

## The ultimate husband in Chinese chapter 6131-6140

Hiss!

Feeling the terrifying power that permeated Tie Bowen's body, everyone present couldn't help gasping for air, and their hearts palpitated.

Nalan Wushuang and the only remaining disciple were inexplicably excited.

But at the same time as being excited, Nalan Xinran couldn't express the worry.

Brother Bowen was injured so badly, will he be attacked by forcibly using the power of the Sunset Bow...

Hehe...

But Prince Aotian, who was suspended in mid-air, looked indifferent, looking like a fire god Tie Bowen, who was born into the world, showed a bit of contempt in his eyes.

Although this Tie Bowen has a magical weapon, he is still a mortal body, and it is a fool's dream to want to hurt himself. After all, he is the royal family of the Divine Realm, with a noble bloodline.

"You're not convinced yet!"

At this moment, Prince Aotian looked at Tie Bowen, his tone full of mockery: "To me, you are like an ant, and even if you have a sunset bow, it won't change the situation."

Om!

The last word fell, and Prince Aotian's divine power exploded, carrying unparalleled power, thinking of Tie Bowen's explosion.

"Go to hell!"

Looking at the rushing Prince Aotian, Tie Bowen's eyes were extremely blood red. At that time, he roared and pulled the bowstring directly. In an instant, a golden-red rocket condensed, tearing apart the world and bursting towards Prince Aotian. Come.

call!

At this moment, feeling the power contained in the rocket, Prince Aotian didn't panic at all. With a wave of his hands, he saw a golden light flickering, condensing the Emperor's Shield in front of him again.

Just now, Huangtian Shield had blocked the opponent's feather arrows, and this time, he would definitely be able to block them easily.

boom!

At the moment when the Emperor's Heaven Shield was formed, the rocket slammed into it, and a huge earthquake was heard. The rocket and the Emperor's Heaven Shield collapsed at the same time. dissipated in the sky.

The terrifying power was surging, and many of the chief disciples below were unable to resist, and were stunned.

“Haha...”

In midair, Prince Aotian was shaken back a few steps by the air, but he quickly stabilized his figure and laughed and mocked at Tie Bowen: “This is your strongest strength? Chinese use...”

Before he finished speaking, Prince Aotian's expression suddenly changed.

Chi....

I saw that the sky in front of me suddenly distorted, and then another feather arrow whizzed, and the surrounding air burned with it.

Not only that, the speed of this rocket is more than double that of the previous one.

Yes, just now Tie Bowen motivated the power of the sunset bow, absorbed the power of the sun's scorching sun, and realized the hidden stunt of the sunset bow 'sun breaking arrow'.

The Sun Breaking Arrows are extremely powerful. With different levels of understanding, different numbers of rockets can be condensed out, and at the highest level, ninety-nine-eighty-one rockets can be erupted at the same time.

Back then, when Emperor Hou Yi used the sunset bow, he could only condense thirty-six rockets at most with the stunt of breaking the sun. And Tie Bowen has just realized that he can condense two rockets, which is already very good.

Speaking of which, the two rockets originally erupted at the same time, but Tie Bowen didn't control it well, which led to the collapse of the first rocket, and the second one just formed.

However, as a result, it also caught Aotian Prince by surprise.

What?

At this moment, the two sides in the fierce battle below were also shocked.

And a second rocket?

Just when everyone was shocked, the rocket carried endless power and arrived in front of Prince Aotian.

Mad!

Prince Aotian scolded secretly, there was no time to dodge at that time, he could only pull out the seven-star sword on his body and lay it in front of him in an attempt to resist. This seven-star sword is one of the treasures of the Wudang faction. It belongs to the purple-rank weapon. Only the leaders of the past dynasties are qualified to wear it. After Prince Aotian borrowed Ye Yun's identity as the leader, he kept this sword close to his body. carry.

boom!

In the blink of an eye, the rocket slammed into the Seven-Star Sword, making a deafening roar, and then a dazzling fire erupted, covering the entire sky.

At the same time, Prince Aotian howled miserably, a mouthful of blood spurted out, his body flew out, and the seven-star sword in his hand shattered.

## **The ultimate husband in Chinese chapter 6132**

Although Prince Aotian is the royal family of the Divine Realm, his defense power far exceeds that of mortals in Kyushu, but without the protection of the Emperor's Heaven Shield, he can't stop the power of the 'Sun Breaking Arrow' at all.

Moreover, the previous consecutive shots, Prince Aotian's divine power was almost consumed.

Pfft!

Just saw that Prince Aotian flew more than 100 meters away, smashed a few trees in the garden, and then fell heavily on the ground, and at the same time he fell, a few mouthfuls of donated blood spurted out, and his face was extremely pale.

Ma De...

Prince Aotian scolded secretly, staring at Tie Bowen, extremely resentful.

I thought this kid was at the end of the shot, but I didn't expect that he would be able to fire two rockets in a row...

This...

Seeing the scene in front of me, the masters of the surrounding sects were all stunned, looking at Tie Bowen, a A brain buzzing.

Is this Rakshasa kid so strong? It actually defeated the head of Wudang.

At the same time, Nalan Wushuang and the family disciples behind him were all excited.

We won, we won...

“Sect Master!”

“Sect Master, how are you?”

At this moment, many Wudang disciples reacted and rushed over to help Prince Aotian up.

This chapter is provided by . Visit for daily update.

call!

Prince Aotian stood up, his footing was almost unsteady, he staggered back two steps, his face was extremely ugly. The rocket just now severely damaged his primordial spirit, and it would take at least half a month for him to recover.

At this time, Prince Aotian was very angry.

One wrong move, wrong step, just underestimated the enemy, otherwise, how could the opponent turn the situation around?

“Kill!”

At this moment, Nalan happily shouted: “Avenge the dead clan.” The

voice fell, and the family disciples behind him responded with a howl, and then rushed towards the crowd of various sects like crazy.

At the same time, the Rakshasa cavalry quickly adjusted their formation and charged towards the enemy. Tie Bowen severely damaged Prince Aotian, which greatly boosted his morale. It was a good time to fight back.

“Ah...”

At this moment, the masters of various sects were trembling with fear. When they saw the power of the sunset bow just now, they had no courage to fight again. In the blink of an eye, many masters of the sect screamed. , fell in a pool of blood.

“Run, let’s run...”

Then, someone in the crowd shouted, and then, the major sects scattered like frightened beasts, rushing out of the Furong Garden and fleeing into the distance.

The people of these sects are not stupid. Prince Aotian was seriously injured. Who was Tie Bowen’s opponent in the presence? If you don’t run, you will die here.

However,

these sect masters don’t even know at this time that Tie Bowen’s internal strength was exhausted after he cast the Sun-Breaking Arrow just now.

call!

Looking at the collapsed sects, Prince Aotian took a deep breath, feeling very unwilling.

These rabble are really unreliable. However, the feud between the Nalan family and the various sects in the rivers and lakes has been settled, and the plan is considered to be very smooth.

Thinking to himself, Prince Aotian looked at Tie Bowen coldly: “Boy, you are lucky in recent days. Next time you meet, I will kill you.”

The last word fell, and Prince Aotian greeted the Wudang disciples and left quickly.

“Don’t try to run!”

Seeing this situation, Nalan Wushuang snorted, and her figure flew up, quickly catching up.

This person killed so many people in the family, he must be killed.

“Stop!”

At the same time, Tie Bowen also shouted angrily, followed closely behind, chasing towards Prince Aotian and everyone, but he didn’t chase too far, his eyes were black for a while, and the whole person was also indescribably weak. The body trembled and fell directly from the air.

Pfft!

At the moment of landing, Tie Bowen's face was pale, exhausted, and he had no strength to speak.

Hearing the movement behind him, Nalan Wushuang glanced back.

"Brother Bowen!"

Seeing Tie Bowen's state, Nalan Wushuang's heart trembled. At this time, he couldn't care about the pursuit. He quickly turned around and returned, hugging Tie Bowen's arm, his delicate face was full of worry and concern: "Brother Bowen, how are you? Don't scare me..."

Nalan Wushuang just hugged Tie Bowen, worried.

My father is dead, my grandfather is gone, and my aunt is missing... If something happened to Brother Bowen, what should I do if I am alone in this world?

## **The ultimate husband in Chinese chapter 6133**

"I..."

Feeling Nalan Wushuang's worry, Tie Bowen warmed his heart and said weakly: "I'm fine, but my internal energy is too much..." As long as she's fine, she will suffer No matter how serious the injury is, it is worth it.

Hearing this, Nalan Wushuang breathed a sigh of relief, and a smile appeared on his face.

Brother Bowen is fine.

However, in the next second, seeing Nalan Hongzheng's corpse not far away, Nalan's nose twitched with joy, sadness came from it, and tears followed: "Grandpa... Grandpa is gone..."

Huh!

Seeing her like this, Tie Bowen sighed inwardly and said weakly: "Wushuang, people can't be resurrected from the dead, don't be too sad, I will always be with you in the future."

Hearing this, Nalan Wushuang nodded. nodded.

....

on the other side.

Gone took Nalan Xinran and flew all the way high, finally getting rid of the God King Haotian behind him.

At this time, seeing a broken temple in front of him, Gone didn't have time to think, and landed quickly.

call!

Entering the ruined temple, Gone let go of Nalan Xinran, and couldn't help but let out a sigh of relief. Finally got rid of that Haotian.

To be honest, although Gone was injured, if he burst out with all his strength, he would still be able to fight against the God King Haotian, but considering Nalan Xinran's safety, he had to temporarily avoid his edge.

This chapter is provided by . Visit for daily update.

At this moment, Nalan happily leaned against the pillar and stared at Gone, unable to hide his hatred.

“you...”

Gone just pretended he didn't see it, sat cross-legged, and said, “That God King Haotian is very strong and has great tracking ability, so we are only temporarily safe.”

“Take advantage of the opportunity, hurry to meditate and recover.”

When he said this, Gone's tone was gentle.

However, Nalan Xinran didn't appreciate it at all, and said coldly, “Don't be so pretentious in front of me, you caused my Nalan family to be torn apart, and my father died because of you. I can't wait to peel your skin and drink your blood. ..”

Finally, Nalan's happy and delicate face was full of resentment.

well!

Feeling her hatred, Gone smiled bitterly and sighed: “Okay, since you hate me so much, then kill me, I will never fight back.”

After that, Gone slowly closed his eyes, at every turn.

Faced with this situation, Nalan Xinran was stunned for a moment, and muttered inwardly.

He is the Supreme Being of the Demon Race. He is not only powerful, but also very cunning and despicable. How could he honestly sit still and wait for death? He must be deceitful.

While thinking about it, Nalan gladly clenched his sword and stared at Gone, full of vigilance.

It's just... a few minutes have passed.

Gonier sat there, still motionless.

He...

Seeing this situation, Nalan frowned with joy, and he couldn't tell the complexity in his heart.

Could it be... he really wants to die?

Thinking to herself, Nalan Xinran didn't know what was going on, and suddenly her heart softened. You must know that during this time, although Gognie controlled the Nalan family and did a lot of despicable things, he was always polite to himself, and never went beyond half a step.

Phew...

Soon, Nalan calmed down and shook his head.

What happened to yourself? The other party is the Supreme Being of the Demon Race, or his own great enemy, how can he be merciful to him?

Thinking of this, Nalan happily bit his lip and said coldly to Gone: "Seeing that you have some conscience, I will leave you a whole corpse, go to die."

Om!

The last word fell, and Nalan was gladly urged by his inner strength, and the long sword drew a cold light and stabbed directly at Gone's heart.

With this sword, Nalan gladly mobilized all his inner strength, and the air suddenly ripped apart wherever he passed.

poke out!

However, at the moment when the stab in Gone's heart, Nalan Xinran only felt a powerful force coming back.

At this moment, Gogne opened his eyes instantly, and asked with concern: "How are you? Are you all right?" When he spoke, Gogne was very embarrassed.

I have the power of the demon soul to protect my body, but I forgot to remove it just now.

As he spoke, Gogne was about to go up to check on Nalan Xinran's situation, but he was scolded by Nalan Xinran before he took two steps.

"Stop!"

Nalan was pleased at this time, his delicate face was pale, and he said coldly: "Despicable and shameless, I knew you were cheating."

## The ultimate husband in Chinese chapter 6134

Said, Nalan raised his neck happily, closed his eyes, and said coldly: "You can kill me!"

Since he can't kill him, it is better to die than to be humiliated in his hands.

Uh... Seeing

her like this, Gogne couldn't help laughing and laughed bitterly: "You misunderstood, I just forgot to remove the demon soul protection body from my body, I didn't intend to hurt you."

Do not believe: "Don't pretend, I won't believe what you say. Anyway, I'm in your hands now, I want to kill or cut you at will."

Hearing these words, Gogne couldn't say anything in his heart. bitter.

"Xin Ran!" In the

next second, Gogne looked at her seriously and said word by word, "You are the woman I like, how could I hurt you? I know that what I did before made you very angry, But I swear to you, from now on, I will do my best to protect you, take revenge for the dead disciples of your Nalan family, and take revenge."

"Hehe..." Hearing this, Nalan couldn't help but sigh. With a smile: "Do you think I will believe it? You are a demon, do all evil, cruel and easy to kill. When will you have a conscience?" "

Don't treat me as a three-year-old child."

He sighed and said, "Whether you believe it or not, I will do it."

“Don’t say it..”

Nalan shook his head happily, with a delicate face that couldn’t hide the disgust: “I won’t believe you. The nonsense...” Nalan Xinran almost collapsed at this time.

The enemy is right in front of him, but he can’t kill him, but the other party is deeply in love with him.

poof...

This chapter is provided by . Visit for daily update.

For a time, Nalan Xinran was in a mess, and then her delicate body trembled, a scorching heat came from her body, and her face was instantly covered with beads of sweat.

It’s over, I’m going to go crazy.

Feeling the situation in the body, Nalan was pleasantly surprised.

She clearly felt that the inner force of the dantian was running around in the meridians uncontrollably, which was clearly a sign of going crazy.

“What’s going on?”

At this moment, seeing Nalan Xinran trembling in the suburbs, Gone’s heart trembled, and he quickly asked, “Is the internal power disordered? It’s all my fault..”

After speaking, Gone secretly blamed himself .

Speaking of which, Nalan Xinran was originally injured, and he was shocked by the power of his demonic soul just now, which will inevitably lead to confusion.

At this time, Gone was ashamed and went forward to help Nalan Xinran. However, before he got close, Nalan happily avoided him.

“You...you get out...”

Nalan staggered back and leaned against the pillar, with disgust and hostility in his eyes: “I don’t need your help, you get out...” When speaking, Nalan gladly wanted to stabilize the situation in the body.

However, the more anxious she was, the more disordered her dantian’s inner strength became.

Soon, with the disturbance of internal power, Nalan Xinran only felt like a flame was ignited in his body, and the burning sensation spread from his dantian to his whole body.

The burning pain was unbearable for anyone.

Pfft...

In less than a few seconds, Nalan Xinran couldn't hold it anymore, and her delicate body collapsed to the ground, trembling uncontrollably.

Seeing this scene, Gone was very distressed, and he was too quick to pick her up and said softly: "Xinran, don't be afraid, there is me, I will help you clear the meridians and stabilize your internal strength."

Although Nalan Xinran has always hated her, but Gognie loves her so deeply, how can she just watch her pain and ignore it?

hum!

As he spoke, Gone was running the power of the demon soul, ready to help Nalan to channel his inner strength.

However, Nalan Xinran resisted very much, biting her lip, enduring the pain again and again, struggling and scolding: "You get out... let go of me, let me go, I don't want your help, don't..."

It's just that she now He was extremely weak, and the struggle at this time was of no use to Gone.

Hearing her reprimands, Gone also turned a deaf ear, put his palms on her back, and began to channel his inner strength...

No... Unable to

break free, Nalan was pleased, angry and anxious, and then his eyes There was a flash of determination.

Pfft...

The next second, Nalan Xinran clenched the long sword in her jade hand, turned it hard, and the long sword pierced her heart. In an instant, blood donations spewed out, and Nalan Xinran was completely weak.

## **The ultimate husband in Chinese chapter 6135**

Since you can't break free, you can only die!

What?

It all happened so fast that Gogne didn't have time to react.

When he regained his senses, he saw that the blood had dyed Nalan Xinran's long dress red, and her delicate face was pale and pale, and her breath was indescribably weak.

"Xin Ran..."

Gone's heart was extremely painful, and he shouted with trembling: "Why are you doing this? Why are you so stupid?" When he spoke, Gone's heart was aching.

For the first time in thousands of years, he felt such a heartache. It's like a heart has been poached.

"I..."

Nalan looked at Gone with pleasure, with a weak tone but firmness: "You are a demon, I am a human being, right and wrong are incompatible, I... I would rather die than let me You save..." The

last sentence fell, and Nalan slowly closed his eyes with joy, dying of anger.

"Xinran, Xinran..."

Noticing Nalan Xinran's breathlessness, Gone only felt that an invisible sledgehammer had hit his heart, his eyes were blood red, and his heart was cut like a knife.

"Ah..." In the

next second, Gone roared up to the sky: "Why, why..." The

beloved woman died in front of him. This heart-wrenching feeling was even more painful than when the demons were destroyed. uncomfortable.

No...

Soon, Gone reacted, gently hugged Nalan Xinran in his arms, and said softly: "Xinran, I won't let you leave me, no..."

Saying that, Gogone stretched out her hand to cover Nalan Xinran's wound, and at the same time injected the power of the devil's soul to stimulate her vitality.

However, Nalan Xinran didn't move and didn't respond.

"Xinran, don't die, please don't die..."

Gogone was completely panicked, muttered to himself, and then used other hitting methods. The result, however, is still to no avail.

Phew ...

Faced with this situation, Gogone's eyes were blood red, and he took a deep breath and forced himself to calm down.

It seems that there is only one way.

Muttering in his heart, Gogone put Nalan flat in front of his eyes, then sat cross-legged, and slowly raised his hands to draw the demon soul out of his body.

Om...

At the same time, a blood mist collapsed from Gogone's body, filling the entire dilapidated hall.

Gogone's method is very simple, using his own ordinary demonic soul power, plus his own demonic blood, to make Nalan happily reborn. This method is very risky, and Gogone has never used it.

But for the sake of the one he loves, Gogone can't care so much anymore. Huhuhu

.... In the next second, under the urging of Gogone, the blood mist slowly gathered towards Nalan with pleasure, and then slowly merged into the skin... Then, the demon soul floating in the air also converged.

into her dantian.

Time passed by minute by minute.

I don't know how long it took, Gogone slowly opened his eyes, his face was pale, and he was indescribably weak, but there was a smile on the corner of his mouth.

Because he clearly sensed that Nalan in front of him was pleased, and the heart that stopped beating began to beat again.

Gogone smiled and looked at her so quietly.

“Hmm...”

After more than ten seconds, Nalan happily hummed, and slowly opened his eyes.

“Xin Ran...”

At this moment, Gone was overjoyed, and quickly shouted: “Are you awake? You must cherish your body in the future, don’t be so stupid? Do you know how sad I am when you did this just now? ?”

Huh!

Hearing this, Nalan’s body trembled with delight, and sat up all of a sudden, looking at Gone with shock and anger: “This is impossible, am I not dead? Why am I still alive?”

” Lan Xinran was shocked.

Because just now, her ghost had entered the passage to the ghost world, but suddenly, her consciousness suddenly became blurred, and then she woke up.

It’s like having a very real dream, it’s incredible.

Gone smiled slightly, unable to hide his weakness: “I consumed half of the power of the demon soul, as well as my own blood, to help you come back to life.”

With a roar of words, Gone was shaky.

What?

Hearing this, Nalan Xinran trembled, her mind buzzing and blank.

Is this the strength of the Demon Race Supreme? He can actually bring the dead back to life...

and...in order to save me, he did not hesitate to consume his own demonic soul power and grind blood...

## **The ultimate husband in Chinese chapter 6136**

For a time, Nalan Xinran’s head was buzzing, indescribably upset.

“Why did you save me...” In the

next second, Nalan almost collapsed with joy, and shouted at Gone hysterically: “Why did you save me...why didn’t you let me die... ..” The

father died and the family was devastated.

More importantly, the enemy was right in front of him, but he couldn't kill him, and he was rescued in the end.

The more Nalan Xinran thought about it, the more sad and angry, the more she thought about it, the more miserable it became.

"I..."

Gone opened his mouth and wanted to say something, but he just said a word but couldn't go on.

At this time, Nalan became more and more excited, and continued to shout at Gone: "It's all because of you that my Nalan family suffered such a catastrophe, you made me so miserable, why did you save me, why? ..."

Phew!

Hearing these words, Gone took a deep breath and said bitterly, "Xinran, do you really hate me so much?"

Nalan Xinran was stunned.

Do you really hate him?

It was not him, and he would not escape the siege of various sects.

But... how could he be forgiven for killing his own family and his father?

This chapter is provided by . Visit for daily update.

Thinking to himself, Nalan Xinran bit her lip and nodded: "I hate it, I wish you would die immediately." Nalan Xinran almost said the last sentence through gritted teeth.

I wish you died immediately.

This sentence, like an invisible giant hammer, slammed into Gone's heart. He looked at the woman he loved in front of him, his heart was ashes, and his heart was trembling faintly.

She...she hates me so much.

Is this what love feels like?

In a trance, the appearance of Mo Yan appeared in Gone's mind, and an unprecedented sense of regret and guilt came out of his heart.

Back then, when Moyan merged with a human and gave birth to a child, he never understood as the supreme being of the demon race, and, in the end, he killed her with his own hands.

At that time, Mo Yan was as desperate as herself...

Perhaps, this is retribution. She killed her most loyal subordinate, and now, it is finally her turn.

call!

Thinking of this, Gone took a deep breath, looked at Nalan Xinran, and said slowly: "Okay, you killed me to avenge your father, this time I will remove the demon soul protection.

", I have

done a lot of evil things, and now the Nalan family is even more harmful, and you are in a situation of no redemption, and you will die. Soul Protector, smiled happily at Nalan, and then slowly closed his eyes.

Hearing this, Nalan's eyes flickered with pleasure, and his heart was too complicated to say, and he didn't know what to do for a while.

"Xin Ran!"

Seeing her hesitation, Gone opened his eyes and said helplessly: "Hurry up and die in your hands, I am willing to do so, don't hesitate."

Hearing this, Nalan Xinran 's tender body trembled, and she tightened her grip. Biting his lip, his heart became more complicated, but thinking of his father's tragic death, he subconsciously picked up the long sword on the ground.

laugh...

In the next second, Nalan clenched his teeth happily, clenched his long sword and stabbed at Gone's heart.

When he stabbed this sword, Nalan Xinran felt entangled in his heart, and his hands trembled uncontrollably. Gonie smiled and looked at her quietly, without any intention of dodging.

hum!

Just at this critical moment, suddenly, outside the dilapidated hall, there was a strong aura fluctuation, and then, the shout of the God King Haotian came: "Goni, don't hide, come out and die." The

voice Vigorous, shocking.

Dang!

Hearing this loud shout, Nalan's heart trembled with joy. At that time, the sword stabbed sideways, slashed on the column, and then bounced to the ground.

At the same time, Nalan Xinran was also secretly surprised.

Oops, this God King Haotian is here so soon?

At the same time, Gone's expression changed. He quickly reacted at that time and said solemnly to Nalan: "Haotian is chasing, hurry up and hide."

Nalan happily picked up the long sword, his delicate face full of expressions. It is stubborn: "This God King Haotian helped the head of the Wudang Sect and killed so many disciples of my family. I want revenge."

## **The ultimate husband in Chinese chapter 6137**

The

last word fell, and Nalan was ready to rush out.

Papa ...

Seeing that she didn't listen to the dissuasion, Gogne didn't hesitate, and shot like lightning, hitting several acupoints on Nalan Xinran's body.

In an instant, Nalan's tender body trembled, and she couldn't move. She was shocked and angry: "You...what are you going to do?"

Hu!

Gone breathed a sigh of relief and smiled slightly: "I lost you once just now, and I can't lose you a second time. Although you have gained half of my demon soul power, it is not enough to kill the God King Haotian. "

While speaking, Gone looked around, saw a secret passage behind the Buddha statue, and immediately hugged Nalan happily.

The secret passage was covered with slate and covered with dust, but it couldn't hide it from Gone's eyes.

Hearing this, Nalan Xinran's delicate body trembled faintly, and a strange feeling rose from the bottom of his heart...

Ka Zha Zha...

Soon, when he reached the secret passage, Gogne pushed away the slate, and Seeing that there was a secret room under the slate, Gogne did not hesitate to put Nalan into it.

"You..."

Nalan Xinran at this time, anxious and angry, coquettishly said: "Hurry up and relieve my acupuncture points."

Naturally, Gone would not listen, he smiled at that time, and said slowly: "Xinran, Don't be impulsive, the Nalan family still needs to rely on you to pass on, if you die, the Nalan family will really cease to exist."

This chapter is provided by . Visit for daily update.

At this time, Gognie temporarily forgot that the Nalan family, except Nalan, was happy, and a Nalan Wushuang.

yes....

Hearing this, Nalan's heart moved with joy, and he suddenly woke up.

The eldest brother is gone, the father is also dead, and Wushuang does not know where he is. If he commits suicide, the Nalan family will cut off the inheritance. At that time, how will they face the ancestors?

"Xinran!"

Just when Nalan Xinran was thinking about this, Gogne continued: "I owe you Nalan family too much, and I know you won't forgive me. I can only do this to wash away some sins.

"Moreover, Haotian and I are old enemies, and the grievances must be completely resolved sooner or later."

Speaking of which, Gone looked deeply at Nalan Xinran, his eyes couldn't hide the deep affection, and said with some reluctance: "It doesn't matter who wins or loses later, you must not make a sound, you must protect yourself, and don't let Haotian know that you are here." The

last sentence fell, Gone raised his hand to deploy a layer of enchantment at the entrance of the secret passage to isolate the movement in the secret room, and then slowed down. Slowly cover the slate.

“You...”

At this moment, Nalan was so excited that he couldn't help but say, “Don't go...”

To save me just now, he consumed half of his demon soul power. In this case, how could it be the opponent of the God King Haotian? Isn't this looking for death?

To be honest, Nalan had been looking forward to Gone's death without a burial, but at this moment, for some reason, he couldn't hate him.

However, an enchantment was deployed at the entrance of the secret passage, and Nalan's delighted cry was not heard by Gone at all.

“Goni!”

At this moment, in the air outside, the provocation of the God King Haotian resounded again: “The supreme demon of the dignified Demon Race, the three worlds, has become a tortoise with a shrinking head now?” The

God King Haotian wanted to rush in, but because he was afraid of Gone, he had to be cautious.

Swish!

Hearing this, Gone's face turned gloomy, and he strode out. When he went outside, he saw the God King Haotian floating in the air, wearing golden armor, shining in the sun, with extraordinary might.

Seeing Gone coming out, the God King Haotian suddenly shrank his pupils and sneered: “Finally willing to show up. I thought you were going to hide inside.”

When he said this, the God King Haotian secretly felt Gone's situation.

Soon, realizing that Gone was consuming a lot of Demon Soul power, the Haotian God King immediately had no worries.

Ha ha!

In the face of the mockery, Gone was not angry at all, and retorted: “Haotian, you are less yin and yang, but as a god king, you helped Aotian cause chaos in Kyushu and provoke grievances between various sects and the Nalan family. I'm not going anywhere yet.”

“Also, if I were the king of gods, I would have sat in the position of the emperor long ago, but you, Ao Tian and Ao Lin, were toyed in the palm of your hand, and I will stand for you. You are ashamed.”

These words pointed directly at the sore spot of the God King Haotian.

## **The ultimate husband in Chinese chapter 6138**

Shua!

At this time, the God King Haotian suddenly changed his face and stared at Gone: “Very well, when death is imminent, you dare to mock me? Die!”

Om!

The voice fell, and a powerful aura erupted from the body of the God King Haotian, and the figure turned into a golden beam, heading straight for Gone.

Not to be outdone, Gone went up to meet him, and in the blink of an eye, the two sides fought fiercely in mid-air.

At this moment, in the secret room inside the main hall.

Nalan happily sat on the ground, unable to move because of the acupuncture point, but was secretly anxious. That God King Haotian is powerful, I don't know if he has a helper or not, and Gone's strength is severely depleted, and the two sides will definitely suffer a loss...

Thinking about it, Nalan gladly tried to stimulate his inner strength and rush to open the acupuncture point.

It's just... Gogne's acupuncture technique is completely different from the acupuncture technique in the Kyushu continent. Nalan happily tried several methods, all of which have failed.

Under such circumstances, Nalan Xinran could only close her eyes and pray secretly in her heart.

Gogne, don't let anything happen to you.

Having gone through so many things today, Nalan Xinran's mood has completely changed, and unconsciously, a different kind of feeling has arisen for Gone.

At this time, the sky above the broken temple.

Bang Bang Bang...

The fierce battle between Gogone and the God King Haotian is getting more and more intense. I can see that the figures of the two sides are constantly shuttled back and forth in the air, colliding, and bursts of terrifying vibrations erupted. twisted.

At first, Gogone was able to deal with it calmly, but because half of the demon souls were missing, he gradually became a little weaker.

Haha...

God King Haotian noticed this, and he couldn't tell how excited he was. At this time, he found an opportunity to shake Gogone back, and then laughed: "Gogone, you are also doomed today, and it is meaningless to hold on. Accept your fate."

Downstairs in the last word, the divine power of the God King Haotian exploded completely, and he saw that the surrounding air was instantly stagnant.

Terrifying divine power, suppressing people panic.

hum!

The next second, the God King Haotian suddenly raised his right hand and struck Gogone with a palm like lightning.

This palm was as fast as thunder, and the distance between the two sides was very close, almost in the blink of an eye, and it arrived in front of Gogone.

Mad....

Feeling the speed of the God King Haotian, Gogone was startled, and couldn't help but scolded inwardly. At that time, he couldn't dodge, so he could only raise his hands and deploy a magic protective film in front of him.

boom!

In the next second, his palm slammed hard on the protective film, and he heard a roar. At that time, Gogone only felt that a vast and unparalleled force erupted. At that time, he groaned and took a few dozen steps back in the air.

After stabilizing his figure, Gogone only felt the magic power surge in his body, but in the end he held on abruptly.

"Haha!" The

God King Haotian smiled, looked at Gone contemptuously, and said word by word, "You haven't recovered the power of your demon soul, you are not my opponent at all, and it is too late to surrender, I will consider leaving you alive. ." The

tone was arrogant and unquestionable.

"Joke!"

Hearing this, Gone chuckled and sneered: "Haotian, you are only capable of this. When you met me in the past, you were always cautious and only looked for opportunities to make a surprise attack. I was weak and uttered wild words."

"The dignified God King Haotian will only do this kind of deceitful deeds. I don't know what people in the world will say about you..."

To the end of the mockery, Gone's eyes flickered, and he said word by word: "Even if it is The ancestors of the Great Desolation are here, and I won't frown, just because you want me to surrender, are you worthy?"

Are you worthy?

Three words, like a giant hammer, smashed into the heart of the God King Haotian.

"Okay, very good!"

In anger, the God King Haotian nodded again and again, stared at Gone, and said coldly: "Since you don't know the current affairs, don't blame me for not giving you a chance."

Kacha!

The last word fell, and the God King Haotian waved his long arm, holding a long weapon with interlaced gold and silver in his hand.

This is a halberd, with a long handle of pure gold and a silver halberd head. The golden light and the silver light correspond to each other. It is powerful. This halberd is called the Moon God Halberd. When he succeeded to the throne, he gave the Moon God Halberd to the Haotian God King.

However, Haotian God King is very conceited and rarely uses it on weekdays. At this time, he is ready to completely kill Gone, so he shows it without hesitation.

Huh ....

As soon as the Moon God Halberd came out, a chilling air instantly enveloped the world.

At this moment, Gone's deep affection suddenly became solemn.

"Goni, everything is over, accept your fate."

At this time, the God King Haotian said coldly, raised his hand and waved, the spiritual energy of heaven and earth gathered frantically towards the Moon God Halberd, and then, a golden beam burst out, Tearing apart the world, it came towards Gone.

Oops!

Feeling the power contained in the golden light, Gone's face was extremely solemn, and a trace of panic rose in his heart.

At this time, Gone didn't have time to dodge at all. He didn't have time to think about it at the time. He quickly urged all the power of the devil's soul to condense a bloody sword shadow to meet the golden light.

boom!

The blood-colored sword shadow collided with Jinmang, and a terrifying roar erupted. Then, the sound of Gonewa was knocked out and flew several hundred meters away, and finally landed in the woods to the west of the ruined temple.

"

Pfft..." At the moment of landing, Gone spit out a mouthful of demon blood, his face pale and pale, just now in order to resist the power of the Moon God Halberd, he exploded all the power of the demon soul in his body, and he was indescribable at this time. weak.

"Goni!"

At this moment, the God King Haotian slowly landed, stared at Goni, walked up to him step by step, and said lightly: "You have done a lot of evil acts, this is the inevitable result, do you have any last words? "

Hehe...

Hearing this, a smile appeared on Gone's weak face, and he slowly said, "Stop talking nonsense, and do it." It doesn't matter if he is dead, as long as he can live happily.

It's just a pity... I can't protect her in the future.

God King Haotian stopped talking nonsense, a killing intent flashed in his eyes, and immediately, the Moon God Halberd burst out in his hand.

Pfft...

This halberd directly nailed Gone to the ground, and in an instant, the demon blood sprayed out, dyeing the ground red. Immediately afterwards, the God King Haotian urged his figure, rushed to him quickly, and slapped his right palm on Gone's head.

Hearing a dull sound, Gone's whole body trembled violently, and then, a white object shimmering with light escaped from his body.

This white object, the whole body is crystal clear, the surface is surrounded by black mist, the shape is like a head, it is very strange.

This thing is Gone's unique demon spirit bone.

The Demon Lord's Spirit Bone is the source of Gone's life. As long as the Spirit Bone is taken out, it proves that Gone's lifespan has ended here, and there is no possibility of rebirth.

call!

At this moment, the spirit bone was taken out, Gone slowly exhaled his last breath, tilted his head diligently, glanced at the broken temple again, and then slowly closed his eyes.

Gladly, I tried my best.

The road in the future will be a blessing or a curse, and you have to walk by yourself.

Haha...

God King Haotian took the spiritual bone and looked at it for a moment, then he looked up to the sky and laughed.

The Supreme Being of the Demon Race, who has plagued the Divine Realm for thousands of years, finally died in my hands. This great achievement, looking at the entire Divine Realm, who can compare?

Excited in his heart, the God King Haotian glanced at Gone contemptuously, his figure exploded into the air, and finally disappeared into the sea of clouds.

.....

On the other side, in the underground secret room in the ruined temple.

Time passed slowly.

For Nalan Xinran, every minute and second passed was a torment.

call!

Finally, after an unknown amount of time, Nalan took a deep breath, and the acupuncture points on his body unraveled on their own.

However, Nalan Xinran was not excited at all, but quickly broke the barrier and rushed out of the secret passage. She has half of the power of the demon soul of Gone in her body, so it is not difficult to break the barrier.

When he arrived at the dilapidated hall outside, Nalan happily looked around and saw that the whole dilapidated temple was quiet, not a single person was seen, and he frowned secretly at that time.

Seeing this, Gone escaped from the pursuit of the God King Haotian.

As soon as this thought flashed, Nalan shook his head quickly. Gone is the enemy of the family, what is he worried about?

With mixed feelings, Nalan happily walked out of the ruined temple.

Swish!

When he got outside, Nalan was pleased to inadvertently saw the scene in the woods in the west, and suddenly his tender body trembled, and he saw a bloody figure lying quietly in the woods.

Who is not Gogne?

## **The ultimate husband in Chinese chapter 6140**

“Goni!” In the

next second, Nalan exclaimed happily and ran over quickly.

When he got to the front, Nalan Xinran couldn't stop trembling when she saw Gone's situation, and her heart was also aching.

I saw that Gone was dying in front of him, and there was a bloody mouth the size of a bowl at the mouth of his heart.

And his face was pale and pale, with no blood at all.

“You...”

Seeing him like this, Nalan was both uncomfortable and distressed. He squatted down and said that Gogne slowly hugged him: “How are you? Why is this...”

Saying this At that time, Nalan was heartbroken.

To be honest, Nalan Xinran always wanted to kill Gogne, but at this time, seeing his tragic state, he really couldn't hate it.

“Huh...” Hearing Nalan Xinran's voice ,

Gogne slowly opened his eyes, a gleam of brilliance in his eyes, and said with a smile, “Xinran...how did you come out?”

Nie paid attention to the surroundings and wanted to explore the trail of the God King Haotian.

Until now, Gogne is still concerned about the safety of Nalan Xinran.

However, he didn't know that after the Demon Lord's spiritual bone was taken out, the God King Haotian left directly.

Seeing his action, Nalan Xinran couldn't help but look around, and then said softly, “God King Haotian is not here, he should have left.” After

speaking, Nalan Xinran thought of something, and quickly tore off a piece of the skirt and went to Gogne's wound was blocked, but no matter how hard it was, the blood kept seeping out through the cloth.

“Why are you so stupid!”

Facing the situation, Nalan was flustered and uncomfortable, tears streaming down his face, and said to Gogne, “Why didn't you leave just now, you have to fight him decisively?”

With his ability, as long as he runs away , Haotian God King certainly can't catch it.

call!

Feeling Nalan's happy grief, Gogne took a deep breath and said weakly, “If I leave, what will you do? I can't let him know that you are inside...” The

voice was very small, not listening carefully. Can't hear it at all.

"Wow!"

These words completely defeated Nalan Xinran's psychological defense line. At that time, he couldn't bear it any longer, and hugged Gone tightly and burst into tears. Tears, like broken pearls, kept falling from his face.

Gogne wanted to reach out and pat her on the shoulder for safety, but when she was dying, she couldn't try any strength, smiled at that time, and whispered: "I have done so many evil things before, and I have harmed your Nalan family. It's up to you to end up like this."

"Besides, I also controlled you and your father before..." Before

he could finish speaking, Nalan smiled and shook his head with joy, "I forgive you, I forgive you. ...you don't have any trouble, promise me, no trouble..."

When he said this, Nalan happily burst into tears.

"You...forgive me?"

Hearing this, Gone's eyes glowed with joy, and he was very happy: "You really forgive me?"

Nalan hugged him tightly with joy, and kept nodding: "I forgive you, forgive you, you don't want to die, I forbid you to die, did you hear it, did you hear it..."

Phew!

At this moment, Gognie's whole body was relieved, and Nalan's willing forgiveness was the knot in his heart. Now that the knot is opened, he has no regrets.

"Xinran..."

At this time, Gone quietly looked at Nalan Xinran, his eyes full of tenderness: "I'm very happy to have your forgiveness, my Demon Lord's spirit bone has been taken away, and I can't live anymore. , I wanted to protect you for the rest of my life, but unfortunately I can't do that."

"You have to live a good life in the future, you know..." Before the

last sentence was finished, Gone's pupils were distracted, and he lost his breath in an instant.

"No..."

Seeing this, Nalan burst into tears with joy, his eyes flashing with endless grief.

He is the Supreme Being of the Demon Race, he will not die, he will not die.

At this moment, Nalan gladly just held Gone in his arms, recalling the bits and pieces of being with him before, tears flowed freely.

“Gonie, don’t die, if you hear me, open your eyes, open your eyes...”

By the end, Nalan Xinran’s voice was getting smaller and smaller, and his voice was hoarse, and he sat slumped there. , no strength at all.
