

The ultimate husband in Chinese chapter 6281-6290

When speaking, mother-in-law Honghua's smile was full of jokes.

"I..."

At this moment, Chen Kuan was full of anger and unwillingness, but in the end he chose to compromise: "I will do as you said, and you will give us the antidote."

Seriously, Chen Kuan is upright and righteous. I don't want to give in.

But if it is true as Granny Safflower said, if she and these disciples are all crazy, if they kill people in Qizhou City, Li Tiandao's reputation will be seriously damaged.

In Chen Kuan's heart, he could die, but he must not do anything that would damage Li Tiandao's reputation.

"Haha!"

Seeing his promise, Granny Safflower was very proud and sneered coldly: "How good would it be earlier? I wasted my wife's time in vain, and you don't have to kill so many people."

"I will give you the antidote naturally . . . , but not now, you have to finish the wedding, and make my wife satisfied, and then you can get the antidote."

After the last sentence, Granny Safflower untied the acupoints of Chen Kuan and everyone.

call!

After being freed, Chen Kuan took a deep breath and instructed the disciples, "You go to the auditorium."

After hearing the order, the disciples began to get busy. Like Chen Kuan, they were all extremely humiliated and unwilling, but this mother-in-law Honghua It was too strong, and everyone was poisoned, so they could only suppress their anger.

Facing this situation, Fei Xue's delicate body trembled, her face was filled with indescribable humiliation, and she almost fainted.

"Lord Chen Tan." In the

This chapter is provided by . Visit for daily update.

next second, Feixue almost cried and shouted at Chen Kuan: "You guys stop, I... I must never marry Yue Feng..."

Chen Kuan sighed, came over and said in a low voice, "Miss Feixue, I don't want to do this either, but you have seen the situation, if we don't have an antidote, we will kill innocent people indiscriminately, and the reputation of Litian Dao will be ruined. Once, so...you should feel wronged."

With that, Chen Kuan stepped aside, not looking at Feixue.

Hearing this, Feixue was speechless for a while, bit her lip so hard that she was about to bleed.

"Mother-in-law!"

At this time, Yue Feng couldn't help shouting at the mother-in-law Honghua: "Don't you just want to see Gu Qianqiu? I have a way, you let me go first."

Yue Feng didn't know Gu Qianqiu at all . Where, so to speak, just a stopgap, trying to get out.

Swish!

As soon as the words fell, Chen Kuan and the surrounding Li Tiandao disciples changed their expressions and glared at Yue Feng.

This man is so bold that he dares to call the Sect Master by his name.

Granny Safflower saw through Yue Feng's thoughts at a glance, and sneered at that time: "Boy, don't play tricks for me, you are not from the heavens, how do you know where Gu Qianqiu is? Let's be your bridegroom honestly."

Nima...

his mind was pierced, Yue Feng was very depressed, and couldn't help but curse.

Soon, the courtyard was decorated with lanterns and a new look, and the deployment of the auditorium was completed, creating a festive atmosphere.

"Okay, okay..."

Granny Safflower was very satisfied, and nodded in approval: "Yes, it looks very festive."

After saying that, Granny Safflower gestured to Chen Kuan: "Let's start."

Chen Kuan nodded and greeted the two disciples, each of them pressed Yue Feng and Feixue, forcing them to kneel on the ground. At the same time, a disciple came out to preside over the wedding.

“One bow to heaven and earth.” The

voice fell, and Yue Feng and Feixue were pressed and bowed to the sky.

At this time, Yue Feng couldn't help holding back his anger. Mad, he was forced to marry on the third day of this strange world. If Brother Wen and the Great Sage knew about this, wouldn't they be laughed at?

Pfft... Feixue

next to him was also in a hurry, his delicate body trembled constantly, and the last mouthful of blood spurted out.

Ruined, his innocence is ruined, and he will be embarrassed in the future.

At this time, the next to him shouted again: “Two worships in the high hall, husband and wife worship each other...”

After the husband and wife finally worshipped each other, Feixue glared at Granny Safflower, her eyes full of shame and resentment.

Noticing Feixue's gaze, Granny Honghua was not angry at all, but smiled lightly: “Little girl, don't look at me like you've seen the enemy, the old lady helped you find such a quick son-in-law, you should be grateful. .”

Saying that, Granny Safflower squinted at Chen Kuan: “Next, which part is it?”

The ultimate husband in Chinese chapter 6282

Call!

Chen Kuan took a deep breath and responded, “Enter the bridal chamber!”

At this time, Chen Kuan felt an indescribable humiliation in his heart. After all, Feixue was the suzerain's beloved disciple. Not feeling well.

Granny Safflower nodded with a smile: “Yes, enter the bridal chamber.”

After speaking, she waved her hand and motioned to the people next to her to send Yue Feng and Feixue into the back room.

“Mother-in-law Honghua.”

At this time, Feixue finally couldn't help it, and shouted at the mother-in-law of Honghua: "I won't let you go..."

Huh?

Hearing this, Granny Safflower frowned, and then sneered: "I don't know what to do, little girl, the old lady has accomplished your beautiful things, you are not grateful and cursed me."

"If you don't want to be his woman, I will be biased. I want to help you." The

last word fell, and Granny Safflower walked over, pinched Feixue's chin, and then took out an elixir from her body and threw it directly into Feixue's mouth.

Gudong!

At that time, Feixue couldn't react at all, and subconsciously swallowed it.

Seeing this scene, Yue Feng frowned, thinking that something was wrong.

"You..."

This chapter is provided by . Visit for daily update.

After swallowing the medicine pill, Feixue was inexplicably frightened and looked at Granny Safflower in horror: "What did you give me to eat?"

"Deep meaning: "Naturally, it's a good thing. You'll know when you're in the bridal chamber in a while."

After speaking, Granny Safflower untied the ribbons on the two of them, and then let them send them into the room.

.....

On the other side, on the mountain road twenty miles northwest of Qizhou City.

After Gu Qianqiu left Xuanguguan with Yingkuang, he came directly to Qizhou without stopping.

Gu Qianqiu is the sect master of Li Tiandao. This is nothing to him, but Ying Kuang is a child after all, and he is already a little tired at this time.

However, Ying Kuang's personality is tenacious, and even if he can't hold it anymore, he doesn't want to say it.

call!

At this time, watching Ying Kuang's hard support, Gu Qianqiu breathed a sigh of relief and pointed to the grass not far away: "It's almost time to arrive in Qizhou, let's take a rest first."

As he said, Gu Qianqiu secretly sighed that this little emperor Personality is tough, not bad.

Ying Kuang nodded and sat on the grass with Gu Qianqiu to rest.

Gu Qianqiu took out the dry food from his body and handed Ying Kuang a steamed bun: "I don't have anything delicious on me, let's put it on first."

"Thank you!"

Ying Kuang thanked him, and then ate the steamed bun silently.

The steamed buns were a bit dry and hard, and Ying Kuang didn't mind, but the figure of Yue Feng couldn't help but emerge in his mind. And the pheasant meat that Yue Feng roasted before...

If that person is around, it will give people a surprise every time. Although this Sect Master Li Tiandao is also very powerful, there is always something missing along the way with him.

Shasha...

Just as Ying Kuang was thinking about it, there was a slight sound of footsteps in the woods not far away.

Ying Kuang was very alert, and quickly put away the steamed buns, staring at the woods, his face full of alertness.

Gu Qianqiu was indifferent.

Soon, the visitor approached slowly, and Ying Kuang could see her clearly. She was a very beautiful woman, with a slender and graceful figure, and her facial features were exquisite and moving, but her face was a little bad, showing weakness, and there was some blood on her body.

It was the red peony that escaped from the imperial capital.

A day ago, Hong Shao entered the imperial capital and failed to assassinate Ji Beiye. After escaping, she rushed to Xuangu Pass as soon as possible. When she learned that

Gu Qianqiu had successfully rescued the little emperor, Hong Shao immediately chased after him.

call!

When she got to the front, Hong Shao let out a sigh of relief, and said, "Hong Shao has seen the Sect Master."

Seeing this scene, Ying Kuang relaxed his vigilance and muttered secretly, it turned out to be someone from the Tao of Heaven.

Thinking to himself, Ying Kuang took out the steamed bun again and continued to eat it.

Gu Qianqiu looked at the red peony and said lightly: "Injured?"

Hmm!

Hong Shao responded, and her delicate face was full of shame: "My subordinates did not do well, and I failed to assassinate Ji Beiye."

Hearing this, Ying Kuang was stunned, and then he couldn't help sighing: "It's a pity."

Gu Qianqiu nodded silently: "Ji Beiye is very cunning, it is reasonable for you to fail." After speaking, he took out a package of healing medicine from his body and handed it to Hong Shao.

The ultimate husband in Chinese chapter 6283

Hong Shao took the medicine and said gratefully: "Thank you, Sect Master Kuan Ren."

After saying that, Hong Shao hesitated and continued: "Speaking of which, I had the opportunity to kill Ji Beiye, but I didn't know there was one beside him. A hidden master, his subordinates had no choice but to flee the imperial capital in

a hurry." Thinking of the scene at that time, Hong Shao still had some lingering fears.

What? Gu Qianqiu

was originally calm, and when he heard this, he couldn't help but be moved: "The hidden master?"

A hidden master?

Thinking about it, Gu Qianqiu asked: "How is the opponent's strength?"

"Very strong!"

Hong Shaoxiumei frowned, recalled, and said seriously: "This subordinate fights against him, there is no chance of winning, the subordinate guesses the opponent's strength. , has exceeded the realm of hearing the Tao."

Afterwards, Hong Shao explained the situation at that time in detail.

Swish!

Hearing this, Gu Qianqiu couldn't sit still, suddenly stood up, and looked at Hong Shao with burning eyes: "Who is the other party?"

In the world, there are very few people who can reach the realm of hearing the Tao. And people who have reached this realm are very familiar with Gu Qianqiu. But now, suddenly there is a powerhouse that surpasses the realm of hearing the Tao, and I am naturally shocked.

Hong Shao sighed lightly, thought for a while and replied, "Ji Beiye called him Your Excellency Haotian at that time."

Haotian?

This chapter is provided by . Visit for daily update.

Gu Qianqiu frowned and tried to think.

This name has never been heard before... When did such a number one person appear on the rivers and lakes?

Doubt in his heart, Gu Qianqiu subconsciously looked at Ying Kuang, who was eating the steamed buns next to him: "Could it be that the master of the Imperial Palace secretly joined Ji Beiye?"

After thinking about it, there is only this possibility. After all, in the palace of the Dayan Dynasty , It is not surprising that the masters are like clouds, and there is an unknown powerhouse hidden.

"Impossible."

As soon as the voice fell, Ying Kuang stood up excitedly and retorted: "The masters in the palace are all loyal to the royal family, and it is impossible to collude with Ji Beiye. Moreover, this is called Haotian, and this is the first time for me. I heard."

Seeing his affirmation, Gu Qianqiu smiled and didn't say more at that time.

Afterwards, Gu Qianqiu said to Hong Shao: "You go back to recuperate first. After the injury is healed, investigate the origin of this Haotian .

“
in the woods.

Seeing Hong Shao leave, Gu Qianqiu took a deep breath, looked back at Ying Kuang and said with a smile: “Okay, Your Majesty, we’re almost resting, let’s go on.”

Well!

Ying Kuang nodded and walked towards Qizhou City with Gu Qianqiu.

.....

On the other side, Qizhou City, Li Tiandao branch altar.

After Yue Feng and Feixue were forced to worship heaven and earth, they were sent to the back room.

call!

After entering the room, Yue Feng was stunned when he saw the scene in front of him.

I saw that the whole room was completely decorated in red, there was a big red happy word on the wall, and red candles were lit on the table by the bed, which was full of joy.

However, the atmosphere was a little awkward.

“I...” A

few seconds later, Yue Feng was the first to speak, and he said in disbelief: “I will meditate first to recover, and I will leave when I have a chance...” , so it’s not that bad.

Yue Feng thought about it, waited for the meditation to resume, and left directly.

As for the grudge between Granny Safflower and Li Tiandao, just let them go, it has nothing to do with yourself.

However, Feixue couldn’t be irritable at this time. Before he could finish speaking, he coldly shouted, “Shut up.”

Uh...

Feeling Feixue’s shame and anger, Yue Feng felt helpless, and immediately stopped. Without speaking, he sat cross-legged on the ground and began to recover quietly.

Feixue was sitting on the chair beside him, secretly sulking.

The room was surprisingly quiet.

Crash... I

don't know how long it took, Feixue suddenly trembled and collapsed to the ground, her delicate face couldn't hide the pain, and a low groan came out of her mouth.

Hearing the low voice, Yue Feng's heart skipped a beat, and he felt that all the bones in his body were brittle. He immediately opened his eyes and looked towards Feixue.

The ultimate husband in Chinese chapter 6284

I'm going....

Seeing this, Yue Feng was stunned.

He saw Feixue slumped to the ground, her finely crafted face flushed red, her delicate body trembling gently, and it was extremely hot. From two meters away, she could clearly feel the scorching heat on her body.

Between those beautiful eyebrows, there was an indescribable pain.

Is this poisoning?

Seeing this scene, the first reaction in Yue Feng's mind was that the elixir that Granny Safflower gave her was poisonous.

But after thinking about it, it was not right...

Mumbling in my heart, Yue Feng quickly walked over and asked, "How... how are you?"

"I..." Fei Xue bit her

lip tightly, pressing her down. Feeling uncomfortable, she whispered: "I...I feel so uncomfortable, my body seems to be on fire..." She clearly felt that there was a fire in her body.

Oops... not poison, but love potion.

Hearing this, Yue Feng frowned, and immediately understood something, secretly cursing Granny Safflower for being mean. It was enough to force him to go to the church to get married, but he even gave Feixue a love potion...

"It's hot, it's hot..."

At this moment, Feixue's eyes gradually became confused under the effect of the medicine in her body, and then suddenly Hold Yue Feng.

Yue Feng was startled, and quickly said: "You calm down..."

This chapter is provided by . Visit for daily update.

As he said that, Yue Feng was about to push Feixue away, but Feixue had lost his mind and couldn't hear it at all, but hugged him even tighter. .

Gudong!

Hearing Feixue's fragrance, Yue Feng couldn't help swallowing his saliva.

To be honest, a man of such a young age couldn't stand it, but Yue Feng still tried his best to keep calm.

Yue Feng is also full of blood and energy, but if he just takes advantage of people's danger, what is the difference between him and a beast?

call!

Thinking to himself, Yue Feng took a deep breath, then raised his hand and tapped Feixue a few times. Immediately, Feixue's delicate body trembled, and she couldn't move at all, but her expression was infatuated, and she kept babbling in low voices.

This sound, like a magic spell, constantly disturbed Yue Feng's state of mind.

However, Yue Feng didn't seem to hear it, so he sat cross-legged again, got rid of distracting thoughts, and continued to meditate and practice.

Finally, half an hour later, Feixue's medicinal effect wore off, and she passed out and fell asleep.

Seeing this situation, Yue Feng was also relieved.

It is finally over, but fortunately I have a firm mind, otherwise I would have made a mistake.

"Hmm..."

Feixue fell asleep for a moment, then Yoyo woke up.

Yue Feng looked at her with a smile: "Awake?"

Feixue responded and subconsciously wanted to stand up, but when she saw her appearance, her tender body trembled. I was dripping with sweat, and my long skirt was torn....

What's going on? Could it be that Yue Feng did something while he was asleep?

Thinking to herself, Feixue was extremely embarrassed, raised her jade hand, and slapped Yue Feng without warning.

Snapped!

With this slap, Feixue almost used all her strength, when she heard a crisp sound, clear five-fingerprints appeared on Yue Feng's face.

Yue Feng was stunned by the beating on the spot, covering his face and looking at her in surprise: "Why are you beating me?"

When talking, Yue Feng was very depressed.

I tried my best to keep your innocence, but it would be better for you to slap me in the opposite direction?

What is this?

"You!"

Feixue's face was full of shame and anger, and she said coldly: "You... what did you do to me just now?" The thought of being taken away by Yue Feng made Feixue want to die.

She decided that Yue Feng had done something just now, otherwise, the long skirt would not be torn.

As a matter of fact, just now, the medicinal power in her body broke out, and she lost her mind. She tore off her long skirt, which has nothing to do with Yue Feng.

"What can I do to you?" Yue Feng didn't know whether to laugh or cry, and said depressedly: "Just now you had a seizure, and I was guarding you, and I didn't go beyond the thunder pool."

"Also, have you been violated? Don't you know?"

Phew!

Hearing this, Feixue gradually calmed down, then raised her jade arm, and saw that Shougongsha was still there, she was relieved, knowing that she had misunderstood Yue Feng.

For a time, Feixue was very embarrassed, and lowered her head not to look at Yue Feng: "Yes... I'm sorry."

Yue Feng didn't care, rubbed his face: "Forget it, don't be so impulsive in the future, that mother-in-law Honghua is really Bullshit, I don't have time to waste here, I have to go."

The ultimate husband in Chinese chapter 6285

Said, Yue Feng looked around and prepared to leave from the rear window. I just meditated for a while, but my strength didn't recover much, and Grandma Safflower was still outside in the yard. When the fight really started, Yue Feng was unsure of winning and could only sneak away.

What made Yue Feng depressed was that there was no rear window in this room at all.

Feixue stood there, her face changed, not knowing what she was thinking.

"Hey!"

At this moment, Yue Feng was so anxious that he asked Feixue, "Is there any tunnel in this room?" She is someone from Heaven and should be familiar with this sub-altar.

Hearing the question, Feixue calmed down and did not answer. Instead, she bit her lip, pulled out her short sword, and stabbed at Yue Feng's heart.

When the shot was made, Feixue's heart was ashes, and her eyes flashed with determination.

Although Yue Feng did not take away her innocence, but in front of Chen Kuan and everyone just now, she married Yue Feng, her reputation was damaged, and she would be shameless in the future.

Feixue thought about it, after killing Yue Feng, she would not be alive anymore.

What the hell!

Seeing Feixue stabbed with a sword, Yue Feng was startled, and hurried back to avoid it, and shouted at the same time, "What are you doing? Are you crazy?" This girl, who had kept her innocence by herself, turned the other way around. to kill me?

"Yue Feng!" Feixue bit her lip tightly, her mood was extremely complicated: "We just got married, my innocence is ruined, and I can't do anything about it."

“Don’t worry, after killing you, I will pay for your life. “

Uh...

Hearing this, Yue Feng couldn’t help laughing and crying: “Feixue, you are unreasonable. It is a fact that your innocence is damaged, but I am also a victim. This wedding, I was also forced. “

This chapter is provided by . Visit for daily update.

“You calm down first and put down the sword.”

When persuading, Yue Feng’s face was sincere.

However, Feixue didn’t listen at all, clutching the dagger tightly, and continuing to stab at Yue Feng.

In the face of this situation, Yue Feng was very big headed, and it was not easy to fight back at that time, so he could only go around the table and keep dodging.

.....

On the other side, Kyushu mainland.

In the villa in Zhongzhou City, Zhu Bajie, Yue Wuya, Hai Linger and others sat in the living room on the second floor, unable to hide their anxiety.

Shennong used the power of the jade to give Gonggong a rehab, but it has been a few hours and he has not come out, and he does not know what the situation is.

At this moment, Zhu Bajie couldn’t sit still, got up and walked around in the living room, muttering incessantly: “Is the old man Shennong ok, I’m dying, Lao Zhu.” The

voice fell, and Yue Wuya couldn’t help it. Reassurance: “Uncle Zhu, don’t worry, Senior Shennong’s medical skills are unparalleled, there will be no accident.”

Squeak... As

he was talking, the door opened, and Shennong walked out with a tired face.

At this moment, Zhu Bajie hurried up to meet him.

“Old Shennong, how is it?” Zhu Bajie asked impatiently.

Swish!

When the words fell, Yue Wuya and several others also looked closely at Shennong, waiting for his answer.

Shen Nong took a deep breath and said slowly: "The power in the jade is very powerful. The old man is worried that Gonggong can't bear it, but it's okay, it's going well. The power in the jade has been fused by the fetus."

When he said this, Shen Nong looked Complicated, suspiciously hides some problems.

When helping the fetus to fuse just now, Shennong clearly felt that the power in the jade was very evil, and it was almost uncontrollable at that time.

Great.

Hearing this, whether it was Zhu Bajie, Yue Wuya and the others, they were all relieved and excited. None of them could see the hidden worry under Shennong's tired expression.

Especially Zhu Bajie, who was very excited at this time, laughed loudly and said to Shennong: "Haha, I knew that the old man Shennong would definitely be fine."

Shennong smiled bitterly, and then said seriously to Zhu Bajie. : "Zhu Bajie, this child is destined to be extraordinary in the future. After birth, you must guide him. Never let him go astray, remember!"

Zhu Bajie was stunned, then smiled: "This is Naturally, my child will definitely be a person in the future."

Phew!

Shen Nong let out a light sigh of relief and said no more, saying goodbye to Zhu Bajie and the others and leaving.

At the same time, Yue Wuya and Hai Ling'er also bid farewell to Zhu Bajie and left the villa.

The ultimate husband in Chinese chapter 6286

When I got outside, I saw Shennong standing not far away, frowning at the villa in a trance, with a hidden worry that could not be concealed between his brows.

Seeing this scene, Yue Wuya and Hai Linger looked at each other and hurried over.

"Senior!"

When he got to the front, Yue Wuya asked politely: "Is there something wrong?"

Shennong reacted and hesitated: "This old man has been practicing medicine in his life and has saved many people, and he has never been so lost as he is today. Alas, I don't know if it's right or wrong to give Gonggong a miscarriage this time."

Hearing what he said, Yue Wuya and Hai Ling'er became even more puzzled.

The next second, Hai Ling'er asked curiously, "Why did the senior say that? Didn't it go well just now? Mother and child are safe!"

Hehe...

Shennong couldn't help but smile bitterly, shook his head and said, "You two don't know something, The miscarriage was indeed smooth, but there was something wrong with the piece of jade. Forget it, let's not talk about it..."

Halfway through, Shennong looked very complicated, waved his hand and turned away.

This...

At this moment, Yue Wuya and Hai Ling'er are full of doubts.

There is a problem with that jade...a

moment of stunned, waiting for the two of them to recover, they want to continue to ask, but Shenlong has gone far.

Yue Wuya thought for a while and said, "If there is a problem with Yu, let's go back and tell Uncle Zhu about the situation." After speaking, he turned around and returned to the villa.

This chapter is provided by . Visit for daily update.

Just before taking two steps, Hai Linger stopped him.

"Senior Shennong can't bear to say it, there must be his reason." Hai Ling'er said slowly: "Besides, the situation of Gonggong has stabilized, and the mother and child are safe. I think we should not make troubles outside the festival."

Phew! Hearing this, Yue Wuya

took a deep breath and nodded: "Okay, what you said makes sense, then let's go meet Uncle Wen and Uncle Great Saint first."

I know what's going on with everyone.

Hai Ling'er responded, and together with Yue Wuya, hurried towards Donghai City.

...

On the other side, Tianxin Continent.

In Qizhou City, in the courtyard room away from the Tiandao branch, Feixue and Yue Feng are chasing after me, and the chasing battle is still going on.

Huhu...

However, the movement of the two is very different. Feixue chased for a long time, let alone killed Yue Feng. He didn't even touch the corner of his clothes. After a while, he was sweating and tired. no.

Yue Feng is relaxed.

At this time, seeing Feixue stop, Yue Feng said with a smile: "Why do you say that at this time, although we have worshipped, but we are not married, why do you think so hard."

"Besides, you want to die . Don't pull me too, otherwise, others will think that we both have sacrificed for love."

With that, Yue Feng stretched his back, with a cynical attitude.

"You..."

Yue Feng didn't say anything, but Feixue's face flushed with shame and anger when he said this: "Shut up, who wants to die with you?" After speaking, Feixue

bit her tightly. Lips, the short sword in his hand stabbed towards Yue Feng again.

Again?

Seeing this scene, Yue Feng was speechless and flashed aside again.

While dodging, Yue Feng wanted to make some jokes.

Om....

But at this moment, I heard a powerful aura fluctuation in the night sky outside. Feeling this fluctuation, Feixue's delicate body was shocked, and the shame and anger on her face disappeared, replaced by An indescribable joy: "Sect Master is here."

Yue Feng secretly exhaled, Nima, this ancient Qianqiu finally appeared.

At this moment, in the courtyard outside the room.

Swish!

Granny Safflower was sitting in the main hall, drinking tea leisurely, and sensing the fluctuation of her breath, her face froze immediately, she stood up abruptly, and looked closely at the night sky outside.

At the same time, Chen Kuan and others in the yard also looked at them one after another.

I saw a figure in the night sky coming quickly, wearing a black robe and black hat, and wearing a black robe outside, and the body was filled with a powerful breath.

It is the ancient times.

Half an hour ago, after Gu Qianqiu escorted Ying Kuang to the residence of King Shaoyang, he rushed to the Qizhou branch as soon as possible.

“Sect Master!”

“It’s Sect Master...”

Seeing Gu Qianqiu, everyone in Chen Kuan was indescribably excited.

Especially Chen Kuan, while he was excited, there was an indescribable shame and fear on his face. So many people died in the altar, and he also presided over Feixue’s wedding, so he couldn’t be blamed.

The ultimate husband in Chinese chapter 6287

In the

blink of an eye, Gu Qianqiu landed in the yard.

Um?

The next second, seeing the situation in front of him, Gu Qianqiu couldn’t help frowning secretly, and he saw that on the ground beside the courtyard, there were dozens of corpses of Li Tiandao disciples neatly arranged, and the air still had the smell of blood.

However, the entire courtyard was deployed in a red and festive look, especially the door of the back wing, with the big red happy characters pasted.

what’s the situation?

Seeing this, Gu Qianqiu frowned and looked at Chen Kuan coldly: “Chen Kuan, what’s going on?”

As the altar master, so many people died, but he arranged the altar like this Festive, is your brain flooded?

Pfft...

Feeling the anger of Gu Qianqiu, Chen Kuan's heart trembled, and he hurriedly knelt down and said in fear: "Sect Master, I..."

Just halfway through the words, Granny Safflower slowly walked out of the main hall, Looking at Gu Qianqiu with a very gloomy gaze: "Gu Qianqiu, do you still recognize my old wife?" The

voice was not loud, but there was a chilling coldness.

Swish!

Gu Qianqiu's eyes fell on the mother-in-law Honghua, and his face suddenly changed, and he said in surprise: "Mother-in-law?"

Seeing this scene, Chen Kuan and the surrounding disciples were secretly surprised.

This chapter is provided by . Visit for daily update.

Sect Master...I really know this safflower mother-in-law.

"Haha..."

Granny Honghua squinted, looked at Gu Qianqiu carefully, and said coldly: "Gu Qianqiu, you still have the face to call my mother-in-law? You hypocrite, you killed my Yu'er, the old lady. Next time, I'm looking for you to settle accounts."

The last sentence was extremely cold, as if it came from hell.

Twenty years ago, Gu Qianqiu had not yet joined Litian Dao. At that time, he traveled around the rivers and lakes and became a disciple of Grandma Safflower, Hong Yu. The two fell in love with each other at first sight. A day without contention.

Who knew that the good times would not last long, Gu Qianqiu suddenly left without saying goodbye, Hong Yu searched everywhere, and there was no news of him, so he wanted to commit suicide, and was rescued by the mother-in-law Honghua who came at a critical moment. Although Hong Yu survived, she always thought about Gu Qianqiu in her heart, and finally, she died in last winter.

Hong Yu is the mother-in-law of Honghua, the most beloved disciple. Seeing her dying in depression, she was so angry that she attributed everything to Gu Qianqiu.

Whoa!

Seeing this situation, whether it was Chen Kuan or the other disciples around, were all shocked...

It turns out that the suzerain is related to the disciples of Granny Safflower...

“Mother-in-law...”

Seeing Granny Safflower mentioning Arriving at Hong Yu, Gu Qianqiu took a deep breath, showing complex emotions on his face, and said: “There are many twists and turns in the matter between me and Hong Yu, and it is not clear in one sentence or two...”

“Shut up! “

Grandma Honghua scolded coldly: “Stop arguing with me, it’s a fact that you abandoned Hongyu, I tell you, my old wife is to avenge Hongyu today.” After

speaking, Grandma Honghua pointed to the side of the yard The corpses of the corpses: “I killed your subordinates, and I also arranged a wedding for your beloved disciple, and let her marry a man named Yue Feng.”

When talking about her later, Hong Granny Hua showed a look of revenge on her face.

I see.

Hearing these words, Gu Qianqiu suddenly nodded.

It is no wonder that so many people died in the sub-altar, and they were deployed into a festive atmosphere.

“Sect Master!”

At this moment, Chen Kuan came to his senses, knelt there and pleaded with Gu Qianqiu: “It’s all subordinates who are incompetent, failed to save the lives of the disciples below, and was coerced by the mother-in-law Honghua to preside over the wedding. ...”

Then, Chen Kuan quickly explained the situation at that time.

Hu... Knowing these circumstances, the anger in Gu Qianqiu’s heart subsided a lot, and he took a deep breath and said

: “Get up, it’s not your fault, it’s all because of me.”

Gu Qianqiu looked at the corpses of the disciples in the courtyard, and felt very uncomfortable: "After dawn, give them a good burial."

"Yes, Sect Master!" Chen Kuan nodded quickly.

"Gu Qianqiu!"

At this time, the mother-in-law Honghua couldn't stand it anymore, and said coldly: "Let's pretend to be pitiful in front of your subordinates, you are a hypocrite, villain."

"Give it to me . Yu'er pays for her life!"

The ultimate husband in Chinese chapter 6288

The

last sentence fell, and the figure of the safflower mother-in-law erupted, coming straight to Gu Qianqiu.

Seeing that the mother-in-law of safflower broke out, Gu Qianqiu sighed and said complicatedly: "Mother-in-law, you are a senior, I don't want to do anything with you, please calm down, I will give you an explanation about Yu'er.

" ?"

Granny Safflower was full of anger: "Everyone is dead, how do you explain to my old lady? Tell you, the best explanation is to pay her life..." The

voice fell, and Granny Safflower was already in front of her, raising her right hand. Up, lightning strikes Gu Qianqiu's heart.

Huh....

This palm contains ten successful powers of Granny Safflower, and when she sees the surrounding air, it is violently twisted, and the power is amazing.

Feeling the power of this palm, Gu Qianqiu didn't dare to be careless. He didn't have time to dodge, so he just raised his hand and greeted him.

Bang.

In the blink of an eye, the palms of the two sides collided, and a roar erupted. Immediately, Gu Qianqiu and Granny Honghua were seen, each being shaken back by the air.

Whoa!

Seeing this scene, Chen Kuan and everyone below stared at the two people in mid-air, and they were all shocked.

This safflower mother-in-law is so strong, how can she be evenly matched with the sect master? You must know that in the hearts of the disciples of Li Tiandao, Gu Qianqiu is a god-like existence, and his strength is unfathomable.

“Okay, okay...”

This chapter is provided by . Visit for daily update.

At this time, the mother-in-law Honghua stabilized her figure, stared at Gu Qianqiu and nodded: “Being the sect master of Li Tiandao is different, the strength has become much stronger, today the old lady will take a look, How many pounds and taels are you in the end!” The

voice fell, and the figure of Grandma Safflower burst out, rushing towards Gu Qianqiu again.

Gu Qianqiu was very helpless. The situation in front of him could not be forced back at all. He could only stand up in the night sky with Granny Safflower.

For a time, the figures of the two were constantly shuttled in the air, causing the surrounding air to distort, and the scene was indescribably shocking.

At this time, in the back room.

Bang bang bang...

Hearing the sound of fighting outside, Feixue’s delicate face couldn’t hide her worry: “Oh, the sect master and Hong Hua have a fight.”

After speaking, she quickly pushed away . door and run out to watch the situation.

call!

Watching Feixue go out, Yue Feng let out a sigh of relief.

You fight, I won’t be here to interfere with your affairs.

Thinking about it, Yue Feng walked out of the room and quickly left while Gu Qianqiu and Granny Safflower were fighting fiercely.

Yue Feng thought about it, first left Qizhou City, found a secluded place to restore his strength, and then deployed the Chaos Teleportation Formation to return to the Kyushu Continent.

What the hell!

Just when he was about to reach the city gate, Yue Feng was stunned when he saw the scene in front of him.

I saw that the gates of the city were densely populated by soldiers, all of them holding long swords, waiting in battle. Not only that, the gates of the city were closed.

An hour ago, when the King of Shaoyang learned that Xuanguguan had fallen, he immediately made a decision to temporarily give up his plan to attack Ji Beiye, and instead defend Qizhou City, waiting for work.

For a time, the entire Qizhou city was under martial law immediately.

Looking at it like this, I could only find a place where no one was there, flip through the city walls and go out.

Soon, Yue Feng came to his senses and made up his mind secretly. He was going to find a weakly defended place and read the city wall to leave. However, it was already late, and the people of the entire Qizhou City were resting, quietly everywhere. , Yue Feng alone looks very eye-catching.

Soon, a team of patrol soldiers found Yue Feng.

“Who is it? Stop!” The

leader of the soldiers couldn't help drinking loudly. At the same time, he greeted his companions to rush over quickly and surrounded Yue Feng.

Uh...

In the face of this situation, Yue Feng is very speechless, Nima, this is too unfortunate to be discovered so quickly.

While muttering in his heart, Yue Feng still smiled and said, “Don't panic, gentlemen, I'm just going out for a walk.” In this strange place, with no relatives and no reason, there is really no other reason.

walk? Hearing this, the soldier

captain frowned: “Now the city of Qizhou is under martial law, and a war is about to begin, and the prince has ordered that the people in the city are not allowed to go out without authorization. What are you walking for?”

Shot: “Take out your account card and let me see it.”

The ultimate husband in Chinese chapter 6289

The

household card is a symbol of the identity of the people in Qizhou City.

At that time, after Ji Beiye broke the imperial capital, in order to prevent spies from mixing in Qizhou City, King Shaoyang ordered someone to count the number of people in the lower Qizhou City, and each household was issued a special household card.

If there is a household card, it proves that they are the people of Qizhou City. If not, it is very likely that they are spies sent by Ji Beiye.

What? account number?

At this moment, Yue Feng was stunned, not knowing whether to laugh or cry.

What is this sign? ID card?

Depressed, Yue Feng scratched his head: "That... I don't have a household registration card."

Huh? No account number?

Hearing the answer, the captain of the soldier's face changed greatly, and he immediately pulled out the long knife on his body, and the surrounding soldiers also became vigilant.

No account number? It's not the people in Qizhou City, it must be spies.

"No household name?" The

next second, the soldier captain exclaimed excitedly: "It seems that you are a spy sent by Ji Beiye's rebels, you are not too timid, you dare to break into Qizhou City so arrogantly? Say, you Do you have any accomplices?"

Uh...

Facing the situation, Yue Feng couldn't help laughing and laughing, and quickly explained: "Misunderstanding, you have misunderstood, how can I be a spy, in fact, I am a friend of the little emperor, I escorted the little emperor all the way before to arrive. Xuanguan, we are our own people..."

This chapter is provided by . Visit for daily update.

At this time, Yue Feng was very helpless, he didn't want to say Ying Kuang, but in the current situation, there was really no other way.

Swish!

Seeing him mentioning the little emperor, the faces of the soldiers present changed greatly, and they were full of anger.

Immediately, the soldier captain shouted: "You are so bold, you dare to call our majesty that, what is it not a spy?" Although the emperor was young, he was also the emperor, and the person in front of him didn't call his majesty, he actually said that the little emperor, Definitely a spy.

In anger, the captain of the soldiers was too lazy to talk nonsense, and shouted: "Take it, tie it up and send it to the palace, and let the prince go."

Whoa!

The last word fell, and the surrounding soldiers rushed up.

Seeing this scene, Yue Feng's mind quickly turned, and he wanted to resist at the time, but after thinking about it, he held back. The soldiers in front of him were all first-ranked soldiers. With Yue Feng's strength, they could easily get rid of them.

But it was because these soldiers were too weak, and Yue Feng was afraid that he would be killed by accident, so he decided to hold back for the time being.

Moreover, Gu Qianqiu has returned to the sub-altar, indicating that the little emperor has been safely sent to the king of Shaoyang...

Soon, several soldiers tied Yue Feng Wuhua and took him to the palace.

At this moment, in the palace.

In the splendid hall, Ying Kuang changed into a new suit and sat on the main seat. On his right, there was a handsome and extraordinary young man in his twenties, with sword-brow and star-shaped eyes, and his whole body was filled with a good-looking aura. aura.

It was the king of Shaoyang.

On both sides of the hall, several maids stood respectfully.

At this moment, King Shaoyang waved his hand to signal these maids to step down, then looked at Ying Kuang and said, "I haven't heard from you for the past two days, but I'm so anxious."

“You can be safe and sound, which proves our Dayan Dynasty . I’m not exhausted, haha...”

Finally, King Shaoyang was very pleased.

King Shaoyang and Ying Kuang are cousins. Although they are not close relatives, they have always had a good relationship in private. When there are outsiders, they are monarchs and ministers.

“Third brother!”

At this time, Ying Kuang was in a good mood, and said, “I thought I would never see you again. At that time, Grandpa Qu and I escaped from the imperial capital. Grandpa Qu was seriously injured and couldn’t hold on at that time. Okay, we met a strange person.”

Strange person?

Hearing this, King Shaoyang frowned: “What kind of strange method?”

Ying Kuang sighed lightly and said in a complicated tone: “At that time, he was wearing strange clothes, and Grandpa Qu thought he was someone who was out of the way of heaven, and he didn’t defend it. “

Furthermore, this person is very powerful. In the blink of an eye, he defeated dozens of bandits, and... at Xuangu Pass, Wang Huacheng rebelled and trapped us in the room. Tables, chairs, and stools, deployed a few times, actually blocked Wang Huacheng’s hundreds of subordinates...”

“You didn’t see the situation at that time, it’s really incredible...”

The ultimate husband in Chinese chapter 6290

At the end of the story, Ying Kuang recalled the scene of Yue Feng’s confrontation with the enemy at that time, and his eyes flashed.

There is such a person...

At this moment, King Shaoyang frowned secretly, and he couldn’t help but admire secretly in his heart, it is still unheard of for someone who can use tables, chairs and stools to defend against the enemy.

Admiring, King Shaoyang couldn’t help but ask, “What’s that person’s name?”

“Yue Feng!” Ying Kuang replied.

call!

The King of Shaoyang took a deep breath and said with emotion: "If such a talented person can be used by us, it will be much easier to defeat Ji Beiye, the traitor, but unfortunately, this person should be an expert who is not greedy for glory. Solicit."

Ying Kuang nodded, and then thought of something: "By the way, I have never understood why Li Tiandao wants to help us."

"This..."

King Shaoyang thought for a while, and said slowly: "It's hard to say, The concept of Li Tiandao's people is difficult to guess all the year round..." As

he was talking, a soldier ran in sweating profusely: "My lord, there is a situation."

King Shaoyang frowned and said very unhappily: "I didn't say that just now, there is no order, and I must not barge in casually, why is it so reckless?" The two

brothers finally met, and they were interrupted before they said a few words. Naturally, they were very unhappy.

Pfft!

Feeling King Shaoyang's anger, the soldier trembled and knelt down quickly: "It's your subordinate's recklessness, Your Majesty forgives your sins, Your Majesty forgives your sins!"

This chapter is provided by . Visit for daily update.

"I've punished you, what's the matter? What's the situation?" Qizhou City was impregnable, and Ji Beiye could not attack.

The soldier wiped the cold sweat from his face, lowered his head and said, "Your Highness, my subordinate was patrolling the city just now and caught a spy sent by the rebels."

"The spy was very cunning, he didn't say anything without a household name, and claimed to be."

Having said this, the soldier carefully glanced at Ying Kuang, but hesitated.

"What else do you call yourself?" King Shaoyang frowned, obviously impatient.

call!

The soldier breathed a sigh of relief and responded, "That man claimed to know His Majesty, but his address was very presumptuous, calling His Majesty the 'little emperor'..."

Hearing this, King Shaoyang's expression changed, and his heart instantly changed. A burst of anger erupted.

At the same time, Ying Kuang's expression changed. Although he was young, his ambition was no less than that of anyone. He was most disgusted by who called him the little emperor

."

Seeing His Majesty's anger, the soldier did not dare to neglect, hurriedly responded and walked out.

A few seconds later, the soldier came back with Yue Feng, who was tied up with five flowers.

It's him?

Seeing Yue Feng, Ying Kuang's face froze, very surprised and pleasantly surprised. After separating at Xuangu Pass, Ying Kuang thought it would be difficult to see Yue Feng again, but he did not expect to meet again so soon.

Haha...

At the same time, Yue Feng also had a smile on his face when he saw Ying Kuang.

It seems that his guess is correct, the little emperor is indeed here.

Does this kid have the guts to laugh?

The soldier didn't know what was going on, but he could still laugh when he saw Yue Feng, and immediately kicked Yue Feng's leg and scolded: "Bold, you can laugh without kneeling when you see Your Majesty and the Prince?"

Huh!

At the same time, King Shaoyang was also staring at Yue Feng, his anger unstoppable.

This man is really arrogant.

Yue Feng was kicked, but he didn't kneel down, and the soldier still had to do it.

"Stop!"

At this moment, Ying Kuang shouted quickly, then stood up quickly, and said to the soldier: "Quickly loosen the binding." After

saying that, Ying Kuang smiled at Yue Feng: "So you are also in Qi The state city."

This...

Facing this scene, the soldier was dumbfounded.

What is the situation, His Majesty actually took the initiative to speak to this person, and his tone was so polite... Could it be that what this person said before is true, that he and His Majesty are friends?

Frightened and puzzled in his heart, the soldier did not dare to neglect, and quickly released Yue Feng.

At this time, King Shaoyang was also stunned, and looked at Ying Kuang in surprise: "What's the matter?"

Ying Kuang smiled and introduced: "Third brother, this is what I told you just now. Yue Feng, the strange man who escorted me all the way to Xuangu Pass."
