Chapter

6876 At this time, nearly ten thousand elite disciples gathered inside and outside the hall, and their expressions were extremely complicated, and many people couldn't help but whisper.

"What's the situation?"

"It

seems that something happened to the Sect Master, and Feixue brought back a new Sect Master..." The

discussion kept coming, and an unusual solemn aura filled the entire altar.

Inside the main hall.

Xiao Jue sat on the throne, Yan Bingyu and Feixue were separated on either side, and several altar masters stood quietly on the side.

"Silence!"

At this moment, an altar master came out, looked around the audience and shouted, "Everyone is silent. This altar lord's name is Xu Shangzhi, and he is the first of several altar masters to turn to Xiao Jue, and he is very loyal to Xiao Jue.

Swish!

When the words fell, many elite disciples immediately stopped talking, and their eyes also converged on Xu Shangzhi.

Xu Shangzhi nodded in satisfaction, cleared his throat, made a sad look, and slowly said: "To tell everyone the unfortunate news, a few days ago, the ancient sect master was framed in Qingyun City and unfortunately died. Saying

that, Xu Shangzhi wiped his tears pretently.

What the?

Hearing this, all the disciples present were suddenly in an uproar.

"The Sect Master is dead?"

"It's

impossible, the sect master's strength is excellent, how can he die?" Almost

all of the elite disciples present had great respect for Gu Qianqiu, and when they heard this news at this time, they were a little unable to accept it for a while.

“Everyone, be quiet. Seeing

that they were talking again, Xu Shangzhi frowned and said loudly: “When the ancient sect master was dying, he specially ordered Xiao to eliminate his predecessor and succeed him as the next sect master. “

Senior Xiao, twenty years ago, he was the deputy sect master of our Heavenly Dao, with outstanding strength and high morality, and it is indeed our luck to leave the Heavenly Dao to succeed us as the Sect Master.

After

saying the last sentence, Xu Shangzhi turned around and saluted Xiao Jue.

Swish!

At this moment, the eyes of the whole audience suddenly converged on Xiao Jue, and many disciples were secretly surprised.

These disciples have only joined the Heavenly Dao in recent years, and they don't know the past twenty years ago, so naturally they don't know Xiao Jue.

However, Qingyun City has had frequent incidents recently, and many disciples in the main altar have also received rumors, and at this time, they all expressed doubts about Xu Shangzhi's words.

“That's not right!

Soon, a disciple walked out of the crowd, first looked at Xiao Jue, and frowned: “A day ago, I got news from Qingyun City, and the news said that the ancient sect master was not dead, but just unconscious.

“Moreover, when the ancient sect master was in a coma, he asked Yue Feng to succeed him as the sect master, how could it be this Xiao Jue? When

the words fell, many disciples around nodded in agreement.

“Yes, even if someone temporarily takes the position of sect master, it is Yue Feng.

“Master Xu, don't try to fool us..”

Swish!

Hearing this, Xu Shangzhi's face changed, and he wanted to refute, but he didn't know how to speak.

Xiao Jue also frowned, but he didn't panic in his heart, but nodded at the flying snow on the left.

At this time, Feixue had already been controlled by Xiao Jue, and when he understood it, he took a step forward and said to those questioning disciples: "You all be quiet. Seeing

Feixue come out, instead of being quiet, those disciples became excited one by one.

"Feixue, you are a personal disciple of the ancient sect master, you should know the situation best, and tell the truth quickly.

"Yes, we have thousands of years of inheritance from the Heavenly Dao, and we can't be destroyed on some people with ulterior motives.

"Senior Sister Feixue, what's going on? "

These disciples, extremely loyal to Gu Qianqiu, are unwilling to accept the fact that Xiao Jue succeeds as the sect master, and they all pin their hopes on Feixue at this time.

However, none of them knew that Feixue at this time, unable to help himself, was completely controlled by Xiao Jue.

Call!

Under everyone's attention, Feixue took a deep breath and slowly said: "Guys, what you got before was all fake news, not only you, but I was almost deceived at that time."

"Master has never passed on the position of Sect Master to Yue Feng. Hearing this, those disciples were stunned.

At this time, Feixue continued: "That Yue Feng was cunning and despicable, when he was in Qingyun City, he created an opportunity to get close to Master and win Master's favor, and Master was blinded by his appearance, so he became brothers with him. "

This.....

At this moment, the disciples present all trembled in their hearts and looked at each other.

That Yue Feng helped King Shaoyang defend Qi Zhou City, and he was a recognized hero, why did he deliberately approach Gu Qianqiu?

Under doubts, someone raised an objection: "That Yue Feng is deeply valued by the royal family, and he can be regarded as a hero, didn't he cherish the sect master and become a sworn brother?" When

the words fell, the other disciples also nodded.

"Of course not! Feixue's

delicate face was full of indifference, and he vetoed: "That Yue Feng City Mansion is extremely deep, and it seems that it is accidentally strong with the sect master, but it has actually been premeditated. "

Speaking of which, this Yue Feng is the person of the Mother-in-law Honghua, in order to help the Mother-in-law of the Red Flower, he deliberately approached the Sect Master, at that time outside Qingyun City, the Mother-in-law of the Red Flower came to look for trouble, Yue Feng helped the Sect Master on the surface, but secretly cooperated with the Mother-in-law of the Red Flower and severely damaged the Sect Master.

When

he said this, Feixue's tone was very sad and indignant.

Yes, these statements were all arranged in advance by Xiao Jue, deliberately smearing Yue Feng to achieve the purpose of controlling the Heavenly Dao.

What the?

Hearing this, the faces of the disciples present changed.

"Abominable..."

"This Yue Feng turned out to be this kind of person?" Subsequently

, many disciples spoke out angrily, in their hearts, Feixue was a personal disciple of Gu Qianqiu, and what she said was naturally the truth.

However, these disciples did not notice that Feixue looked sad, but there was no half of a look in his eyes.

Call!

At this moment, Feixue took a deep breath and continued: "That Yue Feng is very cunning, after the master was severely injured, he still looked like he wanted to avenge the master, and I was also kept in the dark and deceived by him. Speaking

of this, Feixue looked at Xiao Jue: "Fortunately, I met Senior Xiao later, and I saw through Yue Feng's conspiracy." "

Whoosh!

At this moment, the disciples present were not doubting, and one by one they were filled with righteous indignation and anger.

"The hateful Yue Feng dared to conspire with Mother-in-law Honghua to kill the ancient sect master.

"Such blood feuds will not be retributed." Seeing

this scene, Xiao Jue showed a smile on his face, and his mood was indescribably comfortable.

It's good that I managed to do it myself.

After controlling this flying snow, the situation of the entire main altar is also under control.

"Guys!
Excited

in his heart, Xiao Jue slowly stood up and looked at everyone: "The old man and Gu Qianqiu can be regarded as the best friends, but they have not returned because they have been practicing in seclusion for the past twenty years."

"The old man originally wanted to focus on the rivers and lakes, and together with the ancient sect master, he could carry forward the way of leaving the heavens, but he did not expect that he was killed by villains.

Speaking of this, Xiao Jue said loudly: "I, Xiao Jue, swear here that I will personally kill Yue Feng and avenge the ancient sect master." "

The last few words, loud and unquestionable.

Wow!

I have to say that Xiao Jue acted very similarly, and the emotions of the disciples present at this time were ignited, and one by one, they shouted under grief and indignation.

"Yes, kill Yue Feng and avenge the Sect Master.

At

this moment, Xu Shangzhi, who was waiting for an opportunity next to him, quickly walked out, knelt down in front of Xiao Jue in public, and said loudly: "Subordinate Xu Shangzhi, see the Sect Master, may the Sect Master lead us and revive the Heavenly Dao." "

Boom!

In an instant, the disciples inside and outside the hall also knelt down one after another, shouting in unison.

"Disciple see Sect Master.

Seeing this scene, Xiao Jiao couldn't say how excited he was, but his face did not show it, but he raised his hand: "Okay, everyone get up." When

the words fell, all the disciples got up one after another.

This is, Xiao Jue sat on the throne again, and said word by word: "Pass on my order, no matter how much it costs, you must also find Yue Feng's whereabouts, and once you see this person, shoot and kill."

When

he said this, Xiao Jue's eyes showed a trace of cruelty.

As long as he kills Yue Feng, no one will ever know the truth.

When the words fell, Feixue took a step forward and spoke, "In addition to Yue Feng, there are also Great Elders and Red Peony, they are in the same group as Yue Feng, and they also betrayed Master. None of these three should be spared. "

The disciple obeys the order.."

Hearing the order, nearly 10,000 disciples present responded in unison, and the momentum was heaven-shaking.

"Sect Master!

At this time, Xu Shangzhi saluted Xiao Jue and said respectfully: "Now that the situation in the main altar has been controlled by us, there are only those altar masters who refuse to obey." "

Hmm!

Xiao Jue nodded and said disapprovingly: "The general trend is not afraid that they will not surrender."

Saying that, Xiao Jue thought for a while, and his expression became solemn: "Just now, a disciple said that Gu Qianqiu is not dead, but he has passed out, and this matter must be investigated."

"Bingyu, I'll leave this matter to you."

Yan Bingyu nodded: "Yes, Master." "

.....

The other side.

In the dizziness, the fierce battle between Yue Feng and the mysterious white-robed old man continued.

Bang bang...

I saw that the two figures kept shuttling back and forth, colliding, and bursting out into a roar. The powerful aura fluctuations shook this vacuum space one after another.

The white-robed old man was originally very confident, but gradually, he became more and more frightened.

This kid was able to fuse the surrounding white lotus cold fire:

He saw that while Yue Feng was constantly fighting, the cold fire of the white lotus floating around him was constantly integrated into his body, and in this case, the more courageous he was.

"Good boy!

Shocked, the white-robed old man couldn't help but praise: "Being able to fuse the white lotus cold fire, it seems that the old man is underestimating you." "

Buzz!

When the words fell, the white-robed old man's right hand slowly raised, and a powerful force surged out.

"Fairy wind blowing shadow palm! A

few faint words came out of the mouth of the white-robed old man, and immediately after, a palm shadow burst out and shot directly towards Yue Feng.

Woohoohoo!

I saw that the palm shadow changed in the wind, one point two, two into three, in the blink of an eye, more than a dozen palm shadows changed, blocking Yue Feng's front and back retreats, all blocked.

What a mysterious palm.

Seeing this scene, Yue Feng was secretly shocked, and did not dare to have the slightest slack, there was nowhere to dodge at that time, it was worth using the power of the Yuan God to form a protective film around his body.

Bang bang...

In the next second, more than a dozen palm shadows slapped on the protective film, bursting out with a roar, and then the protective film shattered instantly, and Yue Feng also snorted, and was shocked tens of meters away by the volley...

"You..." After

stabilizing the figure, Yue Feng endured the churning of qi and blood in his body, and stared at the white-robed old man tightly: "You are an extraterrestrial immortal?" The strength of this old man was far beyond imagination, so Yue Feng couldn't help but think of the Jade Tong Immortal Weng he had met back then.

"Huh? Hearing

Yue Feng's words, the white-robed old man was stunned at first, and then nodded with a smile: "The kid has a bit of knowledge, and he can even see my identity." Yes, I am a Baiyi Immortal. "

Yue Feng guessed well, the old man in white in front of him, like the Jade Tong Immortal, is an extraterrestrial immortal, named Bai Yi.

Bai Yi traveled in the clouds for nine days, recently passing by the Tianxin Continent, and found that there was a place of dizziness here, so he stayed nearby, waiting for the Yunshui Xuanjing to be completely formed.

You know, it takes a long, long time for this cloud water Xuanjing to form, and these two days are the key to the key. Who knows, suddenly someone will break in.

Bai Yi Immortal had waited here for so long, how could he cheapen Yue Feng for nothing?

Sure enough, it was an extraterrestrial immortal.

Hearing the other party's answer, Yue Feng breathed a sigh of relief and said seriously: "Senior, this thing is very important to me, I hope that senior can let me." As he spoke, Yue Feng's eyes were full of expectation.

If you really want to work hard, you are not necessarily an opponent, you can only say good things.

Hehe!

Bai Yi Immortal smiled slightly, and looked Yue Feng up and down: "This baby, the old man has been guarding for a long time, why should he let you?"

Yue Feng was anxious: "Senior, I really use it to save people, my name is Yue Feng, you want you to give it to me, any dispatch in the future, I Yue Feng will never frown." "

Seriously, Yue Feng doesn't want to be so low, but in order to save Gu Qianqiu, he can only temporarily put aside his self-respect.

"Yue Feng? Hearing

Yue Feng's self-preservation name, Bai Yi Immortal was first stunned, and then surprised: "You are the Yue Feng who helped the God Domain and destroyed the Demon Race, and was later known as the Master of the Heavenly Emperor?" "

Yue Feng's name shocked the Divine Domain, and Bai Yi Immortals had heard about it.

If these words came out of the crowd, Yue Feng would only laugh it off, and when he heard Bai Yixian say this, he immediately looked humble and said with a bitter smile: "It's all a false name, senior Liao praised." "

6879 "Okay! Seeing

that Yue Feng was not arrogant or impetuous, Bai Yixian nodded approvingly: "Since you are here to save people, then let it be given to you, but you have to remember what you said just now, you owe the old man a favor." "

Whew!

Hearing this, Yue Feng was overjoyed: "Thank you senior." Bai

Yixian didn't talk nonsense, nodded, and then the figure flashed and disappeared without a trace.

Seeing Bai Yi Immortal leave, Yue Feng breathed a deep sigh of relief, and then grabbed Yunshui Xuanjing and quickly left the ground dizzy.

When I returned to the Crystal Palace, I saw that the dragon was still waiting there.

“Your Excellency!

At this moment, seeing Yue Feng come back safely, Jiaolong was pleasantly surprised: “You have finally returned, I am worried about you.” Saying

that, Jiaolong was even more shocked when he saw the Yunshui Xuanjing in Yue Feng’s hand: “Your Excellency is really powerful, and it is really gratifying that he actually got the treasure.”

Yue Feng smiled slightly: “Maybe I’m lucky.” Saying

that, Yue Feng looked at Jiaolong and said slowly: “You spare no effort to help me, you must ask for something, say, what do you want to get?”

“Your Excellency.

Guessed by Yue Feng’s thoughts, a trace of embarrassment flashed in Jiaolong’s eyes, and then said embarrassedly: “I stayed in this crystal palace for nearly a thousand years, and my only wish is to leave here and return to the land of the dragon clan.”

“I hope you can take me with you when you leave.”

After

saying this, Jiaolong looked at Yue Feng’s eyes, full of expectation.

It turned out to be trying to get out of here.

Hearing this, Yue Feng looked stunned, and nodded without thinking at that time:

“Okay, I promise you.” I’ll take you with me then, but I have other things to do before that.

“You stay here first, watch the teleportation array, and then I will come back to you.”

Under

an order, Yue Feng bid farewell to the dragon and left the Crystal Palace.

Call!

Soon, when he arrived on the island in the lake outside, Yue Feng couldn’t help but take a deep breath, and his mood was also extremely happy.

The heavenly material and earth treasure have arrived, hurry back, I am afraid that the senior Red Peony and Li Muchen are also in a hurry.

After an hour of flight, Yue Feng finally returned to the Qingyun City Palace.

After entering the back courtyard, I saw Red Peony and Li Muchen, sitting in the pavilion to rest, after two days of cultivation, Li Muchen's face returned to blood, and it seemed that he had almost recovered.

"Yue Feng!

"Brother Yue Feng! At

this time, seeing Yue Feng returning, Hong Peony and Li Muchen were both excited, and quickly got up to greet them.

When he arrived, Li Muchen couldn't hide his urgency: "How?" Found the treasure of heaven and earth?

At the same time, Red Peony's eyes were also full of expectation.

Hehe!

Yue Feng smiled slightly and took out the Yunshui Xuanjing: "My luck is not bad, I didn't disappoint my seniors." Saying that, he roughly said the situation encountered by the Crystal Palace.

Of course, when it came to Ling Luo and Rose, Yue Feng didn't say a word.

That's great!

Seeing Yunshui Xuanjing, Li Muchen and Red Peony were extremely excited.

After a few pleasantries, Yue Feng quickly approached the room and began to use Yunshui Xuanjing on Gu Qianqiu, when Li Muchen and Red Peony were quietly guarding the side, and the atmosphere did not dare to come out.

After using the Yunshui Xuanjing, Yue Feng stood on the side and waited, and his mood was also a little apprehensive.

Call!

I don't know how long it took, I saw Gu Qianqiu slowly open his eyes, his originally pale face was extremely white, and he also recovered some blood, but he had been in a coma for too long, and he was still a little weak at this time.

Ha ha...

Seeing him wake up, Yue Feng was very happy, and immediately smiled: "Big brother, you have finally woken up." Li

Muchen and Red Peony next to them were also excited.

"Great, the sect master has finally woken up.

"Haha, I know that Sect Master Jiren Tianxiang will never be fine, but then again, this time it all depends on the Yue Feng brothers." Listening

to the laughter of the three, Gu Qianqiu reacted and looked dazed: "I... I'm not dead? Before he passed out, he had already confessed his life.

Seeing his confused expression, Li Muchen smiled and said, "Sect Master, you stepped into the ghost gate with one foot and closed, but in the end, it was Brother Yue Feng who pulled you back."

Subsequently, Li Muchen said in detail what happened in the past few days.
