

## The ultimate husband in Chinese chapter 6581

At this time, Yue Feng had already lifted the boulder for nearly a minute with one hand, while Wei Dongxun had just raised both hands and stayed above his head for only a few seconds...

Quiet!

For a time, the whole garden was silent, and a drop of a needle could be heard clearly. Everyone stared at Yue Feng blankly, as if they had seen a monster. They were so shocked that they were speechless.

Seeing everyone's expressions, Yue Feng smiled secretly, quietly wiped off the stone smeared on the boulder, and then let go.

Bang!

The boulder landed heavily, and a roar erupted, and the entire General's Mansion seemed to vibrate.

Yue Feng clapped his hands, smiled at Wei Dongxun and said, "Commander Wei, it's accepted."

Phew!

Wei Dongxun took a deep breath and responded with admiration: "Sir is really amazing." This huge boulder can only be forced into a moment when he bursts with all his strength, and Mr. Yue Feng, who is in front of him, can lift it for so long. .

However, Mr. Yue Feng is not very strong and cannot be born with divine power.

As for communicating with the stone, it's even more nonsense... Could it be, what's the trick?

Thinking to himself, Wei Dongxun walked over slowly and looked at Yue Feng up and down: "Mr. Yue Feng's power is unparalleled, I sigh, I lost this competition."

After speaking, Wei Dongxun couldn't help asking: "Dare to ask, sir, what's your trick to lifting the boulder just now?"

Hehe!

Seeing Wei Dongxun's sincere expression, Yue Feng couldn't bear to hide it, and immediately nodded with a smile: "Of course there is a trick." After saying that, he stepped forward and quietly opened his palm, which still had Shi Qingsan powder on it.

Seeing these white powders, Wei Dongxun was stunned for a moment and looked puzzled: "This is..."

Before he could finish asking, Yue Feng explained in a low voice, "This is called Shi Qingsan, I just entered The room is for refining it, as long as it is smeared on the stone, the stone will become lighter." At the

end, Yue Feng looked humble: "Commander Wei is amazing, I am naturally not an opponent, but in order to save me Women, you can only use some small means, I hope the commander will not take offense."

If it was someone else, Yue Feng would never tell the truth.

But Wei Dongxun is different. He has an honest personality and is loyal to Princess Yiyi. Yue Feng really doesn't want him to lose inexplicably.

That's right.

At this moment, when he heard Yue Feng's explanation, Wei Dongxun suddenly realized, and immediately said with a big laugh, "Sir is really a genius, I admire it."

Wei Dongxun was not angry when he learned that Yue Feng had played tricks in secret. On the contrary, because of Yue Feng's frankness, he was even more admired in his heart.

Whoa!

At this moment, the surrounding guards also slowed down and cheered one by one. "Won, Mr. Yue

Feng won."

"It's incredible, the huge boulder weighing 1000 jin was lifted up with one hand so easily."

"Such divine power is unheard of."

Without the slightest pride, he smiled slightly and said to Wei Dongxun: "Commander Wei, the test is over, this woman..."

Before he could finish speaking, Wei Dongxun smiled honestly: "Sir, you're welcome, Since you won, you have the final say, and speaking, I was a little abrupt just now."

As he spoke, Wei Dongxun nodded politely at Yan Luobing: "Madam was shocked just now."

Until this time, Wei Dongxun still believed that Yan Luobing was really Yue Feng's woman.

call!

Faced with such a misunderstanding, Yan Luobing was ashamed and angry, but it was not easy to show it on the surface, so she had to nod at Wei Dongxun as a courtesy.

But at the same time as she was shy, Yan Luobing couldn't help but look at Yue Feng, her heart also fell into contemplation.

This Yue Feng, as if there is nothing he can't do, how many secrets does he have?

After half an hour.

After the inspection of the General's Mansion was completed, Yue Feng and Wei Dongxun returned to the Golden Palace together and returned to the Queen. Yan Luobing was Yue Feng's woman, so she would naturally follow.

Soon after arriving at the Golden Palace, I saw Queen Yiyi in a gorgeous robe, sitting on the throne, her delicate face was less immature than before, but more calm.

Obviously, the experience of this period has made Queen Yiyi grow a lot.

## **The ultimate husband in Chinese chapter 6582**

Nie Hongxue was dressed in soft armor of guards, and stood beside him pretty.

"Queen!"

At this moment, Wei Dongxun took a quick step forward and bowed to Queen Yiyi: "The general's house has been inspected, and Nuliha's family has been arranged."

"Well!" Queen Yiyi revealed With a smile, she nodded her head in approval: "Very good, Commander Wei has worked hard."

After speaking, Queen Yiyi looked at Yue Feng: "Thank you Mr. Yue Feng for your help, otherwise, such a big mess might not be rectified so quickly. Good."

Yue Feng smiled slightly: "The Queen is polite."

Huh?

Just as she was talking, Queen Yiyi found Yan Luobing, and her delicate face showed some doubts: "This is..."

Yue Feng wanted to introduce, but Wei Dongxun took the lead and said quickly: "Back to the Queen, at this time Mr. Yue Feng's wife was trapped in the killer organization for various reasons, and was later caught by Nuliha..."

Seeing Wei Dongxun's help to explain, Queen Yiyi did not have the slightest suspicion, immediately frowned and said: "There is such a thing, that Nuliha is really hateful."

After saying that, Queen Yiyi looked at Yue Feng and said: "Fortunately, you can be reunited, I wish you all old age."

Uh ....

At this moment, Yue Feng was very embarrassed, but still said with a smile: "Thank you Queen."

Then, Yue Feng said to Yan Luobing: "Madam, don't you thank the Queen?"

Bastard...

At this time, Yan Luobing was full of shame and anger in her heart, let alone Yue Feng taking advantage of it, he still wanted me to act with him. It's just the scene in front of you, you can't do it if you don't play it.

Thinking to herself, Yan Luobing had to bow to Queen Yiyi reluctantly: "Thank you Queen Jiyan!"

Hmm!

Queen Yiyi nodded: "Mr. Yue Feng, you must be tired after being busy for a long time. I specially prepared a courtyard for you to rest."

Hearing this, Yue Feng wanted to refuse, after all Yan Luobing's The real identity, but the leader of the killer organization, can't stay here for a long time, otherwise it will be exposed.

But thinking that the matter promised to Xing Tiance had not been done yet, Yue Feng held back.

"Thank you Queen!" Yue Feng thanked him and left the hall with Yan Luobing.

"Hey!"

As soon as he got outside, Yan Luobing couldn't help but say: "When will you let me go?"

Yue Feng smiled slightly and deliberately teased her: "I didn't say I wouldn't let you go, you can go wherever you want now. Okay, I won't stop you."

"You..."

Yan Luobing was so angry that this was the golden palace of the royal palace.

Seeing her angry look, Yue Feng couldn't help laughing, and said seriously: "Don't worry, I will definitely let you go, but I still have important things to do. When I finish things, I will send them off as soon as possible. You leave."

"As for now, you should be wronged first and continue to pretend to be my wife."

After saying this, Yue Feng looked at the sky and walked towards a courtyard at the back. Just now, Queen Yiyi said, this The courtyard is specially for Yue Feng to rest.

Yan Luobing was reluctant in every possible way, but she had no choice but to follow.

When they were about to reach the courtyard, they saw two guards with knives standing guard at the entrance of the courtyard. When they saw Yue Feng coming, they all saluted respectfully.

"Mr. Yue Feng!"

Yue Feng nodded with a smile, and then introduced: "This is my wife."

Yes, Yue Feng did it on purpose, the more arrogant Yan Luobing was, the more Yue Feng wanted to tease her.

Shameless!

At this moment, Yan Luobing was so angry that this Yue Feng really couldn't open the pot and lift it, but he was angry but not easy to attack. His face was red and he was very charming.

The two guards didn't know what was going on, so they hurriedly saluted.

"My subordinates have seen the madam!"

"The madam is as beautiful as a god, and she is a match made in heaven."

Hearing these words of praise, Yan Luobing felt even more depressed.

Seeing her appearance, Yue Feng smiled secretly, greeted the two guards, and walked into the room.

I go!

As soon as the door was opened, Yue Feng was stunned.

I saw the exquisite and elegant decoration in the room, and on both sides of the door, there were several maids standing respectfully. Obviously, these maids were specially sent by Queen Yiyi to serve the two of Yue Feng.

## The ultimate husband in Chinese chapter 6583

And in the center of the room, there is a large wooden barrel, which is filled with hot water and steaming.

This is...

At this time, Yan Luobing came in from behind and was stunned when he saw the scene in front of him.

“Mr. Yue Feng!”

At this moment, one of the maids came over and bowed to Yue Feng: “The hot water is ready, you and your wife have been busy all day, let us serve you and take a bath.”

Gu Dong !

Hearing this, Yue Feng couldn't help swallowing his saliva, and at the same time glanced at Yan Luobing behind him.

Taking a bath together is interesting, but this woman is very cold, I'm afraid...

At this moment, Yan Luobing blushed and looked extremely embarrassed.

Seeing her expression, Yue Feng secretly breathed a sigh of relief and teased with a smile: “Madam, since they have all prepared hot water, let's not waste it, let's have a bubble together later.

Yue Feng doesn't really want to wash together, I just wanted to tease her. After all, such a good opportunity is not easy to come across.

“Get out of here...”

Seeing Yue Feng's serious face, Yan Luobing was so angry that she said coldly, “Who wants to wash with you. “The leader of his dignified killer organization, Bingqing Yujie, how could it be possible to wash with him.

Uh...

Hearing the scolding, Yue Feng was not angry, and said with a smile: "Well, since you don't wash, then I will. "

Speaking, Yue Feng said to the maids around him: "Come on, undress me. "

Speaking of which, I was tiring to search the General's Mansion today, and more importantly, I was sweating when I competed with Wei Dongxun at the time, so a bubble bath is not bad at this time.

Besides, the Queen has sent so many maids, it would be a waste not to enjoy it.

"Yes, sir!"

Upon hearing the order, several maids responded in unison, and then came over to undress Yue Feng.

Seeing this scene, Yan Luobing became anxious and shouted at the maids: "Don't undress him."

This...

Hearing this, the maids hurriedly stopped and looked at each other, a little confused. measures.

Yue Feng quickly explained with a smile: "Don't be afraid, Madam loves me too much, so she doesn't like other women to serve me, right, Madam."

Yan Luobing's pretty face was frosty and she ignored him at all.

well!

At this time, Yue Feng sighed and said to himself: "Forget it, I'll do it myself." After speaking, he prepared to take off his coat with makeup.

"You..." Seeing him like this, Yan Luobing was embarrassed and angry, and stomped his feet: "You...you are not allowed to wash!"

"Ah?"

Seeing her appearance, Yue Feng smiled inwardly, on the surface But he made a very innocent look: "Madam, even if the Queen sends me a few maids to serve me, you can't let me not take a shower if you are jealous."

Hearing this, Yan Luobing became very angry. Angrily, "Who eats your vinegar." This Yue Feng is too hateful. Knowing that he does not dare to reveal his identity, he will do everything possible to take advantage of him.

For a while, Yan Luobing became angrier the more she thought about it, and said to the maids, "You all go out, you are not allowed to come in without orders."

"Yes, ma'am!"

Seeing her anger, several maids did not dare to neglect, they all responded and walked out of the room.

Seeing this, Yue Feng smiled bitterly: "Just kidding, why are you so angry?"

"Who wants to joke with you?" Yan Luobing said coldly.

"Forget it!" Yue Feng closed it when he saw it, without arguing with her at that time, he smiled and said: "Then I won't wash it, it's getting late, I'll go to bed first." When the words

fell, Yue Feng was about to lie down. bed rest.

However, at this moment, Yan Luo Bing Jiao shouted: "You...you are not allowed to sleep here!" Although under the current situation, he had to be in the same room, but he couldn't sleep in the same bed.

Uh...

Yue Feng was very speechless and smiled bitterly: "I don't sleep here, where do I sleep?"

Yan Luobing pointed to the ground: "Sleep on the ground!"

What? After all, I saved your life, but you asked me to sleep on the ground?

At this moment, Yue Feng couldn't help laughing and laughing. It seems that this woman has not yet recognized the situation. Do you think this is her main altar stronghold?

Thinking to himself, Yue Feng nodded: "Okay, I'm going to sleep on the floor..." Before he finished speaking, Yue Feng suddenly turned around, taking advantage of Yan Luobing's unpreparedness, his right hand stuck out like lightning and stopped her directly. 's cave.

Papa...

Yue Feng shot quickly, but Yan Luobing didn't react at all. Suddenly, her body trembled, and she couldn't move.

“You...” Yan Luobing

was so frightened that she shouted: “What do you want to do?” Yue Feng looked at her with a playful expression: “Why do you always look so bitter, it’s so late now? , we are husband and wife again, of course I am sleeping with my wife.” After the

voice fell, Yue Feng carried Yan Luobing onto the bed.

call!

At this moment, Yue Feng felt a burst of aroma coming, and couldn’t help feeling secretly in his heart.

I have to say that although Yan Luobing is cold, her facial features are exquisite and beautiful, and her figure is also very good. Thinking of helping her eradicate the hidden disease before and saving her again during the day, but she was not grateful at all, Yue Feng thought about taking care of her.

“You...”

At this time, Yan Luobing, because the acupuncture point was tapped, had no room for struggle. At that time, he was shy and angry, and kept scolding: “You bastard, please solve the acupoint for me.

” Let me tell you, if you dare to touch me, I will kill you.”

“Aiya?”

Hearing this, Yue Feng was not angry at all, but said with a smile: “Threat me, okay? I have to touch you today, maybe you don’t know, I can’t stand being agitated by others.”

Yes, Yue Feng said that on purpose, but he didn’t really want to sleep with her.

Inglourious bastard...

Seeing the rogue on Yue Feng’s face, Yan Luobing was so anxious that she bit her lip so hard that she was about to bleed.

Ha ha...

Seeing her appearance, Yue Feng pretended to think for a while, and said slowly: “It’s boring to cry. Forget it, I won’t tease you anymore, but if you really want me to be on the ground, you have to agree to a condition.”

Yan Luobing frowned and said angrily, “What are the conditions?”

“Hey!” Yue Feng smirked, deliberately approached a little and said, “Call me a good husband, if you call me happy, I will listen to you. How about it?”

Yan Luobing was prepared, knowing that Yue Feng would definitely put forward excessive reasons, and when she heard this, her delicate face instantly flushed red.

This bastard, she knew she was not at ease.

Thinking to himself, Yan Luobing said angrily: “You...you get out!”

“Haha!” Yue Feng giggled: “Where do you want me to get out? Go beside you?”

“Shameless!” Yan Luobing Not angry.

Yue Feng didn’t answer any more, just looked at her with such a smile.

For a while, Yan Luobing bit her lip and fell into a deep entanglement. This Yue Feng’s words are counted, and if he doesn’t scream later, he will definitely lie down with me.

But...the leader of his dignified killer organization, he really wants to sleep in the same bed with him. When the news spreads, how will you face those subordinates in the future?

However, how can those two words be pronounced?

At this time, Yue Feng lay lazily beside her with a cynical look on his face. He smiled and said, “Madam, are you screaming? If you don’t, I’ll lie here and sleep.”

Rogue!

Yan Luobing stomped his feet in anger.

This Yue Feng is really a scoundrel. At this time, Yan Luobing only hated that when he caught Yue Feng, he didn’t kill him directly, but now let him humiliate him instead.

For a while, Yan Luobing was angry and hated, staring at Yue Feng coldly.

Facing her murderous gaze, Yue Feng didn’t panic at all, and stretched out at the time: “Oh, it’s really hard to wait for you to call me Xiang Gong. Since you don’t call me, I’ll fall asleep.” The

voice fell, Yue Feng pretended to slowly close his eyes.

“You...you’re not allowed to sleep...”

Seeing that he really wanted to sleep in the same bed with her, Yan Luobing was completely anxious and almost blurted out: "I...my name is...Xianggong..."

When the last two words fell, her face was flushed red, like a fiery red sunset, indescribably charming.

"Oh, madam is good."

Hearing her finally shouting out, Yue Feng laughed and immediately got up from the bed.

"You..." Yan Luobing was both ashamed and angry. She never dreamed that she would actually shout those two words. At that time, she said coquettishly, "Don't go down to sleep!"

"Okay, go down to sleep." Yue Feng nodded with a smile, and unwrapped it for Yan Luobing first. Acupuncture points, then spread the quilt on the ground, and fell asleep happily.

## **The ultimate husband in Chinese chapter 6585**

Yue Feng is not afraid that Yan Luobing will run away in the middle of the night. After all, her strength has not recovered. This is the palace again, and the security is heavily guarded.

This time, Yue Feng slept very peacefully.

call!

Early the next morning, Yue Feng slowly woke up, and the moment he opened his eyes, he saw Yan Luobing woke up at an unknown time, sitting there, looking at himself with a complicated expression.

In fact, last night, Yan Luobing hadn't slept much, and he had been hesitating in his mind, how to deal with Yue Feng. Several times I wanted to kill Yue Feng while he was sleeping, but in the end he held back.

Although this Yue Feng is hateful, at every critical moment, he always makes people look up to him... Moreover, he also saved himself.

"Madam!"

At this time, Yue Feng greeted with a smile: "Have you woken up so early?"

Seeing his smiling face, Yan Luobing snorted coldly and ignored it.

After hitting a soft nail, Yue Feng was not angry, quickly put away the quilt, and then called the maid outside to wash up. After breakfast, he took Yan Luobing to the Golden Palace to see Queen Yiji.

When he arrived, he saw that Xing Tiance was already waiting.

It's him?

At this moment, Yan Luobing's eyes sank when he saw Xing Tiance, his delicate face couldn't hide the killing intent. It was this traitor who failed to assassinate the princess for the first time, disrupting all his plans.

At this time, Yan Luobing really wanted to kill Xing Tiance, but he didn't recover his strength, plus this was the Golden Palace, surrounded by guards, so he held back.

Um?

Feeling Yan Luobing's killing intent, Xing Tiance was secretly suspicious.

Why does this beautiful woman seem to have a grudge against me? keep staring at me?

Although Xing Tiance stayed at Wuyinmen for more than ten days, every time she saw Yan Luobing, she wore a bronze mask and had never seen her true face, so she couldn't recognize her at this time.

In doubt, Xing Tiance came over and whispered to Yue Feng: "Mr. Yue Feng, this is..."

Haha!

Yue Feng smiled slightly and introduced: "This is my wife."

"Madam?" Xing Tiance was stunned for a while, and was a little confused for a while, why had he never heard that he had a wife?

However, Xing Tiance didn't ask much about the other party's family affairs, and immediately nodded at Yan Luobing: "Hello, Madam."

At this time, Yan Luobing, even though there was a lot of anger in his heart, could only suppress it temporarily, and nodded as a response. .

"Queen!"

At this moment, Yue Feng took a step forward and said to Queen Yiji: "Now that the situation has stabilized, please don't forget the previous agreement and write a

covenant in person, so that Commander Xing can bring it to Dayan. , and hand it over to Emperor Dayan.”

Yes, Yue Feng resisted leaving yesterday, just to do this.

call!

At this moment, Xing Tiance also looked at Queen Yiyi closely, his eyes full of urgency.

With this covenant, His Majesty doesn't have to worry about troubles at the border, and then he can deal with the traitor Ji Beiye wholeheartedly.

“Of course!”

Queen Yiyi smiled lightly, nodded and said, “What I said, it's natural to count. Without Mr. Yue Feng, I wouldn't be this queen.”

After speaking, she instructed the maid next to her to prepare a pen and ink. Paper inkstone.

Soon everything was ready, and Queen Yiyi wrote the covenant in her own hand and handed it over to Xing Tiance.

When he got the covenant, Xing Tiance was very excited. He knelt down and saluted: “Thank you Queen, I believe that Your Majesty will be very happy to see the covenant.”

Hmm!

Princess Yiyi nodded, raised her hand and said, “Get up, don't be too polite.”

Xing Tiance responded, stood up slowly, looked at Yue Feng and said, “I'm going back to Dayan right away, Mr. Yue Feng, Would you like to go with me?”

“You go one step ahead, I will be late.” Yue Feng thought for a while and said.

Yan Luobing glared at Xing Tiance just now, and Yue Feng could see it, he would definitely not be able to go together, otherwise something would definitely happen. After all, with Yan Luobing's personality, he would not let Xing Tiance go.

“Okay!”

Hearing this, Xing Tiance's eyes flashed with disappointment, and then he took out a jade order from his body and handed it to Yue Feng: “Sir, this jade is for you to keep, although I work in the palace, But I know a lot of friends in Jianghu, if you run into trouble in Jianghu someday, you can show the jade order, maybe it can help you at a critical moment.”
