Chapter

6921 –

Haha!

Hearing this, Yue Feng couldn't help but laugh out loud: "It turns out to be a virtuous nephew, fairy tales are unscrupulous, how can I take it seriously?" Brother Zhu inevitably underestimated me.

Zhu Bajie followed with a smile, and then urged Zhu Xiansheng: "Stinky boy, what are you still stunned for?" Apologize quickly?

Zhu Xiansheng looked stubborn: "I didn't say anything wrong, why apologize?"

He had a defiant personality and was not afraid of Zhu Bajie at all.

"You..."

Zhu Bajie was so angry that he couldn't do it: "You still dare to talk back?" If you don't apologize, don't recognize me as a dad in the future.

When the words fell, Lu Dongbin also slowly spoke: "The little disciple must not be rude, the Moon Sect Master does not know the situation, and that thief is very cunning, it is reasonable to let him escape." "

This is thanks to the Moon Sect Master even if he appears, otherwise, the Kyushu rivers and lakes are in danger, and you quickly apologize."

The voice is gentle, but unquestionable.

"Me!"

Seeing the master speak, Zhu Xiansheng's face was full of reluctance, but in the end, he still said to Yue Feng: "Nephew has offended a lot just now, and I hope that Uncle Yue Feng will not be blamed." Zhu

Xianshengtian was not afraid, but only afraid of Master Lu Dongbin.

At this time, Zhu Xiansheng was forced by Lu Dongbin's pressure to apologize, and he was even more unhappy with Yue Feng in his heart.

Hehe!

Yue Feng didn't have any calculations with Zhu Xiansheng, and when he saw him apologize at this time, he immediately smiled and said, "The virtuous nephew is clever and clever, how can I blame him?" Oh, it's okay, it's okay.

Then, Yue Feng turned his head and exchanged pleasantries with the various leaders. At the same time, give them a pulse one by one to understand the situation of the poison.

After understanding, Yue Feng immediately refined the antidote pill on the spot, although Tian Buyou's cultivation of poison skills was domineering, in front of Yue Feng, it was just a pediatric.

Soon, the elixir was refined, everyone took it, and the detoxification was detoxified in a moment's effort.

For a time, all the leaders recovered their strength, they were all excited, and they admired Yue Feng even more.

Seeing everyone's incomparable compliments to Yue Feng, Zhu Xiansheng was very bored, and spoke: "Master, father!" Senior Sister and I returned to the Holy Sect first.

Saying that, Zhu Xiansheng pulled Nalan Xinran and strode away.

Nalan was very fond of this little junior brother, and at this time, he held his hand, and it was difficult to break away, so he had to smile awkwardly and say goodbye to everyone present.

"This stinky boy!" Zhu Bajie is very angry, but with so many people, it is not good to attack.

Yue Feng looked calm, but he was still a little curious in his heart, and couldn't help but say to Lu Dongbin: "Senior, when did Nalan Xinran join the Holy Sect?"

Lu Dongbin smiled slightly: "Who will talk about this matter!"

Immediately, Lu Dongbin said in detail how to accept Lanxin's disciples.

I see.

Knowing the situation, Yue Feng nodded abruptly, and couldn't help but look at the back of Nalan gladly leaving, and secretly sighed in his heart, her family collapsed, it was really pitiful, and now that she can join the Holy Sect, it can be regarded as having a dependency.

"Brother Yue Feng!"

At this moment, Zhu Bajie looked curious: “You suddenly disappeared, what happened?” Can you tell us all about that? “

Yikes!

When the words fell, everyone else present also stared at Yue Feng closely.

Yue Feng took a deep breath: “It’s hard to say a word.” Subsequently, he roughly told his experience in the Tianxin Continent.

Knowing that the Haotian God King was transmitted to the Chaotic Void by Yue Feng, everyone was excited, without the Haotian God King, there were many fewer battles between the God Domain and Kyushu, and everyone didn’t have to worry about it.

“Haha!”

At this time, Sun Dasheng couldn’t help but hammer Yue Feng’s shoulder and laughed: “Fengzi really has you, he actually teleported Haotian to the Chaotic Void, let him have the ability to reach the sky, I’m afraid he won’t be able to come back, hahaha...”

When the words fell, Wen Ugly also laughed and said: “This is great news for us, and in the future, the rivers and lakes of Kyushu can finally be calm.”

The leaders present nodded in agreement.

After chatting for a while, all the sects took their leave one after another.

At this time, Wen Ugly looked at the dragon in mid-air, and couldn’t help but say: “Fengzi, what’s going on with this dragon?” When

the words fell, Sun Dasheng, Su Qianyan and the others next to them were also full of curiosity.

Chapter  
6922 –  
Phew!

Yue Feng breathed a sigh of relief and said the situation with a smile.

Knowing the origin of this dragon, everyone was stunned.

At this time, the dragon landed down, spitting out words and greeting everyone with ugly words.

“Brother Wen, Great Sage!”

After the two sides saw each other, Yue Feng spoke: “Let’s meet again after a long absence, we should have had a few drinks, but I promised Jiaolong to take it to Shenlong Island, and when I return, let’s have a drink.” Seriously

, when he finally came back, Yue Feng wanted to reminisce about the past, but after agreeing to the dragon’s affairs, he had to do it, this was the code of conduct.

Moreover, I haven’t seen Xiao Xi for a long time, and I don’t know how she is.

Well!

Hearing this, Wen Ugly and Sun Dasheng both nodded.

Su Qianyan bit her red lips lightly: “You are careful, go back quickly.”

Yue Feng nodded, then looked around the audience and said to the Heavenly Gate disciples present: “Pass the order down, pursue Tian Buyou with all your strength, no matter what, you must catch this person, die to see the corpse, live to see the person.”  
Nada

Ayu, daring to act rashly, trying to bring disaster to the rivers and lakes of Kyushu, this kind of scum, must be eliminated as soon as possible.

“Obey!”

When the words fell, the disciples of the Heavenly Gate present responded in unison.

At this moment, Wen Ugly and Sun Dasheng also issued orders one after another.

“Order the Hall of Eternal Life, and pursue Tian Buyou with all your might.”

“The disciples of Huaguo Mountain obey the order, chase and kill Tian Buyou, there must be no mistake.”

Subsequently, Yue Feng explained some things, said goodbye to Wen Ugly and Ugly people, left with the dragon, and quickly rushed towards Shenlong Island.

.....

The other side!

Zhu Xiansheng pulled Nalan Xinran, and after leaving Donghai City, he did not go in the direction of Shengzong, but along the seaside, moving aimlessly.

“Little Junior Brother!”

Seeing Zhu Xiansheng’s sullen look, Nalan smiled happily and asked, “What’s wrong with you?” Such an unhappy look?

“Yes?” Zhu Xiansheng looked indifferent, and kicked a small stone into the sea: “I’m in a good mood.” “

Poof...

Seeing him pretending, Nalan couldn’t help but laugh gladly: “Okay, you’re not happy, can Senior Sister not see it?” Frankly? Why do you have such a big prejudice against Yue Feng? Before

in the Heavenly Gate Altar, Nalan was happy to speak in front of so many people, and at this time, there were only two of him left, so he couldn’t help but say it.

Zhu Xiansheng stood still, stared at Nalan Xinran, did not answer, but asked: “Senior sister, Yue Feng is really so famous in the rivers and lakes?” All the sects were so polite to him? “

This....

Hearing the inquiry, Nalan was stunned at first, and then nodded: “Of course, when he founded the Heavenly Gate, Yang Good eliminated evil, and benefited the martial arts, and later, the Apocalypse Continent invaded the Earth Yuan Continent, and their Heavenly Gate disciples were even more pioneers, and they and the sects used their lives and blood to defend Donghai City and win the final victory.”

“Later, the Rakshasas returned to Kyushu and provoked war.... Hades troubled the rivers and lakes of Kyushu, and the demon race tried to bully the world, in those years, Kyushu was stormy, and Yue Feng made a good contribution.

“It can be said that Yue Feng is revered as a hero of Kyushu, which is well deserved, and almost all the sects in the rivers and lakes of Kyushu have received his favor and naturally respect him.”

At the end, Nalan looked at Zhu Xiansheng with a smile and a smile: “So, little junior brother, you were in the hall just now, mocking him and questioning him, it is very rude, and when you see him in the future, you must respect him.” Zhu

Xiansheng was originally serious, but when he heard the last sentence, he couldn’t help but pout: “In the eyes of others, he is a big hero, and for me, his strength is just a little higher.”

“Sooner or later, I will surpass him and become the number one in Kyushu.”

Saying that, Zhu Xiansheng suddenly changed his tone: “Senior sister, do you like Yue Feng?” “

Yikes!

Leng Buding listened to him ask this, Nalan Xinran was stunned suddenly, his delicate face was faintly red, but he quickly reacted: “Don’t talk nonsense about the child’s family, there are countless red faces around him, how can I like him?” When

he said this, a strange feeling surged in his heart.

## The ultimate husband in Chinese chapter 6923

Chapter  
6923

Zhu Xian’s sage was a little ghost, and when he saw her expression change, he immediately smiled and said, “Although I am young, I understand everything, and the look in Yue Feng’s eyes that Senior Sister just looked at Yue Feng in the main hall is obviously adoring.

“You still say?” Nalan stomped her foot gladly, snorted, and her face turned even redder.

When the words fell, Nalan happily raised his jade hand and was about to fight Zhu Xiansheng.

Zhu Xiansage was small and flexible, quickly dodged, and then said seriously: “Senior sister, don’t be angry first, according to me, although that Yue Feng is a big hero that everyone admires, he is not worthy of you.”

“Senior sister is a fairy in the sky, and then Yue Feng is a layman.”

Hearing this, Nalan stopped happily and pursed her lips and smiled: “You are a little slippery head, a slippery tongue who learned at a young age, then you say, who can be worthy of Senior Sister?” “

Hey hey!

Zhu Xiansheng waited for this sentence, immediately smiled, jumped on the stone next to him, and patted his heart: “Of course it’s me.” Senior sister, don’t worry, when I grow up, I will definitely hold a huge wedding, and the scenery will marry you into the door.

When

he said this, Zhu Xiansheng looked serious.

Swish!

Hearing this, Nalan blushed happily, and then scolded with a smile: "The more you talk about it, the more out of tune, when you grow up, Senior Sister will be old."

"Really!"

Zhu Xiansheng straightened his chest and said seriously: "I'm not joking, moreover, Senior Sister is a fairy and will never get old."

Nalan was stunned gladly.

Speaking of which, she only said what she said as a junior brother, but seeing his serious appearance at this time, she couldn't help but feel a little flustered.

A few seconds later, Nalan happily eased up and smiled slightly: "Okay, it's still early for you to say, let's go back to the Holy Sect first, just now you questioned Yue Feng in public, Master seems to be angry, and when you go back, you have to be honest, so as not to make Master angry."

"I don't want to go back!"

Zhu Xiansheng said without thinking: "The world is so big, I haven't played enough!" Senior sister, don't you know a lot of interesting places, take me to play a trick." When

the words fell, Zhu Xiansheng jumped off the stone and continued to walk along the seashore.

"You little slippery!"

Nalan stomped his foot happily and hurried to catch up.

.....

On the other side, in the mountains and forests dozens of miles away from Donghai City.

Tian Buyou covered his heart, and while moving forward quickly, he looked back, his face was pale, and his expression was extremely nervous.

Previously, in the main altar of Tianmen, Tian Buyou was seriously injured by Yue Feng's palm, and at that time, he was extremely critical, and had to perform the 'Blood Mist Trail' stunt and escaped by luck.

However, after escaping from the Heavenly Gate Main Altar, Tian Buyou did not slacken for fear of being caught up by the Heavenly Gate disciples.

Call!

After running for another half an hour, Tian Buyou made sure that there were no chasing soldiers behind him, and he immediately breathed a sigh of relief and slowed down.

Marde, finally escaped.

At this time, Tian Buyou was very depressed.

I thought that this time, I could take the opportunity to control the various sects and become the master of the martial arts alliance, but I never expected that Yue Feng, who had been missing for more than half a year, would suddenly appear.

“You have to find a hiding place quickly.” Tian Buyou muttered in his mouth, his face was also anxious that could not be concealed, he had fought with Yue Feng before, and later cast the ‘Blood Mist Trace’, and his internal strength was almost exhausted.

Under such circumstances, not to mention being caught up by Yue Feng, even if he was touched by a disciple of the Heavenly Gate, he couldn’t beat him.

Therefore, it is necessary to restore strength as soon as possible.

Walking through a forest, Tian Buyou saw a cave on the mountain wall in front of him and was immediately excited.

Haha, this place is nice.

At this moment, Tian Buyou looked around, looked at the surrounding environment, and was very comfortable, here is close to the sea, the environment is humid, and there are many poisonous insects hidden, which is suitable for his own strength.

Thinking about it, Tian Buyou quickly got into the cave, covered the entrance of the cave with grass, sat cross-kneeled, and ran the poison skill to recover.

Airplanes!

As Tian Buyou urged the poison skill, he saw a green poison permeating from his body, and then scattered out of the cave and merged into the outside air.

Rustle....

After a while, the poisonous insects hidden in the corners around the cave smelled the smell of the poisonous mist, and they gathered one after another and climbed into the cave.

## The ultimate husband in Chinese chapter 6924

Chapter

6924 After

climbing into the cave, countless poisonous insects surrounded the city in a circle, crawling there, spraying poisonous juice at Tian Buyou.

If someone breaks into the cave by mistake and sees this scene, they will definitely be scared to death!

Thousands of poisonous insects, surrounding one person to spit poisonous juice, the scene is too spectacular, completely beyond imagination.

Woohoo!

The moment the poisonous juice sprayed out, a poisonous mist was formed, which was quickly absorbed by Tian Buyou.

After absorbing these poisonous mist, Tian Buyou's pale face gradually recovered some blood color, and the strength of his body gradually climbed....

Yes, this is the terrifying thing about the Poison Divine Codex, you don't need to cultivate yourself, you can restore your strength just by absorbing the poison of poisonous insects.

.....

At this moment, a few hundred meters away from the cave by the sea.

Zhu Xiansheng and Nalan were happy and walked one after the other.

At this time, Nalan was happy, and his delicate face was anxious and helpless: "Little junior brother, obedient, let's go back."

"Good Senior Sister!"

Zhu Xiansheng made a pitiful look: "You know that Master wants to punish me, and you want to take me back, and if you finally go down the mountain once, you can accompany me to play for a few more days."

"Good senior sister, you hurt me the most in the world."

Seeing him like this, Nalan gladly relented, and immediately said softly: "Well, let's play for two more days, but after two days, you must go back with me." "

Great!

Seeing that she finally agreed, Zhu Xiansheng cheered and said with a smile: "I know that Senior Sister is the best for me."

Saying that, Zhu Xiansheng pointed to the cliff in front of him: "The location is good, let's go up and blow the sea breeze." When the words fell, he quickened his pace and walked towards the cliff.

Nalan smiled bitterly and slowly followed.

Rustle...

When he was about to reach the cliff, Zhu Xiansheng heard something and immediately stopped: "Senior sister, you listen.... What was that? As he spoke, Zhu Xiansheng pricked up his ears and frowned at the mountain forest next to him.

He was very talented, and at this time, he could clearly hear a strange sound in the mountains and forests.

"Little Junior Brother, what the hell are you doing?"

Hearing this, Nalan happily thought that Zhu Xiansheng was going to do some prank again, and said something angrily at that time.

Zhu Xiansheng looked serious: "There is movement inside!" Whoosh

!

When the words fell, Zhu Xiansheng's figure flashed and rushed into the mountain forest.

"Little junior brother, don't make trouble.." Nalan shouted happily, quickly followed into the mountain forest, and when he arrived inside, seeing the scene in front of him, Nalan Xinran suddenly trembled and couldn't help but gasp for air.

Hiss.... So many poisonous bugs.

Nalan readily and clearly saw that in the forest ahead, countless poisonous insects quickly crawled and converged towards the cave not far away, these poisonous insects were colorful one by one, and they were poisonous and ferocious at a glance.

Odd!

Soon, Nalan reacted gladly and couldn't help muttering: "It's still daytime, shouldn't these poisonous insects hide in hidden corners?" Why did they all run out? Zhu

Xiansheng watched quietly, but did not respond at that time.

After waiting for a few seconds, Zhu Xiansheng looked at the cave not far away, and his immature face was full of solemnity: "There are people inside, and these poisonous insects are all attracted by this person."

Saying that, Zhu Xiansheng took a step forward and shouted at the cave: "Who is inside?" Hurry out. "Before at the Tianmen Altar, Tian Buyou was forced to apologize to Yue Feng, and he was already unhappy in his heart, holding a stomach fire, and at this time, he wanted to find someone to spread his anger.

"Junior Brother!"

Seeing him shouting directly, Nalan gladly changed his face, and quickly said, "Don't be impulsive." The

other party can attract so many poisonous insects, the strength is definitely not bad, junior brother is too reckless to do this.

"Whose child, looking for death?"

At this moment, a cold voice came from the cave, and then a figure rushed out of the cave and landed on the grass outside.

His expression was insolent, and his eyes showed a trace of evil aura.

It was Buyou Tian.

Just got the poisonous juice of countless poisonous insects, Tian Buyou's strength has almost recovered, and when he heard that there was a child provoking outside, he immediately rushed out.

It's him?

Seeing that it was Tian Buyou, Zhu Xiansheng and Nalan Xinran both changed their faces and were furious.

However, in Zhu Xiansheng's heart, there was not much consternation, more only anger.

## The ultimate husband in Chinese chapter 6925

Chapter  
6925 –  
Huh?

At this time, Tian Buyou was also stunned when he saw Nalan Xinran and the two.

In the next second, Tian Buyou reacted and smiled evilly: "Who is my Dao, it turns out to be a beautiful woman of Nalan." As he spoke, his eyes were glued to Nalan's gladly charming curves, and his eyes were straight.

Feeling Tian Buyou's gaze, Nalan bit her lips happily and said angrily: "You shameless scum, let's see where you run this time." Before

, together with Wen Ugly and everyone in the ugly world, he secretly calculated, this matter was regarded as a great shame by Nalan Xinran, and when he bumped into it again at this time, the anger in his heart suddenly couldn't be restrained.

However, Nalan was not carried away by anger.

This person's poisonous skills are vicious and vicious, and he has attracted so many poisonous insects just now, he must have recovered a lot of strength, in this case, he must not act rashly.

"Gee!"

Feeling Nalan's gladly anger, Tian Buyou did not panic at all, but smiled and said: "Nalan big beauty, we really have a fate, we met so soon."

"Hehe, speaking of which, I also want to thank you, if you didn't beat me down the underground river with one palm, I wouldn't have been blessed with misfortune and practiced peerless poisonous skills, haha..."

Nalan Xinran's face was cold: "You can't live by yourself, you won't have a good end."

"Senior sister!"

As soon as the words fell, Zhu Xiansheng shouted, "What nonsense with him?" Kill him directly. Whoosh

!

When the words fell, Zhu Xiansheng's figure broke out and went straight to Tian Buyou.

"Where is the little doll, don't measure yourself." Looking at Zhu Xiansheng rushing over, Tian Buyou's face was full of disdain, when he was in the ancient tomb before, Tian Buyou had been paying attention to Wen Ugly and Sun Dasheng and others, and did not pay attention to Zhu Xiansheng at all, at this time, in his eyes, Zhu Xiansheng was just a little doll less than two years old, and there was no threat to himself at all.

After saying it coldly, Tian Buyou recited a series of mantras in his mouth.

Rustle....

In an instant, the surrounding poisonous insects received instructions and rushed towards Zhu Xiansheng, densely packed and making people chill their backs.

“Be careful...”

Seeing this, Nalan couldn't help but exclaim, his eyes were also full of anxiety, the little junior brother was really too reckless, the other party's poisonous skill could not be prevented, how could he block it?

However, Zhu Xiansheng was not happy at all, and said coldly at that time: “Get some bed bugs, just want to deal with me?” You underestimate Xiaoye too much. As he spoke, Zhu Xiansheng took a deep breath and performed the Saint Sect's unique method of holding his breath to prevent himself from inhaling the poisonous mist.

At the beginning of the ancient tomb, Zhu Xiansheng was poisoned by those bats because he was defenseless, and when he met Tian Buyou at this time, he would naturally not repeat the mistakes of the past.

Airplanes!

Immediately afterwards, Zhu Xiansheng urged his strength, and an extremely strong aura burst out, sweeping the mountains and forests.

Feeling the strength of Zhu Xiansheng's outbreak, Tian Buyou was secretly surprised in his heart.

This little guy, no more than two years old, is so strong?

Woohoo... .

Just when Tian Buyou was shocked, Zhu Xiansheng's hands suddenly raised, and a flame condensed and roared towards the swarming insect swarm.

The fire rose in the wind, instantly shrouding the swarm.

“Squeak...”

Under the burning fire, countless poisonous insects hissed, and finally turned into a piece of flying ash. Zhu Xiansheng's fire contains the power of the demon race, and its power is even more terrifying than the alien fire, naturally it is not something that these poisonous insects can resist.

In the blink of an eye, the poisonous insects were burned clean.

Call!

Seeing this scene, Nalan happily sighed with relief, and her delicate face eased a lot. Fortunately, the little junior brother is very talented, otherwise, these poisonous insects are really difficult to deal with.

At the same time, Tian Buyou's face changed drastically, his eyes stared at Zhu Xiansheng, his brain buzzing, almost blank.

This... That's impossible.

Just a child less than two years old, the strength turned out to be so strong?

Soon, Tian Buyou reacted and said coldly: "Good boy, it's hidden deeply, I underestimated you just now, but Laozi doesn't have time to play with you, we will have a period later." The

last word fell, and Tian Buyou's figure turned and rushed towards the mountains and forests behind.

Speaking of which, Tian Buyou's strength has almost recovered, and he really wants to fight, and he is not afraid of Zhu Xiansheng and Nalan Xinran, but this is not far from Donghai City, in case of a fight, Yue Feng and the masters of various sects arrive, then it will be over.

With this in mind, Tian Buyou decisively fled for his life.
