Chapter 6681

However

, Yue Feng had extremely high attainments in the art of alchemy, and naturally had a way to increase the speed of restoring the Red Lotus of the Law Industry, which was to use Fire Lingzhi to refine the 'Fire Spirit Pill'.

Speaking of which, when he was in the Hu people before, when he copied the general's mansion of Nu Liha, Yue Feng obtained a lot of elixirs and spiritual grasses, but he lacked the most important material for the taste of fire lingzhi.

Fire Ganoderma lucidum?

Hearing Yue Feng's inquiry, King Shaoyang pondered for a moment and said slowly: "In this palace, the first emperor rarely comes, so in the warehouse, only some ordinary medicines are prepared, and very few elixirs are prepared.

Speaking, King Shaoyang's eyes showed a bit of doubt: "As for the fire lingzhi that Mr. said, I'm afraid there is none, and this herb is also the first time I have heard of it." Phew

!

Yue Feng secretly exhaled, feeling a little disappointed in his heart, but still said with a smile: "This is a special kind of Lingzhi, the whole body is fiery red, and it also contains the power of flame..."

This is not the Kyushu Continent, and the name of the spirit grass must be different.

Hearing him say this, King Shaoyang suddenly said: "Mr. is talking about Flame Lingzhi, such a rare elixir, the royal palace of Qizhou City has it, but it's a pity..."

Speaking of this, Shaoyang Wang smiled and continued: "But don't worry, Sir, this Qingyun City is also a brilliant spirit, I will find someone to inquire, maybe there is a clue of the flame lingzhi."

Yue Feng nodded: "Then trouble Wang Ye."

King

Shaoyang waved his hand, signaled politeness, and then called a guard captain and asked, "Do you know where you can find Flame Lingzhi?" This

.....

The captain of the guard thought for a moment and responded respectfully: "Returning to the king, the subordinates remember that three years ago, someone once collected

Flame Lingzhi on Yunxi Mountain in the south of the city, and sold ten thousand taels of gold at that time, which caused a sensation.

“It’s just that the environment of Nayunxi Mountain is complicated, there are often fierce beasts, and after someone collected the Flame Lingzhi back then, many people wanted to try their luck, but as a result, many people went, but very few came back alive.”

This way....

Hearing these words, Shaoyang King’s eyes flickered, and finally waved his hand to let the captain retreat.

Immediately, Shaoyang King smiled at Yue Feng and said, “It seems that we are lucky, there is indeed Flame Lingzhi near this Qingyun City, but listening to what the captain said, the place where Flame Lingzhi grows is very dangerous.”

“In this way, after the situation in Qingyun City has stabilized in the past two days, let’s explore Nayunxi Mountain together, how?”

Well!

Yue Feng nodded and said politely, “Then trouble Wang Ye.”

When he

said this, Yue Feng was calm on the surface, but he was a little impatient in his heart, he had already planned to go to Nayunxi Mountain to investigate when the celebration banquet was over.

Ha ha...

Seeing Yue Feng so polite, Shaoyang Wang couldn’t help but laugh out loud: “Sir said so, but it’s out of sight, come, let’s continue to drink.”

Yue Feng laughed along, and then clinked glasses with Shaoyang Wang.

An hour later, the celebration banquet ended, Yue Feng walked out of the main hall, the night breeze came to his face, and the wine suddenly woke up.

Yunxi Mountain, go and see.

At this time, Yue Feng muttered a word in his heart, and he walked straight out of the palace and rushed towards Yunxi Mountain in the south of the city.

As soon as he walked out of the south gate, Yue Feng was targeted by two people. These two were the disciples sent by Shao Lingfeng to monitor Yue Feng.

“You watch, I’ll go back and report the situation to Senior Brother Shao.”

At this time, seeing Yue Feng walking out of the city gate, one of the disciples gave a low order, and quickly turned around and rushed to the altar.

The other disciple continued to follow.

Soon returning to the altar, he saw Shao Lingfeng sitting in the main hall, closing his eyes and recuperating.

“Senior Brother Shao!”

The disciple walked up to him and couldn’t hide his excitement: “That Yue Feng came out of the palace, and now he has gone out of the city and headed south. “

Haha...

Hearing this, Shao Lingfeng opened his eyes and was very excited: “Great, do you know what he did when he went out of the city?” As he spoke, Shao Lingfeng was excited.

Yue Feng, Yue Feng, you finally let me seize the opportunity.

“I don’t know for the time being!” The disciple hurriedly responded, “But he is the only one, and besides, my brother with me is now following!”

“Good, well done!”

Shao Lingfeng nodded approvingly: “Immediately gather the elite disciples in the altar and act with me!” ”

“Yes, Senior Brother Shao!”

Hearing the order, the disciple hurriedly answered, and then went to gather people.

A few minutes later, dozens of elite disciples, led by Shao Lingfeng, rushed to the south of the city.

Soon, on the mountain road to Yunxi Mountain, Shao Lingfeng and the others found the mark left by the disciple, and they didn’t have time to think about it at that time, and continued to rush forward.

Call!

Finally, at the foot of Yunxi Mountain, Shao Lingfeng saw that the disciple was not far ahead, immediately took a deep breath, and then walked over quickly.

Dozens of elite disciples, closely following.

“Senior Brother Shao!”

Seeing Shao Lingfeng bringing people over, the disciple was very excited and hurried to catch up.

Shao Lingfeng nodded and asked, “What about Yue Fengren?”

The disciple exhaled and pointed to the mountain: “Just went up the mountain, according to my observation, he went out of the city late at night alone, as if he was not seeing anyone, but looking for something.” Looking

for something?

Hearing this, Shao Lingfeng frowned.

What can he find in the middle of the night?

At the same time, those elite disciples behind him also locked their brows and secretly thought about it.

“Could it be...”

Finally, a disciple thought of something and couldn't help but speak: “Could it be that this Yue Feng came to Yunxi Mountain to find Flame Lingzhi?” “He is a native of Qingyun City, three years ago, someone accidentally got the Flame Lingzhi and sold ten thousand taels of gold, he knew it clearly, at this time, seeing Yue Feng coming to Yunxi Mountain late at night, he immediately thought of the Flame Lingzhi.

Come to the mountains late at night to look for Ganoderma lucidum?

Hearing this, Shao Lingfeng's eyes flickered, and he sneered: “It seems that Yue Feng fought fiercely with Ji Beiye's army during the day, consuming a lot of strength.

Speaking, Shao Lingfeng looked at the disciple and asked, “Is there a road in front of you up the mountain here?” At this time, Shao Lingfeng really wanted to take people and catch up with Yue Feng to take him down.

But after thinking about it, it is too cheap to catch Yue Feng like this, since Yue Feng went up the mountain to find some Lingzhi, it is better to wait for work under this, when the time comes, catch him, and then snatch Lingzhi, wouldn't it be more painful?

“Yes!”

The disciple nodded hurriedly: “Up the mountain here, it’s just one way!” “

Haha...

Hearing the answer, Shao Lingfeng was very excited, and immediately looked at the surrounding terrain and commanded: “Quick, ambush both sides, once you find Yue Feng, take it immediately.”

“Yes! Senior Brother Shao! When

the words fell, dozens of elite disciples responded in unison, and then quickly ambushed both sides of the mountain road.

.....

On the other side, on Yunxi Mountain.

Yue Feng walked on the mountain road, while walking forward, while paying attention to the surroundings, walking the rivers and lakes for so many years, Yue Feng knew very well in his heart that wherever there were high-quality herbs, there would be fierce beasts guarding him.

It can be seen that the people who came to the mountain to look for Fire Lingzhi before were all attacked by fierce beasts.

Call!

After walking for a few minutes, Yue Feng stopped, took a deep breath, and suddenly frowned. He clearly felt that there was a strange breath in the grass in front of him.

Not only that, within a hundred meters around, there was a dead silence, not even a single wild bird.

Obviously, this is already the territory of the beast.

Sensing this, Yue Feng showed a smile and came out, since he arrived at the territory of the fierce beast, it meant that the fire lingzhi was also nearby.

Thinking to himself, Yue Feng continued to walk along the mountain road.

Ha ha!

Soon, when he arrived at a gentle slope, Yue Feng saw the scene in front of him, and immediately became excited, and saw that on the cliff in front of him, there was a fire

lingzhi plant, the whole body was red and bright, the size of two palms, which was very eye-catching in this night.

Found the fire lingzhi, Yue Feng did not rush to collect, but quickly looked around, sure enough, just a few meters away on the right side of the cliff, he saw a hidden cave, the entrance of the cave, full of weeds,

you can't find it if you don't look carefully.

Hooohoo...

At this moment, Yue Feng clearly heard that there was a sound of breathing from inside the cave, although he did not see what kind of fierce beast it was, but with his breathing, Yue Feng concluded that this fierce beast was not small.

Hehe. Bump into me, count you unlucky.

A few seconds later, Yue Feng reacted, muttering a word in his heart at that time, and slowly approached in the direction of the fire Lingzhi, while converging on his breath.

– With Yue Feng's strength, he would not be detected by the beast at all.

Shout!

However, before he took two steps, suddenly there was a sound of breaking the air behind him, and then, a cold light came straight to Yue Feng's heart.

Crouch, there are still people here?

Hearing the movement behind him, Yue Feng was taken aback, and instinctively dodged to the side, only to see the cold light passing by quickly from the side, and finally nailed to the cliff, flashing a blue cold light under the night.

It was a silver needle, glowing with a blue luster, obviously quenched with poison.

Call!

Yue Feng looked at the silver needle, suddenly frowned, and then looked back.

I saw that in the woods dozens of meters behind me, a woman slowly walked out, the woman was wearing a black robe, her figure was graceful, her facial features were exquisite, but her eyes were cold.

I went, and it turned out to be a beauty.

Seeing the other party's appearance and figure, Yue Feng was suddenly stunned.

This beauty is cold and arrogant at first glance, and her strength is not weak, the strength of the seventh product, but I don't know her before, why did she raid me behind her back?

"This girl!"

After a few seconds, Yue Feng slowed down and said to the beauty, "What do you mean?" "Just now, I was only paying attention to the fierce beasts in the cave, but I didn't even notice that there were people hiding in the woods behind me.

Hearing the inquiry, the beauty's face was full of pride and coldness, and she gently spat out a few words: "If you don't want to die, get out." The tone was also extremely cold and arrogant, and he couldn't hide his contempt.

This woman's name is Yan Bingyu, and like Yue Feng, she is also looking for Fire Lingzhi.

Half an hour ago, Yan Bingyu found the Fire Lingzhi, but when she felt the fierce beast in the cave next to her, she did not act rashly, she originally thought that after waiting for the fierce beast to leave, she would go to collect the Fire Lingzhi, but she did not expect that Yue Feng suddenly appeared.

Just now, seeing that Yue Feng was going to collect Fire Lingzhi, Yan Bing's words were anxious, so he shot out a cold ice needle.

Ah?

Feeling Yan Bingyu's contempt, Yue Feng was stunned for a moment, and then couldn't help but laugh.

Sure enough, she is beautiful, and some women with skills are relatively cold. I didn't even mess with you, you opened your mouth and told me to get out? It's also too cold.

Thinking to himself, Yue Feng looked cynical: "What if I don't roll?"

"You look for death!"

Seeing Yue Feng's appearance, Yan Bingyu was indescribably disgusted, and when he drank coldly, he was about to do it, but considering the fierce beasts in the cave, he still held back.

Half an hour ago, when Yan Bingyu first came, he happened to see the fierce beast enter the cave, it was a flame tiger that was three meters high, and its strength was close to the eighth rank.

And Yan Bingyu is only the strength of the seventh product, naturally he is not the opponent of the Flame Tiger, so he has been holding back until now.

At this time, Yan Bingyu forcibly endured his anger and said coldly to Yue Feng: "I tell you, in the cave next to you, there is an eight-rank flame tiger, if you move the flame lingzhi, it will wake it up, and then your life will be gone."

Speaking, Yan Bingyu said impatiently: "So, you leave quickly." Seriously

, Yan Bingyu really wanted to kill Yue Feng immediately, but once he started, he would also wake up the Flame Tiger in the cave, so he wanted to scare Yue Feng away at this time.

However, she was wrong.

Yue Feng, as the master of the Heavenly Emperor, the Nine Heavens Xuan Saint, even the four divine beasts were extremely respectful to him, how could he be afraid of a flaming tiger?

Hehe...

At this moment, Yue Feng said with a smile: "It turns out that there is a flame tiger inside, that is really a coincidence, I used to be in the palace, specially for the emperor to raise tigers, other fierce beasts I dare not guarantee, but this tiger, I am not afraid at all."

Speaking, Yue Feng looked at Yan Bingyu while continuing: "If the girl is afraid, leave first, don't worry about my safety."

This woman was too cold and conceited, so Yue Feng made up a mess and teased her.

What the?

He used to raise tigers specifically for the emperor?

Hearing this, Yan Bingyu frowned, and he was stunned at that time. There are also some doubts in my heart.

This person has a hippie smile, looking at the slightest seriousness, the royal family will accept this kind of person?

"You less nonsense..."

In the next second, Yan Bingyu reacted, and said angrily: "This Flame Tiger has eight-rank strength, I see that you really don't want to live." "Even if he really raised a tiger for the emperor, can an ordinary tiger compare with the Flame Tiger?"

Chapter 6684 Yan

Bingyu

at this time, his delicate face did not fluctuate in the slightest, he seemed to be very calm, but he was actually very anxious.

This man is really wordy!

If it weren't for the fear of the Flame Tiger in the cave, he really wanted to kill him with a sword.

Hey!

Feeling Yan Bingyu's anxiety, Yue Feng secretly laughed, and said with a nonchalant face: "I'm a bold person by nature, and I'm really not afraid of death!"

Speaking, Yue Feng glanced at the cave and continued at Yan Bingyu: "Otherwise, how about we make a bet?"

"What bet?" Yan Bingyu said coldly.

Yue Feng scratched his head and pointed to the Fire Lingzhi on the mountain wall: "Just bet on whether I can collect this Flame Lingzhi without alarming the Flame Tiger."

"If I lose, the Flame Tiger will kill me without your hand."

Hehe...

Hearing this, Yan Bingyu secretly snorted coldly, this person is really not afraid of death.

Thinking to himself, Yan Bingyu nodded: "Yes!" In her heart, the man in front of her is completely nonsense, without the slightest breath fluctuation on his body, it is estimated that it is general strength, and it is absolutely impossible to collect Flame Lingzhi without alarming the Flame Tiger.

Call!

Seeing her promise, Yue Feng breathed a sigh of relief and said with a smile: "What if I win?"

"If you have something to say, don't grind it." Yan Bingyu frowned, and her delicate face was full of impatience.

"Okay!"

Seeing that she was about to lose patience, Yue Feng stopped talking nonsense and said with a smile: "If I win, you can just call me a good brother, of course, the flame lingzhi will also belong to me." "

Phew!

Hearing this, Yan Bingyu's delicate face was instantly covered with cold ice, and he was ashamed and angry: "You are looking for death!" She is not stupid, and she can see at this time that the other party is teasing herself.

At this time, Yan Bingyu was very angry in his heart.

This man is really a scoundrel, the Flame Tiger is in a cave not far away, and he still has the mind to tease me...

Thinking to himself, Yan Bingyu said coldly: "If you lose, don't use that Flame Tiger to do it, I will personally kill you shameless." As he spoke, his eyes were full of killing intent.

Alas...

Yue Feng didn't panic at all, and muttered with a bored face: "Just make a bet, what are you angry about?" If you say that, I'll bet on you."

When the words fell, Yue Feng turned around and walked towards the cliff step by step.

Seeing this scene, Yan Bingyu no longer spoke, but stared closely at the situation in the cave, until this time, she still did not believe that Yue Feng could collect the Flame Lingzhi without alarming the Flame Tiger.

For a time, there was silence.

Yue Feng's footsteps were very light and light, and at the same time he performed the Qiqi Holding Technique, converging the breath of his whole body, in this case, let alone the Flame Tiger, even if the four divine beasts came, they couldn't feel it.

This.....

Seeing the situation in front of him, Yan Bingyu frowned, secretly shocked.

That's impossible.... This person doesn't have the slightest strength, how can he not make any noise, and breath?

In Yan Bingyu's eyes, Yue Feng is a shameless scoundrel, and his strength will not exceed the fourth rank, which shows that he quietly approached the Flame Lingzhi, and his brain was suddenly not enough.

How did he do it?

At this time, Yan Bingyu didn't know that Yue Feng's strength and identity were far beyond her imagination.

Ten meters... Eight meters.....

Five meters....

Just when Yan Bingyu was secretly frightened, Yue Feng got closer and closer to the Fire Lingzhi.

No, Flame Lingzhi must not let him get his hands.

At this moment, Yan Bingyu reacted, seeing that Yue Feng was about to touch the Fire Lingzhi, he immediately bit his lip, pulled out the long sword on his body, and punched out.

Airplanes!

Under the powerful burst of power, the long sword was like a shooting star, stabbing towards Yue Feng's back heart.

Yan Bingyu is not only cold and arrogant, but also has a strong self-esteem, she knows that if she lets Yue Feng get the Flame Lingzhi, she will lose, and when the time comes, not only will she call her brother well, but the Flame Lingzhi will also return to Yue Feng, which is not the result she wants, so she will make a decisive move.

She thought about it, and when she hit Yue Feng hard, she would snatch the Flame Lingzhi herself.

Even if the Flame Tiger was awakened and rushed out, her attention would be on the injured Yue Feng, and when the time came, she would take the Flame Lingzhi and leave quickly.

The ultimate husband in Chinese chapter 6685

Sleeping, this woman doesn't talk about credit.

At this moment, Yue Feng heard the sound of the long sword breaking through the air from behind him, and couldn't help but curse secretly in his heart, just now while I was not prepared for a surprise attack, now come?

Secretly cursing in his heart, Yue Feng did not panic, and shouted with a smile at that time: "Good sister, you are not authentic like this." When

the words fell, Yue Feng's figure flashed, quickly avoiding the long sword, and then reached out like lightning to collect the fire Lingzhi on the cliff. This series of actions is very crisp and sharp.

Boom!

As soon as the fire lingzhi was collected, the long sword also slammed into the cliff, erupting with a roar.

Such a movement immediately woke up the Flame Tiger in the cave.

"Roar!"

In the next second, a roar came out of the cave, and immediately after, a huge figure rushed out like a flame.

"Oh..." Seeing the figure of the Flame Tiger, even though Yue Feng was mentally prepared, he couldn't help but sigh at this time: "It's really a Flame Tiger, it's not small."

I saw that this was a giant tiger full of flames, with a body of five or six meters long and more than two meters high, with a strong aura around it, and a pair of half-meter-long wings on its back.

Crouch!

Seeing the pair of wings, Yue Feng couldn't help but secretly exclaim.

It seems that the wings of a tiger are not made up by the ancients, they really exist, but this pair of wings is still too small, obviously because the strength of this flame tiger has not yet reached its peak.

Even so, the strength of the eight products is enough to make most of the jianghu masters fearful.

Call!

At the same time, seeing the Flame Tiger rushing out of the cave, Yan Bingyu's delicate face also instantly became nervous.

Bad, this person is not injured, and the Flame Tiger does not necessarily regard him as the first target.

Thinking to himself, Yan Bingyu turned his gaze to the Fire Lingzhi in Yue Feng's hand, and couldn't help but shout: "Quick, throw the Flame Lingzhi to me." "Getting the Flame Lingzhi right now is the most important thing.

Hehe!

Hearing the shout, Yue Feng couldn't help but laugh secretly, and shouted at Yan Bingyu: "Good sister, you lost, why are you kind enough to ask me for Flame Lingzhi?"

Yan Bingyu's eyes flickered, and he said coldly: "You woke up this Flame Tiger, why did I lose?" "Sleeping

, this is obviously unreasonable.

At this moment, hearing Yan Bingyu's words, Yue Feng couldn't cry and laugh, if you hadn't raided me with your sword, could this Flame Tiger be awakened? Sure enough, I still can't reason with women.

Depressed, Yue Feng was about to speak.

"Roar!"

Just before he could say a word, he heard the Flame Tiger let out a heaven-shaking roar, his eyes locked on Yue Feng, and his huge body rushed straight towards him.

Any fierce beast cultivated to a certain realm has spirituality, and the same is true of this Flame Tiger, it has guarded here for three years, just waiting for it to encounter a bottleneck, taking Fire Lingzhi to break through, at this time, seeing that Fire Lingzhi was taken away by Yue Feng, it was naturally furious.

"Oops!"

Seeing the Flame Tiger pounce, Yue Feng pretended to scream in panic, and then pulled out his legs and rushed towards the hillside on the right.

The Flame Tiger roared, whipping up a gust of wind and chasing after him.

Deserve!

Seeing this scene, Yan Bingyu felt indescribable relief in his heart, asking you to tease me, and now being buried in the tiger's mouth is retribution.

Although Yue Feng dodged her raids twice, in Yan Bingyu's opinion, this person is also a better body, faster, really hard to fight, in front of this eight-rank flame tiger, I am afraid that he will not be able to last for a moment.

Find an opportunity to take the flame reishi.

Soon, Yan Bingyu reacted, and was about to catch up, but after taking two steps, he hesitated again. Go up now, and wait for the Flame Tiger to kill this shameless person, won't it become the second target?

But if he didn't go up, when the Flame Tiger killed that person and took away the Flame Lingzhi, he would have no chance.

For a time, Yan Bingyu hesitated.

At this moment, Yue Feng's side.

Yue Feng held the fire lingzhi tightly, hurried all the way, and reached the top of the mountain in a moment.

The speed of the flame tiger was not slow, and it always kept a distance of several meters from Yue Feng, and when he saw him stop, he suddenly roared wildly and rushed straight towards him.

"Slow down!"

At this moment, Yue Feng did not dodge, but shouted in beast language, and at the same time burst out the power of the bird ancestor in his body.
