Call!

Yue Feng breathed a sigh of relief and said with a smile: "He took the covenant of the Queen of the Hu people and left the Hu people two hours earlier than me. It is estimated that he has already joined the King of Shaoyang by now." That's

great.

Hearing this, Wu Tianlin laughed and patted his thigh excitedly: "Finally, there is news of the commander, and we can continue to fight side by side in the future." After

speaking, Wu Tianlin did not forget to express his gratitude towards Yue Feng. "Thank you sir for telling me."

"You're welcome!"

Yue Feng waved his hand, and then asked curiously, "Why did you sit on the leader of the mountain bandit?"

Alas!

Wu Tianlin sighed, and said very ashamedly: "During this time, I asked everywhere for news about the commander, but there was no progress at all. Later, I was robbed by these bandits, so I took them in by the way.

" There are so many people and great strength, it is easy to find clues."

Hearing this, Yue Feng nodded suddenly.

"That's right!"

At this moment, Wu Tianlin thought of something, and said with a look of flattery: "Mr. Yue Feng, that kid who is away from heaven is always against you, do you want me to help you out?" Wu Tianlin

at this time Tianlin, the more he thinks about it, the more he gets hotter.

It's all Shao Lingfeng's fault, he almost killed his own people. What's even more disgusting is that this kid is avenging his revenge. Mr. Yue Feng tried his best to save him, but he was not grateful at all. In order to survive, he deliberately wanted to kill Mr. Yue Feng.

This kind of villain must be taught a lesson.

Thinking to himself, Wu Tianlin grabbed the long knife and was about to teach Shao Lingfeng a lesson, but he was stopped by Yue Feng before he took two steps.

“This kind of villain doesn’t have to have the same knowledge as him.” Yue Feng said indifferently, “Qizhou City was destroyed, the king of Shaoyang and the little emperor should continue their skills, and you should hurry to meet.”

Huh....

Hearing this, Wu Tianlin took a deep breath and nodded: “Okay, since Mr. has spoken, let him spare his life for the time being. By the way, Mr. won’t come with us?”

When he said this, Wu Tian Lin’s eyes flickered with anticipation.

The Yue Feng in front of him had helped the King of Shaoyang to defend Qizhou City. He used his troops like gods and regarded him as a genius. If he could join with His Majesty this time, he would definitely defeat Ji Beiye’s rebels.

“You go first.”

Yue Feng thought for a while, then said with a smile: “I’ll deal with the matter in front of me, and I’ll come later.”

Seeing what he said, Wu Tianlin didn’t insist, and nodded: “Okay, then I’ll do it. Waiting for Mr. good news. Let’s say goodbye to it.” After the

last word fell, Wu Tianlin ordered someone to summon all the bandits present.

Many mountain bandits do not know the situation, and they are all puzzled.

“What’s the situation?”

“It’s all right, why are you leaving?”

“What happened?”

Wu Tianlin frowned as the bandits in the mountains began to talk, and couldn’t help roaring, “I’m going to shut you up for the special code. Mouth, come with me honestly, and don’t blame me for being rude.”

Swish...

Feeling Wu Tianlin’s anger, the bandits hurriedly shut up, and then followed Wu Tianlin to leave the mountain village quickly, in the blink of an eye, Walk clean.

Right now, in the room.

Shao Lingfeng and Feixue were initially flustered, but when they suddenly heard the bandits leaving, they were all stunned.

“What’s going on?” Soon, Shao Lingfeng was the first to react and couldn’t help but say.

Feixue couldn’t respond after being tapped, but she was still puzzled. It was strange, why did these bandits suddenly leave? Is it in danger?

Afterwards, Feixue thought of Yue Feng, and couldn’t help feeling sad.

This Yue Feng is really stubborn. Before letting him go, he refused to go. Now, he died in this nameless mountain village.

At this time, Feixue thought that Yue Feng had been killed by Wu Tianlin.

“Feixue!”

At this moment, Shao Lingfeng noticed the change in Feixue’s face and couldn’t help comforting him: “Everyone is dead, so don’t be sad, besides, that kid has nothing to do with you at all, just die. I’m dead.”

“It seems that God still cares for the two of us. Those bandits are gone, let’s quickly find a way to escape. The poison in my body is still there, and I can’t clear the acupoints, so I can only rely on you. It’s over.”

When he said these words, Shao Lingfeng couldn’t hide his excitement.

If you don’t die, you will have good luck.

The ultimate husband in Chinese chapter 6607

Hearing his words, Feixue was furious.

This Shao Lingfeng is simply too inhumane, Yue Feng died to save us, but what he said was such an understatement.

In anger, Feixue turned her head away, ignoring it.

Squeak ...

At this moment, Shao Lingfeng had to say more, but at this moment, the door was opened, and then Yue Feng walked in with a smile on his face.

What?

Seeing that Yue Feng was fine, both Feixue and Shao Lingfeng were shocked.

Especially Shao Lingfeng, who was staring at Yue Feng like a ghost at this time, his mind was buzzing and blank, and his heart was even more shocked.

He... wasn't he led out by the bandit leader to be executed? how are you all right?

Feixue was also stunned, and at the same time filled with endless joy.

He's not dead, he...he's not dead!

"Haha!"

Seeing Feixue's shocked expression, Yue Feng showed a smile and said, "I'm here to save you, aren't you very happy to see that I'm fine?"

Feixue nodded subconsciously. He wanted to respond, but his dumb hole was tapped and he couldn't make a sound at all.

"You..."

At this moment, Shao Lingfeng also calmed down and looked at Yue Feng in a complicated way: "Why didn't you die?" At this time, Shao Lingfeng's mind was in a mess. In the situation just now, this Yue Feng was dead. Yes, but he had nothing to do with it.

It's puzzling.

Ha ha...

Yue Feng chuckled lightly, looked at Shao Lingfeng and said lightly: "What? Seeing me well, are you disappointed?" At this moment, Yue Feng's tone was calm, but his heart was filled with anger.

To be honest, what Shao Lingfeng did just now, Yue Feng could not wait to kill him immediately, but for Feixue's sake, he held back.

Hearing the sarcasm in Yue Feng's words, Shao Lingfeng's face immediately flushed.

At this time, Yue Feng saw that Feixue had been silent and vaguely understood something, and immediately walked over to help her untie the acupuncture point.

call!

At this moment, Feixue took a deep breath and asked Yue Feng impatiently, "What happened just now? Did those bandits treat you? Also, how did they leave?" In the

blink of an eye, Feixue asked several questions in a row, and inadvertently revealed her concern for Yue Feng.

Hmm....

Yue Feng turned his eyes and scratched his head: "Maybe I'm lucky, just when they were about to beheaded, a patrolling bandit ran over and said that there were several masters at the foot of the mountain, and they were injured. Their people."

"The leader of the mountain bandit was very angry, so he gathered everyone and went down the mountain to help. Because he was in a hurry, he forgot about me."

Having said this, Yue Feng showed a smile: "Of course I won't miss it. When I have a chance, I will quickly sneak back to save you." Wu Tianlin's identity is too sensitive, and it is too troublesome to explain.

More importantly, this Shao Lingfeng is a sinister villain. If he were to let him know Wu Tianlin's true identity, he would definitely take revenge. Therefore, after thinking about it, Yue Feng decided to fabricate a lie.

What? How many masters appeared under the mountain?

At this moment, Feixue and Shao Lingfeng were both shocked. Someone helped to deal with the bandits, which was a good thing.

Soon, Feixue quickly reacted, and looked at Yue Feng closely: "Are we people who have left the way of heaven?"

Shuh!

The moment the words fell, Shao Lingfeng also stared at Yue Feng.

Like Feixue, he also thought that the one who came down from the mountain was an alliance from Heaven. However, they didn't know that the words just now were completely fabricated by Yue Feng.

call!

Seeing Feixue's excited face, Yue Feng breathed a sigh of relief, shook his head and said, "I don't know either, in short, they are going in a hurry, and depending on the situation, the other party is very strong, so we don't have much time. Before they come back, we need to Hurry up and leave."

As he spoke, Yue Feng's eyes showed a trace of complexity.

Yes, Yue Feng said this on purpose, the purpose is to make Feixue and the two realize that they are not completely safe yet, otherwise, the truth will be found out soon after the two are unshackled.

Therefore, they must not be given a chance to find out the truth.

Hmm!

Sure enough, Feixue didn't have the slightest doubt when she saw Yue Feng's serious words, and nodded immediately and said, "Okay, let's get out of here quickly." After speaking, Feixue bit

her lip and said ruthlessly, "When you regain your strength, Get revenge on these bastards again." To

be honest, Feixue really wanted to get revenge on the mountain bandits immediately, but after the fierce battle, her strength was drained a lot, and her body is very weak now, in this case, she can only choose to leave first.

"That's right!"

As soon as Feixue finished speaking, Shao Lingfeng quickly nodded in agreement.

Yue Feng didn't talk nonsense. He walked over and untied the rope for Feixue, and said with a smile: "Okay, let's go quickly, I guess they will be back soon." After the words

fell, Yue Feng turned and walked towards the door, looking at He didn't even look at Shao Lingfeng, and didn't mean to untie him at all.

"Hey!"

Seeing this, Shao Lingfeng became anxious and shouted at Yue Feng, "Stop, don't you see another person? Come and untie me." His

words were full of arrogance. No respect.

In Shao Lingfeng's eyes, Yue Feng was just a little gangster who didn't get into the rivers and lakes. He took the initiative to talk to him, which was already giving him face.

This fool!

Yue Feng scolded secretly, stood up and looked back at him, and said with a half-smile, "I'm not your friend, why should I help you?" When he spoke, Yue Feng held back his anger.

Mad, this idiot didn't even care about Feixue's innocence just now in order to save his life. He just wanted to kill me. Now that the situation has reversed, he wanted me to help?

What about daydreaming?

"I..." Hearing this, Shao Lingfeng's face

flushed red, and he opened his mouth for a while, but he quickly reacted and said coldly and arrogantly, "Boy, are you threatening me?"

, Now being ridiculed by Yue Feng again, I naturally can't stand it.

Ha ha!

Seeing what he said, Yue Feng couldn't help sneering: "Threatening you? You look down on yourself too much, I'm just telling the truth, aren't you very powerful? Maybe you can save yourself before those bandits come back.

" The words were tepid, but they left Shao Lingfeng speechless.

At this time, Shao Lingfeng couldn't refute at all. After all, he had tried every means to want Yue Feng to die, and now he wants the other party to save him, which is indeed shameless.

Thinking of this, Shao Lingfeng's face was gloomy and uncertain, and he was very anxious.

Without Yue Feng's help in solving the acupoints, and relying only on himself, when will it be possible to expel the poison and clear the acupoints?

"Yue Feng!"

Seeing that the two of them were talking more and more stiffly, Feixue couldn't stand it any longer. She came over, bit her lip and said to Yue Feng, "Yue Feng, what Shao Lingfeng did was wrong just now, I know you blame him in your heart. Well, I'll apologize to you for him, so you won't have any common sense, life is at stake, save him first." As

he spoke, Feixue's delicate face was full of complexity.

Speaking of which, Feixue also despised what Shao Lingfeng did just now, but no matter what, he was a fellow from Heavenly Dao, so how could he not be saved?

Now that his strength has not recovered, he can't relieve Shao Lingfeng at all, so he can only beg Yue Feng.

"He killed me a few times just now, and you want me to save him now?" Yue Feng looked at Feixue with a smile, and said slowly, "Is this too much?"

Mad!

In order to survive, this Shao Lingfeng deliberately wanted to kill me. His life and death have nothing to do with me.

Hearing this, Feixue felt very complicated, and said in a low voice, "I know it's very embarrassing for you, but..."

"Feixue!"

Before she could finish her words, Shao Lingfeng interrupted her. He said excitedly, "Don't apologize for me. I didn't make up what I said just now in order to survive. What's wrong? You two have indeed worshipped."

"Besides, this kid has damaged your innocence. Doing that to him is also for your own good. Don't ask him for mercy, look at his triumphant appearance, don't you just want me to bow my head? Haha, he is also worthy?" At the

end, Shao Lingfeng was cold. Looking at Yue Feng: "Boy, if you think that you can threaten me like this, you are wrong. I, Shao Lingfeng, stand in the sky, and I don't need your rescue at all."

Standing

tall?

Hearing these four words, Yue Fengqi smirked, this Shao Lingfeng is really shameless to the extreme.

It's a perfect example of a hypocrite.

Thinking to himself, Yue Feng didn't bother to pay attention to him, so he turned his head to Feixue and said, "Feixue, you heard it too, people are so arrogant that they don't even bother me to save them. I think you don't need to worry about it.

” One word fell, and Yue Feng strode out of the door.

“Yue Feng!”

Seeing that the situation completely froze, Feixue stomped her feet in a hurry, and hurried to catch up: “Yue Feng, don’t try to figure it out with him.” As he spoke, Feixue gave Shao Lingfeng a speechless look.

What time has this happened, and he still slaps his face and makes him fat.

Is it so difficult to be soft to Xiang Yuefeng?

However, Shao Lingfeng didn’t know Feixue’s good intentions, and he looked awe-inspiring: “Feixue, don’t beg him, you first find a safe place to restore some strength, and then come back to save me...”

“You give me Shut up.”

Just before he finished speaking, he was interrupted by Feixue coldly. At that time, he said angrily, “My strength will take at least two hours to recover. Do you think you can wait here for that long?”

“I’m afraid that in less than an hour, the bandits will come back. At that time, you will be the only one left of the three. How do you think the bandits will deal with you?”

Gudong!

Hearing this prosperity, Shao Lingfeng immediately woke up and couldn’t help swallowing his saliva.

What Feixue said is right. These bandits are ruthless and kill people without blinking an eye. If they come back later, I will be the only one left, and they will definitely torture them in various cruel ways.

Especially thinking of Wu Tianlin’s cruelty, Shao Lingfeng shuddered even more.

“What are you still doing?”

At this moment, Feixue was so anxious that she urged: “Quickly apologize to Yue Feng. Only he can save you now.” Huh

!

Shao Lingfeng took a deep breath, looked up at Yue Feng, very reluctant, but still whispered: “Yue Feng, I’m sorry before, I hope you don’t take offense.”

He said politely, but his expression was still cold and arrogant.

To be honest, if it weren't for the critical situation and Feixue's urging, Shao Lingfeng wouldn't even intend to apologize.

Ha ha...

Seeing his attitude, Yue Feng chuckled lightly, without even looking at it.

There is no sincerity at all, and you still want me to save you? really interesting.

"You..." Seeing that Yue Feng was unmoved, Shao Lingfeng was very angry. At that time, his face flushed and he wanted to shout, but he held back.

Feixue looked outside, and was completely anxious at this time, came over and took Yue Feng's arm and said: "Yue Feng, time is running out, don't be as knowledgeable as him, save him, even if... even if I Please..." At the end of the sentence, Feixue lowered her head, feeling extremely complicated.

Speaking of which, she is aloof and arrogant. She has never asked anyone since she was a child. Today is the first time.

I go!

Is this still that high, icy blizzard?

At this moment, when he heard Feixue's request, Yue Feng was stunned for a moment, and then looked at her with a smile: "Okay, just for your sake, I can help him, but... Since it's asking for help, you can too. Always show some sincerity."

At this time, Yue Feng had a wicked smile in his eyes, and he also paid attention to Shao Lingfeng's reaction.

Seeing Yue Feng say this, Feixue hurriedly said: "Okay, how can you be sincere."

Hu!

However, Shao Lingfeng took a deep breath, knowing that Yue Feng's words were not that simple, and his heart suddenly froze.

"This..."

Yue Feng scratched his head, pretended to think for a moment, then looked at Feixue with a half-smile and said: "We are so familiar, why should I make you embarrassed? Well, if you really want to If I save him, just call me a good husband."

Yue Feng put forward this condition not to take advantage of Feixue, but to deliberately anger Shao Lingfeng.

Swish!

The moment the words fell, Feixue's delicate face instantly flushed red. She never thought that Yue Feng would make such a request. She has a cold personality. How can she pronounce those two words?

Mad!

Shao Lingfeng's expression also changed, and he couldn't help shouting at Yue Feng, "You think beautifully."

The ultimate husband in Chinese chapter 6610

Shao Lingfeng was very annoyed at this time.

Feixue is the goddess in her heart, how can she call this Yue Feng husband?

idiot!

However, Yue Feng ignored him at all, cursed inwardly, then looked at Feixue with a smile, waiting for her response.

At this time, Feixue bit her red lips tightly, still struggling in her heart.

"Okay!"

Seeing that she was reluctant to speak, Yue Feng smiled: "Since you can't speak, it proves that his life should be like this, let's go, those bandits are probably coming back soon."

"You, don't Let's go..."

At this moment, Feixue's delicate body trembled, and she quickly grabbed Yue Feng and whispered: "My name is...good...good husband."

When Feixue shouted those three words, Feixue Her delicate face was blushing red, and her voice was so soft that you couldn't hear it if you didn't listen carefully.

"Fei Xue, don't..."

At this time, Shao Lingfeng was about to collapse. At that time, he shouted to stop it, but it was too late.

Haha....

Seeing Feixue finally shouting out, Yue Feng laughed and nodded: "Okay, it seems that you are really sincere, then I will take your face and save him once."

Said After that, Yue Feng came to Shao Lingfeng and said in a light tone: "Shao Lingfeng, you planned to harm me before, I didn't care about you at all, but this time, for Feixue's sake, I will save you once. "

Remember, it's only this time. Next time this happens, I won't care about your life or death."

Hu.....

Hearing these words, Shao Lingfeng's face was extremely gloomy, and he couldn't tell the fire in his heart.

The woman he loves is called another man's husband, but he sees it with his own eyes and can't do anything about it. No one can accept it.

This expression is still unconvincing.

At this moment, Yue Feng noticed the change in Shao Lingfeng's expression, and immediately chuckled: "Fei Xue called me a good husband in order to save you, you

should be a little bit more expressive yourself, right?" Let's share."

If you want face and dignity, I won't give you a chance.

Swish!

At this moment, Shao Lingfeng couldn't bear it anymore, his eyes fixed on Yue Feng, and he howled: "Yue Feng, don't go too far."

"Excessive?"

Yue Feng's smile froze on his face, word by word. He said, "When you want to live and you want to kill me, it's not too much? In order to let the bandits kill me, it's not too much to ignore Feixue's innocence? Tell me this now? Don't you think

it's ridiculous?" At that time, Feixue couldn't help but say, "Shao Lingfeng, you really did a lot before. If it wasn't for all of them, I wouldn't speak for you. You should apologize to Yue Feng.

" At that time, Feixue didn't have the slightest emotion on his face.

“[...”

Seeing Feixue also blaming himself, Shao Lingfeng was shocked, as if he was hit by a sledgehammer invisibly, the arrogance in his heart disappeared, and he was indescribably decadent.

The next second, Shao Lingfeng bowed his head at Yue Feng and said, “Yue Feng, I was wrong before, I was too selfish, you are a lot, please forgive me.”

After saying this, Shao Lingfeng felt extremely depressed. Then secretly swore.

Good you Yue Feng, in front of Feixue, attack my dignity, ok, you wait for me, one day it will fall into my hands, and you will not be able to survive or die.

Um!

Because Shao Lingfeng lowered his head, Yue Feng couldn't see his expression clearly, and he no longer cared about it. He sneered at that time and untied the rope for him, and then untied the acupoint.

Afterwards, Yue Feng took the two of them and quickly left the yard and rushed towards the mountain road behind.

Because it was dark and the three were unfamiliar with the terrain, they almost lost themselves in the woods several times. After walking for several hours, they finally reached an official road.

call!

At this moment, Yue Feng stopped, turned around and smiled at Feixue: “Okay, we should be completely safe when we get here. I have other things, so I won't go with you.”

Hmm!

Feixue nodded, her delicate face flashing with complexity, and she said softly: “Then take care of yourself.” For some reason, when she learned that Yue Feng was not dead, and then experienced what happened just now, Feixue's mood was completely Changed, no resistance to Yue Feng, but some concern.
