Chapter

6895 "Very good!

Haotian didn't notice the change in Ji Beiye's face, and when he heard the news, he immediately nodded: "You can prepare and leave for Qingyun City."  
As he spoke, Hao Tian's eyes flashed with a fighting intent.

Yue Feng.... This time, let's do the math.

Good boo!

Ji Beiye waited for this sentence, immediately nodded, and then rushed to the guards behind him: "Order the three armies, and you can leave Qingyun City."

At this time, Ji Beiye was indescribably excited in his heart. This time, His Excellency Haotian is sitting in town, and there is no need to be afraid of that Yue Feng.

"Yes, General! Hearing

the order, several guards behind him responded in unison.

Half an hour later, Ji Beiye led an army of hundreds of thousands and left Qi Zhou City in a mighty manner, heading towards Qingyun City.

.....

The other side.

On the official road a hundred miles southeast of the imperial capital, an army of 100,000 people was slowly marching towards Qizhou City. From a distance, there are many long knives, and the momentum is like a rainbow.

It was the defenders of Qingyun City.

At the front of the army, King Shaoyang and Ying Kuang, riding two white horses side by side.

Call!

At this time, seeing a gentle hillside in front of him, King Shaoyang took a deep breath, turned around and shouted at the army: "All the soldiers stop and rest on the hillside." "

Boom!

When the words fell, 100,000 soldiers stopped one after another and rested on the hillside.

King Shaoyang and Ying Kuang also turned over and dismounted, found a grass, sat down, passed the imperial capital, and were about to arrive in Qizhou City, at this time both of them were in an indescribable mood.

However, thinking of Yue Feng, Ying Kuang became a little worried, and couldn't help but say: "Sir said yes, we will meet before we rush to Qi Zhou City, but now a day has passed, and there is still no news."

Saying that, Ying Kuang looked into the distance and muttered, "Sir won't be in trouble."  
“

Huh...

Feeling Ying Kuang's concern, King Shaoyang smiled slightly and persuaded: "Your Majesty does not need to worry, Mr. Yue Feng is resourceful and omnipotent, even if he encounters danger, he can turn the evil into luck." During

this time, with the in-depth understanding of Yue Feng, the more confident King Shaoyang became in his ability.

Da-da....

As he spoke, there was a sound of horses' hooves in the distance, and then several scouts quickly arrived.

Scouts are soldiers who specialize in spying on intelligence, and before setting out, King Shaoyang sent many scouts to investigate the situation of all parties.

Seeing the scout coming, King Shaoyang and Ying Kuang both subconsciously stood up.

"Your Majesty, Wangye! Soon

, several scouts arrived, quickly dismounted and knelt on the ground, with an anxious tone: "It's not good, we have detected the news of Mr. Yue Feng, he was caught leaving the main altar of the Heavenly Dao..."

"The new Sect Master of the Leaving Heavenly Dao, Xiao Jue, said that Mr. Xiao killed the previous Sect Master Gu Qianqiu, and is preparing to execute Mr. in public at tomorrow's succession ceremony. When

he said this, several scouts were sweating and anxious.

What the?

Knowing this, Shaoyang King and Ying Kuang were both shocked in their hearts, and they looked at each other, both of them were furious.

Mr. Yue Feng was actually arrested by Leaving Heaven's Dao...

"Bastard!

In the next second, Ying Kuang reacted and immediately cursed angrily: "That one called Xiao Jue is simply daring, dare to move Mr. Yue Feng, do you want to die?" The

most admired person in Ying Kuang's heart was Yue Feng, and when he learned that Yue Feng had been arrested, he was immediately angry.

When the words fell, King Shaoyang also frowned, and slowly said: "Mr. Yue Feng is righteous and Bo Yuntian, and that Gu Qianqiu is a sworn brother, how can he harm his sworn eldest brother?"

Saying that, King Shaoyang asked the scouts, "When you probed this news, can you find out where the main altar of the Heavenly Dao is?" "For thousands of years, the main altar of the Heavenly Dao has been unknown.

Several scouts quickly responded: "Yes!

"It's just northwest of the imperial capital..."

King Shaoyang nodded, and then looked at Ying Kuang: "Your Majesty, the situation is critical, without further ado, let's quickly rush to the main altar of the Heavenly Dao, and rescue Mr. first." "

Hmm!

Ying Kuang nodded, did not have the slightest nonsense at that time, looked around, and said loudly: "The whole army listened to the order, and immediately rushed to the main altar of the Heavenly Dao, there must be no mistake." "

Chapter

6896 "Obey! "

After receiving the order, 100,000 soldiers responded in unison, shocking the clouds.

A few minutes later, under the leadership of King Shaoyang and Ying Kuang, the 100,000-strong army re-entered the road and headed towards the main altar of the Heavenly Dao.

.....

At this time, leave the main altar of the Heavenly Dao.

In the prison, Yue Feng, Gu Qianqiu, Red Peony and Li Muchen were dead, one by one, sitting there with a gloomy expression.

Yue Feng looked calm, leaned there, and silently urged the power of the Yuan God to heal his injuries.

He is a Xuan Sheng body, and he has the Dharma Red Lotus Protective Body, and the two ribs that were broken by Feixue before have healed at this time, and in two hours, he will be able to break through the acupuncture path.

“Brother Yue Feng!

At this moment, Li Muchen next to him couldn't help but ask Yue Feng, “How are your injuries?” “

There are a few people present, it is Red Peony and he who is the most seriously injured, which makes people have to worry.

Call!

When the words fell, Gu Qianqiu took a deep breath, his face full of shame: “Brother, it's me who burdened you.”

Yue Feng smiled indifferently and said indifferently: “Big brother, don't say such things, this injury is nothing to me, the broken ribs have healed, and in two hours, I will be able to reopen the acupuncture path.”

Gu Qianqiu knew that he did not belong here, and when he heard this, he was not too surprised, but nodded and relaxed his heart.

What the?

Li Muchen was shocked, looking at Yue Feng blankly, his eyes were full of incredulity: “Brother Yue Feng, it is really a genius of heaven...” In

less than half a day, the broken ribs can heal on their own, this strength, looking at the entire rivers and lakes, how many people can do it?

It's incredible...

Squeak:

As he spoke, he saw that the stone door of the prison was slowly pushed open, and then more than a dozen disciples walked in with Xiao Jue in a hug.

Seeing Xiao Jue, Li Muchen's face turned cold.

Gu Qianqiu also frowned secretly.

At

this time, Xiao Jue walked over slowly, first looked at Yue Feng, then at Gu Qianqiu and Li Muchen, and said with a sad smile: "Several of them are in good condition." The

words were full of sarcasm.

Gu Qianqiu snorted coldly and ignored it.

Li Muchen couldn't help but be angry, and cursed: "If you have something, say it, and let it go if you have a fart." "

Huh...

Xiao Jue sneered, and did not calculate with Li Muchen at that time, but waved his hand at the disciple behind him: "You guys retreat first, watch the door, no one should come in without my order."

"Yes, Sect Master! Hearing

the order, a dozen disciples quickly retreated outside the prison door.

Watching those disciples leave, Xiao Jue slowly walked in front of Gu Qianqiu and said with a smile: "Gu Qianqiu, didn't you expect that one day you would fall into my hands?"

"Twenty years, I waited for a day, twenty years. Feeling

Xiao Jue's pride, Gu Qianqiu was surprisingly calm: "What do you want to say?" "This Xiao Absolute City Mansion is extremely deep, and without a purpose, he will definitely not come to the prison, let alone remove all his disciples for no reason.

Xiao Jue smiled slightly, and his face became serious: "Gu Qianqiu, you and I have known each other for decades, if it were not for the competition for the position of sect master, we might have become friends of life and death."

"To be honest, I admire you, and I can't bear to kill you like this."

Speaking of this, Xiao Jue leaned down and looked at Gu Qianqiu seriously: "Now that the overall situation has been decided, it is no longer possible for you to regain the position of sect master, it is better to tell me the way to open the Xuanwu treasure house, as long as you are willing to say it, I will release a few of you." What do you think? At

this time, Xiao Jue's face was full of sincerity, but his eyes showed a bit of treachery.

In the Heavenly Dao, in addition to the jade sword that symbolizes the identity of the sect master, there is also the Xuanwu treasure house in the forbidden land of the back mountain, and in the Xuanwu treasure house, in addition to sealing some treasures, elixirs, and more than a dozen peerless secrets.

And the Xuanwu treasure house, only the sect master can enter, even the great elder, do not know the way to open it.

Although Xiao Jue successfully sat on the Sect Master and still had a jade sword in his hand, he only didn't know how to enter the Xuanwu Treasure House, and at this time, he wanted to come to Gu Qianqiu to exchange conditions.

Of course, Xiao definitely did not really want to let go of the ancient Qianqiu, and it was just a stopgap measure to say quid pro quo at this time.

## **The ultimate husband in Chinese chapter 6897**

### Chapter 6897

Xiao Jue thought about it, first tricked Gu Qianqiu into saying a way to open the Xuanwu treasure house, and then cut the grass and remove the roots....

Xuanwu treasury?

Hearing this, Gu Qianqiu showed a hint of a smile.

No wonder it's so mysterious, it turns out that I want to know the way to open the treasure house of Xuanwu...

Sneering, Gu Qianqiu said without thinking: "Xuanwu treasure house, only the true sect master is qualified to enter, you just forget it, die this heart." "

This Xiao is ruthless, and he does not compromise the means if he does not achieve the goal.

Leaving the Heavenly Dao fell into his hands, it was simply an insult to the ancestors of the Leaving Heavenly Dao, how could he tell him the way to open the treasure house?

“The Sect Master is right!

As soon as the

words fell, Li Muchen couldn't help but scold: “Xiao Jue old dog, you are not worthy of being the sect master at all, and you still want to enter the Xuanwu treasure house?” It's shameless. “

Ugh!

In the face of angry scolding, Xiao Jue's face sank, and he was furious: “The prisoner under the steps, dare to scold me?” You look for death! When

the words fell, Xiao Jue's strength exploded, sweeping the entire prison.

Li Muchen was not vain at all, looking directly at Xiao Jue, and said awe-inspiringly: “You have the ability, kill me now, if the old man frowns, it is not Li Muchen.” Seeing

that he preferred to die unyielding, Xiao Jue was even more angry, but in the end, he endured it.

“Gu Qianqiu!

In the next second, Xiao Jue looked at Gu Qianqiu coldly: “I'll give you one last chance, say or not?”

Gu Qianqiu no longer answered, but closed his eyes.

“Good, good! Seeing

this, Xiao Jue's anger rose, and he was going to slap Li Muchen to death, but when he saw Yue Feng, he immediately changed his attention: “Interesting!”

At this time, Xiao Jue clearly felt that Yue Feng's injuries had recovered a lot, and even the broken ribs had healed, and he was immediately secretly surprised.

Soon, Xiao Jue reacted and smiled at Gu Qianqiu: “I can't see that your sworn brother is actually a cultivation wizard.”

When

he said this, Xiao Jue sneered, but he was secretly glad in his heart.

Fortunately, I came to take a look, otherwise, when this Yue Feng rushed through the cave road and escaped from the prison with Gu Qianqiu, it would be troublesome.

Call!

Gu Qianqiu took a deep breath and said slowly: "Xiao Jue, the grudge between you and me, just look for me, my righteous brother Yue Feng is not a person who leaves the Heavenly Dao, and it has nothing to do with the whole thing."

"You say it's okay, it's okay?"

Xiao Jue snorted coldly, and then stopped talking nonsense, and pinched a few swarthy long needles with the fingers of his right hand, and then, pinched one, and quickly pierced the acupuncture channel on Yue Feng's right shoulder.

Hiss!

In an instant, Yue Feng only felt a sharp pain coming from his bones, and he couldn't help but gasp for air, but in the end, he gritted his teeth and didn't cry out.

"Gee! Seeing

that Yue Feng was so resolute, Xiao Jue was stunned, and couldn't help but praise: "It's quite tolerable, but my 'bone-piercing needle' is not something that ordinary people can bear." I see how long you can endure..."

Whoops!

The moment the words fell, Xiao Jue shot out his hand like electricity, and stabbed all the remaining bone-piercing needles in Yue Feng's holes.

Bone penetrating needle, as the name suggests, piercing the body, not only has the effect of sealing the acupoint, but also pain into the bone marrow, not ordinary people can bear, more frighteningly, this bone penetrating needle will damage the meridians, if it is not pulled out for a long time, it will lead to the total waste of power....

"Ah..." A

sharp pain came, like ten thousand ants biting, Yue Feng finally couldn't help but howl miserably, his eyes turned black for a while, and he almost passed out.

In the blink of an eye, Yue Feng was covered in cold sweat, and he couldn't help but curse in his heart.

Ma De, this Xiao is too ruthless, and he actually used me to force Big Brother Gu to compromise....

"Brother!

"Brother Yue Feng! Seeing

this scene, Gu Qianqiu and Li Muchen were both furious, and couldn't help shouting.

Xiao Jue smiled evilly, and looked at Gu Qianqiu playfully: "Gu Qianqiu, I want to know if the Xuanwu treasure house is important, or is it important for you to worship your brother's life."

"Choose one of the two, don't let me down, haha..." The

last word fell, and Xiao Jue laughed proudly.

"You..." Hearing

this, Gu Qianqiu was furious, he really didn't expect that Xiao Jue would be so insidious, and actually wanted to use this method to make himself soft.

Chapter

6898 "Xiao Jue Old Dog!

At this time, Li Muchen couldn't stand it, and cursed at Xiao Jue: "Acting so despicable, are you still not a person?"

When

he spoke, Li Muchen's eyes were blood-red, and he wanted to rush up. It's just that he was tied up all over his body and couldn't move at all.

Although he had a short contact time with Yue Feng, Li Muchen was deeply impressed by Yue Feng's ability, how could he be indifferent when he saw him being tortured like this at this time?

Hehe!

Li Muchen's scolding, Xiao Jue didn't seem to hear it, but smiled slightly, and continued: "Gu Qianqiu, have you thought about it?"

"Good!

As soon as

the words fell, Gu Qianqiu immediately replied, "I said!" "

Yue Feng is his sworn brother, and at this time, he must not let it go. Although the Xuanwu treasure house is important, it is not as important as the life of the righteous brother.

"Don't..."

However, at this time, Yue Feng shouted and shook his head at Gu Qianqiu: “Big Brother Gu, this person is sinister and despicable, you must not say it.

Gu Qianqiu’s face was embarrassed: “But, brother, you...”  
Before he finished speaking, he was interrupted by Yue Feng.

At this time, Yue Feng took a deep breath, cold sweat kept dripping on his face, and slowly said: “Even if you say it, do you think he will really let us go?” I’m okay, I can hold on. Speaking

of this, Yue Feng coldly glanced at Xiao Jue: “Bone penetrating needle, I will learn how powerful this dark weapon can be.” “

This.....

Seeing him say this, Gu Qianqiu’s heart was even more uncomfortable.

He knew that Yue Feng was right, even if he compromised, Xiao would never keep his promise.

But... You can’t watch Yue Feng suffer.

Tangled in his heart, Gu Qianqiu was about to speak, but Yue Feng shook his head at him.

“Interesting!

Seeing this, Xiao definitely didn’t want to waste any more time, and immediately laughed at Gu Qianqiu: “Since this brother of yours thinks that his life is very hard, let him feel it slowly.”

“If you change your mind, let the guards outside let you know, and I’ll wait for your news.” When

the words fell, Xiao Jue glanced at Yue Feng coldly, turned and left the prison. In the entire rivers and lakes, no one can withstand the puncture of the bone-penetrating needle.

“Brother! As

soon as the front foot left, Gu Qianqiu looked at Yue Feng in a complicated way, and his heart ached to the extreme: “How are you?” “

At this time, Gu Qianqiu only hated the lack of strength, and at this time, he could only watch his sworn brother suffer.

Call!

Yue Feng took a deep breath, his face turned pale and miserable at this time, and he persuaded: "Big Brother Gu doesn't need to worry about me, don't you forget, I am not a person from this world, moreover, my meridians are different from ordinary people, and these few needles will not kill me." Seeing

him say this, Gu Qianqiu was speechless, but he was still worried in his heart.

At this time, Li Muchen next to him said: "Sect Master don't say any more, let's hurry up and break through the cave path, it is the most important thing." "

Yes, hurry up and break through the tunnel.

Hearing this, Gu Qianqiu answered, and closed his eyes and silently recovered his strength.

As long as he broke through the acupuncture channel as soon as possible, he could help Yue Feng pull out the bone penetrating needle as soon as possible.

For a while, the entire prison fell into silence.

Time passes by minute by minute.

Xiao Jue left the prison, returned to the hall and waited quietly for news, but he waited until dawn, and did not wait for Gu Qianqiu to soften, and he was unspeakably annoyed at that time.

Ma De, this ancient Qianqiu really practiced, would rather watch the sworn brother suffer, than compromise far away.

Thinking about the guards who Xiao Jue had called to guard the prison, he asked, "What happened to Yue Feng?" "

Back to Sect Master! The

guard responded, "That Yue Feng is still holding on. "

What?

Hearing this, Gu Qianqiu's heart was shocked, and he couldn't help but stand up, his face full of incredulity.

This kid has a full eighteen bone-penetrating needles inserted in his body, and he can last so long....

Who is this Yue Feng?

At this moment, Yan Bingyu quickly approached the hall and said, "Master, the hall site has been deployed, and in another hour, it will be able to start." "

Hmm! Xiao Jue nodded.

Yan Bingyu thought of something and asked: "The execution platform has also been set up, really want to execute Gu Qianqiu and several people in public?"

At this moment, Xiao Jue's face changed, and then he gritted his teeth and said, "All executed." "

## **The ultimate husband in Chinese chapter 6899**

Chapter

6899 Ma De, Gu Qianqiu is unwilling to compromise, and there is no need to waste time with him, it's just a treasure trove of Xuanwu, and he can't open it without believing in his own wisdom.

"Yes, Master!

Yan Bingyu nodded, then turned and left.

An hour later, it was dark.

On the square in front of the main altar hall, tens of thousands of elite disciples arrived early and stood in a row.

At the entrance of the main hall, there is a red carpet on the ground, and at the position of the main entrance, there is a throne. Xiao Jue was dressed in a purple-gold robe and sat there quietly.

On both sides behind him, Yan Bingyu and several altar masters stood there quietly.

In the middle of the square, an execution platform was built, and on the execution platform, several wooden pillars were erected, and Yue Feng and Gu Qianqiu were tightly tied to it.

I saw that Yue Feng still had a bone needle inserted in his body, and after several hours of torture, Yue Feng's face was pale and miserable, without the slightest bit of blood, but his eyes were still unruly and stubborn.

Wow!

Looking at the four Yue Feng on the execution platform, the tens of thousands of elite disciples present couldn't help but whisper.

"This is that Yue Feng?"

"This person is really sinister enough, pretending to worship with the ancient sect master, but secretly colluding with the red flower mother-in-law..."

"Yes, what is even more heinous is that now there is also a person, fake the ancient sect master.... It's abominable. The

surrounding discussions kept coming, and Yue Feng didn't seem to hear it.

Gu Qianqiu was also very helpless, he knew that the current situation, even if he explained it himself, no one in the disciples present believed it.

"You fools..."

Li Muche couldn't contain his anger and shouted at the surroundings: "You all take a closer look, this is the real ancient sect master, you have all been deceived by Xiao Jue's old dog..."

None of the disciples present believed Li Muche's words, they all thought he was crazy.

At this moment, Xiao Jue slowly stood up and raised his hand.

Swish!

In an instant, seeing Xiao Jue's gesture, the disciples who were discussing quickly closed their mouths, and the entire square was silent in an instant.

Seeing this effect, Xiao Jue was very satisfied, and his eyes swept at the four of Gu Qianqiu at that time, and said loudly: "Gu Qianqiu's tragic death in Qingyun City is actually our misfortune from the Heavenly Dao."

"What's even more disgusting is that this Yue Feng is plotting against me, trying to subvert my Heavenly Dao and find someone to impersonate Gu Qianqiu.

"And Li Muche, as a great elder, is even more in league with Yue Feng, which is deplorable, and now, they would rather die than admit their mistakes, you say, what should be done?"

When

he said this, Xiao Jue looked solemn.

Wow!

When the last word fell, all the disciples in the audience couldn't help but roar.

"Kill them!

"Kill these rebellious thieves and avenge the ancient sect master!" "

Kill..." Hearing

the answers of all the disciples, Xiao Jue showed a hint of a smile, his heart was indescribably happy, looking at Gu Qianqiu's eyes, he was also extremely proud.

Gu Qianqiu, Gu Qianqiu, so many disciples, all think that you are fake, this taste should be uncomfortable.

I gave you a chance, but you didn't take advantage of it, and you can't blame me.

Thinking about it, a trace of killing intent flashed in Xiao Jue's eyes, and he raised his hand and waved: "Execution." "

Whoops...

When the words fell, several disciples who had already prepared under the stage jumped onto the execution platform and pulled out their long knives.

In the next second, several disciples raised their long knives in unison, and they were about to slash at the four of Yue Feng....

Airplanes!

At this moment, a breath fluctuation was heard from below the mountain, followed by a dense sound of footsteps.

Hearing the movement, many disciples looked down the mountain.

At the same time, Yue Feng and Gu Qianqiu couldn't help but look in the direction of the mountain gate.

I saw countless soldiers, like a tide rushing up, the two at the head, one handsome and extraordinary, and the other although he was a child, his body was filled with a powerful aura.

It was Shaoyang King and Ying Kuang.

It's them...

Seeing Shaoyang King and Ying Kuang, Yue Feng breathed a deep sigh of relief, and a smile appeared on his face.

In the blink of an eye, an army of 100,000 people rushed to the square, and the eyes of all the soldiers were furious.

“Sir!

“It’s Mr. Yue Feng!

Under the exclamation of the soldiers, King Shaoyang and Ying Kuang were also angry, they clearly saw that Yue Feng had a bone-piercing needle inserted in his body, his face was pale, and he was dying, and the handsome appearance before was almost like the two of them.
