

The ultimate husband in Chinese chapter 6081-6090

While nervous, Su Xueying couldn't help but worry about Yue Feng's safety.

Huh...

The moment Yue Feng was remembered in his mind, Su Xueying's delicate face couldn't help but turn slightly red.

What happened to yourself? Why should you worry about Yue Feng's safety?

Muttering in her heart, Su Xueying shook her head and continued to cheer up to fight Shennong.

.....

On the other side, high in the desert Gobi.

The golden-winged Cangyu eagle and Yue Wuya continued to move forward rapidly.

Huhuhu....

Hearing the wind whistling in his ears, Yue Wuya was indescribably anxious and wanted to struggle, but the golden-winged Cangyu Eagle's sharp claws were like iron hoops, and he couldn't break free at all.

Not knowing how long it took to fly, the golden-winged Cangyu Eagle slowed down.

call!

At this moment, seeing the scene in front of him, Yue Wuya couldn't help taking a deep breath.

I can see that there is an endless desert Gobi, the black sand next door, forming a gray-black world, and a few hundred meters ahead, stands a peak, the peak is straight into the sky, indescribably majestic.

This peak is several thousand meters high, the mountain is almost 90 degrees vertical, there is no way to go up, it is very dangerous.

This chapter is provided by . Visit [for daily update.](#)

As he got closer, Yue Wuya saw that at the top of the peak, there was a huge natural cave. This cave is the nest of the golden-winged Cangyu eagle.

slap!

Soon, the golden-winged Cangyu eagle brought Yue Wuya to the front of the cave, the sharp claws loosened, and Yue Wuya fell directly at the entrance of the cave.

Yue Wuya himself was seriously injured, and after that, he was caught by the golden-winged Cangyu Eagle and flew all the way.

Nima!

Yue Wuya scolded secretly, "It's over, this giant eagle took me back to its lair, and it must have treated me as food. No, I am the master of Tianmen, how could I be eaten by this flat-haired beast?"

Thinking to himself, Yue Wuya struggled to stand up, ready to fight with the golden-winged Cangyu Eagle.

However, what he didn't expect was that the golden-winged Cangyu Eagle threw him at the entrance of the cave and did not follow him.

In just a short breath, the golden-winged Cangyu Eagle disappeared into the sky.

what's the situation?

Seeing the golden-winged Cangyudiao leave, Yue Wuya was stunned for a moment, and then secretly heaved a sigh of relief.

This big guy is gone, and before it returns, find a way to get out.

After making up his mind, Yue Wuya took a step forward and looked down. He was about to cry without tears. He saw that the dodge was steep and vertical, and there was no way at all, and he was seriously injured, so it was impossible for him to fly down.

With his current injury, it will take half a day at the earliest to recover. However, in this giant eagle's nest, how can there be half a day to wait?

Haw...

Just when Yue Wuya was secretly anxious, he heard a juvenile cry from the cave behind him.

Hearing the cry, Yue Wuya suddenly became alert and quickly turned back to look at the cave.

I'm going.... this cry... a boy with a giant eagle in it?

For a time, Yue Wuya's body was tense, and his face was full of vigilance.

rustle...

A few seconds later, with the sound of footsteps, I saw two furry figures slowly walking out of the cave.

These are two young eagles that look like they should be about two months old.

The golden-winged Cangyu eagles are already big in size. Although they are young eagles, they are more than one meter tall when they stand up, with big round eyes and bright yellow mouths.

The two young eagles, which have not yet changed their feathers, are fluffy and look very cute.

call!

Seeing this scene, Yue Wuya's heart suddenly fell to the ground, and a smile appeared on his face. In his mind, Hai Ling'er immediately came to mind.

Ling'er likes these small animals the most. If she sees these two young eagles, she will be very happy.

Mumbling in his heart, Yue Wuya thought of his situation, and couldn't help sighing. He was seriously injured, and he lost the Overlord's Hammer. Ling'er was still in the hands of the sand thieves in Flying Eagle Castle. so.

Dengdeng.....

Just when Yue Wuya was feeling sad, two young eagles staggered over, first tilted their heads to look at Yue Wuya curiously, and then used their immature mouths to greet Yue Wuya. Body pecked up.

Seriously, if they were adults, they would definitely peck out a few blood holes in Yue Wuya's body, but it was still too small at this time, and these few strokes were not fatal to Yue Wuya at all.

The ultimate husband in Chinese chapter 6082

But

even so, Yue Wuya was pecked in pain.

What the hell...

In the face of this situation, Yue Wuya couldn't help laughing and crying. At that time, he was unwilling to take action on the two young eagles, so he had to dodge while shouting: "Two little guys, you are mistaken, I am not food."

When speaking, Yue Wuya was very depressed.

The Lord of the Heavenly Sect, who is famous in the rivers and lakes, is also considered a person with a head and face, but at this time, he was trapped in the giant eagle's lair, and was treated as lunch by two young eagles, which was too shameless.

If people know about this, I am afraid they will laugh out loud.

Swish!

Hearing this, the two young eagles stopped one after another, tilted their heads, and looked at Yue Wuya curiously.

The Golden-winged Cangyu Eagle's strength is comparable to that of the Four Great Beasts. It is full of spirituality and has a very high IQ. Although these two young eagles are young, they can understand Yue Wuya's words.

Seeing them stop, Yue Wuya breathed a sigh of relief, and after careful observation, he saw two young eagles in front of him.

Upon discovering these, Yue Wuya named them Xiaobai and Xiaohui, and then began to tease them. After a while, the two young eagles became acquainted with Yue Wuya.

Yue Wuya did this, of course, not just for fun.

"Xiaobai Xiaohui!" A

few minutes later, Yue Wuya knew that the young eagle was not wary of him twice, so he asked, "Do you know the way down the mountain ?

This chapter is provided by . Visit for daily update.

"

Bai and Xiaohui looked at each other, then shook their heads.

From birth to the present, they have been staying in the cave, relying on the adult golden-winged Cangyu eagle, looking for food to feed every day, and don't know how to go down the mountain.

Moreover, they are originally birds, and they don't need to go down the mountain at all. When they are a little older and their wings are getting fuller, they can fly directly.

call!

Seeing the reaction of the two little guys, Yue Wuya didn't give up, turned around and entered the cave to look for it, but after a few laps, he couldn't find the way down the mountain.

The cave has only one exit and no other access at all.

This is trouble.

For a time, Yue Wuya sat on the rock at the entrance of the cave, frowning. I can't go down the mountain, I just sit and wait here, the adult giant eagle will come back soon. His strength has not recovered, and he is not an opponent at all.

"Haw, haw..."

At this moment, Xiaobai and Xiaohui came over, leaned against Yue Wuya and rubbed them, opened their mouths at the same time, and kept chirping.

Obviously, the two young eagles are hungry. Originally, Yue Wuya was the food that the giant eagle found for them, but things are changing. playmate.

But now, the two young eagles were so hungry that they asked Yue Wuya for food.

Uh....

In the face of this situation, Yue Wuya can't help laughing and crying: "I don't have any food on my body, you can bear with it..." Yue Wuya left in a hurry, how could he think about this, he just wanted to perfunctory two things. sentence.

"Hahaha..."

It was just that the two young eagles didn't pay attention to this at all, and kept rubbing against Yue Wuya with their bodies, chirping in their mouths, like children playing tricks.

"Ahhh...don't be like this..." Yue Wuya's head was big for a while, and he reached out and touched the small heads of the two young eagles, his tone was bitter: "I really don't have any food..."

At this time, Yue Wuya Ya is very speechless, but not easy to get angry, these two little guys are really clingy.

Hiss....

At this moment, a strange sound came from outside the cave. At that time, Yue Wuya's heart froze, and he immediately turned his head to look, and was stunned for a moment.

I saw a rock snake several meters long, meandering from the cliff on the left.

Rock snakes are unique snakes in the desert. They like to live in the sand next door, hence the name. This kind of snake is highly poisonous and very ferocious. The one in front of him, with the thickness of an arm, has lived for at least several decades.

Nima!

At this moment, when Yue Wuya saw the rock snake, his heart suddenly became bitter.

Today was really unlucky, I was first caught by a giant eagle, and then I encountered such a big rock snake.

Hiss!

Just when Yue Wuya was speechless, Yan Snake saw two young eagles, his eyes flashed with ferocious light, and he swam over quickly.

The ultimate husband in Chinese chapter 6083

Yes, this rock snake is for two young eagles.

Speaking of which, the golden-winged Cangyu eagle is the nemesis of the rock snake, but the two young eagles are too small, only two months old, and they are not the opponents of this rock snake at all.

Haw....

At this moment, the two young eagles saw the rock snake rushing, and they didn't panic at all, instead they let out a happy cry, and then staggered and rushed up.

The two eagle calves are not afraid of tigers. In their eyes, each other is food, and they are completely unaware of the danger.

The moment they rushed up, Xiaobai and Xiaohui went to peck at the head of the rock snake. However, the rock snake was very flexible.

Snapped!

The next second, Xiaobai was hit by the snake's tail, let out a cry, and stepped back a few steps.

Shit...

Seeing this scene, Yue Wuya smiled bitterly.

These two little guys are really new born calves who are not afraid of tigers.

Thinking to himself, seeing that Xiao Bai was about to fall off the cliff, Yue Wuya was quick-witted, grabbed its tender wings, and dragged it back.

At this moment of lightning, the rock snake had already wrapped Xiao Hui tightly.

“Ha ha!” As the rock snake got closer and closer, Xiao Hui realized the danger and made bursts of calls for help.

Yue Wuya didn't have time to think about it, he picked up a stone from the side and shouted, “Don't panic, Xiaohui.” The voice fell, Yue Wuya used the only power in his body and threw it hard.

This chapter is provided by . Visit [for daily update.](#)

Whoosh!

The stone shot out like a bullet, hitting the rock snake seven inches in the middle. Suddenly, the tightly coiled snake body loosened, lying on the ground and twitching lightly.

Xiao Hui got out of trouble and was very angry, stretched his wings and rushed up, pecking at the snake's head.

“Haha...”

At the same time, Xiaobai was also the same enemy, rushing up while shouting, and together with Xiaohui, used his sharp mouth to continuously attack the rock snake.

The rock snake was hit seven inches by Yue Wuya and completely lost its mobility.

“Hey...”

After pecking the rock snake to death, Xiaobai and Xiaohui were very excited, chattering non-stop, then tore a hole in the rock snake's body and began to enjoy the snake meat.

While they were eating, Xiaobai and Xiaohui kept shouting at Yue Wuya, motioning for him to eat snake meat together. Just now, Yue Wuya stepped in to help, and he was completely recognized by them.

At this time, in the hearts of Xiaobai and Xiaohui, Yue Wuya was like a relative.

Uh....

Seeing their movements, Yue Wuya smiled wryly, shook his head and said, "Good boy, eat, I'm not hungry." With that, Yue Wuya walked over and took out the snake gall.

Although this rock snake has only been cultivated for a few decades, the snake gall is not a treasure, but it is also beneficial to Yue Wuya's recovery of strength.

Gudong!

The next second, Yue Wuya took the snake gall and sat cross-legged at the entrance of the cave, calming down and recovering silently. Xiaobai and Xiaohui were enjoying the snake meat beautifully, and while eating, they couldn't help but play and play, and the atmosphere was peaceful.

Soon, Xiaobai and Xiaohui were full. Seeing Yue Wuya sitting there motionless, they lay down beside him to rest.

Time passed by minute by minute.

"Huh..."

Just as Yue Wuya gradually entered the state, a loud chirping suddenly came from the sky in the distance.

Hearing this tweet, Yue Wuya suddenly opened his eyes and couldn't hide the anxiety on his face.

Oops... Before I fully recovered, the giant eagle came back.

Under the anxiety, Yue Wuya saw the sky in the distance, and a golden figure came quickly, it was the golden-winged Cangyu eagle.

"Hahaha..."

Seeing their mother coming back, Xiaobai and Xiaohui were indescribably excited, jumping and jumping at the entrance of the cave, shouting non-stop.

Whoosh!

At this moment, the golden-winged Cangyu Eagle saw that Yue Wuya was still sitting at the entrance of the cave, his eyes suddenly became sharp, the huge figure swooped down, and the sharp claws grabbed directly at the top of Yue Wuya's head.

Nima!

Seeing this scene, Yue Wuya jumped up and quickly ducked into the cave.

As soon as the hit was in the air, the golden-winged Cangyu Eagle did not give up, it made bursts of harsh screams, and rushed towards Yue Wuya again. In its heart, Yue Wuya was food, how could it be possible to let him live?

Seeing this situation, Yue Wuya was very angry, Ma De, this flat-haired beast really treats me as food.

Thinking to himself, Yue Wuya was too lazy to talk nonsense, and his internal force was circulating in the cave and he fought fiercely with the golden-winged Cangyu Eagle.

The ultimate husband in Chinese chapter 6084

It's

just that this cave has little space, Yue Wuya is not easy to use, and his strength has not fully recovered, facing the sharp beak and claws of the golden-winged Cangyu eagle, he can deal with it calmly at first, but gradually it becomes a little difficult parry.

Stab...

Soon, Yue Wuya was inattentive, and was caught by the golden-winged Cangyu Eagle on the shoulder, and blood was dripping immediately.

When the severe pain came, Yue Wuya couldn't help gasping for air, and his forehead was covered in cold sweat.

Madd, this bird of prey is quite strong...

whoosh!

At this moment, the golden-winged Cangyu Eagle snarled and rushed over again.

Yue Wuya leaned against the rock in the cave, and there was no way to retreat behind him. At that time, his face was pale and his heart was very unwilling.

It would be too useless to die here.

“Hahaha, Hawha...”

At this critical moment, Xiaobai and Xiaohui shouted, their chubby bodies rushing up, blocking Yue Wuya, and kept chasing at the golden-winged Cangyu Eagle. called.

This....

Seeing this scene, Yue Wuya was stunned, and was also somewhat moved inexplicably.

He never thought that these two little guys would come forward at a critical moment.

This chapter is provided by . Visit for daily update.

At the same time, the golden-winged Cangyu Eagle was also stunned for a moment, his sharp eyes swept over the two children, and a chirping sounded, motioning for them to move away.

However, instead of letting go, Xiaobai and Xiaohui spread out their tender wings and tightly guarded Yue Wuya behind them, chirping, as if telling the golden-winged Cangyu Eagle not to hurt him.

If someone else was there, they would definitely be amazed to see this scene.

You must know that the golden-winged Cangyu eagle has been reproduced in this desert Gobi for thousands of years. It is cruel and fierce, and has almost no natural enemies. Even if a cultivator encounters it, it will not escape death.

At this time, the two young eagles stood in front of their mother to protect a human being.

Simply incredible.

Faced with this situation, the golden-winged Cangyu Eagle seemed to be stunned, but soon after seeing the corpse of the rock snake at the entrance of the cave, he finally understood something. The human being in front of him helped kill the rock snake and protected his own child...

Realizing this, the golden-winged Cangyudiao looked at Yue Wuya's gaze, a little less hostile.

call!

At this moment, Yue Wuya was also secretly relieved, then looked at the golden-winged Cangyu Eagle, and said seriously: "There is no grudge between us, I know that you arrested me just to feed your children, but now they have eaten I'm full."

"I don't intend to hurt you, I hope we can live in peace."

When he said this, Yue Wuya didn't let his guard down, he was always on guard.

Yue Wuya could see that the golden-winged Cangyu Eagle in front of him was not only fierce, but also had a low IQ. Although he could not speak animal language, he also believed that the giant eagle in front of him could understand his words.

"Hahaha..."

Hearing the prosperity, the golden-winged Cangyudiao stared at Yue Wuya for a moment, and finally let out a cry, and finally turned around and walked towards the entrance of the cave, and started eating snake meat.

Yue Wuya is right. The golden-winged Cangyu Eagle has a very high IQ. Knowing that the human being in front of him helped his child kill a rock snake, he decided not to hurt him.

However, like Yue Wuya, although he no longer does anything, the golden-winged Cangyu Eagle is still vigilant against Yue Wuya.

“Haw..”

Seeing that their mother no longer attacked their friends, Xiaobai and Xiaohui were very excited, jumping around happily beside Yue Wuya.

At the beginning, the golden-winged Cangyu Eagles also tweeted to signal them to keep their distance from Yue Wuya, but Xiaobai and Xiaohui didn't listen at all, and used their furry bodies to rub against Yue Wuya from time to time, very close.

Seeing this situation, the golden-winged Cangyu Eagle seemed a little helpless, and seeing that Yue Wuya didn't mean to hurt them, he simply ignored it.

“Don't worry!”

At this moment, Yue Wuya sculpted towards the golden-winged Cangyu: “Although you arrest me, I will not hurt you and your children. When I regain my strength, I will leave immediately. Excuse me.”

Hearing this, Golden-winged Cangyudiao nodded.

call!

Seeing that it really understood his words, Yue Wuya secretly sighed and said no more, then sat cross-legged and continued to practice and recover.

...

on the other side, Eagle Fort.

In the room, Hai Ling'er curled up there, her face was pale and full of tears, and her heart was ashes.

The ultimate husband in Chinese chapter 6085

The scene of Yue Wuya falling into the abyss kept replaying in her mind, and she felt even more grief in her heart.

“Haha, drink...”

“Tonight is really fun...”

In the hall not far away, Yan Fei and many sand thieves were drinking and celebrating. The laughter kept coming, and Hai Linger felt even more uncomfortable.

Before you know it, the sky is bright.

After the whole Feiyang Fort was a carnival, everyone was drunk, and the whole Feiyang Fort was silent.

call!

At this moment, Hai Ling'er struggled to stand up. No one was looking after her. It was a good time to escape.

Hai Linger thought about it, after escaping from here, she found a place to think about it. Brother Wu Ya died, she couldn't live alone, and she couldn't stay here and be humiliated by these sand thieves.

It's just that her hands and feet were tightly bound, and she worked hard for a long time, but she never broke free.

Squeak...

At this moment, the door was suddenly opened, and then, a drunk man walked in with an evil smile.

It was Yan Fei's powerful general, Kou Tianhu.

Swish!

Seeing Kou Tianhu coming in, Hai Ling'er's pretty face changed and she suddenly became alert.

This chapter is provided by . Visit [for](#) daily update.

“Beautiful girl!”

At this time, Kou Tianhu slowly approached, admiring Hai Linger's stunning beauty, while tsk tsk admiring: “Beautiful, so beautiful, according to the rumors in the rivers and

lakes, the princess of the sea shark is as beautiful as a god, according to me, even a god Going down to the world in front of you will also be eclipsed.”

When he said this, Kou Tianhu’s eyes were full of burning heat.

“You...”

Kou Tianhu’s gaze made Hai Linger very disgusted, and she panicked in her heart. She raised her red lips and said nervously, “What are you going to do?” As she spoke, Hai Linger tried to break free from her hands The more you struggle, the tighter the rope becomes.

“Hey!”

Kou Tianhu smiled and comforted: “Don’t panic, beauty, I will not hurt you, I will only hurt you more.” When he fought with Yue Wuya before, Yan Fei said, who can kill Yue Wuya Wu Ya, give Hai Linger to whom.

Kou Tianhu always remembered, so after the banquet, he couldn’t wait to find Hai Ling’er, intending to enjoy the tenderness of beauty.

After Kou Tianhu finished speaking, he couldn’t help but leaned in and sniffed Hai Linger’s body, his face full of intoxication: “It’s really fragrant.”

“Go away.”

Hai Linger was ashamed and angry, and said tenderly, “You are so bold, Just breaking in like this, aren’t you afraid of punishment from your chief?”

Hai Ling’er was filled with grief and indignation as she spoke.

Brother Wu Ya is dead, do you still have to suffer such humiliation?

No, I would rather die to keep my innocence.

“Punishment?”

Hearing this, Kou Tianhu laughed complacently: “Did the beauty forget, the big leader said before, whoever kills Yue Wuya will get you.”

“God bless me, Kou Tianhu. , let me kill Yue Wuya, so you are mine too, this is God’s will.”

“Bastard...”

At this moment, Hai Ling'er burst into tears, with deep resentment and hostility in her eyes: "I Sooner or later, I will kill you." The enemy is close at hand, but he is powerless. In this situation, it is difficult for anyone to control himself.

"hey-hey!"

Feeling Hai Linger's anger, Kou Tianhu didn't panic at all, but laughed proudly: "Beauty, you are really confused, people can't be resurrected from the dead, what's the use of Yue Wuya in your heart?" "What is life?", having fun now is the true meaning of life." As the

last word fell, Kou Tianhu stopped talking nonsense, put Hai Ling'er in his arms, smelled strong alcohol, and slowly kissed it.

"Get out, get out..."

Hai Ling'er kept crying and struggling, but her hands and feet were tied and she couldn't break free.

The sharp-eyed Kou Tianhu got closer and closer, his breath sprayed on his face, Hai Linger burst into tears, and she felt utter despair in her heart.

Brother Wu Ya, I'm sorry for you... I can't keep my innocence, even if I die, I don't have the face to see you...

Boom!

Seeing that Kou Tianhu was about to succeed, suddenly, the door was kicked open.

Then, Yan Fei walked in with a gloomy face.

"Big leader!"

Seeing Yan Fei, Kou Tianhu panicked, and Jiu woke up most of the time, and at the same time let go of his hand: "You... why are you here?"

"Damn!" Yan Fei looked gloomy as he looked in front of him The scene was even more furious. At that time, he shouted angrily, walked over quickly, and slapped Kou Tianhu fiercely.

The ultimate husband in Chinese chapter 6086

Slap!

With this slap, Yan Fei tried his best, and with a crisp sound, half of Kou Tianhu's face was swollen, and he woke up a lot.

“Big leader!” Kou Tianhu covered his face, very puzzled: “You...what are you beating me for?” He killed Yue Wuya himself and made a great contribution. This beauty should be his own, isn't it a matter of course to enjoy it now? ?

“Shut up!”

Yan Fei was very annoyed, shouted angrily, and slapped him again: “I think you really ate the gall of a bear's heart and a leopard, and my woman wants to touch it too? Are you courting death?”

This Hai Linger As beautiful as a fairy, Yan Fei was deeply fascinated by the first sight, how could he share it with others?

What?

Hearing this, Kou Tianhu was completely stunned, and looked at Yan Fei blankly, unable to speak for a while.

After more than ten seconds, Kou Tianhu reacted and said unwillingly: “Boss, you said before yourself that whoever kills Yue Wuya will get this woman. That Yue Wuya died in In my hands, doesn't she belong to my mother?”

Kou Tianhu's character was upright and he didn't realize at this time that he had committed a taboo.

Yan Fei did say this before, but he hadn't handed Hai Linger to him yet, and as a subordinate, he rushed into the chief leader's room and forcibly plotted against Hai Linger. Don't talk about Yan Fei, change it Anyone who does it will get angry.

Mad!

Yan Fei's palace is very deep, so naturally he won't admit it at this time, and he yelled: “What is daring, tomorrow is my wedding day with her, but you say she is your woman, why? Do you want to rebel? “

During the fierce battle with Yue Wuya before, when the situation was critical, Yan Fei said, ‘Whoever kills Yue Wuya will reward Hai Linger. ‘It's just a means of motivating people, and this Kou Tianhu actually took it seriously...

This...

This chapter is provided by . Visit for daily update.

At this moment, Kou Tianhu's face was complicated, and he was speechless. I couldn't help but feel the fire in my heart.

The big boss did this... he wanted to go back on his word.

It's just that Yan Fei's aura was too strong, Kou Tianhu dared to say more, he secretly calmed himself, lowered his head and said, "The big leader calms down his anger, I'm reckless."

Yan Fei snorted and said impatiently, "I miss you as a drink. After impulse, I don't care about this with you, hurry up."

"Yes!"

Kou Tianhu's heart trembled, he responded, and quickly walked out of the room. But the moment he walked out, he didn't forget to take a look at Hai Ling'er.

It's really annoying to be so beautiful, but you can only see it and not touch it.

"Stop!"

As soon as he arrived at the door, Yan Fei thought of something, and shouted to Kou Tianhu: "Yue Wuya fell into the abyss, although there is no doubt that he will die, but we can't take it lightly and order you to take people down the mountain to look for it, be sure to find Yue Wuya's Corpse ." You

need to see people in life, and corpses in death, so that you can feel completely at ease.

Ma De...

Kou Tianhu was not convinced at all, but when he heard Yan Fei's order, he was even more angry, but he didn't show it on his face, but responded respectfully: "Yes."

Then , Kou Tianhu hurriedly left.

hey-hey...

As soon as his forefoot left, Yan Fei showed a smile, admired Hai Linger up close, and pretended to comfort him: "beauty, don't be afraid, no one will hurt you with me."

When he said this, Yan Fei looked up and down With Hai Ling'er's charming curves, the more she looks, the more happy she becomes.

Yue Wuya is dead, so this beauty belongs to me completely. Moreover, this place is located in the deepest part of the desert Gobi, and few outsiders are near, so I am not afraid that Tianmen will get news and come to take revenge.

For a time, the more Yan Fei thought about it, the more proud he became. He walked over slowly and sat beside Hai Linger.

“You...”

Hai Ling'er instinctively dodged, but also panicked and panicked: “Don't touch me... Go away...”

At this time, Hai Ling'er almost wanted to cry. Tears, Kou Tianhu, a pervert, was just gone, and then, Yan Fei, a vicious tiger, came again. Could it be that this is his life?

“Hahaha...”

Seeing Hai Linger's face full of resistance, Yan Fei did not restrain himself, but aroused strong interest, and laughed at that time: “After the big wedding tomorrow, we will be the real couple, why are we still a couple? The appearance of rejecting people thousands of miles away?”

The ultimate husband in Chinese chapter 6087

“Don't worry, being my woman, I will love you for the rest of my life.” The

last word fell, Yan Fei was about to reach out to grab Hai Linger, but Hai Linger exclaimed and turned to dodge.

“Beauty is shy? Haha..”

Seeing Hai Linger dodging, Yan Fei became more interested and said with a smile: “Don't be afraid, it's just the two of us here, no one will disturb you.” After speaking, he grabbed it again. .

This time, Hai Ling'er was unavoidable and was extremely desperate.

Pfft!

However, at this time, Yan Fei suddenly yawned, then fell to the side and fell asleep.

He had fought fiercely with Yue Wuya before, and later, he and his subordinates drank wine happily in the main hall until dawn, and when he taught Kou Tianhu just now, he was completely holding on to his spirit.

Huh...

Seeing this scene, Hai Ling'er breathed a sigh of relief and couldn't help but secretly rejoice.

Fortunately, this bastard can't hold his spirits anymore, otherwise, his innocence can't be preserved.

At the same time, Hai Ling'er felt even more anxious.

This time I escaped, but I was trapped here, and I will still be unable to escape the clutches in the future.

....

on the other side.

This chapter is provided by . Visit for daily update.

Kou Tianhu returned to his room, his face extremely gloomy.

Mad, who had been born and died in Flying Eagle Castle for so many years, was not even a dog in the eyes of the big boss. He promised to reward beautiful women, but in the end he didn't get anything, and he was beaten and scolded.

It's really getting hotter the more I think about it.

"Brother Tiger!"

At this moment, there was a sound of footsteps outside the door, and then, several big men opened the door and walked in.

These big men, headed by two, one named Hu San and the other named Ding Peng, are Kou Tianhu's sworn brothers and have a close relationship.

"Brother Hu!" As soon as he came in, Hu San couldn't help but ask: "I'm just about to rest, why are we so eager to call us here?"

Last night, Yan Fei held a celebration banquet, and Hu San and Ding Peng also drank it. Not a lot.

call!

Kou Tianhu took a deep breath, and said in a very angry tone: "What else can I do? Go down the mountain to look for Yue Wuya's body. The big leader said, in order to ensure that in case of any eventuality, you must see people in life, and corpses in death.

", Kou Tianhu is very angry.

Mad, the tenderness of the beauty has not been enjoyed, and now I have to do this kind of drudgery.

Hearing this, Hu San and Ding Peng looked at each other, feeling a little unhappy in their hearts, what is the big leader doing? Everyone has been drinking all night, and they all need to rest at this time. Why do they let everyone go down the mountain to find the body at this time?

Hu San was agitated. At this time, he noticed that Kou Tianhu's face was wrong, so he approached and asked, "Brother Hu, you are in a bad mood, what happened?"

"Yes!"

Ding Peng nodded as well. , and immediately found the fingerprints on Kou Tianhu's face: "Brother Hu, what's wrong with your face?"

"Don't mention it!"

Kou Tianhu was already furious, but when he heard the question, he said angrily: "This is a The big boss fought..." In the next few minutes, Kou Tianhu explained the situation at that time.

What?

Knowing the situation, Hu San and Ding Peng were stunned for a moment, and then became angry.

"It's too inauthentic for the big leader to do this. How can he go back on his promises?"

"That is, when dealing with Yue Wuya, Brother Hu sacrificed his life, and now the big leader turned his face for a woman. , Ma De, we have been so loyal to him over the past few years."

Hu San and Ding Peng, who became sworn brothers with Kou Tianhu three years ago, worked together in Feiyingbao, and they were very close to each other. All are outraged.

Mad!

At this moment, Hu San couldn't help but patted the table and stared: "Brother Hu, the big leader is so unjust, I don't think we need to work hard here. Let's go, the world is big, He Chou has no place to live. "Go ?

"

As soon as he finished speaking, Ding Peng glared at him and said, "Brother Hu did nothing wrong, why should we go? In my opinion, Yan Fei should be gone. To be honest, I have seen him a long time ago. It's not pleasing to the eye, why should such a selfish person be a big leader?"

Hu San scratched his head: "That's right, but what should we do now?"

After speaking, Hu San looked at Kou Tianhu and said, "Brother Hu, You make a decision, whether to go or what to do, brother listen to you."

Shua!

At this moment, Ding Peng and the surrounding brothers also looked at Kou Tianhu.

Among the people present at this time, apart from Hu San and Ding Peng, the others were also Kou Tianhu's cronies.

Hu...

Kou Tianhu took a deep breath, pondered, and said unwillingly: "Yan Fei is so selfish, we really don't need to stay here, but I really can't swallow this bad breath."

"Brother Ding said That's right, we worked hard for Feiyang Castle for all these years, living the life of licking blood, and we risked our lives, but in the end we got such treatment, Ma De, Yan Fei are not benevolent, and I am not righteous."

Finally, Kou Tianhu said There was a hint of coldness in his eyes: "Yan Fei is not qualified to be a big leader, I decided to replace him."

Wow!

Hearing this, Hu San and Ding Peng were both excited.

"That's right, why should we sacrifice our lives for him in vain?" "Actually, I've thought about it for a long time... Brother Hu

, what should I do?" Seeing this scene, Kou Tianhu was very moved, and immediately conspired with everyone. A few minutes later, Kou Tianhu and Hu San left Feiyang Fort and began to deploy. on the other side, in a cave at the top of the peak. The two young eagles played beside Yue Wuya for a long time, and finally got tired and fell asleep beside Yue Wuya. The golden-winged Cangyu Eagle finished eating the remaining snake meat and rested at the entrance of the cave. The whole cave was peaceful and peaceful.

"Chirp..."

However, at this moment, a loud cry came from the sky in the distance.

Hearing this cry, the golden-winged Cangyu Eagle instantly became alert, stretched its wings, and stood outside the cave with a warning attitude.

At the same time, Yue Wuya suddenly opened his eyes, walked quickly to the entrance of the cave, and looked towards the sky.

I went...

Seeing this, Yue Wuya was stunned for a moment, and his heart was shocked.

I saw more than a dozen raptors whistling. These raptors are not small, their wings are seven or eight meters long, their bodies are covered with black feathers, the stems are bare, and the hair on the top of their heads is bright red.

At first glance, these birds of prey are no different from common vultures, but they are full of flames and aggressive, and they don't know how much they can grab more than ordinary vultures.

These birds of prey are the flaming black vultures unique to the desert next door.

The golden-winged Cangyu eagles traverse the Gobi desert, and there are almost no natural enemies, except for this flaming black vulture. For nearly a hundred years, the two sides have been fighting endlessly for the dominance of this desert Gobi.

And today, these flame black vultures came together to provoke the old nest of the golden-winged Cangyu eagle.

“啾啾...” In the

blink of an eye, more than a dozen flaming black vultures reached the top of the cave, circling back and forth, shouting endlessly, and constantly provoking the golden-winged Cangyu Eagle.

In the face of this situation, the golden-winged Cangyu Eagle was not at all frightened, the golden hairs on its neck stood up and uttered a cry at those flaming black vultures, majestic and imposing.

Phew...

Seeing this scene, Yue Wuya couldn't help taking a deep breath.

These black vultures are covered in flames, and their strength does not seem to be weak. I wonder if this big golden eagle can fight.

The two sides provoked each other for a while, and in the end, the golden-winged Cangyu Eagle couldn't hold back.

“Hey...”

I saw that the golden-winged Cangyu Eagle, with its sharp beak and sharp claws, was surrounded by those flaming black vultures, and it didn't fall down at all, and while it was screaming, bursts of blue lightning erupted.

The thunder and lightning ripped apart the sky, and the flame black vultures knew that they were leaving, and they dodged all around.

I go!

Seeing this scene, Yue Wuya was shocked. He didn't expect that this golden-winged Cangyu Eagle would attack by lightning.

“Haha...”

At this moment, Xiaobai and Xiaohui, who were sleeping inside, were awakened and ran out to check the situation. Seeing their mother and so many flaming black vultures fighting fiercely, they all shouted to cheer.

While shouting, Xiaobai and Xiaohui rushed over to help, but were stopped in time by Yue Wuya.

After stopping him, Yue Wuya said with tears in his eyes, “You two are still young and can't fly, what can you do? Let's just be honest.”

After

hearing this, Xiaobai and Xiaohui were no longer impulsive, looking at the battle in mid-air, Wu Liuliu's eyes couldn't hide their anxiety.

“啾啾...”

At this moment, more than a dozen flaming black vultures avoided the thunder and lightning, let out a roar, and surrounded the golden-winged Cangyu eagle again. Although they were birds of prey, these flaming black vultures were also intelligent. Not low, know how to cooperate with each other.

However, the golden-winged Cangyu Eagle had rich fighting experience and was surrounded in time, but it did not panic at all.

Awesome...

Seeing this, Yue Wuya couldn't help but nod his head in admiration.

Seeing that the siege could not be completed, these flaming black vultures seemed to be in a hurry.

“啾啾!” In the

next second, the two flame black vultures left the battlefield and suddenly swooped down, rushing towards Xiaobai and Xiaohui at the entrance of the cave.

Their purpose is obvious. They want to take advantage of the number and divide two of them to deal with the young eagles to influence the attention of the golden-winged Cangyu eagle. As long as the young eagle is killed, the golden-winged Cangyu eagle will be in chaos. They have a chance.

“Hey...”

Golden-winged Cangyudiao's IQ is not low. Seeing this, he made a cry of anxiety, and then rushed up to intercept it, but he was entangled by other flame black vultures and could not escape at all.

Seeing the two flaming black vultures rushing towards them, Xiaobai and Xiaohei did not panic at all, instead they jumped and tried to go up to fight.

Shit...

Seeing this scene, Yue Wuya was taken aback.

Are these black vultures so intelligent? They even know the tactics of 'struggling around the point to help', but they are too cruel. Xiaobai and Xiaohui are so small, they have the heart to start.

Muttering in his heart, Yue Wuya quickly rushed over and stood in front of Xiaohui and Xiaobai: “You two, go back to the cave and leave. Quick!” When he said this, Yue Wuya's eyes were locked on Wu Xiao. The two flaming black vultures that came here, with their internal power running, are ready to take action at any time.

“Hahaha...”

After hearing Yue Wuya's order, Xiaobai and Xiaohui shouted a few times, and then obediently retreated to the cave. Although the contact time was not long, in their hearts, they already regarded Yue Wuya as a relatives.

“啾啾...”

At this moment, the two flame black vultures had already rushed to the front. Seeing Yue Wuya blocking there, without the slightest hesitation, they stretched out their sharp claws and waved them fiercely.

“Beasts still dare to be arrogant.”

Yue Wuya snorted coldly, raised his hand and hit with both palms, a flame black eagle could not dodge, was hit hard, let out a whimper, and fell on the platform outside the cave, directly kill.

After the other was lucky enough to avoid it, the figure hovered in mid-air, opening its mouth and spit out a flame at Yue Wuya.

“Beyond one’s ability!”

Seeing the flames coming, Yue Wuya snorted coldly and quickly deployed a protective film in front of him.

Huhu...

In the blink of an eye, the flames hit the protective film, and they all went out in a short while.

Seeing this, the flaming black vulture realized that the humans in front of him were not easy to mess with, and immediately chirped, turned and rushed into the sky, preparing to continue to deal with the golden-winged Cangyu eagle with his companions.

However, how could Yue Wuya give it a chance? At that time, a stone was picked up from the entrance of the cave, and the internal force was running, and it was thrown violently. The stone was like a bullet, and it shot out, directly piercing the flame black eagle.

“Chirp...”

In an instant, the flaming black vulture shed a rain of blood in the air, let out a whimper, and fell.

Seeing this scene, the golden-winged Cangyu Eagle nodded towards Yue Wuya, expressing his gratitude. Just now, Yue Wuya kept two young eagles, and he saw it in his eyes.

Yue Wuya said, “Don’t worry, with me here, no one will hurt your child.”

“Tweet Tweet...”

Seeing the tragic death of the two companions, the other flaming black vultures did not have the slightest timidity, but were inspired one by one. Fiercely, he rushed towards Yue Wuya frantically.

Yue Wuya did not panic at all, and coldly shouted: "All come up to die, then I will fulfill you." The

voice fell, Yue Wuya went up to meet them, and fought fiercely with many flaming black vultures.

To be honest, Yue Wuya wouldn't take these flat-haired beasts seriously if he was at his peak strength, but his strength has not fully recovered yet. Facing so many flaming black vultures, it was a little bit overwhelming for a while.

Sting...

Soon, one of the flame black eagles rushed from behind, waving its sharp claws, and scratched a wound on Yue Wuya's shoulder, and blood was dripping immediately.

When the pain came, Yue Wuya couldn't help taking a breath.

Seeing this scene, the golden-winged Cangyu eagle let out a loud cry and rushed to help. It's just that these flaming black vultures have been inspired to be fierce, and they are all crazy.

Under such circumstances, even if Yue Wuya and the Golden-winged Cangyudiao joined forces, they would feel the pressure.

.....

On the other side, Eagle Castle.

Yan Fei slept in a daze, opened his eyes and saw Hai Linger curled up beside him, and suddenly showed a smile: "I'm sorry, the beauty has been waiting for a long time." With that, Yan Fei walked

over and quickly stopped. Hai Ling'er's acupuncture point.

"You..."

Hai Ling'er was shocked and angry: "What do you want to do?"

Yan Fei didn't answer immediately, but untied the ropes from her hands and feet, and said with a smile: "Tomorrow we will be married, I can How are you? It's hard to be tied up for so long. Don't worry, I will relieve you when the wedding is over tomorrow."

"Go away!"

Hearing this, Hai Ling'er was embarrassed and shouted: "I won't marry you even if I die..."

Yan Fei laughed instead of being angry: "Hey, at this point, even if you don't want to, it won't change anything..."

Bang Bang...

Halfway through the words , there was a knock on the door outside.

Yan Fei was very annoyed: "Who's from Tema? Don't bother me if it's all right." As

soon as he finished speaking, Hu San's voice sounded outside the door: "Big leader, calm down, this subordinate didn't intend to disturb, but there is really something important to report. "

Hoo!

Hearing this, Yan Fei took a deep breath, walked slowly to open the door, and saw Hu San standing there with a respectful face.

Yan Feiqiang suppressed his anger and said lightly: "What is the important matter?"

"Report to the big leader."

Hu San cupped his hands and said with a complicated expression: "Just now, Brother Hu and I went down the mountain to investigate, and found that Yue Wu Ya didn't die, but hid in a hidden hole to heal his wounds. The hole was unfathomable. Brother Hu didn't dare to act rashly, so he ordered me to come back and ask for instructions..."

When he said this, Hu San looked serious, but There was a bit of cunning in his eyes.

In fact, they didn't find Yue Wuya's whereabouts at all, and all the caves were made up, the purpose was to lead Yan Fei out of Feiying Castle.

What?

Seeing what he said was serious, Yan Fei didn't have the slightest doubt, and his heart was shocked at that time.

Is that kid so tough? Falling from such a high place and not even dying...

that's great!

At the same time, Hai Ling'er was also crying with joy. Under the excitement, her delicate body trembled uncontrollably.

Brother Wu Ya is not dead, he is not dead.

"Go!"

At this time, Yan Fei reacted and said to Hu San: "Where is the cave, take me there." Yue Wuya is the master of Tianmen. If he is allowed to escape, there will be endless troubles.

After all, the power of Tianmen is huge, and once revenge comes, Flying Eagle Castle will be lost forever.

Hu San quickly responded.

At this time, Yan Fei thought of something again, and ordered to the two sand thieves at the door: "Take care of the woman."

"Yes, big leader!"

A minute later, Yan Fei followed Hu San and quickly left Feiyang Fort and rushed down the mountain. go.

Soon, when they arrived at a Gobi Desert, they saw Kou Tianhu and the others standing beside a boulder from a distance.

"Big leader!"

Seeing Yan Fei coming, Kou Tianhu's eyes flashed coldly, then he squeezed out a smile and said politely: "You're here." While speaking, he nodded in approval at Hu San.

This place is inaccessible, and it is a good place to kill people.

Yan Fei was too lazy to talk nonsense: "Where is the hole in the ground?"

Kou Tianhu pointed to the back of the boulder: "It's there. We've been guarding here, that kid can't escape

.” Yan Fei cursed secretly and walked straight towards the boulder.

“Yan Fei, die!”

However, at this moment, Kou Tianhu suddenly shouted, and drew out his long knife and stabbed Yan Fei in the back.

puff!

The knife was extremely fast, and the distance between the two was too close, Yan Fei had no time to dodge, and was directly stabbed in the back of the heart. At that time, his body trembled and he spat out a mouthful of blood.
