Chapter 6846

Yue Feng guessed well, this cave is exactly the resting place of this Yongwei. Just now, Yongwei was cultivating underwater, and when he realized that his cave was occupied, he immediately rushed over.

What's the situation?

At this time, Lingluo and Rose in the cave heard the movement outside and quickly walked out.

In the next second, seeing the weiwei in front of them, the sisters were both delicate and trembling, inexplicably panicked.

“This...”

Soon, Ling Luo reacted and couldn't help but say, “What is this thing?” “

At this time, Ling Luo can clearly sense that the monster with a human head and horns in front of him is very strong, if it is usual, he may be able to deal with it, but now his strength has not recovered, and he is not an opponent at all.

When the words fell, Rose next to her also eased her senses, carefully looked at Yongwei, and was also panicked in her heart: “Could it be a monster under the lake?”
Like

Ling Luo, Rose Wei felt the strength of Yongwei, and her heart was also indescribably apprehensive.

Speaking of which, Rose has traveled around in the past few months and gained a lot of knowledge, but this kind of monster is the first time she has encountered it.

Call!

At this moment, Yue Feng couldn't help but speak: “You two be careful, this is a weiwei, a kind of exotic beast.” “

Shout?

Hearing this word, Ling Luo and Rose Wei looked at each other, and each other's faces were indescribable doubts.

Before they could slow down, Yongwei had already rushed to the mouth of the cave, and at this time, his eyes were tightly locked on Ling Luo and Rose, and a roar came out of his mouth, and he rushed directly up.

In Weiwei's heart, he thought that the two human women in front of him had occupied his resting place, and naturally he would not be polite.

Sou!

It seems clumsy, but it is extremely fast, and it is in the blink of an eye.

Seeing this speed, Ling Luo, who bore the brunt of it, trembled, and the whole person was blinded, this... The speed of this monster is so fast.

“Junior sister, be careful! Seeing

Ling Luo standing there dumbfounded, completely forgetting to dodge, Rose Wei couldn't help but snort, and at that time she didn't have time to think about it, quickly blocked in front of Ling Luo, and then struck towards Ling Luo with a palm.

This silly woman!

Seeing Rose desperately going to save Lingluo, Yue Feng frowned and couldn't help but sigh in his heart.

This Rose is a good strength, but it is not a rival to Yongwei.

Thinking about it, Yue Feng was about to rush over to help, but it was too late.

“Whaa

Boom!

In an instant, the two sides collided together, and a roar was heard, and then Rose snorted, taking a few steps back in succession, her delicate face, white and white, showing weakness.

“Senior sister! Seeing

this scene, Ling Luo reacted, and was shocked and angry at that time, and held Rose Wei: “Senior sister, how are you?”

Rose took a deep breath and shook her head: “It's okay.” When she spoke, Rose tried to calm herself down, but her heart was shocked.

The strength of this Weiwei is too terrifying, and his strength close to the eighth rank can't even block its move.

Hearing her response, Ling Luo did not relax in the slightest, and immediately found something, and immediately exclaimed: "Senior sister, you are bleeding..." and saw that there were three shocking scratches on Rose's right arm, and she was bleeding non-stop at this time.

Obviously, he was scratched by his sharp claws when he fought with Yuwei just now.

Seeing this wound, Ling Luo was distressed and angry again, and then angrily scolded Yue Feng outside: "Yue Feng, you are really despicable, just because we occupied this cave, you attracted a monster..."

In her heart, she thought that Yue Feng led Yue Feng over.

Groove.....

Hearing this, Yue Feng was speechless.

This Lingluo has a brain disease, even if you are prejudiced against me, you can't slander me like this."

Thinking about it, Yue Feng didn't bother to pay attention to it, but said to Rose, "You guys come out quickly." "The mouth of this cave is narrow, even if Yue Feng goes over to help, he can't open it.

However, the two sisters had already been blocked inside, and there was no chance to come out at this time.

"Whaa.

Chapter

6847 "You ugly bastard! Afraid you won't make it? Seeing

the rushing Weiwei, Ling Luo bit her lip tightly, and drank coldly, although her heart was panicked, but the situation in front of her could only be forced to rush up.

"Junior sister, I'll help you!

At the same time, Rose endured the pain in her arm, and also snorted, and her delicate body flew up, fighting with Lingluo.

Bang bang bang...

In the blink of an eye, three figures collided together, and a dull sound erupted.

Rose Wei's strength did not recover, plus she was injured, her strength was greatly reduced, but in less than a breath, she was found an opportunity by Yongwei and slapped a claw on her body.

Boom!

I heard a dull sound, and Rose was directly slapped out, flew more than ten meters away, and finally hit the stone wall, and it was dark in front of her eyes, and she passed out directly.

"Senior sister! Seeing

this, Ling Luo exclaimed, and was about to rush over to check on Rose's situation, but this Ling Luo didn't give her a chance at all, and her figure turned and quickly rushed towards Ling Luo, and her sharp claws waved a cold light.

At this time, Ling Luo did not dare to have the slightest contempt, and there was nowhere to dodge at that time, so he had to grit his teeth and put the long sword in front of him, trying to block this blow.

Boom!

In the next second, the claws of the dragon wei slammed on the long sword, and Ling Luo only felt a terrifying force coming, and the whole person was suddenly unbalanced, and was directly shocked out.

After flying more than ten meters away, Ling Luo landed in the corner of the cave.

This monster...

Ling Luo stared at Yongwei tightly, and the indescribable shock and jealousy on her delicate face.

This monster's strength is too strong, and it can't be defeated at all.

At this time, Yue Feng quickly rushed into the cave, and when he saw Rose lying next to the stone wall, he was immediately stunned: "Rose, how are you?" When the words fell, Yue Feng quickly walked over to check on Rose's situation.

"You..." Seeing

this scene, Ling Luo couldn't help but snort: "You stop, don't touch my senior sister." In her heart, Yue Feng was not only cunning, but also very, and she definitely wanted to take advantage of Senior Sister at this time.

Nima!

Hearing the contempt in Ling Luo's words, Yue Feng was inexplicably angry and responded: "You think I want to take advantage of your senior sister, to tell you the truth, I have countless confidants, although your world is beautiful, I am not interested in her."

After that, Yue Feng quickly gave Rose Wei's lower pulse, and after determining that there was no danger to her life, she secretly sighed with relief.

Shameless.....

Hearing Yue Feng's words, Ling Luoqiao's face turned red, and she wanted to refute a few words, but she didn't know how to speak. Because she clearly saw that Yue Feng had only given the senior sister a pulse, and there was no behavior of overstepping the courtesy at all.

"Roar..." At

this moment, Yue Wei turned his head, his gaze locked on Yue Feng, in its consciousness, the cave where he rested was inviolable, and seeing that Yue Feng also broke in, he was also listed as an attacker.

After a roar, Yue Wei quickly rushed towards Yue Feng.

Nima!

A strange beast, so presumptuous, thinking that I am also a bully?

Seeing Yue Wei rushing towards him, Yue Feng frowned, without the slightest hesitation at that time, his strength exploded, and he greeted him with a punch.

Boom!

In the blink of an eye, the two sides collided together, and a loud noise was heard, and immediately after, Yue Feng and Yue Wei both trembled, and at the same time were shocked back a few steps.

Speaking of which, if Yue Feng is at his peak, this Yue Feng is afraid that he can't catch a single move, but now Yue Feng's strength has not fully recovered, and he can only compete with Yue Wei.

"Woohoo, woooo Soon

, Yue Wei stabilized his figure, and a burst of roar came out of his mouth, his eyes staring at Yue Feng, and a bit of solemnity and jealousy came out.

At the same time, Ling Luo, who was in the cave, was also extremely shocked in his heart, and looked at Yue Feng blankly and unable to speak.

This Yue Feng's strength is not robbed? Unexpectedly, with this monster, there is no difference between uncles ...

After a short period of stunned, Weiwei reacted, howled at that time, and rushed towards Yue Feng again, as an ancient beast, Yuwei has always been strong when encountered, and never knew what it was to retreat.

Still coming?

Feeling the momentum of the outbreak of Yue Wei, Yue Feng did not panic at all, and his figure flashed, and he fought fiercely with Yue Wei. During the fierce battle, he saw Yue Feng's figure flowing and agile, and although the claws and teeth were sharp, it could not hurt him at all.

Chapter 6848

This scene, the more Ling Luo looked at it, the more frightened she became, and she temporarily forgot her pain.

“Whaa

Card Wipe Wipe...

I saw that where the cold air passed, the surrounding stone walls instantly froze, and the temperature in the cave suddenly dropped to below zero...

Groove...

Seeing this scene, Yue Feng was secretly frightened.

I didn't expect that this Yongwei also has an attack with ice attributes, and this power is not small.

Thinking about it, Yue Feng quickly retreated and dodged, and glanced at the rose on the edge of the stone wall, and before he had time to think about it, he picked her up and used his power to send her out of the cave.

You know, at this time, Rose is still in a coma, if she is attacked by this cold air, the consequences are unimaginable.

Poof!

Yue Feng used his ingenuity and saw that the rose landed steadily on the grass outside the cave, and did not receive the slightest shock.

Hooohoo.....

At this time, the cold air spewed out by Yuwei had turned the entire cave into an ice and snow world, and several centimeters of ice walls were formed on the stone walls, and sharp ice picks condensed overhead.

Hiss....

A cold sound came, and Ling Luo, who was still in the cave at this time, couldn't help but tremble, and her delicate face was also extremely pale.

At the same time, there is also some despair in my heart.

It's over, this Yue Feng has completely angered the monster, and I'm afraid I'm going to die here.

Thinking about it, Ling Luo endured the sore spot, secretly urging his strength, trying to resist the cold that was constantly invading around, but the cold air spewed out by Lingluo was too strong, Ling Luo couldn't resist at all, and after a while, a layer of ice formed on his body.

"Whoosh! At

this time, Yue Wei was even more frantic, spitting cold air in his mouth, and attacked Yue Feng again.

Yue Feng did not panic in the slightest, and sneered at that time: "Still coming?" Well, today I will accompany you to have fun. When the words fell, Yue Feng rushed forward and fought fiercely with Yue Wei again.

Anyway, Rose Wei was safely sent outside the cave, and she didn't have any worries, as for Ling Luo, this girl was rude, so let her suffer here and have a long memory.

During the fierce battle, Yue Feng secretly urged the power of the Red Lotus of Dharma Industry to form a protective film around his body. Although the cold qi spewed out by Yue Wei was terrifying, it could not cause the slightest damage to Yue Feng.

It can be seen that the surrounding cold air is pervasive, but Yue Feng looks as usual, and has not been affected in the slightest.

Well?

Seeing this scene, Ling Luo couldn't help but be secretly surprised.

This Yue Feng... I am not afraid of the cold air spewed out by this monster.... It's incredible.

"Okay, I won't play with you. After

a few rounds, Yue Feng finally found the weakness of Yue Wei, and when he laughed, his right hand reached out like lightning, and slapped a palm on the position of Yu Wei's lower abdomen.

Boom!

With a dull sound, I saw that Yongwei trembled violently, and then fell down with his head up, dying of anger.

Yue Feng breathed a sigh of relief, clapped his hands, and said to himself, "Finally done!" "

Great!

Seeing this, Ling Luo was also indescribably happy, and at the same time secretly shocked in her heart.

This Yue Feng really had some skills, such a powerful monster was actually killed by him.

Delighted and shocked, Ling Luo was about to stand up, but found that her whole body was frozen, completely unable to move.

"Hey!

Faced with the situation, Ling Luo was very anxious, and couldn't help shouting at Yue Feng: "You come and save me..." Because her face was also frozen, Ling Luo's voice was very small and small.

However, Yue Feng still heard it, looked back at her at that time, and slapped his forehead: "Oh, I forgot that there is another one." When

the words fell, Yue Feng walked over quickly and picked Ling Luo up.

Call!

At this moment, Yue Feng only felt that he was holding a popsicle, and the indescribable emotion in his heart at that time, this girl is usually arrogant and domineering, it is estimated that he did not expect such an end one day.

Muttering in his heart, Yue Feng walked out of the cave and placed Lingluo on the grass outside.

At this moment, Ling Luo wanted to thank him, but thinking of Yue Feng teasing himself before, he finally held back, and silently ran his strength at that time, ready to dispel the cold and ice cubes all over his body.

The ultimate husband in Chinese chapter 6849

Chapter 6849 However, Ling Luo didn't know that the cold qi spewed out by Ling Luo, called 'Cold Crystal Ice Qi', was extremely special, and with Ling Luo's strength at this time,

it could not be dispelled at all.

This...

Soon, Ling Luo tried several times, but could not disperse, and suddenly became a little anxious.

How so? How can the cold air around this body not be dispelled?

Ha ha....

Yue Fengpan sat on the side, seemingly recovering his strength, but in fact secretly observing Ling Luo, seeing her anxious appearance at this time, he felt indescribably relieved in his heart.

Smelly girl, tell you to oppose me everywhere before.... It doesn't taste good.

"Hey..."

Finally, Ling Luo couldn't help it, and asked Yue Feng: "How come the cold qi of that monster has no effect on you at all?" Seriously, Ling Luo didn't want to talk to Yue Feng, but she couldn't help but be curious.

"Huh? Hearing

the question, Yue Feng opened his eyes and made a look of shock: "Are you talking to me?" "

Seeing him like this, Ling Luo is so angry, there are three people here, and Senior Sister is still in a coma, I don't talk to you, do I talk to the air?"

However, in order to find out the reason, Ling Luo still endured the displeasure and nodded, "Yes." "

Whew!

Yue Feng breathed a sigh of relief, scratched his head, and said slowly: "Maybe the exercises I practice belong to the fire attribute, so the cold qi of this monster can't hurt me." "

Of course, the things that have the Red Lotus of Law can not be said, they can only be made up casually.

So it was...

Hearing this, Ling Luo did not have the slightest doubt and nodded silently.

In the next second, Ling Luo hesitated and said in a low voice: "Then... So can you help me? "The sound is very small, like a mosquito, and you can't hear it without listening carefully.

To be honest, Ling Luo believed that she was a disciple of Mother-in-law Honghua, she had always been arrogant and arrogant, and she had never bowed her head to others to ask for anything, especially Yue Feng in front of her, and had teased her more than once.

But there is no way, the cold air around the body cannot be dispelled at all, and I can only temporarily put down my dignity.

Huh, now you know to beg me?

Hearing this, Yue Feng did not immediately agree, but said with a smile: "Let me help you?" Why should I help you? There is nothing to do with us, my obligation..."

"You..."

Ling

Luo didn't expect him to refuse so crisply, he was very ashamed at that time, and wanted to refute, but he only said one word, and he couldn't continue.

Seeing her reaction, Yue Feng smiled secretly in his heart and continued, "However, if you want me to help you, you just need to promise me a condition, and I can consider it."

When

he said this, Yue Feng looked serious, but his eyes flashed with cunning.

This girl is proud and arrogant, no one puts it in her eyes, at this time, take this opportunity to suppress her momentum well, so that she has a profound lesson.

Call!

Ling Luo took a deep breath: "What conditions?"

Yue Feng smiled and looked relaxed: "It's very simple, when you see me in the future, you must be respectful, call a good father, as long as you promise, I will help you."

"Daddy saves his daughter, right?"

After

saying this, Yue Feng looked at her with a smile.

Swish!

At this moment, Ling Luo's pretty face changed, and her heart was embarrassed and indignant.

This Yue Feng is really hateful, he took advantage of me like this before, and now he wants me to call him dad... The same humiliation must not happen twice.

Thinking about it, Ling Luo glared at Yue Feng fiercely, and then silently ran his power, trying to dispel the cold again.

Ah? Quite spineless?

Seeing this, Yue Feng was stunned at first, and then couldn't help laughing, and no longer spoke at that time, but lay leisurely on the grass.

Time passes by minute by minute.

At first, Ling Luo was still a little confident, but gradually began to panic, she clearly felt that the more she worked hard, the more serious the cold around her.

The cold breath penetrated deep into the bone marrow, as if even the soul was about to be frozen, this kind of taste, is not at all what ordinary people can bear.

"Cluck..." Soon

, Ling Luo couldn't stand it, and her teeth couldn't stop trembling.

Seeing her like this, Yue Feng showed a hint of a smile and teased slowly: "I advise you not to be stubborn, this cold qi really penetrates into the meridians of your whole body, and your skills will be completely wasted." "

The ultimate husband in Chinese chapter 6850

Chapter

6850 "You..." Hearing

this, Ling Luo was excited, but her heart was even more panicked.

Because she clearly felt that under the cold aura around her body, she had begun to invade the meridians....

In case the meridians are invaded, his own strength is really wasted:

But... How can those two words be pronounced?

"Forget it! Seeing

that she refused to call out, Yue Feng deliberately stood up and said lightly: "Since you don't call, then I wish you good luck." With that, he pretended to leave.

"You... Don't go! Seeing

this scene, Ling Luo was completely anxious: "I... My name is.... Father!
When

he shouted those two words, Ling Luo was indescribably ashamed, lowered his head, and did not look at Yue Feng.

Second time!

This is the second time he has been teased by Yue Feng, why is this so? Is this man destined to be my nemesis?

Ha ha...

Seeing that she finally called out, Yue Feng couldn't say anything in his heart, but it wasn't over, but he came up and pulled out his ears: "What did you call me?" It's so small, I can't hear it. "

This bastard....

Ling Luo saw that Yue Feng was intentional, and he was so angry at that time, but he couldn't have a good seizure, so he had to shout again: "Dad!" When he shouted these two words, Ling Luo couldn't wait to find a seam to drill into.

From childhood to adulthood, with the protection of the master, who saw it was not afraid of three points, but as a result, in front of this Yue Feng, he has always been frustrated...

Well!

Yue Feng accepted it when he saw that it was good, and he stopped teasing at that time, nodded and smiled: "Good daughter, really good, dad will help you drive away the cold now." When the words fell, Yue Feng sat cross-kneeled behind Ling Luo, put his hands on her back, and began to urge the power of the Dharma Red Lotus.

Woohoo!

In an instant, Ling Luo only felt a scorching power coming from behind, and then slowly dispersed into the limbs, and after a while, the ice around her body melted, and the cold feeling disappeared, replaced by a warm comfort.

This... It's amazing.

For a while, Ling Luo regained her freedom, and her heart was also indescribably surprised.

Although this Yue Feng is very hateful, I have to say that he does have some skills, and this cold qi has nothing he can do, but in front of him, it is dispelled so easily.

At this time, Ling Luo did not know that Yue Feng's cultivation was not a fire attribute technique at all, but a Dharma Red Lotus that only appeared once in thousands of years in the God Domain.

"Good daughter!

Just when Ling Luo was secretly surprised, Yue Feng stood up with a smile: "After the cold qi is dispelled, you will be fine with a little movement." "

Hmm!

Ling Luo answered, and did not say evil words to each other, but nodded very obediently. Speaking of which, Ling Luo originally disliked Yue Feng, but after several contacts, he was gradually impressed by his ability...

However, Ling Luo was proud and unwilling to show it.

"Hmm..." At

this moment, Rose, who was unconscious in the grass next to her, let out a low soft voice and woke up leisurely.

The moment she opened her eyes, Rose Wei looked around vigilantly, looking very nervous, you know, the strength of that Yongwei horror has created a shadow in her heart.

“You’re awake!

At this time, Yue Feng said with a smile: “Don’t panic, that Yongwei has already been killed by me.”

When

he said this, Yue Feng admired the rose up close, and he couldn’t help but secretly admire it in his heart.

I have to say that this rose, whether it is in appearance or figure, can be called the best, especially the weak appearance at this time, Chu Chu is pitiful, any man sees it, it is difficult to hold himself.

He’s dead?

Hearing this, Rose Wei was taken aback, and her eyes looked at Yue Feng, full of incredulity.

She fought with Yuwei twice and knew the horror of the other party. Such a powerful existence was actually killed by Yue Feng, and it was difficult to calm down who it was.

“Yes!

At this moment, Ling Luo couldn’t help but speak: “It was really killed by him, I saw it!” Then, Ling Luo explained the situation in detail.

Seeing that Junior Sister also said this, Rose no longer doubted.

But in the next second, Rose Wei realized something, first looked at Yue Feng, and then looked at Ling Luo, and was very puzzled in her heart.

Odd..

Didn’t Junior Sister always hate this Yue Feng? How did you get along so well in the blink of an eye?
