6914 –

Phew!

The moment he was washed ashore, Tian Buyou exhaled deeply and woke up.

“I’m not dead, haha!”

The moment he opened his eyes, Tian Buyou was overjoyed, and then looked around, and was immediately stunned: “I’ll go, this.....”

At this time, Tian Buyou saw that on the mountain wall in front of him, there was an incomparably majestic stone gate, the stone gate was more than ten meters high, full of runes, and on the door frames on both sides, there were some poisonous insects, these poisonous insects had centipedes, scorpions, poisonous snakes... Each one comes to life.

In front of the stone gate is a bluestone road, slowly extending forward until the shore under Tian Buyou’s feet.

On the stone walls on both sides of the stone gate, there are several dragons flying and phoenix dancing with big characters ‘Tibetan wind and Nayuan, cave heaven blessed earth’.

Call!

Seeing this, Tian Buyou was shocked again, and he was indescribably excited and apprehensive.

Could it be that this is where the treasures of the ancient capital are? Ha ha... If you don’t die, there will be blessings, it seems that you are lucky.

Excited, Tian Buyou walked up quickly, groped on both sides for a long time, and finally opened the stone door. Once inside, there is a huge secret room.

Around the secret room, there is a circle of long lights, light and shadow, adding a bit of mysterious atmosphere to the entire secret room, and in the center of the secret room, there is a huge portrait sculpture, under the sculpture, is a black sarcophagus.

What is this place?

Tian Buyou muttered secretly, and then carefully walked to the coffin, and after some inspection, he finally found a cassette underneath, and after opening it, it was a simple secret book.

“Poison Divine Codex?” Seeing the words on the cheat, Tian Buyou couldn’t help but read it.

Immediately, Tian Buyou saw that under the secret book, there was also a small booklet, which was densely written, and Tian Buyou couldn’t help but be curious at that time, and opened the gamble.

Ha ha...

A few minutes later, Tian Buyou finished reading the booklet, and the whole person was ecstatic.

It turned out that inside this coffin was the corpse of the first generation of the poison king, and the poison sacred code pressed below was also what he had learned all his life, and it was a first-class poison skill secret in the world.

Not only that, but the various organs of this ancient tomb are also written on it ...

“Now the world is invincible.” At this time, Tian Buyou was excited, and immediately sat cross-kneeled in front of the coffin, unfolded the poisonous sacred scripture, and began to practice and enlighten.

Time passes by minute by minute.

Call!

I don’t know how long it took, Tian Buyou took a deep breath, slowly opened his eyes, and there was a strong evil aura around his body.

The Poison Divine Code is divided into nine layers, and Tian Buyou at this time has just broken through the third layer, although it is the first glimpse of the door, but this realm, it can also be invincible.

Rustle...

At this moment, there was a sound of footsteps outside, and the footsteps were far away, but at this time, Tian Buyou’s strength increased greatly, but he could hear it clearly.

Someone’s coming!

Tian Buyou was shocked, and then calmed down, he has now refined peerless poisonous skills, what are you afraid of?

Thinking about it, Tian Buyou walked out quickly.

At this moment, on the bank of the underground river a few hundred meters away, Wen Ugly and Sun Dasheng were slowly probing in.

“Brother Wen!”

Soon, Sun Dasheng found the bluestone road, and suddenly came to the spirit: “There is a road ahead!” When

the words fell, everyone in Wen Ugly was excited, and immediately quickened their pace, and after a while, when they arrived at the stone gate, everyone was amazed.

“I didn’t expect that in this underground river, there is such a big stone gate!”

“So hidden, it seems that the treasure of the ancient tomb is here.”

In amazement, everyone walked in one after another, and they were even more amazed when they saw the scene inside.

“Brother Wen!”

At this time, Su Qianyan carefully observed the black coffin, and couldn’t help but speak: “It seems that this is the tomb of the tomb owner, and those halls above are all for confusing the tomb robbers.” Hmm

!

Wen Ugly nodded, and then ordered everyone: “Everyone search carefully, but be careful with the organs!”

Everyone answered, and they were ready to search carefully, but at this moment, the stone door behind them suddenly closed, and when there was movement, everyone was shocked, and then they all looked back, and saw this person standing at the door, looking at everyone with a smile on his face.

It’s Tian Buyou!

Yikes!

Seeing Tian Buyou, Su Qianyan’s face was cold, and he was indescribably ashamed.

Wen Ugly and Sun Dasheng also frowned secretly.

“Hey, hey!”

Finally, Tian Buyou laughed evilly, and looked Su Qianyan up and down: “Su Da beauty, don’t come unharmed.”

Saying that, Tian Buyou’s gaze fell on Nalan Xinran: “Nalan beauty, you slapped me just now, this account, let’s calculate it well later!”

When

he said this, Tian Buyou unscrupulously looked at Nalan’s gladly charming curves, very arrogant.

Sensing Tian Buyou’s gaze, Nalan was very angry and said coldly: “You shameless person, the palm just now didn’t beat you to death.” When

the words fell, Su Qianyan also shouted: “Tian Buyou, you despicable villain, I will kill you later.” The thought of almost being defiled by this person made it difficult for Su Qianyan to calm down.

Swish!

At this moment, Wen Ugly and Sun Dasheng also reacted.

Sun Dasheng’s personality was fiery, and he looked at Tian Buyou angrily at this time: “Shameless villain, suffer death!” Buzz

!

When the words fell, Sun Dasheng pulled out the Heaven-Opening Axe, burst out a golden ray, and slashed at Tian Buyou fiercely.

Tian Buyou did not panic at all, and sneered at that time: “Want to kill me? I’m afraid it’s not that easy! When the last word fell, Tian Buyou’s figure flashed, dodged Sun Dasheng’s axe, and then put his hand in his mouth and whistled.

Tweeted....

When the whistle sounded, I saw that there was a stir in the secret room, and everyone was taken aback when they heard the sound and looked up.

I saw that there were countless bats lying densely packed in the secret room, these bats were gray-white, and a pair of eyes were blood-red and blood-red, obviously containing poison!

Whoops!

These bats were originally dormant, and when they heard Tian Buyou's whistle, one by one, as if they had received instructions, they quickly flew up and rushed towards the people below.

Countless bats, swooping down together, the scene is very spectacular, not only that, these bats, with a unique powder, with the vibration of the wings, the powder spread in the air, forming a white poisonous mist.

Worst!

Seeing this, Wen Ugly was shocked: "Everyone hold your breath, don't inhale those powders..." Saying that, Wen Ugly held his breath, brandished his long sword, and stabbed the bats that pounced.

Hearing this, everyone quickly held their breath and killed the bats one after another.

However, it was too late, the powder on the bat's body was highly toxic, and as long as you inhaled a little, you would lose your mind and consciousness.

Poof, poof!

Just in the blink of an eye, many sect masters, one by one, turned black in front of their eyes and fell directly to the ground unconscious!

Wen Ugly and Sun Dasheng and other outstanding strength, although they did not fall, at this time, they also felt that the sky was spinning, their bodies were soft, and their internal strength could not be exerted at all.

Mardel!

The poison of this bat turned out to be so domineering.

For a time, Wen Ugly was secretly frightened, and then wanted to urge the internal force to drive the poison, but the more he tried to urge the internal force, the faster the poison spread in the body.

Hahaha...

Seeing this scene, Tian Buyou was full of pride and laughed: "Any Immortal Hall Lord, the head of Huaguo Mountain, will be defeated at my feet today." The

tone was arrogant and arrogant.

"Shameless villain!"

Sun Dasheng's eyes were blood-red, and he roared at that time, gritting his teeth and rushing up. Wen Ugly and ugly, also rushed up.

Tian Buyou chuckled and rushed forward.

Bang bang...

Less than two convergence, Wen Ugly and several people were repulsed at the same time, they were all poisoned, and their internal forces could not completely erupt, and they were naturally not Tian Buyou's opponents at this time.

Without waiting for the ugly and ugly people to stand firm, Tian Buyou laughed evilly, quickly rushed up, and sealed the acupuncture passage on their bodies.

"You..."

Su Qianyan was extremely embarrassed and said coldly: "Shameless villain, let us go soon."

At the same time, Wen Ugly and Sun Dasheng were also extremely angry, for so many years, they had seen all kinds of big winds and waves, but it was simply a shame to be caught by a shameless villain at this time.

Release you guys!

Tian Buyou smiled coldly: "Beauty Su, don't look at me like that, I said I want you to become my woman, how can I easily let you go?" "

"But don't worry, I won't wronged you, hehe, when I become the martial arts alliance master, you will be the alliance lord's wife."

When he said this, Tian Buyou couldn't hide his ambition on his face.

"You..."

Hearing this, Su Qianyan's face changed: "You want to be the master of the martial arts alliance?" Do you deserve it?

Tian Buyou was not angry at all, and said with a smile: "I have already refined peerless poison skills, why don't I deserve it?" Here are the famous masters of the temple and the head of Sun, in their name, I invite heroes to post, and when the masters of all sects

gather, I will catch them all again, hahaha... At what point, the entire Kyushu rivers and lakes, isn't it mine? "

Yikes!

At this moment, Wen Ugly and Sun Dasheng's faces changed.

This person was really insidious, and he used such despicable means.

Furious, Sun Dasheng shouted angrily: "You dare! Huh

:

Tian Buyou chuckled: "Sun Dasheng, you are just my prisoner now, don't be prestigious, dare or not, let's wait and see."

At this moment, Zhu Xiansheng couldn't help but scold: "You despicable villain, do you know who my father and master are?" Hurriedly let us go. Huh

?

Tian Buyou was stunned: "Who are your master and father?" Zhu

Xiansheng looked arrogant: "My father Zhu Bajie, the master is Saint Sect Lu Tianshi. Hearing

this, Zhu Xiansheng was stunned, and then laughed: "The little doll is not small, you said so, but it reminded me, the strength of the Holy Sect is strong, it is also a share, when the time comes, I will bring Lu Dongbin in your name, I want to see if he, a fairy-like figure, can block my peerless poisonous skill."

"Bastard, shameless villain .." Zhu Xiansheng cursed angrily.

Tian Buyou didn't pay attention at all, but walked over, checked everyone, and made sure that Wen Ugly and Ugly people could not break through the cave road, so he turned around and bowed to the coffin for a few times.

Subsequently, Tian Buyou took the ugly and ugly people out of the ancient tomb, covering their eyes and ears all the way, and rushed towards the Earth Circle Continent.

Along the way, Wen Ugly and Su Qianyan and others tried to break through the cave road, but Tian Buyou was very cunning, and every two hours, he would reseal everyone's cave road, which made Wen Ugly a few people have no chance at all.

Soon, arriving at the Tianmen Altar of Donghai City, Tian Buyou controlled the situation with the power of thunder, and then issued invitations to the major sects in the name of Wen Ugly and Ugly.

For a time, all the sects were invited and rushed to Donghai City.

.....

On the other side, Zhongzhou City, the Continental Continent.

The Valley of the Wicked in the north of Zhongzhou City was forbidden to the local people many years ago, but later, after the ten evil people entrenched here were subdued by Yue Feng, it was also developed into a scenic area.

It's late autumn, and the maple forest in the valley is like fire, and the scenery is charming. The unique scenery attracts many young men and women, as well as photography and video enthusiasts.

"It's a great place to see it."

At this time, on the winding mountain road, a handsome man was holding a mobile phone to record a video, and he said a series of quips: "Brush the video partner, trouble to pay attention, my name is the wolf who kisses the sky, the Douyin number is 994438295, follow me and we are a family, I will take you to enjoy the different scenery everywhere."

"Look here.... This scenery is really beautiful, if you have the opportunity, be sure to bring someone you like.

"According to legend, this is the place where the hero Yue Feng and the little fairy of Kyushu privately decided for life, it is said that the little fairy was seriously injured back then, and time was running out, Yue Feng held her here to look at the stars... It's romantic to think about.

This man's name is the wolf who kisses the sky, he likes to shoot videos, and today he specially came to the Valley of the Wicked to play.

Airplanes!

As he was shooting, suddenly a huge energy vortex appeared in the sky, and then a huge figure broke out of the sky.

It was a 100-meter-long dragon.

I'll go!

Suddenly saw the dragon, the wolf who kissed the sky was shocked, and looked at the dragon with dumbfounded eyes, and the whole person was stupid.

This... Is this the legendary dragon?

This aura... Too strong.

However, what surprised him even more was that on the back of this jumping dragon, there was still a person sitting on the back, and the aura around him was strong and suffocating.

Yes, it was Yue Feng and Jiaolong who teleported back from the Tianxin Continent.
