

The ultimate husband in Chinese chapter 6436

Speaking of which, with the status of Zhan Wuji, people like Qiangwei will not be taken seriously at all, but this is a different continent after all, and it has to be guarded against.

Pooh!

Seeing his high-spirited attitude, Qiangwei was angry and disgusted at the same time, she couldn't help spit, and scolded: "A scum like you is not qualified to know my identity. But let me tell you, I am Those of you who followed you all the way in, you murdered innocents, as long as you are righteous people, you will be eliminated quickly..."

When she scolded these words, Qiangwei looked Zhan Wuji's eyes directly, without the slightest fear.

Seeing Zhan Wuji's strength just now, Qiangwei realized that she was reckless, but the matter has come to this point, and it is too late to regret it.

Qiangwei's words made Zhan Wuji instantly feel relieved. It turned out that she was only one person, so there is nothing to worry about now.

Swish!

At the same time, listening to her abuse, Zhan Wuji's face was instantly gloomy and cold.

This woman really doesn't know how to live or die. She is a dignified general of the God Realm, and her status is detached. In the God Realm, even those priests should be respectful when they see her, but at this time, she was scolded by this woman as a scum of the rivers and lakes.

Snapped!

In anger, Zhan Wuji suddenly raised his hand and slapped Qiangwei fiercely, and then heard a crisp sound, Qiangwei let out a tender cry, and her delicate body trembled suddenly, and her whole body was slapped to the ground.

Zhan Wuji felt displeased and wanted to do something, but after seeing Qiangwei fall to the ground, she had already passed out in a coma.

Speaking of which, Qiangwei is only in the arena for the first time. Compared with Zhan Wuji, her strength is completely one sky and one underground. When she raided just now, she was shocked by Zhan Wuji. At this time, she was slapped again, and she couldn't take it anymore. .

Mad...

Seeing that Qiangwei was unconscious, Zhan Wuji's anger had nowhere to go, so he scolded secretly, and then said to himself: "Although it's a girly movie that is disgusting, it almost ruined my big business. Son."

"You're unlucky when you meet me..."

After saying the last sentence, Zhan Wuji looked at Qiangwei closely, raised his hand again, and prepared to kill her with one blow.

"Stop!"

Seeing that Qiangwei was about to die in Zhan Wuji's hands, at this critical moment, a scolding came from behind Zhan Wuji. The sound was not loud, but there was no doubt.

Swish!

Zhan Wuji stopped abruptly and looked back, his expression instantly gloomy.

It was Yue Feng.

Of course, in Zhan Wuji's eyes at this time, Yue Feng was just a Mingyuemen disciple who didn't know whether to live or die.

Feeling the coldness of Zhan Wuji, Yue Feng did not panic at all, and said slowly: "You are not ashamed to start with a woman, I will be ashamed for you." As he

said, Yue Feng couldn't help but glance at Qiangwei.

Fortunately, this girl passed out in a coma, otherwise, her true identity could not be hidden.

"Good boy!"

Hearing Yue Feng's mockery, Zhan Wuji's face was gloomy, and he said coldly: "You dare to talk to me like this, do you know what will happen?" After speaking, Zhan Wuji couldn't help but look behind Yue Feng, trying to find the figures of Huang Shihu and several people.

It's just that there is nothing behind Yue Feng, and there is no second person at all.

"I care about your consequences." Yue Feng said with a cynical attitude, "Anyway, if I see injustice, I will take care of it."

Having said that, Yue Feng continued: "Are you looking for your subordinates? You don't have to look for them. They chased me into the large formation in the garden just now, and were trapped inside."

What?

Zhan Wuji's face changed, his brows furrowed: "Is there a sleepy formation in the garden?"

When he spoke, Zhan Wuji realized something, his anger rose, and he locked on Yue Feng tightly: "Good boy, so you already knew, it's not a teleportation array..."

Haha!

Yue Feng smiled slightly: "I don't do this, how can I deceive you?"

Hearing this, Zhan Wuji was too lazy to talk nonsense, and shouted angrily: "Dare to tease us, court death!"

Ouch!

The last word fell, and Zhan Wuji erupted, carrying an unparalleled momentum, and slapped Yue Feng with a palm.

I saw that Zhan Wuji's figure passed by, the air was extremely distorted, and the power was amazing.

The ultimate husband in Chinese chapter 6437

At the same time, Zhan Wuji's eyes also flashed with absolute contempt.

In his heart, the person in front of him is just an ordinary disciple of Mingyuemen, and he has no resistance at all.

Moreover, it was his honor to die in his own hands.

"Do you kill people?"

Watching Zhan Wuji burst out, Yue Feng didn't panic at all, standing there as steady as Mount Tai, and said lightly.

The next second, Yue Feng slowly raised his right hand and collided with Zhan Wuji's palm.

boom!

In an instant, the palms of the two sides collided fiercely, and a deafening roar broke out. At the same time, a terrifying power fluctuation swept out towards the surroundings.

In the roar, I saw Yue Feng and Zhan Wuji being shaken back ten steps at the same time.

Obviously, no one took advantage of the collision just now.

Speaking of which, if it is the peak strength, Yue Feng has already defeated Zhan Wuji with the palm of his hand just now, but it is a pity that the power of the primordial spirit has not been completely restored, so they are evenly matched.

This...

At this moment, Zhan Wuji stabilized his figure, his heart was shocked, he looked at Yue Feng in disbelief, and only felt his brain buzzing.

This is impossible, the other party is just an ordinary disciple of Mingyuemen, how can he be so strong?

And... the moment when the palm of the hand was just now, it seemed that the other party also possessed the primordial spirit...

No, this person is definitely not from the Mingyuemen.

Realizing this, Zhan Wuji's pupils shrank slightly, staring at Yue Feng and said, "Who are you.... Who are you?"

"Haha!"

Yue Feng smiled faintly, raised his hand to wipe away the dirt on his face, revealing his true face, and mocked: "Zhan Wuji, fortunately you are still the number one general of the Haotian God King. I can't even recognize her."

This Qiangwei had already passed out, and there was no one else around, so there was no need to hide her identity.

Swish!

Seeing that it was Yue Feng, Zhan Wuji's face changed greatly, and he was also shocked.

Mad, it turned out to be him.

At this time, Zhan Wuji never thought that he would meet Yue Feng here. No wonder Huang Shihu and a few people would be easily trapped in the garden by him.

What he didn't expect was that Yue Feng was also transported to this world by the chaotic vortex.

“It turned out to be you...”

Finally, Zhan Wuji came to his senses, stared at Yue Feng, and said fiercely, “I didn’t expect you to be caught in the chaotic whirlpool, and you would still be safe and sound.”

When speaking, Zhan Wuji said fiercely. Wuji secretly felt that the strength of Yue Feng in front of him had not fully recovered, and he was immediately excited.

Great.

In this peak state of Yue Feng, he is not an opponent at all, but now the opponent’s strength has not recovered, perhaps, this is a good opportunity to get rid of him.

“You’re all right, how could something happen to me?” Yue Feng responded coldly.

“Stop talking nonsense!”

Zhan Wuji was too lazy to talk nonsense, and shouted: “Yue Feng, today I will get rid of you for His Royal Highness!” The voice fell, Zhan Wuji’s whole body strength exploded, and he rushed up again.

“Come on!”

Yue Feng snorted coldly, and approached him fearlessly. In the blink of an eye, the figures of the two sides shuttled back and forth, fighting fiercely together.

However, Yue Feng’s strength has not fully recovered, and he can’t suppress Zhan Wuji at all, but he has the red lotus protection of the law all over his body, and Zhan Wuji can’t help him for a while.

Bang bang bang...

In the blink of an eye, the two sides fought fiercely for dozens of rounds.

Mad, no.

In the fierce battle, Yue Feng was very anxious. If he continued to fight like this, he was afraid that the victory and defeat would not be determined.

Soon, Yue Feng had an idea and suddenly looked behind Zhan Wuji: “You are here? Quick, help me deal with him.” In fact, there was no one behind Zhan Wuji. Yue Feng shouted so deliberately to distract his attention.

Oops!

Zhan Wuji didn't know there was a fraud, so he panicked and looked back subconsciously.

Seeing the empty space behind him, Zhan Wuji realized that he had been fooled, and immediately became furious, Ma De, this Yue Feng is really cunning.

"Zhan Wuji, go to hell." That is, Yue Feng shouted, and when he flipped his wrist, he saw a purple flame that quickly condensed in his palm.

It is the red lotus karmic fire.

The next second, Yue Feng raised his hand and waved, and the red lotus fire quickly floated towards Zhan Wuji.

The ultimate husband in Chinese chapter 6438

Om!

The purple-red flames drew a dazzling trajectory in the air, and wherever they passed, the air burned with it.

Seeing this situation, Zhan Wuji's face changed greatly, and his heart was also full of fear.

Oops, it's the Red Lotus Karmic Fire...

As the number one general of the God King Haotian, Zhan Wuji is also well-informed. At this moment, he can see at a glance that the eruption of Yue Feng only occurs once in the God Domain for thousands of years. Red lotus industry fire.

call!

The Red Lotus Karmic Fire seemed to be slow, but it arrived in the blink of an eye. At that time, Zhan Wuji had no time to dodge, so he could only grit his teeth and raise his hand to deploy a protective film in front of him.

As soon as the protective film condensed, the red lotus karmic fire broke out and slammed into it.

boom!

A huge earthquake was heard, and thick smoke billowed around.

In the dense smoke, Zhan Wuji groaned, his whole body was burned by the flames, and at the same time, he was shaken and flew out, flying more than 100 meters before landing heavily.

I saw that Zhan Wuji was swarthy all over his body, his hair was burnt off a lot, and he was very embarrassed.

Ha ha!

Seeing this scene, Yue Feng showed a smile and said lightly: "You still want to kill me with this little strength? I'm afraid, you are the one who died here today.

" Since they didn't meet, they had to get out.

Otherwise, when Zhan Wuji and Haotian join forces, he will be unable to deal with it.

hum!

After making up his mind, Yue Feng's figure erupted, heading straight for Zhan Wuji.

At this time, Zhan Wuji knew that he could no longer fight. He was injured by the Red Lotus Karmic Fire just now. At this time, he no longer had the strength to fight. At that time, he gritted his teeth and burst out all the divine power in his body, forming a golden beam that burst towards Yue Feng. And go.

This golden light ripped apart the world and was so powerful that Yue Feng did not dare to meet it, so he had to dodge back.

Whoosh!

Taking advantage of the opportunity, Zhan Wuji turned around and ran, and in a blink of an eye he escaped from the Sunflower Secret Realm.

When Yue Feng reacted, there was no Zhan Wuji figure in front of him.

"Ma De, you're running very fast!"

At this moment, Yue Feng scolded secretly. It's a pity that he didn't get out of Zhan Wuji this time.

Muttering in his heart, Yue Feng turned around to check Qiangwei's condition. After checking it, he secretly breathed a sigh of relief, but he was injured and passed out, and his life was not in danger.

However, with Qiangwei's strength, it would take a few days to recover by herself.

"That's it!"

Yue Feng thought for a while, and said to himself, "I will help you with fate."

After saying that, Yue Feng sat cross-legged behind Qiangwei, with both hands behind her, running the primordial spirit. Help her heal.

“Well...”

After a while, Qiangwei woke up leisurely, and when she saw the scene in front of her, her face flushed. I saw that Yue Feng was sitting cross-legged behind him, with his hands on his back...

This bastard... lied to me before, and now he is taking advantage of me.

Soon, Qiangwei reacted. She was extremely ashamed and angry at the time. She raised her jade hand and slapped Yue Feng fiercely.

Snapped!

The crisp sounded, and Yue Feng was stunned on the spot.

What the hell, there's something wrong with this woman's brain, I'm at the cost of my primordial spirit in order to help you heal.

Depressed, Yue Feng rubbed his face and couldn't help but say, "What are you beating me for?"

Shuh!

Qiangwei was very excited, she stood up quickly, and said coldly: "Hit you? I want to kill you, you are really despicable, obviously you are in the same group with those Jiangyang thieves, and you lied to me that you are a disciple of Mingyuemen."

Qiangwei The more I talked, the more angry I became, if I hadn't been very weak now, I really wanted to kill this liar with a sword.

What? I'm with the Jiang Yang thief?

Hearing this, Yue Feng couldn't help laughing and laughing, and said depressedly: "You really misunderstood, I don't know those Jiangyang thieves at all."

Haha!

Qiangwei obviously didn't believe it, and snorted coldly at the time: "You are still arguing, I watched you with them and led them on the way, do you think I'm being fooled?"

Uh...

Yue Feng scratched his head and explained: "That's an expedient measure for me... You..." However, just after saying a few words, suddenly there was a violent sway under his feet, and then a large black hole appeared on the ground.

Obviously, there was originally a trap below. When Yue Feng and Zhan Wuji were fighting fiercely just now, the aura that erupted touched the mechanism, causing the mechanism to be destroyed and the ground to collapse...

The ultimate husband in Chinese chapter 6439

Wow...

At this moment, Yue Feng and Qiangwei didn't have time to react and fell directly.

For a while, listening to the wind whistling in his ears, Yue Feng whispered in his heart, this palace group is really complicated, but he doesn't know what is underneath.

Um?

Muttering in his heart, Yue Feng clearly sensed that strange power fluctuations came from the dark deep hole below, and the further down, the stronger the fluctuation.

Holy crap...is this an enchantment?

Feeling this, Yue Feng was secretly surprised.

There is actually an enchantment below this, which seems to be another mystery.

Pfft!

While muttering, Yue Feng finally fell to the bottom. Although he was somewhat prepared, he still fell into a mess.

Yue Feng rubbed his buttocks and stood up. He looked around and saw a long corridor in front of him. At the end of the corridor, it looked like an underground palace.

Because it is far away, it is difficult to see the situation of the palace.

interesting!

Upon discovering this, Yue Feng immediately became interested. He didn't expect that there was an underground palace hidden under this palace group.

"Ah..."

Just as Yue Feng was muttering secretly, Qiangwei's exclamation came from above her head, and then she saw Qiangwei's figure, falling straight down.

Seeing this situation, Yue Feng didn't have time to think about it, and immediately walked over quickly and reached out to catch Qiangwei.

The ground of this corridor is paved with rock, which is extremely hard. Yue Feng has the red lotus protection of the law, and it is no problem to fall directly, but Rose is different. If it falls directly, it will definitely shatter.

Phew...it smells good.

At the moment of catching the rose, Yue Feng only felt a fragrant smell coming from his nostrils, and he couldn't help but take a deep breath, and his mind was a little dizzy. For a while, he forgot to put her down.

Swish!

At this moment, Qiangwei was originally panicked, but now she was hugged by Yue Feng, her face flushed, and she said with shame and anger: "You...you scum, let me down..."

At this moment, in Qiangwei's heart, and also think that Yue Feng and Huang Shihu are a group.

At the same time when the voice fell, Qiangwei struggled, and at the same time, she threw her jade hand and hit Yue Feng.

oops? Is this girl addicted?

This time, Yue Feng naturally wouldn't let her hit him, he quickly let go of his hand, his figure dodged backwards, avoiding the slap, and then shouted: "Hey, don't take your revenge for your kindness, if I didn't follow you just now, you I'm afraid I'm going to fall into a meat pie."

This woman is also too temperamental, and she will act if she disagrees.

"Shut up..."

Qiangwei's pretty face flushed, and she said tenderly, "You just want to take advantage of me." Saying this, looking at the hard rocky ground under her feet, she couldn't help but feel a little scared.

Yes, if he fell from such a high place, if he hadn't caught it, he would have fallen to his death.

But this man is too hateful to be nice to him.

well!

Seeing her disrespect, Yue Feng shook his head with a wry smile: “I don’t know good people.”

“You still said...”

Qiangwei scolded her angrily, just halfway through, when she saw the corridor in front of her, her body trembled and she was stunned.

This... is there an underground palace underneath?

Shocked, Qiangwei said subconsciously: “This...what is this place below?” This palace is hidden underground, so there must be some unknown secrets.

Yue Feng shook his head: “How do I know?”

Qiangwei was too lazy to talk nonsense, and walked towards the underground palace at the end of the corridor.

“Hey!”

Seeing this, Yue Feng quickly followed, and couldn’t help saying: “Don’t be so reckless, there are traps everywhere, be careful.”

Qiangwei looked back at him and said angrily: ” I can do whatever I like, it’s not your turn to take care of it, besides, I’ve been walking around the world for a few months, what scene have I never seen? Is it something that some agencies can do to me?” The

voice fell, and Qiangwei did not restrain herself in the slightest. , but quickened his pace.

Ugh.

Yue Feng shook his head and smiled bitterly to himself, this woman will suffer a loss sooner or later if she doesn’t listen to advice.

After walking a few steps, Qiangwei suddenly stopped and looked back at Yue Feng with a frown: “Hey, don’t follow me, I’m too lazy to bother with you about what happened before, but don’t think I have a good temper, if you follow me, I’ll be rude to you. .”

The ultimate husband in Chinese chapter 6440

When speaking, Qiangwei’s delicate face could not hide her disdain.

This guy is really annoying.

Hearing this, Yue Feng was stunned for a moment, and then smiled: "You are unreasonable, how can you say that I follow you? This is the way, if I don't go this way, where else can I go?"

With that said, Yue Feng looked at the underground palace in front of him, and continued: "Besides, if the two of us are in danger, we might as well have someone to take care of..."

Before he could finish speaking, he was interrupted by Qiangwei. .

"Don't get too close to me." Qiangwei said coldly: "I'm not familiar with you at all. Even if you are in danger later, don't expect me to save you."

Thinking of being held by him just now, Qiangwei felt in her heart. Some come on fire. You know, the man is so big and clean, and the man's hand has never been pulled, but he was held in his arms just now, and the more I think about it, the more I get angry, if the master said that he can't hurt innocent people, he would have killed him with a sword.

Uh.... Feeling Qiangwei

's hostility, Yue Feng couldn't help laughing and crying, but he couldn't help but say: "What if you are in danger?"

.

When the voice fell, Qiangwei turned around and quickened her pace.

"Okay, that's what you said."

Yue Feng showed a smile and said to Qiangwei's back: "Wait, you're really in danger, don't beg me..." After that, Yue Feng slowly followed. behind.

Just now, Yue Feng could see that there were hidden organs on both sides of this corridor, and not only that, there was also kerosene underneath. Qiangwei rushing in like this will definitely trigger the mechanism.

Hearing Yue Feng's cry, Qiangwei did not have a regular meeting and continued to move forward.

Huhu....

As expected by Yue Feng, after walking a few dozen meters, Qiangwei triggered the mechanism, and the kerosene below immediately burned, and through the holes in the floor, tongues of flame sprang out.

This... there's really something going on here.

Seeing the tongue of fire coming up from under her feet, Qiangwei's delicate body trembled, and she immediately panicked.

But soon, she calmed down, quickly exerted her strength, and deployed a protective film around her body.

Um? The response is quite fast.

Seeing this scene, Yue Feng couldn't help but nodded in approval.

It's just that Qiangwei's strength is not enough, and the protective film deployed is not enough to resist the flames. After a while, a slight cracking sound was heard, the protective film cracked, and then it was quickly incinerated.

Oops!

Faced with this situation, Qiangwei was completely panicked, her face pale and pale.

It's really unfortunate that I won't be burned to death here.

Blame the man's crow's mouth.

Muttering in her heart, Qiangwei turned back to look at Yue Feng subconsciously, and was immediately stunned.

I saw that the flames had already spread to Yue Feng's feet, but when they got to him, it seemed that they had encountered an invisible barrier, and they even bypassed...

this...

how could this be? Why is he not afraid of fire?

Seeing this scene, Qiangwei was a little dumbfounded, looking at Yue Feng in surprise, her mind went blank.

"You..."

Finally, Qiangwei reacted and couldn't help but said to Yue Feng, "Why are you alright?"

"Why should I have something to do?" Yue Feng couldn't help laughing.

This girl is very interesting, as if she wants me to be burned...

Yue Feng's attitude made Qiangwei very unhappy, but she still resisted her anger and continued to ask: "Why are you not afraid of fire?"

Hu!

Yue Feng stood there with a leisurely expression on his face: "Who knows, maybe my physique is rather special, I'm not afraid of flames." Chi Chi... As he was talking, the fire around

Qiangwei became more and more intense, and he saw

, The long skirt on her body was slowly burnt, revealing a charming curve....

Seeing the tight curve, Yue Feng's eyes flickered, and he couldn't help but admire secretly in his heart.

I have to say, this girl is in good shape...

"You..."

Seeing Yue Feng's gaze, Qiangwei was about to cry, anxious and angry: "Don't look around, hurry... quickly find a way to save it. Me."

Haha....

Hearing this, Yue Feng couldn't help laughing out loud and looked at her with a playful face: "Oh, I heard right, you are conscious that you want me to help Is it?"

Qiangwei stomped her feet in a hurry: "Nonsense...I'm about to be burned to death!"

Yue Feng didn't move, but looked at her with a smile: "I seem to remember that you said just now, 'Even if there is danger, it won't Need my help', right?"
