Chapter 6786

Hearing this, Lingluo was inexplicably angry, but she didn't know how to refute it.

Speaking of which, in Lingluo's heart, she always thought that Yue Feng only knew some formation techniques, so she abused him in every way without any scruples before, but only now did she realize that the man in front of her was a hidden superpower. .

call!

Seeing her standing there in a daze, Yue Feng breathed a sigh of relief: "Okay, everything that needs to be said has been said, let's leave now." After the

last word fell, Yue Feng turned around and strode away.

At this moment, Lingluo watched Yue Feng go away, her delicate complexion fluctuated, her heart was humiliated, resentful, and a little lost...

"Yue Feng!"

After a few seconds, Lingluo gradually calmed down. He said fiercely: "You wait for me, I will definitely repay today's humiliation."

.....

On the other side, Qingyun City.

In the room in the side hall of the palace, where Gu Qianqiu was lying, with his eyes closed, he was still unconscious.

Beside them, Feixue and Hong Shao were quietly guarding each other, and their faces could not hide their anxiety. The Sect Master was in a coma for a while, and Yue Feng has never been heard from.

Really anxious to death!

Especially Feixue, without hearing from Yue Feng, his heart seemed to be hollowed out, and he was out of his mind.

At this moment, Feixue couldn't sit still anymore, walked outside the door, and asked a guard, "Excuse me, is there any news about Mr. Yue Feng?"

When asking, Feixue couldn't hide the anxiety in his eyes.

In the past two days, the little emperor has been sending people out to look for Yue Feng's whereabouts. By this time, there should be clues.

"Girl!"

Hearing the inquiry, the guard looked polite, and comforted him: "There is no news about wearing it back yet, but girl, don't worry, Mr. Yuefeng is auspicious, and he will definitely be fine."

Feixue was disappointed, and gently Exhaled: "Okay, thank you!"

After saying that, he returned to the room in a daze.

At this time, Hong Shao showed a smile, and couldn't help teasing: "What? I miss you so much in only two days." Speaking of which, Hong Shao was also worried about Yue Feng, but seeing Feixue like this, she couldn't help teasing A few words.

"You..."

In an instant, Feixue's pretty face flushed, and she couldn't help stamping her feet: "Don't talk nonsense, I'm just worried..." The

voice was very small, and her face couldn't hide her shyness.

"Okay!"

Hong Shao said with a full smile: "Just to tease you, I see you are nervous."

Saying that, Hong Shao looked back at Gu Qianqiu, her face became serious: "Although the suzerain has been in a coma, but the condition is very stable, there is no need to worry for the time being, so the most important thing is to find Yue Feng as soon as possible. Besides, we can't always rely on the little emperor."

Hearing this, Feixue nodded: "Is there anything you can do?"

"What can you do?" Solution?" Hong Shao sighed softly, and said slowly: "I thought about it just now, why don't you stay here and take care of the suzerain, and I'll go out to look for Yue Feng, maybe I'll be lucky enough to find him?"

That's it... ..

Feixuexiu frowned lightly, thought for a while, then bit her lip and said, "Otherwise, I'll go..." Speaking of which, she had wanted to do this for a long time, but she was too embarrassed to say it, for fear of being caught Red peony teases.

But at this time, seeing Hongshao brought it up first, Feixue couldn't sit still at all.

Pfft...

Seeing Feixue's impatient look, Hong Shao couldn't help laughing, then nodded and said, "Okay, you go, I know you won't stay here to wait for news. Saying that, Hongshao handed the long sword to Feixue: "

This sword is given to you. In the event of danger, you will have a better chance of winning." This sword is Hongshao's personal possession, named Feimo. It was given to her by Gu Qianqiu five years ago.

It is rumored that this flying ink sword originated from Xianyumen. It was forged from ten thousand years of cold iron and more than a dozen rare metals. The whole body glowed with black luster, tough and sharp. enemy.

"This..."

Feixue was stunned for a moment, but she didn't take the sword, she shook her head and said, "No, this Fei Mo is your favorite thing, I can't take it, you should keep it for self-defense."

Hong Shao said sternly: "Now that we are away from Heaven, we are in a critical moment of wind and rain. What is a sword? Take it quickly and find Yue Feng as soon as possible."

Chapter 6787

Hearing these words, Fei Xue's heart was touched for a while, and he didn't postpone it immediately, and Fei Mojian ended up.

A few minutes later, Feixue said goodbye to Hong Shao, and then quickly left the palace.

After leaving the palace, Feixue directly crossed the water and reached the north bank of the river. She clearly remembered that after coming out of the dark passage, Yue Feng led people to the woods on the north bank.

Feixue instinctively felt that Yue Feng was still in this mountain.

However, the environment of this mountain is complicated, the forest is dense, and Feixue is not familiar with the environment. After searching for several hours, there is still no clue.

call!

At this moment, Feixue found a piece of grass to sit down and rest, her delicate face couldn't hide the tiredness.

At the same time, there is an indescribable anxiety in my heart.

I can't find Yue Feng, what should I do?

Could it be that something happened to Yue Feng?

No...impossible, Yue Feng's strength is not weak, he is almost omnipotent, there is absolutely no chance that something will happen to him.

Anxious, Feixue suddenly thought of something, and he searched aimlessly, but the effect was very small. It is better to leave a mark along the road. If Yue Feng sees it, he can follow the mark to join himself.

Just do it.

After making up her mind, Feixue was very excited. After a short rest, she stood up, drew out her long sword and carved a snowflake mark on the nearby tree, and then continued on her way.

Every few tens of meters, Feixue engraved snowflake marks in obvious places.

The mark of this snowflake is Feixue's unique mark. She believed that Yue Feng was so smart, she knew when she saw the snowflake that she was looking for him.

wow.....

Not long after Feixue left, she heard a burst of footsteps, and then saw a few people walking over, they were the disciples of Li Tiandao.

Of course, these disciples are all affiliated to the branch altar of Qingyun City, and have surrendered to Xiao Jue.

The one in the lead has sharp features and is very handsome, but there is a bit of sinister and cunning in his brows.

It was Shao Lingfeng.

Two days ago, after Shao Lingfeng assisted Xiao Jue and forced everyone in the Qingyun City branch to surrender, he had already gained Xiao Jue's trust, so he was ordered to temporarily take charge of the Qingyun City branch.

Xiao Jue, on the other hand, brought Yan Bingyu and dozens of elite disciples to the main altar, intending to completely control the situation.

Before leaving, Xiao Jue specifically asked Shao Lingfeng to search around Qingyun City to find out about the whereabouts of Yue Feng, Feixue and others. After receiving the order, Shao Lingfeng led his disciples to search around Qingyun City.

Half an hour ago, Shao Lingfeng led people to explore this mountain range, and happened to arrive at the place where Feixue had just rested.

call!

Several disciples followed Shao Lingfeng and explored for several hours. At this time, they were a little tired. Seeing the grass in front of them, they all breathed a sigh of relief and sat down to rest.

In the next second, one of the disciples couldn't help but said: "Senior brother Shao, I guess that Yue Feng and Feixue have already fled far away. There is no need for us to patrol around every day.

" All the disciples nodded in agreement.

"What do you know?"

Shao Lingfeng said angrily, "Yue Feng is Gu Qianqiu's sworn brother. It is impossible for him to travel around with Gu Qianqiu's body. He will definitely find a place to bury him."

"Besides, Yue Feng is Gu Qianqiu. The successor of the next suzerain must be caught. Even if we can't catch Yue Feng, it will be considered a great achievement for us to find the burial place of the old man."

When he said this, Shao Lingfeng had a ruthless expression on his face.

He knew in his heart that it was far from enough to help Xiao Jue take control of the Qingyun City sub-altar. He had to continue to make contributions in order to be reused by Xiao Jue.

At this time, in Shao Lingfeng's heart, he always believed that Gu Qianqiu was dead, but he didn't know that Gu Qianqiu was not dead, and he was in the palace of Qingyun City.

Hearing these words, several disciples nodded silently, and then couldn't help nodding their heads in approval.

"Senior Brother Shao is still far from what he thought..."

"Senior brother left..."

Hearing the compliments from several people, Shao Lingfeng showed a smile, and then said sternly: "Okay, don't flatter, after a while, let's rest. Continue on the road."

Several disciples nodded.

Um?

The next second, one of the disciples found something, stood up slowly, and walked to a tree: "What is this?"

Chapter 6788

"Why is there a snowflake mark here, and... it seems to have been engraved just now."

Wow!

After finishing the words, Shao Lingfeng and other disciples quickly surrounded him.

Sure enough, I saw a snowflake mark on the tree, the notch was clear, and it was obviously carved with a sharp weapon.

For a while, several disciples couldn't help talking.

"This place is so inaccessible, how could there be such a mark?"

"Could it be, someone has been here before?"

Amidst the doubts of several disciples, Shao Lingfeng stared at the snowflake mark with a calm expression, shocked and excited in his heart.

Haha.....

The next second, Shao Lingfeng realized, couldn't help laughing and said: "There is a clue, it seems that we are lucky today."

This signifies that others understand what it means, but Shao Lingfeng instantly thought of Fei Snow.

In these years, Shao Lingfeng has cooperated with Feixue more than once. In addition, Shao Lingfeng has a deep love for him, and he knows that Feixue likes snowflakes the most, and especially likes to make snowflake marks on the things around him.

So, seeing the mark of the snowflake at this time, Shao Lingfeng immediately believed that Feixue did it in his mind.

At this moment, Shao Lingfeng was indescribably excited.

Feixue left this mark obviously for her companions to see, so it can be deduced that she should have separated from Yue Feng.

“Quick!”

Thinking of this, Shao Lingfeng couldn't wait to shout: “Continue to explore and observe the snowflake's mark carefully.” When he spoke, Shao Lingfeng was indescribably excited.

This mark was obviously engraved not long ago, maybe Feixue was nearby.

When he thought of being able to catch Feixue, Shao Lingfeng felt that his whole body was about to boil.

“Yes, Senior Brother Shao!”

Hearing the order, several disciples responded and quickly followed Shao Lingfeng to investigate.

Sure enough, within a few tens of meters away, Shao Lingfeng and the others saw the snowflake mark again. At that time, Shao Lingfeng was overjoyed and completely forgot about being tired.

the other side.

Feixue walked for more than an hour, leaving many marks along the way. Seeing that it was getting dark at this time, I prepared to find a place to rest.

Rustle...

But at this moment, I heard footsteps behind me.

“Is that you, Yue Feng?”

Hearing the sound of footsteps, Feixue thought it was Yue Feng who had seen the mark, and came over. She immediately shouted happily, and then quickly turned her head to look.

Swish!

At this moment, Feixue's delicate body trembled, and a trace of astonishment appeared on her delicate face.

I saw Shao Lingfeng rushing quickly with several elite disciples.

"Tsk tsk!"

Seeing Feixue, Shao Lingfeng's mouth curled up into a smile: "Feixue, don't come here without any problems." As he spoke, he looked Feixue up and down.

Not seeing each other for two days, Feixue has become even more charming.

Sensing Shao Lingfeng's gaze, Feixue frowned, disgusted, and immediately said coldly: "Shao Lingfeng, you traitor, don't make friends with me."

When she was speaking, Feixue looked cold, but felt a little uneasy in her heart.

Shao Lingfeng is here, so is Xiao Jue also nearby? If so, it will be troublesome.

At the same time, Feixue was also a little suspicious. How did Shao Lingfeng know that he was here.

Feeling the coldness of Feixue, Shao Lingfeng was not angry at all, but said with a smile: "Feixue, we are in the same family after all, so there is no need to keep people away."

After saying that, Shao Lingfeng looked around: "Yue Where are Feng and Hongshao? What's the matter? Aren't you with me?" Shao Lingfeng acted very cautiously, even though he guessed that Feixue was alone, he couldn't help but guard his surroundings at this moment.

call!

Seeing his vigilant look, Feixue smiled contemptuously: "Yue Feng and Hong Shao are nearby, I advise you to run quickly, otherwise, you will have no chance when they come."

Feixue Bingxue is smart and knows Shao Lingfeng Fearing Yue Feng, he deliberately frightened him.

Nearby?

Sure enough, upon hearing this, Shao Lingfeng's heart tightened, and a bit of panic appeared in his eyes.

But in the next second, Shao Lingfeng thought of something, immediately laughed, and looked at Feixue playfully: “Feixue, you played me for a fool, hehe, if you were together, why did you leave snowflake marks along the way?” What about?”

When he said this, Shao Lingfeng was full of pride, while paying attention to the changes in Feixue’s expression.

Oops!

Hearing these words, Feixue’s delicate body trembled, and the panic on her delicate face could not be concealed.

This scum, it turned out that he saw the mark I left behind.

“Hey!”

Seeing the change in her expression, Shao Lingfeng was more appraised of his guess, and immediately smiled: “How is it? I’m right, Feixue, you should understand my feelings for you, why don’t you join me Sect Master Xiao.”

“With your ability, as long as you are willing to take refuge in Sect Master Xiao, you will definitely be reused, and you may even be named an elder.”

After finishing speaking, Shao Lingfeng looked at Feixue expectantly.

Swish!

Hearing these words, Feixue’s pretty face turned frosty, and she couldn’t help being angry at that time, and she shouted coquettishly: “You shameless person, when Master spared your life, you fell into trouble and were willing to be someone else’s dog. Man, I will never join forces with you.”

“Also, you will not end well.” The

tone was firm and unquestionable.

Nima!

Shao Lingfeng knew that Feixue would not agree easily, and he was prepared in his heart, but when he heard the curse, his face immediately became extremely ugly.

The next second, Shao Lingfeng sneered, nodded and said: "Okay, very good, Feixue, I'll give you a chance, but you curse me like this, then don't blame me for being rude."

After saying that, Shao Lingfeng waved his hand: "Take It's snowing !"

Whoosh...

Hearing the order, several elite disciples burst into action without any hesitation, and rushed towards Feixue.

Faced with this situation, Feixue bit her lips tightly, looked at the several disciples rushing forward, and said in a complicated tone, "Are you...are you going to betray the ancient Sect Master and kill your own people?"

She knew that none of the elite disciples in front of her were The treacherous and evil people want to persuade them to return from the wrong way.

This...

Hearing these words, several elite disciples looked at each other with embarrassment.

Afterwards, one of the disciples said bitterly, "Senior Sister Feixue, don't blame us, we...we can't help ourselves .

"

Instead, he pulled out the flying ink sword, attacked it, and fought fiercely with several elite disciples.

Dangdangdang...

I saw the figures of both sides, constantly shuttled back and forth in the woods, and the long swords collided with a sound.

Shao Lingfeng didn't do anything, but leaned against the tree with a leisurely face, watching the battle with a smile. He could see that Feixue's strength had not fully recovered. At this time, facing the siege of several elite disciples, he couldn't last long.

Shao Lingfeng guessed right, Feixue's strength did not recover, but relying on the sharpness of Feimo sword, he was able to deal with the siege of several elite disciples with ease.

However, these elite disciples cooperated tacitly.

At first, Feixue was able to deal with it calmly, but after a few rounds, she couldn't hold on anymore.

“Hehe...”

Seeing this situation, Shao Lingfeng showed a smile, and joked at Feixue: “Feixue, I advise you to capture it obediently, swords have no eyes, if you get hurt, then don't All right.”

call!

Hearing this, Feixue bit her lip tightly, but did not respond, but a light flashed in her mind.

These disciples are just doing what they were ordered to do, so it doesn't make sense for me to do anything with them. Instead, it's better to deal with Shao Lingfeng. As long as he is restrained, these elite disciples will be nothing to worry about.

hum!

After making up his mind, Feixue activated his skill, and a few sword shadows erupted from the long sword in his hand. He saw that the surrounding air was torn apart when these sword shadows passed, and the power was amazing.

Several elite disciples did not dare to meet them, and they all retreated to dodge.

Taking advantage of this opportunity, Feixue turned around, and in the blink of an eye, she was in front of Shao Lingfeng. The long sword was placed across his neck, and she shouted in a loud voice, “Stop everything. If anyone moves, I will kill him.”

Shaw!

Seeing this scene, several elite disciples hurriedly stopped, each with a look of fear on their faces.

Shao Lingfeng was also startled, the whole person froze there and didn't dare to move. He clearly felt that the sharp blade of the Fei Mojian was tightly clinging to his throat, as long as he exerted force, he would be killed. landing.

Chapter 6790

However, Shao Lingfeng quickly calmed down.

This Feixue is also too confident. The moment he restrained me, he didn't seal my acupuncture point immediately? With just a sword, you want to completely stop me?

That's right, before Gu Qianqiu crippled my skills, Feixue thought I was still a cripple.

Realizing this, Shao Lingfeng secretly became excited.

Haha....

If Feixue thinks I'm a cripple, when she relaxes her vigilance later, she might have a chance to counteract her.

"You guys!"

Just when Shao Lingfeng was secretly excited, Feixue's red lips parted slightly, and said to several elite disciples: "Throw away the swords in your hands, and then take ten steps back."

Shao Lingfeng guessed right At this time, in Feixue's heart, Shao Lingfeng didn't threaten at all. The only ones who could pose a threat to her were these few elite disciples.

This...

Hearing this, several elite disciples looked at each other in blank dismay, a little hesitant. None of them expected that Feixue would suddenly threaten Shao Lingfeng.

Feixue didn't give them a chance to hesitate at all, and said coldly, "What? Do you really want him to die?"

Feixue exerted a little force, and saw a bloodline immediately appear on Shao Lingfeng's neck.

"Didn't you hear it?"

At this moment, Shao Lingfeng pretended to be very flustered and shouted, "Why don't you throw the weapon and retreat?" When he shouted this, Shao Lingfeng looked terrified, but his eyes flashed. sly.

That's right, he deliberately acted flustered, just to make Feixue completely relax his guard.

"Okay, let's go back!"

At this time, several elite disciples regained their composure, dropped their weapons one after another, and then retreated ten meters each.

At this moment, they could clearly see that Feixue's long sword was tightly pressed against Shao Lingfeng's neck, and that as long as he exerted force, he could kill him.

call!

Seeing them retreat, Feixue breathed a sigh of relief, and then said coldly to Shao Lingfeng: "Where is Xiao Jue?"

When asking, Feixue's face was full of contempt.

To be honest, Feixue really wanted to take Shao Lingfeng's life right away, but for the sake of the overall situation, she decided to ask about Xiao Jue's movements first. After all, this Shao Lingfeng is just a dog, and Xiao Jue is the real number one enemy .

"Ask the suzerain."

Facing the questioning, Shao Lingfeng's eyes flickered, and he responded: "He is nearby. We will separately search for the whereabouts of you and Yue Feng in this area. It is estimated that we will be here in a while."

When he said this , Shao Lingfeng was serious on the surface, but secretly sneered in his heart.

That's right, he said that intentionally to frighten Feixue, so as to upset her.

What? nearby?

Feixue didn't know that he would be so insidious. When she heard this, her heart was shocked and she became a little nervous.

Haha...

Feeling Feixue's nervousness, Shao Lingfeng secretly laughed.

call!

Soon, Feixue calmed down and asked, "How did you get in touch with Xiao Jue?" If Xiao Jue was nearby, he had to make preparations in advance.

At this time, Feixue didn't know that Xiao Jue wasn't here at all.

Seeing that Feixue had been fooled, Shao Lingfeng made a very embarrassed look: "..."

As soon as he said a word, Shao Lingfeng suddenly looked at the woods on the left and shouted with surprise: "Sect Master, help, Sect Master!" In fact, there was no one in the woods, Shao Lingfeng was trying to divert Feixue's attention .

Oops!

Feixue believed it to be true, her delicate body trembled, and she quickly looked towards the woods on the left. After a glance, she was stunned for a moment. There was no one in the woods.

"You..." In the

next second, Feixue came to his senses and glared at Shao Lingfeng angrily, "How dare you lie to me..." Papa

...

Before he could finish speaking, Shao Lingfeng let out an evil laugh, and suddenly turned towards Shao Lingfeng. She shrank back, and after breaking free, quickly raised her right hand, sealing several big holes on Feixue's body.

In an instant, Feixue's tender body trembled, unable to move.

At this moment, Feixue was startled and angry, and stared at Shao Lingfeng closely: "Impossible.. Didn't your skills be crippled by the suzerain?" When she spoke, Feixue's eyes were full of shock.

A person who has been abolished in the practice can never be so quick...

"Haha..."

Shao Lingfeng was very proud and responded with a smile: "Fei Xue, didn't you expect it? Let me tell you, Sect Master Xiao. It gave me the elixir and gave me the opportunity to practice again."
