

## The ultimate husband in Chinese chapter 6546

When he said this, Nie Hongxue's face flushed red, and she was embarrassed and anxious. It was only when Yue Feng saw it, and now the princess has misunderstood it.

Really ashamed.

Embarrassed, Nie Hongxue did not forget to glare at Yue Feng, blaming him, if he hadn't barged in, he wouldn't have been misunderstood.

Uh...

Seeing Nie Hongxue's embarrassed expression, Yue Feng scratched his head embarrassedly, and then said, "Yes, princess, this is a complete misunderstanding."

Then, Yue Feng explained the situation just now. come out.

So this is ah.

Knowing the situation, Princess Yiyi nodded suddenly, and then saw Yue Feng's embarrassed appearance, she couldn't help pursing her lips and laughing.

In the next second, Princess Yiyi took Nie Hongxue aside and whispered, "Sister Hongxue, I suddenly think you and Mr. Yue Feng are very suitable, or..."

Speaking of which, the princess and Nie Hongxue knew five In the past five years, Nie Hongxue has been closely guarding the princess, almost inseparable, so in the heart of the princess, she has always been regarded as her own sister.

Nie Hongxue is now over twenty-five years old, and according to the customs of the Hu people, the marriage period has passed.

Therefore, Princess Yiyi has always been looking for men who are both civil and military for her, but Nie Hongxue has never liked the rudeness of barbarian men.

At this time, seeing that Yue Feng and Nie Hongxue stood together very well, and Yue Feng was not a Hu people, Princess Yiyi suddenly had a flash of inspiration and was ready to lead a red line for them.

You must know that Yue Feng helped the King of Shaoyang to defend Qizhou City before, and repelled Ji Beiye's army of hundreds of thousands.

Such characters are naturally worthy of Sister Hongxue.

Swish!

At this moment, upon hearing Princess Yiyi's proposal, Nie Hongxue's delicate face turned red with blush, and she whispered, "Princess...you...what are you talking about? It's impossible for me and him to..."

"groove!"

Their voices were very small, but Yue Feng could hear them clearly and was stunned at the time.

What is the princess doing? Do you want to match me and Nie Hongxue?

Isn't this a bit of a joke....

Pfft!

At this time, seeing Nie Hongxue's reaction, Princess Yiyi couldn't help covering her mouth and laughing: "Sister Hongxue, if you don't want to, why are you blushing?"

"You said..." Nie Hongxue's face turned even redder, and then subconsciously glanced at Yue Feng.

To be honest, at the beginning, in Nie Hongxue's mind, Yue Feng was a liar, but after contacting him for a few days, he realized that this man was unfathomable, changed his previous views, and felt a little more admiration in his heart.

It's just...Nie Hongxue never thought of marrying him, but now hearing the palace master's proposal, his heart suddenly became confused...

I'll go...

At this moment, Yue Feng saw Nie Hongxue With a shy look, the whole person was stunned.

I really did not expect that this Nie Hongxue was always like an iceberg, but at this time, her shy appearance was so charming...

shuh!

Nie Hongxue was originally shy, but when she noticed Yue Feng's gaze, her face turned even redder, and she immediately shouted, "Aren't you going out yet?"

"Okay, okay, go out..."

Yue Feng reacted and smiled at Princess Yiyi: "Princess, I'm waiting outside now." Then he walked out quickly.

ten minutes later.

After Nie Hongxue changed her clothes, she went to the bedroom with the princess, and at the same time, she also invited Yue Feng over.

Because of what happened just now, Nie Hongxue's mood has not yet calmed down, and when she sees Yue Feng again, her expression is still unnatural. Yue Feng had a calm expression on his face.

"Yue Feng!"

At this moment, Princess Yiyi asked curiously, "After you were taken away, what happened to you, and how did you escape?"

Phew!

Yue Feng took a deep breath and explained the situation in detail.

"This Nuliha!"

Upon learning of the situation, Princess Yiyi's pretty face changed, and she was furious at the time: "He is secretly connected with the Assassin Organization, it's just too hateful."

After saying that, Princess Yiyi glanced at Yue Feng, his eyes Zhong couldn't hide the praise: "However, Mr. Yue Feng is really smart, he can control the leader of the assassins, and then use the power of the assassin organization to deal with Nuliha, but it's a pity, that Nuliha has a big life..."

Call!

At the same time, Nie Hongxue also took a deep breath and looked at Yue Feng subconsciously, her heart was extremely complicated.

As the personal bodyguard beside the princess, Nie Hongxue knew Wang Ting's situation well, and even knew that Wuyinmen, a killer organization, was powerful and could kill without blinking an eye.

And this Yue Feng, after being captured by such a powerful killer organization, can not only escape, but also subdue the assassin leader in turn, and use the power of the assassin organization to deal with Nuliha...

It's incredible.

But thinking about it carefully, this man can do anything unexpectedly, and it doesn't seem so strange to be able to escape from the Assassin Organization.

Ha ha!

Hearing the princess's admiration at this time, Yue Feng smiled humbly: "Princess Liao Zan." After speaking

, Yue Feng thought of something, and asked curiously: "I heard the princess just say that you will call all leaders in the Golden Palace. , Could it be that the princess has a plan to deal with Nuliha?"

Alas!

Princess Yiyi breathed a sigh of relief and replied, "Tomorrow is the 'moon worship festival' of our Hu people. At that time, all leaders will gather in the Golden Palace. I have discussed it with the queen. At that time, the queen will expose Nuliha in public. Her true face."

Speaking of which, Princess Yiyi's delicate face could not hide her anger: "Nuriha, this bastard, slandered the queen, and secretly took the queen to his general's house, trying to be rude, I will never forgive him."

When the last word fell, Princess Yiyi's eyes flashed with murderous intent.

Speaking of which, Princess Yiyi was originally a gentle and carefree person, but after these few days, her mind has also become tough, because she knew in her heart that if the traitor Nuliha is not eliminated for a day, the entire Hu people will be destroyed. There will be no peace.

Uh...

at this moment, Yue Feng smiled bitterly.

The princess and the queen are still too naive.

Especially the queen, when Nuliha took her to the general's mansion and attempted to defile her, it was indeed a heinous crime, but...she had no evidence and no conclusive evidence, so she couldn't help Nuliha at all.

Even if the Queen said it in public on the day of the Moon Festival, few of the leaders would believe it. After all, Nuliha had won people's hearts during this period of time, and those leaders would have been bought by Nuliha long ago.

At that time, the queen is afraid that she will not be able to bring down Nuliha, but will be self-defeating. After all, she was convicted of 'murdering Wang Khan' before she was

put in prison, and suddenly appeared in the golden hall, making it clear that she was fleeing. Jail....

Forget it, fortunately you met me.

Thinking of this, Yue Feng smiled at Princess Yiyi and said, "That's fine. When the time comes, let's settle the accounts with Nuliha." When he said this, Yue Feng's eyes were full of confidence.

If it were to rely on the princess and the queen alone, this plan would definitely fail, but Yue Feng had already arranged everything a day ago to ensure that nothing could go wrong.

Um!

Hearing Yue Feng's words, Princess Yiyi nodded, biting her red lips tightly at that time: "On the day of the Moon Festival, I must pay Nuliha's blood and blood."

When she said this, Princess Yiyi thought of Wang Khan's tragic death, Couldn't hold back the tears.

Seeing this scene, Yue Feng was inconvenienced to wait any longer, and immediately handed over his hands: "It's getting late, the princess should rest early, and I will retire first."

"Okay, Mr. Yue Feng has a good rest."

... On the

other side, in the Hidden Gate Secret Base.

Bang bang bang...

Under Nuliha's command, the killers in the hall were quickly wiped out. At this time, dozens of soldiers, all holding a log, were slamming against the wall on the north side of the hall. .

An hour ago, Yue Feng kicked the broken vase and fled, but Nuliha couldn't find the opening mechanism. He was very angry at the time, and finally ordered his subordinates to forcibly break the wall.

boom!

I don't know how many times I hit it, cracks appeared in the wall, and finally a roar came out, and a big hole appeared.

At this moment, seeing the passage behind the big hole and the inner room inside, Nuliha's mouth twitched a bit, and he waved his hand violently: "Search for me!"

"Yes, General!"

Hearing the order, the soldiers present They responded in unison, then rushed in and searched carefully.

## The ultimate husband in Chinese chapter 6548

For a time, the soldiers rushed into the inner room, rummaging through the boxes and overturning the cabinets, making the elegant room into chaos.

Um!

It was at this time that Yan Luobing, who was hidden under the bed, woke up and let out a painful low voice.

The moment she opened her eyes, Yan Luobing was secretly delighted. She clearly felt that all the acupuncture points in her body were untied. Not only that, but the hidden diseases in her body seemed to be truly eradicated.

It seems that Yue Feng was right, he really cured my disease...

At this moment, Yan Luobing thought of the scene of Yue Feng performing acupuncture, and a strange emotion quietly rose in his heart. But thinking of him pretending to be himself, Yan Luobing felt incomparably resentful.

This bastard, when I catch him, I won't let him go...Wow

....

Just when Yan Luobing was thinking about this, the wooden bed was opened at once, and the next second, the eyes of a dozen soldiers , gathered on Yan Luobing's body, and everyone was stunned in an instant.

there is a woman?

Beautiful, so beautiful...

Earlier Yue Feng faked Yan Luobing and took off the mask on her face, but when Yan Luobing woke up just now, she was completely unaware that she was not wearing a mask. At this time, she was completely exposed to the public. under the eyes.

At this moment, these soldiers stared blankly at Yan Luobing's delicate face, all dumbfounded.

They are all rough and mad men of the Hu people. I have never seen such a beautiful woman. At this time, they are all hooked, standing there, motionless, and their minds are buzzing.

There is such a beautiful woman in the world, is this a fairy?

Oops!

Feeling the gazes of the soldiers, Yan Luobing's tender body trembled and she was furious.

His mask was taken off by Yue Feng before, and when it was over, his identity as a woman could not be kept.

In the fright, Yan Luobing quickly reacted. He was about to stand up and kill the soldiers in front of him. Because of the customs of the tribe, women cannot be seen by men before they get married. When they were seen by Yue Feng, Yan Luobing It's unacceptable, and at this time, being seen by so many men, this feeling is even more uncomfortable than killing her.

However, just after her acupuncture point was solved, she was extremely weak at this time, and she had no strength to kill at all.

"Huh?"

At this moment, sensing the killing intent in Yan Luobing's eyes, the soldiers present came to their senses.

"This woman wants to resist?"

"It must be the remnant of Wuyinmen, take it down!"

The soldiers shouted, rushing up and tying Yan Luobing.

Yan Luobing was powerless to resist. At the moment when his hands and feet were tied, his delicate face was filled with grief and anger, and he wanted to die. He was the leader of the dignified Wuyin Sect and had countless top killers. Dirty and smelly Hu soldiers captured.

Simply a shame.

"What's the noise? Did you find a clue?"

At this moment, Nuriha walked in through the hole and asked coldly.

"Return to General!"

As soon as the voice fell, a soldier quickly responded: "We are still searching, but we just found a beautiful woman under the bed..." While speaking, the soldier stepped aside.

At the same time, the soldiers present hurried to make way.

beautiful woman?

At this moment, Nuliha frowned and looked very disdainful. In the entire Hu people, the most beautiful woman is the queen. Is there any woman more beautiful than the queen?

Gudong!

Muttering in his heart, Nuliha took a step forward and saw Yan Luobing, Nuliha's body trembled for a moment, his eyes were fixed on Yan Luobing's face, he couldn't help swallowing saliva, and the whole person was crazy.

What a beautiful woman. Compared with the queen, she is different.

"Haha..."

After being stunned for more than ten seconds, Nuliha finally reacted and said with a big laugh: "It really is a peerless beauty, hurry up, send it to the general's house, but don't get hurt."

Because Nuliha had never seen Yan Luobing's face, let alone that she was a woman. At this moment, he thought that the beauty in front of her was a member of the Wuyin Sect.

Moreover, Nuliha was very lustful, seeing Yan Luobing's face, half of his soul flew away, his first reaction was to take it back to the General's Mansion and enjoy it.

"Yes, General!"

After hearing the order, several soldiers responded and were about to take Yan Luobing out.

## **The ultimate husband in Chinese chapter 6549**

Damn stinky man...

At this moment, Yan Luobing was nervous and angry, and couldn't help yelling at Nuliha: "Nuriha, you dare to be rude to me, call Your people let me go."

Huh?

It's okay that she didn't speak. As soon as she opened her mouth, Nuliha was stunned, then stared at her beautiful face, and said in surprise, "Boss Yan?"

When asked, Nuliha was very shocked and puzzled.

This woman's voice is exactly the same as Chief Yan...

but... Isn't Chief Yan a man? Why did she suddenly become a woman?

In the next second, Nuliha understood something, his eyes flashed, and he looked at Yan Luobing with a smile: "Haha, it turns out to be Chief Yan. If you don't speak, I still can't recognize it."

While talking, Nuli Ha looked at Yan Luobing up and down, and said with admiration: "Tsk tsk, I really didn't expect that the famous Wuyinmen leader turned out to be a woman like a fairy."

Shuh!

Feeling Nuliha's wretched gaze, Yan Luobing's face was flushed red, and at the same time, she was also inexplicably panicked.

Oops... This Nuliha is lecherous and falls into his hands, the consequences can't be imagined.

Thinking to herself, Yan Luobing took a deep breath, tried to calm herself down, and said to Nuliha, "Nuriha, quickly let me go."

Let go?

Nuliha laughed evilly: "Boss Yan, did I hear it right? You pretended to deceive me and wanted to kill me, but now you want me to let you go? Do you think it's possible?"

" Almost being assassinated, Nuliha felt an evil fire in his heart.

Damn Yue Feng!

Hearing this, Yan Luobing bit her lip tightly and felt resentful in her heart. If it wasn't for Yue Feng impersonating me to assassinate Nuliha, the current situation would not be so complicated.

call!

Thinking about it, Yan Luobing let out a sigh of relief and explained to Nuliha, "General Nuliha, this is a complete misunderstanding. It was Yue Feng who pretended to be me and used my subordinates to deal with you. We have all been provoked by him."

When he said this, Yan Luobing's tone was calm, but he couldn't hide the anxiety in his eyes. To be honest, with her personality, she doesn't want to explain at all, but the situation is urgent, if you don't explain clearly, it will become more and more troublesome.

Yue Feng fake?

At this moment, Nuliha frowned, and after thinking for a while, he sneered: "Boss Yan, do you think I am a three-year-old child and let you play? You are the leader of the dignified Wuyinmen, and the security here is heavily guarded, then Yue Feng is only a person, how can he pretend to be you to deal with me?"

In Nuliha's heart, he completely believed that Yan Luobing was lying. It is completely impossible for Yue Feng to control the main altar of Wuyinmen alone.

Moreover, although Wuyinmen has been cooperating with Nuliha all these years, they are using each other, and sooner or later they will turn their faces.

Seeing that he didn't believe it, Yan Luobing became anxious and had to explain.

"Okay!"

However, Nuliha didn't give her a chance at all, stepped forward and gently hooked Yan Luobing's chin, and said with a smile: "Boss Yan, don't explain, it's useless to say anything now, what you want to say, Come to my room at night, let's talk slowly."

After speaking, Nuliha said to the soldiers in front of him: "Take Yan Shou's tie down, remember, and take good care of me, if you run away or get hurt, let me ask you..."

"Yes, General!"

A few soldiers responded and immediately took Yan Luobing down.

Done!

At this moment, Yan Luobing's delicate face turned pale, and her heart was filled with anger and anxiety.

Nuriha won't listen to the explanation, this is trouble.

After Yan Luobing was taken away, Nuliha led other soldiers to search the entire base several times, and only after making sure that no fish slipped through the net did they return to the General's Mansion.

After half an hour.

In a room in the backyard of the General's Mansion, Yan Luobing was bound and locked inside. Outside the door, several soldiers guarded them closely.

call!

At this moment, Yan Luobing looked at the night outside the window, a bit of despair on her delicate face.

Over the years, he has commanded countless killers from Wuyinmen, and he has made countless people feel fearful, but now, he has become a prisoner. Could it be that they have killed too many people over the years and have been punished?

## **The ultimate husband in Chinese chapter 6550**

"Haha!"

Just when Yan Luobing was thinking about this, Nuliha's laughter sounded outside the door: "My chief beauty, I'm here!"

Hearing Nuliha's voice, Yan Luo The pretty face changed.

At this time, several soldiers at the door also hurriedly salute: "General!"

Hmm!

Nuliha nodded with a deep expression on his face: "Okay, you all go down, and no one should come near here without my order." When he said this, Nuliha looked at Yan Luobing on the windowsill, concealing his disbelief. Live the excitement.

Such a stunning beauty must be amazing.

"Yes, General!"

After hearing the order, several soldiers quickly responded and left quickly.

In an instant, inside and outside the room, only Nuliha and Yan Luobing were left.

"Hehe."

At this moment, Nuliha gave a wicked laugh and walked slowly to Yan Luobing: "Beauty, can't you wait? But it's not too late for me to come now, haha..."

"Not really . Thinking that we have been working together for so long for three years, I just found out that you are actually a daughter, tsk tsk... It is such a pity to wear a mask all day long."

“Don’t worry, I won’t kill you . , as long as you serve me well, be my woman, and protect your prosperity and wealth in the future.”

When the last word fell, Nuliha untied the ropes of Yan Luobing’s hands and feet, Nuliha clearly felt that the face in front of him Luo Bing is very weak and does not pose a threat to himself at all.

call!

At this moment, Yan Luobing said expressionlessly: “General thinks too much. Since I am in the killer business, I will never marry a man in my life, much less serve a man.”

When saying this, Yan Luobing said His eyes were as cold as water, and he didn’t even look at Nuliha.

Mad, also pretend to be arrogant to me.

Nuliha frowned, scolded inwardly, and said with a smile: “Being the leader of the killer, although majestic, but too dangerous, I can’t guarantee that I will die one day. Is it not good to be my general’s wife and enjoy the glory and wealth? “The

last word fell, and Nuliha couldn’t help but grab Yan Luobing’s jade hand.

Swish!

At this moment, Yan Luobing’s pretty face changed, and she quickly hid aside: “General, please respect yourself.” “Self-

respect?”

Nuliha’s eyes narrowed slightly: “I never respect myself in front of beautiful women, but I have to say Come back, your cold look is even more charming, hehe, I’m going to order you tonight.” The

voice fell, and Nuriha’s right hand flashed out.

Yan Luobing was already weak, and this time he couldn’t dodge at all, and his wrist was tightly grasped.

“Beautiful girl!”

Nuliha was very proud at this time: “None of the women I liked can escape from my palm. From the look of you, it seems that you haven’t experienced men and women, but it doesn’t matter. , I’ll teach you slowly in a while...”

Nuliha said with a smile, and slowly put his mouth up.

“roll...”

At this moment, Yan Luobing was so ashamed and angry that she struggled hard, and at the same time shouted: “Go away, don’t touch me...” After all, she is the leader of Wuyinmen, not an ordinary woman. Although she is weak, she is jealous and angry at this time. I don’t know where the strength came from, but I broke free from Nuliha’s hand.

Mad!

At this moment, Nuliha was completely impatient, his face suddenly gloomy, and then he slapped him fiercely, and heard a clear sound, Yan Luobing’s delicate body softened and fell to the ground.

Nuliha followed closely, grabbed the black robe on her body, tore it to pieces, and said coldly, “Ma De, play with Laozi? I think you are tired of living...”

Realizing that he could not escape The magic catch made Yan Luobing feel despair in her heart.

In despair, Yan Luobing was also full of resentment.

Yue Feng!

It’s all Yue Feng. It wasn’t that he faked himself and deceived Nuliha. Those subordinates of Zongtan would not die tragically, nor would they be arrested, nor would they be humiliated by Nuliha.

At this moment, Yan Luobing slowly closed his eyes, and at the same time as tears fell, he secretly swore in his heart.

Yue Feng, you made me so miserable, even if I die, I will not let you go.

“General, it’s not good!”

Seeing that Yan Luobing was about to be humiliated, at this critical moment, a soldier shouted outside with a panicky tone: “Not good!”
