Call!

Hearing the question, the surrounding generals looked at each other, each with a very embarrassed expression, and then one of the generals whispered: "There are too many enemy soldiers, I waited to fight to the death, but I didn't get my lady's body back..."

The words fell, and the other generals bowed their heads in shame.

"Pfft..." Hearing this, King Shaoyang's face was gloomy and changeable, and finally he was in a hurry, spurring out a mouthful of blood, and fainted directly. When he fought against Ji Beiye before, he was seriously injured. At this time, he knew that his mother's remains were still in the other's hands, so he couldn't hold back.

"Your Highness..."

"It's not good, Your Highness passed out."

"Quickly escort Your Highness back to the mansion..."

All of a sudden, the generals were in a panic.

well!

Yue Feng shook his head, this Shaoyang King was really impulsive just now, and he was outnumbered by the enemy, but he couldn't help but open the city to fight with anger, but fortunately, there were not many casualties in the battle just now.

Thinking about it, Yue Feng followed and returned to the palace.

Speaking of which, Yue Feng wanted to leave, but now Qizhou City has been involved in the war and cannot leave for the time being.

At this time, the hall of the palace was also in a panic.

Qingyu County Lord sat there, his delicate face was full of anxiety, and he couldn't help looking outside, looking forward to it.

"Third brother!"

Seeing that King Shaoyang was brought in, Qingyu's pretty face changed, and she hurried up to meet him: "This... what's going on?" She clearly saw that King Shaoyang was pale, Eyes closed, unconscious.

The surrounding generals all had complex expressions on their faces.

“The county master!” A general took a deep breath and walked over to tell the situation.

For a time, the atmosphere in the hall was indescribably depressing.

“Mother...”

Knowing the situation, Qingyu came out of sadness and couldn't help crying: “Why is this...” Crying, Qingyu

looked around at the generals present, and accused in grief and indignation: “What are you all doing to eat? Mother's body is not cold, but she will be humiliated by the thieves, but you can't even get the body back.”

Faced with the accusation, all the generals present bowed their heads and remained silent.

call!

Seeing this scene, Yue Feng, who was standing beside him, couldn't help but let out a sigh of relief.

Now, Ji Beiye's army is stationed outside the city, while King Shaoyang is unconscious, and there are no leaders in Qizhou city. If this Qingyu County Lord does something out of the ordinary, the consequences will be disastrous. Finally ,

Qingyu criticized and asked, “What's the situation outside the city now?”

“

Outside Qizhou City...”

Hearing this, Qingyu couldn't help but shouted: “Then what are you all doing here? Why don't you go out of the city to kill the enemy? I want my mother's body to be completely destroyed in Ji Beiye. Is it in the hands of the traitor?” Qing Yu said

more and more angrily: “Within an hour, you must take back the remains of your mother, otherwise, you will not have to come back.”

This....

The anger of the Jade County Lord, the generals looked at each other, each with a look of embarrassment.

Just now, King Shaoyang rushed out of the city to meet the enemy, which has already caused a lot of casualties. Now, the morale in Qizhou city has been greatly reduced.

More importantly, the disparity between the two sides admitting defeat is too great to have a fight at all.

Alas...

Seeing this, Yue Feng couldn't help but sigh.

Sure enough, I guessed correctly, the county owner began to be willful again.

"What?"

Seeing that all the generals were standing still, Qingyu was furious, patted the table, and shouted: "Do you all want to disobey?"

After saying that, Qingyu took out something and slowly raised it. Qi Qi: "The tiger talisman is here, whoever dares to disobey will be executed."

At this time, Qingyu held the tiger talisman of King Shaoyang.

Like the military talismans of the Kyushu mainland, the tiger talisman is the supreme token of the army. With the tiger talisman, the army can be mobilized. Originally, this tiger talisman was always carried by King Shaoyang, but recently, considering that there may be rebel spies sneaking into Qizhou City, in order to prevent the tiger talisman from being stolen, King Shaoyang asked Qingyu to take care of it.

Phew...

Seeing the tiger talisman on Qingyu's hand, all the generals present were shocked. Oops, the county lord took out the tiger talisman, and it seems that he can't do it without fighting.

The ultimate husband in Chinese chapter 6302

Thought, the generals looked at each other, and then said to Qingyu in unison: "My subordinates lead the order." When the words

fell, the generals were about to leave the hall and prepare to go out of the city to face the enemy.

Oops!

Seeing this scene, Yue Feng was about to stop him, but before he could speak, he was interrupted by another voice.

“Wait!”

At this moment, a slightly obvious voice sounded, and then, Ying Kuang was slowly approaching the hall, with a dignified expression on her delicate face.

Seeing Ying Kuang, the generals were stunned, and immediately knelt down.

“See Your Majesty!”

At the same time, Qingyu hurriedly saluted: “Your Majesty!”

Ying Kuang nodded, walked slowly to the chair, sat down, and looked around: “I heard that Ji Beiye’s rebels have arrived. Qizhou City, how is the situation now?”

Qingyu bit her lip and quickly explained the situation.

At the end, Qingyu couldn’t stop her tears: “Your Majesty, my mother’s corpse is still in the hands of the rebels. No matter what, I have to snatch it back and let her be buried in the ground...” Said this At that time, Qingyu’s delicate face could not hide the grief and anger.

call!

Hearing these circumstances, Ying Kuang took a deep breath and said solemnly: “The corpse will definitely be taken back, but it is too risky to go out to meet the enemy at this time. Qizhou’s defenders are only tens of thousands, but Ji Beiye has hundreds of thousands of troops. Confrontation is undoubtedly an egg hitting a stone.”

After speaking, Ying Kuang looked at the generals present and continued: “The body of the lady fell into the hands of Ji Beiye, which will damage the dignity of the royal family, but... Although the dignity of the royal family is important, these generals, and the lives of the entire Qizhou city are more important.”

Wow...

hearing these words, the generals present were extremely excited and immediately shouted in unison.

“Your Majesty is holy.”

“My subordinates must swear allegiance to His Majesty.”

At the same time, Yue Feng couldn’t help but nodded in approval.

Although this emperor is young, he has a clear mind. At a young age, he knows how to win people's hearts, which is very good...

Facing the praises of the generals, Ying Kuang nodded.

Qingyu was embarrassed and couldn't say a word.

At this time, Ying Kuang looked at Qingyu quietly, and said slowly: "As the county owner, according to the ancestral rules, you cannot participate in the decision-making of the war, but you use the tiger talisman without authorization, do you know the crime?"

Although Ying Kuang and Qingyu Private relations are also good, but military law is not sympathetic.

Ying Kuang's voice was not loud, but he had a suffocating aura of oppression.

Pfft!

At this moment, Qingyu's delicate body trembled, and immediately knelt down: "I just want to get back my mother's body as soon as possible. I didn't think about it so much, and I ask Your Majesty to forgive me."

When she spoke, Qingyu was full of fear.

call!

Ying Kuang took a deep breath and raised his hand: "Forget it, you also made an unintentional mistake, and the situation is special, so I won't take your fault, get up."

"Thank you, Your Majesty, for your kindness." Qingyu replied, Then he got up and stepped aside obediently.

"Everyone!"

At this time, Ying Kuang looked around the audience and said slowly: "King Shaoyang is temporarily in a coma, so let me temporarily command the power. Qizhou City is in danger right now, what are your best strategies?"

When speaking, Ying Kuang looked indifferent, but his heart was unspeakable.

After all, he was just an eight or nine-year-old child. Before, he was dressed in fine clothes and food in the palace, and he didn't know how to fight at all, but there was nothing he could do. As an emperor, he had to face the situation in front of him.

"Your Majesty!"

At this time, a general came out and said loudly: "In my opinion, let's take advantage of Ji Beiye's rebels, who are not familiar with the environment outside Qizhou City, and send a cavalry to harass them and wait for their formation to be in chaos. On the occasion, send the main force to annihilate it." As

soon as the voice fell, many people nodded.

However, at this moment, another general came out and retorted: "No, Ji Beiye's rebels are several times larger than me, how could a cavalry disrupt the formation? The subordinates think that we should follow the prince's previous deployment, and stick to Qizhou City."

"Qizhou City is strong. As long as we can't hold it, the rebels will have nothing to do. When their military heart is dissipated, it will not be too late to think of ways to break the enemy."

There are also many strategies for this. people agree.

For a time, the generals in the hall were divided into two factions. One faction advocated raiding, and the other faction advocated holding on, and they quarreled on the spot.

The ultimate husband in Chinese chapter 6303

"Stand on? Don't you hope that your wife's noble body will always fall into the hands of Ji Beiye's traitor?"

"Hehe, according to what you said, if the raid fails, Qizhou city will be broken, and the people of the city will be destroyed. Where should I go?"

"You shouldn't be arrogant..."

The more the two sides quarreled, the more fierce, Ying Kuang's brows were furrowed when he heard it, and his head was big for a while.

"Okay!"

Finally, Ying Kuang clapped the table: "Don't make any noise."

Seeing His Majesty speak, the generals quickly shut up.

"The opinions of the generals are not wrong." Ying Kuang looked around and said slowly: "It's just that it may not be easy to implement. Is there a way to get the best of both worlds? It can not only save Qizhou City, recapture the remains of the wife, but also A strategy that can fight the enemy."

Phew...

After hearing this, the generals led you to look at me, and I looked at you, and all fell silent.

Seeing this scene, Ying Kuang secretly sighed, his eyes fell on Yue Feng at the door, his eyes lit up, and he said, "Your Excellency Yue Feng, do you have a good plan?"

Shuh!

At this moment, the eyes of the entire hall were all focused on Yue Feng.

Qingyu couldn't help but pouted: "He will play tricks, what can he do?" Although in the garden, Yue Feng used bonsai to trap more than a dozen guards of the palace, but in Qingyu's heart, it was nothing more than Just a little trick.

If you really want to use it on a large-scale battlefield, this trick is useless at all.

This chapter is provided by . Visit [for](#) daily update.

Hearing this, Ying Kuang frowned and couldn't help but glance at Qingyu.

Qingyu quickly closed her mouth.

At this time, Yue Feng took a step forward and said slowly: "It's not that there are no countermeasures, but there is a premise."

Hearing this, Ying Kuang was overjoyed: "What premise?"

Yue Feng smiled slightly and pointed to the tiger talisman on the table: "Give me the tiger talisman, and I will take command of Qizhou City, so I can deploy." Yue Feng has experienced wars of this scale, and he has many ways to deal with Ji Beiye in his mind. 's army.

What?

However, upon hearing this, both Qingyu and the generals present changed their expressions.

This guy is quite popular, so he asked for the tiger talisman when he came up. You must know that the tiger talisman is the supreme token in the army, and it has always been in charge of the commander-in-chief. How can it be easily transferred to him?

After being stunned, Qingyu took the lead in reacting, and eagerly said to Ying Kuang: "Your Majesty, you must not give it." After

saying that, Qingyu looked at Yue Feng vigilantly: "This person wants a tiger talisman as soon as he opens his mouth, he must be deceived. , I think he is really a spy sent by Ji Beiye, and when he asks for a tiger talisman, he just wants to give random orders, so that Ji Beiye can break through Qizhou City." The

voice fell, and the surrounding generals also spoke.

"Yes, Your Majesty, think twice."

"Tiger talismans should not be easily given to others."

Although these generals were not as complicated as Qingyu thought, the tiger talismans were important things in the army and could not be easily changed.

call!

Hearing everyone's advice, Ying Kuang frowned and hesitated.

Yes, the tiger talisman is so important, should you give it or not?

Seeing Yingkuang's hesitation, Qingyu struck while the iron was hot, and hurriedly said: "This Yue Feng is asking for a tiger talisman, and he has ulterior motives. Come and take him down."

Whoa!

The voice fell, and several guards of the palace guarding the door rushed over immediately.

However, Yue Feng didn't panic at all. He stood there and looked at Ying Kuang with a smile: "If Your Majesty doesn't believe me, then there is nothing you can do."

Hearing this, Ying Kuang made a decision in his heart and nodded. Said: "Here, I will give you the tiger talisman."

"Your Majesty can't

do it." However, at this moment, Qingyu's delicate body was shocked, and quickly walked over to stop him: "This person may be a spy, and he must not be given the tiger talisman. Facing Qingyu's

obstruction, Ying Kuang hesitated again.

Uh...

Yue Feng is also a little depressed, this princess is really interesting, and he is against me everywhere.

Thinking to himself, Yue Feng smiled at Qingyu: "County Lord, why do you keep saying that I am a spy?"

"Aren't you?" Qingyu said angrily, "How can you prove that you are not?" When he spoke, his eyes were full of vigilance and hostility.

"Okay!"

Yue Feng smiled bitterly and said slowly: "Otherwise, I will make a bet with the county lord, if I can do it, I will take the tiger talisman; ,how?"

The ultimate husband in Chinese chapter 6304

"Okay!"

Qingyu nodded without hesitation: "How do you want to bet?"

At this moment, Ying Kuang and the surrounding generals couldn't help but look at Yue Feng, waiting for his next words.

Yue Feng smiled slightly: "I'll bet if I can bring my wife's body back."

Seriously, Yue Feng had no interest in participating in the war in Tianxin Continent, but Ji Beiye actually used a woman's body to make a fuss. , It is really against human ethics, Yue Feng really can't stand it.

Moreover, although this Ying Kuang is young, he also knows how to take into account the safety of the people. He is a rare and good emperor, and it is okay to help him.

Hearing this, Qingyu's eyes flickered, then nodded and said: "Okay, this county master is gambling."

"This..."

Seeing this scene, Ying Kuang calmed down, looked at Yue Feng and said: "Your Excellency Is it too risky to sneak into the rebel camp alone?"

"Hehe, your Majesty doesn't need to worry." Yue Feng smiled, then looked at Qingyu: "If I bring back Madam's body, the county master does not need to worry. Thank you, just make me a cup of tea."

"You..."

Seeing his confident look, Qingyu didn't get angry.

This Yue Feng is really arrogant. Before the bet started, he wanted me to make tea for him... In

anger, Qingyu held back because of Ying Kuang's presence, and said to Yue Feng: "Good, but if you can't do it, the county will let you fall to the ground."

"If you can't do it, I will deal with it." Yue Feng smiled.

This chapter is provided by . Visit for daily update.

Qingyu was too lazy to talk nonsense with him, and snorted softly: "Stop talking nonsense, don't hurry up."

call! Yue Feng breathed

a sigh of relief and looked at the sky outside: "No hurry, it's noon now, and this kind of thing naturally has to wait until evening.

"

After a ceremony, he walked out of the hall.

Seeing this situation, Ying Kuang waved his hands at the generals: "You should also step back first, and tell the soldiers below to stick to the city gate. Once you find the situation, report it immediately.

" In response, they all walked out of the hall.

"Your Excellency Yue Feng!"

As soon as his forefoot left, Ying Kuang looked at Yue Feng curiously: "Do you really want to visit the rebel camp at night?"

Yue Feng nodded and said with a deep expression: "Some things are not worth it. Take risks, but some things have to take risks, and Your Majesty has nothing to worry about, I never do anything I am not sure about."

Hearing the meaning of these words, Ying Kuang pondered.

The next time, Yue Feng returned to the room to meditate and rest, and it was not until late at night that he left the palace and sneaked into Ji Beiye's rebel camp.

call!

At this time, Yue Feng arrived at the camp, and when he saw the deployment of the camp, he immediately smiled.

I saw that the camps of Ji Beiye's soldiers were neatly arranged, but the tents of the barbarians who were allied with them were irregular and messy.

For a time, Yue Feng couldn't help feeling secretly.

The alliance of Ji Beiye and the barbarians has indeed strengthened a lot of power, but everything has its advantages and disadvantages. Although these barbarians are brave and good at fighting, they are not disciplined. This time they sneaked into the enemy camp.

Thinking to himself, Yue Feng showed his figure and sneaked in from the tent area where the Hu people were resting.

Yue Feng's strategy was right. The patrolling and defense of the Hu people's tent area was a complete mess. With little effort, Yue Feng sneaked in.

When passing through the central army tent, Yue Feng heard clearly that Ji Beiye and his subordinate generals were joking.

"Haha, although we didn't break Qizhou City today, the previous battle also brought down the morale of the defenders of Qizhou City."

Hearing these conversations, a smile appeared on the corner of Yue Feng's mouth.

This Ji Beiye is quite confident, only a small victory during the day, and a celebration feast at night.

Muttering in his heart, Yue Feng walked around quietly, looking for the past to the tent behind.

Swish rustling...

Just before I went far, I saw a few barbarian soldiers, holding a slender figure, walking towards a tent not far away.

Through the moonlight, I saw that graceful figure, a very beautiful palace woman, with wet hair, she must have just taken a shower, and her beautiful face was full of horror.

The ultimate husband in Chinese chapter 6305

Call!

Seeing this situation, Yue Feng couldn't help but take a deep breath, and something vaguely came to his heart.

Obviously, this woman should be given to the general to enjoy.

Yue Feng guessed right, this woman was sent to the camp of the Hu people general Nuliha.

Nuliha is the commander of the Hu people, responsible for cooperating with Ji Beiye to attack Qizhou City.

Nuliha is a womanizer. When they attacked the imperial capital together before, he was fascinated by the beauty of those palace women. It's just that Ji Beiye took it too seriously at that time and ordered that his subordinate generals not be disturbed, so Nuliha never had a chance.

In the daytime today, Ji Beiye angered King Shaoyang. After the two sides fought a small victory, Ji Beiye was very happy, so he distributed the captured women from the palace to his generals.

Nuliha was very excited to be rewarded by a beautiful woman, so he asked his subordinates to take a bath with a beautiful woman, while he himself accompanied Ji Beiye to drink and celebrate in the central army tent.

At this time, Yue Feng saw that the beautiful woman was brought into the camp, and he couldn't help but muttered in his heart, it's too risky to find the body of the lady like this, it's better to grab a soldier and ask.

After making up his mind, Yue Feng quietly followed.

The two Hu soldiers, unaware, couldn't help but sigh after sending the beautiful woman into Nuliha's tent.

"Oh, it's better to be a general, not only to drink, but also to enjoy beautiful women."

"Isn't it, we only have envy, but then again, this beauty, our general Nuliha, was in the imperial capital before. I took a fancy to it at the time, but General Ji did not let the chaos come about, and General Nuliha has waited until now to finally get his wish."

"Is that so..."

"Can I still lie to you? I was there at the Imperial Palace at the time. General Nuliha drooled when he saw this beauty..."

This chapter is provided by . Visit for daily update.

The conversation between the two soldiers kept coming, and Yue Feng couldn't help but secretly listened to it. He frowned, and at the same time he paid attention.

Since this Hu Ren general, like Ji Beiye, is a womanizer, perhaps he can use this to alienate their relationship.

Thinking of this, Yue Feng went straight up.

Swish!

At this moment, the faces of the two Hu soldiers changed when they saw Yue Feng, and immediately pulled out their long knives, and scolded coldly, "Who?

" One of them fainted.

Papa...

Immediately, Yue Feng did not wait for the other to react, raised his hand to knock out the long knife, and sealed his acupoint.

Feeling the lightning-like speed of Yue Feng, the Hu soldiers were completely blinded.

Yue Feng was too lazy to talk nonsense, and said lightly: "Let me ask you, where is the body of King Shaoyang's mother? If you say something, I will spare you one, and if you don't say it, the head will fall." When the

voice fell, Yue Feng picked up the long knife, across the soldier's neck.

"I said..."

Feeling the coldness coming from the blade, the barbarian soldier's voice was trembling: "It's behind the central army tent."

Hmm!

Yue Feng nodded, dropped the long knife, and knocked him unconscious with a palm. Then, Yue Feng hid the two Hu soldiers in the shadows beside the tent.

After doing this, Yue Feng did not rush to find his wife's body, but approached the tent in front of him.

After entering the tent, although Yue Feng was mentally prepared, he was still stunned when he saw the scene inside.

I saw the beautiful woman curled up on the tent's bunk. Because she had just taken a bath, her skin was glowing with a different kind of charming luster, but the whole person was very frightened, and her delicate body trembled slightly.

"Offended!"

Yue Feng watched for a few seconds before regaining his senses. At that time, after simply saying two words, he walked over and picked up the beauty, turned around and walked out of the tent.

When they got outside, Yue Feng distinguished the direction and rushed towards the tent where Ji Beiye was resting.

Yue Feng's plan was very simple. He sent this beauty, who belonged to the generals of the Hu people, to Ji Beiye's resting place, so as to lead to misunderstandings. Although this method is simple, the success rate is very high.

After all, is the hero sad about the beauty pass, not to mention, Ji Beiye and this barbarian general are not heroes.

Soon, after finding Ji Beiye's tent, Yue Feng put the beauty down and left quietly, heading towards the Zhongjun tent.

The ultimate husband in Chinese chapter 6306

In the central army tent at this time, Ji Beiye and his subordinate generals are still drinking and celebrating. Inside the big tent, there was a lively atmosphere. Under the influence of this atmosphere, the soldiers guarding around the central army tent also relaxed their vigilance.

Under such circumstances, Yue Feng could easily find the place where his wife's body was placed.

A few minutes later, Yue Feng took his wife's body and quietly left the camp and returned to Qizhou City.

...

At this moment, in Qizhou City.

In the hall of the palace, Ying Kuang sat there with an indifferent expression.

The generals stood respectfully on both sides, each with a complex expression on their faces.

Yue Feng has been gone for nearly two hours, and he has not returned, and he does not know what the situation is.

Shasha...

At this moment, footsteps came from outside the hall, and then, Qingyu, accompanied by several maids, walked in slowly.

“Your Majesty!”

When she got to the front, Qingyu bowed first, and then asked Ying Kuang, “Then Yue Feng really left the city?”

Ying Kuang nodded.

Immediately, a general couldn't help but said: “Your Excellency Yue Feng has been gone for two hours, and there is no news yet.”

Two hours away?

This chapter is provided by . Visit for daily update.

Hearing this, Qingyu frowned and couldn't help but said, “If he had been able to do it for so long, he would have brought back his mother's body long ago. In my opinion, he is a spy.

” Looking at Ying Kuang: “Perhaps, he has already told Ji Beiye the traitor about the deployment in Qizhou City. Your Majesty, we have to guard against it.”

Until now, Qingyu still thinks Yue Feng is a spy.

call!

Ying Kuang breathed a sigh of relief and said slowly: “Until there is no conclusive evidence, we can't jump to conclusions. Perhaps, Your Excellency Yue Feng encountered a situation, so it was delayed.”

Qingyu suddenly became anxious: “Your Majesty, now Do you still believe him? This man has ulterior motives. He asked for the tiger charm before, which explains the problem...”

However, Ying Kuang insisted on his own judgment and said lightly: “Okay, you don't have to say anything, I decided to wait until dawn, If Your Excellency Yue Feng hasn't come back before dawn, make another plan.”

Seeing him say that, Qingyu was so anxious that she didn't dare to say anything.

Whoa!

At this moment, there was a commotion outside the hall, and then, the voice of a palace guard sounded: "Your Excellency Yue Feng is back."

Qingyu's delicate body trembled.

came back?

Ying Kuang was so excited that he stood up at once, staring at the door of the hall. I saw that Yue Feng walked in very easily with a smile on his face.

"Your Excellency Yue Feng!" Ying Kuang asked quickly.

Yue Feng smiled slightly and was about to answer, but was interrupted by Qingyu.

"Looking at him like this, he must have gained nothing." Qingyu's delicate face, unable to hide the contempt, said coldly: "After so long, I am afraid I have gone to Ji Beiye to report the situation."

Hehe...

Hearing this, Yue Feng smiled indifferently: "The county lord is wrong. If I really get nothing, wouldn't it be a death sentence when I come back?"

After saying that, Yue Feng looked outside the hall: "The body of Mrs. outside."

Whoa!

As soon as these words came out, everyone present was very excited, and then walked out of the hall one by one, and sure enough, they saw the body of the lady, where it was placed.

Amazing!

Seeing this scene, whether it was Ying Kuang or the generals present, they couldn't help but admire secretly, and looked at Yue Feng's eyes with admiration.

In the barracks of hundreds of thousands of troops, who can bring out the body of his wife alone, and look at the entire Qizhou city, who can do it?

And this Yue Feng really did it.

Sure enough, it is a strange person, and the art is bold.

"Mother!"

Qingyu cried out in grief, fell on the body and cried. The surrounding generals also looked sad.

Ying Kuang sighed softly and instructed: "Quickly deploy the mourning hall, and bury the madam in the coffin in three days."

"Yes, Your Majesty!"

Everyone responded in unison and went to prepare.

Qingyu cried for a while, then stood up slowly and looked at Yue Feng in a complicated way: "How did you bring your mother's body back?"

Yue Feng breathed a sigh of relief and briefly explained the process.

Hearing the answer, Qingyu was suspicious: "It's so simple?"

"It's so simple." Yue Feng nodded.

The ultimate husband in Chinese chapter 6307

Call!

Qingyu took a deep breath, and her delicate face was full of suspicion: "Ji Beiye has hundreds of thousands of troops and strong security, so you can easily do it alone?"

"Let this county master guess, it was Ji Beiye who deliberately let you Bring the body back to gain our trust, right?"

Uh...

At this moment, Yue Feng was dumbfounded.

The delusional disorder of this county owner is too serious. Why do you always think I'm a spy?

Thinking to himself, Yue Feng smiled bitterly, but did not respond.

Seeing that he didn't speak, Qingyu thought that he had acquiesced, and immediately shouted at the surrounding: "come here, take him down."

However...

the generals around, look at me, I look at you, there is not one He stepped forward to deal with Yue Feng. They all knew in their hearts that the county master was making trouble unreasonably, but because of his status, no one dared to say it.

Seeing that no one started, Qingyu was completely anxious: "You are all stunned..."

"Okay!"

Ying Kuang, who was on the side, interrupted: "Qingyu, don't be fooling around anymore, Yue. Your Excellency Feng is an expert outside the world, and it is not unusual to do this."

"You are not grateful for the fact that you can bring back Madam's body. Instead, you slander it again and again. It really shouldn't be. Also, the bet before, but Don't forget."

Shuh!

This chapter is provided by . Visit for daily update.

The last word fell, and the eyes of the surrounding generals, as well as those of the maids, all converged on Qingyu.

Qingyu County Master has a strong personality. If he loses the bet, will he deny it?

"I..."

At this moment, Qingyu bit her lip tightly, facing Ying Kuang's gaze, she was speechless for a while.

Seeing her expression, Ying Kuang said lightly: "Qingyu, as the county master, you are a relative of the royal family, every word and deed is related to the royal face, if you lose, you lose, how can you keep your word? Go, give it to Yue Your Excellency Feng, pour tea." The

voice was not loud, but there was no doubt.

When he was escorted to Xuangu Pass by Yue Feng before, Ying Kuang knew that this person was not simple, and seeing him successfully bring back his wife's body today, he felt even more admiration and admiration in his heart.

"Yes....Your Majesty!"

Seeing Yingkuang saying so, Qingyu could only nod her head and take orders even though she was reluctant.

In the next second, Qingyu poured a cup of tea and walked slowly to Yue Feng: "Your Excellency Yue Feng, please drink tea."

Seriously, when pouring tea to Yue Feng, Qingyu felt ten thousand reluctance in her heart, but she didn't. The way, His Majesty's golden mouth has already opened, if you don't do it, you will be disobeying the imperial decree.

Um!

Yue Feng nodded, took a sip of the tea, and said with a smile: "The tea made by the county master is really different, fragrant and delicious."

When he spoke, Yue Feng looked at Qingyu with a smile that was not a smile.

"You..."

Feeling the sarcasm in his words, Qingyu's face flushed, and she was about to scold her, but thinking that Ying Kuang was on the side, she finally held back. Yue Feng put it down when he saw it, no longer ridiculed, but put down the teacup and said to Ying Kuang: "The body of the madam has been brought back safely, and now we have no worries, we can let go and fight Ji

Beiye."

!

Ying Kuang nodded, then took out the tiger talisman and gave it to Yue Feng solemnly: "Your Excellency Yue Feng, the safety of the people of Qizhou City will be handed over to you."

Saying that, Ying Kuang looked around the audience: "All generals obey orders, from now on, obey all the deployments of Your Excellency Yue Feng, and must not violate."

"Subordinates obey."

All the generals present responded in unison.

.....

On the other side, Ji Beiye camp outside Qizhou city.

The banquet in the military tent continued until very late.

At this time, a general of the Hu people, on the way back to the camp, hummed a little tune very excitedly: "The person in my heart... I would like to gallop with you, on the green grassland..."

Your thin curved eyebrows are like crescent moons, and your eyes are like clear lake water..."

The general became more and more excited as he sang, and he couldn't wait.

It is the commander-in-chief of the Hu people, Nuliha.

At this time, Nuliha was in a good mood. After fighting with Ji Beiye for a few days, he was exhausted both physically and mentally. He could finally enjoy it tonight. When he thought of the beautiful woman he liked, he was waiting for him in the tent at this time, Nuliha It's like drinking honey, it's too beautiful in my heart.

"Beauty, I'm here."

Soon, at the front of the tent, Nuliha opened the curtain and walked in with a smile, but when he saw the scene inside, he frowned secretly.

The

tent is empty, where can there be a shadow of a beauty?

Swish!

Seeing this, Nuliha's face sank, and the wine was half awake in an instant.

Beauty isn't there? Mad, is it those bastards who enjoy my beauty in private?

Thinking of this, Nuliha was furious, and quickly walked out of the tent and shouted:
"Here, where are the guards? Where did they all die?"

Whoa!

The words fell, and several guards rushed over, seeing Nuliha's face full of anger, they were all uneasy.

Nuliha looked sullen: "Who is in charge of escorting the beauties?"

"It's Hu Laosan or two."

"Where are they?" Nuliha almost growled.

"No...I don't know!"

"Made, are you still looking for it?"

Seeing Nuliha's anger, the guards didn't dare to neglect, they hurriedly searched in private, and soon, they found Hu, who was unconscious behind the tent. The old three and two.

Papa...

Nuliha walked over without saying a word, slapped Hu Laosan to wake the two, stared and said, "Where is my beauty?"

Hu Laosan was beaten: "Yes, In the tent?"

Clap!

Nuliha's eyes lit up, and he slapped him in the face again: "Are you drunk? There's no one inside."

"We obviously sent it here." Hu Laosan almost cried, covering his face He said, "It's definitely not wrong."

Nuliha took a deep breath and asked, "What's the matter with the two of you?"

This...

Hu Laosan looked at each other and hesitated: "We were raided, the speed of the other party is too high, there is no way at all. See who it is."

Mad!

Knowing the situation, Nuliha became furious and cursed: "What two wastes. Look, rummage through the entire camp, and find someone for me." In

the camp of hundreds of thousands of troops, it is impossible for the enemy to infiltrate.

Nuriha guessed that it was most likely someone in the camp who stole his beauty.

"Yes, General!"

Upon hearing the order, the guards present responded, and immediately led people to search the entire camp. In an instant, the entire camp became a mess.

At this moment, in the camp of the general, Ji Beiye hugged from left to right, enjoying the tenderness. Because he was too drunk, after Ji Beiye entered the camp, he didn't find another beautiful woman at all.

Mad!

Hearing the commotion outside, Ji Beiye was very upset, got up and shouted outside: "What's going on outside? The defenders of Qizhou City are calling?"

As soon as the voice fell, the soldiers guarding outside responded: "Reporting to the great. General, it seems that the woman of General Nuriha has disappeared, and is now searching the entire camp?"

What? Missing woman?

Hearing this, Ji Beiye was very angry, Ma De, the brains of these Hu people are really muddled, and they made such a big noise for the sake of a mere woman.

Thinking to himself, Ji Beiye said angrily: "Call Nuliha to see me immediately."

"Yes, General!"

A few minutes later, the soldiers took the angry Nuriha to the gate of the camp.

Ji Beiye walked out of the camp and said coldly: "Nuriha, what the hell are you doing? You disturbed the camp in the middle of the night, do you know the consequences?"

Huh!

Nuliha took a deep breath and said slowly: "General, I don't want this either, but my woman was taken away, I really can't swallow this breath.

"I gave you the woman, who is so bold and dare to take it?"

"I..."

Nuliha opened her mouth and wanted to answer, when she saw the scene inside the tent through the curtain. , his face suddenly stiffened.

Nuliha clearly saw that the beauty that originally belonged to him was sitting on Ji Beiye's soft couch at this time... shuh

!

In an instant, Nuliha was furious and looked at Ji Beiye closely: "General, you gave me a woman, but you took it back and enjoyed it yourself, what does this mean?"

"Yes, it is Ji Kitano.

At this time, Nuliha didn't know that he was caught in Yue Feng's alienation scheme.

“What did you say?”

At this moment, Ji Beiye’s face turned gloomy: “Nuliha, you said that General Ben robbed your woman? Who is General Ben? Need to rob you of a woman? You are special tonight. It’s silly to drink and drink, isn’t it?”

Ji Beiye was very angry at this time.

Mad, this Nuliha just wanted to die because he dared to talk to me like that because he was the commander-in-chief of the Hu people.

call!

Seeing this situation, the soldiers next to him were all too daring to come out. The atmosphere is also extremely solemn.

Feeling Ji Beiye’s anger, Nulihajiu woke up completely, and was even more annoyed in his heart.

Good you Ji Beiye, you robbed me of the woman you sent me, and you went back on your word.

The more Nuliha thought about it, the more angry he was, so he planned to turn against Ji Beiye, but he finally held back. You must know that the Hu soldiers in his hands were only 100,000 people, and the gap between them and Ji Beiye was too great.

More importantly, if we cooperate to attack Qizhou City right now, if we really turn our face, it will not benefit anyone.

Thinking of this, Nuliha suppressed his anger and forced a smile on his face: “What the general taught is that he drank too much tonight, and his mind was confused.”

“I will apologize to the general now.” The

last one The words fell, and Nuliha bent down at Ji Beiye and gave a military salute. However, in his eyes, there was a flash of coldness.

Seeing his apology, Ji Beiye showed a trace of contempt on his face: “Hurry up and go back to rest.” When the voice fell, Ji Beiye didn’t look at Nuliha, turned around and approached the camp.

“Yes!”

Nuliha responded, but secretly hated her teeth.

Ji Beiye, you wait for me. Today's humiliation will be returned tenfold in the future.

Thinking to himself, Nuliha turned around and said to the guards: "Let everyone rest and stop searching."

"As ordered."

After a few minutes, the entire camp returned to calm.

But Nuliha was so aggrieved, he returned to his tent and drank suffocating wine alone.

Soon, a confidant learned of the situation and walked into the tent and said: "General, then Ji Beiye went back on his word and robbed the woman given to the general. This is completely despising us barbarians. This tone, let's swallow it like this. Is it?"

"Of course I can't be this vicious right now." Nuliha took a sip of wine, and his eyes flashed with resentment: "When I find an opportunity, I will settle the account with him."

At this moment, Ji Beiye is on his side.

Ji Beiye just lay down and was about to continue to enter Wenrou Township, but a soldier shouted outside: "General, it's not good..."

Nima!

At this moment, Ji Beiye was furious: "What's the matter?"

The soldier stood outside the tent and said with sincerity: "That lady's body, no.... is gone. It should be the Qizhou city guard. The army sent someone to steal it."

Shuh!

Hearing this, Ji Beiye's face turned dark, and he scolded: "What a bunch of waste, can't you see a corpse?"

The army camp of hundreds of thousands of troops was quietly stolen by someone. It's so embarrassing.

However, Ji Beiye quickly calmed down and said coldly, "Order the soldiers on patrol to strengthen their guard and attack the city early tomorrow." The lady's body was originally used to deal with King Shaoyang.

During the day, King Shaoyang was stunned by vomiting blood, and his goal had been achieved, so the lady's body was useless, and if it was stolen, it was stolen.

Without King Shaoyang sitting in Qizhou City, the battle will be successful tomorrow.

“As ordered.”

...

On the other side, Qizhou City.

After Yue Feng got the Tiger Talisman, he readjusted the defense deployment of the entire Qizhou City, and then went back to his room to rest.

Bang Bang...

The next morning, Yue Feng slept soundly, and there was a knock on the door: “Your Excellency Yue Feng, wake up, Ji Beiye’s rebels are calling out outside the city again, Your Majesty, please Discuss countermeasures in the past.”

Hmm!

Yue Feng responded, got up and washed quickly, and then rushed towards the city gate.

After arriving, I saw Ying Kuang and all the generals waiting above the city gate, all with solemn expressions on their faces.

Outside the city, Ji Beiye’s army gathered at the foot of the city gate, with long knives brimming with amazing momentum.

“Haha!”

At this moment, when he saw Ying Kuang above the city gate, Ji Beiye raised a trace of contempt at the corner of his mouth, and laughed loudly: “King Shaoyang can’t do it anymore, now it’s your turn, you stinky boy, do you take the seat in person?”

“Hurry up and surrender to Kaicheng, or you won’t be able to save your life when I break through Qizhou City.”

The ultimate husband in Chinese chapter 6310

Damn!

Hearing these arrogant words, Ying Kuang’s naive face suddenly became hard to look at.

However, Ying Kuang still suppressed his anger and did not attack.

At this time, Qingyu also rushed over. Seeing the situation outside the city, she suddenly trembled. The opponent's army of hundreds of thousands, can Qizhou City stop it?

Then thinking of her mother's death, Qingyu was extremely sad and angry, and shouted at Ji Beiye: "Ji Beiye, you traitor, you will die."

When scolding, Qingyu's eyes locked on Ji Beiye, full of resentment .

This traitor, first humiliated his mother's body, and then made the three unconscious, wishing he could be smashed to pieces.

If eyes could kill, Ji Beiye would have been riddled with holes and died hundreds of times.

"Haha!"

Hearing the abuse, Ji Beiye wasn't angry at all, instead he squinted to admire Qingyu's graceful appearance, tsk tsk admiring: "It is said that King Shaoyang's younger sister has turned into a beautiful beauty, now it seems that It's true."

"When I break through Qizhou City, I will ask you to accompany me at the celebration banquet, haha."

After saying the last sentence, Ji Beiye laughed proudly and looked extremely arrogant.

"Shameless..."

Hearing these words, Qingyu was so angry that she even yelled, but was stopped by Ying Kuang.

"Okay, don't make a pointless argument with him." Ying Kuang said calmly, slowly.

Seeing Yingkuang speak, Qingyu suppressed her anger and closed her mouth.

call!

At this time, Ying Kuang took a deep breath and asked Yue Feng, "Your Excellency Yue Feng, how should we deal with it now?"

The moment the voice fell, the eyes of everyone around him also focused on Yue Feng.

Yue Feng's expression was indifferent, and he said slowly: "It's very simple, Kaicheng should respond to the enemy, and the other party will come to the door to call. If you can't hold on, won't you be laughed at?"

What?

Hearing this, whether it was Ying Kuang or Qingyu and the generals present, their expressions changed drastically.

You heard right, this Yue Feng is actually going out of the city to meet the enemy?

There is so much difference in the strength of the two sides, and a head-to-head confrontation is not self-defeating?

Finally, Ying Kuang was the first to react and looked at Yue Feng with a complicated look: "Isn't this too risky?"

Haha!

Yue Feng smiled lightly: "Since Your Majesty has given me the tiger talisman, you should believe in my ability and support my decision. Don't worry, I will never do anything I am not sure about."

Hearing this, Ying Kuang no longer hesitated and nodded. Said : "Okay, just follow your wishes."

After speaking, Ying Kuang looked at the surrounding generals: "Follow the command of Your Excellency Yue Feng, and immediately go out of the city to meet the enemy .

"

, and then assembled the defenders, opened the city gate and killed them out.

Um?

Seeing this scene, Ji Beiye was stunned for a moment. This little emperor was quite bold, and he actually let his men go out of the city to meet the enemy?

Afterwards, Ji Beiye came back to his senses, with a full smile on his face, and shouted: "Soldier, it's time to build meritorious deeds, attack!"

When shouting, Ji Beiye's eyes were full of excitement and excitement.

Haha... Although this little emperor is bloody, he doesn't know how to fight at all. The situation in Qizhou City is only suitable for holding on, but he dispatched an attack. This is simply a chance for him to break the city in vain.

“Kill!” The

voice fell, and the hundreds of thousands of troops let out a thunderous howl, and quickly greeted the tens of thousands of defenders in Qizhou City.

In the blink of an eye, the two sides collided, and many soldiers of the Qizhou City defenders were seen screaming and falling in a pool of blood under the siege of the enemy.

With such a huge disparity in strength, the defenders of Qizhou City were simply powerless to resist.

Done!

Seeing this scene, Qingyu, who was standing on the city gate, was both anxious and angry, and scolded Yue Feng angrily: “This is your strategy against the enemy? You are not fighting the rebels at all, but want to Give Qizhou City hand in hand.”

At the same time, Ying Kuang also frowned, and his heart was extremely complicated.

Is it really wrong to hand over the command to Yue Feng?

In the face of Qingyu’s anger, Yue Feng’s expression was indifferent, and he didn’t care at all.

Whoosh!

The next second, Yue Feng urged his figure to fly into the air, holding the tiger talisman high, and shouting loudly, “All soldiers, obey my order and move fifty steps to the right without making any mistakes.”
