

The ultimate husband in Chinese chapter 6451

What is this?

Yue Feng frowned and couldn't help but pick up the red jade crane and look at it. He sensed that the crane carved by red jade was gentle in the hand, and there was a strange power fluctuation in it. Moreover, this power fluctuation seemed to be able to affect People's emotions, the moment Yue Feng held it in his hand, he only felt a lot calmer.

Good stuff.

Feeling these, Yue Feng couldn't help but admired secretly.

At this time, Yue Feng didn't know that the crane carved from this red jade was the handed down treasure of Xianyumen. It was called the Blood Crane Fuyu. Moreover, when worn on the body, it can be invulnerable to all poisons.

call!

At this time, Qiangwei couldn't help but get closer. Looking at the blood crane Fuyu, she couldn't help but said softly: "What a delicate ruby, the crane on this is also so beautifully carved, it looks like it is real."

As she said that, Qiangwei glanced at Yue Feng, unable to hide her contempt: "Hey, this should be an important thing in Xianyumen, you can't take it for yourself."

In her heart, Yue Feng is a rogue bastard, Not much better than those Jiang Yang robbers, such a beautiful thing will definitely move evil thoughts.

Uh...

Hearing her tone, Yue Feng was very helpless, smiled immediately, and handed the Blood Crane Fuyu over: "It's just a piece of jade, it's useless if I want it, you can take it first. Qiangwei

was stunned for a moment, her delicate face showed a bit of complexity, and she said displeasely: "What do you mean? I'm not a cheap person. I don't want it."

After speaking, Qiangwei added: "You Put it down quickly."

Although Qiangwei has a strong personality, she has her own principles, and it is not her own, so she must not.

Ha ha....

Seeing her appearance, Yue Feng couldn't help laughing, and then said seriously: "I didn't say let you take it away, but let you wear it on your body first, it's good for your foot injury."

What, it's good for my feet . Is injury good?

At this moment, Qiangwei was dubious, and her red lips lightly opened: "Nonsense..." This is just a piece of jade, not a panacea, how could it be good for my foot injury?

But thinking so in her heart, Qiangwei couldn't help but take it. She didn't want to take it for herself, but this crane is just too beautiful.

Qiangwei thought about it, she took it for a while and put it back in its place.

Phew...

At this moment, Yue Feng took a deep breath, picked up the silk, and after unfolding it, he saw that it was covered with dense small characters, and the font was elegant, which made people feel happy.

Seeing this situation, Qiangwei hurriedly said: "What's written on it?"

Yue Feng cleared his throat and slowly read: "My name is Barba, the thirty-sixth generation head of Xianyumen ..."

Barba ?

After reading this, Yue Feng couldn't help but muttered: "What a strange name."

Qiangwei also tilted her head to think for a while, and couldn't help saying: "Only a Hu people can call this kind of name, it seems that this Barba is a Hu people, really no Thinking of the hidden sect of Xianyumen, in the end, a Hu person would be the head..."

So it was.

Hearing this, Yue Feng nodded silently and continued to read: "Xianyumen has been passed down to this day, and it has been in decline, and now it is facing a big catastrophe..."

"Big catastrophe?" Yue Feng frowned and couldn't bear it. Zhan said to himself: "What catastrophe? It doesn't seem to be written on it."

Hu!

Qiangwei on the side sighed lightly and said slowly: "I have heard some rumors about this, saying that thousands of years ago, Xianyumen leaked the secret, which angered the gods, so I encountered a catastrophe... I don't know the specifics. It's clear."

Yue Feng nodded, and continued to read the words on the silk: "The catastrophe is coming, I know it's doomed, and I specially left a brocade book, hoping that someone who is destined to see it can help me fulfill my last wish."

"I am Barba. Originally it was the Qingyang royal family, but because of internal disputes, I left the tribe in anger and began to travel around. Later, I came to Xianyumen by chance, and finally became the head..."

"I left the tribe and took the Qingyang Ling with me. This item is the treasure of the Qingyang clan. I have tried many times to find opportunities to return to the clan and return the Qingyang decree to the clan, but unfortunately, I have never had the opportunity. Now that the catastrophe has come, I cannot do anything."

"Under the slate, I hope someone who is destined can return the Qingyang family for me, and I can rest in peace under the Jiuquan!"

The ultimate husband in Chinese chapter 6452

Qingyang order? Under the slate?

Thinking of this, Yue Feng couldn't help frowning secretly: "I didn't expect that there are still many secrets in this Barba."

And Qiangwei next to him was incomparably shocked: "Qingyang order? True or false..."

Seeing her With a shocked face, Yue Feng couldn't help but say: "What's wrong? Is there anything special about this Qingyang Order?"

Hu!

Qiangwei breathed a sigh of relief, suppressed her excitement, and said slowly: "It's more than special, it is the treasure of the entire Hu tribe, with it, it can command the entire Hu tribe, and in the eyes of the Hu people, the Qingyang Order is supreme. A symbol."

Hearing this, Yue Feng nodded slowly and couldn't help but whisper: "If you say that, it's the same as the Chuan Guo Yuxi over there."

His voice was small, but Qiangwei still heard it.

"What did you say?"

At this moment, Qiangwei Xiumei frowned and looked at Yue Feng in a complicated way: "What jade seal?"

Uh...

Yue Feng calmed down and said quickly, "It's nothing, I mean this Qingyang Ling, is it like this crane, it is also a piece of exquisite jade..."

When he spoke, Yue Feng was secretly ashamed!

It's so dangerous, I almost got caught.

Seeing him say that, Qiangwei pouted: "Do you care about the value? It's really vulgar..."

Yue Feng smiled bitterly, and was too lazy to argue at the time, so he squatted down and checked the few stone slabs in front of the crystal coffin. Soon, it was discovered that one of the pieces was alive, and it was immediately pried up.

There is really something!

After prying open the slate, Yue Feng saw that there was an oilcloth bag underneath, and after taking it out, there was a jade plaque wrapped in it.

The jade plaque is in the shape of a long strip, narrow at the top and wide at the bottom. It is a very special piece of ancient jade. The color is also quite special. The upper part is sky blue and the lower part is dark.

One side of the jade plaque is carved with exquisite patterns, a green grassland, and above the blue sky, an eagle is flying, and the other side is written with the words 'Qingyang Zhaozhao, order the Quartet'!

interesting!

Seeing this, Yue Feng couldn't help but nodded secretly.

This jade is simple in texture and can be regarded as a rare treasure.

"Qingyang Order!"

At this moment, Qiangwei saw the jade card in Yue Feng's hand, her eyes lit up, and she said excitedly: "This... This is really the Qingyang Order, I didn't expect it to be lost in the Hu people. A thousand-year-old thing will actually be in this sunflower secret realm."

When she said this, Qiangwei couldn't help but sigh: "If this thing is in the world, it will definitely cause a big chaos in the Hu people."

Haha!

Hearing this, Yue Feng couldn't help but smile.

This girl's knowledge is still shallow. This Qingyang Order is just a special piece of jade. It only symbolizes status in the Hu people. If you really want to calculate it, it is not as valuable as the blood crane and jade in her hand.

After all, the blood crane talisman can heal the wound, and the Qingyang order will only cause bloodshed in the war...

"Hello..."

At this moment, Qiangwei came back to her senses and shouted at Yue Feng, she was going to say what. However, at this time, there was a sudden burst of vibrations from the passage behind him.

bang bang...

Violent vibrations came, and the entire underground palace also shook. Yue Feng and Qiangwei were almost unsteady.

"What happened?" Qiangwei's pretty face changed, and she said nervously. She was young after all, and it was difficult to calm down in such a situation.

call!

Yue Feng took a deep breath and said calmly, "It may be that we entered the underground palace and accidentally touched something." As he spoke, he saw that gravel had begun to fall above the corridor.

Seeing this, Yue Feng hurriedly called out: "Quick, the passage is about to collapse, let's go quickly, otherwise we will be trapped here." After the

voice fell, Yue Feng put away the Qingyang Order and rushed towards the Yongdao first. go.

"Hey..."

At this moment, Qiangwei was frightened and anxious again.

This bastard, he only cares about himself when he is in danger. My foot injury is still not healed, how can I run?

Um?

Just when she was annoyed, Qiangwei was surprised to find that her foot injury had healed unknowingly, and she was both surprised and happy. At that time, she looked at Yue Feng's figure and her eyes were full of complexity.

Just now he said that this ruby can cure my foot injury, he thought it was just nonsense, but he didn't expect it to be true.

Under shock, Qiangwei quickened her pace and chased towards Yue Feng.

Rumbling...

Soon, the two rushed out of the corridor. At this moment, there was a violent roar from the corridor, and countless gravel fell, completely blocking the corridor.

call!

Seeing this, Yue Feng couldn't help taking a deep breath.

Qiangwei was still in shock, and then looked around, she couldn't help but feel anxious and hopeless: "It's over, the top is so high, if we can't go up, we're afraid we'll be trapped here."

Yue Feng was indifferent: "Don't panic, it's like this here. There are multiple traps, there is no way to survive."

Said, Yue Feng searched around, and soon found a hidden secret passage.

"You..."

At this moment, Qiangwei was both surprised and delighted, looking at Yue Feng's eyes with a complex expression: "How do you know there is a secret passage here?" At this moment, Qiangwei suddenly realized that the man in front of him, It's not as ugly and useless as I imagined.

On the contrary, he always does unexpected things in an inadvertent moment.

This....

In the face of the inquiry, Yue Feng scratched his head and smiled: "How did I know there was a secret passage here? Just guessing, didn't you see it just now, I searched around and found this secret passage."

With that said, Yue Feng urged, "It's not advisable to stay here for a long time, let's go." The voice fell, and Yue Feng entered the secret passage first.

Qiangwei wanted to ask, but seeing this scene, she had to follow up.

The secret passage was winding, Yue Feng and Qiangwei walked for more than half an hour before they completely walked out of the secret passage. When they got outside, they found the foot of the palace group.

"Okay!"

At this time, Yue Feng breathed a sigh of relief, and looked at Qiangwei with a half-smile: "At last there is no danger, leave quickly, and don't be so impulsive in the future."

Fortunately, this girl ran into me, otherwise, , I'm afraid that Huang Shihu's gang has long been caught.

However, Qiangwei was very displeased when she heard this: "Who are you? Can you give me reason?" Her words were full of disdain.

Uh...

Seeing her attitude, Yue Feng was very helpless, but he didn't feel relieved.

Wow...

the two were talking when they heard footsteps coming from the woods next to them, and then, several figures rushed out, looking at them with bad expressions.

It was the Yellowstone Tigers.

I saw that Huang Shihu and several people, all of them were gray-faced, very embarrassed, and their eyes flashed with anger.

Um?

Seeing Huang Shihu, Yue Feng couldn't help frowning secretly. Aren't these guys trapped in the Immortal Lock Array? How come out?

At this time, Yue Feng didn't know that the underground palace shook just now, and the vibration changed the layout of the formation, so several Huang Shihu walked out by mistake.

At the same time, Qiangwei's expression changed, and she was inexplicably panicked.

Oops, how did I meet these Jiang Yang robbers? I haven't recovered my strength yet, if I really want to fight, I'm afraid it's not my opponent. What's more, with this burden on the side.

Mumbling in her heart, Qiangwei couldn't help but glance at Yue Feng, she hesitated, whether to leave him, run by herself, or save him.

"hey-hey!"

At this moment, Huang Shihu first looked at Yue Feng, then at Qiangwei, and sneered: "It's really a narrow road for my enemies, and I even let Lao Tzu meet you again."

After speaking, Huang Shihu looked at Yue Feng viciously: " Boy, if you dare to play with us, I'll have to rip you off."

After being trapped in the formation for a few hours before, Huang Shihu was full of ill-will, and at this time it was like throwing all fire on Yue Feng, after all , before he introduced a few of his people into the formation.

Ha ha!

Facing the threat, Yue Feng chuckled lightly.

At this moment, Qiangwei couldn't stand it any longer, and couldn't help but shout: "You scumbags, you want to do something wrong again, I'm here today, and I won't let you succeed." The

voice fell, Qiangwei pulled out her long sword, The delicate face was covered with frost.

To be honest, Qiangwei didn't like Yue Feng and didn't want to stand up for him, but she hated the scumbags like Huang Shihu even more.

Um?

Hearing this, Huang Shihu was stunned for a moment, then he looked at Qiangwei carefully, feeling the sexy curve, his eyes suddenly straightened.

The ultimate husband in Chinese chapter 6454

Tsk

tsk ..

Really beautiful.

For a time, Huang Shihu admired it for a while, and the whole person was fascinated.

Before, because Zhan Wuji was there, Huang Shihu just glanced at it, but now he is enjoying it up close, and he is immediately fascinated by it.

At the same time, several of Huang Shihu's companions were also attracted by Rose's sexy.

After watching for a few seconds, Huang Shihu recovered, swallowed secretly, and said with a smile: "Little beauty, do you want to stand up for this kid? Hey, I'm afraid, you are not my opponent."

"Speaking of which, I, Huang Shihu, have gone south and north, and there is still one less lady, so let's go, you and me in the future, I promise not to treat you badly."

Now that the boss is away, such a sexy beauty, of course, can't be let go in vain.

The voice fell, and several accomplices followed suit.

"Haha, Big Brother Huang has a good eye."

"Such a beauty is also worthy of Big Brother Huang."

"Yes, it's very suitable for us to be our sister-in-law..."

You said a few people, and I said it, the more you say it, the more obscene it is, in an instant, Qiangwei Hearing that, his face turned red, and he was indescribably embarrassed.

"You..."

In a fit of anger, Qiangwei clenched her sword tightly and shouted: "You bastards, I have to kill you..." As she said that, she rushed forward.

However, at this moment, Yue Feng stepped forward and stopped her.

"Let's go!" Yue Feng's face was serious: "I will lead them away." This girl is still too reckless, and the situation will be even more difficult to deal with when it is really about to fight.

When the words fell, Yue Feng stepped forward and shouted at Huang Shihu: "Hey, just you toads, you want to eat swan meat too? I advise you all to pee and take care of yourselves."

"Hey, what are you doing? Seeing

Yue Feng standing up for herself, Qiangwei felt very complicated, she couldn't help shouting at that time, and then she couldn't help but want to laugh when she heard Yue Feng's words.

Swish!

At the same time, Huang Shihu and a few others were also gloomy and angry.

Mad, this kid is not small, dare to take the initiative to provoke?

Looking for death?

The next second, Huang Shihu looked at Yue Feng coldly: "Boy, what did you say?"

Yue Feng sneered: "I scolded you, can't you hear it? What's the deal with a woman? Fight with Lao Tzu first."

"If you don't dare, you are all my grandsons." After the

last word fell, Yue Feng turned around and ran towards the woods.

While running towards the woods, Yue Feng did not forget Qiangwei and shouted: "Go, hurry up!"

"You are courting death!"

Hearing Yue Feng's scolding, Huang Shihu was completely furious.

Several companions followed.

"You're crazy!"

Seeing this scene, Qiangwei stomped her feet, bit her lip, and hurried in.

However, after Yue Feng entered the woods, he used the power of his primordial spirit to speed up and lead several Huangshihus to the depths of the woods, but Qiangwei's strength did not recover and could not catch up at all.

In just a few breaths, Qiangwei was thrown far away, and Yue Feng and Huang Shihu could not be seen at all.

well!

Finally, Qiangwei stopped and couldn't help but let out a long sigh, feeling extremely complicated.

This fool, how could he be the opponent of Huang Shihu and several others? But I can't catch up at all, and I can't help at all.

Moreover, even if he catches up, his strength has not recovered, and he is not an opponent. It is estimated that at this moment, he has been killed by several people from Huang Shihu.

Thinking of Yue Feng's tragic death, Qiangwei felt inexplicably uncomfortable. Speaking of which, she hated Yue Feng in every possible way at first, but just after living and dying together in the underground palace, Qiangwei's mood changed quietly.

Especially just now, Yue Feng helped her to get ahead, which made Qiangwei a little inexplicably moved...

Forget it, let's go out and find Master.

Find the master and avenge him.

After making up her mind, Qiangwei took a deep look at the surrounding woods and turned to leave the secret realm.

.....

At this time, Yue Feng is here.

call!

Yue Feng ran out of the woods in one breath and reached a hillside. After making sure that Qiangwei was not following, he breathed a sigh of relief and stopped, waiting for Huang Shihu to catch up.

"Boy!"

Seeing Yue Feng stop, Huang Shihu shouted with anger in his eyes, "I can't run away now, right?"

The ultimate husband in Chinese chapter 6455

shouting, Huang Shihu greeted his companions, and quickly rushed up to surround Yue Feng.

Facing this situation, Yue Feng looked indifferent, moved his wrist gently, and said coldly: "I wanted to save your life and give you a chance to reform, but now it seems that there is no need."

Saying this At the time, Yue Feng's expression was cold, which was very different from his previous posture.

Um?

Hearing this, Huang Shihu and several of his companions looked at each other, all frowning secretly.

This kid still wants to fight with us? I'm afraid it's not your brain.

Thinking to himself, Huang Shihu waved the long sword in his hand and sneered: "Boy, just like you, you want to learn from other people's heroes to save beauty? Give me death." When the

voice fell, Huang Shihu burst out . .

hum!

In an instant, an extremely strong force burst out from Huang Shihu, and the long sword in his hand drew a dazzling cold light, stabbing straight at Yue Feng's heart.

I saw that the air was distorted when the long sword passed, and the power was amazing.

Seeing this scene, several companions showed a sneer, looking at Yue Feng's eyes, full of contempt, in their hearts, Yue Feng is already a corpse, and it is impossible to avoid the sword of Huang Shihu.

"If he can die in the hands of Boss Huang, this kid deserves to die."

"Hehe, that's not..." During the

discussion, several companions couldn't wait, waiting for Huang Shihu to kill Yue Feng, so that he could go back and tease Qiangwei.

call!

Watching the eruption of the Yellow Stone Tiger, Yue Feng's pupils shrank slightly, and then he slowly raised his right hand and quickly cast Nine Dragons Ascension to Heaven.

In Yue Feng's eyes, a scum like Huang Shihu was not qualified to let him use his stunts and use Nine Dragons Ascension to deal with him, which was already very flattering to him.

hum!

The moment Yue Feng raised his right hand, he heard an air vibration, and then, a golden light gathered, and nine golden dragons quickly condensed.

What?

Seeing this scene, several companions who were still relaxed and comfortable at the time were all stunned, looking at Yue Feng's eyes, full of shock.

What kind of magic is this kid doing? Can you condense a golden dragon?

Moreover, this breath is so strong...

At the same time, Huang Shihu's expression changed, his mind was buzzing, and it was blank.

This kid turned out to be a hidden master...

"Roar!" In the

next second, before Huang Shihu could react, Yue Feng raised his hand and waved, and he saw Jiutian Jinlong let out a deafening dragon roar at the same time. At the same time, it erupted and swept away towards the Yellow Stone Tiger.

"Ah..."

At that time, Huang Shihu was completely stupid and completely forgot to dodge. He was directly hit by the nine golden dragons and let out a miserable howl. The whole person sprinkled a rain of blood in the air, and was then shocked and flew out.

After flying more than 100 meters and breaking several trees, Huang Shihu fell heavily to the ground.

After landing, he saw that Huang Shihu's heart was sunken, his body was covered in blood, and he was dead.

Hiss...

Seeing this scene, several of the companions couldn't help gasping for air, their legs were weak, and they could not stand firm. In addition to shock, there was deep panic in their hearts.

one move? Just one move to kill Boss Huang?

The strength of this kid is so terrifying?

I've gone wrong... I've gone out of my way before!

Swish!

At this time, Yue Feng restrained his breath, his eyes fell on several people, and he said coldly: "It's your turn." The voice was very soft, but it gave people a suffocating horror pressure.

Hearing this, several people looked at each other with pale faces.

puff puff!

In the next second, several people knelt down together, trembling all over, and begging to Yue Feng tremblingly, "Your

Excellency, please spare your life."

"Forgive me..."

At this time, the few people had completely lost their previous arrogance, and they almost cried.

Even Huang Shihu is not an opponent. If he was killed in one move, who would dare to challenge him?

Forgive me?

Looking at the few people kneeling in front of him, a sneer appeared on the corner of Yue Feng's mouth: "When you were going to kill me just now, you didn't have the slightest kindness. Now I regret it, I'm afraid it's too late." The

last word fell, Yue Feng The figure flashed in front of several people.
