

The ultimate husband in Chinese chapter 6386

Just when a few people were wondering, a slender figure came over, with a graceful and charming figure, delicate facial features, but a bit of fatigue between his brows.

It was Yuan Rou.

In the side hall just now, after Yuan Rou rushed to open the acupuncture point, she took a short rest, then came out to check around, and came here unknowingly.

It's her!

Seeing Yuan Rou, Yue Feng murmured secretly.

At the same time, Li Suqiu and the six elders were relieved when they saw that it was Yuan Rou.

Afterwards, Li Suqiu stood up with a slight smile and greeted, "Elder Yuan." The sixth elder nodded at Yuan Rou as well, as a greeting.

call!

Seeing them, Yuan Rou nodded: "It turned out to be you." She and Li Suqiu had a pretty good relationship. Seeing them at this time, her cold face also showed a bit of softness.

"This is the fruit I picked."

At this time, Lin Ping picked up some fruit and handed it to Yuan Rou.

Li Suqiu said with a smile: "This place is so big, but it's deserted, and I can't find anything else to eat for the time being, so let's take these fruits and pay attention first."

Mmm!

Yuan Rou nodded, she was not polite at the time, wiped the fruit, and then ate it.

After eating a piece of fruit, Yuan Rou saw Yue Feng standing by the side, with a hint of surprise on her delicate face: "Who is this person?" When she was in the side hall before, because Yue Feng had been standing at the door and did not approach, so Yuan Rou didn't see his appearance.

"He is a refugee I brought back from outside..." Li Suqiu explained.

That's it...

Hearing this, Yuan Rou nodded, but she didn't take Yue Feng to heart.

The next second, Yuan Rou saw that the sixth elder was injured, and couldn't help but wonder, "How did you get hurt like this? Also, why don't you see the fifth elder?" The

fifth elder and the sixth elder were as close as brothers, almost like a shadow Not leaving, this is a well-known thing in the entire Mingyuemen. At this time, Yuan Rou only saw the sixth elder, and she couldn't help but feel a little puzzled.

well!

Hearing the question, the sixth elder sighed, and his face could not hide the grief and anger: "The fifth is dead." Thinking of the tragic death of the fifth elder, the sixth elder was heartbroken.

At the same time, Li Suqiu and Lin Ping also sighed secretly.

What?

Yuan Rou's delicate body trembled: "What's the matter? What happened to you before?"

Lin Ping said angrily as soon as she finished speaking, "It's not that despicable person of the Great Elder, he wants to be the sect master, so he forces everyone to support him. He, whoever objects, he will kill..."

"Not only the sixth elder, but Master and I almost died at his hands." At the end, Lin Ping clenched her pink fist and was very angry.

Another great elder.

Hearing this, Yuan Rou frowned, and she felt extremely indignant in her heart.

The first elder said before that it was Li Suqiu and the sixth elders who jointly raided him. Now it seems that this person is really despicable, and there is no truth in his mouth.

At this moment, Li Suqiu explained the situation at that time in detail.

At the end of the story, Li Suqiu bit his lip and said regretfully, "At that time, the second elder was killed by a mysterious expert, and the first elder ran away when he saw that the situation was wrong."

“Me and the sixth elder are too late to intercept, otherwise, we must kill him to avenge the fifth elder.” The

mysterious expert?

At this moment, Yuan Rou’s body trembled, and she couldn’t help but hear the mysterious man she met in the side hall before.

I thought it was because I was lucky and met a mysterious person. I didn’t expect that before that, Li Suqiu and the others also met a mysterious person.

It seemed that the mysterious person I met was the same person that Li Suqiu met.

“Not bad!”

Just when Yuan Rou was thinking about these things, the sixth elder was full of grief, and said fiercely: “The first elder mutilated the same family, and it would not be a pity to die 10,000 times. Now that the elder Yuan is here, we must unite as one. , eradicate this scum as soon as possible.”

Shua!

The moment the words fell, Li Suqiu and Lin Ping looked at Yuan Rou closely, waiting for her to express their stance.

You know, Yuan Rou is lonely and cold. She has always kept a low profile in Mingyuemen, and never participated in internal battles. I am afraid it will not be so easy to ask her to deal with the Great Elder together.

Call!

Facing the gazes of the three, Yuan Rou lightly bit her lip and breathed a sigh of relief, then said softly, “The Great Elder is dead.”

What?

As soon as these words came out, Li Suqiu and the six elders were all stunned, happy and surprised.

The first elder has done many evils, and death is a good thing for Mingyuemen. However, this person is powerful, and it is not easy to kill him.

After being cold for a few seconds, Lin Ping took the lead in reacting and asked Yuan Rou, “Elder Yuan, you...how do you know that the first elder is dead?”

At the same time, Li Suqiu and the sixth elder were also full of curiosity.

Yuan Rou hesitated, then said slowly, "I met him in the side hall before, and he was very embarrassed at the time. He told me that it was you who joined forces to deal with him..."

In the next two minutes, Yuan Rou would What happened is described in detail.

Speaking of which, Yuan Rou didn't want to talk about the matter that was almost tainted, but Li Suqiu, who was in front of her, was not an outsider, so she finally said it as it was.

Swish!

Knowing that Yuan Rou was almost defiled by the first elder, whether it was the sixth elder or Li Suqiu's master and apprentice, they were all furious.

Especially the sixth elder, when the little tree next to him made a judgment, he scolded: "This bastard, it is a shame for us to do such despicable things."

Lin Ping also said angrily: "This is Scum, it's not a pity to die 10,000 times."

Phew!

Yuan Rou breathed a sigh of relief and continued: "Afterwards, a mysterious man appeared, and the first elder heard his voice, like a mouse encountering a cat, and ran away at the window, and the mysterious man chased him out."

"Finally, the mysterious man came back and told me that the first elder was knocked off the cliff by his palm."

When talking about this, Yuan Rou's eyes flashed with a strange brilliance: "The mysterious man is a true gentleman. After clicking the acupoint, he didn't come in, but left when I was about to rush through the acupoint." The

mysterious man...

Hearing this, whether it was Master Li Suqiu or the Sixth Elder, they were all indescribably excited. .

"It must be the mysterious expert we met before."

"Yeah, he saved us in the main hall before, and saved Elder Yuan just now. This senior is also a great benefactor of our Mingyuemen."

“It’s a pity . I couldn’t see the senior.” The

three sighed, Lin Ping couldn’t hide his anticipation, and said to Yuan Rou, “Elder Yuan, did you see the senior’s appearance at that time?”

“No!”

Yuan Rou He shook his head lightly, and said disappointedly, “The light was dim at the time, and the man was standing at the door. I couldn’t see what he looked like at all.”

Hearing this, Lin Ping was also very disappointed.

The sixth elder smiled bitterly and said, “It seems that we are all out of luck with that senior.” When speaking, the sixth elder sighed with emotion.

At this time, they didn’t know that the mysterious senior, who was far away in front of them, was Yue Feng by their side.

After sighing for a while, Li Suqiu said softly: “The scourge of the first elder is dead, we don’t have to worry about it, it’s getting late, let’s rest well, and explore this place well tomorrow morning.”

Well!

Hearing this, the sixth elder and Yuan Rou both nodded.

Afterwards, Li Suqiu said again: “I’m not sleepy for the time being, you rest, I’ll guard first.” As

soon as the voice fell, Lin Ping couldn’t help but said: “Master, you were very tired from fighting with the second elder before, it’s me. Come on.”

“You rest, be obedient.” The master and

apprentice were arguing, but Yue Feng couldn’t help but said, “You all rest, I’ll be vigilant around you.”

Shuh!

Hearing this, both the master and the apprentice, as well as the sixth elder and Yuan Rou, all looked at Yue Feng with complicated expressions.

In their hearts, Yue Feng is just an ordinary person, and it seems that it is difficult to take care of such things as night watch.

A few seconds later, Li Suqiu calmed down and smiled: “Fengtao, you can rest too.”

"I'm not sleepy!"

Yue Feng smiled slightly: "I'll keep watch, after all, I still need your protection. What." When he said this, Yue Feng's face was honest and serious.

It's not that Yue Feng likes to stand out, but the few people in front of him are injured and continue to rest.

More importantly, Yue Feng sensed that this garden seemed peaceful, but there were actually a lot of poisonous insects hiding in the surrounding grass. These poisonous insects were extremely poisonous. With the strength of Li Suqiu and Yuan Rou, it was difficult to resist .

call!

Seeing Yue Feng's insistence, Li Suqiu nodded: "Okay then."

After speaking, Li Suqiu was still a little uneasy: "If anything happens, wake us up as soon as possible."

"Okay!" Yue Feng Nod. At this moment, Lin Ping looked at Yue Feng and couldn't help saying, "Let me tell you, since you are going to watch the night, don't be lazy. If you are really in

danger, don't run away by yourself."

, Yue Feng disappeared for a long time, in Lin Ping's opinion, he was afraid of death and sneaked away.

Hehe...

Hearing Lin Ping's words, Yue Feng couldn't help but smile: "Don't worry, I won't run away, this place is very dangerous, where can I run, or stay safe by your side."

Lin Ping snorted softly, and was too lazy to talk nonsense, so she and Li Suqiu sat cross-legged and rested.

.....

On the other side...

Huhu....

Hearing the wind whistling in his ears, and seeing the black abyss beneath his feet, the elder's face turned pale, and his heart was full of despair.

It's over, it's really dead now.

I thought to myself, the Great Elder suddenly bumped into something, and under the huge impact, his eyes went black, and he passed out.

I don't know how long it took, the Great Elder woke up and slowly opened his eyes.

"Not dead? Haha...I am not dead?" When

he opened his eyes and saw his appearance, the elder was so excited that he almost didn't cry. It turned out that he had hung on a tree on the cliff before.

I saw that the tree grew out of the crevice of the cliff and just caught her, otherwise, it would have been shattered by the fall.

If you don't die, you will have good luck.

Excited in his heart, the first elder looked down and saw a platform ten meters below the tree. He jumped down without hesitation at that time.

Pfft!

After landing on the platform, the first elder stabilized his figure, and when he saw the scene in front of him, he was stunned for a moment. He saw that the link to the platform was a cave.

What is this place?

For a time, the Great Elder felt inexplicably nervous, and some didn't want to go in, but there was an abyss below, and there was nowhere to go.

Kachacha...

Entering the cave, before taking a few steps, I stepped on something and made a crisp cracking sound.

The first elder murmured in his heart, bent over to take a closer look, and was suddenly startled.

I saw that where the cave was against the wall, there were two skeletons, and the skeletons were covered with dust. I don't know how many years they had been dead.

"Nima's, it's really bad luck." The

next second, the Great Elder reacted, cursed secretly, kicked the two skeletons away with one foot, and then looked around the cave.

I saw that this cave is not big, and there are traces of excavation everywhere. On the stone wall at the entrance, there are a few words written with flying and phoenixes: Dan Xuan Fu Land.

In the cave, there are some stone tables and chairs, and next to the innermost stone wall, there are also several pill furnaces. Next to the pill furnace, there are many lattices carved out on the stone walls, and inside the lattices, there are many medicine pills. bottle.

Roughly speaking, there are hundreds of these jade bottles.

Haha, so many pills.

The Great Elder's heart trembled, and he quickly walked over

to the front. When he saw the words on the jade bottle, the Great Elder's heart trembled, and he couldn't describe the joy and excitement.

"Tongling Pill, Peiyuan Pill... Haha, I have made a fortune!" The first

elder took a deep breath, unable to restrain his excitement.

Sure enough, the catastrophe is not dead, there must be blessings, I was seriously injured, and I was in need of medicinal herbs to recover. I didn't expect to encounter so many at once.

It seems that this cave is a place for alchemy specially set up by Xianyumen before.

So many medicinal herbs, don't take it for nothing.

Gudong...

Thinking to myself, the Great Elder didn't have time to think about it, picked up the jade bottle in front of him, and swallowed the medicine pill directly.

hum!

As soon as he swallowed the medicinal pill, the Great Elder felt that a powerful force was spreading in his body. He didn't have time to think about it, he quickly sat on the ground cross-legged, and slowly merged...

The ultimate husband in Chinese chapter 6389

At this moment, the other side.

In the garden, Li Suqiu, Lin Ping, and Yuan Rou sat cross-legged for a while, and soon entered their dreams.

Yue Feng was leaning against a tree beside him, closing his eyes and resting, but secretly paying attention to the grass around him.

Shasha...

Sure enough, after a while, a few poisonous insects quietly crawled out.

These poisonous insects are very spiritual. Li Suqiu had been dormant all the time when he had not rested a few times. At this time, he sensed that these people were resting, and then came out to attack.

Whoops, he's not small.

At this moment, Yue Feng heard the movement, slowly opened his eyes, and saw those poisonous insects, he was stunned.

I saw a few poisonous scorpions crawling out of the grass, all of them the size of a slap, with dark red carapace, and a faint blue light flickering on their long scorpion tail needles.

Such a poisonous scorpion would die immediately if it was stung.

If he had seen such a poisonous scorpion ten years ago, Yue Feng would have been shocked, but now that he has the Primordial Spirit, as well as the body protection of the red lotus of the law, it has long been invulnerable to all poisons.

Chi Chi...

At this time, a few poisonous scorpions took the lead in locking on the nearest Lin Ping, and charged up at a faster pace.

Um?

Seeing this scene, Yue Feng frowned: "Do you still want to hurt someone in front of me?" When the voice fell, Yue Feng picked up the pebble on the ground and flicked it with his fingers.

Papapa...

The stones shot out like bullets, killing several poisonous scorpions in an instant. In an instant, the pungent venom spread into the air.

At this moment, the other poisonous insects hiding in the grass, smelling the smell of these venom, suddenly went crazy, crawling out, thinking about Lin Ping and a few people around.

So much...

Seeing this scene, Yue Feng frowned.

I can see that these poisonous insects include palm-sized spiders, colorful poisonous snakes more than two meters long, and red centipedes all over the body. Together, there are thousands of them....

This sunflower secret realm Abundant spiritual energy is not only suitable for human cultivation, but also a paradise for these poisonous insects.

call!

In shock, Yue Feng did not hesitate, and continued to pick up the small stones on the ground, mobilizing the power of his primordial spirit, and popping his fingers to kill these poisonous insects.

Papapa...

These poisonous insects are fast, but they are not as fast as the stones in Yue Feng's hands. After a while, Lin Ping and Li Suqiu were surrounded by the bodies of poisonous insects, like a small mountain.

call!

Finally, after killing the last poisonous insect, Yue Feng secretly breathed a sigh of relief. Looking at the four Lin Pings who were still resting, he couldn't help but mutter in his heart, you are lucky to have me by your side, otherwise, tonight will be difficult. Run away.

"Well..."

At this moment, Lin Ping let out a hum, because she was not used to sleeping, she woke up, opened her eyes and saw the densely packed corpses of poisonous insects around her, and her body was shocked.

In the next second, Lin Ping couldn't bear it any longer, and exclaimed, "Ah..."

Shuh!

The exclamation suddenly awakened Li Suqiu three.

"What happened?"

"What happened?"

Lin Ping's face turned pale with fright. She pointed at the corpses of the poisonous insects and said tremblingly, "Master...Okay, there are a lot of poisonous insects..."

Hearing this, Li Suqiu woke up a few times and saw the scene in front of her. , were also surprised.

I saw that the surrounding grass was full of corpses of poisonous insects, including centipedes, spiders, poisonous snakes and scorpions, and there were almost thousands of them.

Gudong!

Seeing this scene, Rao Yuan Rou, who has a cold personality, couldn't help but secretly swallowed a mouthful of saliva.

With so many poisonous insects, each one bites one, and these people are afraid that they will die hundreds of times.

Thinking to herself, Yuan Rou looked around and asked Li Suqiu, "Have you been bitten?"

Li Suqiu and Lin Ping looked at each other, quickly checked themselves, and then shook their heads.

"Strange!"

Yuan Rou frowned and couldn't help but ask, "Then how did these poisonous insects die?" The poisonous insects did not attack people, but all died, which is really confusing.

Li Suqiu and Lin Ping, as well as the sixth elder, were also secretly suspicious.

"Hey!"

At this moment, Lin Ping thought of something and looked at Yue Feng next to the tree: "What happened just now?"

The ultimate husband in Chinese chapter 6390

Swish!

The words fell, and the eyes of Li Suqiu and the six elders immediately turned to Yue Feng.

He had been on the vigil and must have known the situation.

"This..." Yue Feng scratched his head, made a very indifferent look, and said slowly: "I don't know, these poisonous insects suddenly appeared just now, and I was startled."

I was about to call you, but they bit each other, and in the end... they all died." At the end, Yue Feng looked very scared.

You can't tell the truth, you can only make up a lie.

What? These poisonous insects kill each other?

Hearing this, Lin Ping frowned secretly, very different.

The three Li Suqiu were also full of doubts. They were very good. Why did these poisonous insects kill each other?

call!

At this moment, Yuan Rou breathed a sigh of relief and said seriously: "There are strange things everywhere in this secret realm, we have to be careful." The

voice fell, and Li Suqiu nodded.

"Well..."

At this moment, the contemplative sixth elder suddenly frowned and let out a painful hum, and then, a layer of cold sweat oozes out of his forehead, and the whole person fell to the ground, like it bowed like a shrimp, and his face was full of pain.

Seeing this scene, Li Suqiu and Yuan Rou were both startled.

“Elder Six, what’s wrong with you?”

“What’s the matter? Could it be that you were bitten by a poisonous insect just now?”

At this time, the sixth elder, still maintaining a bit of calm, listened to the question, and replied weakly: “I... I have no wounds on my body, it should not be bitten, just...”

“It’s just, The pain in the body is unbearable, it should be poisoned...” During the speech, the sixth elder’s face was extremely pale, and the whole person kept shaking.

Poisoned?

Hearing this, Li Suqiu, Yuan Rou, and Lin Ping were completely panicked.

At the same time, he was even more suspicious.

How can you be poisoned if you are not bitten by poisonous insects? It’s so weird.

call!

At this moment, Yue Feng, who was silent next to him, couldn’t help but say: “The sixth elder should have been poisoned by eating the fruit before.” Others couldn’t see it, but Yue Feng could see at a glance that the sixth elder was caused by eating fruit.

Hearing this, Yuan Rou frowned and became even more puzzled.

“Shut up!”

Lin Ping was angry, and scolded Yue Feng coldly: “If you eat the fruit, you will be poisoned, why are you, Master, and Elder Yuan okay?”

Yue Feng muttered . Said: “Maybe because he is a man, you are a woman.”

“Pedant! What kind of reason is this?” Lin Ping pouted. This Feng Tao has no ability at all, and likes to open up his mouth, it really annoys him.

When he was talking, he saw that the sixth elder trembled even more, and finally his eyes darkened, and he passed out.

“Okay, stop arguing for now.”

At this moment, Yuan Rou calmed down and said softly, “I’ll take a look.” After saying that, she stepped forward and stretched out her jade hand to help the sixth elder feel the pulse.

Among the nine elders of Mingyuemen, only Yuan Rou knows medical skills.

Seeing Yuan Rou's shot, Li Suqiu and Lin Ping stopped talking.

Um?

Seeing this scene, Yue Feng couldn't help but look at Yuan Rou. She couldn't tell that she still knew medical skills...

A few seconds later, Yuan Rou calmly finished her pulse, couldn't help taking a deep breath, her delicate face was also full of complexities.

"Elder Yuan, have you found it out?"

At this moment, Li Suqiu bit her lip lightly and couldn't help but ask, "What the hell is going on with these six elders? How could they suddenly be poisoned?"

Phew!

Yuan Rou let out a light sigh of relief and said complicatedly, "It seems that he is really poisoned by his food." After speaking, Yuan Rou couldn't help but look at the fruits that were put aside.

Yuan Rou has certain attainments in medical skills. At this time, she clearly felt that the poison in the body of the sixth elder came from food.

This....

Hearing this, Li Suqiu and Lin Ping were both stunned.

Especially Lin Ping, in a daze, couldn't help but subconsciously looked at Yue Feng, and couldn't help but muttered in his heart, this Feng Tao was really what he said, and the sixth elder was really poisoned by eating fruit.

But...you and your master both ate the fruit, why are you alright?
