Chapter 6856

This aura fluctuated, coming and going, but Yue Feng still sensed it keenly.

Dragon!

At this moment, Yue Feng immediately concluded in his heart that it was definitely the rumored dragon who emitted this aura fluctuation. You know, after all, Yue Feng is the Dragon Venerable of the Divine Dragon Clan, and he is very sensitive to the breath of the dragon.

However, Ling Luo and Rose, as well as Yan Yitao, did not perceive it at all.

“Right!

At this time, hearing Yue Feng’s words, Yan Yitao couldn’t hide his excitement, and said to his companion: “Quick, go over there and investigate.” When he spoke, Yan Yitao’s eyes were full of excitement.

The journey was smooth just now, so Yan Yitao did not doubt Yue Feng’s words at all.

Moreover, he was not afraid of Yue Feng’s tricks, after all, they were only three people, and they didn’t have the guts at all.

Crash...

Hearing the order, several companions accompanied Yan Yitao and quickly probed towards the right.

Yue Feng followed slowly and slowly.

“Yue Feng!

At this moment, Rose Wei finally couldn’t help it, and asked in a low voice: “How do you know the layout here, you have been here before?” When asking, Rose’s eyes were full of curiosity.

When the words fell, Ling Luo couldn’t help but mutter: “These people are not good things, you still help them find treasures..”

Hehe....

Feeling Ling Luo's displeasure, Yue Feng smiled slightly and said in a low voice, "Where have I come, it's just to lie to them."

While speaking, Yue Feng looked at Yan Yitao in front of him and continued: "When you encounter a situation, you will quickly hide behind me, remember, don't make a move, you know?"

He just felt that the dragon was in the right direction, and as for the strength of this dragon, Yue Feng was still uncertain for a while.

Call...

Hearing this, Rose Wei suddenly nodded and said, "I know that you won't help them for no reason." Ling

Luo's face also eased a lot, but he still couldn't help but say: "Why is it so troublesome, now that they have relaxed their vigilance, we can't make a surprise attack?"

Yue Feng smiled lightly: "In a moment, they will be attacked, why do we have to take action ourselves?" "

What?

At this moment, Rose and Ling Luo were stunned.

In the next second, Rose Weixiu's eyebrows frowned: "How do you know that they will be attacked?" Who attacked them?

At

the same time, Ling Luo also looked at Yue Feng closely, waiting for his answer.

Yue Feng breathed a sigh of relief and lightly recovered two words: "Jiaolong." "

Ugh!

Hearing these two words, Rose and Ling Luo were both delicate, and their delicate faces could not hide their jealousy and trepidation. You know, they have seen the dragon with their own eyes, and before on the lake, it was this dragon that suddenly appeared and attacked the master, resulting in the unknown life and death of the master.

"You..." Shocked

, Ling Luo couldn't help but say, "How do you know that the dragon is here?"

Yue Feng opened his mouth and was about to answer, when he heard Yan Yitao and the others in front of him, they let out a cheer, and they all looked very excited.

“I’m going, so many treasures!

“Haha, get rich, get rich...”

It’s not a dream, is it? The

cheers of several people came, and the three of Yue Feng glanced at each other and hurried over.

Turning a corner, there was a majestic hall in front of him, and at this time, Yan Yitao was standing at the door outside the hall, one by one, excited.

Yue Feng couldn’t help but look inside the hall, and they were all stunned all of a sudden, and a burst of amazement came out of their mouths.

This... It’s too luxurious.

I saw that the hall was full of gold and silver jewelry, and even the pillars inside were made of pure gold.

Seeing this scene, Ling Luo and Rose Wei were shocked, so many treasures, I am afraid that they will not be able to spend ten lifetimes.

However, at the same time of shock, Ling Luo was still a little puzzled, didn’t Yue Feng say that the dragon was near here? Why didn’t you see it?

Yue Feng’s face was solemn, and his eyes were firmly fixed above the hall.

“Haha....,”

Just when Ling Luo was puzzled, Yan Yitao laughed loudly: “It seems that I didn’t come in vain today.” Saying that, he couldn’t wait to rush into the hall.

Several companions followed.

6857 “Yue Feng!

Seeing this, Rose couldn’t help but say, “Let’s go in and take a look!”

Yue Feng shook his head: “The dragon is in this hall, let’s not go in and cause trouble.” “

What? The dragon is in this hall?

Hearing this, Ling Luo and Rose Wei both trembled, and their delicate faces could not hide the nervousness.

“Roar! At

this time, there was a soul-shocking dragon roar in the hall, and the terrifying aura fluctuations swept the entire hall, and then a huge figure swooped down on the top of the hall, only a few people pounced on Yan Yitao.

His body was covered with dark scales, tens of meters long, and a pair of eyes flashed with ferocity.

It was the dragon that attacked Mother-in-law Honghua before.

Hiss!

Yan Yitao and several people were originally immersed in great joy, and when Leng Buding saw the dragon appear, they were all stupid and gasped one after another.

“Click! Almost

in the blink of an eye, the dragon rushed to him, biting a companion in two, and suddenly blood sprayed, and the companion almost didn't have time to scream, and he broke his breath.

Dragon?

This is the rumored dragon?

Seeing this scene, Yan Yitao's face turned extremely pale, and he looked at the huge body of the dragon blankly, and his heart was full of jealousy.

The other companions behind him were also shocked at this time, and only felt that their legs were soft.

The dragon is indeed here.

At the same time, Ling Luo and Rose Wei were also indescribable when they saw the dragon.

Yue Feng looked calm, and quickly took their hands: “Avoid it first!” When the words fell, he took the sisters and quickly hid behind the pillar outside the hall.

“Run!

At this time, inside the hall, Yan Yitao slowed down and shouted at his companion: "Run!" "Speaking of which, Yan Yitao's self-sustaining strength is not weak, but the strength of the dragon in front of him is too terrifying, and he does not have the courage to fight at all.

The last word fell, and Yan Yitao turned around and rushed towards the outside of the hall.

Swish...

Hearing the shout, several companions also reacted, urged their figures one after another, and fled.

However, how could the dragons give them a chance to escape?

"Roar! At

this moment, Jiaolong tightly locked Yan Yitao and several people, and a heaven-shaking roar came out of his mouth, and his huge body roared out, chasing after him, and at the same time his claws swung out fiercely.

Click!

Under the wave of the dragon's claws, I saw that the sky was instantly distorted, and then lightning burst out, directly shrouding several of Yan Yitao's companions.

"Ah! Under

the raging lightning, several companions screamed one after another, and then fell one by one at the door of the hall, and the moment they landed, they saw that they were all scorched black and had lost their breath.

Finished!

Seeing this scene, Yan Yitao was shocked and angry, this dragon actually had a thunder and lightning attack?

At the same time, there is also some despair in my heart.

It's over, these brothers of their own, all of them are not weak, but they can't even block this dragon's move, do they want to die here?

Thinking about it, Yan Yitao looked at Yue Feng San, who was hiding behind the pillar, and his face suddenly turned gloomy: "Good boy, you dare to fool me!" No

matter how stupid Yan Yitao was at this time, he also guessed that Yue Feng had deliberately led them here.

Call!

Hearing Yan Yitao's angry drink, Yue Feng darkened and said with a smile: "You want to get the treasure without much effort, it is too naïve, where in the world is there such a good thing?" When

the words fell, Ling Luo behind him couldn't help but speak: "It's because you are too greedy and deserve to end up like this." Before, in order not to disrupt Yue Feng's plan, she had been forbearing, but at this time, seeing Yan Yitao's heavy casualties, she couldn't bear it anymore.

Damn it!

Hearing this, Yan Yitao's face was extremely gloomy, and he turned around and saw Jiaolong rushing towards him, but he didn't have time to think about it, urged the speed to the extreme, and quickly rushed towards Yue Feng and the three.

Yan Yitao thought about it and attracted the dragon to Yue Feng's side, if he could successfully divert the attention of the dragon, he would have a chance to escape.

This man is sinister enough.

Seeing Yan Yitao rushing over, Yue Feng frowned.

Ling Luo and Rose Wei also changed their faces, and they didn't seem to expect that this Yan Yitao would be so sinister that he wanted to attract the dragon over.

6858 Phew!

In a panic, Rose Wei tightly pulled Yue Feng's arm, and her red lips lightly opened: "Yue Feng, let's go quickly!" "

The strength of this dragon is too terrifying, I am afraid that if the three join forces, it will be difficult to resist.

Yue Feng smiled slightly: "Don't panic!" "

Whew!

The moment the words fell, Yue Feng urged the power of the Red Lotus of the Law Industry, raised his hand, and deployed a protective film around his body, covering himself and the two sisters at once.

It was at this time that Yan Yitao rushed to him, with an extremely hideous expression: "Boy, you want to use the dragon to get rid of me?" Even if Lao Tzu dies, he will pull you back.

As he spoke, Yan Yitao rushed behind Yue Feng's three.

At this time, Yan Yitao really wanted to kill Yue Feng, but the dragon behind him chased too closely, and there was no chance to make a move, he only hoped at this time that the attention of the dragon could be attracted by Yue Feng's three, and when the time came, he would have a chance to escape.

"Roar! As soon as

Yan Yitao hid, the dragon burst out, and when he saw Yue Feng, the three suddenly let out a roar, and then opened his blood basin and spewed out a raging fire.

Finished!

Seeing the fire erupting, Rose was so frightened that she immediately closed her eyes in despair.

Ling Luo's face also changed, instinctively wanting to escape, but it was too late.

And in the next second, the scene in front of them made the sisters completely frozen.

Whoops...

I saw that the fire slammed into the protective film deployed by Yue Feng, making a burning sound, but the protective film did not melt at all, but completely blocked the fire.

This....

Seeing this scene, both Ling Luo and Rose Wei were stunned, and looked at Yue Feng dumbfounded.

Just a protective film deployed casually can block the fire spewed out by the dragon, how many skills does this man still have not revealed?

Especially Rose, looking at Yue Feng's eyes, flashing with a strange light, at this time, she only felt that this man was like an ocean, unfathomable.

This...

At the same time, Yan Yitao was also dumbfounded.

This is impossible, the fire spewed out by this dragon is extremely powerful, how can it not hurt the three of them at all?

Woohoo!hoo!

Just when the sisters were shocked, the fire crossed the protective film and quickly spread towards Yan Yitao behind. At that time, Yan Yitao reacted quickly and wanted to flee into the distance.

However, it is too late.

“Ah! The

fire instantly shrouded the past, and I heard Yan Yitao let out a terrible howl, and the whole person was instantly ignited by the flames, and in less than a few seconds, the screams stopped abruptly, and Yan Yitao was also burned into a scorched corpse.

Hiss....

Seeing this scene, Ling Luo and Rose Wei couldn't help but gasp for air, their delicate bodies trembled, their legs were soft, and they almost couldn't stand steadily.

Yue Feng looked calm.

“Huh?

At this time, the dragon levitated in the air, looked at Yue Feng and the three in surprise, and said in the dragon language: “There are people who are not afraid of my flames...”
Ling

Luo and Rose Wei did not understand the dragon language, at this time, in their ears, the dragon in front of them roared repeatedly, and they were all panicked.

Call!

Yue Feng took a deep breath and looked at the dragon indifferently: “A dragon breath flame, what is it?”

The dragon was furious, and roared: “What an arrogant human being, aren't you afraid of death? “

Buzz!

When the words fell, the strength of the dragon's body exploded, and suddenly, the terrifying power swept the audience, and the surrounding air was violently distorted.

In the next second, the dragon burst out, and its claws slammed towards Yue Feng.

Seeing this, Yue Feng did not panic at all, and urged the power to meet it with a palm.

Bang!

The dragon's claws collided with the palm, and a roar erupted, and I saw that the huge body of the dragon suddenly trembled, and then was shocked back.

Yue Feng also shook his figure, and soon stabilized his figure.

"You..."

Jiaolong steadied his figure and stared at Yue Feng tightly, shocked: "What kind of person are you?"

At the same time, Ling Luo and Rose Wei were also shocked, and they looked at Yue Feng blankly, both completely dumbfounded.

This... Is this still the Yue Feng he knows?

The dragon in front of him, just now effortlessly, killed Yan Yitao and those people, the strength is terrifying, and Yue Feng, actually touched a palm with the dragon and was unharmed?

The ultimate husband in Chinese chapter 6859

Chapter

6859 Hoo!

Yue Feng ignored the consternation of the sisters, and at this time breathed a sigh of relief, and smiled lightly at Jiaolong: "What kind of person I am, you can know it by looking at this." Saying that, Yue Feng urged the power to reveal his Yuan God.

I saw a flash of golden light flickering rapidly on Yue Feng's body, and then the Yuan God in his body flashed away.

All this happened quickly, and neither Ling Luo nor Rose Wei noticed the strange appearance of Yue Feng in front of them, and they were only secretly surprised at this time.

This... What is this Yue Feng doing?

Is he communicating with the dragon?

The sisters did not notice the Yuan God that Yue Feng had just displayed, but Jiaolong could see it clearly.

What the?

This person actually has a genshin..... Could it be that he is.....

At this moment, Jiaolong looked at Yue Feng tightly, his mind was buzzing, and it took more than ten seconds to react, and he couldn't help but say: "You... You actually have Genshin? When

asking, Jiaolong completely lost his previous arrogance, but was extremely polite.

This dragon has been inhabiting the low emerald lake for nearly a thousand years, knowing everything and everything, and it is very clear in its heart that only the gods of the God Domain above the nine heavens have the Yuan God, and ordinary people have this qualification at all.

And the man in front of him has a Yuan God, which means that he is most likely from the God Domain.

Hehe!

At this moment, Yue Feng smiled indifferently and slowly said: "I am the master of the Heavenly Emperor, the Nine Heavens Xuansheng, the Dragon Venerable of the Qinglong Clan, surnamed Yue Mingfeng." When he said this, Yue Feng's voice was not loud, but to Jiaolong's ears, it was like thunder.

Master of the Heavenly Emperor... Nine Heavens Xuan Sheng.... Dragon Zun.

No matter which identity it is, it is extremely noble, and the man in front of him actually occupies three at once!

Poof!

In the next second, Jiaolong reacted, quickly landed, and crawled on the ground and respectfully said to Yue Feng: "It turned out to be Your Excellency Yue Feng, how offensive he was just now, and I hope to forgive the sin." At

this time, the dragon was so panicked in his heart, and his heart was raised to his throat.

It did not doubt Yue Feng's identity at all, because it clearly felt that Yue Feng not only had the Yuan God, but also had the Dharma Red Lotus Protective Body around his body, what was the Dharma Red Lotus? That is a strange treasure that only appears once in thousands of years in the God Domain.

With the existence of the Red Lotus of the Law Industry, it is impossible to make up identities indiscriminately.

This.....

Seeing the dragon suddenly crawling on the ground, Ling Luo and Rose Wei were both delicate, and their brains were completely confused.

What the hell is going on here?

The dragon with such terrifying strength was so respectful to Yue Feng at this time.

Did you see the eyes?

"All right!

Just when the sisters were shocked, Yue Feng's tone was indifferent, and he said to Jiaolong: "You get up, no need to be polite!" "It's not loud, but it's unquestionable.

"Thank you, Your Excellency!

Jiaolong answered, and then slowly stood up.

Yue Feng looked at the luxurious crystal palaces around him and asked, "What's going on with this crystal palace?" "

Such a luxurious place, hidden at the bottom of the lake.

It's really weird.

"Your Excellency! Hearing

the inquiry, Jiaolong replied very respectfully: "This crystal palace was built by the Royal Dragon Gate..." In the next few minutes, Jiaolong roughly explained the situation.

It turns out that this crystal palace under the lake is the site of the Royal Dragon Gate.

The Royal Dragon Gate, like the Immortal Feather Gate, is an extremely special sect in the Tianxin Continent, even more mysterious than the Immortal Feather Gate, and the people under the sect are extremely strong and better at controlling dragons.

Later, there were problems inside the Royal Dragon Gate, and it fell rapidly, coupled with the people of the Royal Dragon Gate, they rarely walked around the rivers and lakes, and for thousands of years, there were almost no records of the Royal Dragon Gate on the rivers and lakes. So very few people know.

Speaking of this, Jiaolong's tone was stunned: "After the fall of the Royal Dragon Gate, I have been staying here, rarely going to the outside world, for me, the outside world is vast, but it is far less peaceful and comfortable than this place." "

Whew!

Hearing this, Yue Feng nodded slowly: "So it is.

At this time, Jiaolong's tone was complicated: "Your Excellency, please, I'll go and rest for a while!" "I fought with Yue Feng just now, and I was injured by the power of the Red Lotus of Law, so I can continue to recover at this time.

"Go! Yue Feng raised his hand.

Jiaolong stopped talking nonsense, nodded politely at Yue Feng, and his huge body soared up, disappearing from sight in the blink of an eye.

The ultimate husband in Chinese chapter 6860

Chapter

6860 gone?

This dragon just left?

Seeing this scene, Ling Luo and Rose Wei looked at each other, and each other's minds were blank.

"You..."

After more than ten seconds, Rose was the first to react and said to Yue Feng, "What the hell is going on?" Then why is the dragon so respectful to you? You.. Who the hell are you? When

asked, Rose was puzzled.

You know, the strength of this dragon, in the entire rivers and lakes, I am afraid that no one can match it, but the Yue Feng in front of him completely subverts this concept.

Swish!

At this moment, Ling Luo also looked at Yue Feng closely, waiting for his answer.

Like Rose, the scene just now completely subverted Ling Luo's world view, and in her impression, the dragon was extremely powerful, untamed, and never bowed to humans.

And just now, that dragon was so respectful in front of Yue Feng.

Who would believe it if they hadn't seen it with their own eyes?

Call!

Facing the gazes of the sisters, Yue Feng breathed a sigh of relief and slowly said, "Until now, I don't hide from you, in fact, I am not from the Tianxin Continent, but from another world, called the Kyushu Continent.

In the next few minutes, Yue Feng said his identity.

Of course, Yue Feng didn't mention anything about the things related to the God Domain, after all, these things were too shocking.

Originally... He is not from this world...

Hearing these words, Ling Luo and Rose looked at each other, and they were shocked in each other's hearts, and they could not calm down for a long time.

No wonder he knows so much.....

"All right!

At this time, Yue Feng smiled slightly, removed the protective film, and stood up and said: "That dragon went to recuperate, don't worry about it sneaking attack, let's probe around to see what is the mystery of this crystal palace." When

the words fell, Yue Feng slowly approached the hall.

Ling Luo and Rose Wei slowed down and quickly followed.

After walking around the hall, he found that there was nothing else here except for those jewels, but Yue Feng soon discovered that there was a secret door inside the hall.

At that time, Yue Feng did not hesitate and turned on the switch in the dark.

Click and wipe...

In the next second, with a burst of mechanism vibration, the secret door slowly opened, and a corridor appeared in front of him.

You can clearly see that at the end of the corridor, there is a square.

Call!

Yue Feng took a deep breath and walked directly in. Ling Luo and Rose Wei followed. But my heart is secretly amazed.

This Yue Feng is really powerful, and he found this secret door so quickly.

“Master? Quickly

passed through the corridor and arrived at the square, seeing the scene in front of them, Ling Luo and Rose Wei couldn’t help but exclaim.

I saw that in the center of the square was a high platform carved in white jade, the platform was very large, the diameter was tens of meters wide, and there was a circle of stone pillars distributed around the platform, and under the pillars were some dense holes, at this time, one after another of the fire, spewing out from the holes, forming a circle of fire walls.

In the center of the platform, a silhouette was sitting cross-legged, trying to resist the scorching heat from the surrounding wall of fire.

It was the red flower mother-in-law.

“Master! Seeing

this scene, Ling Luo shouted again, and at that time she was surprised and delighted, and she was about to rush up. However, he was stopped by Rose.

“Junior sister, don’t be impulsive. Rose bit her lip tightly, looking at the circle of fire wall, her delicate face was full of jealousy: “These flames are purple-blue, obviously not ordinary flames, you rush over, I am afraid that there is danger.” Rose

Wei acted cautiously, she clearly saw that under the attack of this circle of fire, Mother-in-law Honghua’s face was extremely weak, and even the master was difficult to resist, let alone the senior sister?

Call!

Hearing this, Ling Luo calmed down, but she was also anxious: “Then what to do?” “It’s hard to find Master, you can’t watch her in danger and be indifferent.”

Anxious, Ling Luo couldn’t help but shout at Mother-in-law Honghua: “Master, Master... How are you? Hearing

the shout, Mother-in-law Honghua opened her eyes and saw Ling Luo and Rose, her eyes were a little relieved, these two apprentices, finally lived up to their expectations, and were able to find here.

Swish!

It's just that in the next second, when Mother-in-law Honghua saw Yue Feng, her face suddenly became gloomy.
