

## The ultimate husband in Chinese chapter 6151-6160

Everyone looked at each other and hesitated.

This Du Qing's strength is too strong, and there is no full confidence, who dares to come to power? "I'm coming!"

At this moment, a big man refused to accept it and rushed up, clamoring for it, and instantly fought with Du Qing. However, in less than two rounds, he was smashed and flew out by Du Qing's sharp punch.

After landing, the big man vomited blood and passed out.

In the next few minutes, several more sect masters took the stage to challenge, and without exception, these sect masters who challenged were all defeated by Du Qing!

"Hahaha..."

After winning several games in a row, Du Qing was indescribably proud, laughed and looked around, shouting, "Who else is not convinced, come up. I'll teach Du Qing at any time!"

When he said this, Du Qing was filled with fighting spirit, and his face couldn't hide his excitement.

If there is no challenge in the future, then Nalan will be his own. If it was before, I would never have dreamed that one day I will get the power of the goddess of the rivers and lakes. I am really excited when I think about it....

The last word fell, and the audience was silent. .

One minute..two

minutes..soon

, five minutes passed!

The entire venue was silent, you could hear a single drop of a needle, and the masters of the various sects in the audience all looked at each other, and no one dared to take the stage to challenge.

Before so many people went up and lost, is it shameful to go up and lose?

call!

Looking at the arrogant Du Qing in the arena, Yu Dahai took a deep breath, a sneer appeared on the corner of his mouth, and then quietly took a pill and walked up slowly.

He was taking Xiao Huan Dan, which could restore his inner strength in a short time.

On the field, Du Qing, although very strong, has been fighting several times in a row just now, and his internal strength has almost been consumed, and this is a good opportunity to make a move.

“Vice-head Yu!”

At this moment, seeing Yu Dahai coming up, Du Qing’s pupils narrowed slightly, and he said lightly, “Can you finally help yourself to play?”

Although Yu Dahai is not weak, he is not vain at all.

“Stop talking nonsense, let’s get started!” Yu Dahai didn’t bother to talk to him, he said lightly, and his face showed a bit of impatience.

Hehe...

Feeling Yu Dahai’s contempt, Du Qing’s face turned gloomy and clasped his fists symbolically: “It seems that the deputy head of Yu is very confident, then I will learn your tricks.”

Om!

As soon as the words fell, Du Qing’s internal strength exploded, and he punched Yu Dahai with a punch as fast as a meteor!

This punch is exactly Du Qing’s housekeeping stunt, Shattering Mountain Fist, which contains Du Qing’s strong internal strength. The air around him seems to be torn apart when the fist wind passes by!

Looking at Du Qing’s punch, Yu Dahai’s expression was indifferent, without the slightest fluctuation. He knew that Shattered Mountain Fist was powerful, but this type of punch was powerful but slow.

Seeing that this punch was about to hit Yu Dahai, he saw his foot slip, and he used his body technique to dodge the blow gently and skillfully.

Um?

Du Qing was very annoyed when his punch failed. Yu Dahai was very cunning. He wanted to use up the power of Shattered Mountain Fist without confronting me.

Thinking to himself, Du Qing got serious, speeded up, and punched again.

Yu Dahai still avoided fighting, and continued to dodge with his body technique.

In the face of the situation, Du Qing was very angry, and immediately broke out the Shattering Mountain Fist, punching like the wind, like a tiger descending the mountain, unstoppable.

However, no matter how many pieces Du Qing made, he was finally avoided by Yu Dahai!

Huh....

Seeing this scene, the masters of the surrounding sects all nodded in approval.

Sure enough, Yu Dahai was more experienced and chose to avoid his edge.

If it was a head-to-head fight, no one could block Du Qing's Shattering Mountain Fist.

"Bang!"

Just as everyone applauded secretly, Yu Dahai found an opportunity and slapped Du Qing on the back. Du Qing groaned, staggered back a few steps, spat out his last blood donation, and sat paralyzed. land.

With a smile on his face, Yu Dahai clenched his fists at Du Qing: "Consent!"

Du Qing's face was extremely cold, but he didn't say anything. He waved and called a few beggar gang disciples to help him down.

At this moment, none of the people present sympathized with Du Qing. You must know that in the previous few games, those who fought against Du Qing were either maimed or died.

Now that Yu Dahai didn't kill the killer, it was already kindness to keep him alive.

At this moment, Yu Dahai smiled and looked around: "Which one will come up to challenge ?

"

Suddenly, there was a burst of laughter from the horizon, and then, a figure flew quickly, with a grinning face, uninhibited, but the whole body was filled with a powerful aura.

It was Zhu Bajie!

After leaving the villa, Zhu Bajie looked around for Shennong's whereabouts, but couldn't find Shennong. He happened to pass by here, and when he saw so many sect masters gathered, he came to take a look.

Zhu Bajie likes to join in the fun the most, and when he sees the crowd set up in the ring, he is immediately itchy.

Swish!

In an instant, all the people present focused on Zhu Bajie, sensing the unfathomable strength, and they were extremely shocked in their hearts.

This.... who is this person?

What a strong strength!

Speaking of which, Zhu Bajie's name on the rivers and lakes is very loud, but after looking for Shennong to change his appearance half a year ago, many people in the rivers and lakes could not recognize it.

It was him...

At this moment, Nalan Xinran, who was tied to the side, saw Zhu Bajie, his heart trembled, and he couldn't tell whether he was happy or sad.

Nalan Xinran has always had no good feelings for Zhu Bajie. Although he is very strong and can save himself, he is famous for his lust, and it seems that it is nothing to fall into his hands and those of these hypocrites. the difference.

"Ouch!"

Just when everyone was secretly surprised, Zhu Bajie landed quickly and saw Nalan Xinran at a glance. At that time, she was stunned: "Isn't this beautiful Nalan?"

Seeing Nalan Xinran being tied up, Zhu Bajie was instantly filled with righteous indignation. , shouted angrily at the people around: "You little bastards really don't know how to pity Xiangxiyu, how can you tie up Nalan beauty? Quickly untie!" The

voice was loud and could not be refuted.

Huh....

Hearing this, everyone in Yu Dahai looked at each other in dismay, and all of them became vigilant in their hearts.

The next second, Yu Dahai took a step forward and looked at Zhu Bajie up and down: "Who is your Excellency?"

At the same time, the eyes of everyone around were also locked on Zhu Bajie.

Zhu Bajie stroked the moustache on his mouth, with a proud look on his face: "If you don't change your name, sit or change your surname, Zhu Bajie is also!"

What?

He is Zhu Bajie.

At this moment, both Yu Dahai and the masters of the surrounding sects were all shocked and shocked.

Zhu Bajie is not only powerful, but also very lecherous. Back then, Emperor Hou Yi died suddenly. It was rumored that Zhu Bajie and Chang'e secretly caused it. The matter was uproared in the rivers and lakes, who didn't know?

According to legend, Yang Jian personally took action in Beiyang Imperial City, but finally let Zhu Bajie run away.

More importantly, Yue Feng and Zhu Bajie are brothers and have a close relationship, and it is well known in all corners of the world.

Seeing the audience stunned, Zhu Bajie showed a smile and said proudly, "Now that you know who I am, it's time to let me go."

This...

Yu Dahai showed embarrassment on his face, and said slowly: "Your prestige, I am waiting for you like thunder, originally to give you a face, but the Nalan family colluded with the demons, the sin is unforgivable!"

"More importantly, she also colluded with the demons ! The Clan Supreme has a marriage contract, so if the evil demons are released, they will surely harm the rivers and lakes." The

voice fell, and the other sect masters around nodded in succession.

"You..."

Seeing that they were still slandering, Nalan's tender body trembled: "Don't spit your blood, my Nalan family has never colluded with the demons..."

These people are too hateful, and is still making a joke.

"Not bad!"

At this moment, Zhu Bajie also shouted seriously: "I think you are all out of nothing, how could the Nalan family collude with the demons? I know a little about this, it is the magic control of the demons. Patriarch Nalan, and this beautiful Nalan woman."

"In other words, the Nalan family is a victim, but in the eyes of you foolish people, they have become demons and heretics, which is really ridiculous.

"These, Zhu Bajie turned around and shouted at Nalan happily: "Beauty Nalan, don't panic, with my old Zhu here, no one can hurt you."

## **The ultimate husband in Chinese chapter 6153**

When speaking, Zhu Bajie stared at Nalan Xinran's perfect curve, secretly admiring it. gorgeous.

As expected of the goddess of the rivers and lakes, she is so down and out, yet so charming.

Hearing Zhu Bajie's words, Nalan Xinran bit her lip tightly and did not answer, her heart was also complicated.

"Your Excellency!"

At this time, Yu Dahai regained his senses and smiled wryly at Zhu Bajie: "It's not that we don't give you face, it's hard to clear her name by your words alone."

"Besides, this is in the affairs of our various sects and the Nalan family, I think, Your Excellency should not interfere." The

voice fell, and many of the surrounding sect masters couldn't help but speak.

"That's right, don't interfere."

"Who doesn't know that in the whole world, you Zhu Bajie is lustful, just because Nalan Xinran is beautiful and wants to be a hero to save the beauty?"

"Hehe..."

Everyone said The screams kept coming, Zhu Bajie's face changed, and he shouted angrily: "You guys are really toasting, not eating and drinking." After

speaking, Zhu Bajie angrily walked to the arena: "You are not putting on the ring. Well? Then I, Lao Zhu, will play with you, as long as you can knock me down, I will not interfere in

this matter." At this time, Zhu Bajie completely forgot about the search for Shennong.

This Nalan is delighted to be called the world's most beautiful. If it falls into the hands of this group of people, it will be a waste of life. No, she must be rescued.

This.....

At this moment, the masters of the various sects present, look at me, I look at you, all faces are extremely complicated, and their hearts are also extremely fearful.

This Zhu Bajie is too strong, who dares to go up and fight?

However, everyone managed to catch Nalan Xinran. If they let him take him away in vain, how would they raise their heads in the rivers and lakes in the future?

call!

At this time, Yu Dahai reacted and looked at Zhu Bajie complicatedly: "Your Excellency really wants to intervene?"

"Stop talking nonsense!" Zhu Bajie looked impatient: "Will you fight? Why are you more than women? Are you still long-winded?"

Hearing this mockery, Yu Dahai's face flushed and he was very embarrassed.

"Vice-head Yu!"

At this moment, He Mingchun strode out and shouted at Yu Dahai: "Since everyone has said so, let's all go together, so as not to be looked down upon."

He Mingchun said, Looking at Zhu Bajie again: "Your Excellency said yes, let's go together!" To be

honest, He Mingchun is also very afraid of Zhu Bajie, but now there is no other way, it's too embarrassing to back down, and there are so many people present, Are you afraid that you won't be able to subdue a Zhu Bajie?

“Come on!”

At this time, Zhu Bajie couldn't wait, and he waved at the crowd: “I, Lao Zhu, haven't fought for a long time, and today is just the time to accompany you to relax.”

He Mingchun no longer hesitated after hearing this, and rushed forward. Everyone shouted: “Since Your Excellency Zhu Bajie, let's go together, let's not be polite.” The

voice fell, and He Mingchun took the lead in rushing towards Zhu Bajie.

“Come on!”

“Together...”

Immediately afterwards, the other sect masters who were present did not hesitate, and shouted and rushed forward.

“Haha, it's good to come.” Looking at the crowd around, Zhu Bajie didn't have the slightest fear on his face, instead he showed an excited smile, shouted at that time, and fought fiercely with the crowd.

Zhu Bajie has been with Gonggong for the past few days, and his heart is going crazy. At this time, he is just venting the depression in his heart.

Bang bang bang...

I saw that Zhu Bajie's movement was like electricity, and he kept moving through the crowd. Every time his palms rose and fell, there must be a sect master who was knocked out.

It's just that there are too many masters from various sects present. One falls, and the other immediately rushes up, almost following one after another, and it is impossible to finish the fight.

Nima!

Faced with this situation, Zhu Bajie became even more anxious.

“Tiger Roaring Universe!” In the

next second, Zhu Bajie shouted and spit out four words coldly. Immediately afterwards, a loud roar of a tiger was heard, resounding through the heavens and the earth!

I saw that a huge macular tiger appeared in front of Zhu Bajie. The tiger was more than ten meters long. It was transformed from Zhu Bajie's inner strength. It was majestic and lifelike.

“Let me lie down.”

At the moment when the tiger condensed out, Zhu Bajie shouted loudly and raised his hand to point at the crowd.

## The ultimate husband in Chinese chapter 6154

“Roar!” After

receiving the order, the macular tiger roared, and the huge body exploded away, and wherever it passed, the air was torn out of terrifying cracks!

“Ah!”

The masters of the surrounding sects didn't have time to react. They only felt a flash in front of them. The macular tiger had already arrived. The terrifying impact made them unable to stand still. At that time, there were dozens of people who were directly shocked. He vomited blood, fell to the ground and passed out.

Hiss....

Seeing this scene, Yu Dahai, He Mingchun and others were secretly shocked.

This Zhu Bajie is indeed a figure who has been famous for thousands of years. He was besieged by so many people, and he was still so brave.

Phew...

At the same time, Nalan Xinran, who was watching the battle not far away, bit her lip, secretly shocked.

This Zhu Bajie's strength is really strong... It's a pity that he is too lecherous.

In shock, many sect masters slowly retreated, feeling timid.

Seeing this, Yu Dahai wiped the cold sweat from his forehead and shouted: “Don't panic, everyone, Zhu Bajie is alone, and his fists are no match for four. No matter how strong he is, it won't last long.”

Whoa...

Hearing this, many sect masters cheered up, gritted their teeth one by one, and rushed up again.

Seeing the crowd come back again, Zhu Bajie didn't panic at all, instead, his face was full of excitement, and he shouted: "Aren't you still willing to admit defeat? Well, today I will have a good time, Lao Zhu." The

voice fell, and Zhu Bajie's inner strength urged , went up and fought fiercely with the crowd.

At this time, Zhu Bajie's eyes were flickering with madness, and all the depression in the past few days was vented, and his heart was indescribably happy.

Bang Bang Bang...

A few minutes later, more than 100 sect masters were knocked to the ground by Zhu Bajie and passed out.

Mad, you can't go on like this.

Seeing this situation, He Mingchun was full of cold sweats, but he quickly thought of a countermeasure, and called at Yu Dahai in a pretentious manner: "Deputy head Yu, our skills are not as good as others, and if we continue to fight, it will only increase casualties. , I think we should admit defeat."

When he said this, He Mingchun was sincere on the surface, but secretly winked at Yu Dahai.

Yes, He Mingchun didn't want to really surrender, but wanted Zhu Bajie to relax his vigilance and make a surprise attack.

Huh ....

Yu Dahai is a smart person. Seeing He Mingchun winking again and again, he immediately understood. He took a deep breath and said to everyone: "Everyone, stop, we are not opponents, so don't be ashamed."

Hearing this Then, the surrounding masters of various sects stopped one after another.

Seeing this situation, Zhu Bajie showed a smile, and did not take advantage of the situation to pursue, and then stopped.

"Your Excellency is extremely powerful!"

At this time, Yu Dahai took a step forward, clasped his fists at Zhu Bajie, and said politely, "We three-legged cats will not be embarrassed in front of Your Excellency, we will admit defeat!"

” The masters of the sect also opened their mouths one after another.

“We admit defeat, admit defeat!”

Hehe...

Seeing them voluntarily admit defeat, Zhu Bajie showed a smile and was in a good mood. He nodded immediately and said, “It would be great to have this earlier, what a waste of my Lao Zhu’s time.”

At this time, Zhu Bajie thought that the other party was really admitting defeat.

However, Zhu Bajie didn’t notice that just when Yu Dahai and everyone conceded defeat, He Mingchun quietly went around behind him, waiting for an opportunity to raid.

“Yes, yes!”

Facing Zhu Bajie’s teaching, everyone in Yu Dahai looked like children who had done something wrong, nodding and rebuking themselves: “It’s because we were overly capable and made your Excellency laugh.”

Seeing their sincere attitude, Zhu Bajie was too lazy to talk nonsense, turned around and walked towards Nalan Xinran.

As they walked, Zhu Bajie said with a smile, “Beauty Nalan, you’re going to suffer, don’t be afraid, I’ll loosen you up.”

“You...”

Perceiving Zhu Bajie’s gaze, he was always on him. Wandering around, Nalan happily bit his lip, not happy at all, but very complicated.

“Go to hell!”

At this moment, He Mingchun, who was waiting for the opportunity, finally found the opportunity. At that time, he yelled and slapped Zhu Bajie in the back!

With this palm, He Mingchun stimulated all his inner strength.

“Om!”

I saw that the surrounding air was torn apart by this palm!

## **The ultimate husband in Chinese chapter 6155**

“Be careful...”

Seeing this situation, Nalan Xinran trembled and couldn't help but let out a coquettish cry.

Mad... Feeling the danger coming from behind, Zhu Bajie couldn't help but scolded secretly, these villains are really despicable, they admit defeat on the surface, and surprise behind their backs.

I thought to myself, Zhu Bajie wanted to dodge, but it was too late.

Bang!

This palm hit Zhu Bajie's back firmly. At that time, Zhu Bajie groaned, his body staggered, and the blood donated from his mouth spurted out, and the inner strength of his dantian was also instantly disordered.

"Haha..."

He Mingchun was smug when he succeeded in the palm of his hand, looked at Zhu Bajie and laughed: "I didn't expect that, although you are strong, your mind is too simple. Do you really think we will admit defeat?"

"This woman, We finally caught it, how can we hand it over to you?"

Yu Dahai and the others were also extremely excited, and at this moment, they showed their true colors and yelled at Zhu Bajie.

"A lecherous person should end up like this!"

"In my opinion, Zhu Bajie cares so much about the safety of this woman, so I'm afraid the relationship is not ordinary. Maybe, he is also colluding with the demons."

"That's right... ."

Everyone's ridicule, you and I came, Zhu Bajie's face was ashen and angry.

"You guys, look for it! Die!" In the

next second, Zhu Bajie looked around and said coldly. At that time, he endured the tumbling of his dantian's inner strength, raised his hand, and hit He Mingchun, who was the closest.

What?

He Mingchun was shocked. He never thought that Zhu Bajie would be able to fight back under the heavy reward. At that time, he wanted to dodge backwards, but it was too late.

Bang!

Zhu Bajie's palm hit He Mingchun's heart, and he heard a dull sound. He Mingchun's internal organs were immediately shattered.

Hiss....

seeing this scene, everyone in Yu Dahai couldn't help gasping for air.

This Zhu Bajie's strength is really terrifying, he was injured like this, and he could kill He Mingchun with one palm....Put... Killed He

Mingchun

, Zhu Bajie was also extremely weak, his body trembled, and he slumped on the ground. , his face turned pale. Just now, He Mingchun slapped his dantian and injured his dantian. Before Zhu Bajie could stabilize the situation, he forced his inner strength, causing the injury to become more serious.

Yu Dahai's eyes flickered, and he shouted with courage, "He can't do it anymore

, let's go together and kill him." When he said this, Yu Dahai couldn't help but glance at Nalan Xinran, his eyes flashing with madness.

Even if there is Zhu Bajie's rescue, what if it doesn't fall into our hands in the end?

But when he shouted, Yu Dahai kept his mind, and he was not the first to rush up. He thought about it, and let other sect masters go up to kill Zhu Bajie to consume the strength of these sect masters.

After Zhu Bajie died, the strength of these sect masters was almost consumed. At that time, what they said was what they said, and they were not afraid that they would disagree.

Wow...

Hearing Yu Dahai's cry, the masters of various sects hesitated for a while, then secretly gritted their teeth and rushed forward with their weapons tightly held.

They all knew in their hearts that if they didn't kill Zhu Bajie at this time, when he recovered, the sects present would not have a good life in the future.

It's just that they didn't know that they fell into Yu Dahai's 'drive away the tiger and swallow the wolf'.

Nima...

Looking at the people who rushed up, Zhu Bajie clenched his fists tightly, holding back his fire and reluctantly.

After so many years in the arena, do you want to die at the hands of these shameless villains?

Thinking to himself, Zhu Bajie looked at Nalan Xinran not far away, and smiled bitterly: "Beauty Nalan, it's all my fault, Lao Zhu, for underestimating the enemy. Otherwise, these stinky fish and shrimp would have been cooked a long time ago."

Listen to him Having said that, Nalan Xinran felt bitter in her heart.

hum!

Seeing that Zhu Bajie was about to die under the chaos of the crowd, suddenly, there was a wave of aura not far away, and then everyone's eyes flashed, and an old man appeared beside Nalan Xinran.

Immortal style and bone, temperament is dust-free, who is not Shennong?

"Senior Shennong!"

Seeing Shennong, Nalan trembled with joy, and couldn't help but shout.

Zhu Bajie was also stunned for a moment, then said with great joy: "Oh, old man Shennong came just right, come and help me Lao Zhu."

## **The ultimate husband in Chinese chapter 6156**

When speaking, Zhu Bajie was very excited.

Haha....

I was looking for Shennong everywhere, but I didn't expect him to appear.

With Shennong here, you don't have to worry.

This...

At this moment, when I heard Zhu Bajie's name, whether it was Yu Dahai or the other sect masters present, they were all secretly surprised, looking at Shennong one by one, speechless.

This old man is Shennong who is famous all over the world and is respected as the ancestor of medicine by the world?

Just when everyone was shocked, Shennong arrived in front of Nalan Xinran, looking at the scene in front of him, very different: "Girl Nalan, what's going on?"

"Didn't you return to the Nalan family? Why are you here? Caught?"

Two days ago, Gone found the place where Shennong lived in seclusion. At that time, Yue Feng and Zhu Bajie joined forces to resist, but Gone's strength was too strong. Nalan readily appeared at the critical moment, disrupting Gone's rhythm. Let Yue Feng have the opportunity to hit him hard.

Later, Gone escaped injured, and Nalan happily returned to the family.

Shennong still remembered the scene at that time, but he never thought that he would meet him here today, and Nalan was also arrested.

Not only was Nalan Xinran arrested, but Zhu Bajie was also injured.

call!

Hearing the inquiry, Nalan Xinran felt desolate in her heart, and endured the heartache and said: "Senior does not know, my Nalan family was besieged, and there were countless deaths and injuries. I escaped."

This chapter is provided by . Visit for daily update.

Nalan Xinran wanted to say that he was He was rescued by Gone, but he had a special status and was already dead, so Nalan gladly kept his mouth shut.

What?

Shen Nong was secretly taken aback: "Who is besieging your Nalan family?"

Nalan gladly did not answer directly, but looked at Yu Dahai and the others not far away, with endless shame and anger in his eyes: "It's these selfish people. A decent hypocrite."

Hearing this, Shennong became furious and looked at Yu Dahai and the others with burning eyes.

Gudong....

I have to say, Shennong's aura is very strong, feeling his gaze, everyone in Yu Dahai is inexplicably flustered, and many people are secretly swallowing saliva.

The next second, Yu Dahai hurriedly explained: "Senior Shennong, don't listen to this witch's nonsense. Their Nalan family colluded with the demons in an attempt to bring harm to the rivers and lakes. This kind of scum will be punished by everyone."

"Nonsense!"

Listen ! At this point, Shen Nong frowned and couldn't help shouting angrily.

At the same time, Zhu Bajie couldn't help but scolded: "Put Nima's bullshit, I, Lao Zhu, said before, that the Supreme Demon Clan controlled the Nalan Patriarch, and this Nalan beauty, how come? Collusion?"

"It's clear that you guys have bad intentions and want to plot against Nalan beauty."

Shah!

When Zhu Bajie said the central matter, Yu Dahai and others all blushed and embarrassed.

But soon, someone in the crowd reacted and couldn't help but retorted: "Zhu Bajie, are you too embarrassed to talk about us? Didn't you intervene because Nalan Xinran was so beautiful?"

"Go to Nima!"

Zhu Bajie cursed loudly, and looked around the crowd, trying to find the man: "Don't take me Lao Zhu, and compare it to you shameless people, one thing in front of

you and another behind the other." "Everyone!"

At this moment, Shennong took a deep breath, calmed himself secretly, and said to the crowd: "I know best about the Nalan family, and it was the old man who found out that the Nalan patriarch was controlled..."

Saying that, Shennong said. Briefly explain the situation at the time.

At the end of the conversation, Shennong waved his hand: "This was originally a misunderstanding, so you should all leave."

This....

Hearing Shennong's words, Yu Dahai looked at each other in dismay, and all of them were extremely complicated.

Senior Shennong is highly respected, and his words will definitely not be false.

It's just... that

everyone finally caught Nalan Xinran, and it was too unwilling to let her go.

"Vice-head Yu." At this moment, a sect master couldn't help but whispered: "In my opinion, we don't need to give face to this Shennong, he is only high in medical skills, it's hard to say how strong we are, we have so many Man, why are you afraid of him?"

When he said this, his voice was so small that only he and Yu Dahai could hear it.

## **The ultimate husband in Chinese chapter 6157**

Yes!

Hearing this, Yu Dahai's eyes flashed, and he made up his mind silently.

Although this Shennong is famous all over the world, his medical skills are only formidable. If he really wants to fight, he is not necessarily an opponent if he swarms him.

The big guy has been tossing for so long, and he can't come back empty-handed.

Thinking to himself, Yu Dahai squeezed out a smile and clenched his fists at Shennong: "Senior Shennong, it stands to reason that we should follow your teaching, but... this matter is very important, and it is only up to you and Zhu Bajie. It's not enough to convince everyone."

"Well, Nalan is happy that we will take her away for interrogation. As long as we make sure that their Nalan family has not colluded with the demons, we will let her go. Don't worry, we will not hurt her. "

When he said this, Yu Dahai gestured to everyone behind him.

The masters of the various sects suddenly understood, and slowly surrounded Shennong, only when the opportunity was ripe, they swarmed up.

Swish!

Who is Shennong? When I saw their actions, I guessed something. At that time, my face became gloomy, and I said coldly: "Since you are obsessed, don't blame the old man for being rude."

At this time, Shennong was very angry, don't think about telling the truth. , these people will retreat.

But they never thought that they would be so daring and want to do something to themselves.

“Old Shennong.”

Seeing this situation, Zhu Bajie couldn't help but shouted: “Why are you talking like a woman, talking to these shameless villains? Hurry up and kill them. “

Just now, it was because of laxity that He Mingchun succeeded in a sneak attack. With a lesson, this kind of thing must never happen to Shennong.

This chapter is provided by . Visit for daily update.

hum.

Hearing Zhu Bajie's shouting, Shennong was no longer talking nonsense. He suddenly raised his hands and muttered something in his mouth. In an instant, a powerful aura erupted from his body.

Just saw that under the surging breath, the surrounding vegetation quickly withered at the speed seen by the naked eye.

Huhuhu...

The next second, in the withered grass, a white mist and miasma quickly rose up. The mist and miasma seemed to have spirituality. Driven by Shennong, it quickly floated towards Yu Dahai and everyone.

This method of turning wood into poison was actually fought by Shennong once.

Back then, Yue Feng took Chang'e and hid in Shennong's seclusion in Buzhou Mountain. Yang Jian led an army to arrest him. At that time, the situation was extremely critical. Shennong directly ran the exercises and turned the surrounding vegetation into highly poisonous.

At that time, Shennong had to do this for the safety of Yue Feng and Chang'e.

And the people in front of Yu Dahai are all benevolent, righteous and moral on the surface, but they are despicable and shameless.

what is this?

Seeing the white mist floating, everyone in Yu Dahai was puzzled and panicked for no reason.

Puff, puff...

The white fog miasma seems to be slow, but it is in front of you in the blink of an eye. Many sect disciples have breathed the miasma, and they fell to the ground before they could react. .

“This... this white fog is poisonous.”

“Run... run quickly.”

Soon, those who did not inhale the miasma quickly reacted, shouting in panic, and fled around. However, Shennong did not give them a chance to escape at all.

chi chi chi...

At this moment, Shennong picked up a dozen leaves at will, raised his hand and waved, and suddenly, a dozen leaves let out a scream, like a sharp blade, killing those who escaped.

In less than a minute, everyone present, including Yu Dahai, failed to escape. There were corpses everywhere on the hillside, and blood donations completely stained the ground.

Hiss....

Seeing this scene, Nalan Xinran trembled, staring blankly at Shennong, indescribably shocked.

I really didn't expect that Senior Shennong, who seemed kind and kind-hearted on weekdays, would kill people, and it would be so terrifying, so many sect masters, but none of them survived.

“Haha...”

At this moment, Zhu Bajie laughed loudly, nodded at Shennong and said, “It's really happy.”

Shennong looked indifferent, walked over to untie Nalan Xinran, and then untied the acupuncture point.

Afterwards, Shen Nong gave Nalan Xinran a pulse, and took out an elixir from his body: “Take this elixir, you will be better.”

“Thank you, senior!”

Nalan happily thanked and swallowed the medicinal pill at random.

Seeing this situation, Zhu Bajie couldn't help shouting: “Old Shennong, and me, give me an elixir too. My old Zhu is not seriously injured.”

He was hit in the back by He Mingchun just now. Injured the heart dantian.

However, Shen Nong glanced at her lightly: “You have deep internal strength, you can recover on your own, so don't waste my medicinal pills.”

Damn...

Hearing this, Zhu Bajie was very depressed: ” Okay, old Shennong, why do you still treat him differently?”

After speaking, Zhu Bajie meditated cross-legged, silently calming down the disturbed inner strength of his dantian. Because he knew that Shennong said that if he didn't give it, he really didn't give it.

After a few minutes, Zhu Bajie recovered a lot and stood up slowly.

oops!

That is to say, Zhu Bajie thought of Gonggong, and immediately patted his forehead, then walked over quickly, and couldn't wait to urge Shennong: “Old Shennong, hurry up, hurry up and save people.”

While saying, Zhu Bajie once again blamed himself.

Just now I was only concerned with rescuing Nalan Xinran, how could I forget about the Gonggong thing.

save people?

At this moment, Shennong was stunned for a moment, and said in amazement: “Who are you saving?”

He knew Zhu Bajie best, and he was alone and had no worries. Apart from liking beautiful women and playing chess, he had no other hobbies. However, the leaves do not stick to the body.

Moreover, there are not many friends, who can he save?

Zhu Bajie was so anxious: "Of course it's to save my wife and the child in her womb."

What?

Shen Nong was stunned for a moment, thinking that he had heard it wrong.

When did Zhu Bajie have a wife and children?

At the same time, Nalan Xinran also frowned slightly, secretly curious in her heart.

This Zhu Bajie is lustful and romantic, that woman who is blind will marry him?

call!

Finally, Shennong took the lead in reacting and said to Zhu Bajie, "Why didn't I know that you have a wife? And you have children?"

After saying that, Shennong said sternly: "Zhu Bajie, you don't like that husband. Wife, I told you, you should stop as soon as possible this kind of detrimental thing, and I will not save it."

In his understanding, Zhu Bajie could not marry a wife and have children. , must be in love with which beautiful daughter-in-law.

"Oh!"

Seeing Shennong saying this, Zhu Bajie couldn't help laughing and laughing, and patted his thigh anxiously: "What kind of married woman is really my woman, and she is pregnant with my child."

"Who?" Shennong's interest He was suddenly hung up and asked quickly.

This...

Zhu Bajie scratched his head, hesitated, and said, "It's Gonggong." When the voice fell, Zhu Bajie lowered his head, very depressed.

You must know that he and Shennong and Gonggong are not strangers, especially with Gonggong, they can be said to be old enemies, and they will fight as soon as they meet.

But now, Gonggong has become his own woman and is pregnant with a child...

What? Is his wife a co-worker?

At this moment, Shennong was stunned, and he did not recover for a long time.

Hahaha....

After a few seconds, Shennong couldn't help laughing, and jokingly said to Zhu Bajie: "You have been so romantic, why did you end up in the hands of the Gonggong woman?"

Gonggong With an arrogant personality and ruthless methods, Shennong has never had a good impression of her.

Uh....

Facing the ridicule, Zhu Bajie became even more depressed, scratching his head and smiling contemptuously: "It was an accident, it was purely an accident."

After speaking, Zhu Bajie took Shennong's hand: "Okay, no Having said that, you can come with me quickly to see what's going on."

Finally, Zhu Bajie told Gonggong's symptoms.

After learning about the situation, Shennong pondered a little, then smiled and said, "According to the old man's speculation, Gonggong and the child are not in danger, so you don't have to worry too much."

"Well, let's escort Nalan girl back to the family first, then I I'm following you to see Gonggong."

Phew!

Seeing what Shennong said, Zhu Bajie's heart finally fell to the ground, and immediately nodded with a smile: "This is natural."

After saying that, Zhu Bajie and Shennong accompanied Nalan back to the family happily.

After ten minutes, the three finally arrived at the Nalan family.

This...

At this moment, Zhu Bajie and Shennong were stunned when they saw the scene in front of them.

I saw that the entire Nalan family manor was in a mess, blood donations and traces of fighting were everywhere, and even the air was filled with a strong smell of blood.

Obviously, the Nalan family not long ago experienced an extremely tragic slaughter.

What made them feel strange was that after such a tragic fight, there was not a single corpse in the entire Nalan family's manor.

"Why is there no one?" Zhu Bajie frowned and couldn't help speaking.

call!

Shen Nong took a deep breath, feeling strange too, and asked Nalan Xinran, "How many people were in your family when you escaped?"

Nalan Xinran bit her lip, unable to hide her grief and anxiety: "At that time, there were still people in the family. Many people resisted."

With that, Nalan quickly rushed into the backyard.

Zhu Bajie and Shennong looked at each other, and without thinking, they quickly followed.

As a result, the backyard was also empty, and there was not a single person in sight.

"Is there anyone?"

Nalan Xinran became anxious all of a sudden, and kept calling out, "Is there anyone else?" When he called, Nalan Xinran almost cried.

Could it be that, except for himself, all the clansmen died?

At this moment, Zhu Bajie and Shennong also searched everywhere, even Furong Garden, but as a result, there was no one in the entire Nalan family.

Not even half of the corpse could be seen.

"Is there anyone else? Is there anyone alive?" Nalan called out happily, her delicate face showing incomparable anxiety.

At this moment, Zhu Bajie shouted from the back mountain: "There are clues here."

Huh....

Hearing this, Nalan Xinran and Shennong hurried over.

When he arrived at the back mountain clearing, Shennong was stunned by the scene in front of him.

Nalan Xinran's body trembled, and she slumped on the ground. At that time, she couldn't control it, and burst into tears.

I saw that the back mountain was densely packed with thousands of graves lined up. These graves were obviously newly buried, the soil was still a little damp, and the air was filled with the smell of soil and blood.

In front of each tomb, there is a sign with the name of the deceased on it.

In front of the tomb in the middle of the first row, the sign reads 'The Tomb of Nalan Hongzheng'.

Thousands of tombs, this scene is really shocking, even the well-informed Shennong and Zhu Bajie were shocked when they saw the scene in front of them.

At the same time of shock, the two were also suddenly in their hearts.

No wonder half of the corpses were not seen. It turned out that they were all buried.

In contrast, Nalan Xinran only had endless grief in his heart.

"Father!"

At this moment, Nalan happily walked over slowly, facing Nalan Hongzheng's tomb, and wept bitterly: "It's all daughters, daughters are late for being unfilial..." The

tears were like broken pearls, and they kept coming. It slipped from Nalan Xinran's face, heartbroken.

well!

Seeing this, Shennong wanted to comfort him, but he didn't know how to speak, so he could only sigh.

Zhu Bajie also put away his condescending appearance and stood silently by the side. Suddenly, he found something, walked over quickly, pointed to the wooden sign and said, "Look at the inscription and sign, there are still people alive."

At this moment, satisfied Lan Xinran and Shennong both looked at it subconsciously, but when they saw it, Nalan Xinran's body trembled, and his brain was buzzing.

I saw a few small characters clearly written on the pen below the wooden sign.

“Unfilial looking for a daughter Nalan Wushuang question.”

It is Wushuang! She is still alive.

After a few seconds, Nalan calmed down with joy and was extremely happy.

Yes, these tombs were dug by Nalan gladly with the help of the Rakshasa cavalry. At that time, they defeated Prince Aotian and the major sects. Nalan Wushuang looked at the corpses and was heartbroken.

After a few words of comfort, Tie Bowen ordered the cavalry of the Rakshasa clan to bury the dead disciples of the Nalan clan in the mountains behind.

After doing this, Tie Bowen and Nalan Wushuang took tens of thousands of cavalry and rushed to Shenlong Island and Wen Chou Chou for the round. After all, Tie Bowen was on the order of Mona to help Yue Feng and Tianmen. of.

“It turned out to be the Wushuang girl.”

At this time, Shen Nong reacted and spoke slowly, his eyes full of approval.

Nalan readily stopped her tears and said worriedly, “But where is she now?” As he spoke, there was deep worry in his eyes.

Wushuang Jianghu is inexperienced, will something go wrong.

Shennong smiled and comforted: “Unparalleled girl, you are smart and courageous. I don’t think anything will happen.

Let’s go with this old man first.” Wushuang girl, how?”

Shennong couldn’t bear to see Nalan Xinran alone and helpless.

“Okay!”

Nalan nodded happily: “Thank you, senior.”

After deliberation, the three set off again and hurried towards Zhongzhou.

.....

On the other side, Shenlong Island.

In the forbidden area at the rear of the main hall, under the command of Yue Feng, many dragon warriors placed the dragon spar pieces according to the rules. It took more than half a day to complete a huge teleportation formation.

Whoa!

At this moment, Wen Chou Chou, Sun Dasheng, and many warriors of the Shenlong Clan were all excited.

This chapter is provided by . Visit for daily update.

Yue Feng also had a smile on his face, nodded in approval and said, "As expected, a large number of people are powerful, and such a large teleportation formation would take at least two days for me, and now it will be completed in half a day."

At this time, Yue Feng was very worried. Relaxed and happy.

The teleportation array has been deployed, and after it is opened, you can return to the realm of the gods.

"Without your deployment, no matter how many we have, it's useless." This is, Xian Di smiled lightly, looking at Yue Feng's eyes, full of praise and appreciation.

Yue Feng is worthy of being the number one person in Kyushu. In such a large teleportation formation, within Kyushu, he is probably the only one who can do it.

Hearing the praise, Yue Feng smiled and was about to answer.

Om....

However, at this time, a very strong power fluctuation suddenly came from the sky above the main hall in front of him. In an instant, Yue Feng and everyone were secretly surprised.

At this time, a Shenlong warrior ran over quickly, with a solemn face, and said to Xiandi: "Your Majesty, there are many gods and soldiers from Qintianjian. They... surrounded Shenlong Island."

What? ?

Hearing this, everyone, whether it was Xian Di or Yue Feng, was shocked.

The next second, Yue Feng and Xian Di looked at each other and hurried to the main hall.

Wen Chou Chou and Sun Dasheng also quickly followed.

Mad!

When he arrived at the square in front of the main hall, seeing the scene in front of him, Yue Feng frowned secretly and couldn't help but curse.

Are these god soldiers and generals of Qin Tianjian, a dog's nose, so clever? Found here so quickly.

Wen Chou Chou and everyone's expressions changed.

It was seen that tens of thousands of divine soldiers and generals were suspended in mid-air and surrounded Shenlong Island.

Headed by a few divine generals in golden armor, their bodies were surging with divine power, and their momentum was astonishing.

"Yue Feng!"

At this time, seeing Yue Feng appearing, the leader of a god general showed a playful smile on his face: "You finally showed up. We have spent a lot of time in Tianjian in order to catch you."

This god general is called Zhan Wuji is the right-hand man of the Haotian God King, and is widely used.

Ha ha!

Hearing this, Yue Feng took a step forward and said with a faint smile: "Really? It seems that my cards are not too small. You have so many gods and gods to catch me."

After speaking, Yue Feng looked around: "Where is the God King Haotian?" As he said that, Yue Feng's mind quickly turned, thinking about countermeasures.

There are so many gods and soldiers on the other side, if they really fight, even if the elites of Shenlong Island are all out, it is difficult to win.

Zhan Wuji's face was cold and arrogant: "To deal with you, why should our Highness the King of God personally take action? Yue Feng, those who are sensible should be captured, otherwise, Shenlong Island will be razed to the ground."

Yue Feng's mouth twitched as he was about to answer.

However, at this moment, Xian Di walked out quickly, stared at Zhan Wuji, and shouted: "What a big tone, Shenlong Island is the place of our Qinglong family, it's not your turn to be presumptuous."

“Leave quickly, otherwise You are at your own risk.” The

voice was not loud, but it spread throughout Shenlong Island.

I have to say that Xiandi has a strong aura. As soon as these words came out, the tens of thousands of divine soldiers present felt the pressure of a powerful divine dragon.
