Chapter

6936

– “You Stinky Boy!”

Furious, Sun Dasheng finally couldn't help it, took a step forward, and scolded Zhu Xiansheng: “If you don't change your mistakes, you are still so rude in front of your elders, today I will educate you well for Brother Zhu.” Whoosh

!

When the words fell, Sun Dasheng's figure flashed, rushed into the hall, raised his hand and grabbed Zhu Xiansheng.

In Sun Dasheng's heart, he and Zhu Bajie's brothers are worthy of each other, they are Zhu Xiansheng's elders, and it is natural for elders to educate juniors. More importantly, this kid made a mess of Danzong, and if he didn't teach a lesson, Zheng Chunqiu's side would not be easy to explain.

At this time, the ugliness of the text was also a little angry, and seeing Sun Dasheng make a move, he did not stop it.

Call!

Seeing Sun Dasheng rushing over and making a move, Zhu Xiansheng's face changed, and he was furious, his strength exploded, and he raised his hand to meet it.

In an instant, the two palms collided, and a vibration erupted, and then Sun Dasheng and Zhu Xiansheng were shocked back two steps at the same time.

It's the other way around!

Soon, Sun Dasheng steadied his figure, anger surged in his heart, and he looked at Zhu Xiansheng angrily: “Good boy, you still dare to fight back?”

When

he spoke, Sun Dasheng was also secretly shocked in his heart.

Brother Zhu's son is really talented, and at a young age, he has such deep internal strength, but his personality is too stubborn and defiant, if he does not guide education well, I am afraid that he will escape into the evil path in the future.

“You don't come to teach me less.”

In the face of Sun Dasheng's anger, Zhu Xiansheng did not panic at all, and said with a stubborn face: "I began to respect you and call you uncle, but you helped them deal with me, what kind of elder are you."

At this time, Zhu Xiansheng was very angry.

I am obviously not wrong, these people have come to teach me a lesson, why? Just because I'm a child, am I a bully?

Swish!

Hearing this, Sun Dasheng was completely angry and cursed: "Okay, the smelly boy is still not convinced, right, then I'll see how capable you are." When

the words fell, Sun Dasheng's strength exploded, and he slapped Zhu Xiansheng again.

Zhu Xiansheng was not vain in the slightest, urging his strength, facing the attack, and fighting fiercely with Sun Dasheng in the main hall.

Call!

Seeing this scene, Zheng Chunqiu outside the main hall, as well as those Danzong disciples, were all excited.

Especially those disciples, who had suffered losses under Zhu Xiansheng before, were holding their anger in their hearts, and when they saw Sun Dasheng make a move, they couldn't help but shout one by one.

"Boss Sun, teach him a good lesson."

"This kid is too arrogant..."

Everyone shouted, and Wen Ugly stood there, also frowning and with a complicated expression.

This son of Big Brother Zhu is really too arrogant, but after all, he is a child, and the Great Sage should not hurt him.

Thinking about it, Wen Ugly couldn't help but shout: "Great Sage, it's enough to stop, don't hurt the virtuous nephew." "In Wen Ugly's heart, Zhu Xiansheng is a child after all, and he can never be Sun Dasheng's opponent.

However, Wen Ugly is wrong.

"Brother Wen, rest assured!"

Hearing the reminder, Sun Dasheng fought with Zhu Xiansheng while the Great Sage responded, "I have a sense of proportion.

Like Wen Ugly and ugly, Sun Dasheng did not take Zhu Xiansheng to heart, a small child, not yet easy to subdue.

However, under the fierce battle, Sun Dasheng felt that something was wrong.

This kid.... So strong?

At this time, Sun Dasheng clearly felt that the Zhu Xiansheng in front of him not only moved sensitively, but also had profound strength, far beyond imagination.

Bang!

Finally, the two slapped each other again, and a dull sound was heard, and both sides retreated at the same time again.

After Zhu Xiansheng stabilized his figure, his immature face could not hide his anger, and he shouted: "Sun Dasheng, you forced me." When the words fell, a red light flashed on Zhu Xiansheng's face, and then a ball of fire spewed out from his mouth.

Whew.....

The moment the fire appeared, the temperature of the entire hall suddenly increased.

Seeing this scene, whether it was Wen Ugly or Zheng Chunqiu and others, they were all taken aback and exclaimed one after another.

"Great Sage be careful!"

"Brother Sun, be careful..."

At this time, in the hall, Sun Dasheng watched the fire rushing towards him, and he was also secretly frightened at that time, he never thought that this little nephew in front of him would spew out the flames.

Chapter  
6937 –  
Woohoo!

At this moment, the fire broke out, and it looked like it was about to hit Sun Dasheng.

At this moment, Sun Dasheng didn't have time to dodge, so he had to summon the Heaven-Opening Axe and block it in front of him.

Poof...

In an instant, the fire hit the Heaven-Opening Axe and was immediately extinguished.

Although the fire spewed out by Zhu Xiansheng was powerful, the heaven-opening axe in Sun Dasheng's hand was a peerless divine weapon after all, and it could not burn through at all.

But even if he blocked the fire, Sun Dasheng was a little embarrassed.

Call!

Seeing this scene, the ugly and ugly outside the hall, and everyone in Zheng Chunqiu, were secretly relieved.

"Bastard boy!"

After blocking the fire, Sun Dasheng was very angry: "You still want to kill me? If I don't teach you a lesson today, I won't be Sun Dasheng. When the words fell, the Heaven-Opening Axe in his hand burst out a golden ray, heading straight for Zhu Xiansheng.

Seeing the golden mang's burst out, Zhu Xiansheng's face changed, and he didn't hesitate for a moment, and quickly raised his hand to deploy a protective film in front of him.

Bang!

At this moment, the golden mang burst out, slammed on the protective film, and heard a roar, the protective film shattered instantly, and Zhu Xiansheng also snorted and stumbled back.

After taking more than a dozen steps back, Zhu Xiansheng stabilized his figure, his face was a little pale, but his eyes were still untamed.

"Stinky boy!"

Sun Dasheng did not take advantage of the victory to pursue, but said coldly: "Obey or not? The

kid in front of him, after all, is Zhu Bajie's son, and it is too stiff to be appropriate.

"Not convinced!"

Zhu Xiansheng gritted his teeth and coldly spit out a few words: "You just have a heaven-opening axe, if you really want to talk about strength, I won't believe you." The tone was full of cold arrogance.

"Good, good, good!"

Hearing this, Sun Dasheng almost exploded in anger: "What you mean, I bullied you, then I don't need to open the sky axe, today I have to convince you." When

the words fell, Sun Dasheng put away the Heaven-Opening Axe and fought with Zhu Xiansheng again.

If it were someone else, Sun Dasheng would never have talked so much truth, but Zhu Xiansheng was different, after all, he was Zhu Bajie's son, and the Heaven-Opening Axe was powerful, and if he really hurt him, he would not be able to face Zhu Bajie in the future.

Bang bang bang...

In the blink of an eye, the two sides continued to fight fiercely in the hall, and they saw that the two figures continued to shuttle back and forth and collide, and the aura that erupted swept the entire hall.

However, Sun Dasheng put away the Heaven-Opening Axe, and faced Zhu Xiansheng's fire, it was a little difficult to resist for a while.

"Great Sage be careful!"

Seeing this, Wen Ugly finally couldn't help it, and after shouting, the figure burst out and rushed into the hall to help Sun Dasheng deal with Zhu Xiansheng.

Speaking of which, as an elder, Wen Ugly didn't want to make a move.

But Zhu Xiansheng never admitted his mistake, and Sun Dasheng held his own identity, and refused to use the Heaven-Opening Axe, and continued to fight, sooner or later he would be burned by the fire, considering this, Wen Ugly decisively struck.

"Wow!"

Seeing that Wen Ugly also rushed over, Zhu Xiansheng was furious, and shouted: "Hall Master of the Hall of Immortal Life, also made a move, two beat me a child, what a face." Hearing

this, Wen Ugly's ugly face suddenly became embarrassed.

"Less nonsense!"

In the next second, Wen Ugly reacted and said coldly: "Hurry up and grab it, and apologize to Zheng Zhangmen." "At this time, Wen is ugly and impatient.

This kid is arrogant and arrogant, and he has no respect for the elder, if he is not treated well today, how can he explain to Zheng Chunqiu?

Zhu Xiansheng's attitude was resolute: "I'm not wrong, why should I apologize?" You want to press me as an elder, I just don't convince. "

Yikes!

Hearing this, Wen Ugly was furious.

Sun Dasheng shouted: "Brother Wen, this kid is too arrogant, don't talk nonsense with him." While speaking, he cooperated with Wen Ugly and planned to take down Zhu Xiansheng.

It's just that Zhu Xiansheng's figure is flexible, coupled with the spewing of fire from time to time, which makes Sun Dasheng and Wen Ugly very headache.

However, after all, the two are the top powerhouses who have been famous for a long time in the rivers and lakes, and although they failed to capture Zhu Xiansheng alive, they also slowly suppressed him.

"Little Junior Brother!"

At this moment, in the sky not far outside the hall, there was a beautiful voice, revealing a bit of anxiety.

Immediately afterwards, a charming figure flew in quickly.

## **The ultimate husband in Chinese chapter 6938**

Chapter 6938

—

Delicate facial features, graceful and beautiful figure.

It was Nalan who was happy.

At that time, Zhu Xiansheng pursued Tian Buyou and left her far behind, and Nalan was very anxious at that time, tracking all the way and finally finding Danzong.

This....

Soon, when he arrived at the square outside the main hall, Nalan was pleased to see the scene in front of him, and his body suddenly trembled.

What is this situation?

How did the little junior brother fight with Wen Ugly and Ugly, Sun Dasheng?

“Little Junior Brother!”

A few seconds later, Nalan happily eased up and couldn't help shouting: “Don't fight, Lord Wen, Head Sun, you guys also stop.” When he shouted, Nalan was anxious in his heart.

She clearly saw that Zhu Xiansheng was suppressed by death, only the ability to parry, and there was no power to fight back, so she was afraid that she would be injured.

However, the three people who were fighting fiercely were fighting fiercely at this time, and they did not hear Nalan's happy words.

Faced with this situation, Nalan was even more anxious, and immediately asked Zheng Chunqiu: “Zheng Zhangmen, what's going on?” Phew

!

Zheng Chunqiu looked embarrassed, took a deep breath, and said, “This little junior brother of yours is a little blazing star.” Afterwards, Zheng Chunqiu explained the incident in detail.

What the?

Knowing the situation, Nalan was pleased to tremble, and at that time it was ridiculous, helpless, and a little angry.

This little junior disciple is really too foolish, Danzong's name moves the world, Zheng Chunqiu is even more bright, righteous and unscrupulous, how can he be in the same stream as Tian Buyou's scum?

At the same time, Nalan Xinran finally understood why Wen Ugly and Sun Dasheng wanted to do something to the little junior disciple.

“Sect Master Zheng!”

A few seconds later, Nalan reacted gladly, her delicate face was full of apologies, and said to Zheng Chunqiu: “Little junior brother is young, today is making trouble about Danzong for no reason, it really shouldn't be, I apologize to you on his behalf, I'm really sorry.” The

tone is sincere and sincere.

Call!

Zheng Chunqiu took a deep breath and nodded silently: "Speaking of which, this matter is a misunderstanding, it was originally insignificant, but to make my junior brother hurt so many people in my Danzong, you Holy Sect, you must give me a reasonable explanation."

"It's nature." Nalan was very embarrassed and nodded repeatedly.

"Little Junior Brother!"

In the next second, Nalan happily shouted at the hall: "Stop quickly, today's matter, you are too impulsive and misunderstood Danzong, come out and apologize to Sect Master Zheng."

Although she loves Zhu Xiansheng, she also has her own principles for acting, and since the little junior brother is wrong, she must apologize.

Otherwise, the reputation of the entire Holy Sect would be affected by him.

Masters?

At this time, Zhu Xiansheng was very happy when he heard Nalan's happy voice, but hearing her words later, Zhu Xiansheng's immature face suddenly changed.

Why?

Why did Senior Sister also say that I was wrong?

I'm just chasing that quack scum, is there a mistake?

"I'm not wrong!"

Thinking of this, Zhu Xiansheng shouted: "Senior sister, I'm not wrong, why should I apologize?" You leave me alone, even if they fight two to one, I am not afraid. When

the words fell, Zhu Xiansheng continued to fight with Wen Ugly and Sun Dasheng.

Seeing him so stubborn, Nalan was so angry that she stomped her foot: "Don't mess around, stop quickly." You admit your mistake now, there is still room for redemption in the matter, don't be obsessed with it anymore, okay?

"Little junior brother, you listen to me, you were tricked by that Tian Buyou, he deliberately provoked a fight between you and Danzong, you don't fight, stop quickly, first make amends to Sect Master Zheng to admit your mistake, and then confess your mistake to Lord Wen Hall and Head Sun."

Nalan's voice of happy persuasion kept coming, and Zhu Xiansheng's face was gloomy, and he gritted his teeth and did not respond.

Speaking of which, Zhu Xiansheng at this time also realized that he was played by Tian Buyou, but others are not big, but his self-esteem is extremely strong, and with so many people present at this time, it is absolutely impossible for him to apologize in public.

Seeing him so stubborn, Nalan was completely anxious: "If you don't admit your mistake, don't recognize me as a senior sister in the future." Did you hear that. "

Don't recognize my senior sister in the future.

Hearing these words, Zhu Xiansheng's young body trembled, and he felt unspeakably uncomfortable in his heart.

In Zhu Xiansheng's heart, in addition to his parents, he is Nalan Xinran's dearest, and even has a deeper affection for Nalan than his parents.
