

The ultimate husband in Chinese chapter 6371-6375

Oh!

At the same time, Yue Feng also sighed secretly, very helpless.

This girl really knows how to pick the time. The situation was good for this side, but now it's better, and the rhythm has been disrupted by her.

"Oops!"

The sixth elder, who was meditating and recovering, saw the scene in front of him, and his expression changed. Girl Lin Ping was arrested, and it was troublesome.

Thinking to himself, the sixth elder wanted to get up to rescue Lin Ping, but he was in the critical period of recovery, so he was completely powerless.

"Shameless villain!"

At this time, Lin Ping couldn't move, but she was not afraid at all, and shouted at the elder: "Let me go." When she spoke, Lin Ping's delicate face was full of shame and hostility.

At the same time, there is some self-blame in my heart.

I was really stupid. With such a good opportunity, I didn't even succeed in the raid, and the acupoint was blocked by the elder.

Swish! Hearing the scolding, the elder

's face sank, and he said angrily: "Stinky girl, you are also qualified to talk to me like this? It's really no big or small, I will teach you a good lesson for your master."

, suddenly shot, and slapped Lin Ping fiercely.

Snapped!

Hearing a crisp sound, Lin Ping let out a coquettish cry, her delicate body trembled, and a five-finger print appeared on her face instantly.

Seeing this scene, Li Suqiu was anxious and angry, and said tenderly: "You bully a junior, what kind of skill is it, what is it that is coming at me." The voice fell, and he was about to urge the figure to rush over.

However, the second elder in front of her didn't give her a chance at all. At that time, she laughed evilly: "Want to save people? I'll talk about it after winning the battle."

Chi Chi...

While speaking, the Second Elder Long Sword burst into a cold light, and quickly shrouded Li Suqiu away.

Faced with this situation, Li Suqiu was furious, but she had no time to do so, so she had to cheer up and continue to fight with the second elder.

Dangdangdang...

I saw the figures of both sides, constantly shuttled back and forth, the long swords collided, and there was a continuous burst of vibrations.

Lin Ping received a slap, but at this time she recovered, and she couldn't help but continue to curse.

"Despicable and shameless, it will only bully the weak."

"It's not wrong for me to scold you at all. You are a hypocrite, and you have no humanity at all in order to be the master of the sect. As long as you are a disciple of Mingyue Sect, you are qualified to scold you.

"Neither you nor your accomplices will have a good end..."

Lin Ping was originally very afraid of the elder, but at this time, seeing that the master was entangled, and he was acupuncture points, he could only watch I can't help, and I can't take care of that much when I'm anxious, and I keep yelling at the elders.

Smelly girl...

Facing Lin Ping's curse, the elder's face was extremely gloomy: "I see that you really don't know how to live or die, so you are still scolding, okay, I'll let you scold!" The

last word fell, and the elder raised his hand and slapped, One after another, it slammed hard on Lin Ping's face.

Papapa...

The crisp slaps kept ringing, which made people jump.

Lin Ping couldn't dodge, and finally slapped her to the ground.

While the first elder was fighting, he paid attention to Li Suqiu's reaction, with gloomy and cunning eyes flashing.

Yes, the first elder held his own identity, and did not intend to be serious with Lin Ping at all. At this time, he kept slapping his hands just to influence Li Suqiu's performance.

He knew in his heart that Li Suqiu loved Lin Ping very much, and when he saw Lin Ping being beaten at this time, he must be very distressed.

"You..."

Sure enough, when Li Suqiu saw this scene, he was immediately furious, and yelled at the first elder, "Are you only bullying the disciples below?"

As soon as the words fell, Lin Ping shouted: "Master, leave me alone, kill the second elder first."

Although she is reckless, she is not stupid. She knows that the most important thing now is not to distract Master, otherwise, there will be consequences. Incredible.

"Shut up!"

At this moment, the first elder said coldly, and slapped him again.

Lin Ping was staggered, but her eyes were still firm and she looked at the Great Elder fearlessly.

call!

At this time, Yue Feng, who was hiding outside the secret door, frowned and thought about this situation.

It can't go on like this, Li Suqiu's strength has not recovered, and he can't last for a long time.

The ultimate husband in Chinese chapter 6372

Muttering in my heart, Yue Feng was about to show up, but he held back after thinking about it.

It doesn't matter if you reveal your identity at Mingyuemen, but if the news reaches Haotian, I am afraid that Li Suqiu and Lin Ping will be implicated by him.

Or think of other ways.

Thinking of this, Yue Feng was holding a wooden block and was going to kill the Great Elder secretly, but the Great Elder was blocked by Lin Ping, which made Yue Feng completely unable to find the angle to shoot.

For a time, Yue Feng was very anxious.

Um?

But soon, Yue Feng looked at the environment of the main hall, and saw a statue in the north, and he immediately noticed it.

The next second, Yue Feng showed his figure, his body turned into an afterimage, quickly rushed into the hall, skipped the Sixth Elder's side, and finally hid behind the statue.

At this time, the sixth elder was paying attention to Li Suqiu's side, and he didn't notice Yue Feng at all, but he felt a wave of prestige passing by, so he looked back subconsciously.

what's the situation?

In this great hall, why suddenly there was a surge of prestige?

Could it be... is it some expert who was hiding in the dark just now?

Realizing this, the sixth elder became excited all of a sudden, and hurriedly looked around, but found no one.

For a time, the sixth elder was very puzzled, strange, did he think too much?

At this time, Li Suqiu was here.

The apprentice didn't fight, it made her very angry, but she kept calm in her heart. Right now, only she can have the power to fight. If she is disturbed, she will be taken advantage of by the elders.

Realizing this, Li Suqiu bit her lip, trying her best to calm herself, and continued the fierce battle with the second elder.

As long as the second elder is killed, the first elder alone is not a problem.

Mad!

Seeing this scene, the Great Elder couldn't help but cursed in his heart.

Li Suqiu was really able to endure this, the apprentice was beaten like this, and he was still so calm. It seems that only extreme measures can be used.

After making up his mind, the first elder quickly stepped forward, stretched out his hand and squeezed Lin Ping's neck tightly, and shouted, "Li Suqiu, throw down the sword immediately, otherwise, I will break her neck.

" The elder's face was extremely cold.

Swish!

Hearing the shouting, Li Suqiu's delicate body trembled, and she turned her head to look, and she was instantly furious.

"Master!" Lin Ping was strangled tightly by the neck, her delicate face flushed red, and she was very frightened, but she still shouted softly: "Don't mind me..."

She was beaten by the elder just now, and she was already weak. No, I don't have the strength to speak.

The sixth elder, not far away, was also very angry when he saw the first elder using Lin Ping to threaten, and couldn't help cursing: "Shameless, threatening a junior's life, are you still human ?

“

Screaming, the first elder sneered and glanced at the sixth elder: "Don't chat with me, and I will take care of you after I finish dealing with their master and apprentice."

After speaking, the first elder looked at Li Suqiu again, the elder He shouted, "Put down the sword, do you really care about your apprentice's life or death?"

“You...”

Li Suqiu's delicate body trembled, but after saying a word, she couldn't go on.

She clearly saw that the hand of the first elder was tightly pinching Lin Ping's neck. As long as she exerted force, Lin Ping would lose her fragrance.

For a while, Li Suqiu was indescribably complicated in her heart, apart from being angry.

Could it be... is this God's will?

What a good opportunity just now, now the opportunity is gone, and the situation is under the control of the Great Elder again.

What the fuck....

At this moment, Yue Feng hid behind the statue and was about to take action, but when he saw that the first elder suddenly threatened Lin Ping, he was also angry at this moment.

This big elder is really despicable and shameless. He couldn't beat him at the front, so he used this kind of indiscriminate means. This kind of villain is still trying to be the sect master....

Originally, Yue Feng was hiding behind the statue, and the angle could kill the Great Elder secretly, but the Great Elder used Lin Ping as a threat and blocked her in front of him, which made Yue Feng Lost opportunity again.

call!

At this time, Li Suqiu took a deep breath, tried to calm herself down, and shouted at the elder elder: "Let her go, support you as the sect master or not, it's a matter between you and me, and it has nothing to do with her."

The ultimate husband in Chinese chapter 6373

“Tsk tsk...”

Hearing this, the first elder couldn't help laughing, with a mocking expression on his face: "This girl is disrespectful to me, I should kill her, but I can let her go. “

It's the same sentence, throw the sword in your hand, kneel down and apologize to me immediately, and I'll let her go. Otherwise, I'll keep your master and apprentice separated.”

When he said this, the elder had a look on his face. of pride.

He knew Li Suqiu too well. Although she was a woman, she was very affectionate and righteous. She would never watch her apprentice die tragically.

“You... shameless...”

Li Suqiu's body trembled and stared at the elder. At this time, she could not wait to peel him off, but because she was worried about Lin Ping, she held back.

Mad!

Seeing this scene, the sixth elder not far away was also extremely angry.

The first elder is so despicable, Li Suqiu is really difficult to deal with alone. He only hates that he is in the critical period of recovery.

At the same time, Yue Feng, who was hiding behind the statue, also frowned, secretly thinking about countermeasures.

“Okay!”

At this moment, Li Suqiu, after a struggle, stared at the Great Elder and said, "You have to say what you say." The voice fell, and the jade hand loosened and threw the long sword on the ground.

“Master...”

Seeing this scene, Lin Ping was very anxious and couldn't help saying: "Don't...don't mind me, pick up the sword and kill them...”

This chapter is provided by . Visit for daily update.

Lin Ping at this time , I am very sorry.

I was so impulsive just now that I failed to raid the elder, and even killed my master...

“Ping'er!”

Hearing the call, Li Suqiu smiled slightly and said softly: "You and I have been master and apprentice for nearly ten years, how can I bear to watch

it? If you die? You are over eighteen, and you should be mature. After today, Master hopes that you can protect yourself well in the future.”

“No...” Lin Ping shook her head desperately, tears streaming down her face.

Pfft!

Li Suqiu didn't say any more, he knelt down towards the Great Elder with his knees bent, and said slowly, “I was wrong before, I shouldn't always be right with you, and I shouldn't stop you from being the sect master. I hope you can understand. , release my apprentice...”

When he spoke, Li Suqiu was dark and indifferent, without the slightest fluctuation.

To be honest, Li Suqiu felt ten thousand reluctance in his heart to submit to the elder, but he couldn't help but watch his disciple die tragically.

call!

Seeing that Li Suqiu really knelt down, Yue Feng, who was hiding behind the stone statue, couldn't help but sigh and nodded in approval.

Although this Elder Li is a female class, but he is so responsible, and he is much stronger than countless men.

well!

At the same time, the sixth elder not far away also sighed.

Haha...

At this moment, the first elder saw that Li Suqiu finally let go of his self-esteem and softened himself, and immediately couldn't help laughing, and said very proudly: “Li Suqiu, Li Suqiu, it would have been nice earlier? Everyone is from the same school, you insisted on doing the wrong thing with me, and you ended up like this.”

After speaking, the first elder instructed the second elder, “Tie it up.”

The second elder responded, immediately took out the rope, and tied Li Suqiu Wuhuada.

After tying Li Suqiu, the second elder looked at Lin Ping and said, “What about this girl?”

“Tie up together!” The first elder said without hesitation.

Swish!

At this moment, Li Suqiu's delicate body was shocked, and she stared at the elder, and she was furious: “You...you promised me that you would let her go.”

“Hehe!”

The elder laughed evilly: “I I meant to let her go, but I didn't say let her go now. You can rest assured. When the competition is over, we will leave the secret realm together. You recommend me as the sect master in front of all the disciples, and I will naturally guarantee you master and disciple. safety.”

This Lin Ping is Li Suqiu's heart, how could she just let it go?

The first elder thought about it, and after he left the secret realm, in front of all the Mingyuemen disciples, after receiving the support of Li Suqiu, he was considering how to deal with them.

Swish!

Hearing this, Li Suqiu was so angry that he scolded: “If you go back on your word, you are not afraid of being laughed at?”

The elder sneered and said nothing.

At this time, the sixth elder who was not far away couldn't bear it anymore, and scolded: “If you don't believe in words like this, you will not end well. Even if you become the sect master, it is a shame for Mingyue Sect.”

The ultimate husband in Chinese chapter 6374

Swish!

Hearing this, the first elder turned cold, and said to the second elder, “Tie the sixth to me as well.” After speaking, he sat down with his knees crossed and recovered silently.

His injury has not yet fully recovered, and he needs to recover urgently now, and the sixth elder is seriously injured, and he does not need to do it himself.

At this time, in the heart of the elder, he thought he was in control of the situation.

After being instructed, the second elder nodded, moved his figure, and quickly came towards the sixth elder.

“Two shameless people.”

However, at this critical moment, a deep voice came from the statue in the north: “Murdering fellow sects, disbelieving and complacent, such despicable actions are simply inferior to pigs and dogs.”

The voice was low and powerful, echoing in the hall for a long time.

Yes, this voice was made by Yue Feng, but in order to avoid being heard by Li Suqiu and Lin Ping, Yue Feng deliberately used ventriloquism to change his voice.

Speaking of which, Yue Feng wanted to secretly take action, but the elder was blocked by Lin Ping and had no chance. Seeing that the situation was getting more and more dangerous, he couldn't help it.

Swish!

Suddenly hearing the sound, the second elder shook his body, stopped immediately, and quickly looked in the direction of the statue.

who? Hidden in this hall?

The first elder also had a solemn expression, staring at the statue closely, his mind turned rapidly, and there were still people hiding around? I didn't realize that....

Li Suqiu and Lin Ping were also amazed.

Ha ha...

Only the sixth elder was very excited. At this time, a smile appeared, and he couldn't help but say: "Is that the expert just now? I just helped out, I'm really grateful."

This voice was so powerful, it must have been the one who killed the elder just now. The mysterious master of the companion.

Senior?

Hearing the words of the sixth elder, the first elder and Li Suqiu were all stunned.

"Haha!"

The sixth elder was very excited at this time, and sneered at the first elder: "Those of your subordinates died at the hands of this mysterious master just now, you thought you were in control of the situation, but you are a Clown."

"The strength of the mysterious master is unfathomable, you are dead."

When saying this, the sixth elder looked closely at the direction of the statue with reverence and anticipation on his face, although he and the mysterious master did not see each other. We met, but judging from the situation where the other party helped out just now, this mysterious expert will definitely not let the Great Elder go easily.

What?

Hearing these words, the first elder and the second elder looked at each other in shock.

Those people just now died at the hands of this mysterious master?

No wonder.... It is said that the sixth elder was injured so badly, and it is impossible to kill several people at the same time...

Thinking about it, the elder's face changed, and he summoned the courage to shout at the statue: "Who is your Excellency? How did you enter the secret realm, and why did you interfere with our Mingyuemen?"

Only hearing his voice but not seeing him, the elder was not sure, and his tone was not as arrogant as before.

call!

At this moment, Yue Feng breathed a sigh of relief, used ventriloquism, and said solemnly: "I am the master of this palace, it is really hateful for you to break in without my permission."

"Especially a perfidious, despicable and shameless villain like you, you are simply a scum of the rivers and lakes. To stay here is to blaspheme here. While I am in a good mood, hurry up and take your people, get out!" The

last word, Yue Feng The high-pitched tone shocked the elders and several people, and the eardrums were buzzing.

Is the other party the owner of this palace? Moreover, this breath feels very strong..

At this moment, the second elder was afraid, looked back at the first elder, and said in a low voice: "What should I do?" It's terrifying, if the two of them are added together, I'm afraid they are not opponents.

call!

The Great Elder also changed his face, and he felt some inexplicable fear in his heart. At that time, he did not respond, but thought silently.

The other party said that he was the master here, but.... the palace in this secret realm is the ruins of Xianyumen. It has been abandoned for thousands of years. How could there be any living people?

Moreover, before Mingyuemen, people were often sent in to investigate, and they had never heard of anyone inside.

Thinking of this, the first elder looked at Li Suqiu's master and apprentice, and then looked at the sixth elder, and had a bold guess in his heart.

Could it be that...the person hiding behind the statue is the accomplice of the sixth elder, who deliberately pretended to be a ghost to scare people?

The ultimate husband in Chinese chapter 6375

Realizing this, the first elder lowered his voice and told the second elder about his guess.

call!

Hearing this speculation, the second elder took a deep breath, calmed down instantly, nodded and said, "It's very possible that this person secretly cooperated with the sixth, and I don't know how to kill our people. , and now pretending to be mysterious and trying to scare us away." The first

elder nodded: "Go and check the truth."

When speaking, the first elder looked at the sixth elder coldly, Ma De, dare to use this method to scare me? Do you really think I'm such a liar?

At this time, the two elders believed that the person hiding behind the statue was the sixth elder.

"Okay!"

Hearing the order, the second elder responded, and immediately rose into the air, rushing towards the statue.

"Pretend

to be a ghost!" The second elder clenched his sword tightly and shouted, "No matter who you are, if you dare to make fun of us, you will be told to live and die later."

Om!

The voice fell, the second elder's strength exploded, and the long sword in his hand swung a shock, and went straight to the back of the statue, and saw that the sword light passed, the air was torn, and the power was amazing.

Did you do it?

Seeing this scene, Li Suqiu's master and apprentice, who were tightly bound, had some doubts on their faces.

These two elders are so determined, is it really the sixth elder who is hiding behind the statue?

This chapter is provided by . Visit for daily update.

call!

The sixth elder showed a sneer, looking at the second elder's eyes, flashing indifference.

It is said that the other party is a mysterious expert, you are really courting death if you go up to do it.

Others don't know, but the sixth elder is very clear. When the mysterious expert killed those people just now, he could see clearly at the time that the mysterious expert used a few small pieces of wood.

How powerful is it to be able to pierce a person with a wooden block? How can this kind of strength be compared with that of the two elders?

Um? These two are not stupid.

At this time, seeing the second elder erupting, Yue Feng couldn't help frowning secretly. He thought he was pretending to be a mysterious expert, but he didn't expect to be seen by the other party so quickly.

However, in the face of the second elder's sword glow, Yue Feng did not panic at all. He hid behind the statue and did not move. He raised his hand slightly and deployed a protective film in front of him.

boom!

In the next second, the sword light erupted, slammed on the protective film, and made a dull sound, and saw the sword light dissipated in an instant, but the protective film was safe and sound.

What?

Jianmang was relieved, and the second elder was shocked. At the same time, he rushed behind the statue and saw Yue Feng. He couldn't help shouting: "Who are you?"

"Hey!"

Yue Feng was too lazy to talk nonsense. Directly activating the power of the primordial spirit, a golden glow erupted, shrouding the second elder directly.

This... what skill is this?

Seeing Jin Mang, the second elder was shocked, and immediately turned around to run, but it was too late, and the real person was directly hit by Jin Mang.

"Ah..." The

second elder let out a miserable howl, and the whole person was sprayed with blood, and he was shocked and flew out, flying dozens of meters away, and finally smashed on a pillar, sliding down softly like a pool of mud. down

When he landed, he saw that the second elder was dripping with blood, and he was no longer breathing.

Like the previous few people, the second elder was dying, and he didn't know whose hands he died. Even after seeing Yue Feng's face, it was too late to report to the Great Elder.

hiss!

Seeing this situation, whether it was Li Suqiu's master and apprentice or the Great Elder, they couldn't help but gasp.

Just one move to kill the second elder? Moreover, the other party didn't show up...

The strength of the person behind this statue is too terrifying.

Especially the first elder, who stared blankly at the corpse of the second elder at this time, his face was pale, his forehead was sweating coldly, his legs were trembling constantly, and he was about to lose his stability.

You must know that the strength of the second elder is one of the best in the entire Mingyuemen, but now he has been killed in one move.

The person behind the statue, whose strength is so terrifying, is definitely not the Sixth Elder.

Could it be... Really someone from Xianyumen? He has been in this secret realm and has been practicing in seclusion. Therefore, the people in Mingyuemen have never known his existence...

"Your Excellency, spare your life..." The more he thought about it,

the more afraid he became, and finally he shouted a few times, Like frightened birds and beasts, turned around and escaped from the hall...
