Chapter 6801:

While responding, Shao Lingfeng quietly paid attention to the change in Yan Bingyu's face, and secretly speculated in his heart, this Yan Bingyu suddenly returned, could it be something important?

"I ask you!"

Just when Shao Lingfeng was thinking secretly, Yan Bingyu asked coldly: "The sect master explained before, asking you to stay in Qingyun City and properly investigate the whereabouts of Yue Feng and the others, how did you do it?"

The tone is cold and does not carry any emotional fluctuations.

Originally, Yan Bingyu was going to go to the main altar with Xiao Jue, but thinking that there was still a small matter that had not been done, he returned to Qingyun City as soon as possible.

As a result, as soon as he arrived at the altar, he saw Shao Lingfeng trying to plot against Feixue. Although Feixue was an enemy, in Yan Bingyu's heart, she was a weak woman, and at this time, seeing Shao Lingfeng move on her, she was very displeased in her heart.

uh.....

Faced with the questioning, Shao Lingfeng scratched his head and hurriedly said: "In the past few days, I have taken the following disciples to patrol everywhere, and I dare not be the slightest snub.

Saying that, Shao Lingfeng pointed to Feixue: "Fortunately, the kung fu paid off, and during the day, I finally caught this traitor."

Hmm!

Hearing this, Yan Bingyu nodded and asked coldly, "What were you doing just now?"

She clearly saw that Feixue's face was red, her body was also extremely hot, and the whole person was in a semi-comatose state. I was very confused.

Speaking of which, Yan Bingyu had just set foot in the rivers and lakes, and his heart was still very simple, and he couldn't see what the situation of flying snow was.

this.....

Faced with the questioning, Shao Lingfeng was extremely embarrassed, and his brain turned quickly at that time, and he responded: "I just gave her a poison to force her to comply."

Speaking of this, Shao Lingfeng wiped the cold sweat on his forehead again and continued: "You don't know, this woman is very hard-mouthed, and if you don't give her a little bitterness, she won't give in."

vile and shameless....

At this time, Feixue's brain was still a little calm, and when he heard Shao Lingfeng distorting the facts, he was immediately angry.

Shao Lingfeng, this despicable villain, is really shameless, dare not admit it, simply call a man in vain.

This way....

Hearing this, Yan Bingyu was suspicious, but looking at Feixue's painful appearance, he still spoke: "Take out the antidote."

Although I don't know what kind of poison Feixue is eating, seeing that she is better off than dead, Yan Bingyu is a little unbearable.

What?

Shao Lingfeng's heart was shocked, and he looked at Yan Bingyu blankly, thinking that he had misheard.

I finally caught flying snow alive, moreover, such a good opportunity

"How?"

Seeing his contradictory look, Yan Bingyu was very displeased, and said coldly: "You want to disobey the order?" Don't think that my master let you take charge of the Qingyun City altar, you can be invincible, as long as I say a word, your position as the acting altar master will be removed immediately, do you believe it or not?"

This Shao Lingfeng was really annoyed to watch, if it weren't for the urgent shortage of manpower around the master, he really wanted to drive him away immediately.

"yes,..."

At this moment, Shao Lingfeng did not dare to resist at all, and after nodding repeatedly, he took out the antidote from his body and fed Feixue.

Seriously, Shao Lingfeng didn't want to compromise just like that, but there was no way, this Yan Bingyu was Xiao Jue's beloved disciple, and provoking her was equivalent to provoking Xiao Jue.

Mad!

However, when feeding Feixue the antidote, Shao Lingfeng couldn't help but secretly swear in his heart, Feixue, today is your luck, but you will become my woman sooner or later.

There is also this Yan Bingyu, in the name of Xiao Jue's apprentice, pointing fingers at me, when you fall into my hands, you must look good.

After Feixue took the antidote, her face gradually returned to normal, and the hot and itchy feeling in her body gradually disappeared. The brain also gradually cleared up.

"Yan girl!"

At this time, Shao Lingfeng came over and said to Yan Bing with a fawning face: "What are the next orders?"

Yan Bingyu was too lazy to talk nonsense with him, and said lightly: "You continue to probe Yue Feng's whereabouts, this woman, I will bring it back to the main altar and let the master fall spontaneously."

she knows, Leaving Feixue here, it is difficult to escape Shao Lingfeng's demon hands, it is better to take her to the main altar.

Chapter 6802:

More importantly, this Feixue is a personal disciple of Qianqiu, and her identity is very special, if she can be subdued, it will be easier for the master to control the way of leaving heaven in the future.

This....

Hearing this, Shao Lingfeng was stunned there, and his heart became tangled.

She finally caught Feixue, and she hadn't enjoyed the tenderness yet, but now Yan Bingyu wanted to take her away....

Cooked duck, just slipping away in the mouth, unwilling ah.....

"How?"

Seeing that he was hesitant, Yan Bingyu said coldly: "Do you have any opinions?"

"No, no!" Shao Lingfeng quickly shook his head and said with a fawning look: "I just think that this flying snow is tricky, and Miss Yan takes her alone, I'm afraid it's a little unsafe, it's better to..."

As he said this, Shao Lingfeng's mind turned quickly, thinking about how to flow down the flying snow.

Just before he finished speaking, Yan Bingyu interrupted coldly: "You don't need to worry about this, you just need to do your own things well."

The words fell, and Yan Bingyu left the dungeon with flying snow.

Mad!

Watching Yan Bingyu leave the dungeon, Shao Lingfeng's face suddenly became gloomy, and at the same time, he also scolded fiercely in his heart.

Yan Bingyu, you wait for me...

.....

On the other side, the Kyushu mainland!

In an unknown canyon at the southern tip of the Nanyun continent.

It was noon, but the sky was gloomy and terrible, and above the sky, dark clouds rolled and thunder and lightning were mixed, as if the end had come.

I saw that the canyon was filled with a thick green poisonous fog, and in the depths of the poisonous fog, there was a powerful force surging.

At the entrance of the canyon, many people gathered at this time, and from a distance, there were tens of thousands of people, almost a sea of people.

Yes, before Zhu Xiansheng shattered the ball in the tomb, causing a vision of heaven and earth, the movement caused the Kyushu to shake, and the masters of various sects in the Kyushu continent rushed to come after getting the movement.

After the masters of various sects arrived, they did not dare to enter rashly when they saw the poisonous mist in the canyon. At this time, they are waiting for the sun to clear, the sun to come out, and the poisonous fog to dissipate.

buzz....

Just as the various sects were waiting, there were powerful aura fluctuations in the sky not far away, and then dozens of figures rushed towards them.

The two at the head are gentle and elegant, and the other is domineering.

It is Wen Ugly and Sun Dasheng.

At this time, Wen was ugly, wearing a white robe, holding a folding fan, sharp and restrained, and his body was filled with a strong aura, with a style of everyone.

Sun Dasheng is a purple-gold robe, showing his burly figure perfectly, as if under the heavenly gods.

Behind the two brothers were Yue Wuya, Su Qianyan, Han Bing, and some elite disciples of the Heavenly Gate.

Like all sects, when he sensed that there was a vision of heaven and earth on this side of the Nanyun Continent, Wen Ugly and Sun Dasheng discussed it, so he brought people over as soon as possible.

Boom....

Seeing that Wen Ugly and ugly people rushed to arrive, the sect masters present were all in an uproar, and their hearts were excited.

“It’s the people of the Gate of Heaven coming.”

“The Lord of the Wen Hall and the head of Sun, I haven’t seen them for many years, it’s really the same demeanor.”

“It’s lively.”

When everyone sighed, the eyes of many men also converged on Su Qianyan and Han Bing’s body, and their eyes straightened.

Beautiful, so beautiful.

It’s just fairy.

I saw that Su Qianyan was wearing a white long skirt at this time, which set off the perfect and tight curves, exquisite facial features, and beauty was incomprehensible.

Han Bing is a lilac short skirt, full of youthful vitality.

Soon, everyone reacted and greeted each other.

“Lord Wen, head of Sun, don’t come unharmed.”

“Haha, Brother Wen, big brother, I haven’t seen you for a few years, you guys are good.”

Over the years, the Hall of Eternal Life, Huaguo Mountain and Tianmen have made a lot of contributions to promoting good and punishing evil in the rivers and lakes, and are deeply respected by the rivers and lakes of Kyushu.

Only a group of people, but they turn a blind eye to the ugly and ugly people.

I saw that most of these people were wearing white robes, with a pattern of yin and yang fish at the neckline, and their faces were unruly, as if no one in the world.

Chapter 6803:

These people are all members of the Tianli Sect.

Tianli Sect, originally a second-rate sect in the Nanyun Continent, has long been divided into two major factions of the inner gate and the outer gate, and there are constant fights, so it has no status in the rivers and lakes.

Until a year ago, the new sect leader Bai Mingqi integrated the inner and outer gates, and made every effort to govern, making the Tianli Sect develop rapidly, and in just one year, it overwhelmed other sects and became the first sect in the Nanyun Continent.

This performance made Bai Mingqi very swollen, and at this time, he brought everyone under the door to the canyon, and did not put other sects in his eyes at all.

As for the ugliness and ugliness of the text, Sun Dasheng’s existence of these famous rivers and lakes, Bai Mingqi is even more disdainful.

“Sectmaster!”

At this time, a man next to Bai Mingqi couldn’t help but speak: “Wen is ugly, Sun Dasheng is also here, it seems that we want to monopolize the treasure, there is some trouble.”

The man who spoke, aged twenty-seven or eight, had handsome features, but his eyes had been staring at Su Qianyan, revealing a bit of greed.

It was the three elders of the Tianli Sect and the youngest elder, Lu Donghui.

It’s really overwhelming.

At this time, Lu Donghui saw Su Qianyan's peerless face, and he couldn't help but secretly sigh in his heart, and at the same time he was a little unhappy.

Ma De, that Yue Feng really went lucky, he could get such a beautiful confidant, I heard that Yue Feng has been missing for more than half a year, and this Su Qianyan is alone in the empty room night and night....

If you have the opportunity, you must get close to Su Qianyan.

Lu Donghui was lecherous, and when he saw Su Qianyan at this time, the whole person was difficult to hold himself.

Huh....

At this moment, Bai Mingqi snorted coldly and said lightly: "Even if the text is ugly and ugly, what if Sun Dasheng comes?" This is the Nanyun Continent, our realm, the so-called strong dragon does not suppress the ground head snake, they come here, they must also follow our rules.

As he spoke, Bai Mingqi's face was cold and arrogant.

"That is!"

When the words fell, Lu Donghui quickly echoed: "The Sect Leader's Nine Yang Technique has been refined into the realm, and no one in the world is invincible, even if that Wen Ugly and Sun Dasheng join forces, they are not opponents.

When he said this, Lu Donghui looked flattering.

Lu Donghui is not only lecherous, but also good at detecting words and colors, and sneaking around and patting horses, otherwise, he would not have sat in the position of an elder at a young age.

Hearing the praise, Bai Mingqi was very used, and a smile appeared on his face.

Hmm!

In the next second, Bai Mingqi watched the dark clouds in the sky gradually dissipate, and nodded: "The dark clouds are about to disperse, the sun will come out immediately, and the poisonous fog in the canyon will also recede, so that everyone can prepare."

"Yes." Lu Donghui answered, and then motioned for dozens of disciples to disperse and closely guard the entrance to the canyon.

This....

Seeing this scene, the other masters present all frowned secretly.

“What is the situation?”

“Why are you still guarding the entrance?”

Listening to the masters of various sects, you and my discussion, Bai Mingqi smiled slightly, and then strode out.

“Guys!”

In the next second, Bai Mingqi looked around, with a confident smile on his face, and spoke: “In the Lower Heavenly Theory Sect Leader Bai Mingqi, this time there is a strange situation in our Nanyun Continent, which has attracted you to come, my Tianli Sect did not treat you well, I hope you all Haihan.”

Saying that, Bai Mingqi’s face became serious: “To get back to business, this ancient tomb that is about to appear, since it belongs to our Nanyun Continent, it should be explored by us, of course, if you want to explore together, you must obey the arrangements of our Heavenly Doctrine.” I think you should have no opinion.

boom....

When the words fell, all the sects present were in an uproar.

“It’s really interesting, this canyon is not in the scope of the Tianli Sect, which is your turn to decide?”

“That is, we have to come all the way and listen to your command?”

“What kind of heavenly teaching, I have never heard of it....”

During the discussion, many sect masters looked at Bai Mingqi angrily.

Huh!

Feeling everyone’s dissatisfaction, Bai Mingqi smiled indifferently: “If you are not convinced, you can come up and ask for advice, if I lose, everyone enters the canyon at will, I will not block it.” ”

Chapter 6804:

Buzz!

The last word fell, Bai Mingqi urged the internal force, and a strong aura erupted from him and swept the audience.

At this moment, feeling his strength, many people secretly gasped.

Crossing the border..... It's so strong.

Under the shock, many sect masters showed a trace of jealousy in their eyes.

There are very few people in the world who can reach the realm of tribulation, no wonder the leader of this Heavenly Theory Sect dares to be so arrogant.

“Good!”

At this moment, an old man strode out and shouted at Bai Mingqi: “It turns out that it is to cross the calamity realm, no wonder the tone is so big, the old man came to ask for advice!”

Saying that, the old man walked quickly to the field and slowly pulled out a wooden stick from his body.

Yikes!

At this moment, the eyes of everyone present immediately focused on Bai Mingqi.

Bai Mingqi frowned and looked the old man up and down: “Who is Your Excellency?” Can I give a name?

“Gang Elder Hongshan.” The old man responded.

Hearing the answer, Bai Mingqi nodded: “Since it is an elder of the Gang, then this seat will consult with you.” Saying that, he slowly walked towards Hongshan.

“Hello!”

At this moment, Hong Shan did not say the slightest nonsense, his figure burst up, and the wooden stick in his hand waved the shadow of the stick, directly towards Bai Mingqi.

I saw that this stick shadow directly sealed Bai Mingqi's retreat left and right, and the surrounding air was extremely distorted, and the power was very amazing.

At this time, what Hong Shan performed was the last trick in the “Dog Fighting Godstick”, and there were no dogs in the world.

Whoosh!

Seeing this scene, the masters of all the sects present were all excited.

“What a great stick.”

Chapter 6805:

Huh!”

At this moment, Sun Dasheng finally couldn't help it, and sneered: “This White Sect Lord is really majestic, my Sun Dasheng is not convinced, and came to ask for advice.”

buzz!

The last word fell, and Sun Dasheng's strength broke out, and he slowly entered the room.

Seeing this, the masters of all the sects present were extremely excited.

“Sun Zhangmen is out.”

“Sun is strong, some of them look at it now...”

Watching Sun Dasheng appear, Bai Mingqi put away his smile, his face became solemn, and he said: “The old news that Sun is in charge of the family is extremely powerful, and it is really an honor to have the honor to ask for advice today.”

When he spoke, Bai Mingqi's face was indifferent, completely losing his previous arrogance.

However, Bai Mingqi was not panicked at all, half a month ago, he successfully participated in the peerless martial arts “Nine Yang Technique” of the Tianli Sect, and today he happened to try the power on Sun Dashen.

“Okay.”

Seeing him verbose, Sun Dasheng was very impatient: “Don't be verbose, let's do it.” Saying that, he put his hands behind his back, meaning to let Bai Mingqi strike first.

In Sun Dasheng's heart, he has been famous for nearly ten years, and he can be regarded as a famous figure in the rivers and lakes, and Bai Mingqi has just emerged, if he takes the lead, he will inevitably be laughed at by the fellow rivers and lakes present.

Yikes!

Seeing that Sun Dasheng regarded himself as a senior in the rivers and lakes, Bai Mingqi felt humiliated, his eyes flashed with coldness at that time, and he nodded: "Okay, then you will be offended."

When the words fell, Bai Mingqi's strength exploded, and he directly slapped Sun Dasheng with a palm.

This palm is fast, as fast as lightning, as fast as thunder.

Phew!

Seeing this scene, the masters of all the sects present couldn't help but pinch the sweat for Sun Dashen.

At the same time, Wen Ugly couldn't help but speak: "Great Sage, be careful. He could feel that this palm that Bai Mingqi struck seemed ordinary, but it actually triggered the power of the extreme yang between heaven and earth.

Hearing Wen Ugly's reminder, Sun Dasheng responded indifferently: "Brother Wen doesn't need to worry, I don't need to go all out to deal with this kind of arrogant person."

When the words fell, Sun Dasheng raised his hand and collided with Bai Mingqi's palms.

Boom!

The moment the two palms collided, a loud bang was heard, and immediately, powerful power fluctuations swept the audience.

Immediately, he saw that Sun Dasheng and Bai Mingqi were both trembling, and they were shocked back a few steps at the same time.

Obviously, no one took advantage of this palm.

This...

However, Sun Dasheng frowned, and his heart was secretly shocked, you know, the palm just now, but burst out of eight-layer power, looking at the entire Kyushu rivers and lakes, there are few people who can block it, but this Bai Mingqi in front of him easily blocked it.

Shocked, Sun Dasheng began to get serious and nodded at Bai Mingqi: "Very good, I didn't expect Sect Master Bai's strength to be so strong, it seems that I can't take it lightly."

Click!

The last word fell, Sun Dasheng jumped into the air, and in his right hand, a giant axe with a golden glow was clenched by him.

The flickering light of the giant axe, like a round of scorching sun, illuminated the entire heaven and earth, and everyone present was almost unable to open their eyes.

It is the peerless divine weapon, the heaven-opening axe.

For a time, the masters of all sects became extremely hot and excited.

“Sky Axe...”

“Sun Dasheng showed the axe of heaven... How many years have passed, the last time I saw Sun Zhangmen unleash the power of the Heavenly Axe, it was two years ago...”

“The leader of this Heavenly Theory Sect is very strong, and he can actually force Sun Dasheng to display the Heaven-Opening Axe...”

While excited, many people talked about it.

Sky Axe....

At this moment, Bai Mingqi also stared closely at the heaven-opening axe in Sun Dasheng's hand, his eyes flashing with a strange brilliance.

this... Is it the breath of a peerless divine weapon?

It's really strong.

Buzz!

Just when Bai Mingqi secretly sighed, Sun Dasheng gripped the heaven-opening axe, swung it suddenly, and in an instant, a whistling sound that shocked heaven and earth came out from the heaven-opening axe, and then, a golden ray tore through the heaven and earth and burst towards Bai Mingqi.

Feeling the power of the golden mang, Bai Mingqi didn't have time to think about it, and quickly urged the Nine Yang Technique, induced the Heaven and Earth Spiritual Qi within a hundred meters around, and condensed a white shield in front of him.
