The ultimate husband in Chinese chapter 6955—"Ministers and others see Your Majesty!"

The West Cang Continent is originally respected by the strong, and at this time, Hong Sanqi got rid of Wang Jian and Li Xian in one fell swoop, the strongest force, and no one dared to disobey.

Well!

Seeing this, Hong Sanqi's heart was excited, but his face was calm, and he raised his hand at that time: "Let's all get up."

Saying that, Hong Sanqi walked over step by step, sat on the dragon chair, and said to Tian Buyou: "This time I can get rid of the two rebel thieves, Mr. Bu will immediately take the lead."

Saying that, Hong Sanqi looked around the audience: "Pass on the will, Mr. Feng Bu is the prime minister, and all the officials must cooperate and assist well, and there must be no mistake."

"Yes, Your Majesty!"

The words fell, and all the officials responded in unison.

Tian Buyou was even more overjoyed, and immediately bowed down: "Thank you Your Majesty Hong En." "

.....

On the other side, God Online!

Yue Feng took advantage of Hua Zhaoniang's drunkenness and quietly left the hall, preparing to go to the portal and return to Kyushu.

Groove!

As a result, before he reached the gate, Yue Feng was immediately depressed.

I saw that outside the gate of Xianyuan, there were patrolling divine soldiers everywhere, guarding the entire Yuyao Immortal Garden like a copper wall and iron wall, not to mention a big living person, I am afraid that a fly will not be able to fly in.

This... If you break in, it's too risky.

Faced with this situation, Yue Feng was a little crying and laughing, and at this time, when he saw a team of patrolling divine soldiers, he immediately had an idea.

“You!”

Just as this group of patrol divine soldiers passed by the gate, Yue Feng pointed to the captain of the divine soldier: “Come here.” The

tone was unquestionable.

Hearing the shout, the captain quickly ran over, his face full of respect: “What is His Highness’s order?”

Yue Feng looked around and said lightly: “There is a matter that needs to be handed over to you, follow me.” With that, he turned and walked towards the backyard.

The captain answered and quickly followed. The mood is very exciting, and the things that His Highness explained must be extraordinary.

If it is done, it may be a great achievement.

Soon, when he reached a corner of the backyard, Yue Feng stood still.

The captain hurriedly asked, “Your Highness, what is going on?”

“Look over there!”

Yue Feng pointed behind him with a serious expression.

Swish!

The captain did not have the slightest doubt, instinctively looked back, but at this moment, Yue Feng shot out like electricity and slapped a palm on the back of his neck.

A dull sound was heard, and the captain barely reacted, and immediately passed out.

Yue Feng did not hesitate and quickly changed his clothes with this captain.

After getting dressed, Yue Feng strode out of the Jade Yao Immortal Garden, and he was in a very happy mood, haha, no one found out now.

Excited, Yue Feng quickly rushed towards the nearest teleportation array.

Swish....

Before he arrived at the teleportation array, he saw that the Tiankui God General quickly arrived with a lot of divine weapons.

Groove!

Yue Feng's heart was shocked, Nima, could it be discovered?

As he muttered, the Tiankui Divine General also discovered Yue Feng, and immediately shouted, "What are you doing here?" Lazy? "Because Yue Feng's helmet was wearing very low, it almost blocked his eyes, and the Tiankui God General hadn't seen it yet, thinking that it was just a divine soldier captain.

Yue Feng quickly shook his head, and at the same time secretly rejoiced in his heart.

Fortunately, it was not found.

The Tiankui God General was too lazy to talk nonsense, and urged: "Hurry up and support the Arctic Mountain with us, the Arctic Immortal Venerable openly confronts Niangniang, and the crime is unforgivable." What

?

Hearing this, Yue Feng's heart was shocked.

The Arctic Immortal Venerable was just right, Yue Feng had heard about it for a long time, but he did not expect that he would dare to openly confront Hua Zhao Niangniang now.

Thinking about it, Yue Feng had to follow the team and rush towards the Arctic Mountain with the Tiankui God General. On this road, Yue Feng kept looking for an opportunity to slip away, but he was looked at too closely by the Tiankui God General, and there was no chance at all.

Bang bang!

When he was about to reach the Arctic Mountain, Yue Feng heard from a distance that there was a sound of fighting in the building complex halfway up the mountain range.

When he arrived, he saw that the Tianwei Divine General, as well as nearly a hundred divine soldiers, were besieging the two figures.

A man with silver hair and a dusty temperament is the Arctic Immortal Venerable.

The other was wearing a purple long dress, with a graceful figure and delicate facial features, and was the apprentice of the Arctic Immortal Venerable, the Purple Cloud Fairy.

Bang bang.

Although the number of the two sides was huge, the Arctic Immortal Venerable was strong, and in the blink of an eye, he repelled more than a dozen divine soldiers.

Call!

Seeing this, Yue Feng secretly breathed a sigh of relief.

Fortunately, it came in time, and the Arctic Immortal Venerable had not yet been caught, otherwise the consequences were unimaginable. Speaking of which, Yue Feng and the Arctic Immortal Venerable do not have much friendship, but the Arctic Immortal Venerable has a free and honest personality, and Yue Feng has always admired it.

This side of the battlefield at this time.

Swish!

Seeing that the Tiankui God would bring troops to support, the Purple Cloud Fairy trembled, and couldn't help but say to the Arctic Immortal Venerable: "Master, they have come to reinforce, what should I do?"

When

shouting, Ziyun Fairy was very panicked in her heart, and at the same time, she hated Hua Zhao Niangniang even more. This woman is really hateful, and in order to control the God Domain, she finally revealed her true face.

"Don't panic!"

The Arctic Immortal Venerable was also full of solemnity, but he still calmed down and said to the Purple Cloud Fairy: "It's just that these doglegs can't stop our master and apprentice." Buzz

!

When the last word fell, the power of the Arctic Immortal Venerable Yuan God burst out, raised his right hand, and a palm was as fast as lightning, straight towards the Tianwei God in front of him.

This palm was powerful, and the Tianwei God changed his face, and he didn't have time to dodge, so he had to use his divine power and meet it with one palm.

Bang!

In the next second, the palms of the two sides collided, and a dull sound was heard, and the Tianwei God General was immediately repelled by the volley.

After taking dozens of steps back, the Tianwei God General stabilized his figure.

At this time, the Tianwei God General stared at the Arctic Immortal Venerable closely, his face was a little pale, and his eyes were also shocked, it was worthy of being a generation of Immortal Venerable guarding the Arctic Mountain, and this strength was indeed unfathomable.

Swish!

At the same time, the Tiankui Divine General who rushed in was also extremely ugly, and at this time he couldn't help shouting: "Arctic Immortal Venerable, you openly confront Niangniang, the crime is monstrous, hurry up and grab it?" If you continue to resist, don't blame me for being unkind. "

Huh!

Hearing this, Arctic Immortal Venerable smiled coldly: "Less nonsense, are you polite to the old man now?" Hua Zhao wanted to usurp the throne and seize power, but the old man was not convinced.

"If you really want to be reasonable, let Hua Zhaoniang come to the old man herself."

The tone is harsh and unquestionable.

Seeing that he was facing a heavy siege and daring to be so arrogant, the Tiankui God General was immediately furious, and scolded: "Good, good, since you are stubborn, don't blame Ben for not being ruthless."

"Tianwei, deploy the Lock Immortal Array."

Sou!

When the last word fell, the Tiankui God would burst out a stream of light and go straight to the Arctic Immortal Venerable.

The Tianwei Divine General and several other Divine Generals heard the shout, answered in unison, and quickly surrounded the Arctic Immortal Venerable, only to see

that they cooperated with each other, their bodies were mysterious, and a magic array was formed in the blink of an eye.

Worst!

Seeing this scene, Yue Feng couldn't help but pinch the sweat for the Arctic Immortal Venerable, and his heart was also worried.

Yue Feng of the Lock Immortal Array has long heard of it, it is a high-level law array signed in the God Domain, at least three people can be composed, varied, unpredictable, and more importantly, the stronger the strength of the person who deploys the law array, the stronger the power of the law array.

If a few divine soldiers were deployed, Yue Feng would not be worried.

But the Lock Immortal Array in front of him was personally deployed by the Tiankui God General and the Tianwei God General, and the power could be imagined.

Buzz

In an instant, the Lock Immortal Array formed, and the spiritual energy between the surrounding heaven and earth gathered madly, and the air of the entire Arctic Mountain was extremely distorted, like the end of the world, and the power was very amazing.

Call....

Faced with this situation, the Arctic Immortal Venerable's face became solemn, and his heart could not help but become a little anxious.

Pregnant, the other party deployed the Lock Immortal Array, and I am afraid that it will be difficult to break through now.

"Master, be careful..."

At the same time, the Purple Cloud Fairy was also delicate, and couldn't help but exclaim, and then rushed over to help the Arctic Immortal Venerable break the formation.

However, the power of this lock immortal array is too strong, and an enchantment has almost formed on the edge, and although the purple cloud fairy is flexible, it can't rush in, so he can only stand on the periphery and watch anxiously.

"Come on!"

Finally, the Arctic Immortal Venerable calmed down and glanced coldly at the Tiankui God General: "The old man wants to receive the teaching today, how powerful the Lock Immortal Array you deployed is." Buzz

....

When the last word fell, the power of the Arctic Immortal Venerable Yuan God completely broke out, and the Tiankui God would fight fiercely.

The ultimate husband in Chinese chapter 6957—Just saw that the figures of the two sides were constantly shuttling each other in mid-air, erupting into one roar after another.

Arctic Immortal Venerable retreats in the Arctic Mountain, with extraordinary divine power, but at this time, in the face of the Tiankui God General's Lock Immortal Array, it is impossible to break through in a short time, and as Tiankui and others cooperate more and more, the Arctic Immortal Venerable is slowly suppressed.

Ha ha....

Seeing this situation, the Tiankui God General laughed proudly while attacking: "Arctic Immortal Venerable, no one can break the lock immortal array of our brothers, I advise you not to be stubborn, surrender as soon as possible."

When he laughed, Tiankui Shen would be full of pride.

Arctic Immortal Venerable had a resolute attitude and said coldly: "The old man will not surrender to death." You don't have to waste your tongue. Hua

Zhao Niangniang is ambitious, if she joins her, the Divine Domain will never have peace.

There can be no compromise in any way.

Swish!

Seeing that he was still hard-mouthed at this time, the Tiankui God General was completely angry: "You are looking for death!" When

the words fell, they strengthened the power of the formation together with the other gods and completely suppressed the Arctic Immortal Venerable.

“Master!”

Seeing this scene, the Purple Cloud Fairy was completely anxious, and couldn't help shouting, and tears welled up.

She was well aware of the power of the Lock Immortal Array, and as Shi Zhan became stronger and stronger, in this case, the master was afraid that he would end up with a Yuan God Annihilation.

This...

At the same time, when Yue Feng saw this situation, he was also secretly anxious.

No, think of a way to rescue the Arctic Immortal Venerable.

“Haha...”

At this moment, the Tiankui God General laughed loudly: “Arctic Immortal Venerable, since you are stubborn, today I will call your master and apprentice, and destroy the Yuan God together.”

Saying that, the Tiankui God General shouted at Yue Feng and the divine soldiers present: “Take down the Purple Cloud Fairy quickly, whether you live or die, there must be no mistake.” Anyone

who confronts Niangniang must cut the grass and remove the roots.

“Obey!”

When the words fell, the divine soldiers present responded in unison, and then they all burst out their power and rushed towards the Purple Cloud Fairy.

At this moment, Yue Feng was even more anxious.

What to do?

If you don't do it, you will be suspected, but if you want to do something to the Purple Cloud Fairy with these divine weapons, wouldn't it help to cause abuse?

Pregnant!

In a hurry, Yue Feng's spirit moved, and he immediately had an idea, and immediately burst out, and the first one rushed to the Purple Cloud Fairy, shouting in his mouth: “Quickly tie up and capture, you can spare your life.”

“You lackeys!”

Seeing Yue Feng and the gods and soldiers rushing towards him, the Purple Cloud Fairy knew that the situation was irreparable, and his delicate face showed a bit of determination, and he bit his lips at that time and said coquettishly: "Even if the Yuan God is destroyed today, I will pull you to cushion your backs together." Buzz

!

When the words fell, the Purple Cloud Fairy Jade hand raised and struck towards the nearest Yue Feng with a palm.

This palm was extremely powerful, and the air was torn everywhere it passed, and the power was very amazing.

At this time, the Purple Cloud Fairy, knowing that there was no hope of escape, whether he had the ability to help Master get out of trouble, was furious, and he was already determined to die.

Groove....

Seeing this palm coming, Yue Feng was shocked, and quickly dodged to avoid it, detouring to the side of the Purple Cloud Fairy at that time, and said in a low voice: "Fairy don't panic, I'll help you."

When

he said this, Yue Feng deliberately raised the helmet that was lowered to reveal his face.

"You..."

At this moment, when the Purple Cloud Fairy saw Yue Feng's face, her body suddenly shook, and her brain was buzzing.

Because of the relationship between taking Yi Rong Dan, Yue Feng's face at this time was still Hao Tian's appearance, and for a while, the Purple Cloud Fairy's whole person was blinded.

Haotian God King?

He.... Why is he here? And, also to help us?

At this time, the Purple Cloud Fairy did not know that it was not the Haotian God King in front of him at all, but Yue Feng's fake one.

"It's you!"

Finally, the Ziyun Fairy reacted, her delicate face was extremely embarrassed, and she coldly reprimanded: "You are less pretentious, what means do you want to play, just let the horse come." When

the words fell, the purple cloud fairy's body flowed, and he struck hard with another palm.

This Haotian God King and Hua Zhao Niangniang are together, how can they be kind enough to help us, there must be fraud in this.

Belch....

Faced with this situation, Yue Feng almost wanted to cry without tears, and quickly said, "Fairy calm down, I'm really here to help you." "

At this time, other divine soldiers quickly rushed and had already surrounded the Purple Cloud Fairy.

Seeing this, Yue Feng was completely anxious, and he lowered his voice and said, "Believe it or not, you only have one chance to save your master now, and that is to hold me hostage to threaten them."

"Quick, there's no chance when it's over."

When he said this, Yue Feng was in a hurry.

He had planned to tell his true identity, but the situation was extremely critical at the moment, and there was no time to say too much.

Call!

Hearing Yue Feng's words, the Purple Cloud Fairy bit her lip tightly, almost biting blood, and her mood was extremely complicated.

Is this Hao naïve believable?

Don't.... He fell out with Hua Zhao Niangniang?

Still, this is a conspiracy ...

Tangled in his heart, seeing that the Arctic Immortal Venerable was suppressed by death, seeing that he was about to be unable to hold on, the Purple Cloud Fairy no longer thought about it, planned to gamble, and immediately rushed up and restrained Yue Feng at once.

This time, Yue Feng was not dodging, allowing the Purple Cloud Fairy to clasp his wrist.

Swish!

Seeing that he did not resist, the Purple Cloud Fairy no longer hesitated, pulled out his long sword and suddenly crossed Yue Feng's neck, shouting at the surrounding divine soldiers: "Stop it all, or I will kill him." The

last word fell, and the Purple Cloud Fairy quickly removed Yue Feng's helmet.

Suddenly, Yue Feng's face was exposed to everyone's sight.

What the?

At this moment, whether it was the divine soldiers present, or the Tiankui Divine General and the Tianwei Divine General, they were all shocked in their hearts, and their brains were buzzing one by one.

What's the situation?

How could His Highness the Divine Monarch be here?

At the same time, the Arctic Immortal Venerable trapped in the Lock Immortal Array also frowned secretly, and his heart was stunned.

The Haotian God King was actually there.

It's just that... He is strong, how can he be caught by his apprentice?

"Your Highness!"

Finally, Tiankui God was the first to react, and looked at Yue Feng in a complicated way: "You.... How could you....." He never expected that the Haotian God King would appear here wearing the armor of a divine weapon.

It stands to reason that he shouldn't be in the Yuyao Immortal Garden now?

Belch.....

Facing the doubts of the Tiankui Divine General, Yue Feng smiled bitterly: "I played a game with my mother before, so I dressed like this, and when I saw you coming to the Arctic Mountain to support, I followed together."

"In order to leave the Chaotic Void before, I consumed a lot of divine power, and I haven't completely recovered until now..."

When he said this, Yue Feng's mind turned quickly.

I see!

Hearing this, the Tiankui Divine General and the surrounding divine soldiers all nodded abruptly, and none of them dared to ask deeply.

After all, Haotian God King and Hua Zhao Niangniang have a close relationship, what game the two play, will let him dress like this, that is a matter between the two of them, who dares to investigate it.

Call!

Seeing that everyone did not suspect, Yue Feng secretly breathed a sigh of relief, and then pretended to say to the Ziyun Fairy: "Ziyun, you are not small, you dare to threaten this God Monarch, what consequences you can think clearly."

When

he said this, Yue Feng's expression was fierce, but his heart was indescribably relaxed.

The plan was so successful, the Arctic Immortal Venerable should be safe.

"You stop!"

The Purple Cloud Fairy was not stupid, and immediately coldly reprimanded: "Of course I know the consequences, but this is all forced by you."

"Presumptuous!"

As soon as the words fell, the Tiankui God drank angrily: "Purple Cloud Fairy, you are really looking for death, and quickly released His Royal Highness the God King." When he drank angrily, the Tiankui God General was full of anger, but his eyes showed a bit of jealousy.

Now that His Highness the God King has been arrested, he and the Tianwei God General are extremely jealous, and they dare not act rashly.

"Released?"

Ziyun Fairy bit her lips tightly and looked at the Tiankui Divine General fearlessly: “You are not qualified to talk to me now, quickly release my master, otherwise, I will immediately take his life.”

Saying that, the Purple Cloud Fairy Long Sword tightened, and in an instant, a bloodstain appeared on Yue Feng’s neck.

As long as the Purple Cloud Fairy was exerting force, Yue Feng’s head would fall to the ground.

Groove!

Feeling the pain in his neck, Yue Feng was startled.

This Purple Cloud Fairy is really ruthless, if it weren’t for saving the Arctic Immortal, I am afraid that her head would have really been cut off by her.

Seeing this scene, the Tiankui God General and the Tianwei God General were both taken aback and shouted in unison.

For a while, the hearts of the surrounding divine soldiers were also raised.

Call!

Seeing this scene, Ziyun Fairy continued: “If Haotian dies, if you go back, I am afraid that it will not be easy to make a difference, which is more important than the other, you will weigh it yourself.” The

voice was cold and unquestionable.

Marde!

Hearing this, Tiankui God clenched his fists, his face extremely ugly.

He clearly saw that the long sword of the Purple Cloud Fairy was close to ‘Haotian’s neck, and as long as he tried a little harder, ‘Haotian’ would fall to the ground.

In an instant, Tiankui God tangled his heart.

Because the Ziyun Fairy is right, Niangniang and Haotian have a close relationship, once something happens to Haotian, Niangniang is bound to be furious, and at that time, she and others will be blamed.

However, at this time, the Tiankui God General did not know that the Haotian in front of him was fake, but Yue Feng was pretending to be.

“Good!”

Finally, the Tiankui God General gritted his teeth and said heavily: “Release the Arctic Immortal Venerable.” Seriously

, I finally surrounded the Arctic Immortal Venerable, and I really didn’t want to let him go like this, but there was no way, for the sake of my own future, I could only compromise temporarily.

Crash...

When the words fell, the Tianwei God General and the other God Generals immediately retreated.

The Lock Immortal Array was self-defeating.

Sou!

At this moment, the Arctic Immortal Venerable did not hesitate, quickly rushed out, and converged with the Purple Cloud Fairy.

Seeing this, Ziyun Fairy was indescribably excited: “Master, are you okay?”

“Master is fine.” Arctic Immortal Venerable answered, and at the same time looked at Yue Feng in a complicated manner.

Yue Feng was also very excited, but considering that the Tianwei Divine General was still there, he shouted at that time: “Ziyun, your master is already safe, don’t you hurry up and release me?” Saying

that, Yue Feng secretly performed the secret technique of sound transmission, and said to the Purple Cloud Fairy: “Don’t let it go, take me with you.” The

Purple Cloud Fairy understood in his heart, and immediately said coldly: “Release you?” You think I’m going to be that stupid? Our master and apprentice are not completely safe, and I will not release you.

voice was fierce and unquestionable.

Swish!

Hearing this, whether it was the Tiankui Divine General or the surrounding divine soldiers, their faces changed and they were extremely angry.

Immediately, the Tiankui God General shouted angrily at the Purple Cloud Fairy, “You dare.” When

the words fell, the Tiankui God General waved his hand.

Crash!

In an instant, the surrounding divine soldiers broke out one after another, quickly surrounding the three groups of the Purple Cloud Fairy.

The Purple Cloud Fairy did not panic at all, and said coldly: “Look if I dare.”

“You!”

Hearing this, Tiankui Shen’s face turned red, and his heart was extremely angry, but he didn’t know how to answer.

“Tiankui, Tianwei!”

Seeing that the fire was almost over, Yue Feng made a look of anger and shouted angrily at the Tiankui God General: “What are you doing?” Do you really want me to be dead? Not quitting the Arctic Mountains soon? The

sound spread throughout the Arctic Mountains, and the aura was powerful.

“Your Highness!”

In the face of the reprimand, Tiankui Shen looked terrified, and said carefully: “But we are gone, leaving you alone...”

Haotian God King has a special status and has to be cautious. If something goes wrong, I can’t afford it.

But before he finished speaking, Yue Feng said coldly: “Their master and apprentice just want to save their lives, you retreat quickly, the Buddha-figure will be fine.” Phew

!

Hearing this, Tiankui God took a deep breath, and finally gritted his teeth and nodded, “Okay, obey the order of His Highness.”

Immediately, the Tiankui God General looked at the Purple Cloud Fairy coldly: “If His Highness has any accidents, even if you escape to the ends of the earth, I will catch you.”

“Go, evacuate the Arctic Mountains.”

When the last word fell, Tiankui God would be unwilling and leave first.

The Tianwei Divine General and the surrounding divine soldiers followed one after another, leaving clean in the blink of an eye.

Call!

At this moment, the Purple Cloud Fairy ignored Yue Feng, but said to the Arctic Immortal Venerable: “This Haotian and Hua Zhao Niangniang are both raccoon raccoons, it is better to take the opportunity to get rid of him.”

When

he said this, Ziyun Fairy's eyes were full of resentment.

Although Yue Feng had just helped their master and apprentice get out of trouble, in her heart, she did not have the slightest gratitude, after all, compared to Hua Zhao Niangniang, Haotian God King was even more hateful.

Cruelty to Aolin, the two princes of Aotian, the crime is innumerable.

Swish!

Without waiting for the Arctic Immortal Venerable to respond, the Purple Cloud Fairy gripped the long sword and was about to make a move.

Groove!

Seeing this, Yue Feng was taken aback.

This Purple Cloud Fairy was really decisive enough, and just out of danger, he was ready to get rid of the aftermath.

In an emergency, Yue Feng wanted to reveal his identity. At this moment, the Arctic Immortal Venerable spoke.

“Don’t be rude!”

At this moment, the Arctic Immortal Venerable stopped it, and then quickly raised his hand to flick it over, at that time, the Purple Cloud Fairy only felt a strong force coming, and immediately the long sword flew out and fell to the ground.

“Master!” Ziyun Fairy Xiu’s eyebrows locked, very puzzled: “How do you....”

Just didn’t wait for the Ziyun Fairy to finish, and the next scene completely made her dumbfounded.

“Old Immortal Arctic Immortal Venerable.”

When he saw the Arctic Immortal Venerable, he smiled and hugged his fist at Yue Feng and said, “Give it to the Emperor Master, see the courtesy.” Thank you to His Majesty the Emperor for giving us a master and apprentice. When

the words fell, the Arctic Immortal Venerable bowed gently.

Although Yue Feng used Yi Rong Dan, but after so much time has passed, the effect of Yi Rong Dan is about to disappear, and the Arctic Immortal Venerable is thoughtful and guesses it at once.

After all, if it was really Haotian, even if his divine power was not restored, it would not be possible to be caught by an apprentice so easily.

What the? Imperial Master?

At this moment, the purple cloud fairy trembled and looked at Yue Feng in surprise: “You....”

Hehe!

Yue Feng smiled and said to the Arctic Immortal Venerable: "The Immortal Venerable is really wise as a torch, and you can see this." Saying that, he walked to the mountain spring on the side, picked up water and washed his face.

In an instant, his face was stained with water, and the effect of Yi Rong Dan completely disappeared, and Yue Feng also returned to his original appearance.

This....

Seeing this, Ziyun Fairy's delicate body trembled faintly, and she was completely dumbfounded.

It turned out to be not Hao Tianshen Monarch, but Yue Feng.

"Haha...."

At this moment, the Arctic Immortal Venerable was also stunned, and then laughed and praised: "Your Excellency the Emperor's hand, it is really a divine skill, speaking of which, at the beginning, the old man was almost bluffed, hahaha..."

When the words fell, the two looked at each other and laughed.

Then, the Arctic Immortal Venerable turned his head and said to the Purple Cloud Fairy, "Quick, come and greet the Emperor Master Venerable." The

Purple Cloud Fairy reacted, and her delicate face was full of disdain: "Why should I see the ceremony?" If it weren't for him, the God Domain wouldn't have been chaotic like this.

"It can be said that if the Divine Domain becomes like this, he Yue Feng is also responsible."

When he said this, the Purple Cloud Fairy glanced at Yue Feng coldly, full of hostility.

Ziyun Fairy has a cold and arrogant personality, and will never yield to the powerful, in the eyes of others, Yue Feng is the master of the Heavenly Emperor, high and high, but in her heart, Yue Feng is a bane.

If it weren't for Yue Feng, there would not be a situation where two princes were vying for the position of Heavenly Emperor.

If it weren't for him, the Haotian God King would not have taken risks in a vain attempt to usurp the position of the Heavenly Emperor.

Belch....

Feeling the hostility of the Purple Cloud Fairy, Yue Feng looked embarrassed.

This Purple Cloud Fairy has a great opinion of me.

Thinking about it, Yue Feng smiled and did not refute it.

“Don’t be rude.”

The Arctic Immortal Venerable frowned and gently reprimanded: “Your Majesty the Emperor Master, but he has made a lot of contributions to the God Domain, stopping the riots of the demon race at the beginning, and then assisting the Prince of Aolin, which is indispensable. Moreover, God Domain caused such a situation for various reasons, how could he be blamed on him alone? Hearing

this, the Purple Cloud Fairy lowered her head and said nothing, but her eyes were very unconvinced.

Seeing her like this, the Arctic Immortal Venerable was very helpless, and smiled bitterly at Yue Feng: “The little disciple is offended, and I hope that His Majesty will take more care.” ”
