Call!

Seeing that the elder was burned to ashes, Yue Feng breathed a sigh of relief, and there was no mood swing on his face.

But there was some fire in my heart.

It seems that he is still too kind, and he wanted to give this great elder one last chance to be a human being. How could he know that this person was bad to the bones, and under such circumstances, he dared to risk his death to attack.

Muttering in his heart, Yue Feng saw the sect master's jade order falling on the ground, and without hesitation, he walked over to pick it up, then turned around and walked towards the mountain.

Without the Great Elder, Li Suqiu and the others should have controlled the situation.

At this moment, inside the main altar hall of Mingyuemen.

Under Li Suqiu's arrangement, after the disciples cleared the battlefield, they all gathered in the square in front of the main hall, waiting for Li Suqiu's next instructions.

Li Suqiu stood at the door of the main hall, her delicate face showing a bit of complexity.

A good Mingyuemen, after this sunflower competition, the nine elders died and wounded, and the front door owner Ye Wenhai was no longer there.

Feeling in his heart, Li Suqiu's red lips lightly opened, and he said slowly: "All disciples obey the order, rest for a day, recover from their injuries, and after a day, go down the mountain to investigate the whereabouts of the great elder. There must be no mistake."

When referring to the great elder, Li Su Qiu's eyes were filled with resentment.

This person is a major scourge of Mingyuemen. If you don't get rid of him one day, Mingyuemen will never have peace.

"Yes, Sect Master!"

Upon hearing the order, the disciples present responded in unison.

Um!

Seeing the reaction of the disciples, Li Suqiu nodded, then raised her jade hand, signaling everyone to disperse, leaving only a few dozen elite disciples.

“You all immediately investigate the entire mountain gate.”

When the others dispersed, Li Suqiu said to these elite disciples: “Look for a mysterious senior, if you find the whereabouts, let me know as soon as possible, remember, to this mysterious senior, definitely Be respectful and courteous.”

When he said this, Li Suqiu’s delicate face was very complicated.

That mysterious senior, since the beginning of the secret realm, has helped him over and over again, but what makes me ashamed is that I have never even seen his face...

This time I have to find him no matter what, thank you very much a bit.

More importantly, Tong Shan and many of his disciples were still trapped in the woods, and they had to be rescued.

“Yes, the sect master!”

Dozens of elite disciples responded in unison, preparing to search the mountain gate.

However, at this moment, a relaxed voice came from down the mountain: “I’m back.” The voice fell, and Yue Feng quickly approached the square, sweating profusely.

call!

Seeing Yue Feng, a smile appeared on Li Suqiu’s face, and he was relieved. Just now, he was thinking of sending someone to find him, but he didn’t expect that he had nothing to do.

Soon, Yue Feng approached, and Li Suqiu said softly, “Where did you go just now? Liu Yulei said that you trapped Tong Shan and the others. What was the situation at that time?”

When asked, Li Suqiu’s face was full of curiosity.

Swish!

At the same time, the sixth elder Yuan Rou, who had been standing beside him, also looked at Yue Feng and waited for his answer.

After all, when I saw the situation in the woods just now, the scene at that time was really incredible.

This....

Facing the question, Yue Feng scratched his head, his mind turned quickly, and he said slowly: "I don't know either, those people from Tongshan chased me, I ran desperately into the woods, and then they were trapped.. ."

"I didn't know what was going on at the time, I only heard someone flying past my ears.... After that, those people from Tong Shan ripped off their clothes like crazy... And I, I took the opportunity to run away..."

When he said this, Yue Feng made gestures, as if it were true. He didn't want to reveal his identity in front of Li Suqiu, so he could only make up a reason temporarily.

That's it....

Hearing these words, Li Suqiu nodded silently, and then looked at Yuan Rou.

Yuan Rou couldn't help but said: "It seems that our guess is correct. Tong Shan and the others are trapped by that mysterious senior."

Hmm!

Li Suqiu nodded.

After listening to Liu Yulei's narration before, they guessed that the mysterious expert did it, and now they heard Yue Feng's words again, and they were more certain in their hearts.

Until now, they had not realized that there was no mysterious expert at all, and the one who had been protecting them was Yue Feng in front of them.

"Okay!"

At this time, Li Suqiu reacted and smiled at Yue Feng: "I'm relieved to see that you're all right, I'm so sorry, I brought you back to recover, but these few There are so many things happening in the sky, and it almost hurts you."

She was kind in her heart, and she felt a little sorry when she saw Yue Feng in such a mess.

Yue Feng quickly waved his hand and said, "Elder Li is too polite. I am one of the commoners. I am grateful for your care. Speaking of which, I have caused you a lot of trouble

these past two days." At that time, Yue Feng was very emotional.

This Li Suqiu is too kind. He has encountered so many things, and he still thinks about my safety. But now it's alright, the elder is dead, and she won't be in danger anymore.

Seeing him being so polite, Li Suqiu smiled and said nothing.

Cough cough...

At this time, the sixth elder couldn't help but coughed a few times, and said to Yue Feng: "Elder Li is now the master of the door."

Yue Feng had already guessed it, and immediately cupped his hands at Li Suqiu. , said with a smile: "That's great, congratulations. That... I've been here for so long, so it's time to go."

Of course, he didn't really want to leave. Now that the internal disputes in Mingyuemen are completely over, he doesn't need to. She secretly protected Li Suqiu. After sneaking into the secret realm of Sunflower at night, and fully recovered, she will find a way to explore the whereabouts of the God King Haotian.

"You..."

Seeing that Yue Feng was about to leave, Li Suqiu bit her lip and was very worried: "Are you leaving now? Has the injury healed?"

Yue Feng smiled and moved his hands and feet: "It's been a long time. Seriously."

"Okay then!" Li Suqiu nodded, she just took over as the head of the sect, and there are still many things to deal with, and there is no time to take him into account.

Thinking to himself, Li Suqiu ordered to the two disciples next to him: "Send this friend down the mountain, and make sure to protect his safety." The

two disciples responded and escorted Yue Feng down the mountain.

Yue Feng wanted to refuse, but finally held back.

call!

Seeing Yue Feng leave, Li Suqiu breathed a sigh of relief and greeted the sixth elder Yuan Rou to return to the hall.

After being seated in the main hall, Li Suqiu took out several secret books that she had obtained in the secret realm before, and said softly, "Let's take a look at these secret books together."

She is kind and generous, and even if she has peerless secret books, she has never thought exclusive.

This...

At this moment, the sixth elder Yuan Rou looked at each other, feeling a little surprised.

Afterwards, Yuan Rou reacted and said, "Sect Master, these few secret books are no trivial matter. They will definitely become our Mingyuemen's stunts in the future. Let's take a look at it together. I'm afraid it's inappropriate."

In her heart, it was so important. The secret manual, only the door owner is qualified to read it.

"Yeah!" The

sixth elder also shook his head as he finished speaking, "The sect master should read these secret books himself." Like Yuan Rou, the sixth elder did not have the slightest desire for these secret books.

They just want to help Li Suqiu well and carry forward Mingyuemen.

Seeing their appearance, Li Suqiu couldn't help laughing: "It's just a few cheats, how can there be so many rules, if you can improve your strength from these cheats, it will be beneficial to our Mingyuemen."

"Besides, these few secret books are esoteric and difficult to understand. I am afraid that it is difficult for me to understand the essence of them."

"A sect, if it is hidden, how can it be carried forward?"

Hearing these words, Yuan Rou's six elders all It was full of emotion, and they were all impressed by Li Suqiu's mind. Ye Wenhai's choice was indeed right. Although Li Suqiu was a woman, she was approachable and did not have the slightest selfishness.

With such a sect master, why not carry forward the Mingyue Sect.

Thinking about it, the two nodded.

"Okay."

"Then follow the instructions of the sect master." After

speaking, the sixth elder Yuan Rou picked up the secret book and began to read it in detail.

However, these secrets are too profound. The three of them studied for an hour, but they did not understand the essence of it. For a time, they were all extremely lost.

well!

At this time, the sixth elder sighed and handed the secret book to Li Suqiu: "Sect Master, these secret books are too profound, I really can't understand it, I should go back to cultivate." After

speaking, the sixth elder shook his head and turned around. Get out of the hall.

Yuan Rou also smiled bitterly: "As expected of the secret book of Xianyu Sect, I also can't understand it, let the sect master slowly understand it." After saying that, Yuan Rou also said goodbye and left.

Seeing the two leave, Li Suqiu was very helpless, so she had to put away the cheats.

.....

On the other side, at the foot of the Mingyuemen Zongtan Mountain.

When the two disciples escorted Yue Feng to the bottom of the mountain, the sky was completely dark, and when they reached the intersection at the foot of the mountain, Yue Feng politely said: "Thank you two, I will send it here, and I will go alone for the rest of the way. ."

Hmm!

The two disciples nodded and turned back to the original path.

Watching their figures go away, Yue Feng took a deep breath, dodged into the nearby woods, and quickly returned to the mountain gate by night, heading towards the Sunflower Secret Realm.

Because the battle had just been experienced during the day, the disciples patrolled everywhere within the mountain gate. However, Yue Feng had lived here for a few days and was already very familiar with the environment here, so he easily avoided the eyes and ears of these patrolling disciples.

Haha...

When passing through the woods of Houshan, Yue Feng almost laughed out loud when he saw the scene in front of him.

I saw that Tong Shan and the dozens of elite disciples were still trapped there. It was cold on the mountain at night, and all of them were freezing. They were very embarrassed.

Not only that, but some disciples were also trapped inside.

I almost forgot about this formation... A

few seconds later, Yue Feng reacted and patted his forehead. It seemed that these disciples were going to bring Tong Shan and others out, but they were also trapped.

Now that Li Suqiu is the sect master, the overall situation has been decided, and this formation is useless.

Muttering in his heart, Yue Feng tore off a piece of cloth from his body, turned his face towards the leader, and walked over quickly.

Click, click!

Arriving in front of the formation, Yue Feng raised his hand and waved, using his palm to chop off a few trees, destroying the formation.

“You...”

The disciples who were trapped later, looked at Yue Feng blankly at this time, all in astonishment: “You are...that mysterious senior?” They have all heard about the mysterious senior, At this time, when he saw Yue Feng covering his face, he naturally thought of it together.

Yue Feng did not answer directly, but looked at Tong Shan and others not far away, and said solemnly, “Take them out quickly.” When the

voice fell, Yue Feng turned and left.

Seeing him so mysterious, these disciples looked at each other in dismay, and they were all astonished. After a few seconds, they gradually recovered and finally left with Tong Shan and others.

Yue Feng left the woods and rushed directly to the Sunflower Secret Realm.

call!

After passing through the small courtyard where Li Suqiu lived, Yue Feng took a deep breath and stopped subconsciously.

I saw that the light was on in the main hall, and Li Suqiu was sitting there, frowning, and was reading a few cheats.

Previously in the main hall, the sixth elder Yuan Rou couldn't comprehend, and returned all the secrets to Li Suqiu. Li Suqiu was gentle in character, but had an unwillingness to admit defeat. After returning to the small courtyard, he continued to comprehend.

It's dark and still not resting?

Seeing this scene, Yue Feng couldn't help muttering, and then quietly observed.

Before I knew it, half an hour passed.

"Ugh...."

Finally, Li Suqiu sighed softly: "This Xianyumen's exercise is too mysterious and difficult to understand, it seems that what I think is too simple. Forget it, it's getting late, rest first, and then slowly participate in the exercise. Understand ." The

voice fell, Li Suqiu put away the secret book, put it in the dark compartment on the wall, and returned to the room to rest.

Seeing this, Yue Feng showed a smile. It turned out that he did not rest for so long because he wanted to comprehend a few secret books from the secret realm. That's all, it's fate, I'll see if I can help.

Whoosh!

After making up his mind, Yue Feng used his body technique and quietly came to the main hall, took out a few cheats from the dark grid, and read them carefully.

Yue Feng is very talented. At the beginning, he worshipped the sword demon Nangong Jue as his teacher, and then received guidance from Guiguzi, the first person in Kyushu for thousands of years. His understanding of cultivation has reached the peak of the peak. Therefore, these few secret books of Xianyumen , To others, it is extremely profound, but to Yue Feng, it is extremely simple.

In less than half an hour, Yue Feng completely comprehended the essence of these secrets. At that time, he found paper and pen and wrote the secrets in detail.

Call!

A few hours later, Yue Feng finally finished writing, and with a long sigh of relief, he sandwiched the written notes among several cheat books and put them back in the dark grid.

After doing this, Yue Feng quietly left the courtyard and entered the secret realm.

When entering the palace complex on the top of the mountain, Yue Feng was in an indescribably happy mood, and no one was bothering him now.

With emotion, Yue Feng found a secluded side hall, sat cross-legged, and began to recover quietly.

Unconsciously, the night passed.

After sitting quietly for a whole night, Yue Feng only felt that his whole body was indescribably happy.

At this speed, it only takes a few days to gain complete strength.

Thinking to himself, Yue Feng lay down and fell asleep.

.....

the other side.

Li Suqiu got up early, and after washing up, she went to visit Lin Ping first.

At this time, Lin Ping had already woken up, but her face was still a little pale. Seeing Li Suqiu come in, she weakly said: "Master....How is the situation now? Has the first elder caught it?"

Yesterday, he fainted, and he didn't know what happened next.

"It's all right."

Li Suqiu smiled lightly and comforted her softly: "The first elder has escaped, and his whereabouts are temporarily unknown. Now all the disciples of the mountain sect have recognized the master as the sect master."

"That's great..."

Hearing this, Lin Ping couldn't express the joy and excitement: "Congratulations, Master!"

Saying that, Lin Ping's delicate face showed a bit of resentment: "It's just a pity that the scum, the Great Elder, escaped. This person will not die, and there will be endless troubles."

Yes...

Li Suqiu nodded with a delicate face. There is also a bit of hidden worry: "This person is despicable and shameless, who knows if he will come back."

After speaking, Li Suqiu thought of something, and his expression softened: "Yesterday I sent someone to look for that mysterious senior. , There has been no clue. I speculate that the mysterious senior went to hunt down the Great Elder. If this is the case, the Great Elder will not be able to fly..."

"If that's the case, that's the best." Lin Ping nodded in agreement.

Saying that, Lin Ping thought of something and looked out the door: "Where's Feng Tao? Didn't you cause trouble for Master?"

Huh!

Seeing her say that, Li Suqiu couldn't help laughing: "Why are you so prejudiced against this Fengtao, I think this person is okay, he is a simple and honest person, and he left the mountain yesterday."

Lin Ping pouted: "It's good to go, but it's annoying to see..."

"Okay!"

Li Suqiu couldn't help laughing and crying: "You have a good rest, Master has a lot of things to do." After speaking, he walked out of the room.

"Sect Master!"

As soon as he got outside, a disciple quickly approached the yard and respectfully said to Li Suqiu, "Tong Shan and the other senior brothers came out of... from the woods."

Came out?

Li Suqiu was stunned for a moment, and quickly asked, "How did you get out?" The woods were very strange, and they couldn't get out when they entered. Why did people suddenly come out?

Hearing the question, the disciple responded: "According to them, there was a mysterious man in a mask last night who broke a few trees and let them out."

It's him!

At this moment, Li Suqiu was extremely excited: "Where is the mysterious person?" No need to guess, this mysterious person must be the senior.

"Listen to them, after the mysterious man released them, he left immediately." The disciple responded respectfully.

Hearing this, Li Suqiu was very disappointed. It seemed that he really missed this mysterious senior.

Afterwards, Li Suqiu waved his hand to let the disciple leave. Then go to the main hall and summon Yuan Rou, the sixth elder, and others to deploy matters. When everything is deployed, it is already noon.

Back in the small courtyard, Li Suqiu and Lin Ping had a meal, and after a short rest, they took out the secret book from the dark grid.

Um?

At this moment, Li Suqiu's delicate body trembled when she saw a stack of paper in the secret book. Then he unfolded it and looked at it, and was immediately ecstatic.

This... these are the notes in the cheat book, and they are written in such detail. Not only that, but the handwriting is so beautiful, as if it was engraved...

It must have been written by a mysterious senior.

Muttering in my heart, Li Suqiu looked at it seriously as if he had obtained a treasure, and the more he looked, the more fascinated he became... the

other

side.

In the secret realm of sunflowers, Yue Feng slept until the afternoon before waking up.

Call!

When he opened his eyes, Yue Feng was full of energy. Seeing that the time was still early, he was ready to wander around this secret realm. When it was dark, he would continue to meditate and recover.

As a result, as soon as he walked out of the side hall, Yue Feng heard footsteps coming from the foot of the mountain. It seemed to be far away, but Yue Feng had a keen insight and could still hear it clearly.

someone come in?

Could it be that Li Suqiu brought people to explore the secret realm again?

Muttering in his heart, Yue Feng quickly rushed to the front hall, jumped on the roof of the hall, and observed the situation under the mountain secretly, and saw several figures slowly approaching on the road under the mountain.

Swish!

Seeing one of the figures, Yue Feng's expression changed, and his heart was full of astonishment.

Madd, what is he?

I saw the figure headed by him, with a burly stature and sharp-edged facial features, his eyes were introverted, showing a bit of brilliance from time to time, and his whole body was filled with a powerful aura.

It was Zhan Wuji who entered the chaotic vortex together before.

After a few seconds, Yue Feng reacted and couldn't help frowning secretly.

Ma De, what a coincidence. I thought that it was only me and the God King Haotian who were sent to this Tianxin Continent by the vortex of chaos, but I didn't expect that this Zhan Wuji was also sent over together.

And from the looks of it, Zhan Wuji's injuries have healed.

Muttering in his heart, Yue Feng secretly looked at the few people Zhan Wuji was traveling with, and saw these people, all of them with long backs and long knives in their hands, one of them was full of flesh, and there was a shocking knife on his forehead. scar.

Obviously, these people are not good people.

What is the purpose of bringing a few people in this Zhan Wuji?

After taking a few glances, Yue Feng decided not to scare the snake, but quietly hid on the top of the hall and watched the changes.

At this moment, down the mountain road.

“Boss!”

Seeing the building complex on the top of the mountain, Scar's face was very excited and said to Zhan Wuji: “We didn't lie to you, I just said that this Sunflower Secret Realm has a big secret, look at this palace, inside If there is something good, maybe I can find the teleportation formation.”

Yue Feng guessed right, these people with Zhan Wuji are all Jiang Yang robbers.

Scarface's name is Huang Shihu. He is the leader of these Jiangyang robbers. He does all kinds of crimes. Half a month ago, the group of them met Zhan Wuji who had just been sent. Dayton lesson, damaged two people.

Huang Shihu's group was bullying the soft and fearing the hard. At that time, seeing Zhan Wuji not only was terrifying in strength, but also cruel in means, they all expressed their surrender. Zhan Wuji had just arrived in this world and was unfamiliar with life, so he simply accepted them as younger brothers.

After that, Zhan Wuji asked Huang Shihu and his group to help him find out where there was a teleportation formation in Tianxin Continent. The purpose of finding the teleportation formation is to leave.

A few days ago, Huang Shihu learned that there was a sunflower secret realm in Mingyuemen, so he guessed that there might be a teleportation formation in the secret realm, and immediately brought Zhan Wuji to investigate.

Um!

Hearing Huang Shihu's words at this time, Zhan Wuji raised his eyes and looked at the palace group above, and nodded silently: “This place is really extraordinary.”

“That's it!” Huang Shihu smiled: “How dare I lie to the boss? I've heard about this secret realm for a long time, but I haven't had a chance. Today, I borrowed the boss's light to come in and find out.”

“Okay, don't flatter yourself, this place is not bad, but there are many organs, and it will take a while. Everyone be careful.”

Zhan Wuji said lightly, then he quickened his pace and entered the hall with Huang Shihu and others.

call!

At this moment, Yue Feng saw them entering the hall, and immediately heaved a sigh of relief, preparing to sneak in quietly.

However, at this time, I saw another slender figure on the way down the mountain, coming quickly, a woman in her twenties, with delicate and charming features, and a long white dress that set off her sexy curves.

Compared with Zhan Wuji and the others, this woman seemed a little nervous.

another one?

Seeing this woman, Yue Feng was stunned.

Soon, the woman was approaching the outside of the main hall, and when she heard the movement inside, she did not go in, but quickly hid behind the tree outside the main hall door.
