very angry, and finally shouted at Kou Tianhu, who was healing below: "Kou Tianhu, go and bring that woman out .

"

The room at the back, after a while, walked out with Hai Linger.

Linger!

At this moment, seeing Hai Ling'er, Yue Wuya was shocked, surprised and happy.

He saw that Hai Ling'er's delicate face was a bit pale, and her breath was weak, but her clothes were neat and she should not have been humiliated. When she noticed this, Yue Wuya felt a lot at ease.

"Yue Wuya!"

At this moment, Yan Fei took the opportunity to rush down, clasped Hai Ling'er's neck with one hand, his face was gloomy, and said coldly to Yue Wuya: "Stop immediately and capture it, otherwise, I will call her Fragrance disappears jade damage..."

When he said this, Yan Fei's eyes flashed with madness.

To be honest, Yan Fei, as the leader of Flying Eagle Castle, holds his own identity, and Shanghai Linger is so beautiful and beautiful, he didn't want to use such despicable means to destroy flowers.

However, he never thought that Yue Wuya's internal energy consumption was so serious, but he could still use the power of the Overlord's Hammer to turn the entire Flying Eagle Castle upside down.

Swish!

Seeing this scene, Yue Wuya's eyes were instantly blood red, and he couldn't help roaring: "Yan Fei, if you dare to slam her, I will tell you to die without a place to be buried." When the

last sentence was shouted, Yue Wuya shouted. His voice was completely hoarse.

This chapter is provided by . Visit for daily update.

At this time, Yue Wuya could clearly see that Yan Fei's hand was clasped at Hai Linger's neck. As long as she used her internal force, Linger would die.

Seeing this, Yue Wuya was completely angry.

Burning with anger!

After many twists and turns, he and Linger finally came together. At this moment, seeing her being used as a threat by Yan Fei, my heart tingled.

Huh....

at this moment, seeing Yue Wuya in mid-air, Hai Ling'er was also trembling, with unspeakable joy and worry.

She clearly felt that Yue Wuya was holding the Overlord's Hammer, and he looked majestic, but his face was pale, and he couldn't hide his weakness.

"Brother Wuya!"

Worried, Hai Linger couldn't help shouting: "Go away, don't worry about me, go away."

When she was caught at Flying Eagle Castle, Hai Linger was very desperate, thinking that I will never see Yue Wuya in my life, and seeing him at this time is really overjoyed.

But the situation at hand was too unfavorable, so he could only hold back his emotions and let Yue Wuya leave.

Hailinger Bingxue is smart, he can see that Yan Fei can't catch Yue Wuya, and he won't do anything to himself for the time being.

"No!"

Hearing this, Yue Wuya shook his head, his eyes blood red: "Linger, what are you talking about? If I don't save you, I won't leave."

Hai Linger suddenly panicked. : "Brother Wuya, don't be impulsive..."

Before he finished speaking, Yan Fei next to him couldn't help laughing, and looked at Yue Wuya playfully and said: "Tsk tsk, the two are really in love. Deep righteousness is important, but it is a pity that the heavens did not fulfill the wishes of the people."

Afterwards, Yan Fei looked back at Hai Ling'er, hehe smiled and said, "Since God sent you to me, it proves that we are destined, what is good about Yue Wuya? As the master of Tianmen, is he not a lost dog now? "

Follow me and keep you happy for a lifetime, haha, come to incense one..."

Yan Fei said more and more excited, and finally put his mouth up slowly...

"Bah!"

Seeing Yan Fei getting closer and closer, Hai Linger was so ashamed and angry that at that time, her hands were tied and she couldn't break free, so she spat fiercely on Yan Fei's face.

"Shameless, you are the ugly mouse in this desert, and Brother Wuya is an eagle." After spitting, Hai Linger said coldly, "You are also worthy of being compared with Brother Wuya?"

"It's so shameless for Brother Wuya to take advantage of me.

Swish!

Hearing these words, Yan Fei's face was hideous, and he only felt that he had been greatly humiliated and burned with anger.

Snapped!

In the next second, Yan Fei suddenly raised his hand and slapped Hai Linger fiercely: "I don't know how to lift up, I really take myself seriously, and tell you, in the eyes of

others, you are a sea shark who is high above the sea. Clan princess, but in my eyes, she is a female captive.”

The ultimate husband in Chinese chapter 6077

After being slapped, Hai Linger let out a low cry, but her delicate face showed no fear.

“Fuck you ma.”

Seeing this scene, Yue Wuya went crazy, his eyes were blood red and he howled at Yan Fei: “Yan Fei, you are a man if you attack an unarmed woman. Is there a one-on-one with me? Come on...”

Seeing the five fingerprints on Hai Ling'er's face, Yue Wuya only felt that his heart was broken. At that time, he was about to rush over, but he was stopped by countless sand thieves in front of him, so he couldn't rush forward at all.

“Haha!”

Hearing Yue Wuya's clamor, Yan Fei sneered: “One-on-one with you? Yue Wuya, are you mentally ill? On my territory, what qualifications do you have to negotiate with me?”

The last word fell, and Yan Fei waved his hand.

Hai Linger guessed right, Yan Fei never thought of killing her, so he did this just to distract Yue Wuya.

Wow.... After

Yan Fei's signal, countless sand thieves regained their strength and rushed towards Yue Wuya.

Seeing this situation, Yue Wuya held the Overlord Hammer tightly and fought with everyone again, but he was always thinking about Hai Linger, so it was inevitable that he would be distracted.

Soon, Kou Tianhu, who was waiting for an opportunity, roared when he found an opportunity, and slapped Yue Wuya's back with a palm.

“Brother Wuya, be careful!”

Seeing this scene, Hai Ling'er's delicate body trembled, and she couldn't help exclaiming.

Feeling Kou Tianhu's surprise attack from behind, Yue Wuya's expression changed. He wanted to dodge at that time, but it was too late to use up too much power!

This chapter is provided by . Visit for daily update.

boom!

The next second, Kou Tianhu slapped Yue Wuya with a palm, and a dull sound erupted.

This palm contained his ten successes, and when he heard Yue Wuya groan, his figure fell directly and smashed onto the platform in front of the main hall.

puff!

After landing, Yue Wuya staggered to his feet, his face was pale, and he spat out a mouthful of blood.

Yue Wuya endured the severe pain, looked around coldly, and finally his eyes fell on Hai Linger, feeling extremely uncomfortable.

Could it be... is it really impossible to rescue Ling'er?

At this time, Yue Wuya clearly felt that his dantian was injured by Kou Tianhu's palm. Although it was not very serious, in this situation, it would be difficult to rescue Hai Linger.

"Okay..."

Seeing this scene, Yan Fei was extremely excited, and praised Kou Tianhu: "This palm is good, kill him quickly, kill Yue Wuya, this leader will definitely reward him!"

"Yes, Great leader!"

Hearing this, Kou Tianhu and the surrounding sand thieves responded in unison, then rushed towards Yue Wuya.

"Want to kill me? Come on, come on..." At this time, Yue Wuya, under the heavy damage, completely lost his mind. At that time, he screamed desperately, holding the Overlord's Hammer tightly, and went straight to meet him.

Thinking that Hai Ling'er fell into the hands of the other party, and her innocence would be tainted at any time, Yue Wuya almost went crazy.

However...

there are too many sand thieves in Flying Eagle Castle, and Yue Wuya was injured again. After a few rounds, Yue Wuya's speed became slower and slower.

Puchi puchi...

Soon, Kou Tianhu and several sand thieves found an opportunity, and the long knives slashed at Yue Wuya.

In an instant, blood swarmed out, almost dyeing Yue Wuya's whole body red.

"Brother Wu Ya!"

Seeing this scene, Hai Ling'er was heartbroken to the extreme, she couldn't help but exclaimed, tears streaming down her face: "You go, let's go, leave me alone..."

Hai Ling'er said no . Stop crying, tears like broken pearls, can't stop at all.

Seriously, Hai Linger and Yue Wuya have gone through so many things over the years, and they have long since looked down on everything, even if they die, they will die together, but at this moment, Yue Wuya is covered in blood, Hai Linger I really can't bear to watch it any more, let alone see him die.

After all, there is hope for survival.

call!

Listening to Hai Linger's cries over and over again, Yue Wuya's mind suddenly became clearer, and then turned to look at Hai Linger with a smile: "Linger, I'm really useless..."

Before he finished speaking, Kou Tianhu rushed up quickly and shouted: "It's long-winded, go to hell." During the shouting, Kou Tianhu slapped Yue Wuya's back with a palm.

The ultimate husband in Chinese chapter 6078

With a dull sound, Yue Wuya's whole body was shaken and flew out, falling towards the abyss below.

Boom!

At the same time, the Overlord Hammer flew out and fell on the platform, making a loud noise.

Haha...

Seeing this scene, Yan Fei was overjoyed and laughed at Kou Tianhu: "Okay, very good, Kou Tianhu kills Yue Wuya, and it should be recorded first."

Feiying Fort was built on the top of the cliff. Yue Wuya fell from here and would definitely die.

Kou Tianhu's face was full of excitement, and his heart was even more excited.

Haha... I killed the Lord of Tianmen myself, and I am about to make a name for myself.

Wow...

At the same time, the sand thieves present also cheered.

At this time, Yan Fei walked over quickly, picked up the Overlord Hammer, his eyes were full of scorching heat: "I didn't expect that today, not only did Yue Wuya be killed, but he also got the Overlord Hammer, a peerless divine weapon, haha..." The

voice fell, The surrounding sand thieves congratulated each other.

"Congratulations to the big leader for eradicating the enemy."

"The big leader is mighty..." In the

cheers, Hai Ling'er's delicate body trembled, and her eyes went black, she couldn't believe this scene.

Brother Wu Ya is dead...

No, he won't die!

For a time, Hai Ling'er's heart trembled, and finally she couldn't help crying.

"Brother Wuya, you can't die, you promise me to take care of me for the rest of your life, you don't want to die, don't die..." Hai Ling'er burst into tears and fell to the ground. Can't stop.

She and Yue Wuya have known each other for so many years, and every bit of the past is like a movie, constantly showing in her mind.

Brother Wu Ya, you haven't married me yet, why did you die like this...

Hai Ling'er cried more and more sadly, suddenly she didn't know where the strength came from, she stood up and slammed into the big rock behind her. When she was brought out, her hands were tied and she did not lose her mobility.

Yue Wuya is dead, and she is no longer alive.

Swish!

Seeing this scene, both Yan Fei and the sand thieves present were shocked.

This woman seems to be very weak, but her character is so strong, she actually followed Yue Wuya to death...

Soon, Yan Fei quickly reacted, and her figure flashed in front of Hai Ling'er, and then clicked on her body. At the acupuncture point, Hai Ling'er's delicate body trembled, and she couldn't move.

"Beautiful girl!"

Yan Fei showed a smile, looking at Hai Linger's pear blossom with rain, and said with a smile: "It's not so easy to want to die, I'm still waiting for you to give me a big fat boy.

"Go away, you let me die..." Hai Ling'er cried and wanted to die, but the acupoints were taped and she couldn't move at all.

Ha ha!

Seeing her making a fuss, Yan Fei didn't bother to talk nonsense, and waved at the sand thieves behind him: "Go, take the lady back to the room, and take care of her."

"Yes, big leader!" After

hearing the order, a few A sand thief walked over quickly and carried Hai Linger into the room.

At this moment, Hai Ling'er couldn't beg for death, she couldn't tell the despair in her heart, but she secretly swore in her heart.

Brother Wu Ya, wait for me, I will go down to find you soon.

....

on the other side.

Under Yue Wuya's serious injury, his body kept falling.

Did it die like that?

I still have to marry Linger, and I have to take charge of Tianmen, so I am so unwilling to die.

Haw!

At this moment, a shocking cry came from the top of his head. At that time, Yue Wuya was already in a semi-conscious state, and he opened his eyes in shock.

What it is?

Seeing this, Yue Wuya was stunned.

Just saw a golden giant shadow, like a golden lightning, coming quickly, because facing the sun, Yue Wuya couldn't see what it was, but he also instinctively sensed the danger.

This is a golden giant eagle with golden feathers, reflecting the bright golden light in the sunlight. The claws are like knives, and the wings are spread out, more than ten meters long.

This is a very rare golden-winged Cangyu eagle in the desert. Because of its ferocious nature, there are only some sporadic records in the ancient literature of Kyushu. According to legend, the golden-winged Cangyu eagle is powerful and Qiongqi among the top ten beasts. When the unicorn encounters it, it does not lose the wind, but because it only appears in the desert, very few people know about it.

This golden-winged Cangyu eagle was foraging nearby, and when he saw Yue Wuya falling, he chased after him as a prey.

The ultimate husband in Chinese chapter 6079

Hiss!

In the blink of an eye, the golden-winged Cangyu was sculpted in front of him. Until this moment, Yue Wuya could only see its appearance clearly. He was shocked and couldn't help taking a breath of cold air.

God, such a big golden eagle...

shuh!

Just when Yue Wuya was stunned, the golden-winged Cangyu Eagle stretched out its sharp claws and grasped Yue Wuya tightly. The huge figure turned and flew towards the desert in the distance. Being caught by the sharp claws ,

Yue Wuya only felt that his muscles and bones were about to be broken, and he was sweating coldly from the pain.

The eagle ignored him at all and flew faster and faster.

Done!

At this moment, Yue Wuya was extremely depressed, Linger was not rescued, he still fell off the cliff, and finally fell into the hands of such a bird of prey, I'm afraid it would be a disaster.

.....

On the other side, in the courtyard by the lake.

Yue Feng and Zhu Bajie played against each other a few times. Both sides won and lost, but the battle was fierce.

Snapped!

At this time, Yue Feng dropped his last son and couldn't help laughing: "Brother Zhu, this is your loss."

Zhu Bajie looked at the whole situation and scratched his head: "Brother Yue Feng, it's okay, a few years. In the past, my chess skills have improved a lot..."

This chapter is provided by . Visit [for](#) daily update.

After speaking, Zhu Bajie looked dissatisfied: "Come again." The voice fell, and the chessboard was set up again.

Yue Feng smiled and continued to play against Zhu Bajie.

With this sentence, Zhu Bajie had the upper hand, with a smug expression on his face: "Hey, Brother Yue Feng, I'm going to use my skills at home, so I'm afraid you won't be able to win."

"Really?"

"Hey, I don't dare to say anything else, but when it comes to playing chess and women, I, Zhu Bajie, say I'm number one in the world, and no one dares to say number two." "

Uh...I believe it!"

In the game, seeing that Zhu Bajie was taking every step, he was about to win the overall situation. Suddenly, a wave of breath came from outside the yard.

boom!

Immediately afterwards, the gate of the courtyard was forcibly smashed by a terrifying force. Under the raging force, the pavilion was also blown away, and the chess pieces were also shaken to the ground.

“Tema’s!”

Zhu Bajie cursed angrily: “I’m going to win soon, that bastard who doesn’t have long eyes is making trouble?” While scolding, Zhu Bajie turned his head to look angrily.

Yue Feng also frowned and looked towards the door.

Huh....

Seeing this, Yue Feng and Zhu Bajie couldn’t help but take a deep breath and froze on the spot.

I saw that above the leveled gate, a figure was quietly suspended, dressed in black, with an angular face, showing coldness and anger, and a terrifying aura permeating the whole body.

It was Gogne.

Knowing that Yue Feng had taken Nalan Xinran, Gogne was very furious and left the Nalan family to look around. Because he controlled Nalan Xinran, Gogne quickly found it with his special induction.

The power of the demon soul?

At this moment, Zhu Bajie sensed the aura on Gogne’s body and frowned secretly.

Haven’t the demons been wiped out? How can the remnants survive?

Because Gogne changed his appearance, Zhu Bajie had not yet seen his true identity at this time.

Muttering in his heart, Zhu Bajie took a step forward, pointed at Gogne’s nose and cursed: “Where did the remnants of the demons come from? You are not too timid, and dare to disturb Lao Tzu to play chess.”

Hearing the scolding, Gogne ignored it, his eyes only Looking at Yue Feng coldly.

What the hell!

At this moment, Yue Feng didn’t know whether to laugh or cry. He quickly whispered to Zhu Bajie: “Brother Zhu, don’t underestimate the enemy. The opponent is not the remnant of the Demon Race, but the Supreme Demon Gogne.”

At the same time, Yue Feng spoke. My heart is complicated.

Gogne was very fast, and he found this place so quickly.

What?

Hearing Yue Feng's words, Zhu Bajie opened his mouth wide and was very shocked: "Supreme of the Demon Race, Gone?" During the speech, Zhu Bajie's expression became solemn, and his eyes also revealed a bit of fear when he looked at Gone.

If it was someone else, Zhu Bajie wouldn't take it seriously, but Gone was different, this was something that God's Domain was afraid of.

"Yue Feng!"

At this moment, Gone looked at Yue Feng closely, and said word by word, "Hand over Nalan gladly." His

tone was cold and unquestionable.

Feeling Gone's aura, Yue Feng took a deep breath, tried to calm himself down, and said indifferently, "Gone, you are the Supreme Demon of the Demon Race, and I am ashamed for you to use such a method to deal with a woman."

The ultimate husband in Chinese chapter 6080

"Nalan is pleased that I will not give it to you. Whatever you want, I will draw it down."

When he said this, Yue Feng's face was calm, but his heart was uneasy.

Yue Feng clearly felt that at this time, Gone's strength was much stronger than the last time he met. Obviously, he was hiding in the Nalan family during this time, and his strength was almost restored.

In this case, let alone Yue Feng and him one-on-one, even if Zhu Bajie helped, I'm afraid it would not be an opponent.

Swish!

Hearing the mockery, Gone's face darkened, and he said word by word, "Yue Feng, stop talking nonsense to me. It's not your turn to make irresponsible remarks about what

this deity does." I wanted to kill Yue Feng immediately, but I didn't see Nalan Xinran, so I held back for the time being.

Yue Feng sneered and said nothing.

"Oh?"

At this moment, Zhu Bajie looked at Gone up and down: “As expected of the Supreme Being of the Demon Race, the way he speaks is different, but others are afraid of you, but my old Zhu is not afraid of you.”

“I’ll tell you . . . , no matter what purpose you are looking for that Nalan Xinran, now that you have lost your mind, this woman has already been favored by my old Zhu. Do you know?”

When speaking, Zhu Bajie looked serious.

Zhu Bajie could see that Gone and Yue Feng had a deep feud like the sea, and there must be a fierce battle to fight in the future. In this case, you should anger the other party well. As long as the other party is provoked, it is possible to reveal flaws.

Haha...

Seeing Zhu Bajie provoking Gone, Yue Feng couldn’t help laughing.

This chapter is provided by . Visit [for](#) daily update.

As expected of Zhu Bajie, he dared to take the initiative to provoke Gone.

Swish!

At this moment, Gone’s face was also extremely gloomy, and anger rose in his heart. Looking at Zhu Bajie, he said coldly, “What did you say?”

Nalan Xinran was the woman she liked.

Is this Zhu Bajie courting death?

“Aren’t your ears good?”

Feeling Gone’s anger, Zhu Bajie didn’t panic at all, and said unhurriedly: “My old Zhu has already said it very clearly, Nalan will gladly call him How could my woman, my woman, be handed over to you?”

“You, look for it, die.”

At this moment, Gone’s eyes flashed with murderous intent, and he said coldly, “Nalan is pleased to be the wife of the deity, how can it be tolerated? Are you so blasphemous?” The voice fell, and Gone’s figure flashed, bursting straight towards Zhu Bajie.

As the figure passed, the air distorted violently.

So strong...

Seeing Gone's eruption, Zhu Bajie was secretly shocked, and then shouted, "I'm afraid you won't succeed?" After saying that, Zhu Bajie's inner strength exploded, and he rushed up to fight with Gone in mid-air.

This...

Yue Feng stood there, but he couldn't calm down for a long time.

What did Gone just say? Nalan is glad to be his wife? Isn't it expedient for him to change his name to Nie Zhan and hide in the Nalan family? Could it be... is it a fake show and fell in love with Nalan Xinran?

If so, that would be interesting.

Muttering in his heart, Yue Feng saw that the two sides were fighting more and more fiercely in mid-air, and immediately shouted: "Brother Zhu, I'll help you."

Whoosh!

The voice fell, Yue Feng's strength exploded, and he rushed up to deal with Gone with Zhu Bajie.

Right now... in the room.

Shennong stood there, concentrating on giving Nalan the power to exorcise the demonic soul in his body, but he did not respond at all to what was happening outside.

But Su Xueying, who was standing by the side, couldn't sit still. Hearing the fierce fighting outside, she immediately stood up and said, "Master, it seems that someone is looking for trouble, I'll go take a look.

" to check the situation.

Just before taking a few steps, Shennong stopped him.

"Don't go out!" Shennong shook his head at Su Xueying with a solemn expression.

Su Xueying was stunned: "Why?" Huh

!

Shen Nong took a deep breath, his complexion and worry could not be concealed: "The other party is not good, if you go out hastily, you will die in vain."

After speaking, Shen Nong looked at Nalan, who was still in a coma, and said: "What we have to do now, It is to help her get rid of the demonic power in her body as soon as possible, so that she can wake up, otherwise, if someone comes to break in, everything will be for nothing."

Oh!

Seeing Master's solemn expression, Su Xueying nodded and continued to fight beside her, but she was terrified when she heard the fierce battle outside.
