

## The ultimate husband in Chinese chapter 6541

saw that this man had loose hair and was very weak with his head down, and his figure was very similar to Yue Feng.

Yes, this person is one of the top ten killers of Wuyinmen, nicknamed Wuhen, and it was deliberately arranged by Yue Feng to confuse Nuliha.

Hehe....

Seeing this scene, Nuliha was stunned for a moment, and then a sneer appeared on the corner of his mouth: "Yue Feng, Yue Feng, even if you are very witty, you even took the queen from my general's house, but In the end, isn't it still in my hands?" As

he spoke, Nuriha got up from the chair and walked over slowly.

At this time, Nuliha did not notice the difference at all, thinking that the seriously injured person in front of him was undoubtedly Yue Feng.

call!

Seeing this scene, Yue Feng was extremely excited. As a general, this Nuliha had a poor IQ, and he didn't even realize that the 'Yue Feng' in front of him was fake.

At this moment, Nuliha had already walked to the front: "Yue Feng, once again fell into the hands of this general, this is God's will."

The moment the voice fell, Nuliha was about to grab the 'Yue Feng' scattered in front of him. hair.

"Go to hell, villain!"

At this moment, pretending to be Yue Feng's Wuhen, he suddenly raised his head and let out a loud snort. Then, he suddenly raised his right hand and slapped Nuliha's heart.

Yes, this is exactly Yue Feng's plan.

Ming Wuhen pretended to be Yue Feng, and when Nuliha approached, he made a surprise attack.

What? It's not Yue Feng...

At this moment, when he saw Wuhen's face, Nuliha realized that he had been fooled. He was furious at the time. He never thought that Wuyinmen, who had always acted with great principles, would not be able to enter. Ambush against yourself.

In a panic, Nuliha turned his head and glanced at Yue Feng who was sitting there, and roared: "Yan Chengying, you dare to ambush me, have you thought about the consequences?"

At this time, Nuliha was very angry. The main altar of the hidden door can be so stable in the royal court, and it is indispensable for his secret support. It can be said that Nuliha also plays a great role in the existence of the Wuyinmen today. At this time, Nuliha never thought of it. Wuyinmen will suddenly turn his face.

However, he didn't know that the one sitting there at this time was not the real Wuyinmen leader at all, but Yue Feng in disguise.

Hehe...

Feeling Nuliha's anger, Yue Feng chuckled lightly, imitating Yan Luobing's tone, and said lightly: "General Nuliha, I don't want this either, but who told you to deal with our Wuyinmen?"

I got the news that after you plan to become king, you will be the first to eradicate our Wuyinmen."

"In order to survive, we have to strike first."

When he said this, Yue Feng's tone was full of indignation. Of course, these words were mainly said to the audience of the surrounding Wuyinmen. So as to stimulate the hearts of their common enemies.

Swish!

Hearing this, Nuliha was shocked and angry, and shouted: "Nonsense, when will I deal with it..."

But before the words were finished, the unmarked palm in front of him had already arrived.

This palm is as fast as thunder, extremely fast, and contains 90% of the power without a trace. The two were close at hand, and Nuliha couldn't dodge at all at that time.

Bang!

I heard a dull sound, this palm hit Nuliha's heart hard, Nuliha groaned, a mouthful of blood spurted out, and the whole person was shocked and flew out.

poof...

After flying for more than ten meters, Nuliha slammed into the wall on the west side of the hall, and then fell down. At that time, he was in severe pain, and his eyes were blackened, and he almost fainted on the spot.

“General!”

“Damn...”

Seeing this scene, several guards who came in with Nuliha were all blinded at the time, and then reacted one by one, preparing to rush over to check on Nuliha’s situation.

Whoa!

It’s just that before they could leave, the Wuyinmen killer who had been hiding all around, rushed out quickly and surrounded them.

“Ah...”

All of this happened so fast that several guards couldn’t react at all. Two guards screamed and fell in a pool of blood after being slashed by random knives.

Seeing this scene, the remaining guards pulled out their long knives.

“Quick, save the general out.”

“Fight with them.” The

voice fell, and several guards fought with the surrounding killers. During the period, several personal guards wanted to rush out of the siege to help Nuliha, but the killers in front of them, each stronger than the other, simply couldn’t rush past.

## **The ultimate husband in Chinese chapter 6542**

Mad!

Seeing this scene, Nuliha leaned against the wall and stood up slowly, his face extremely gloomy.

This fog hidden door is too hateful, this is trying to kill me.

“Nuriha!”

At this moment, Wuhen pulled out his long knife and said coldly under the gesture of Yue Feng: “Next year today is your death date, you can’t escape.”

Om!

The voice fell, and a powerful force erupted from Wuhen, and then the long knife drew a cold light and went straight to Nuliha.

In Wuhen's heart, although Nuliha is very strong, he was slapped just now. When he is weak at this time, it is a good opportunity to get rid of him.

"A stinky fish and a rotten shrimp, you want to kill me too?"

Looking at Wuhen, who rushed up, Nuliha's eyes were red with blood, and then he took out an elixir from his body and took it, then pulled out his long knife and attacked it. .

In the blink of an eye, the two sides fought fiercely.

Bang bang bang...

I saw Nuliha and Wuhen's silhouettes shuttle back and forth continuously, the long knives collided, and a loud vibration erupted. After seeing Nuliha taking the medicine pill, he was agile and showed no signs of injury. He could deal with Wuhen's fierce attack calmly.

Damn...

Seeing this scene, Yue Feng frowned secretly.

This Nuliha actually carried a panacea with him, but...he was hit just now, and even if he took the pill, he couldn't recover so quickly.

Just when Yue Feng was puzzled, Nuliha and Wuhen fought for a few more rounds. The two sides were evenly matched, and neither could do anything to the other.

At this moment, two of Nuliha's personal guards fell.

"Let's go together!"

"Kill Nuliha first."

Seeing Wuhen's situation here, several killers shouted and rushed over quickly to help Wuhen deal with Nuliha.

In the face of this situation, Nuliha did not panic at all, and shouted with a grim expression: "Want to kill me? Come on!" At the same time, Nuliha frantically waved the long knife in his hand, trying to break through the siege.

However, Wuhen and the surrounding killers were not ordinary people. They cooperated tacitly with each other. Nuliha tried several times to break through, but all failed.

laugh!

Finally, Wuhen found an opportunity and went around behind Nuliha, and a cold light erupted from the long knife in his hand, stabbing towards Nuliha's back.

This knife is fast and thunderous, and Nuliha has no chance to dodge at all.

Haha...

Seeing this scene, Yue Feng showed a smile, and his mood was indescribably excited.

Wuhen these are worthy of being the top killers in Wuyinmen. This knife will definitely kill Nuliha and get out of Nuliha, and he can be regarded as repaying the kindness of Princess Yiyi.

Speaking of which, with Yue Feng's character, he didn't want to fake someone else's hand, but he couldn't help it, his strength had not recovered, and it would be very difficult to kill Nuliha with his own hands. Right now, I can only rely on people like Wuyinmen.

Ding!

Almost in a flash of light, Wuhen's knife stabbed in the back of Nuliha's heart, but it didn't pierce. Instead, there was a sound of metal, and then the long knife was bent and bounced.

What?

Seeing this situation, Yue Feng's face changed, what's the situation?

Could it be...Nuriha is wearing a treasured armor?

At the same time, Wuhen was also shocked. Even a rock could be easily cut in half with this knife, but it couldn't pierce the Nuliha in front of him? how is this possible?

Chi la chi...

Just when Yue Feng and Wuhen were stunned, the long knives of the other two killers also slashed on Nuliha, and they saw Nuliha's armor was instantly slashed, but no Half a drop of blood came out.

Wow...

In the face of this situation, several killers looked at each other in dismay.

"Hahaha..."

At this moment, Nuliha looked up to the sky and laughed, his eyes full of madness: "I, Nuliha, are about to become the king of the Hu people, and you, the rabble, want to take my life?" The

voice fell. , Nuriha took off his armor.

Swish!

At this moment, whether it was Yue Feng or Wuhen and others, they were all stunned when they saw Nuliha.

I saw that Nuliha was also wearing a piece of gold wire soft armor. This soft armor was made of gold wire and special metal. It was shiny and extremely tough.

"Haha!"

Seeing the reactions of Yue Feng and Wuhen, Nuliha laughed again: "I didn't expect it?"

## **The ultimate husband in Chinese chapter 6543**

In the

laughter, Nuliha's crazy face can't hide the smugness.

You must know that the golden silk soft armor on his body has a long history. It is a treasure collected by the royal family hundreds of years ago. According to legend, Wang Khan fought around and collected treasures.

A few years ago, Nuliha made a great contribution, and Wang Khan gave him this golden silk soft armor, and Nuliha has been wearing it since then.

Mad!

Seeing Nuliha's proud face, Yue Feng frowned secretly and couldn't help but scolded.

There is indeed a treasure on his body.

In the next second, Yue Feng reacted and said solemnly: "Don't panic, everyone, although he has a treasure armor, there is only one person left. Quickly take him down."

"Yes, leader!"

Hearing the order , Wuhen and the killer present, agreed in unison, and then rushed towards Nuriha again.

Nuliha was not wrong at all, he sneered at him, and at the same time did not forget to shout at Yue Feng: "Yan Chengying, if you dare to raid me, when I go out, you will lead an army and completely destroy your Wuyinmen.

" At this time, Nuliha thought that the one sitting there was the leader of Wuyinmen, and he didn't notice anything wrong at all.

Bang bang bang...

In the blink of an eye, Nuliha and Wuhen were fighting together again, and the sound of weapons colliding was endless.

Although Wuhen and others have an advantage in numbers, Nuliha is wearing golden armor. Several times, Wuhen and others slashed at Nuliha with long knives, and they were bounced off by the golden armor. There was nothing he could do.

For a while, the two sides fell into a state of anxiety.

Nima!

Seeing this situation, Yue Feng was very anxious.

Sure enough, it is not as good as the calculation of the sky, this plan is so thorough, it could have easily killed Nuliha, but who would have thought that he not only carried a panacea with him, but also wore a treasure armor... Boom

....

When Yue Feng was secretly anxious, he heard a roar at the end of the secret passage outside the hall.

Immediately afterwards, the shouts of many Hu soldiers came in along the secret passage.

"General, here we are!"

"Come in, the general hasn't come up for so long, something must have happened."

Accompanied by the shouting, a burst of footsteps came from the secret passage, and there were obviously many people.

Oops... Nouriha's reinforcements are here.

Hearing this movement, Yue Feng's face changed, and he quickly stood up from the chair, his eyes fixed on the secret road.

At the same time, Wuhen and the killer present also froze in their hearts.

“Haha...”

At this moment, Nuliha couldn't help laughing, and shouted at Yue Feng: “My subordinates came to save me, didn't you think? Tell you, I ordered it before I came. Order, as long as you don't go back within half an hour, let them break through your stronghold.”

When he spoke, Nuriha's face was full of madness and pride.

Although Nuriha is arrogant, he is very careful. Deployed before coming.

Nima!

Hearing this, Yue Feng couldn't help but scolded secretly, this Nuliha is really cunning and cunning, and he was afraid that something would happen to him, so he even made arrangements ahead of time.

wow....

It was at this moment that hundreds of elite soldiers rushed in, seeing Nuliha being besieged, and suddenly shouted one by one.

“General, here we are...”

“Bold Wu Yinmen, dare to take action against the general, kill all of them, don't let one go!”

“Kill...”

After shouting, hundreds of elite soldiers rushed He rushed up and surrounded Wuhen and the killers present. In the face of this situation, Wuhen and other killers were a little flustered, then quickly calmed down and fought with the soldiers.

Huh....

As soon as the reinforcements arrived, Nuliha had a chance to breathe. At this time, he quickly stepped aside, took a deep breath, and then his eyes locked on Yue Feng.

“Yan Chengying, just because of your Wuyinmen's strength, do you want to assassinate me?”

At this time, Nuliha's eyes were like poisonous snakes, and his tone was extremely cold, and he said coldly to Yue Feng: “I will let you You pay dearly.”

Om!

The last word fell, Nuliha clenched the long sword, the figure burst out, murderous, and went straight to Yue Feng.

At this time, Nuliha was almost full of anger in his heart. In his heart, he always trusted Wuyinmen, but he didn't expect that he was invited over this time and almost died here.

## The ultimate husband in Chinese chapter 6544

What the hell

....

In the face of this situation, Yue Feng suddenly panicked. His strength has not recovered, how can he be Nuliha's opponent?

Anxious, Yue Feng saw the vase on the right side of the chair, he didn't think much of it, he quickly turned the vase to open the passage behind, and then rushed in.

The moment he rushed into the passage, Yue Feng turned around and kicked the vase directly.

The vase is the only mechanism to open the passage from the outside. After it is destroyed, it is impossible for others to open the passage from the outside.

Mad....

Seeing this scene, Nuliha was furious. He never imagined that in this hidden hall, there was still a hidden passage, and immediately shouted: "Don't run!

" Meanwhile, Nouriha picked up speed. But it was still a step too late. When he rushed to the front, the entrance of the passage was completely closed.

Bang!

At this moment, Nuriha was furious and slammed into the wall with a ruthless punch.

The situation has been reversed, but the 'leader of the Wuyinmen' has escaped. No one else can accept this.

In anger, Nuriha's eyes spewed fire, looking around the entrance to find the opening.

Bang bang bang.

At this moment, Wuhen and the other killers, facing more and more elite soldiers, finally couldn't resist, and they were all subdued.

"General!"

After tying up the Wuhen people, a soldier walked over quickly and asked Nuliha for instructions: "General, all the killers present are captured, please send the general."

Nuliha was very annoyed that he didn't find the mechanism, and said coldly: "Put them all down, and when they catch Yan Chengying, we will behead together!"

After saying that, Nuliha pointed to the wall in front of him: "Find all the mechanisms for me, Hurry!"

"Yes, General!"

After hearing the order, all the soldiers rushed up and began to help find the mechanism.

...

At this moment, Yue Feng is here.

After rushing into the passage, Yue Feng didn't stop for a moment. He changed his black robe and mask in the inner room, opened the secret passage next to him, and left quickly.

It was already late at night, except for the entrance on the other side of the hillside, the sound of fierce fighting could be vaguely heard, and there was silence all around.

correct!

When he got outside, Yue Feng suddenly thought that Yan Luobing was still hiding under the bed. At that time, he wanted to go back and bring her out, but then he thought about it, this woman was ruthless and had helped her to eradicate the hidden disease, but she, in turn, wanted to kill her. I...

Thinking of this, Yue Feng immediately gave up the urge to take Yan Luobing away, and took advantage of the night to rush towards the palace of the royal court.

If she didn't capture it herself, the princess must be very anxious.

Soon outside the Golden Palace wall, Yue Feng clearly saw that there were many guards patrolling around the wall, and the inside was even more heavily guarded. The princess was assassinated twice, and the entire Golden Palace was strengthened.

However, Yue Feng was already very familiar with the environment here, and soon found an opportunity to sneak in.

Um? Princess is not here?

When he arrived at the palace where the princess was resting, Yue Feng was stunned.

I saw that the palace was dark and silent, and there was no one there.

Strange, so late, where is the princess?

At this time, Yue Feng didn't know that Princess Yiyi was in the queen's bedroom at this time, discussing with the queen how to deal with Nuliha.

Forget it, find a place to rest first.

After waiting for a while, Yue Feng didn't see the princess coming back, so Yue Feng looked around and approached the side hall on the side of the bedroom. The wing where he rested was set on fire by Wuyinmen's assassination before, so he could only find a place to rest.

Clap la la...

As soon as he entered the side hall, Yue Feng heard the sound of water splashing from inside. In an instant, Yue Feng immediately stopped, feeling very embarrassed.

I'm going... Which maid is taking a bath?

Thinking to himself, Yue Feng was about to turn around and go out, but at this moment, the bead curtain inside was lifted, and then a slim figure walked out slowly.

At this moment, it was too late for Yue Feng to turn around and go out, so he quickly hid behind the pillar beside him. Then he subconsciously looked at the figure.

is her? !

The next second, Yue Feng was stunned when he saw the person who came out.

I saw that the woman who came out from behind the bead curtain had a graceful and charming figure and beautiful facial features. Who wasn't Nie Hongxue? Because I just took a bath, the whole person is indescribably sexy.

## **The ultimate husband in Chinese chapter 6545**

This side hall is where Nie Hongxue rests. Tonight, the princess will go to the queen to discuss matters. There are many guards around to protect her, so there is no need for Nie Hongxue to follow.

In the daytime, in order to investigate Yue Feng's whereabouts, Nie Hongxue ran around and was very tired, so she took advantage of the free time to take a bath and rest.

Gudong!

At this moment, Yue Feng was stunned, looking at Nie Hongxue's charming curves and couldn't help swallowing.

I have to say, this Nie Hongxue's figure is really superb.

Swish!

As the princess' bodyguard, Nie Hongxue has a very keen sense of perception. Yue Feng's swallowing voice was very small, but she could still hear her clearly. At that time, his eyes immediately turned to the pillar, and he shouted: "Who?"

While speaking, Nie Hongxue stretched out his jade hand, quickly pulled out the long sword beside him, and then slowly walked towards the pillar.

At this moment, Yue Feng didn't know whether to laugh or cry.

This woman was too alert, she just swallowed her saliva, and she was found out. This is troublesome, and there will be misunderstandings.

Depressed, Yue Feng walked out from behind the pillar and pointed at Nie Hongxue with a wry smile: "Guard Nie, it's me!"

"You?"

Seeing that it was Yue Feng, Nie Hongxue was stunned for a moment, thinking that another assassin came in and killed him. The princess, I never thought that it was Yue Feng.

Finally, Nie Hongxue reacted and said in surprise, "Why are you? You... weren't you captured by an assassin?"

Huh!

Yue Feng took a deep breath and smiled bitterly: "It's hard to say, but I managed to escape in the end." While speaking, Yue Feng couldn't help but look at Nie Hongxue's graceful figure.

Aware of Yue Feng's gaze, Nie Hongxue finally realized that she was only wearing a light gauze coat.

This Yue Feng... When I came back, I didn't look for the princess, but came to my resting place.

Could it be....he was peeking at me on purpose?

Swish!

Thinking of this, Nie Hongxue was embarrassed and angry. She clenched her long sword and pointed at Yue Feng. She said softly, "Did you do it on purpose?"

Yue Feng was stunned and smiled bitterly, "What did you do?"

Seeing him pretending to be confused, Nie Hongxue even more When she got angry, she stomped her feet: "You deliberately peeked at me bathing..." Halfway through, Nie Hongxue was so angry that she was about to stab the long sword in her hand.

What the hell!

Yue Feng was startled, and hurriedly dodged away, not knowing whether to laugh or cry: "Don't be impulsive, I walked in accidentally, you know, wasn't the wing where I rested burned down, and the princess is not here, I will If you want to find a place to rest, who knew you were here..."

Yue Feng was very depressed when he said this.

This woman is too ruthless, and she will use a knife if she disagrees.

However, after hearing Yue Feng's explanation, Nie Hongxue didn't believe it at all. She was about to drink, but was interrupted by a voice outside the door.

"Sister Hongxue!"

A clear voice came from outside, and then, Princess Yiyi, accompanied by several maids, walked in briskly: "I discussed with the queen just now, and I will be in the Golden Palace in three days. Chief..."

Before she finished speaking, Princess Yiyi was shocked when she saw Yue Feng, and she was overjoyed.

"Mr. Yue Feng."

Seeing that Yue Feng was still alive, Princess Yiyi was very happy: "That's great, I thought something happened to you, and this day, I was so anxious..."

“Thanks to Princess Hongfu, I am lucky. The Assassin Organization escaped.” Yue Feng smiled and responded.

Princess Yiyi nodded and wanted to say something, but when she saw Nie Hongxue beside her, she was stunned.

This...

what's the matter?

At this time, Princess Yiyi saw that behind Yue Feng, Nie Hongxue was standing there with a blushing face, her long hair was wet, she had just taken a bath, and her veil couldn't hide her graceful curves...for

a while, Princess Yiyi's head was buzzing, and she was suddenly a little messy.

Yue Feng was in the place where Sister Hongxue was resting, and Sister Hongxue had just taken a bath...

Could it be that the two of them...

Thinking of this, Princess Yiyi's delicate face became a little hot, what if the two of them were really going to do something? , I came here suddenly, didn't I disturb them?

Embarrassed, Princess Yiyi bit her lip and said to Nie Hongxue, “Sister Hongxue, you two...”

“Princess, don't guess!” Before the

princess could finish speaking, Nie Hongxue stomped her foot and interrupted. : “The two of us are nothing.”
