

The ultimate husband in Chinese chapter 6411

“Okay!”

Upon hearing this, the sixth elder Yuan Rou and Lin Ping responded at the same time, and they rushed towards the southeast together with Li Suqiu.

They all knew in their hearts that Li Suqiu suddenly knew the method of cracking, and he must have received instructions from a mysterious expert.

Um?

Seeing the situation in front of him, the proud face of the first elder suddenly became solemn.

Strange, why did Li Suqiu suddenly see the flaws in the formation?

Muttering in his heart, the first elder hurriedly shouted at the disciples: “Quick, turn the dry into a kun, move quickly...” When he shouted, the first elder regained his composure, and his face was also incomparably confident.

This Li Suqiu must have found a way to break the formation by mistake. As long as these disciples change the formation of the formation slightly, Li Suqiu and the four will be helpless.

However, what the Great Elder didn't know was that these disciples only practiced the formation for a few days, and only realized a few changes.

Moreover, even with these kinds of changes, these disciples are not very skilled.

At this time, upon hearing the instructions of the Great Elder, the disciples who formed the formation moved their figures one after another, but some responded quickly and others slowly, which seemed very uncoordinated.

Bang! Bang! Bang!

Before the formation change was completed, Li Suqiu and the four had already rushed to the southeast. When they broke out together, they heard a sound of vibration. The dozens of disciples in the southeast were shocked and flew out before they could react.

Because they were all from the same sect, the four of Li Suqiu did not burst out with all their strength, so the dozens of disciples who were shaken back only suffered some trauma and were not life-threatening.

Even so, after these disciples stabilized their figures, their faces were pale and they had no strength to fight.

Swish swish....

At this moment, Li Suqiu and the four took the opportunity to quickly rush out of the formation.

Ma De...

Seeing this situation, the first elder was shocked and angry, and couldn't help scolding: "Waste, what a bunch of waste..." These four people were trapped for so long, seeing that the overall situation had been settled, but they didn't. Thought, these disciples still allowed them to break through the siege.

Seeing that the elders were furious, the disciples present were all ashamed.

"Let's go together!" In the

next second, someone shouted, the disciples regained their morale and rushed towards the four of Li Suqiu again. In the hearts of these disciples, the Great Elder is now the sect master, and his orders have to be obeyed.

However, these disciples did not form a formation. Although there were a large number of them, they did not pose much of a threat to Li Suqiu and the others.

clang clang!

In the blink of an eye, the four of them fought fiercely with the disciples again.

"You..."

At this time, Lin Ping shouted while responding to the siege of the disciples in front of him: "You idiots, the sect master's jade order in the hands of the first elder was stolen, and he is not qualified to be the sect master at all. "

The suicide note in my master's hand is the truth.... You are now committing the following crimes..."

However, not many people believed her words.

"Go away!"

At this moment, the sixth elder was also very annoyed, constantly waving his long sword, and roaring: "A bunch of things that do not distinguish between right and wrong, whoever comes up again, don't blame my subordinates for being ruthless."

Om!

When the last word fell, the strength of the sixth elder exploded, and a dazzling sword beam erupted from the long sword in his hand, forcing more than a dozen disciples to retreat.

Seeing this scene, the remaining disciples were all looking at the sixth elder closely, the fear that could not be concealed in their eyes, and did not dare to move forward for a while.

These six elders are too cruel.

After being besieged for so long, such a powerful force can still erupt.

At this moment, the sixth elder stood proudly, clenching his long sword and looking around the audience: "Whoever is not afraid of death, just come up." The voice was not loud, but it spread throughout the audience.

call!

Feeling the momentum of the sixth elder, the disciples present were terrified and completely lost the courage to act.

They could all see that the Sixth Elder was not joking. He had already shown mercy just now. If they didn't know the current affairs, they would really die under the Sixth Elder's sword.

The Sect Master's order is important, but it's not as important as his own life.

The ultimate husband in Chinese chapter 6412

Call!

Seeing this situation, the Great Elder's face was extremely gloomy, and he couldn't help but curse inwardly.

What a bunch of greedy people.

At this moment, seeing that the surrounding disciples did not dare to come up again, the sixth elder took a deep breath and locked his eyes on the first elder: "No one is working for you now, we should settle the account."

Thinking of the scene of the tragic death of the fifth elder, the sixth The anger in the elder's heart swelled.

The last word fell, and the sixth elder's eyes were red and blood red, and he walked towards the first elder step by step.

Swish!

At the same time, Li Suqiu and Yuan Rou followed closely behind and surrounded the Great Elder.

Seeing this scene, Yue Feng, who was hiding in the dark, nodded secretly. He didn't expect that the aura of these six elders was not weak, and he actually shocked all the disciples.

That's fine, without the obstruction of the surrounding disciples, the four of them are more than enough to deal with the Great Elder, so that they don't have to show up.

Ha ha...

Seeing the six elders and the four approaching, the elder's expression changed. At that time, he was not nervous at all, but sneered a little: "Okay, let's settle the account."

Before the elder was on the cliff of the secret realm The cave took a lot of medicinal herbs, and his strength increased greatly. At this time, it was not false to fight against Li Suqiu and the four alone.

At this moment, the sixth elder was too lazy to talk nonsense, and said coldly: "Today, I want you to pay with blood."

Om!

The voice fell, and the sixth elder broke out completely, and the figure was like a cannonball, hitting the first elder with a palm.

As soon as I saw the figure of the sixth elder passed by, the surrounding air was torn apart, and the power was amazing.

"Good job!"

The first elder snorted coldly, standing there as still as a mountain, seeing the sixth elder approaching his eyes, he raised his right hand like lightning and quickly greeted the sixth elder.

Um? What a fast speed...

Seeing the first elder's quick response, the sixth elder was secretly shocked, and then the two collided with each other.

Bang!

In an instant, a roar was heard. At that time, the sixth elder only felt a powerful force coming, let out a muffled groan, and the whole person was directly shaken out.

After taking a few dozen steps back, the sixth elder stabilized his figure, his face was suddenly blue and white, and his body was also churning.

This...it's impossible.

For a time, the sixth elder was shocked, and stared at the first elder, his eyes were full of incredible.

It's only been a day since I didn't see him, but the strength of this Great Elder has become so strong?

The same as the Mingyuemen elder, the sixth elder is very aware of the strength of the first elder. He just broke through the eighth rank half a year ago, and he is a seventh rank. If you fight with all your strength, you can fight.

But when they competed for palm power just now, the sixth elder clearly felt that the strength of the first elder had far exceeded the eighth-rank, and even broke through the ninth-rank...

For a time, the sixth elder's head was buzzing, and he couldn't think of anything. Understand that in less than a day, the strength of the Great Elder has improved by leaps and bounds, and has improved so much.

what's the situation?

At the same time, Li Suqiu and Yuan Rou also trembled in the suburbs and were shocked.

The strength of the sixth elder and the first elder is not much different. Why did the sixth elder get kicked out in an instant when they competed for power just now...

"Haha..."

Feeling the shock of the sixth elder, the first elder laughed evilly. : "Didn't you expect it? Let me tell you, in the secret realm before, I got a great opportunity."

"So, it is God's will that I am the sect master. If you go against me, you will go against the sky." At the

end , The proud face of the elder elder was full of madness.

God willing?

Hearing this, the sixth elder was so angry that he immediately scolded: "I will go to Nima's providence, I will not kill you today, and I will not be a human being." The first

elder was full of contempt: "Kill me? You can't even stop me with a palm, but you don't have to be in a hurry, I will send the four of you down to reunite with the fifth one.

" The elder, the sixth elder's eyes were instantly blood red, he roared at that time, and clenched the long sword and rushed towards the first elder again.

hum!

When he was in the air, the sixth elder raised his hand and waved, and a dazzling sword light ripped apart the sky and burst towards the first elder.

Looking at the sword light coming from the slashing, the elder elder was full of disdain.

In the next second, the Great Elder turned his strength and quickly deployed a protective film in front of him.

The ultimate husband in Chinese chapter 6413

Boom!

At the moment when the protective film was formed, the sword glow erupted and bombarded it fiercely, and a deafening roar erupted. I saw that the sword glow instantly shattered and dissipated between heaven and earth.

However, the protective film deployed by the Great Elder was intact.

What?

Seeing this scene, whether it was the sixth elder or Li Suqiu and others, they were all dumbfounded and their minds went blank.

The strength of this great elder has been improved too strongly.

Especially the sixth elder, his heart was shocked and unwilling.

The sword just now contained all of his skills, but as a result, he couldn't even break the protective film deployed by the opponent.

Why? Why is this happening?

Huh...

At the same time, Yue Feng, who was hiding in the dark, looked at the elder in a complicated way, and frowned in thought.

There is something wrong with this elder.

When I was in the secret realm before, I was only at the strength of the eighth-rank, but I didn't see it for a long time, and I was promoted to the ninth-rank. In such a short time, the strength increased so quickly... Could it be... what chance did he encounter under the abyss? ?

“Haha...”

Just when Yue Feng was thinking about this, the first elder stood proudly, laughed proudly, and finally said to the sixth elder, “Don't struggle, you are not my opponent at all.”

Hearing the ridicule of the first elder, the sixth elder seemed to be greatly humiliated, with anger in his eyes.

“Six elders...”

Seeing this scene, Lin Ping was worried and couldn't help shouting: “Be careful!”

At the same time, Lu Qiuqiu and Yuan Rou looked at each other and both spoke.

“Sixth Elder, don't be impulsive!”

“Let's help you!”

At the same time as they shouted, Li Suqiu and Yuan Rou burst out in unison.

Buzzing...

The next second, the three of them erupted in mid-air at the same time, and they saw three sharp sword lights burst out, coming towards the Great Elder like lightning, with astonishing power.

“Come together?”

The corner of the elder's mouth evoked a sinister smile, and he spit out a few words coldly: “Then let you go to the sky together.” The

voice fell, the elder's strength exploded, and the figure was like a cannonball, quickly avoiding the three sword lights. , and then the long sword was swung, and a sword shadow erupted from the sky, quickly covering the three of Li Suqiu.

Bang Bang Bang...

Looking at the sword shadow that filled the sky, Li Suqiu and the three instinctively wanted to retreat, but it was too late, when they heard a sound of vibration, and the three of them groaned one after another and fell towards the bottom.

I saw that the three people were scratched by the sword shadow, and the bloody wounds were shocking.

Deng deng deng

After landing, the sixth elder staggered back a few dozen steps, and finally slumped on the ground, his face pale.

Having fought against the Great Elder twice before, the Sixth Elder has already lost a lot of strength. At this time, facing the outbreak of the Great Elder, it is naturally unbearable.

"Pfft!" The moment he slumped on the ground, the sixth elder's face turned blue and white, and finally he opened his mouth and spat out a mouthful of blood.

At the same time, after Li Suqiu and Yuan Rou landed, they also staggered back. Although the situation was slightly better than the sixth elder, they were secretly shocked.

This big elder is really too strong.

"Haha!"

At this moment, the first elder slowly landed, his eyes fixed on the sixth elder, with indescribable pride and arrogance on his face: "I said, I will send you down to reunite with the fifth, and I will do what I say. Arrive."

The moment he spoke, the first elder clenched his long sword and walked towards the sixth elder step by step.

A powerful breath permeated the entire entrance of the secret realm.

Mad...

Seeing the first elder getting closer and closer, the sixth elder did not panic at all, but was unwilling to say it.

Did it die like that?

I'm not reconciled...

“Stop!”

“You don’t have to hurt him...”

Seeing this, Li Suqiu and Yuan Rou couldn’t help drinking, and at the same time wanted to rush over to stop them. It’s just that I was injured just now, and I haven’t recovered yet, plus the distance is far, it’s too late.

Lin Ping even covered her eyes and couldn’t bear to look anymore. At the same time, tears could not stop flowing down her fingers.

At the same time, Lin Ping felt extremely uncomfortable.

Why, why don’t good people pay for their lives, but bad people can get away with it?

This first elder is despicable and shameless, but he got a chance in the secret realm and improved his strength, while the sixth elder is just right, but at this time he is going to die in Huangquan...

The ultimate husband in Chinese chapter 6414

Call!

At the same time, Yue Feng, who was hiding in the dark, saw this situation, and his heart was also at war between heaven and man.

It seems that if you don’t do it yourself, you can’t do it.

If you just make a move, your identity will be completely hidden.

Got it!

The next second, Yue Feng thought of something, and quickly took out a medicinal pill from his body. With a flick of his finger, the medicinal pill flew out and landed behind Lin Ping.

While popping out the medicinal pill, Yue Feng used a secret technique to transmit sound, and in a low voice, he said to Lin Ping, “Take the medicinal pill behind you. Can you restore the situation? That’s all in one fell swoop.”

Yue The medicinal pill Feng took out was called ‘Qianyuan Dan’. As the name implies, it could stimulate the human body’s potential and possess powerful strength for a short period of time.

Speaking of which, Yue Feng originally wanted to give the medicinal pill to Li Suqiu and use Yuan Rou alive. After all, their strength is higher than that of Lin Ping. If they take

Qian Yuan Dan, the effect will be more significant. It's just that they received shock injuries just now. In this case, taking Qianyuan Dan would be counterproductive.

Therefore, the only candidate is Lin Ping.

But having said that, although Lin Ping's strength is weak, he is also of the fifth rank. After taking the Qianyuan Pill, his strength can be doubled to reach the ninth rank, or even exceed the ninth rank.... It is more than enough to deal with the Great Elder.

This....

a voice suddenly sounded in my ear, Lin Ping's delicate body was shocked, and then she was overjoyed.

A mysterious senior.

What Master said just now was right, that the mysterious senior really left the secret realm and helped us secretly.

Thinking to herself, Lin Ping quickly turned her head and saw a pill on the ground behind her. She didn't have time to think about it, she picked it up and threw it into her mouth.

Gudong!

After taking the medicine pill, Lin Ping only felt a rush of energy that spread rapidly throughout the body...

At this moment, the first elder clenched his sword tightly and was already in front of the sixth elder.

"Old Sixth!"

At this moment, the first elder looked arrogant: "Speaking of which, you are also a talent, if you can assist me as the sect master? "

Forget it, let's not say more, go down and reunite with the fifth elder." The

last word fell, and the first elder raised his long sword and stabbed the sixth elder in the heart.

call!

Feeling the coldness from the long sword, the sixth elder was full of unwillingness, and finally closed his eyes slowly.

Fifth, I'm sorry, I'm really useless, I didn't avenge you.

"Don't..."

At the same time, Li Suqiu and Yuan Rou also exclaimed, unable to bear to see this scene.

Just at this critical moment, Lin Ping integrated the power of Qianyuan Dan, and at that time, she shouted: "If you want to kill the sixth elder, pass me first."

Whoosh... The

voice fell, and Lin Ping's delicate body flew gracefully. Up, the speed is as fast as thunder and lightning, and a palm hits the back of the elder.

Seeing this situation, Li Suqiu was stunned for a moment, and then she shouted anxiously: "Ping'er, don't be impulsive..." Neither herself nor the six elders were his opponents. Lin Ping's rash attack was impossible at all. , is totally courting death.

Yuan Rou also trembled, and then shouted: "Go back quickly."

Just like Li Suqiu, at this time in Yuan Rou's heart, she also thought that Lin Ping would not be able to succeed in the surprise attack.

However, Lin Ping didn't seem to hear it, and in the blink of an eye, he was behind the Great Elder.

Um?

Feeling the danger coming from behind, the Great Elder instinctively turned his head, and the moment he saw Lin Ping, the Great Elder's face was full of contempt: "Stinky girl, are you here to die too?"

"Okay, I will send you and the old man first. Six, go to hell together." The

last sentence fell, the elder looked cold, raised his hand and slapped him.

clang!

In the next second, the palms of the two collided, and a roar sounded, and at the same time, a tyrannical power wave swept out towards the surroundings.

The moment the vibration sounded, the Great Elder and Lin Ping both groaned, and then they were shaken back ten steps at the same time.

Obviously, this palm collision, the two were evenly matched, and neither one took advantage.

What?

After stabilizing his figure, the Great Elder widened his eyes, looked at Lin Ping in disbelief, and was shocked.

what happened? This girl is only Rank 5 strength, why did she suddenly become so powerful?

The ultimate husband in Chinese chapter 6415

This...

At the same time, Li Suqiu and Yuan Rou were also stunned and looked at Lin Ping blankly, thinking they had read it wrong just now.

Didn't you just look at yourself?

Ping'er actually had a head-to-head with the elder, and she still hasn't lost...

"You..."

Finally, the elder reacted and looked at Lin Ping complicatedly: "Stinky girl, why is your strength so sudden? Ascension so high?" When asked, the first elder was full of doubts.

Only after taking the elixir of the cave, did he improve his strength.

And this Lin Ping, when she was trapped in the formation just now, was a waste of time. In a blink of an eye, she was evenly matched with herself, which was unbelievable.

"Are you afraid?"

Lin Ping snorted coldly, feeling the doubts of the Great Elder: "Don't think that you can be arrogant when you get a chance in the secret realm. Let me tell you, we also have mysterious seniors to help secretly."

"The power in me, It's all given to me by the mysterious senior, just to eradicate you scum, die."

Om!

When the last word fell, Lin Pingyu suddenly raised her hand and hit the elder with another palm.

“Mysterious senior?”

The elder frowned, could it be the mysterious person in the secret realm? I thought to myself, when I saw Lin Ping attacking, I instinctively moved my palm and went up to meet her.

Bang Bang Bang...

In the blink of an eye, the two sides fought fiercely in mid-air.

I saw the figures of the two of them, constantly shuttle back and forth, fast as lightning, only dazzling the people around them. Every time the two fight, there will be a strong vibration. Phew

... At this moment, Li Suqiu and Yuan Rou recovered and exchanged glances, feeling shocked and inexplicably excited. Just now Ping'er said that it was the mysterious senior who secretly helped. This mysterious senior is really powerful, and can actually double Ping'er's strength all of a sudden... If you hadn't seen this with your own eyes, who would dare to believe it. Ten minutes passed in the blink of an eye, the Great Elder and Lin Ping were still fighting fiercely, and neither of them could do anything about the other. However, Lin Ping's foundation is weak after all. In terms of her background and the Great Elder, it is too different. The experience of the two sides in facing the enemy cannot be compared at all. Soon the Great Elder found an opportunity and slapped Lin Ping on the shoulder. Bang! With a dull sound, Lin Ping let out a pain, and the whole person was shaken back. Without waiting for her to stabilize her figure, the Great Elder took advantage of the situation to pursue her, with an extremely ferocious expression: “What if you have a mysterious person to help you? In the end, you can't change the situation?” It's like a turtle, I don't think it's good.” Hearing the elder's mockery, Lin Ping was very angry, but she didn't know how to refute it. well! Seeing this scene, Yue Feng couldn't help sighing. This Lin Ping is young after all, even after taking the Qianyuan Pill to improve his strength, he still does not have the experience of the Great Elder against the enemy in the end. Muttering in his heart, Yue Feng quickly picked up a small stone and flicked it with his fingers. laugh..

The stone flew out and headed towards the Great Elder's lower abdomen life gate.

The first elder at this time was eager to kill Lin Ping under his palm, and he didn't notice the danger at all. It was too late when he sensed that the stones were flying.

At that time, he was hit by a stone, and the elder's body froze, only to feel a sharp pain in his lower abdomen.

It was at this moment that Lin Ping slowed down and shouted: “Go to hell.” The voice fell, and the delicate body burst out. With all the strength, she slapped the Great Elder with a palm.

Bang!

This palm hit the Great Elder's heart ruthlessly. At that time, the first elder let out a miserable howl, and was directly sent flying out, flying more than 100 meters before landing heavily.

"Pfft..."

At the moment of landing, the Great Elder's face was pale, a mouthful of blood spurted out, and his eyes stared at Lin Ping, indescribably ashamed.

Ma De, his own dignified elder, who was about to become the sect master, was severely injured by a little girl. It was really shameful.

However, the elder did not lose his mind. He knew that if he continued to fight, his life might not be saved, so he glared at Lin Ping, turned and fled down the mountain.

He thought about it, waited until the injury was healed, and then came back.

"I want to run..."

Seeing this situation, Lin Ping shouted and was about to catch up. However, at this time, the potency of the Qianyuan Pill in the body disappeared, and the whole person was extremely weak in an instant. past.
