Call!

Seeing this scene, Yue Feng and Ying Kuang both frowned secretly.

Are the hearts of these guardsmen made of stone? So many refugees were turned away...

especially Ying Kuang, who, as a young emperor, cares about the people. Seeing this, he was instantly furious, and he stepped up to the city gate and shouted at the soldiers above, "Open the city gate immediately." The

voice was not loud, but it gave off an unquestionable aura.

Yue Feng walked over and stood behind Ying Kuang.

Swish!

In an instant, the soldiers guarding the city gate all focused on Ying Kuang, each with an extremely complicated expression.

Where's the kid from?

He looks young, but he has a lot of momentum.

The next second, a soldier came to his senses and waved his hands angrily: "Go, go, the city gate can't be opened, you have to escape and go somewhere else .

"

Ying Kuang was so angry that he said loudly: "So many people, where do you want them to flee? Are you doing things for the people like this while you're on military pay?"

Ying Kuang's eyes turned a little red when he spoke.

I thought I would be able to enter Xuanguguan smoothly, but I never thought that the gates of the city were closed, and the people's lives were not cared at all.

"Haha!"

In the face of Ying Kuang's reprimand, the soldier chuckled with impatience on his face: "A child is not too small, but he still wants to teach me a lesson? Tell you, this is our general's order. arrest you."

In his eyes, Ying Kuang was just a child, and he didn't need to take it seriously.

At the same time, the other soldiers on the city gate also looked contemptuous.

"Hurry up, kid."

"Don't make trouble here."

"That's right, don't even look at where this is..." The

soldier's mockery, you and I came, and Ying Kuang's whole body trembled with anger. ,
Angry: "Arrest me? I'm afraid you don't have the qualifications."

Huh?

Hearing this, all the soldiers were stunned, thinking that they had heard it wrong.

Are you not qualified?

This kid is young and has a crazy tone.

"What's the matter?"

At this moment, a soldier captain appeared at the city gate, frowning and asked, "What's the noise?"

"Captain!"

A soldier quickly pointed to Ying Kuang under the city gate, He responded, "This kid is making trouble here, and his tone is very loud..." After speaking, he repeated the situation.

Swish!

Knowing the situation, the soldier captain looked up and down at Ying Kuang, and said coldly: "Boy, do you know where this place is, and dare to make trouble here, have you thought about the consequences?"

When he spoke, the soldier captain couldn't help but look He looked at Yue Feng behind Ying Kuang.

Ying Kuang was too lazy to talk nonsense, and said word by word: "If I remember correctly, the guard of Xuangu Pass is called Wang Huacheng, let him come out to see me immediately, there must be no mistake." The

tone was firm and unquestionable.

Um?

Feeling Ying Kuang's temperament, the soldier captain was stunned for a moment, and then sneered: "What a ignorant boy who dares to call the general by his name. Who do you think you are? A royal family member?"

When speaking, the soldier captain His eyes were full of contempt.

The boy in front of him seems to have a good temperament, but he is definitely not a member of the royal family, because I just got the news that after Ji Beiye invaded the imperial capital, the members of the royal family did not have time to escape and were almost slaughtered.

Ying Kuang was too lazy to talk nonsense, and said coldly: "Stop talking, let Wang Huacheng get out."

"Okay, okay!"

At this moment, the captain of the soldiers was also angry, and sneered: "What a boy who doesn't know whether to live or die, go, take it out. He took it down for me, tied it to the city gate and showed it to the public, I want to see who else dares to make trouble again."

Whoops!

When the words fell, several soldiers drew out their long knives, rushed down quickly, and surrounded Ying Kuang and Yue Feng.

Seeing this situation, the people gathered around were all shocked and quickly retreated to the distance, for fear of being affected by the fish pond.

Ying Kuang did not panic at all. Looking at the soldiers who were surrounding him, he shouted loudly, "You guys are bold, I am a relative of the royal family, let's see who dares to do it." When the

voice fell, Yue Feng couldn't help but say: "As the soldiers guarding the gate, you stopped so many people here, and now you have to take action on a child, is this your duty as a soldier?"

The ultimate husband in Chinese chapter 6252

Speaking of which, Yue Feng didn't want to waste his words, but the situation in front of him was really unbearable.

"Haha..."

The captain of the soldier, standing on the city gate, had a lofty attitude: "You said you are a royal clan? I think it looks like a spy sent by Ji Beiye.

"If there is this man, don't let him run away."

Whoa!

The last word fell, and several soldiers wielded long knives and slashed at Yue Feng and Ying Kuang.

What a bunch of idiots.

Faced with this situation, Yue Feng was very helpless. He cursed inwardly, and quickly stood in front of Ying Kuang and fought with several soldiers.

Bang Bang Bang...

Although Yue Feng's Primordial Spirit has not recovered, it was a piece of cake to deal with these soldiers. In less than two breaths, a few dull sounds were heard, and several soldiers were all over the place. He was knocked to the ground, unconscious.

Yes, Yue Feng did not kill the killer, otherwise, these soldiers would have died.

call!

Seeing Yue Feng being merciful, Ying Kuang did not agree with him. He couldn't hide the anger on his face, and said, "These soldiers, regardless of the life and death of the people, are extremely abhorrent, and they don't need to be spared."

Hearing this, Yue Feng was stunned for a moment. Immediately smiled: "You are young, don't be so serious about killing."

Ying Kuang opened his mouth and fell into deep thought.

This chapter is provided by . Visit for daily update.

What?

At this time, the captain of the soldiers on the city gate was shocked when he saw that Yue Feng had dealt with a few soldiers lightly.

This person looks unremarkable, but his strength is so strong?

Before he could see how he made his move just now, several soldiers fell...

"Okay!"

Under the shock, the soldier captain realized something and pointed at Yue Feng and shouted: "It really is the Ji Beiye faction. Here comes the spies, come here, come here for reinforcements." The

voice fell, and the captain of the soldiers sounded the horn for help.

Wow...

In an instant, more soldiers came quickly, hundreds of them, besieging the two of Yue Feng.

"Rebel!"

Seeing this situation, Ying Kuang's whole body trembled: "These soldiers are really rebelling."

Yue Feng calmly said, "Don't panic, there is me."

Om!

When the voice fell, Yue Feng moved his figure, like a tiger entering a flock, and fought fiercely with the soldiers. I saw his figure in the crowd, constantly shuttling back and forth. Every time he made a shot, a soldier must be knocked to the ground.

Seeing Yue Feng so brave, Ying Kuang was indescribably excited, and his eyes also shone with scorching brilliance.

This person is so powerful, it would be great if he could be his own master.

It's a pity that he is a man from heaven.

"Ah!"

"Ah..."

Within two minutes, more than half of the hundreds of soldiers were knocked down by Yue Feng, and they fell to the ground one by one, screaming and suffering.

The remaining soldiers, seeing that Yue Feng was so brave, were also terrified. They circled around and did not dare to rush forward.

At this time, Wang Huacheng heard the movement and rushed over, asking loudly, "What happened?"

"General!"

Ji Beiye's spy, who wants to enter the pass, has a big voice, and this big one is also very powerful, and has already hurt many of our soldiers..."

Ji Beiye's spy?

Hearing this, Wang Huacheng's face changed, his expression suddenly complicated, and then he looked at Yue Feng and Ying Kuang.

The moment his eyes fell on Ying Kuang, Wang Huacheng's heart trembled.

Your Majesty... Your Majesty?

As the guardian of Xuanguguan, Wang Huacheng had to return to the imperial capital every three months to report the situation before the imperial capital was destroyed.

Swish!

At this time, Ying Kuang also looked Wang Huacheng at a glance, and said coldly: "Wang Huacheng, do you still recognize.... Do you recognize this prince?" He wanted to say "I", but thinking of Yue Feng next to him, he changed it in time. mouth.

Speaking of which, Ying Kuang had a very good impression of Yue Feng, but in his heart, Yue Feng was someone who was far from heaven, contrary to the royal family's stance, and would never become friends anyway.

In this case, Ying Kuang would naturally not let Yue Feng know his true identity.

The ultimate husband in Chinese chapter 6253

This prince?

Hearing Ying Kuang's words, Wang Huacheng was stunned, what's the situation? Why does His Majesty call himself a lord?

But soon, Wang Huacheng reacted.

Now that the imperial capital has been breached, His Majesty is escaping among the common people. In order to maintain the dignity of the royal family, it is reasonable to call himself a prince.

Thinking to himself, Wang Huacheng nodded quickly and complimented: "So it's the little prince, these subordinates are blind, offend the prince, and ask the prince to be generous and kind, and spare them." As he

spoke, Wang Huacheng walked over quickly. , bowed down to Ying Kuang.

What?

Seeing this situation, the captain of the soldier, the surrounding soldiers, and the common people who fled far away were all stunned, and looked at Ying Kuang blankly, shocked.

This child... is really a prince!

They don't even know that Ying Kuang's true identity is more noble than the prince.

Um!

Seeing Wang Huacheng's attitude, Ying Kuang nodded: "Get up, now is a special period, so you don't need to be so polite." When speaking, Ying Kuang also secretly applauded.

This Wang Huacheng is not stupid enough to reveal my true identity.

"Thank you, Your Majesty... Thank you, Your Highness."

Wang Huacheng responded and stood up cautiously.

This chapter is provided by . Visit for daily update.

At this time, the soldier captain came over and couldn't help asking: "General, this..." At this time, the soldier captain was full of doubts. In his memory, most of the princes in the royal family were already adults. .

Never heard of such a little prince.

Snapped!

Just before he could finish speaking, Wang Huacheng suddenly raised his hand and slapped the soldier captain fiercely. He heard a crisp sound, and the soldier captain turned around three times, and half of his face was swollen.

In an instant, many soldiers around were also silent like a cicada, and they did not dare to let out the air.

"You bastard!" Wang Huacheng scolded

: "Are you blind? The little prince doesn't even know him, yet he dares to do it. You have a hundred heads, and it's not enough to chop.

"

The soldier captain's legs softened, he quickly knelt on the ground, and pleaded at Ying Kuang: "The little one has no eyes and has offended the prince. I implore the prince to open up and spare the little one's life.

"In the mood to care about this, he waved his hand: "Those who don't know are innocent, get up." Having

said that, Ying Kuang looked at the people behind him, and said to Wang Huacheng, "Wang Huacheng, immediately open the city gate and let the people pass through. Although he is young, he has long been determined to be a good emperor who loves his people like a son. At this time, seeing so many people displaced, he is very uncomfortable.

Um!

Seeing this scene, Yue Feng, who was standing silently on the side, couldn't help nodding his approval.

Although he is just a little prince, it is rare to always care about the people.

This...

However, upon hearing Ying Kuang's order, Wang Huacheng looked embarrassed, lowered his head and said complicatedly: "My lord, this... This city gate can't be opened."

Hearing this answer, Ying Kuang's face changed. Change, very involuntarily: "Why can't it be opened?"

At the same time, Yue Feng also frowned.

The imperial capital has been breached for a few hours, and Ji Beiye's army may approach Xuangu Pass at any time. If you don't open the city gate at this time and let the people in, it will be too late.

And this Wang Huacheng, can't say it?

call!

Wang Huacheng didn't look at Ying Kuang, took a deep breath, lowered his head and said, "My lord doesn't know anything, I got the news that Ji Beiye sent spies to infiltrate these people. Once I open the city gate and let them in, the consequences will be unimaginable. Ah."

There is such a thing.

Hearing the answer, Ying Kuang's expression became solemn.

At this time, Wang Huacheng took the opportunity to say: "Don't worry, my lord, I, Wang Huacheng, have a heavy responsibility, and I will never let the enemy infiltrate the Xuangu Pass, but I will not let these innocent people stay out of the pass."

"I have already begun to deploy and prepare. Let the soldiers set up checkpoints and strictly search and interrogate every citizen who wants to pass the checkpoint. Therefore, the lord doesn't need to worry anymore."

Hmm!

Hearing this, Ying Kuang nodded: "This is the best way."

"Your Highness has worked hard all the way, but you should follow me first." Wang Huacheng saw that the time was ripe, and hurriedly said: "I will go to the people's business soon. manage."

The ultimate husband in Chinese chapter 6254

When he said this, Wang Huacheng looked complimented, but slyness flashed in his eyes.

Ying Kuang nodded and followed Wang Huacheng into Xuangu Pass.

call!

At this moment, Yue Feng secretly let out a sigh of relief, but he felt something was wrong in his heart.

If this Wang Huacheng was sympathetic to the people, he should have set up a card during the day, so why wait until now to talk about these scenes?

There must be a problem with this.

I thought that sending this little prince to Xuanguan would complete the task of Tuogu, but now it seems that things are more complicated than imagined.

Muttering in his heart, Yue Feng slowly followed.

"Your Highness!"

At this moment, Wang Huacheng looked back at Xia Yuefeng, and asked tentatively, "This is..."

This man was dressed in strange clothes and looked very special, not like a master guard in the palace.

“He...”

Ying Kuang thought for a while and said lightly: “He is my personal bodyguard. In order to avoid being discovered by Ji Beiye’s rebels, he specially dressed up.”

This Yue Feng is a person from Heaven. The identity has been exposed, and can only make up a reason.

After speaking, Ying Kuang glanced at Wang Huacheng: “What? Is there any problem?”

This chapter is provided by . Visit for daily update.

” is disdain.

If it’s just a bodyguard, then there’s nothing to worry about.

Soon he arrived at the courtyard hall where Wang Huacheng was resting.

“Wang Huacheng!”

At the moment of entering the hall, Ying Kuang sat on the main seat without hesitation, and said to Wang Huacheng: “You can help contact the King of Shaoyang.” Among the kings, the king of Shaoyang has a great talent and a talent for governing the army. He is the only one. To expel the rebels and restore the rule of the Dayan Dynasty.

“Okay!”

Wang Huacheng responded with a pleasing gesture: “I’ll do it right away. Speaking of which, two hours ago, I sent someone to contact King Shaoyang. At that time, the whereabouts of the prince were unknown, and his subordinates were very worried about it.”

“Here goes to the land of Qizhou, come and go for at least three hours, so let’s just rest here, Prince Shaoyang, as soon as there is news from Prince Shaoyang, I will notify Prince as soon as

possible.” Said this At that time, Wang Hua had the attitude of a loyal minister and a good general, but there was a hint of coldness in his eyes.

Yes, Wang Huacheng has betrayed.

Just an hour ago, Ji Beiye sent Xu Bin to rebel, promising Wang Huacheng the post of General Zuo, as well as a lot of gold and silver treasures and beautiful women.

The position of General Zuo is second only to Ji Beiye's general, and his status is respected. Wang Huacheng is a villain with an unstable position. He agreed without hesitation at that time.

At this time, Wang Huacheng was already a member of Ji Beiye, and naturally he would not let Ying Kuang go.

"Okay, you go to arrange." Ying Kuang nodded.

Wang Huacheng responded, and went out to send someone to contact the King of Shaoyang, and then a celebrity prepared a table of sumptuous food and drinks.

Yue Feng was also going to meditate to recover, but was held back by Wang Huacheng.

"Haha!"

At this moment, Wang Huacheng smiled and said to Yue Feng very close: "Brother protects the lord all the way, you have worked hard, come here, this general toasts you."

When the words fell, Wang Huacheng filled the glass in front of Yue Feng with wine, and his eyes were full of sincerity and expectation.

In fact, Wang Huacheng planted poison in the wine. In his eyes, Ying Kuang was just a child, and he was no threat at all.

The only thing that affects his plan is Yue Feng in front of him.

"You're welcome, General."

Yue Feng smiled lightly, took the wine glass and drank it: "It is my duty to protect the lord." As he spoke, he secretly activated his divine power to secretly expel the poison in the wine from the body.

Yes, Yue Feng had already seen that there was something wrong with Wang Huacheng, and also guessed that the wine was poisonous.

Speaking of which, Yue Feng had already cultivated a physique that was invulnerable to all poisons, but to be on the safe side, he still excreted the poisons.

"Well said!" Wang Huacheng said with a harmless look on his face, he said with a smile, and poured wine for Yue Feng: "I don't know brother Gao's name yet."

"Yue Feng." Yue Feng replied.

Wang Huacheng nodded: "Good name, I really liked Brother Yue Feng at first sight. Come on, let's get drunk tonight."

The ultimate husband in Chinese chapter 6255

In order to ensure that Yue Feng will not hinder his plan, Wang Huacheng intends to drink more wine.

Naturally, Wang Huacheng's thoughts could not be concealed from Yue Feng, and he didn't say anything at the moment, so he drank cup after cup with him.

Soon, the wine passed three rounds.

Madd.... what's the situation?

At this time, Wang Huacheng had already drunk a lot, and his whole body was full of mouths, but what shocked him was that Yue Feng, who was in front of him, looked as usual, not only was he not drunk, but also showed no signs of poisoning.

For a time, Wang Huacheng couldn't help muttering secretly.

No, how could this kid have nothing at all? You must know that what you are drinking in the wine is 'Suo Soul Powder', the most powerful poison in the world, even a ninth-rank master, who takes a cup will be unconscious.

As for the Yue Feng in front of him, he drank more than ten times in a row, but nothing happened.

Ma De, couldn't it be because of the failure of the Soul Locking Powder...

"General!"

Just as Wang Huacheng muttered to himself, Yue Feng slowly stood up and said with a smile, "It's getting late, I also want to go to protect the lord."

When he spoke, Yue Feng was secretly amused, because Wang Huacheng's changes in face were all seen by him.

Haha...

This Wang Huacheng is probably still wondering, why am I not poisoned?

At this time, Wang Huacheng was very complicated, but he couldn't stop it. He nodded and said, "Okay, okay!"

This chapter is provided by . Visit for daily update.

Yue Feng stopped talking nonsense, walked out of the hall, went to the room next to Yingkuang, and meditated and rested.

“Come on!”

Just as Yue Feng left, Wang Huacheng's face turned gloomy, and he called a guard outside: “After that Yue Feng rests, let out the smoke quietly, remember, do things neatly.”

With that, Wang Huacheng took out his preparations . Good smoke, give it to the guards.

“This subordinate understands.” The personal guard, Wang Huacheng's confidant, nodded understandingly, then walked out of the hall and quietly came out of the window of Yue Feng's room.

call!

At this moment in the room, Yue Feng sat cross-legged, quietly meditating to recover, and suddenly became alert when he heard the movement outside.

This Wang Huacheng can't be poisoned with alcohol, someone secretly sent here...

Well, it depends on what kind of tricks you secretly do.

I thought to myself, Yue Feng didn't move at all, just wait and see what happened.

Half an hour later, the guard hiding outside the window thought that Yue Feng was asleep, took out a thin tube, quietly pierced the window paper, and blew the smoke into the room.

He moved very lightly, but Yue Feng knew it clearly.

I saw that the smoke dispersed into the room and soon melted into the air. It was colorless and odorless, and people who were not thoughtful would not be able to find it at all.

Put on a cigarette?

At this moment, Yue Feng showed a smile, very disdainful.

This Wang Huacheng has a lot of tricks, but unfortunately, he came across me.

Thinking to himself, Yue Feng heard that the cronies who were hiding outside the window left quickly. They should have reported to Wang Huacheng.

call!

Yue Feng took a deep breath, and before he could think about it, he was about to quietly follow him out. However, at this moment, a slender and charming figure quietly entered the courtyard and quickly came out the door.

Across the door, Yue Feng couldn't see the person coming, and when he heard the movement, he thought it was Wang Huacheng, and immediately lay on the bed and pretended to be unconscious.

Squeak...

That is, at this moment, the door was gently pushed open, and then a sexy figure flashed in quickly, came to him, and looked at Yue Feng quietly.

I'm going, is it a woman?

Yue Feng squinted his eyes, then the dim light, seeing the person coming, was stunned for a moment.

I saw that this woman was around 20 years old, dressed in black clothes and black hat, and her tight outfit perfectly showed her charming curves. She wore a mask on her face, revealing a pair of eyes like autumn water, but her eyes were sharp. Makes my heart chill.

It is snow.

A few hours ago, after Feixue asked Jia Laoliu, he chased after him all the way to Xuangu Pass. After arriving just now, he learned that Wang Huacheng had hired two people to manage him. One of them claimed to be the prince's child. At that time, Feixue concluded that the child who claimed to be the prince was the young emperor.

Afterwards, Feixue sneaked in at night to inquire about the situation.

For a time, the whole person Yue Feng looked at was a little dazed, and his eyes were straight.

What a beautiful woman.

I didn't expect this Wang Huacheng's subordinates to have such top-notch beauties, what a pity.

The ultimate husband in Chinese chapter 6256

Swish!

Just when Yue Feng was looking at him, he saw Fei Xue Jade's hand, pulled out a dagger, placed it in Yue Feng's heart, and coldly spit out a few words: "No need to pretend, I know you are awake. "

She grew up in Litian Dao since she was a child, and her senses are very keen. When she came in just now, she could see that Yue Feng was pretending to be dizzy.

Uh...

Being seen by Feixue, Yue Feng was very embarrassed. He sat up and scratched his head: "Beauty, we don't seem to know each other, and we don't have any deep hatred. There's no need for this.

" Dagger, slowly back a few points.

At the same time, seeing Feixue's sexy curves up close is even more admirable.

This body is absolutely amazing.

Yue Feng's gaze made Feixue very unhappy, and he was too lazy to talk nonsense at the time, and said coldly: "I ask you, there was a man who brought a child before, and was welcomed into the gate by Wang Huacheng, the guard here, that The man is you?"

Huh?

Facing the question, Yue Feng did not answer immediately, but looked at Feixue and became suspicious.

This woman broke into Xuangu Pass at night and asked about the whereabouts of the child. Could it be that he was sent by the rebels?

Thinking to himself, Yue Feng asked back, "Who are you?"

"Stop talking nonsense."

Seeing that Yue Feng dared to ask himself, Feixue's delicate face showed a hint of impatience: "If I ask you anything, you can answer it. What, one more word, and I will kill you."

This chapter is provided by . Visit [for](#) daily update.

The moment the words fell, Fei Xue's jade arm stretched out, and the dagger touched Yue Feng's heart again.

At the same time, Fei Xue secretly sensed Yue Feng's strength, and was immediately stunned. Strangely, this person also seemed to be a martial artist, how could he not perceive his strength at all?

call!

Yue Feng took a deep breath and said with a smile: "Yes, it's me." Seriously, with Yue Feng's strength, it's not difficult to avoid Feixue's dagger, but I'm a little curious about her identity, so I plan to deal with it. .

Seeing her confession, Feixue nodded silently: "It's good to admit it. You are not too timid. You dare to pretend to be our Litiandao. Tell me, who are you? What is your purpose in pretending to be our Litiandao?" The

last sentence was sharp. Get up, no doubt.

I see.

Hearing this, Yue Feng suddenly realized and said with a smile: "It turns out that you are a person from Heaven, I thought it was sent by the rebels, and speaking, it is not that I want to pretend to be intentional, but that little guy, who also There is someone called Qu or something, who thinks I'm out of heaven."

"I'm just a passerby, and when the old man surnamed Qu was seriously injured, he entrusted the child to me."

After speaking, Yue Feng looked at Feixue, A wild and uninhibited attitude: "You are leaving Tiandao to protect the little guy. He is resting next door. You can take him to see King Shaoyang. I have other things, so I can just get out and leave.

" The Yue Feng was relaxed.

Although I still don't know who Li Tiandao is, from the previous attitudes of Qu Fengyi and Ying Kuang, they should not be bad people, and they can rest assured that Ying Kuang is handed over to them.

brat?

Yue Feng's name made Feixue unable to help frown secretly.

This person is really open-mouthed, even calling the young emperor a little guy. Could it be that he still doesn't know the true identity of the young emperor?

Thinking to himself, Feixue asked, "Who is the little guy you said?"

Hey!

With a helpless expression on his face, Yue Feng said with a wry smile: "Isn't this a knowing question? You came here because you ran for him, and you have to ask who the little guy is, isn't he the younger brother of King Shaoyang, a little prince?"

Little prince?

Hearing this, Feixue frowned again, and immediately understood something, Ying Kuang and Qu Fengyi concealed their identities from Yue Feng.

Thinking of this, Feixue secretly applauded, it is said that the young emperor is very assertive, and now it seems that what he said is true.

Immediately, Feixue thought of something, and looked at Yue Feng closely: "You haven't said, who are you?" This person's origin is unknown, and he is dressed in fancy clothes, so he must ask clearly.

I went...

Seeing Feixue's persistent face, Yue Feng was speechless: "I didn't say it just now, I'm just a passerby, and it has nothing to do with everything that happens here."

The ultimate husband in Chinese chapter 6257

However, Feixue didn't believe it at all, and was completely impatient at this time, her red lips lightly opened, and she spit out a few words coldly: "Don't say yes, okay, I don't have time to waste with you."

"According to our Li Tiandao's rules, pretending to be a person who is Li Tiandao, will only end in death."

Shua!

When the words fell, Feixue held the dagger tightly and drew a cold light, stabbing it straight at Yue Feng's heart.

Feixue seems to be fragile, but his character is very tough and he acts decisively. The man in front of him is not serious in his speech, with a hilarious smile, and he pretends to be someone who is out of the way.

More importantly, this person refuses to reveal his identity, and must be removed in order to avoid leaving hidden dangers.

What the hell!

Faced with this situation, Yue Feng was taken aback. He quickly backed away and shot at the same time, quickly knocking out the dagger in Feixue's hand with lightning speed.

Yue Feng shot quickly, Feixue didn't have time to react. At that time, his arm was numb, and the dagger flew out and fell to the ground.

Not only that, Feixue's delicate body trembled, and her entire body was also unstable, almost falling to the ground.

"Be careful!"

At this moment, Yue Feng's eyes were quick and he couldn't help shouting, and then he stretched out his hand to support Feixue's beautiful waist.

call!

In an instant, the two were close to each other, and Yue Feng could smell an irritating aroma coming from his nostrils. At that time, he couldn't help taking a deep breath and sighed: "It's really fragrant!"

And this feeling is also top-notch.

This chapter is provided by . Visit [for](#) daily update.

Swish!

Being held in Yue Feng's arms, and hearing his admiration again, Feixue's delicate face suddenly flushed red, and she was ashamed and angry at the time: "Satyr, you...you let go."

While yelling, Feixue struggled.

You must know that Feixue is a powerful subordinate of Qianqiu, and her strength is the same as that of Hong Shao. She is a master of the ninth rank, and her character is arrogant and cold. Which man in the rivers and lakes dares to be so presumptuous to her? At this time, he was held in his arms by this man...

Feeling Feixue's shame and anger, Yue Feng reacted and quickly released his hand, explaining: "You are wrong, I think you are about to fall. I'm down, I kindly help you, why did you become a pervert?"

He didn't say anything, but Feixue was even more embarrassed when he said that, and then he shouted: "Shut up, I have to kill you today."

When the words fell, Feixue quickly picked up the dagger and charged towards Yue Feng again.

well!

In the face of this situation, Yue Feng couldn't help laughing and laughing, and immediately sighed: "I just hugged, why bother?" After saying that, he cast his figure and met Feixue.

Bang bang bang...

The two figures were in the room, constantly moving back and forth. At first, Feixue was confident with the sharpness of the dagger, but after a few rounds, he felt that something was wrong.

This man is very strong.

Feixue became more and more frightened as he fought. Although he had the strength of a ninth-rank, he could not gain the slightest advantage against Yue Feng.

What shocked her even more was that the opponent's moves had never been seen before.

At this time, Feixue didn't know that Yue Feng didn't belong here at all. Moreover, he possessed Yuanshen, and he was also a teacher of the Heavenly Emperor, and his background was not comparable to Feixue.

Swish!

Just when Feixue was stunned, Yue Feng's figure flashed, and he raised his hand and called.

This palm was as fast as lightning, and Feixue didn't have time to dodge, so he bit his lip and met with a palm.

boom.

In the next second, the palms of the two sides collided, and a dull vibration was heard, and Feixue snorted softly, her delicate body trembled and retreated again and again, and her delicate face was also full of incredible.

powerful! It's so powerful, it's simply unfathomable.

When did such a number one person appear on the rivers and lakes, Li Tiandao is also well-informed, but there is no news about this person at all.

Yue Feng didn't take advantage of the situation to pursue, but stood there and said with a smile: "Don't fight. You can't beat me, don't be persistent."

"You!"

Feixue was very embarrassed when she heard this, but Zhang He opened his mouth, but could not refute.

Because what Yue Feng said was right, Feixue was no match for fighting alone. It's just that the bad breath in my heart can't be swallowed.

Feeling ashamed, Feixue wanted to take action.

hum!

However, at this time, Feixue's delicate body trembled and suddenly stopped. She clearly felt that her whole body was so soft that she couldn't exert any strength.

What's the matter, I was fine just now, why is my body suddenly weak?

This situation... seems to be poisoned.

Thinking to himself, Feixue glared at Yue Feng fiercely: "Shameless, when did you poison?" Feixue's face became more and more ugly as she spoke.

Feixue at this time believed that it was Yue Feng's poison, but what puzzled her was how Yue Feng had poisoned her without any precaution.

At this time, Feixue still didn't know that the poison she was poisoned was from Wang Huacheng's close confidant, the smoke that had been blown in earlier.

Miyan stayed in the room for a long time, and Yue Feng's physique was invulnerable to all poisons, so it would not be affected, and Feixue was a ninth-rank powerhouse. Living.

"You misunderstood."

Feeling Feixue's contempt and anger, Yue Feng quickly shook his head and said, "We have no grievances and no enmity, what did I do to poison you? It was Wang Huacheng's subordinate who blew it in my room before. Smoke."

Said, Yue Feng couldn't help but patted his forehead.

Just now I was only concerned with dealing with this beauty, and I forgot about Wang Huacheng letting his subordinates blow smoke.

Muttering, Yue Feng approached slowly, and said sincerely: "But don't panic, I'll help you detoxify."

“Stop!”

Feixue didn't believe it at all, and scolded weakly: “Don't be hypocritical, what does Wang Huacheng want? Poisoned you?” As he spoke, Feixue held the table, her delicate body trembled slightly, and she could faint at any time.

However, with willpower, Feixue still held on.

call!

Yue Feng stopped, took a deep breath, thought about it, and said, “I don't know either, maybe his goal is the little prince, and he just wants to get rid of me.”

Hearing this, Feixue's eyes flickered, and she said coldly, “You don't need to make it up. If that's the case, you inhaled the same smoke as me, and nothing happened.”

Yue Feng looked relaxed and shrugged. He shrugged and said, “I am immune to a hundred poisons.” I am immune to a

hundred poisons?

At this moment, Feixue's delicate body trembled, and she stared at Yue Feng, her heart full of shock.

You must know that a hundred poisons are not invading only in legends. It is said that only those who have reached the realm of no-world will be able to be invincible. However, those who can break through the ninth rank and reach the Taoist level are already very few and far between. people, almost none in the last thousand years.

Moreover, in Feixue's cognition, the sect master Gu Qianqiu was only asking about the realm.

And the person in front of him actually said that he is immune to all poisons. In other words, his strength has reached the realm of immortality. This... This is simply incredible.

In shock, Feixue wanted to say something, but at this moment, there was a sound of footsteps outside, listening to a lot of people coming.

The next second, the conversation between Wang Huacheng and his cronies was also passed on.

“General, after a while, the smoke has taken effect.”

“Very good, rush in immediately and tie this man first.”

Hearing this conversation, Feixue was stunned and looked at Yue Feng subconsciously.

call!

Yue Feng took a deep breath and said with a smile: “You heard it too, you should believe what I said now.” As

he said, Yue Feng looked towards the door and cursed secretly, “Ma De, looking at the situation, Wang Hua became true. of betrayal.

At this time, Feixue realized that she had misunderstood Yue Feng, and her mood was very complicated. She said softly, “Why did Wang Huacheng do this?”

Yue Feng responded without hesitation: “It’s still a question, it must be a betrayal, and I want to catch the little prince.” Just as he was talking, he heard footsteps getting closer and closer.

Oops!

At this moment, Feixue’s delicate face could not hide the panic.

If it was normal, Feixue wouldn’t be afraid of Wang Huacheng’s bringing in more people, but now he’s caught in the smoke, and he can’t exert any strength. When Wang Huacheng brings people in, there is almost no room for resistance.

Swish!

Just when Feixue was anxious, Yue Feng rushed over and picked her up by the waist.

Feixue was startled, shocked and angry: “You... what are you doing?” While speaking, Feixue wanted to struggle and resist, but her body was limp, and she couldn’t break free at all.

Yue Feng looked serious: “Don’t panic, I won’t do anything to you.”

After speaking, Yue Feng put Feixue on the bed: “You are safe here, so as not to fight later and accidentally injure you.”

Call!

Hearing Yue Feng’s words, Feixue breathed a sigh of relief.

It was at this time that the door of the room was suddenly kicked open, and then, more than a dozen trusted soldiers broke in.

On the other hand, Wang Huacheng stood outside the door with a proud look on his face.

Um?

At this moment, seeing the scene in the room, whether it was Wang Huacheng or those trusted soldiers were stunned.

I saw that Yue Feng was sitting at the table in the room, looking relaxed and comfortable.

Seeing this scene, the cronie who was blowing the cigarette was dumbfounded on the spot, and then rubbed his eyes, thinking that he had read it wrong.

Impossible....

This... This kid is in the dark, and there is nothing wrong with him.

“Wang Huacheng!”

Just when everyone was stunned, Yue Feng looked at Wang Huacheng closely and said with a smile: “It seems that my previous guess was correct, you really betrayed the court.”

“But this method is really despicable, It’s a pity that your poisoning has no effect on me.”

Mad!

Being ridiculed by Yue Feng as his subordinate, Wang Huacheng’s face was instantly ugly, and he stopped pretending at that time. He pointed at Yue Feng and shouted angrily: “Good boy, it seems that you have been prepared for a long time. I was wrong.

” Then, Wang Huacheng’s face turned grim: “However, you alone can’t escape my palm.”

“Give it to me, take it down.”

Wang Huacheng thought about it, first solved Yue Feng, and then Tie Ying Kuang, and hand over Ying Kuang when Ji Beiye’s army arrives.

Anyway, this is Xuanguguan, and everything is under control.

Because the room was dimly lit and Feixue was on the bed, neither Wang Huacheng nor the soldiers present found her.

Whoa!

After hearing the order, more than a dozen guardsmen drew out their long knives and slashed at Yue Feng.

Yue Feng calmly moved his figure and fought fiercely with these Qinwei soldiers. In less than a few breaths, more than a dozen Qinwei soldiers were easily knocked to the ground by Yue Feng, one by one fainted. dead past.

Seeing this scene, Wang Huacheng was furious.

I can't see that this man is quite strong.

"Someone!"

In a panic, Wang Huacheng shouted: "Where are the guards? Take this man to me, it doesn't matter if you live or die."

Hearing the shouting, more guards rushed over, looking at each other. Lock on Yue Feng and surround him.

Ha ha!

Seeing this situation, Yue Feng smiled lightly, looked at Wang Huacheng and said, "You say a lot, but I don't take it seriously. You can change your ways now, and it's still too late." "

Go to Nima!"

Angrily, he shouted: "What kind of thing are you, you are also qualified to point fingers at this general?"

After saying that, Wang Huacheng shouted at the surrounding soldiers: "Come on, give it to me and kill him."

"Kill!" The

voice fell, The surrounding guard soldiers burst into a howl, swarming towards Yue Feng.

Yue Feng shook his head. He was too lazy to talk nonsense at that time, and his figure flashed into the crowd.

bang bang...

I saw that Yue Feng's figure was like electricity, and it was difficult to catch it with the naked eye. Every time he made a shot, several final soldiers would fall. In less than two minutes, more than one hundred soldiers were captured by Yue Feng. Completely defeated and out of combat.

The movement finally woke up Ying Kuang, who was resting.

At this time, Ying Kuang opened the door and came out, and when he saw the scene in front of him, he was stunned: "What's going on here?"

Yue Feng, while fighting with the surrounding soldiers, replied: "What else could be going on? Son, this Wang Huacheng has already betrayed and wants to kill me first and then capture you alive. To show loyalty to the rebel leader."

What?

Hearing this, Ying Kuang's face changed, and then he glared at Wang Huacheng: "Wang Huacheng, you are so bold, you actually betrayed the court."

Although the voice was immature, it was shocking.

In the face of Ying Kuang's anger, Wang Huacheng's heart trembled, and he was a little panicked instinctively, but he calmed down quickly and hesitantly said: "The imperial capital has fallen, the general situation is gone, it is meaningless for me to hold on to Xuangu Pass.

" Wang Huacheng was too lazy to explain, pointing at Ying Kuang and shouting, "Quick, tie him up first."

Although Yue Feng is powerful, he is not the main target.

After all, Ying Kuang is the young emperor. As long as Ying Kuang is caught, this Yue Feng will definitely not dare to resist.

Wow!

Hearing the order, more than a dozen soldiers immediately rushed towards Ying Kuang.

"Wang Huacheng. You openly rebelled, you can't die!"

Seeing that he really dared to do something to himself, Ying Kuang was angry and flustered at the same time. He yelled at that time and was about to dodge, but he was an eight or nine-year-old child. Where are these soldiers fast?

“Don’t be afraid, it’s me!”

Seeing that Ying Kuang was about to be caught, at this critical moment, Yue Feng said lightly, the figure erupted, and the latter came first. Hold up.

Whoosh!

The next second, Yue Feng brought Ying Kuang back to the door of the room, pushed Ying Kuang into the room and said, “Stay inside and don’t come out.”

Seriously, although Wang Huacheng and his soldiers were many, Yue Feng At this point, you can leave with Ying Kuang. But he thought that Feixue was poisoned and still in the room, so he couldn’t die.

After speaking, Yue Feng showed his figure, rushed into the crowd, and fought fiercely with the soldiers.

Ying Kuang retreated into the room, wondering why Yue Feng didn’t take him away, but in the blink of an eye, he saw Feixue on the bed behind him.

What a beautiful woman...a

fairy?

For a while, Ying Kuang was stunned when he felt Feixue’s delicate appearance and charming curves.

As a young emperor, Ying Kuang had seen many beautiful women in the palace, but Feixue’s cold and arrogant temperament was the first time he had seen him, and he was a little flustered at the time.

However, Ying Kuang is a young emperor, his knowledge and self-control are far superior to children of the same age. He quickly recovered and shouted at Yue Feng outside: “Why is there a woman in your bed? Is your wife?”

Although Ying Kuang was a young emperor, he was still a child after all. In his subconscious, the one who could share a bed with Yue Feng must be his woman.

Swish!

At this time, Feixue's poisoning was deep, and he was almost half awake and half unconscious. However, when he heard Ying Kuang's words, he suddenly woke up, and said with shame and anger: "Don't talk nonsense, who is his wife?"

" , Feixue was so angry that she almost fainted.

This young emperor, who doesn't know anything about the situation, how can he talk nonsense?

"Hey, don't talk nonsense."

At this time, Yue Feng, who was fighting outside, also quickly clarified: "I have nothing to do with her at all."

Seeing that both of them denied it, Ying Kuang became even more curious and couldn't help it. Looking at Feixue: "Then who are you? Why are you here?"

Huh!

Feixue took a deep breath and was about to answer when Yue Feng interrupted her.

"Don't ask so many questions." Yue Feng shook the soldiers in front of him with a palm, and quickly said to Ying Kuang, "Go over now and click on the 'Huiming Point' and 'Tianyun Point' on his body. ' , to temporarily relieve her symptoms."

What?

Hearing this, Ying Kuang's face was suddenly stunned. Are there these two acupoints?

At the same time, Feixue was also puzzled.

You must know that although there are also meridian and acupuncture points on the rivers and lakes of Tianxin Continent, the names of each acupuncture point are completely different from that of the Kyushu Continent.

I almost forgot...

Seeing Ying Kuang staying there, motionless, Yue Feng patted his forehead and suddenly understood something.

This is Tianxin Continent, not Kyushu.

Thinking to himself, Yue Feng fought and retreated, and when he reached the door, he said to Ying Kuang, "Forget it, leave her alone, and throw everything in the house that you can."

Oh!

Ying Kuang responded with a sound, then looked around, pushed the table over first, and then threw the chairs, stools, and everything in the room to the door.

Yue Feng was quick-witted and quickly placed the thing Ying Kuang threw at the door. In the blink of an eye, he deployed a simple 'Four Elephants Array'.

"Ma De!"

At this moment, Wang Huacheng was furious when he saw that Yue Feng was fighting fiercely while taking care of the win in the room, and he was immediately furious: "Rice buckets are all rice buckets, so many people can't deal with one person, can they? Come on, let me go!"

Hearing the order, the surrounding soldiers swarmed over, but when they rushed to the front, they were shocked to find that the tables, chairs and stools in front of them seemed ordinary, but they couldn't get past it.

This...

seeing this scene, Ying Kuang was also stunned, his eyes fell on Yue Feng, and he was shocked and surprised.

Relying only on the tables, chairs and stools, so many soldiers were kept out.

How did he do that?
