

## The ultimate husband in Chinese chapter 6880

When chapter

6880 was narrated, Li Muchen's face was full of approval.

Call!

Knowing the situation, Gu Qianqiu was indescribably moved, and said to Yue Feng: "Brother, thanks to you this time." "It is really an honor to know such a brother in this life.

Yue Feng smiled slightly: "Big brother will see the outside when he says this." Saying that, Yue Feng took out a few pills from his body: "Big brother has just woken up, his body is still very weak, these pills can help you recover your strength early."

"Good, good! Gu Qianqiu took the pill with a smile.

Immediately, Gu Qianqiu looked around, and suddenly thought of something: "By the way, what about Feixue?" He and Feixue were the same father and daughter, and if he didn't see her present at this time, he had some bad premonitions in his heart.

Alas....

At this moment, Yue Feng and Red Peony looked at each other and couldn't help sighing.

Red Peony bit her lip lightly, hesitated, and responded, "Sect Master, Feixue she... She has been missing for three days. After you fell into a coma, Feixue and I brought you to the palace, Yue Feng led away the enemy, and then Yue Feng did not return, Feixue went out to find...." Saying that, Red Peony told the situation at that time.

As soon as the words fell, Yue Feng said with a face full of self-blame: "Blame me too, there was no arrangement at that time." Otherwise, these things would not have happened. At

this time, Yue Feng was unspeakably worried in his heart.

At that time, Feixue's whereabouts were unknown, so he ordered Bai Haijian to investigate, but three days passed, and there was no news of the disappearance, it seemed that something had happened.

Call!

Knowing these situations, Gu Qianqiu took a deep breath and said slowly: "Feixue, this girl, has a kind heart, and hopes that she can turn into luck."

After that, Gu Qianqiu took the pill and began to meditate cross-knee to recover.

Yue Feng stood guard on the side for a while, then walked out of the room, ready to meet King Shaoyang and Ying Kuang.

As soon as he walked out of the room, he saw Bai Haijian walking quickly.

“Mr. Yue Feng! Seeing

Yue Feng, Bai Haijian immediately quickened his pace and greeted him.

When he arrived, Bai Haijian couldn't hide his excitement: “Sir, you asked me to pay attention to the situation away from the Heavenly Dao Altar before, and finally let us find some clues.” “

Great!

Hearing this, Yue Feng was very excited: “What clues have you found?”

Bai Haijian responded, “We found out that just before Senior Li Muchen returned to Qingyun City, a woman had gone to the altar called Yan Bingyu.” “

Yan Bingyu?

Xiao Jue's female apprentice.

Yue Feng nodded and continued to ask, “Then what is Yan Bingyu doing when he comes back?”

Bai Haijian scratched his head and said a little embarrassed: “What is the purpose of that woman's return, we didn't find out, but when she left, there was a woman with her, and her subordinates guessed that it should be the missing Flying Snow girl.” “

Flying snow?

Knowing this, Yue Feng's spirit was shocked: “Are you sure?”

Bai Haijian nodded: “It shouldn't be wrong.” For

a while, Yue Feng groaned, his brows locked, didn't Feixue go to find me? How could it be in the branch altar of Qingyun City? Had she been caught?

If she was caught, where did Yan Bingyu take her?

“Sir!

Just as Yue Feng was secretly thinking, Bai Haijian continued, "In addition to this matter, we just got some news about the Heavenly Dao. "

Whew!

Yue Feng slowed down and nodded, "Say!"

Bai Haijian's face became solemn, and he slowly said, "According to reliable information, Na Xiao Jue arrived at the main altar of the Heavenly Dao yesterday, received the support of the disciples of the main altar, and has successfully sat on the position of sect master. "

Marde!

Receiving this news, Yue Feng couldn't help but scold secretly, this Xiao Jue moved quite quickly, and he controlled the situation in the main altar so quickly. Looking at the situation, Yan Bingyu should have taken Feixue and went to the main altar with Xiao Jue at that time.

Realizing this, Yue Feng couldn't help but feel a little worried.

That Xiao was ruthless, and the flying snow fell on his hands, I am afraid that it is fierce.

Thinking of this, Yue Feng said to Bai Haijian: "Okay, I know, thank you Bai Guard."

"You're welcome, sir!

Bai Haijian answered, and then bowed and retreated.

Alas!

Watching Bai Haijian walk away, Yue Feng couldn't help but sigh, and his mood was difficult to calm down for a while.

At this moment, Li Muchen and Hong Peony walked out, and they all heard the conversation between Yue Feng and Bai Haijian just now.

Chapter

6881 "Yue Feng!

At this time, Red Peony's delicate face showed a bit of anxiety, and she took the lead in speaking: "Feixue was caught by Xiao Jue, we must save her." When

the words fell, Li Muchen said angrily: "This Xiao is too ruthless, in order to achieve the goal, he didn't even let go of Feixue." "

Whew!

Yue Feng took a deep breath and said slowly, "Feixue will definitely save it, it's just... Big Brother Gu has not yet recovered his strength, and we still need to plan for the long term. "

Seriously, Yue Feng is not afraid of Xiao Jue, but the other party has already controlled the main altar of the Heavenly Dao, moreover, Feixue is still in the hands of the other party, so you must be cautious.

Hearing this, Hong Peony and Li Muchen looked at each other and were about to respond.

However, at this moment, Gu Qianqiu's voice came from the room: "If my beloved disciple is arrested, if I Gu Qianqiu is still indifferent, how can I gain a foothold in the rivers and lakes in the future?"

The moment the

words fell, Gu Qianqiu slowly walked out with a resolute expression: "We can rush to the main altar to rescue Feixue." Li

Muchen and Red Peony were both excited.

This...

Yue Feng hesitated and couldn't help but say, "But you haven't recovered your strength yet. I'm just afraid..." Without

waiting for him to finish, Gu Qianqiu smiled suddenly: "Over the years, I Gu Qianqiu didn't know that I had experienced a lot of storms, and I haven't put it in my eyes."

"Twenty years ago, I could get him back to the mountains, and twenty years later, I could still win him." When

he said this, Gu Qianqiu's tone was weak, but he was full of pride, which made people's blood boil.

"Good!

Hearing this, Yue Feng was also infected, and immediately laughed: "Since the eldest brother said so, I will go with you." The

words fell, and the brothers looked at each other and laughed.

Then Yue Feng and Gu Qianqiu discussed, and rushed to the front hall to meet King Shaoyang and Ying Kuang.

When I arrived at the front hall, I saw Shaoyang King and Ying Kuang, studying in front of the sand table.

Yue Feng showed a hint of a smile and spoke, "Wang Ye, Your Majesty!" "

Haha...

Hearing Yue Feng's voice, Shaoyang King and Ying Kuang were both overjoyed.

"Great, sir, you can be considered back. "

We are studying the terrain of Qi Zhou City and preparing to fight back..." After

these few days of cultivation, the morale of more than 100,000 soldiers in Qingyun City has been completely restored, and King Shaoyang is discussing with Ying Kuang to organize a counterattack and retake Qi Zhou City.

At this time, Yue Feng heard King Shaoyang's thoughts, and immediately nodded: "Ji Beiye was defeated before, in a short period of time, it is difficult to revive the army's heart, and it is time to rework!" Seeing

Yue Feng say this, Shaoyang King and Ying Kuang were extremely excited.

Especially King Shaoyang, immediately laughed and said: "With the words of Mr. Ben, King Ben is more confident, but this counterattack, Mr. is indispensable, I hope Mr. can accompany us."

When

he said this, King Shaoyang's eyes were full of expectation.

Ying Kuang also stared at Yue Feng closely, waiting for his answer.

You know, Yue Feng is a generation of military wizards, and with his help, he will be invincible.

Belch....

Facing the invitation, Yue Feng scratched his head and said very embarrassed: "I'm afraid I can't go along this time, there is a very important thing that I need to do personally." "

Although counterattacking Qi Zhou City is important, in Yue Feng's heart, Feixue's safety is even more important.

No matter what, this time he will go with Gu Qianqiu to save her.

This.....

Hearing the answer, Shaoyang King and Ying Kuang looked at each other, and they were both a little disappointed.

At this time, Yue Feng smiled and said: "But Your Majesty and Wang Ye rest assured, after I finish my affairs, I will rush to Qi Zhou City as soon as possible, but I will definitely help with all my strength."

"Good! Seeing

him say this, King Shaoyang came out with a smile: "Then my Majesty and I will wait for the good news from Sir." When

the words fell, Ying Kuang also spoke: "Sir, take care, Wang Ye and I are waiting for you in Qi Zhou City." "

Hmm!

Yue Feng nodded, chatted a few more words, and left.

Half an hour later, Yue Feng and Gu Qianqiu left the palace and quickly rushed towards the main altar of the Heavenly Dao.

In Yue Feng's heart, this operation was very hidden, and no one would know their whereabouts, but he didn't know that as soon as he left Qingyun City, he was targeted.

.....

On the other side, away from the main altar of the Heavenly Dao.

## **The ultimate husband in Chinese chapter 6882**

Chapter 6882

In the main hall, Xiao Jue was sitting there closing his eyes and nurturing his mind.

"Master!

At this moment, Yan Bingyu walked in quickly, shouting, and the excitement on his delicate face could not be concealed.

Xiao Jue opened his eyes and frowned: "Didn't Master Wei tell you before, you must report first when you come in in the future, why is it so unruly?"

“I’m so happy to forget.” Yan Bingyu stuck out his tongue and said with a smile: “In the future, the disciples must pay attention.” Seeing

her like this, Xiao Jue shook his head and smiled: “What is so happy?”

Yan Bingyu took a step forward and said impatiently: “I found out the whereabouts of Gu Qianqiu, Master, we were really deceived before, that Gu Qianqiu is really not dead.”

When

he said this, Yan Bingyu’s delicate face had some complexity.

Not dead?

Hearing this, Xiao Jue’s heart was shocked, and he immediately stood up: “Really?”

Yan Bingyu nodded and said slowly: “I just got news from Qingyun City, a few hours ago, someone saw Gu Qianqiu and Yue Feng, Li Muchen, and Red Peony leaving from Qingyun City.

“So Qianqiu looks a little weak, probably seriously injured and has not yet healed.

Moreover, the four of them came to the main altar, and the disciple felt that they should have known the news that Master was the sect master.

At the end, Yan Bingyu took a deep breath and said with some concern: “Master, what should we do?” “

Whew!

At this moment, Xiao definitely did not answer immediately, but took a deep breath and pondered.

Gu Qianqiu and Na Yue Feng were really cunning, and they had been deceived by them before...

But fortunately, I was prepared.

Thinking of this, Xiao Jue smiled slightly, and said to Yan Bing: “They sent them to the door, just to my liking.” If I’m right, they came to rescue Flying Snow. Let’s use the flying snow as bait to catch them all. Yan

Bingyu is a smart woman, hearing this, she immediately understood, and praised with a smile: “It’s still Master is powerful, I didn’t expect this...”

At this time, Xiao Jue was in a very good mood and waved his hand: “Don’t slap the horse, quickly call Feixue and Xu Shangzhi, let’s make a good deployment.”

“Yes, Master! ”

.....

The other side.

The four of Yue Feng and Gu Qianqiu finally arrived near the imperial capital after several hours of hurrying.

At this time, night gradually fell, Yue Feng looked at the sky and couldn't help but say: “Big Brother Gu, Senior Li, it's getting late, let's find a place to rest first.” Speaking

of which, it was only a few hours away, and Yue Feng was not tired at all, but Gu Qianqiu woke up not long ago, and he was still a little weak, so it was not appropriate to continue to hurry.

Well!

Gu Qianqiu nodded.

Li Muchen also had no opinion, looked at the surrounding terrain, and said: “I remember, on the hillside a few miles ahead, there is a broken temple, let's stop there.” Saying

that, Li Muchen walked in front to lead the way.

Yue Feng and Gu Qianqiu slowly followed.

Soon arrived at the broken temple, the red peony in the dusty hall, cleared a clearing, and then found some straw, let Gu Qianqiu meditate cross-knee to rest.

Yue Feng was a little uneasy, after all, this place was not far from the main altar, so he inspected around the temple.

After making sure that there was no danger, Yue Feng sat at the door and closed his eyes.

At this time, it was completely dark.

Rustling...

I don't know how long it took, Yue Feng clearly heard the sound of footsteps coming from under the mountain, this footsteps were very light and light, and the distance was very far, at least two hundred meters away, but it was still heard clearly by Yue Feng.

Swish.

In an instant, Yue Feng instantly opened his eyes and quickly stood up.

Seeing Yue Feng's actions, Gu Qianqiu and Li Muchen were all surprised.

In the next second, Red Peony couldn't help but ask: "What's wrong?" "Yue Feng has the Red Lotus Protective Body of the Law Master, and his perception is very keen, so he can sense the sound of footsteps, but the three of them can't detect it at all.

After all, the footsteps were two hundred meters away, too far.

Call!

Yue Feng took a deep breath and said darkly and solemnly: "Someone is coming from under the mountain, let's be careful." When

the words fell, Yue Feng's figure flashed and jumped onto the eaves of the temple gate.

Someone?

Hearing this, whether it was Gu Qianqiu, Li Muchen and Hong Peony, they were all surprised.

The surroundings were quiet, didn't you hear anyone's movement?

## **The ultimate husband in Chinese chapter 6883**

Chapter 6883, however, seeing Yue Feng's solemn expression,

the three of them did not dare to be careless.

Li Muchen and Hong Peony quickly got up and stood guard at the entrance of the hall.

At this moment, Yue Feng crouched on the eaves of the gate, squinting and looking down the mountain, and saw a slim figure rushing over.

Although it is far away and you can't see your face for the time being, the graceful curve can also make people guess that it is a beautiful woman.

Moreover, Yue Feng saw that this woman was very fast, but her steps were a little flustered, and she looked very nervous, obviously running for her life.

Call!

Seeing this, Yue Feng couldn't help but frown secretly.

On this big night, a single woman appeared in this wilderness, which was a little suspicious.

As she muttered, the woman had already arrived dozens of meters in front of the broken temple, and at this time Yue Feng finally saw the other party's face, and her heart was shocked and surprised.

I saw that the woman's facial features were absolutely beautiful, and the country was overwhelmed.

Exactly flying snow.

It's just that between the eyebrows, there is a little fatigue, a little embarrassment.

"Flying snow!

Overjoyed, Yue Feng immediately shouted, and then turned back to Gu Qianqiu and the three people: "Big brother Gu, it's Feixue..."

Before

the words fell, Yue Feng flew down, quickly rushed to Feixue, and said with a smile: "We are coming to save you, but I didn't expect to meet here, and I was relieved to see that you are okay."

While speaking, Yue Feng looked at Feixue tightly, a little distressed.

In the past few days, I don't know how much she has suffered.

Well!

Hearing Yue Feng's words, Feixue nodded, his attitude a little indifferent.

Yue Feng didn't notice that something was wrong, thinking that Feixue was too tired to be like this, but he didn't know that Feixue at this time was completely controlled by Xiao Jue, and he didn't have his own thinking at all.

At this time, the three of Gu Qianqiu came out of the temple and were also excited to see that it was flying snow.

"Flying snow!

At this time, Red Peony shouted happily, walked over quickly, and took Feixue's hand: "Are you okay, do you know how worried I am about you." Saying

that, Red Peony glanced back at Gu Qianqiu: "Look, the sect master has awakened, this time thanks to Yue Feng."

Feixue smiled shallowly and said to the red peony: "It worries you."

Saying that, Feixue walked towards Gu Qianqiu and saluted when he arrived: "Master." When he spoke, Feixue's delicate face was full of respect, but his eyes were indifferent, and there was no emotional flow.

Because the sky was dark, Gu Qianqiu and Red Peony did not notice it.

Well!

At this moment, Gu Qianqiu looked Feixue up and down, and couldn't hide his joy: "Along the way, I was worried about you, and I was very happy to see that you were okay."

At this moment, Yue Feng came over and asked Feixue, "Feixue, where have you been these days?" Was it captured by Xiao Jue? When

the words fell, the three of Gu Qianqiu also looked at Feixue closely, waiting for her answer.

"I..."

Feixue bit her lip lightly and said slowly, "I was arrested by that Yan Bingyu at that time, and then she brought me back to the main altar and asked me to support Xiao Jue as the sect master in public. "

Abominable!

Hearing this, Li Muchen was so angry that he couldn't help but scold: "Xiao Jiao, this scum, I knew that he would do such a thing." "

Gu Qianqiu and Red Peony are also extremely angry.

Yue Feng nodded: "I got news before that you were taken away by Yan Bingyu, it seems that the news is true."

At this time, Red Peony couldn't help but ask, "Feixue, how did you escape?" "

Whew!

Feixue exhaled and responded: "I didn't support Xiao Jue at that time, I was locked up by them, I didn't eat or drink, and by tonight, I pretended to be unconscious, and then stunned the two disciples who were guarding me, and escaped."

Saying that, Feixue looked at the broken temple in front of him: "I didn't expect that I just fled here and ran into you." "

Haha...

At this moment, Li Muchen couldn't help but laugh and said: "I know that Feixue, this girl, Jiren Tianxiang, will definitely be fine, and now it seems that it is indeed a lucky star high light." When

the words fell, Gu Qianqiu and Red Peony also laughed and nodded in agreement.

However, none of them knew that all this was Xiao Jue's plan, when Xiao Jue learned that the four of Gu Qianqiu had arrived at the main altar, he deliberately sent flying snow to create the illusion of encountering by chance.

## **The ultimate husband in Chinese chapter 6884**

Chapter 6884

At this moment, Yue Feng also showed a smile.

Feixue is fine, and I don't have to worry about it.

At this time, Feixue looked behind him and said: "When I escaped, I was seen by a few patrol disciples, it is estimated that they are about to chase after me at this time, this place should not stay for a long time, let's hurry up." "

Hmm!

Gu Qianqiu nodded and had no objection.

Speaking of which, the purpose of coming to the main altar this time is to rescue Feixue, and now that Feixue has been found, there is no need to take risks.

Gu Qianqiu thought about it, and when his strength was completely restored, he would come back to find Xiao Jue to settle the account.

Hong Peony also nodded and agreed: "This is not far from the Imperial Capital Altar, so let's go there first." "Although the altar of the imperial capital has been destroyed in the war, it can also take a temporary rest.

"Yes!

Li Muchen agreed: "Go to the imperial capital altar first!"

"Nope!

However, as soon as the words fell, Feixue shook his head: "The imperial capital is divided into altars, there is Xiao Jue's eyeliner, we used to throw ourselves into the net, I know a place, where it is not easy to find." Hearing

this, Hong Peony and Li Muchen glanced at each other, and then looked at Gu Qianqiu.

Gu Qianqiu pondered and nodded, "Listen to Feixue."

At this time, Gu Qianqiu was completely immersed in the joy of the reunion of master and apprentice, completely unaware that the flying snow in front of him was very different from before.

Feixue said no more, led the way in front, and walked towards the bottom of the mountain.

Gu Qianqiu and Yue Feng quickly followed.

Along the way, Yue Feng wanted to talk to Feixue several times, after all, Feixue was arrested because he was looking for him, but what made Yue Feng depressed was that Feixue seemed to ignore Yue Feng's existence and ignored him, very indifferent.

Alas!

For a while, Yue Feng sighed secretly in his heart.

It seems that he didn't find her at the first time, and Feixue was angry.

Unconsciously, Feixue took Yue Feng and the four people to a steep canyon, and saw that this canyon was very narrow, the widest point was only a few meters, and the narrowest part could only allow one person to pass through, and the mountain walls on both sides were smooth and steep.

Li Muchen was more familiar with this generation, and couldn't help but say at this time: "Feixue girl, where is the resting place you said?" I've been here a few times, and there's no place to hide..." When

the words fell, Yue Feng and Red Peony were also secretly curious.

However, Feixue just looked at Li Muchen quietly, did not respond, and there was no half of the mood fluctuations on his delicate face.

Rumble....

Li Muchen wanted to ask again, but at this moment, on the cliff on the left, there was a sudden vibration, and then he saw a huge rock falling.

Seeing this scene, several people were taken aback.

“Flash away! In

the next second, Yue Feng reacted quickly, shouted, and then pulled the red peony beside him, and quickly retreated to dodge.

Li Muchen and Gu Qianqiu also quickly dodged.

Crash....

As soon as he dodged the boulder, he heard a sound of footsteps in front and behind, and then dozens of disciples quickly arrived and wrapped Yue Feng and several people in front and behind.

I saw that the person at the head was full of grim and proud faces.

It was the first altar master to turn to Xiao Jue, Xu Shangzhi.

Worst! in ambush.

Seeing this situation, whether it was Yue Feng or Gu Qianqiu, their faces changed. However, in their hearts, they thought that they had accidentally entered each other's trap, and they did not realize that Feixue deliberately brought them in.

Hahaha...

At this time, Xu Shangzhi looked at Yue Feng and Gu Qianqiu, and laughed proudly: “You few caught fish have finally been caught by me, see where you run.” “

Ugh!

Seeing his villainous appearance, Li Muchen was furious, and shouted angrily on the spot: “Xu Shangzhi, you are not small, dare to betray the Heavenly Dao?” “

Betrayal?

Xu Shangzhi seemed to have heard the joke, and sneered at that time: “I, Xu Shangzhi, have always been loyal to the Heavenly Dao, how can I betray it?”

As soon as

the words fell, Red Peony took a step forward and said coquettishly: “Xu Shangzhi, look at your eyes wide, the sect master is here, but you committed the following offense, isn't it a betrayal?” “

Whew!

Xu Shangzhi took a deep breath and looked at Gu Qianqiu behind the red peony, his face changed at that time, and then said disdainfully: "Okay red peony, you don't have to pretend anymore, your plan has long been recognized by Sect Master Xiao." "

## The ultimate husband in Chinese chapter 6885

Chapter

6885 "Gu Qianqiu is dead, Sect Master Xiao is highly respected and has been elected as the new Sect Master, and you, in order to subvert the way of leaving heaven, actually find someone to impersonate Gu Qianqiu, what is your intention?"

When

he said this, Xu Shangzhi was right, but his eyes were shining with coldness and cunning.

Yes, this was exactly what Xiao Jue had arranged in advance. In order to avoid Gu Qianqiu returning to control of the situation, he released the wind in advance, saying that Yue Feng and the others had found a fake Gu Qianqiu.

Swish!

Hearing this, Gu Qianqiu was furious, and looked at Xu Shangzhi angrily at that time: "Xu Shangzhi, you really don't recognize me?" "

This Xu Shangzhi is really abominable, not to mention betrayal, and dare to slander me as a fake.

Hehe!

Facing Gu Qianqiu's eyes, Xu Shangzhi was very apprehensive in his heart, but thinking of Xiao Jue's support behind him, he suddenly had the courage to sneer: "You are an impostor, you should also point fingers in front of me?" Wait until there is your suffering.

He clearly felt that Gu Qianqiu had not yet recovered from his serious injuries, and he was still very weak at this time, and his heart was even less panicked.

Villain...

Hearing this, Gu Qianqiu's face turned gloomy, and his anger became even stronger.

Yue Feng also frowned secretly.

Mad, looking at this situation, the other party has already prepared.

"Be bold!

At this moment, Li Muchen was also angry, and scolded at Xu Shangzhi angrily: "You shameless villain, you don't even recognize the ancient sect master, it's really a shame to have scum like you from the Heavenly Dao." In

the face of the angry scolding, Xu Shangzhi chuckled and ignored it.

"Sect Master?"

At this moment, a deep voice came slowly from the rear: "Gu Qianqiu is dead, can only be regarded as the previous sect master, Li Muchen, you are also old and confused, in order to stabilize the position of your elder, you actually conspired with an outsider to find someone to impersonate Gu Qianqiu." The

voice was low, revealing an aura that should not be underestimated.

Swish!

Hearing this voice, whether it was Li Muchen, Yue Feng and Gu Qianqiu, they were all shocked, and then quickly looked behind them.

I saw that on the narrow canyon road behind, dozens of figures slowly came, led by a black robe, with a powerful aura around his body.

It was Xiao Jue.

And behind Xiao Jue, there is also a beautiful and charming figure, Fanghua peerless!

It is Yan Bingyu.

Ma De, Xiao Jue is also here.

Seeing Xiao Jue appear, Yue Feng and Gu Qianqiu both frowned secretly, and their faces became solemn.

Crash!

Xu Shangzhi and the others were extremely excited, hurriedly saluted, and shouted in unison.

"Welcome Sect Master!"

Xiao Jue raised his hand, signaling everyone to dispense, and then looked at Li Muchen: "Elder Li, I haven't seen it for many years, but my demeanor is still ah."

Saying that, Xiao Jue put away his smile and said word by word: "Elder Li, relying on a few of you alone, nothing can be changed at all, I advise you to surrender quickly, as long as you are willing to submit, the position of this first elder is still yours." "

Huh!

Hearing this, Li Muchen sneered, and he didn't want to think about it at that time: "Xiao Jue, I haven't seen you for many years, you are still so shameless." Want to be the sect master, do you deserve it?

When

he said this, Li Muchen's face was full of contempt and mockery.

This Xiao Jue, using such despicable means to seize the position of the sect master, and said so upright, is really shameless.

"Well..." Seeing

Li Muchen so simply refused, Xiao Jue's face sank, and his heart was extremely annoyed.

Old stuff, really ignorant.

"Li Muchen! Seeing

this scene, Xu Shangzhi suddenly shouted, pointed at Li Muchen and scolded: "What an old stubborn, the sect master kindly invited you, but you are so ignorant and dare to disrespect the sect master, I see that you are looking for death." "

Since he turned to Xiao Jue, Xu Shangzhi has always wanted to perform well, and naturally he will not let go of such a good opportunity at this time.

Airplanes!

When the last word fell, Xu Shangzhi pulled out the long sword with his right hand, and then the figure burst out, and the long sword cut a cold light, quickly stabbing towards Li Muchen's heart.

Speaking of which, if it was ordinary, Xu Shangzhi would not dare to be so arrogant, after all, he was just a sub-altar master, and his strength was only seventh-grade, while Li Muchen was a great elder, and his cultivation had reached the peak of the eighth rank. In terms of heritage, Xu Shangzhi is not an opponent at all.
