Shao Lingfeng on the side had a cold face, and he didn't even look at Yue Feng. When he was in the mountain village just now, he lost all face in front of Yue Feng, and he wished to separate from Yue Feng earlier.

Seeing him like this, Yue Feng was too lazy to care. At that time, he smiled slightly at Feixue, and was about to turn around and leave.

"That's right!"

Just two steps away, Yue Feng thought of something, turned to Feixue and asked, "I heard that Qizhou City was broken by Ji Beiye, what is the situation now?"

Dayan has a covenant with the Hu people. , Yue Feng is no longer worried. Ji Beiye's rebels will be defeated sooner or later. The purpose of asking this question at this time is just to know some of Haotian's whereabouts.

Feixue is a person who is far from heaven, and he is well-informed and must know something.

call!

Hearing the inquiry, Feixue breathed a sigh of relief, and said slowly, "We came out this time because of this incident, but we encountered these bandits halfway through, so it was delayed..."

"Feixue knew that the man in front of him, although his words were not serious, had justice in his heart, so he said it without hesitation.

"Fei Xue!"

However, Shao Lingfeng interrupted before he finished speaking: "How can we tell him about our departure from Heaven?" After speaking, Shao Lingfeng couldn't help but glance at Yue Feng, his eyes full of rejection.

Yue Feng frowned.

Feixue also frowned lightly, and then whispered: "Of course I won't talk about confidential matters." When the voice fell, he motioned Yue Feng to go aside and elaborate.

At this moment, Shao Lingfeng wanted to stop, but it was too late, so he could only be anxious.

When they reached the roadside, Feixue said in a complicated tone: "After Ji Beiye broke the Qizhou city, he celebrated for three days and three nights. The little emperor and the king of Shaoyang crossed the river to the south and retreated to Qingyun City."

"Yesterday we left Tiandao . After getting the news, Ji Beiye rectified his army and headed south, camped on the north bank of Qingyun City Jiangbei, and was ready to attack Qingyun City. However, Qingyun City was surrounded by water on three sides, and the terrain was complicated. Most of Ji Beiye's army were from the north, and many of them did not understand. He is watery, so Ji Beiye has not acted rashly."

When he said this, Feixue glanced at Shao Lingfeng who was not far away: "This time the Sect Master sent us both out to investigate the situation in Qingyun City."

Hmm!

Knowing this, Yue Feng nodded and said with a smile: "Thank you for telling me this."

Then, Yue Feng glanced at Shao Lingfeng from the corner of his eye, and his tone became serious: "I can see that he seems to like you very much, However, this man has an unrighteous mind and does not compromise on his means, so you have to be careful in the future."

Seeing Yue Feng's rare seriousness, Feixue was stunned, and when she heard his words again, her delicate face suddenly blushed: " Does he like me or not, what's your business?"

After saying that, Feixue turned around and prepared to go with Shao Lingfeng, just took two steps, then stopped, and said in a very soft voice, "Don't worry. , I am the direct disciple of the sect master, and he does not dare to do anything to me." The

voice was so soft that only she and Yue Feng could hear it.

Yue Feng nodded with a smile, turned and strode away.

Um?

Seeing the two talking in a low voice, Shao Lingfeng was inexplicably impatient. At this time, when Yue Feng left, he hurried over and asked, "Feixue, what did you tell him?"

As he spoke, Shao Lingfeng watched Yue Feng leave. Back, unable to hide the hostility.

“Don’t say anything?” Feixue said lightly, and then walked along the road. After passing through the mountain village, Feixue completely saw the person of Shao Lingfeng, and didn’t want to say a word to him at this time.

“Hey, wait for me!”

Feeling Feixue’s indifferent attitude, Shao Lingfeng was stunned for a moment, then called out and hurried to catch up.

.....the

other side.

Yue Feng followed the road all the way for more than three hours, and finally arrived at a small town.

After stopping for a while in the town and asking people, Yue Feng determined the direction of Qingyun City and continued on the road.

A few hours later, Yue Feng arrived at the boundary of Qingyun City.

call!

At this moment, Yue Feng stood on a hill and looked at Qingyun City in front of him. He couldn’t help but take a deep breath and sighed with emotion.

This Qingyun City has a good view.

The ultimate husband in Chinese chapter 6612

At this time, it was getting late, and there was a layer of mist on the river under the night. From a distance, it was like a dream.

And in the river fog, a magnificent city loomed.

It was Qingyun City.

The big river on the edge of Qingyun City is called Yujiang. It looks like a fluttering jade belt on the map, so it gets its name. Yujiang runs through almost the entire Tianxin Continent. It can be said that it is the mother river of the entire Tianxin Continent.

The location of Qingyun City is located at a bend of the Yujiang River, surrounded by water on three sides.

In this case, since the establishment of Dayan, Qingyun City is different from other cities. It not only has its own water army, but also is not subject to local jurisdiction, and is directly deployed by the emperor.

Because of the direct dispatch of the royal family, the navy of Qingyun City is well-equipped.

At this moment, through the fog, Yue Feng could vaguely see the south bank of the Yujiang River, where countless huge warships were vaguely docked with flags fluttering on them.

On the north bank of the Yujiang River, at the foot of the hill where Yue Feng was located, hundreds of camps were quietly lined up, and it was Ji Beiye's army.

call!

At this moment, Yue Feng took a deep breath, thinking of God King Haotian in his heart, he couldn't help but muttered secretly.

In the past few days, Haotian's strength should have recovered. If he really bumped into him later, he would be at a loss if he made a move.

Forget it, know yourself and the enemy to be invincible.

A few seconds later, Yue Feng secretly dispelled his doubts, took advantage of the night to slip down the hill, and quietly touched the Ji Beiye camp.

Although Ji Beiye's camp is very large, there are nearly a thousand tents, but the layout is simple, so Yue Feng can easily grow to the position of commander-in-chief.

This Ji Kitano is really still there.

When he was near the tent, Yue Feng followed the lights inside and clearly saw that Ji Beiye was sitting on the main seat of the tent, but his vision was limited and he couldn't see the whole picture inside the tent.

Shasha...

Just when Yue Feng was about to change his angle, there was a sudden sound of footsteps on the river beach not far away. Then, I saw a few soldiers, with two people, hurriedly approaching the big tent.

As you can see, the two of them are dressed as scholars, giving people a sense of elegance.

what's going on?

Seeing this, Yue Feng murmured in his heart. In order to avoid being discovered, he quickly hid to the side and continued to observe.

Several soldiers were very polite to the two of them. When they got to the big tent, they reported, "General, the secret history of Qingyun City is here." The

secret history of Qingyun City?

Hearing this, Yue Feng felt a sudden shock in his heart, and he had a bad premonition.

At this time, Ji Beiye was hoarding troops by the river, and he would attack Qingyun City at any time. At this critical moment, how could there be a secret history in Qingyun City to see Ji Beiye, and it was still at night, when the river was foggy...

Here There's something tricky.

"Come in."

Just as Yue Feng was muttering secretly, he heard Ji Beiye's delighted voice from inside the tent.

The soldier responded and quickly invited the two secret historians in.

call!

At this moment, Yue Feng reacted and slowly approached the tent, looking inside through the gap.

I saw that in the tent, Ji Beiye stood up very excitedly, and laughed at the two secret historians: "Haha, two adults, stay safe for

a long time." When saying this, Ji Beiye looked polite, But his eyes couldn't hide the arrogance.

The two secret historians who came, one was named Fei Zheng and the other was named Shi Qing. Before Ji Beiye was sent to the frontier, he was still a junior sergeant and worked with the two of them.

At this moment, Fei Zheng and Shi Qing also clasped their fists and saluted Ji Beiye.

"It's been a long time since the general."

"I haven't seen you for a few years, but the general's demeanor is still the same."
The

two sides exchanged a few words, and Ji Beiye greeted the two to sit down.

What the fuck?

Seeing this, Yue Feng, who was hiding outside the tent, was stunned.

These two secret histories from Qingyun City are still old acquaintances of Ji Beiye....

Mumbling in his heart, Yue Feng quietly observed Ji Beiye's surroundings, but did not see Haotian's figure, and muttered again in his heart.

Strange, Haotian has always been regarded as a guest by Ji Beiye, but he is not in the tent?

The ultimate husband in Chinese chapter 6613

At this time, Yue Feng didn't know that Haotian did not follow Ji Beiye to march south, but stayed in Qizhou City.

never mind!

Soon, Yue Feng calmed down and decided to inquire about the situation first, so he continued to hide outside and listen to the movement in the tent.

After hearing Ji Beiye and the three of them chatting about the past, Shi Qing suddenly said seriously: "General, before you sent someone to send a secret letter to the city owner, saying that you want to cooperate, the city owner is hesitant, let us two Come and explore the truth." The

voice fell, and Fei Zheng nodded in agreement.

"Haha!"

Hearing this, Ji Beiye couldn't help laughing, and said slowly: "The Lord of Qingyun City, Liu Juxian, is really suspicious. In the secret letter that day, I already said it very clearly, as long as he helps me capture In the world, he is the King of Qingyun."

"I, Ji Beiye, say what I say, you two can rest assured."

Hu!

At this moment, Fei Zheng and Shi Qing looked at each other and nodded immediately.

"We are relieved to have the words of the general."

“Yeah, when we go back, we will let the city owner relax.”

Ji Beiye said with a smile: “Okay, it’s up to the two of you to spread the word. , but we haven’t seen each other for many years, don’t rush to leave, let’s have a few drinks together in a while.” After

saying that, Ji Beiye asked the guards around him to prepare the wine and food.

Fei Zheng and Shi Qing quickly declined, but they couldn’t hold back Ji Beiye’s kindness, and finally nodded in agreement.

Nima...

Hearing this news, Yue Feng was startled and couldn’t help but curse.

It turned out that these two people were sent by the city lord of Qingyun City to conspire and cooperate with Ji Beiye. Aren’t the little emperor and King Shaoyang dangerous now?

“Haha, come, drink!”

Just when Yue Feng was secretly surprised, food and drinks were already set in the tent, and the laughter of Ji Beiye and Fei Zheng could be heard from time to time.

At this moment, Yue Feng was not calm for a moment.

Originally, Yue Feng didn’t intend to intervene in the war, but now that he has run into it, he can’t just sit back and watch.

Forget it, go to Qingyun City first, find the little emperor and the king of Shaoyang, and tell them these things.

After making up his mind, Yue Feng quietly left the camp.

After leaving the camp, Yue Feng quickly rushed to the riverside. At this time, the night was thick, and no one would see it even if he flew over. However, before Yue Feng could leave, a flute sound suddenly came from a hill not far away. .

“Chirp...” The

flute’s sound was melodious and gentle, like a trickle, but there was a chilling aura like Lingyun hidden in it. On both sides of this quiet Yujiang River, whether it was the Ji Beiye camp or the soldiers on the battleship on the southern bank of the Yangtze River, they could all hear it clearly.

Who is playing the flute here at night?

At this moment, Yue Feng was also attracted by the sound of the flute and immediately followed the sound of the flute. is playing softly.

This is...

Seeing this dark shadow, Yue Feng was stunned for a moment, because he couldn't see clearly from a distance, but he could feel the powerful aura pervading the opponent. Moreover, this aura is somewhat familiar.

Now Yue Feng was even more curious, so he couldn't help but approach slowly.

When the distance was less than fifty meters, Yue Feng finally saw the other's face and was stunned.

I saw that this person was forty or fifty years old, and the outline like a knife was cut. It was the Sect Master Li Tiandao, Gu Qianqiu.

It's him?

For a time, Yue Feng was secretly puzzled.

What is he doing by himself, playing the flute here at night?

At this time, Yue Feng didn't know that Gu Qianqiu was playing the flute here because he wanted to lead Haotian out. When Haotian helped Ji Beiye to break through Qizhou City, they celebrated for three days. Hundreds of thousands of troops were in Qizhou City, wanton The looting has hurt many people.

At that time, when Gu Qianqiu knew the situation, he was very sad. Then he decided to get rid of the expert beside Ji Beiye.

Just now Yue Feng heard the chilling air in the flute, which meant that Gu Qianqiu wanted to challenge Haotian.

However, at this time, Gu Qianqiu did not know that Haotian was not in the camp, but far away in Qizhou City.

A few seconds later, Yue Feng reacted and was about to go to the hill to ask Gu Qianqiu, but at this moment, something happened on the river behind him.

Crashing...

I heard the sound of paddles paddling on the water. " Wooooo

...” Immediately afterwards, Yue Feng heard clearly that a woman’s cry kept coming. At that time, Yue Feng looked back and saw a small boat slowly coming from the river in the distance. It could be vaguely seen that there were several men with long knives on the boat, and beside them sat a woman, crying non-stop. “Help...” While crying, the woman kept calling for help. Several men yelled at each other. “Bitch, I’ll cut you down again.” “Be obedient to be our boss’s Mrs. Yazhai. It’s better than running around.” Immediately understood what was happening, this woman was a fleeing commoner, and she was kidnapped by these wicked people. After understanding, Yue Feng was very angry. These gangsters are really arrogant. Near the south is the battleship team of Qingyun City, and not far away is the army camp of Ji Beiye. They turned a blind eye, robbing people and doing evil. “Woooo...” At this time, after the woman was reprimanded, she cried again. At this moment, Yue Feng couldn’t help but acted to save people, but before he left, Gu Qianqiu, who was sitting on the hill, took the lead, soared into the sky, and flew towards the boat. Whoosh!

In the blink of an eye, Gu Qianqiu landed on the bow of the boat, his eyes quickly swept over several men, and said coldly: “You are not small, robbing and fleeing people, I will give you a chance now, hurry up!” The

voice Not big, but no doubt about it.

Seeing this scene, Yue Feng resisted the urge to shoot and nodded in approval.

This ancient Qianqiu is worthy of being the suzerain of Li Tiandao, hoeing the strong and helping the weak, and has a chivalrous demeanor.

Swish!

At this time, the eyes of several men on the boat were also locked on Gu Qianqiu, each of them seemed to be stunned by the aura on his body, and they looked at each other, not daring to answer rashly.

A few seconds later, the leading man took a step forward and said to Gu Qianqiu, “Who are you

?

“

Hearing these three words, the expressions of several men changed, and their eyes were full of fear. Li Tiandao is the most powerful mysterious organization in the entire Tianxin Continent. Who doesn’t know about it?

Seeing the expressions of several men, Gu Qianqiu didn’t talk nonsense. He bent down and reached out to the crying woman: “Don’t be afraid, you are safe now .

“
Gu Qianqiu’s arm slowly stood up, bowed his head and thanked: “Thank you for your help.”

Gu Qianqiu responded, and he didn’t feel anything wrong at the time.

But Yue Feng, who was standing at the foot of the hill, changed his face, because from his perspective, he saw the woman’s other hand flickering faintly, obviously hiding a weapon.

Realizing that something was wrong, Yue Feng wanted to remind him, but it was too late.

“Go to death, Gu Qianqiu!” The

woman just stood up, and suddenly shouted, showing the dagger hidden in her sleeve, and stabbed at Gu Qianqiu’s heart fiercely. Compared, completely different.

Obviously, the woman and the man on the boat were all in the same group. They were just acting and deliberately brought Gu Qianqiu here.

What?

Facing the situation, Gu Qianqiu was shocked, but he was the Sect Master Li Tiandao and possessed a stunt.

hum!

However, the foothold on the boat is limited, and Gu Qianqiu has not yet stood firm, and the woman is another palm, calling towards his back.

The power of this palm is astonishing, and the air around it is distorted.

At this time, Gu Qianqiu was unavoidable. He was hit in the back of the heart by this palm, and a shock broke out. At that time, he groaned in his mouth, and the whole person was directly shocked and flew out.

It flew dozens of meters away, and finally landed on the shore. By the moonlight, I saw Gu Qianqiu’s face was pale.

call!

At this moment, Gu Qianqiu took a deep breath, adjusted the churning blood, and looked at the few people on the boat: “Who are you?” At this time, he also understood that he had been deceived.

The ultimate husband in Chinese chapter 6615

As soon as the voice fell, an old laughter came from the cabin: "Gu Qianqiu, you can't escape today." When the

last word fell, a figure slowly walked out of the cabin.

Wearing a red flower on her head, her face is full of anger and hatred, it is the red flower mother-in-law.

"It's you?"

Gu Qianqiu's face changed when he saw the mother-in-law of Honghua, and at the same time, there was a bit of complexity in his eyes.

At the same time, Yue Feng was also shocked.

What the hell, is that the safflower mother-in-law?

In his astonishment, Yue Feng couldn't help but remember that in Qizhou City, after being caught by Safflower Granny before, he forced Feixue to marry him.

"Hehe..."

Seeing Gu Qianqiu's astonishment at this time, Granny Safflower sneered: "Didn't you expect it? Gu Qianqiu, you killed my beloved disciple, I told you to pay with blood and blood, you can't run away today. ."

Speaking of this, Granny Safflower snorted coldly: "Kill him." Under the

moonlight, Granny Safflower looked grim and her eyes were full of resentment. After letting Gu Qianqiu run away last time, Granny Safflower was very annoyed, she knowing that it is difficult to kill Gu Qianqiu with his own strength, he spent a lot of money and invited several top killers.

Today I learned that Gu Qianqiu will come to Ji Beiye's camp, so mother-in-law Honghua played a scene with a few killers.

Swish swish....

Hearing the order, the woman who put on it and the men broke out almost at the same time, and quickly came towards Gu Qianqiu.

Seeing a few killers rushing in, Gu Qianqiu frowned, and there was no nonsense at that time, he decisively pulled out his long sword, and fought fiercely with a few killers in the woods by the shore.

Speaking of which, Gu Qianqiu was so powerful that he would not have put these killers in his eyes at first, but he was negligent just now and was slapped by the female killer. At this time, the blood in his body was disordered, and his strength was greatly reduced.

And several killers cooperated tacitly, and their shots were even more deadly.

In this case, Gu Qianqiu only has the power to parry and has no power to fight back.

scoff!

In less than a few rounds, I heard Gu Qianqiu groaning, and a blood hole came out of the shoulder where he was cut, and blood donation spewed out.

Seeing this scene, Yue Feng wanted to go up to help, but his strength had not fully recovered, so he didn't dare to rush up rashly.

“Haha!”

At this time, the mother-in-law safflower flew over, seeing Gu Qianqiu's injury, and immediately smiled excitedly: “Gu Qianqiu, when you abandoned my disciple, you never thought about such a day. “The

voice fell, and the figure of Granny Safflower burst out, calling Gu Qianqiu with a palm.

call!

At this time, Gu Qianqiu was entangled by several killers, and he couldn't get out of it at all. When he saw Granny Safflower calling, he couldn't avoid it, so he had to grit his teeth and greeted him with a palm.

In the next second, the palms of the two sides collided, and a roar sounded, followed by Gu Qianqiu groaning, and his body retreated again and again.

“Pfft...”

After stabilizing the figure, Gu Qianqiu spurted out a mouthful of blood, his face was pale, and the whole person was extremely weak. Several killers can no longer stop, plus a red flower mother-in-law, it is not an opponent.

shit...

Seeing this situation, Yue Feng was secretly anxious. Although he had no friendship with Gu Qianqiu, he was Feixue's master after all, and he couldn't help him.

Thinking to himself, Yue Feng looked around and saw that there were many large stones around him, he immediately had an idea, he quickly moved the stones and began to deploy the formation.

While deploying the formation, Yue Feng paid attention to Gu Qianqiu's situation.

Bang Bang...

Gu Qianqiu was severely injured, and he was not the opponent of the safflower mother-in-law. In just a few breaths, he was hit with a few swords and palms, donated blood and dyed his red robes, and his steps staggered.

Done.

At this moment, Gu Qianqiu clenched the long sword tightly, and his eyes were full of unwillingness.

Am I, Gu Qianqiu, going to die here tonight?

Just when he was about to despair, Yue Feng shouted from behind: "Gu Sect Master, come here."

Huh?

Hearing Yue Feng's voice suddenly, whether it was Gu Qianqiu or Granny Safflower, they were all stunned, and then they all looked towards Yue Feng.

Seeing Yue Feng covering his face, he couldn't tell his identity at all.
