Chapter 6836 Bai

Mingqi was indifferent.

This little doll took the initiative to die, so let him go.

In Bai Mingqi's heart, the most important thing now is to use the poisonous worm to kill Sun Dasheng, so as to seize the Heaven-Opening Axe, and he didn't put a little doll in his heart at all.

"Bugs!

At this time, watching the golden ring poisonous worm rushing with its mouth open, Zhu Xiansheng was suspended there, not moving, and said coldly: "You want to eat me?" Think I'm a bully? "

Buzz!

When the last word fell, Zhu Xiansheng's strength exploded, and in an instant, the air was distorted.

Seeing this scene, whether it was Wen Ugly and Ugly, Sun Dasheng, or the masters of the surrounding sects, they were all stunned and secretly frightened.

This little doll.... So strong?

Whew...

Just when everyone was shocked, Zhu Xiansheng opened his mouth, spit out a flame, and went straight to the golden ring poisonous worm's eyes. The flame was not very large, but the temperature of the surrounding air suddenly increased.

Yes, this flame contains the power of the demon race, and it is not comparable to ordinary fire at all.

At this time, the golden-ringed poisonous worm had rushed to it, and when it saw the little doll in front of him spewing fire, it instinctively wanted to dodge, but it was huge, and it was too late to dodge at this time.

Whoops....

In the blink of an eye, the flames hit the huge head of the Golden Ring Poison Worm, and it quickly burned, and I saw a thick smoke coming out, and both eyes were instantly burned.

“Cluck...”

“

Sharp pain came, the gold-ringed poisonous worm let out a burst of roars, plus its eyes were blind, and its huge body, like a headless fly, flicked wildly.

Wow!

Seeing this, everyone present was stunned, looking at Zhu Xiansheng’s gaze, all flickering with complexity.

“Such a powerful little doll, it can actually breathe fire in its mouth...”

“This trick is too beautiful ..”

At the same time, Sun Dasheng also slowed down, looked at Zhu Xiansheng in a complicated way, laughed and praised: “Good means, haha, which doll are you?” At

this time, Sun Dasheng’s heart was very excited.

I thought that this little doll rushed up rashly and would be in danger of his life, but he never expected that he would blind the eyes of this golden-ringed poisonous worm in a moment.

“My name is Zhu Xiansheng! In

the face of the inquiry, Zhu Xiansheng responded, and his immature face was very proud: “My father is...”

But before he finished speaking, the long tail of the golden ring poisonous worm suddenly flung over, and Zhu Xiansheng quickly stopped it, quickly dodged backwards, and dodged the long tail’s throw.

Seeing his flexible body, Sun Dasheng was greatly amazed: “Good body, hide well...”
At

this time, Bai Mingqi slowed down, his eyes were firmly fixed on Zhu Xiansheng, and there was a trace of coldness.

Marde, originally the situation was about to be firmly controlled by himself, but suddenly such a little doll came out, this little doll has appeared, and his plan is chaotic.

For a while, the more Bai Mingqi thought about it, the more annoyed he became, looking at Zhu Xiansheng’s gaze, full of murderous aura.

“Bugs! Zhu

Xiansheng did not notice Bai Mingqi's gaze, but shouted, and quickly rushed towards the golden ring poisonous worm: "Your eyes are already blind, die quickly." "

Buzz!

When the words fell, Zhu Xiansheng's strength broke out, and he smashed a punch towards the head of the Golden Ring Poisonous Worm.

However, although this golden-ringed poisonous worm was blind, its sensing was very agile, and it instinctively dodged its head, and then spat poisonous juice towards Zhu Xiansheng.

Sun Dasheng knew the power of this poisonous juice, and shouted at that time: "Be careful! When

the words fell, Sun Dasheng quickly rushed over, grabbed Zhu Xiansheng, and dodged towards the rear.

Hooohoo...

When the poisonous juice met the air, it immediately formed a poisonous mist, shrouding the location where Zhu Xiansheng was before.

Seeing this, Zhu Xiansheng was secretly shocked: "This bugs are quite powerful. The words fell, and he rushed up again. Sun Dasheng also held the Heaven-Opening Axe, and his strength broke out, fighting the Golden Ring Poison Worm with Zhu Xiansheng.

When the Golden Ring Poison Worm fought fiercely with Wen Ugly and Sun Dasheng before, it consumed a lot of strength, and now he was blinded, and his combat effectiveness was greatly weakened.

And at this moment, in the face of the joint efforts of Zhu Xiansheng and Sun Dasheng, although the Golden Ring Poison Worm was still fierce, it was difficult to reverse the situation.

6837 "Go and die! Finally

, Sun Dasheng found the opportunity, and the heaven-opening axe in his hand burst out a golden ray, slashing fiercely on the back of the golden ring poisonous worm, and he heard a roar, and the huge body of the golden ring poisonous worm was directly broken in two.

Seeing this, Zhu Xiansheng took advantage of the situation to pursue, and the young figure was like lightning, quickly rushed over, the strength of his body exploded, and a punch smashed on the head of the golden ring poisonous worm.

Boom!

Just heard a dull sound, the golden ring poisonous worm emitted a mournful roar, and suddenly died of anger, and before death, he opened his mouth wide and spit out a inner dan shining green light.

Wow!

Seeing the Golden Ring Poison Worm being killed, everyone present was extremely excited.

“This evil beast is finally dead!

“It’s not easy. While

admiring, many people’s eyes couldn’t help but look at that inner dan. The Neidan who crossed the Tribulation Realm can be regarded as a rare treasure.

“Haha!

At this moment, Zhu Xiansheng laughed excitedly: “Is this the spirit beast Neidan?” Mine. When the words fell, he urged the figure to prepare to catch the inner dan.

Sun Dasheng smiled and did not stop it.

After all, to be able to successfully kill this golden-ringed poisonous worm, this little doll has contributed a lot, and more importantly, with Sun Dasheng’s current strength, there is no need for any inner dan.

Marde!

However, Bai Mingqi on the opposite side changed his face.

This little doll, disrupting my plans, still wants to snatch Neidan now? How can there be such a good thing?

Thinking about it, Bai Mingqi was not in a hurry to think about it at that time, and shouted angrily: “Stinky doll, I also want Neidan, give me death!” When the words fell, Bai Mingqi’s figure burst out and slapped his palm towards Zhu Xiansheng’s back.

This Neidan who crossed the calamity realm is a rare encounter in a hundred years, and nothing can fall into the hands of this little doll.

Swish!

Seeing this scene, everyone present changed their faces and were furious.

“It’s so shameful to make a move on a child.

“Will the Sect Leader of this Heavenly Theory Sect only raid from behind?

“It’s really not a bottom line, it’s so despicable.”

At the same time, Sun Dasheng was also furious, and shouted at that time: “Be careful dolls.” Shouting, he rushed over.

Swish!

Feeling the danger behind him, Zhu Xiansheng was also startled, and he wanted to dodge at that time, but it was too late. But fortunately, Sun Dasheng arrived in time and protected him behind him.

In the next second, Sun Dasheng’s eyes were blood-red, and he raised his hand to meet Bai Mingqi with a palm.

Boom!

In an instant, the two palms collided, erupting into a shock, and then both sides were repulsed by volleys at the same time.

Obviously, neither side took advantage of this.

Snap!

At this moment, Neidan fell to the ground, and finally rolled in front of Wen Ugly, who held it in his hand and said to Zhu Xiansheng: “Little doll, Neidan I will help you hold it, you wait to take it.” “

Like Sun Dashen, Wen Ugly’s realm at this time does not need Neidan to improve his strength. Just help Zhu Xiansheng keep it for the time being.

“Thank you! Zhu Xiansheng answered.

Immediately, Zhu Xiansheng turned around, looked at Bai Mingqi coldly, and cursed: “You really don’t have a face, you actually attacked me behind my back?” Think I’m young, so I’m a bully? When

the last word fell, Zhu Xiansheng’s strength exploded and went straight to Bai Mingqi.

“Shameless scum, don’t even let a child go, die!

At the same time, Sun Dasheng cursed and followed closely with the Heaven-Opening Axe in his hands. Together with Zhu Xiansheng, besieged Bai Mingqi.

Speaking of which, Sun Dasheng holds his own identity, if he is usually there no more to bully the less, but this Bai Mingqi is really hateful, he first raided Brother Wen, and now he secretly counts a child.

For this kind of person, there is no need to abide by the rules of the rivers and lakes.

Bang bang bang....

For a time, the three of them kept colliding back and forth in mid-air, and a roar erupted, and I saw that although Zhu Xiansheng was young, he was small in size and flexible, and with Sun Dasheng, he quickly suppressed Bai Mingqi.

Airplanes!

Finally, Zhu Xiansheng found an opportunity, raised his hand to condense a flame, and suddenly threw it towards Bai Mingqi.

The fireball grew larger and larger, and the temperature of the surrounding air suddenly increased.

Seeing this scene, everyone present was extremely excited.

De!

Bai Mingqi’s face changed, and he didn’t have time to think about it, and quickly deployed a protective film beside him.

Rumble...

In the blink of an eye, the fireball smashed on the protective film, erupting with a roar, and saw that the protective film shattered instantly, and Bai Mingqi screamed even more, spraying blood from his mouth, and was directly shocked out.

At this moment, Sun Dasheng held the Heaven-Opening Axe tightly, chased after the victory, and shouted angrily: “Today I will eliminate harm for the rivers and lakes.” “

Marde!

Seeing Sun Dasheng burst out, Bai Mingqi cursed secretly, his expression could not hide the nervousness.

If you continue to fight, I am afraid that you will really die.

Thinking about it, Bai Mingqi pulled out his long sword and burst out all his internal forces.

Airplanes!

Suddenly, the surrounding heaven and earth spiritual energy quickly gathered, and finally merged into Bai Mingqi's long sword, and immediately after, a dazzling sword radiance burst out.

The sword glowed, and the air suddenly tore apart, and the power was very terrifying.

Seeing this, Sun Dasheng did not dare to be careless, and quickly retreated and dodged. Zhu Xiansheng also quickly dodged.

Sou!

Taking advantage of this opportunity, Bai Mingqi did not hesitate for a moment, his figure flashed, and fled towards the distance.

At the moment of escape, Bai Mingqi did not forget to put down his cruel words: "Little doll, Sun Dasheng, you wait for me, today's revenge will be rewarded in the future." The

last word fell, and Bai Mingqi had disappeared from everyone's sight.

Marde!

Seeing this scene, Sun Dasheng was very annoyed and let this scum escape.

Zhu Xiansheng also looked pitying: "It's almost a little, it's a pity."

With that, the two landed in unison.

After landing, Sun Dasheng walked quickly to Wen Ugly, his expression full of worry: "Brother Wen, how are you?" "

Whew!

Wen Ugly took a deep breath, shook his head and smiled: "It's okay, although Bai Mingqi's palm just now is cruel, it is not so easy to want my life." Seeing

him say this, Sun Dasheng breathed a sigh of relief and relaxed his heart.

This is, Wen Ugly looked Zhu Xiansheng up and down, smiled slightly, and handed Neidan over: "Little doll, give your Neidan."

"Thank you!

Zhu Xiansheng was unceremonious, took Neidan and thanked him, and then said seriously: "Don't call me a little doll, I have a name, called Zhu Xiansheng." "

Haha...

Seeing his appearance as a little adult, Wen Ugly and Sun Dasheng looked at each other and smiled.

This little doll, kind of interesting.

Immediately, Wen Ugly asked curiously: "Okay, Zhu Xiansheng, may I ask where your teacher is, who are your parents?" "

Ugh!

When the words fell, Sun Dasheng and the surrounding sect masters also focused on Zhu Xiansheng, and their faces could not hide their curiosity.

Under everyone's attention, Zhu Xiansheng did not panic at all, and said without humility or arrogance: "My master is Saint Sect Lu Dongbin, my father is Zhu Bajie, and my mother is a co-worker..."

Hearing this, whether it was Wen Ugly or everyone present, they were all stunned.

The son of Zhu Bajie and Gonggong, the master is still Lü Dongbin....

This little doll is so big... You know, whether it is Lu Dongbin, Zhu Bajie or Gonggong, casually placed on the rivers and lakes, it is a sensational existence.

Ha ha...

Finally, Sun Dasheng was the first to react, and laughed at Zhu Xiansheng: "I said how can I have such great skills, it turns out to be the son of Brother Zhu." The

ugly Wen on the side couldn't help nodding approvingly: "Not bad, I have such strength at a young age, and it's even more amazing when I grow up." Saying

that, Wen Ugly smiled at Zhu Xiansheng: "We and Brother Zhu can also be regarded as confidants, I didn't expect that I haven't seen him for so long, and his sons are so old."

At this moment, Zhu Xiansheng also humbled and saluted the two of them: "I know you, the two uncles are good." "

Hmm!

Wen Ugly nodded approvingly, and then asked, "Why are you here, your parents?" Or, did you come with Master? When asking, Wen Ugly couldn't help but look around.

In the face of the question, Zhu Xiansheng's expression darkened, and he lowered his head and said, "I came with Senior Sister, but we were separated..." Saying that, Zhu Xiansheng said his previous experience.

What the?

Nalan gladly joined the Holy Sect?

After learning the situation, Wen Ugly and Sun Dasheng looked at each other, and they were secretly shocked by each other.

In amazement, Wen Ugly took a deep breath and comforted Zhu Xiansheng: "Little nephew, don't panic, this underground ancient tomb is so big, your senior sister must be trapped somewhere, with her strength, I believe there should be no danger." When

he said this, Wen Ugly couldn't help but think of Su Qianyan.

It's been so long, and I don't see where Su Qianyan is, but I hope she is the same as Nalan Xinran, and it won't be troublesome.

Well!

Hearing the encouragement, Zhu Xiansheng nodded.

Wen Ugly looked around and said to everyone: "Everyone take a break first, and then explore the palace together." "There was a fierce battle just now, and everyone suffered heavy casualties.

Hearing this, everyone nodded one after another, and then sat cross-kneeled and began to heal their injuries.

.....

The other side.

Yue Feng hugged the bloody Li Muchen and hurriedly returned to the palace.

Hiss...

Seeing Li Muchen's appearance, whether it was Red Peony or Bai Haijian's guards, they were all taken aback, and they couldn't help but gasp.

This... This is what happened, it can hurt a person like this.

"Elder Li!

Finally, Red Peony was the first to react, and when he quickly stepped forward, his delicate face was full of worry: "How are you?" In Hong Peony's heart, Li Muchen is her most beloved elder, and seeing him like this at this time makes her feel very uncomfortable.

Call!

Li Muchen breathed a deep sigh of relief and said weakly: "I'm fine, I was secretly calculated by a villain."

Saying that, Li Muchen asked rhetorically, "What happened to the sect master?" "When he was on the road just now, Yue Feng had already told the situation, and Li Muchen knew that Gu Qianqiu had been hidden in the palace for the past few days.

In Li Muchen's heart, his life and death are not important, what matters is Gu Qianqiu's safety.

Seeing that he was already like this, he was still worried about the sect master in his heart, and Hong Peony was moved and admired in his heart, and then arrived: "The sect master is still like that, he has been unconscious, and I have been taking care of it these days." Hearing

this, Li Muchen relaxed his heart, and when his eyes closed, he passed out.

"Elder, elder..." Red Peony couldn't help but shout, very anxious.

"Quick!

Yue Feng put Li Muchen on the soft sofa and ordered Bai Haijian at the door: "Hurry up and prepare healing herbs, the more the better, go quickly!" At

this time, Yue Feng was also a little anxious.

Although Li Muchen is all skin trauma, after all, he is old, and he lost so much blood just now, if he is treated in time, I am afraid that it will endanger his life.

“Yes, sir! Hearing the order, Bai Haijian answered and hurried to prepare.

After a while, Bai Haijian selected one of each herb in the palace and sent it over, which was enough to have two large baskets.

“I’ll go decoction! The

red peony quickly selected a few, said a word to Yue Feng, and prepared to decoct the medicine.

However, before he took two steps, he was stopped by Yue Feng: “The current situation of the elder, treated by decoction, takes too long. Only by refining the elixir can he recover quickly. “

What? Refining elixirs?

Hearing this, Hong Peony was stunned at first, and then frowned: “Yue Feng, I know that you have great skills, but in terms of medical science, you are definitely inferior to me.”

When

he said this, Hong Peony looked confident. After all, in recent years, Red Peony has been learning medical skills with Li Muchen, and has good achievements in medical skills.

At this time, in the eyes of the red peony, Li Muchen was full of burns, coupled with excessive blood loss, he had to apply medicine externally in the traditional way, and then take it internally with soup, and then cultivate for a period of time before he could completely recover.

Therefore, hearing Yue Feng’s words at this time, Red Peony naturally resisted.

However, Yue Feng didn’t give her a chance to refute at all, took the porcelain bottle on the windowsill, acted as a dan furnace, and immediately selected a few herbs and began refining.

“You...” Seeing

this scene, Hong Peony Xiu’s eyebrows locked: “What do you do?”

“Alchemy.” Yue Feng replied lightly, while speaking, he selected herbs, and then lit the fire, every step was orderly, and the clouds flowed.

Alchemy?

Hearing this answer, Red Peony was suddenly anxious: “Don’t mess around, okay?” “

Even if it is alchemy, at least there must be a Dan furnace, how can it be replaced by a porcelain bottle?” Isn’t this?

The ultimate husband in Chinese chapter 6840

Chapter

6840 While anxious, seeing Yue Feng’s orderly appearance, Red Peony was still stunned.

Looking at his steps, he should understand some alchemy.

It’s just that...

Just as the red peony frowned secretly, Yue Feng had already sorted the medicinal herbs and quickly put them into the Dan furnace.

“Yue Feng!

Seeing this, Red Peony reacted and spoke again: “These medicinal materials are very rare, if they are refined by you, it will be too wasteful...”

Before he finished speaking, he heard a dull sound in the porcelain bottle, and when the red peony was startled, he hurried to look at it, and found that the porcelain bottle was intact.

Yue Feng smiled and explained, “This is the air flow generated by medicinal herbs at high temperatures, not an explosion!” While speaking, Yue Feng opened the porcelain bottle and poured out a pill from it.

Suddenly, a clear fragrance of elixir permeated the room.

Yue Feng’s attainment in the art of alchemy had long reached the realm of divine transformation, and it originally took several hours to refine this healing elixir, but now it only took a moment to succeed.

What the?

Seeing this scene, Hong Peony’s body trembled, and the whole person was stunned, looking at Yue Feng blankly, his eyes were full of incredulity, and he couldn’t speak.

In such a short time, a pill was refined?

This Yue Feng... Is Dan God possessed?

Yue Feng looked at her with a smile: "How is it?" I didn't lie to you, I never waste materials in my alchemy.

"You..." Hearing

this, Red Peony slowed down and couldn't help but ask, "How did you refine so quickly?"

Yue Feng smiled: "Practice makes perfect." When

the words fell, Yue Feng walked over quickly and gave the elixir to Li Muchen, who was in a coma.

At this moment, the red peony no longer spoke, but quietly waited for the effect, and at the same time was a little curious in his heart, can the elixir refined so quickly have an effect?

One minute, two minutes...

Soon, ten minutes passed, and I saw Li Muchen's miserable white face, gradually recovering some blood, and what surprised Hong Peony even more was that Li Muchen's wounds all over his body also stopped bleeding.

This effect... It's amazing.

Shocked, Red Peony looked at Yue Feng in a complicated manner: "Yue Feng, what kind of elixir are you?" At

this time, Red Peony's mood was very complicated, in recent years, while learning medical skills with Li Muchen, she had also read a lot of ancient books about Danshu.

It's just that.... It was the first time I had seen such a rapid elixir.

Hehe....

Seeing her curious look, Yue Feng smiled and said, "It's just an ordinary Hui Yuan Pill." Nothing special. "

Hui Yuandan? Ordinary?

Hearing these words, Red Peony was stunned and fell into deep thought again. In the rivers and lakes of the entire Tianxin Continent, there seems to be no record of this kind of return to Yuan Dan.

At this time, Red Peony did not know that the elixir in Yue Feng's mouth came from the Kyushu Continent and did not belong to her world.

Wondering in his heart, Red Peony was about to ask, but at this moment, Li Muchen woke up leisurely.

Call!

At this moment, Li Muchen breathed a sigh of relief, slowly opened his eyes, and saw that Yue Feng and Red Peony were there, and suddenly showed a smile.

Red Peony was overjoyed, and quickly spoke, "Elder, you are awake, I was really worried about dying just now." Saying that, he said the matter of Yue Feng's refining elixir just now.

Hehe!

Hearing this, Li Muchen smiled slightly, and praised Yue Feng: "The old man knows that with Yue Feng's brother here, no matter how seriously injured the old man is, he will be fine."

Yue Feng smiled humbly, and then asked, "Senior Li, didn't you go to look for the Heavenly Material and Earth Treasure, why did you come back so quickly?" When

the words fell, Hong Peony was also full of curiosity, waiting for Li Muchen's answer.

Alas!

Li Muchen sighed, and said very ashamedly: "Don't hide Brother Yue Feng, I already have a clue about the heavenly material and earth treasure, but it's a pity that the old man doesn't have the ability to get it back." Hearing

this, Yue Feng suddenly came to the spirit: "Senior quickly said, where is the heavenly treasure that day?" When asking, Yue Feng's eyes were full of urgency and expectation.

As long as he gets the heavenly material and earth treasure, Big Brother Gu has hope to wake up.

Li Muchen said slowly: "Five hundred miles south of Qingyun City, there is a big lake called Green Green Lake, and it is rumored that in the depths of that lake, there is a dragon dormant. "
