Chapter 6811

When he said this, Lu Donghui looked at Su Qingyan unscrupulously, with greed that could not be concealed in his eyes.

“You...”

Hearing this, Su Qingyan was extremely ashamed and indignant. At that time, she was about to stab Lu Donghui with her sword, but her whole body was limp and she couldn't exert any strength. , fell to the ground.

At this moment, Su Qingyan felt that her eyes were going black, and she could faint at any time.

“Tsk tsk...”

At this time, Lu Donghui became more and more proud: “Miss Su, we have no grievances, why are you so persistent?”

While talking, Lu Donghui admired Su Qingyan from a close distance, and couldn't help admiring : “I've always heard that Miss Su is like the goddess of Dongao Continent, but it's a pity that she followed Yue Feng, and Yue Feng has disappeared without a trace in recent years, and her life and death are unknown.

” Isn't he wasting his good years by staying alone in the vacant room? I, Lu Donghui, am not talented, and I fell in love with Su Damei at first sight. Why don't you come with me from today, and I promise to treat you well for the rest of my life, hehe...”

Before in the canyon At the entrance, when Lu Donghui first saw Su Qingyan, he was astonished. At this moment, he was deeply fascinated by admiring Su Qingyan up close.

To be honest, if it was half a year ago, Lu Donghui would not have dared to be so arrogant, but now the Tianli Sect is growing in power, and, outside the canyon, the leader and Sun Dasheng fought evenly, which also gave Lu Donghui a lot of confidence.

More importantly, Su Qingyan is extremely weak right now, how can she miss such a good opportunity?

“Go away!”

Hearing this, Su Qingyan was so angry that she immediately scolded her.

However, she is very weak now, this scolding did not pose any threat to Lu Donghui, but instead aroused his interest.

Hehe...

At this time, Lu Donghui's face was full of excitement: "Beauty Su looks even more charming when she is angry. I want to fix you. Why don't we just bridal chamber here."

Boom!

After the words fell, several disciples around also laughed and joked.

"Elder Lu is very lucky today."

"Haha, congratulations to Elder Lu, he is about to embrace a beautiful woman."

"I have to say, this Su Qingyan is really a top-notch beauty, and she is worthy of our Elder Lu. Just wait, Elder. Enjoy, my brothers, I will show you the wind, haha..."

Lu Donghui is lustful, and the entire Tianli Sect knows that the disciples naturally took the opportunity to curry favor in order to please.

Oops!

Seeing this situation, Tian Buyou, who was hiding not far away, suddenly became anxious, staring at Lu Donghui, angry and envious at the same time.

This kid, how dare he try to touch my goddess.

Thinking to himself, Tian Buyou looked at the extremely weak Su Qingyan again, and felt that the blood in his whole body was about to burn, Ma De, such a good opportunity, only I can do it, how can I take advantage of this bastard?

At this time, Lu Donghui is here.

Haha...

Hearing the flattery from several disciples, Lu Donghui smiled all over his face, nodded approvingly and said: "Okay, very good, you guys are very sensible, when I get my wish and enjoy the beauty's gentleness, I will definitely not treat you badly." You guys."

As he spoke, Lu Donghui waved his hand, signaling the disciples to disperse.

"Thank you, Elder Lu, for your kindness!"

“Haha, Elder Lu, enjoy it slowly...”

Several disciples laughed and prepared to disperse.

It's over!

At this moment, Su Qingyan was sore and weak all over. Hearing the words of Lu Donghui and the others, she was extremely ashamed and indignant.

Also a little hopeless.

If he is defiled by this Lu Donghui, how will he face Yue Feng in the future? It's better to just die.

At the same time, Tian Buyou, who was hiding not far away, was also sweating profusely, and then he had an idea, and immediately had an idea. He couldn't do it alone, but he could pretend to be a member of Tianmen.

call!

After making up his mind, Tian Buyou took a deep breath, rushed out, and shouted at Lu Donghui and the others: “Hey, what are you doing?”

“

Swish!

Suddenly, when he heard someone shouting, Lu Donghui was startled.

At the same time, several Tianli Sect disciples who were about to disperse also stopped immediately, and then looked at Tian Buyou.

Chapter 6812

Mad!

The next second, Lu Donghui reacted, cursed inwardly, and then glared at Tian Buyou: “Who are you?”

The moment the voice fell, Lu Donghui pulled out his long sword, ready to strike at any time.

At the same time, several disciples were also eyeing it.

“Eliminate evil in Jianghu, punish evil and promote good.”

Tian Buyou’s eyes flickered, and he shouted Tianmen’s slogan loudly, making a proud look: “I am a disciple of Tianmen.” don’t know.

Tian Buyou is not stupid, knowing that the other party is jealous of Tianmen, he deliberately said that he is a disciple of Tianmen.

call!

Sure enough, upon hearing Tian Buyou’s words, Lu Donghui and several disciples were all shocked, and they looked at each other with a bit of fear on their faces.

Especially Lu Donghui was a little annoyed and inexplicably flustered.

Ma De, such a good opportunity to get close to Su Qingyan... Is it so yellow? It’s just that Tianmen’s power is so strong that it can’t be provoked.

However, Lu Donghui was not stupid and calmed down quickly.

There was only one person on the other side, and he was killed directly without anyone noticing. Anyway, this is the underground tomb, as long as it is handled properly, no one will know.

Thinking to himself, Lu Donghui smiled at Tian Buyou: “We didn’t do anything.”

When he said this, Lu Donghui looked indifferent, but secretly winked at several disciples. The few disciples immediately understood, and slowly walked over, ready to surround Tian Buyou.

Want to kill someone?

Seeing this situation, Tian Buyou’s mind turned quickly, and then his eyes fell on Su Qingyan, making a surprised look: “Qingyan sister-in-law? What’s wrong with you, sister-in-law?”

After speaking, Tian Buyou made a very angry look, and rushed Looking at Lu Donghui, he shouted: “What did you do to my sister-in-law?”

Ha ha!

Lu Donghui smiled slightly: “How dare I do anything to her? She has been poisoned, and I’ll check it out kindly.” He spoke politely, but his eyes were full of murderous intent.

He made up his mind, as soon as a few disciples surrounded the opponent, he would be killed immediately, and he must not be given a chance to fight back.

However, Tian Buyou is also a veteran of the rivers and lakes, and he didn't give them a chance to surround him at all. At this time, he acted very excited and shouted at Su Qingyan: "Sister-in-law, don't panic, we are here to save you.

" Shouting, Tian Buyou yelled at the back, pretending to be: "Brother Wen, Brother Dasheng, come on, sister-in-law Qingyan is here." When shouting, Tian Buyou only felt his heart in his throat.

Tian Buyou knew very well in his heart that when the opponent surrounded him, he would be completely finished.

Anyway, it has already appeared, so it is better to give it a try.

Swish!

After shouting these words, Tian Buyou didn't retreat, but walked towards Su Qingyan quickly. Tian Buyou is very cunning, he deliberately did this to create a state of confidence.

Oops!

Sure enough, seeing Tian Buyou walking quickly, the expressions of Lu Donghui and several disciples changed.

Especially Lu Donghui, who couldn't hide the panic on his face. At that time, there was no time to think about it, so he immediately waved his hand: "Let's go." The moment the voice fell, he ran to the left first.

In Lu Donghui's heart, he believed that Wen Chouchou and Sun Dasheng were right behind, otherwise, the "Tianmen Disciple" in front of him would not have come over confidently.

However, he never expected that all of this was performed by Ayumi Tian.

Wow...

Seeing Lu Donghui slipping away, the disciples panicked and ran away in a desperate manner.

Haha.. it worked!

Seeing that Lu Donghui and the others were successfully scared away, Tian Buyou took a deep breath, feeling indescribably happy.

How many boys dare to play with me, they are tender.

Muttering in his heart, Tian Buyou strode up to Su Qingyan, and said politely: "Sister-in-law, how are you?" When asking, Tian Buyou kept looking Su Qingyan up and down.

Beautiful, really beautiful.

I saw that Su Qingyan was curled up there at this time, wearing a long white dress, which set off her perfect figure, and her delicate face was weak and pitiful.

Any man who sees this scene will be deeply fascinated.

Gudong!

After watching for a few seconds, Ayumi Tian regained his composure and couldn't help swallowing his saliva.

Chapter 6813

At this time, Su Qingyan has entered a semi-comatose state, completely unaware that the man in front of her is looking at herself unscrupulously.

"I..."

At this moment, upon hearing Tian Buyou's question, Su Qingyan slightly parted her red lips, and said weakly, "I'm fine." When responding, Su Qingyan glanced at Tian Buyou. Take it to heart.

After all, there are tens of thousands of Tianmen disciples, and not all of them know each other. Moreover, in Su Qingyan's subconscious mind, she doesn't think that anyone dares to pretend to be a member of Tianmen.

call!

Seeing that Su Qingyan had no doubts, Tian Buyou was even more excited. At that time, he breathed a sigh of relief and continued: "Sister-in-law, are you poisoned?"

Su Qingyan nodded, then looked behind Tian Buyou: "Brother Wen and the Great Sage Brother, are you in the back?"

Although the poison of the mandala mandala is overbearing, once Brother Wen and the Great Sage come, he doesn't have to be afraid.

This...

Seeing that Su Qingyan is still a little sober at the moment, Tian Buyou was a little embarrassed, scratched his head and said: "They...they are right behind, sister-in-law, don't panic."

Hmm!

Su Qingyan responded, she was completely relieved now, but she couldn't bear it at all at this moment, her eyes darkened, and she passed out directly.

"Sister-in-law?"

Seeing this scene, Tian Buyou was taken aback for a moment, and then called out tentatively: "Sister-in-law, wake up..."

But at this time, Su Qingyan was already unconscious, facing Tian Buyou's shout, a little There was no response.

Haha...

Tian Buyou yelled a few more times, confirming that Su Qingyan was completely unconscious, she was extremely excited.

She finally passed out. This generation of peerless beauties has finally fallen into my hands.

"Su Qingyan..."

At this moment, Tian Buyou was admiring Su Qingyan at a close distance, unable to hide his excitement, and said to himself: "Do you know that many years ago, you didn't follow Yue Feng, and my first The first time I saw you, I fell in love with you deeply. For many days and nights, I thought of you...and dreamed of making you my woman."

"And now, I'm finally going to get my wish." The

last word Falling down, Tian Buyou trembled in his heart, and slowly brought his mouth up...

Rustle...

Seeing that Tian Buyou was about to kiss Su Qingyan, suddenly, in the passage behind him, the gap between the two rattan walls Among them, there were bursts of strange sounds.

The sound was very soft at first, but then became so dense that it made one's scalp explode.

what's the situation?

Hearing this movement, Ayumi Tian hurriedly stopped and looked back. When he saw this, he suddenly took a deep breath.

Nima, so many poisonous bugs?

I saw countless poisonous insects crawling out of the gaps in the vine wall, and gathered towards this side like a tide. Among these poisonous insects, there are palm-sized spiders, colorful centipedes, scorpions...

look around Looking at it, there are hundreds of millions of these poisonous insects, which makes people feel chills down the spine.

These poisonous insects all lived in the vine wall and had been in a dormant state. But ten minutes ago, in order to deal with Su Qingyan, Lu Donghui picked off the mandala soul ecstasy fruit on the vine and released the poisonous gas inside.

The poisonous gas spread out in the passage, and the poisonous insects dormant in the cracks of the vine wall woke up one by one.

Made! What the hell is this place.

Shocked, Tian Buyou came to his senses, seeing the swarm of poisonous insects getting closer, he didn't have time to think about it, he hugged Su Qingyan, and rushed towards the passage behind.

However, the underground tomb is too big, and there are forks everywhere.

Holding Su Qingyan in his arms, Tian Buyou ran forward in a panic, and he didn't know how long he ran, and finally shook off the poisonous insect swarm behind him.

call!

At this moment, Tian Buyou breathed a sigh of relief, and was about to look around, but accidentally tripped over some mechanism, and heard a click, and the stone slab under his feet cracked.

At that time, Tian Buyou couldn't react, his feet were empty, and he fell down with Su Qingyan.

..... the

other side.

Sun Dasheng walked in the long and narrow passage, his face was full of vigilance and doubts.

What kind of broken place is this? There are vines everywhere. Moreover, this place is so big, I don't know where Brother Wen and the others are.

Cuckoo...

After walking for a while, my stomach suddenly growled.

Sun Dasheng stopped, looked at the yellow-brown fruits growing on the rattan walls on both sides, and couldn't help swallowing. The fruit looks so attractive, it must taste good.

Chapter 6814

Thinking, Sun Dasheng walked over, ready to pick one and try it.

"Great Sage, don't pick it off." Before the hand touched it, a loud shout came from behind.

Sun Dasheng hurriedly looked back, and saw Wen Chouchou came quickly with several disciples.

Haha...

Seeing that it was Wen Chouchou, Sun Dasheng was very excited. He hurried up to meet him, and laughed loudly, "Brother Wen, I'm looking for you. Ma De, this ancient tomb is so evil, there are these vines everywhere."

After nagging for a few words, Sun Dasheng looked around and couldn't help saying: "Where are Su Qingyan and the others?"

Huh! Wen Chouchou

exhaled, and said darkly and solemnly: "I am also looking for them. After entering the vortex, everyone was sent to a different location. I guess Qingyan and the others are in other places."

I am very knowledgeable, but it is also the first time I have come across such a weird ancient tomb.

At this time, Wen Chouchou took a deep breath: "I hope they are okay."

Hmm!

Sun Dasheng nodded, and then looked at the fruit in front of him: "Brother Wen, why didn't you let me pick this fruit just now?"

Wen Chouchou smiled wryly, and said helplessly: "This place is so strange, the fruit it produces must be eaten. It's dangerous. So, we have to be very careful."

"Okay!"

Hearing this, Sun Dasheng nodded, but he still couldn't help being curious: "However, how dangerous is a mere fruit?" He took one off and smashed it hard against the rattan wall.

Paji!

The fruit shattered instantly, and then an invisible gas diffused out.

"Great Sage, you..."

Seeing this scene, Wen Chouchou was speechless, and immediately couldn't help shouting, "Great Sage, what time is it, and he is still in the mood to play."

While shouting, Wen Chouchou noticed the invisible gas spreading, and hurriedly called everyone to retreat quickly.

Sun Dasheng took two steps back, didn't see anything special, and muttered, "There's no danger, is it?"

Rustle...

As soon as he finished speaking, he heard a subtle rustling sound from inside the vine walls on both sides. .

"Go!"

Hearing this movement, Wen Chouchou instinctively realized that something was wrong, and hurriedly called Sun Dasheng to move forward quickly. While walking, he looked back at the situation of the rattan walls on both sides.

Rustle....

After walking a few steps, I heard the rustling of the vine walls on both sides behind me, which became more and more dense. Afterwards, countless poisonous insects crawled out along the gaps in the vine walls.

I go!

Seeing this scene, no matter whether it was Wen Chouchou, Sun Dasheng, or several disciples, they were all taken aback.

“How is it? I’ll just say it’s dangerous.” Wen Chouchou glanced at Sun Dasheng and said, “The fruit is poisonous, and the poisonous gas was released just now, which attracted these poisonous insects.”

Gudong!

Hearing this, Sun Dasheng swallowed his saliva, secretly rejoicing, Nima, it’s a good thing he didn’t eat it just now, otherwise, the consequences would be disastrous.

While speaking, he saw that the poisonous insect was very fast, and it was only a few meters away in the blink of an eye.

“Hallmaster!”

Seeing this situation, a disciple couldn’t help shouting: “The speed of these poisonous insects is too fast, they will overtake us soon.” While speaking, the disciple’s face was full of panic.

He could clearly see that these poisonous insects were twice the size of ordinary ones, and they would probably die if they were bitten... The faces of the

other disciples were also pale.

“What are you panicking?”

Sun Dasheng stood in front of several disciples with a look of disdain, and said coldly, “Watch me chop them into meat with an axe.” After the words fell, he raised his hand and summoned the sky-opening axe, ready to strike .

However, before he could make a move, Wen Chouchou hurriedly stopped him and said, “Great Sage, don’t be impulsive.”

“What’s wrong?” Sun Dasheng was puzzled.

Wen Chouchou took a deep breath, looked at the surrounding environment, and slowly said: “The environment here is complicated, and behind these vines, there are all

poisonous insects. Although your Sky Opening Ax is powerful, it is difficult to deal with the situation in front of you.”

“If you make a move and collapse this place, we will never be able to get out.”

Hum!

After the last word fell, Wen Chouchou mobilized his internal energy, and with a wave of his hand, a ball of flame burst out and flung towards the swarm of insects. In an instant, flames exploded among the swarms.

The ultimate husband in Chinese chapter 6815

Chapter 6815 The

fire spread rapidly, forming a wall of fire, blocking the poisonous insects behind.

call!

Seeing this scene, several disciples were extremely excited.

Sun Dasheng also smiled and praised: “Congratulations Brother Wen, your strength has improved a lot.” With a wave of his hand, he can form a wall of fire. This kind of strength is probably very few in the entire Kyushu.

“Okay, stop flattering.” Wen Chouchou smiled wryly, and then turned around to investigate.

Sun Dasheng and several disciples followed quickly.

But this ancient underground tomb is really too big, there are forks everywhere, Wen Chouchou can only rely on his intuition, and slowly explore inside.

Along the way, I could hear the news of other sect masters fighting with poisonous insects. Wen Chou, a chivalrous man, would help if he could, but he never found the whereabouts of Su Qingyan and others.

The sect masters who were helped walked with Wen Chouchou, and within a short while, there were hundreds of people in the team.

Wow!

Finally, Wen Chouchou led hundreds of people, and it took more than half an hour to finally walk out of the narrow passage. Seeing the scene in front of him, everyone present was inexplicably excited.

I saw that there was a wide square in front of me. The square was not very big. It was the size of two basketball courts. The ground was covered with blue stone bricks. There were dozens of sculptures standing on both sides of the square. However, these sculptures are not ghosts or gods, nor people, but poisonous insects with teeth and claws.

Seeing these sculptures of poisonous insects, many masters of the sect felt a trace of fear in their hearts.

Made!

This was Sun Dasheng's first reaction, and couldn't help cursing: "Who is the owner of this ancient tomb? What kind of sculpture is not good, but these disgusting poisonous insects..."

After the voice fell, the others nodded in agreement.

"Yeah, it looks evil."

"The entire ancient tomb is full of weirdness. I don't think the owner of the tomb was a good person .

"

Wen Chouchou looked indifferent, thinking about something silently.

In the next second, Wen Chouchou said slowly: "As far as I know, due to the terrain, the Nanyun Continent has many mountains and ridges, the climate is humid, and there are many miasma and poisonous insects, so most of the sects in the Nanyun Continent are related to poison It doesn't matter."

"Looking at it now, the owner of this tomb was also a master of repelling insects and voodoo."

Hearing these words, everyone nodded.

Wen Chouchou stopped talking and walked towards the opposite side of the square first. Everyone dared not neglect and hurriedly followed.

Opposite the square is a black palace, so dark that you can't see anything clearly, it feels very mysterious. Everyone is excited.

With a palace, treasures are not far away, can you not be excited.

"Look, there is light inside!"

When they were approaching the palace, someone shouted, and everyone hurriedly looked into the palace. After looking at it, they saw a red light, faintly visible.

“Treasure...”

“Haha, I finally met the treasure.”

For a moment, everyone was very excited, and then someone was about to enter the palace to check.

hum!

However, at this moment, there was a wave of powerful aura coming from behind. Immediately afterwards, dozens of figures were seen coming quickly, all in white long gowns.

It was Bai Mingqi and the members of the Tianli Sect.

This idiot!

Seeing that Bai Mingqi brought people over, Sun Dasheng frowned, and couldn't help cursing inwardly.

Wen Chouchou and the sect masters present also had complicated expressions.

Crash!

Soon, Bai Mingqi's people arrived, and dozens of Tianli Sect disciples immediately stood guard at the palace gate.

Immediately, Bai Mingqi looked around and said coldly: “No one except Tianli Sect can enter this palace to investigate, otherwise, don't blame me for being rude.” The

voice was not loud, but there was no doubt about it.

Hearing this, the expressions of all the masters present at the scene changed, and each of them was shocked and angry. Then they refuted loudly one by one.

“Joke, this ancient tomb belongs to your Tianli sect?”

“That's right, this ancient tomb doesn't belong to you, why can't we investigate.”

“You Tianli sect want to swallow all the treasures inside?”
