

The ultimate husband in Chinese chapter 6941

Chapter

6941 At this time, Zhu Xiansheng, looking not as evil as before, but he had not yet sobered up, and at this time he was tightly bound by the dust, and kept struggling: "Let go of me, let go of me..."

Seeing this, everyone present was shocked.

"Little Junior Brother!"

At the same time, Nalan was inexplicably distressed, and couldn't help shouting, and was about to come closer to check.

Just didn't take two steps, he was stopped by Lu Dongbin: "He has not eliminated the demons in his heart, you don't come close first." Hearing

this, Nalan readily answered and stopped.

Lu Dongbin didn't say more, quietly observed Zhu Xiansheng for a few seconds, then sighed softly, walked over slowly, quickly raised his hand, and sealed several acupuncture points for Zhu Xiansheng.

Snap!

In an instant, Zhu Xiansheng's body trembled, closed his eyes and passed out.

Call!

Seeing that Zhu Xiansheng was completely restrained, whether it was Wen Ugly and Ugly, Sun Dasheng, or the Danzong disciples present, they were secretly relieved.

This little blazing star was finally restrained.

"Sect Master Zheng!"

At this time, Lu Dongbin turned around, took out a few bottles of pills, and apologized to Zheng Chunqiu: "The bad guys make a big fuss about your Danzong, the poor way is very ashamed, these pills you give to the injured disciples, it can be regarded as some compensation for the poor road."

"As for those disciples who lost their lives, the Poor Dao will raise the altar to do the work for them, and for them to go beyond it, in the future, the Danzong will use the place where the Poor Dao can be obtained, and send people to the Holy Sect as soon as possible..."

When he said this, Lu Dongbin's tone was extremely sincere.

Faced with this situation, Zheng Chunqiu was a little flattered, and quickly said, "Heavenly Master is polite." It was really critical just now, and fortunately the Heavenly Master arrived in time. To

be honest, Zheng Chunqiu was originally angry, but when he heard Lu Dongbin's words at this time, the dissatisfaction in his heart suddenly dissipated.

You know, this is the Holy Sect Heavenly Master. In the entire Kyushu rivers and lakes, like a living immortal, ordinary people are afraid that they will never see it in their lives, but at this time, they lowered their posture to apologize to themselves.

Let me ask, who in the whole of Kyushu will have such an honor?

Lu Dongbin nodded, and then looked at Wen Ugly and Sun Dasheng: "The Holy Sect has such an inferior, which makes the two laugh." "

Huh...

Wen Qiu smiled ugly, and said indifferently: "Heavenly Master is polite, this kid's father, Zhu Bajie, is a brother who lives and dies with us, and he is all his own person." When

the words fell, Sun Dasheng also followed and said: "Yes, the Heavenly Master said so, but he can see the outside."

Saying that, Sun Dasheng couldn't help but say, "Heavenly Master, what's going on with this kid?" The power that erupted in the hall just now was not only powerful, but also very evil, as if it was the power of the demon race.

When asking, Sun Dasheng's face was full of doubts.

Swish!

At this moment, Wen Ugly and everyone around him could not hide their curiosity in their hearts, and they all looked at Lu Dongbin.

Lu Dongbin took a deep breath and said slowly: "In this matter, the poor road also does not understand a little, this son beats the mother's fetus, he is very talented, but the poor road will definitely find out, so that I can give you an explanation." Hearing

this, everyone nodded one after another, and they no longer asked.

"Master!"

At this moment, Nalan bit her lips gladly, and her delicate face showed a little worry: "Little junior brother is okay, will his life be in danger?"

For her, the family is gone, and the closest person in this world, except for the master, is the little junior brother.

Lu Dongbin shook his head: "His situation is very complicated, but there is no danger to his life, let's go, let's go back to the Holy Sect first." Saying that, he bent down to pick Zhu Xiansheng up, and then flew up.

Nalan readily answered, quickly caught up, and in the blink of an eye, the three figures disappeared into the sky.

Call!

Watching the three masters and apprentices leave, Wen Ugly breathed a sigh of relief and slowly said, "It's okay, it's a false alarm."

Zheng Chunqiu nodded in agreement.

Sun Dasheng scolded: "Ma De, all this is that Tian Buyou's ghost, Sect Master Zheng, that scum must be hiding nearby, we must arrest him." Zheng

Chunqiu nodded: "Brother Great Sage is right, that scum deliberately provoked us and the Holy Sect to have a grudge, which is really abominable.

Saying that, Zheng Chunqiu looked around the audience and said loudly: "All disciples listen to the order, immediately search the surroundings of the main altar, once Tian Buyou's whereabouts are discovered, whether he is alive or dead, he must take it." "

6942 When the order
was given, Zheng Chunqiu's eyes were full of anger.

If it weren't for the scum of Tian Buyou, Danzong would not have encountered this kind of trouble for no reason. Such a despicable villain must not be easily bypassed.

"Disciples obey!"

Hearing this, the disciples of the Dan Sect present responded in unison, and the momentum was heaven-shaking.

A few minutes later, the disciples of the main altar divided into more than a dozen groups and searched carefully around the main altar. However, they didn't know that Tian Buyou had already quietly escaped from the scope of the Danzong General Altar.

.....

On the other side, God Domain.

After more than an hour of flight, Yue Feng finally arrived near Ghost Immortal Mountain.

At this time, the Ghost Immortal Mountain was hidden in a cloud and mist, and the heaven and earth were full of spiritual energy, which made people feel pleasant to watch.

Call!

Seeing this scene, Yue Feng's mood was indescribably comfortable, and he immediately landed towards the small courtyard on the mountain.

As soon as he landed in the courtyard, he saw the figure of a fairy wind Daobone, sitting in the pavilion and meditating quietly, it was Ghost Guzi.

Ha ha... Master really came back.

At this moment, Yue Feng was overjoyed, and quickly walked over: "Master, I'm coming!" "

Yikes!

Hearing the shout, Ghost Guzi suddenly opened his eyes, saw that it was Yue Feng, and immediately showed a kind smile: "You kid, finally appeared, yesterday for the master to calculate that you are trapped in a human world, although there are many difficulties, but in the end it will be dangerous, I didn't expect that you would come back so soon."

As

he spoke, Oniyako's eyes showed a bit of appreciation.

For thousands of years, Ghost Guzi has been worshipped as a thousand ancient people, and in the Kyushu Continent, he is regarded as a god-like existence, and in Ghost Guzi's heart, the most gratifying thing is to accept such an apprentice as Yue Feng.

Belch....

Hearing the praise, Yue Feng looked humble, scratched his head and said, "Master is really a clever calculation, and this can be calculated by you."

Subsequently, Yue Feng briefly recounted his encounter in the Tianxin Continent.

"Very good!"

Knowing that Yue Feng trapped Haotian in the Chaotic Void, Ghost Guzi's face was full of approval: "That Haotian God King has an improper mind and is trapped in the Chaotic Void, and he is also to blame."

Saying that, Ghost Guzi slowly stood up: "Master Wei recently got some new tea, this kind of tea is produced in Ghost Immortal Mountain, and drinking it can clear the mind and delight the heart." You come and taste it! Even celebrate your safe return. The

words fell, and Oniyako slowly walked into the main hall.

Yue Feng was excited, and nodded repeatedly: "It is better for a disciple to be respectful than to obey." "Haha, the tea that Master made is comparable to elixirs, it seems that I have good luck today."

Soon, when he arrived at the main hall, Ghost Guzi took new tea, and Yue Feng hurriedly helped boil water and make tea.

After a while, the entire main hall was filled with the smell of tea.

Boom...

Yue Feng drank a cup of tea, only felt that his mouth was fragrant, and couldn't help but praise: "Good tea!"

Saying that, Yue Feng asked curiously, "By the way, Master, how is the situation in the God Domain now?" When I first teleported, I saw patrolling divine soldiers everywhere. Phew

!

Hearing the inquiry, Ghost Guzi took a slow sip of tea and said slowly: "Power struggles are inevitable, and those are all arranged by Hua Zhao Niangniang."

"In the past few days, Hua Zhao Niangniang sent messengers to invite all immortals to the Yutian Palace to discuss matters and support her as a female Heavenly Emperor, those who obey are treated well, and those who oppose will be sent to the Heavenly Prison."

Speaking of this, Ghost Guzi sighed leisurely: "The mountain rain is about to come, this God Domain... It's not calm again. "

Groove

Knowing these situations, Yue Feng took a deep breath, and his face became solemn.

It seems that Xianti was right before, Hua Zhaoniang Niangniang is ambitious, the depth of the city, not pressing Haotian, if she is allowed to control the God Domain, I am afraid that the whole world will be difficult to be peaceful.

Thinking about it, Yue Feng couldn't help but say, "Master, what should we do?" Ghost

Guzi looked indifferent: "Respond to all changes with immutability, and wait and see." Hearing

this, Yue Feng came to an understanding.

Buzz.....

As he spoke, he sensed a fluctuation of breath above the courtyard outside, and then a loud voice sounded: "Last General Tiankui, on the order of Niangniang, I specially invite Mr. Oniya to go to the Imperial Heavenly Palace for a discussion." "

6943 The

voice was loud, echoing endlessly throughout the Ghost Immortal Mountain.

Nima, as he spoke, came.

Faced with this situation, Yue Feng's face changed, and he immediately stood up.

Ghost Guzi looked indifferent: "It's coming so fast."

Yue Feng didn't have time to think about it and said, "I'll deal with them, Master just drink tea." When he said this, Yue Feng suppressed his anger and was about to walk out.

In Yue Feng's heart, the most respected person in this life is Ghost Guzi, now seeing Hua Zhao Niangniang sending someone to find trouble, how can he bear it?

It's just that every two steps he takes, he is stopped by Oniyako.

"You don't go out."

Ghost Guzi stopped Yue Feng and said seriously: "You and Hua Zhao Niangniang have been holding a grudge for a long time, if she knows that you are back, there will be a vicious fight, let the master deal with this matter."

Saying that, Oniyako glanced back at the back door of the main hall: "While they haven't broken in, you go first through the back door, quickly."

"Master!"

Yue Feng was anxious all of a sudden: "The other party is not good, how can I leave you here alone?" "He knows that Ghost Guzi's strength is good, but he alone, no matter how strong his strength is, he can't match thousands of divine soldiers and divine generals."

Call!

Ghost Guzi took a deep breath and said lightly: "For the master's own measure, you hurry up, don't you listen to the master's words?" "It's not loud, but it's unquestionable."

This.....

Seeing that the hell Guzi was about to get angry, Yue Feng was very entangled in his heart, and finally nodded: "Okay, Master, you are extremely careful." Saying that, under the guidance of Oniyako, he opened the back door of the main hall and walked out quickly.

When he arrived outside, Yue Feng did not leave, but bypassed the back mountain and quietly observed the situation in the small courtyard.

I saw that thousands of divine soldiers surrounded the small courtyard, and the three divine generals at the head were wearing golden armor and majestic.

Tiangang God General?

Seeing those three divine generals, Yue Feng couldn't help but frown secretly.

When the Nine Heavens God was still there, in order to facilitate the treatment of the Demon Clan, thirty-six Tiangang God Generals were specially canonized, and these Tiangang God Generals were all extraordinary in strength and transcendent in status, second only to the Hao Heavenly God King.

And the three divine generals in front of him are exactly three of them, namely Tiankui Divine General, Tianji Divine General, and Tianwei Divine General.

Just as Yue Feng muttered secretly, he saw Ghost Guzi slowly walking out of the courtyard, with a leisurely pace and a calm demeanor.

Swish!

In an instant, the eyes of the three divine generals and the divine soldiers present converged on Ghost Guzi.

“Mr. Oniya!”

Finally, the Tiankui God reacted, saluted Ghost Guzi with a fist, and said politely: “Trouble go to the Yutian Palace with us to meet Niangniang.” The

surface is polite, but the tone is unquestionable.

Ghost Guzi’s tone was indifferent: “I have no friendship with my mother-in-law, and I suddenly came to invite the old man, what happened?” This

.....

At this moment, the Tiankui God General was stunned, and the two gods next to him looked at each other, and then said with a smile: “Mr. Botong ancient and modern, omnipotent, Niangniang has always appreciated Mr. ‘s talent, this special invitation sir, is to discuss the major affairs of the God Domain.” When

the words fell, the two divine generals around him also nodded one after another.

Hehe!

Hearing this answer, Oniyako couldn’t help but laugh: “I’m just an idle cloud wild crane, my mother is too uplifted, and besides, the old man has long been out of the world, so please come back.” “

Yikes!

Tiankui Shen’s face sank, and said coldly: “Sir, the mother sincerely invited, but you pushed back and obstructed, how?” Don’t you put your mother in your eyes?

“Huh!” Ghost Guzi smiled slightly: “If you sincerely invite, why did you bring so many soldiers here?”

“You...”

Hearing this, Tiankui Shen’s face turned red, and he didn’t know how to answer for a while.

Call!

Seeing this scene, Yue Feng, who was hiding in the shadows, also became a little anxious.

The other party came prepared, even if the master refused, it was useless, no, you must think of a way.

Muttering in his heart, Yue Feng suddenly thought that there was still a Yi Rong Dan on his body, and he immediately had an idea, immediately took out the pill and took it, and then urged the power of the Yuan God.

In the blink of an eye, he saw Yue Feng's facial features slowly change, and finally became Hao Tian's appearance.

Yi Rong Dan was developed by Yue Feng in the past two years, which can change his appearance, but the materials needed are very rare, and in one year in the Tianxin Continent, Yue Feng has only refined one.
