Chapter

6861 “Ling Luo, Rose!

Immediately, Mother-in-law Honghua said coldly: “Why are you with him?” The tone was weak, but looking at Yue Feng’s gaze, he couldn’t hide his hostility.

In the heart of Mother-in-law Honghua, although she had killed Gu Qianqiu to avenge her apprentice, this Yue Feng, after all, was Gu Qianqiu’s sworn brother, and when she saw him, she naturally didn’t have a good face.

This.....

Feeling Master’s anger, Ling Luo and Rose looked at each other, and each other’s delicate faces showed a little embarrassment.

Of course, they knew that Master was hostile to Yue Feng because of Gu Qianqiu, but then again, if there was no Yue Feng just now, they were afraid that their sisters would have died at the hands of that dragon, how could they have a chance to find here?

“Master!

At this time, Rose Wei reacted, biting her lip lightly and responding: “We and him, we just met halfway.”

Saying that, Rose Wei lowered her voice and said to Yue Feng again: “Yue Feng, my master has a strange temper, you... Don’t be surprised. After knowing Yue Feng’s true identity, Rose Wei’s opinion of him changed a lot.

Ling Luo was the same, although he did not speak at this time, he also nodded subconsciously.

Hehe....

Hearing this, Mother-in-law Honghua snorted coldly and couldn’t help but say: “Rose, Master told you before that the rivers and lakes are sinister, especially the sweet-talking men, they can’t be prevented, you have to be careful.”

As

she spoke, Mother-in-law Honghua glanced at Yue Feng coldly.

Speaking of which, Yue Feng looks handsome and cold, most women will be a little moved when they see it, at this time, in the heart of Mother-in-law Honghua, it is determined that Rose is bewitched by Yue Feng’s rhetoric.

However, she held her own identity and didn't say it explicitly, but she couldn't help but remind her.

Hehe...

Feeling the hostility of Mother-in-law Honghua, Yue Feng chuckled in his heart and ignored it.

This old demon woman, in order to deal with Big Brother Gu before, all kinds of despicable means were used, it was simply abominable, and now she is trapped here, and God has an eye.

Swish!

Rose Wei is a smart woman, hearing the words in the master's words, her delicate face suddenly blushed, and she wanted to defend at that time, but she didn't know how to speak.

"Master!

At this moment, Ling Luo quickly changed the topic and said to Mother-in-law Honghua: "How should we save you?" She and Rose were sisters, and seeing that Master had misunderstood at this time, she couldn't bear to open her mouth to help Rose solve the siege.

And while saying this, Ling Luo looked at the wall of fire around the jade platform, and her heart was also anxious. The flames spewed out from this wall of fire were too violent, and I didn't know how long Master could hold out.

Call!

Mother-in-law Honghua took a deep breath and looked complicated: "The power of this wall of fire is very strong, don't come over rashly, Shi Shi is trying to find a way to get out."

While speaking, Mother-in-law Honghua silently urged the exercises to resist the heat wave that was constantly invading around her.

At this time, Mother-in-law Honghua was very angry in her heart.

Half a day ago, after being raided by the dragon, Mother-in-law Honghua finally fell to the bottom of the lake and was swept into a secret passage by an undercurrent, when Mother-in-law Honghua thought that she was dead, and then entered the crystal palace at the bottom of the lake by chance.

After that, Mother-in-law Honghua probed around, and when she arrived at this jade platform, she accidentally triggered the mechanism, and then she was trapped here.

“Yes, Master!

At this time, hearing Mother-in-law Honghua’s words, Ling Luo answered, no longer approaching rashly, but checked around the jade platform with Rose.

However, the sisters have shallow experience in the rivers and lakes, and they don’t know anything about the formation technique, and they can’t find a flaw at all after watching it.

At this time, in the center of the jade platform, Granny Honghua was sitting there, seemingly calm, but in fact, she was a little panicked, she clearly felt that the burning heat from the surrounding fire wall was getting stronger and stronger, and her own power had been almost consumed.

If it goes on like this, it won’t be long before you are burned alive.

What to do?

For a time, Mother-in-law Honghua was anxious and panicked again.

I have been traversing the rivers and lakes for so many years, I have seen all kinds of winds and waves, and I have also experienced various life and death situations, and today, I am trapped on this jade platform....

It’s really not long-sighted.

Chapter 6862 Xuan

Nether Fire Array...

At this time, Yue Feng quietly observed the jade platform for a moment, and suddenly had a calculation in his heart, and soon saw that around this jade platform, there was a Xuanxian Fire Array.

The Xuanxian Fire Array belongs to a middle-grade and upper-grade formation, but it is more troublesome to deploy, Yue Feng has been walking in the rivers and lakes for so many years, he has never seen it, but he did not expect that he could meet it in the crystal palace at the bottom of this lake today.

There were only three variations of this formation, but it was difficult to crack, but for Yue Feng, it was easy.

However, this red flower mother-in-law almost killed Gu Qianqiu, and Yue Feng was very dissatisfied in his heart, so naturally he would not take the initiative to save him.

Hooohoo....

At this time, the wall of fire around the jade platform became more and more prosperous, and a burst of heat came, and I saw that the body of the red flower mother-in-law trembled faintly, and her face was also pale.

Apparently it can't hold up.

"Master! Seeing

this scene, Ling Luo was so anxious that she couldn't help but exhale, and then said to Rose: "Master seems to be unable to stand it, what to do, senior sister."

When

she said this, Ling Luo almost cried.

Rose bit her lip tightly, also anxious at this time. She clearly felt that the master's face was weak and his skills were almost exhausted, but the master had a strong personality, and he never said it.

But if you are a disciple, you can't just watch it.

That's right!

In the next second, Rose Wei thought of Yue Feng beside her, her eyes suddenly lit up, and she quickly said: "Yue Feng... Quickly find a way to save my master."

When

pleading, Rose Wei stared at Yue Feng tightly, her delicate face full of expectation.

This Yue Feng came from another world, almost omnipotent, he definitely had a way to save Master.

Swish!

When the words fell, Ling Luo also reacted, pulling Yue Feng's arm and saying, "Yes, you save my master." "This Yue Feng, there is nothing that cannot be done, there must be a way.

"Save her?"

Listening to the sisters' pleading, Yue Feng was dark and indifferent, and his face did not fluctuate for the slightest: "Why should I save her?" Thinking

that Gu Qianqiu was still unconscious at this time, Yue Feng was inexplicably angry.

Ma De, if it weren't for this red flower mother-in-law, Big Brother Gu would not have almost died, and he would not have run to the Green Lake alone to find the heavenly treasure.

This...

Ling Luo and Rose Wei didn't expect Yue Feng to refuse so crisply, and they were both stunned and embarrassed.

They also knew in their hearts that Yue Feng was the sworn brother of Gu Qianqiu, and the master killed Gu Qianqiu, and Yue Feng was a mortal opponent, and at this time, he begged Yue Feng for help, which was indeed a little unspeakable.

Call!

A few seconds later, Rose Wei reacted and bit her lip lightly: "Yue Feng, my master killed your sworn brother Gu Qianqiu, I know you hate her, so be it, as long as you are willing to save my master, my life is yours."

After

that, Rose Wei stared at Yue Feng tightly, waiting for his answer.

Rose Wei knew in her heart that Gu Qianqiu was dead, and the contradiction between Yue Feng and Master was difficult to resolve, and if she wanted him to save Master, she could only lose her life.

Master is not thin on himself, and he can't watch her being burned to death.

"Senior sister..."

Hearing this, Ling Luo next to him was taken aback, and what he wanted to say at that time was stopped by Rose.

"Junior Sister! Rose's delicate face was full of determination: "I have already decided, you don't persuade me."

After

that, Rose Wei looked at Yue Feng again: "Yue Feng, you save my master, I give Gu Qianqiu my life, how?" "

Whew!

Yue Feng took a deep breath and looked at Rose seriously, and his heart was touched.

Unexpectedly, this rose seems weak, and at a critical moment, it is really rare to be able to give up her life to save people. But is it worth saving a ruthless person like Mother-in-law Honghua?

Thinking of this, Yue Feng smiled indifferently: "What do I want your life for?"

"Rose!

As soon as the words fell, the red flower mother-in-law on the jade platform also had a hideous face, and couldn't help but scolded Rose angrily: "Who told you to intercede with him?" For the division does not need him to rescue, how can a wall of fire trap me? "

At this time, the mother-in-law of the red flower is very angry, her own disciple actually pleaded with the enemy, if this matter is spread, where will her old face go?

### Chapter 6863

Huh....

Hearing this, Yue Feng couldn't help but sneer.

This old demon is really hard-mouthed, obviously she can't bear it, she still looks proud.

At this moment, Rose Wei was also in a hurry.

Master has such a stubborn temper, how can this be good?

Yue Feng was full of smiles, and said slowly: "See, your master has great powers, and he doesn't need me to save him at all." While speaking, Yue Feng paid attention to the changes in the fire array.

As mentioned before, there are three variations in this Xuanxian Fire Array.

These three changes, based on the strength of the fire, are divided into lapis lazuli fire, purple sun fire, and white ghost fire. These three types of fire, if not converted once, will double their power.

Just now, before Yue Feng and the three came, the flame of the formation had already changed from lapis gold fire to purple sun fire.

This red flower mother-in-law can carry the purple yang fire, I have to say that this skill is already very strong, but she is now at the end of the strong crossbow, and when she turns to the white ghost fire, it will be when she dies.

At this time, Yue Feng carefully observed, and knew in his heart that in a short time, the purple sun fire would turn into white phantom fire.

In other words, there is not much time left for Mother-in-law Honghua.

At this time, after Yue Feng finished speaking, he walked to the side and leaned on the railing, with a posture that did not care about himself.

This...

Seeing this scene, Rose Wei almost cried, and hurriedly chased after her: "Yue Feng, even if I beg you..."

She clearly saw that the master's face was getting weaker and weaker, and I was afraid that in a moment, she would be burned alive.

Yue Feng's face did not fluctuate for half a minute, and he did not respond.

"Rose!

Mother-in-law Honghua was also very angry, and shouted: "Are you not stopping Master's words?" I repeat, do not ask him for help, because the teacher does not need it. "

Buzz!

When the words fell, Mother-in-law Honghua burst out all the remaining power in her body, trying to resist the surrounding fire.

However, at this time, I saw that the surrounding wall of fire gradually turned into a deep purple, and in an instant, the surrounding scorching temperature suddenly more than doubled.

This...

Feeling the terrifying heat wave around her, Mother-in-law Honghua's face changed, and she was completely panicked.

How is the power of the fire around this getting stronger and stronger?

Under the shock, Mother-in-law Honghua only felt that her whole person seemed to be thrown into a volcano, and her soul was about to burn, and this kind of taste was not something that people could bear at all.

Wow....

Seeing this, Ling Luo on the side suddenly cried loudly, and pleaded with Yue Feng: "Please, save my master..." Although she didn't understand what formation this was, she also sensed it at this time, the fire around this jade platform was becoming more and more powerful, and Master's life was already at stake.

“Dad!

At this time, Ling Luo, anxious, also let go of his self-respect: “Dad, please...”

Hearing Ling Luo’s name, Mother-in-law Honghua’s heart trembled, and she was furious, her apprentice was called Yue Feng’s father? What kind of system is this? At that time, I wanted to scold, but under the constant attack of the surrounding fire, I had almost no strength to speak.

At this time, Rose Wei also came over and pulled Yue Feng’s arm: “Yue Feng, please, you are not helping, my master is really going to die, count me... Count me begging you. “

Alas!

Facing the pleading of the two sisters, Yue Feng’s eyes flickered, and finally sighed and nodded: “Okay, I promised to save her.” “

Seriously, Mother-in-law Honghua almost killed Gu Qianqiu, Yue Feng didn’t want to care about her life or death from the bottom of her heart, but Gu Qianqiu didn’t really die after all, moreover, Yue Feng couldn’t see a woman crying the most, and it was really difficult to refuse seeing Ling Luo and Rose sad at this time.

That’s great!

Seeing that he agreed, Ling Luo broke into a smile.

Rose Wei was also relieved, and said very happily: “Thank you, Yue Feng!”

However, Yue Feng did not make a move immediately, but looked at the red flower mother-in-law in the center of the jade platform and said, “However, if you want me to make a move, the red flower mother-in-law needs to agree to a condition.” “

What?

Hearing this, Ling Luo and Rose Wei were suddenly stunned.

Mother-in-law Honghua was also furious, and looked at Yue Feng coldly through the wall of fire: “Boy, you are too few to advance, you can deceive my two apprentices, but you can’t deceive my wife.” ”

## The ultimate husband in Chinese chapter 6864

6864 “You won’t crack this formation at all, you just want to take advantage of the opportunity to blackmail my wife, really think I’ll be deceived?” When

she said this, Mother-in-law Honghua’s face was full of stubbornness.

I won’t?

Hearing this, Yue Feng sneered: “Tell you, this formation is called the Xuanxian Fire Array, and this formation has three stages, which are lapis gold fire, purple sun fire, and white ghost fire.

“Every time you transform the fire, the power will double, and now it is the purple sun fire, and when it turns into the white ghost fire, even if you have the ability to reach the sky, it will be difficult to escape death.”

When

he said this, Yue Feng said it without the slightest fluctuation on his face.

This...

At this moment, Mother-in-law Honghua’s face froze, and her brain was suddenly confused, and she looked at Yue Feng dumbfounded.

He was not wrong at all.

At that time, when he was just trapped, the surrounding fire was blue-gold, and then slowly turned purple red.... It seems that he really knows how to crack it.

Do you really want to negotiate terms with him?

He has been traversing the rivers and lakes for decades, and he doesn’t even put Gu Qianqiu in his eyes, but at this time, he compromised in front of this Yue Feng, how can he walk the rivers and lakes in the future?

But if you want to give up, I am afraid that you will really be burned to death.

“How?

Just as Mother-in-law Honghua was thinking about this, Yue Feng coldly urged, “Have you thought about it?” Promise me a condition, and I’ll go in and save you. “

Ugh!

At this moment, Ling Luo and Rose Wei also stared at Mother-in-law Honghua tightly, anxious.

They all know in their hearts that Mother-in-law Honghua has a strong personality and it is difficult to be soft to others, but at the moment of life and death, they all hope that she can recognize the facts.

Call...

At this time, Mother-in-law Honghua took a deep breath and looked at Yue Feng and said, "Okay, what are your conditions?" "No one is not afraid of death, and Mother-in-law Honghua is the same, at this critical moment, she can only choose to bow to Yue Feng.

Hehe!

Yue Feng looked at her with a smile, and said word by word: "Mother-in-law Honghua, I only agreed to you because of the face of your two apprentices, otherwise, I would not be too lazy to care about your life or death." Hearing

this, Mother-in-law Honghua's face changed, and she wanted to refute at that time, but she still held back.

Yue Feng continued: "My condition is very simple, after saving you, you must retire forever, and you must not step into the rivers and lakes for half a step again. When he said this, Yue Feng's tone was indifferent, but there was no doubt.

This mother-in-law of the red flower is ruthless, staying in the rivers and lakes will always be a scourge, but because of Rose, Yue Feng can't take her life, so the best way is to let the mother-in-law of the red flower escape forever, and she will not be allowed to enter the rivers and lakes in the future.

What? Retreat?

At this moment, both Ling Luo and Rose Wei trembled, and they didn't seem to expect that Yue Feng would actually put forward such a condition. Master is strong in life, if he let her retire, wouldn't it be more uncomfortable than killing her?

Swish!

At the same time, Mother-in-law Honghua also changed her face, and said coldly at Yue Feng: "Boy, don't go too far." "If you can't step into the rivers and lakes, what is the use of your own skills?

Yue Feng was too lazy to talk nonsense, and said lightly: "I have already put forward the conditions, and it is your business whether to agree or not."

Saying that, Yue Feng looked at the fire around the jade platform: "The purple sun fire is about to turn into a white ghost fire, and there is not much time left for you." "

Abominable...

Hearing this, Mother-in-law Honghua looked at the surrounding wall of fire, and sure enough, she saw that the purple flame was gradually turning white, and the burning heat was even stronger.

Seeing this, Mother-in-law Honghua knew that it would be too late if she didn't agree, and immediately gritted her teeth and said, "Okay, I promise you."

When

she answered, Mother-in-law Honghua's face was extremely gloomy, and her mood was also depressed to the extreme.

Good you Yue Feng, you wait for me.

Seeing that she agreed, Yue Feng was not talking nonsense, slowly walked to the jade platform, urged the power of the Red Lotus of the Law Master, and raised his hand and waved!

Airplanes!

With a fluctuation of power, a flame condensed and jumped up and down in Yue Feng's palm.

It was the Red Lotus Fire.

In the next second, Yue Feng raised his hand and waved, and the Red Lotus Flame floated towards the Xuanxian Flame Array, and in an instant, the circle of purple sun fire was quickly swallowed and fused before it could turn into white phantom fire.

## The ultimate husband in Chinese chapter 6865

Chapter

6865 In less than a few seconds, the fire around the jade platform was sucked out.

This....

Seeing this scene, Ling Luo and Rose Wei were stunned, and their delicate bodies couldn't help but tremble faintly, and their hearts were completely shocked.

The flame summoned by this Yue Feng was actually able to devour the fire in the formation...

What is this means?

At the same time, Mother-in-law Honghua was also shocked, her eyes stared at Yue Feng, her brain buzzing, and it was blank.

The surrounding fire, with all his strength, was difficult to resist, and this Yue Feng was solved by condensing a fire lightly.

Could it be that he had seen it before, and this kid had been hiding his strength?

“Master!

At this moment, Ling Luo and Rose Wei reacted, ran to the Jade Platform one after another, and helped Mother-in-law Honghua up: “Master, how are you?”

“Master, are you all right!

When

asking, Ling Luo and Rose Wei couldn't help but look back at Yue Feng, their eyes full of gratitude.

This Yue Feng was really powerful, and he knew that he had a way to save Master.

Mother-in-law Honghua shook her head and said that she was fine.

Yue Feng looked indifferent, put away the red lotus industry fire, and then said lightly to the red flower mother-in-law: “I hope that your words count, and when you leave here, you will find a place to hide in seclusion.” Stop harming the quacks. “

Ugh!

Hearing this, Mother-in-law Honghua's face sank, and her heart was extremely resentful, but in the end, she held back and gritted her teeth: “Don't worry, my wife always counts when she speaks.”

When

she said this, Mother-in-law Honghua looked depressed, but a trace of cruelty flashed in her eyes. This Yue Feng dares to coerce me to retire to the rivers and lakes, and when I find an opportunity, I will kill you.

Mother-in-law Honghua thought about it, and after recovering some strength, she would find an opportunity to raid Yue Feng, and she must not let him leave this Crystal Palace alive.

As long as you kill him, no one will know about it, and the two apprentices will be even tighter.

“Good! Yue

Feng didn't notice the change in Mother-in-law Honghua's eyes, so he nodded immediately, walked through the stone platform, and probed around.

Lingluo and Rose stayed by Mother-in-law Honghua.

Boom!

Mother-in-law Honghua took out a pill from her body, and after taking it, she sat there cross-kneeled and quietly recovered.

Yue Feng probed around, did not find anything special, and finally his eyes fell on the stone door behind the jade platform, which was also carved from white jade, which was very exquisite and luxurious.

The stone door closed tightly, and Yue Feng tried to push it down, not moving.

It seems that this door still has a mechanism.

Yue Feng muttered in his heart, so he carefully probed on both sides of the stone gate, and after a while, he found the location of the organ.

Click and wipe.

Yue Feng did not hesitate to activate the mechanism, and he heard a friction sound from the stone door, which slowly opened.

This...

At this moment, seeing the scene behind the stone gate, Yue Feng's heart was shocked and ecstatic.

I saw that behind the stone gate was another corridor, and behind the corridor, there was a huge teleportation array, but this formation should not have been opened for a long time, and it was covered with dust everywhere.

However, Yue Feng did not care about this at all, and his mood was indescribably excited at this time.

Yue Feng clearly saw that this was not an ordinary teleportation array, as long as it was slightly modified, it could teleport anywhere, and even shuttle through space and return to the Kyushu Continent.

That's great!

For a while, Yue Feng's face was full of smiles, and his mood was also indescribably excited.

With this ready-made teleportation array, you can save a lot of time by yourself.

At this time, Mother-in-law Honghua fused the power of the elixir, and her strength recovered somewhat, seeing Yue Feng stunned at the stone gate, she immediately frowned secretly, and then said to Ling Luo and Rose: "Go, go and see."

Saying that, Mother-in-law Honghua stood up and walked over slowly.

Ling Luo and Rose Wei couldn't hide their curiosity and quickly followed.

Another stone henge.

When they arrived at the stone gate, seeing the scene behind, the three of them frowned secretly.

Especially the red flower mother-in-law, who almost died in the Xuanxian Fire Array just now, and when she saw the stone formation at this time, she instinctively felt a little jealous.

Call!

At this time, Yue Feng reacted, and couldn't wait to walk through the corridor and come to the front of the teleportation array, look left and look again, thinking in his heart how to change into a chaotic teleportation array.
