The ultimate husband in Chinese chapter 6961—Huh!

Yue Feng smiled slightly, waved his hand indifferently and said, "It's okay, the two crises are lifted, and I will be relieved."

Arctic Immortal Venerable nodded, then looked around, and slowly said: "That day, the Kui God will be very alert, it is estimated that he will lead the troops back in a while, for the sake of safety, let's go to the secret room of the back mountain first." When

the words fell, he took the lead and walked towards the back mountain.

Yue Feng replied and followed closely with the Purple Cloud Fairy.

Soon, when he arrived at a hidden cave in the back mountain, Yue Feng followed the Arctic Immortal Master and Apprentice into it, and after going around and around, he finally arrived at a secret room.

As you can see, this secret room is very large, the size of two football fields, although the place is large, but the deployment is extremely simple, a few stone benches and stone tables, and a few niches on the wall, there is nothing else.

However, the entire secret room was spotlessly cleaned.

"Your Majesty the Emperor Master!"

After entering the secret room, the Arctic Immortal Venerable said with a smile: "This is my secret room, it is very hidden, even if the Tiankui God will bring troops back, he will not be able to find it here." Hmm

!

Yue Feng nodded: "There is a hiding place, that's the best."

Arctic Immortal Venerable smiled, invited Yue Feng to sit down, and then asked: "Some time ago, His Majesty disappeared together with the Haotian God King, what happened at that time?"

When asking, the Arctic Immortal Venerable's face was full of curiosity.

Call!

Yue Feng took a deep breath and said the situation at that time.

Knowing the situation, the Arctic Immortal Venerable immediately laughed and couldn't help but praise: "His Majesty is really resourceful, and actually trapped Haotian in the Chaotic Void, yesterday I heard the news that Haotian came back, and the old immortal was still a little worried, it turned out that His Majesty had been impersonating him, haha..."

Seeing that the master praised Yue Feng, the Purple Cloud Fairy on the side pouted, and his heart was very displeased.

Yue Feng noticed her expression, and did not care, and immediately got up and said, "Okay, I will not be able to stay, Immortal Venerable heal his injuries." Yue Feng could see that the Arctic Immortal Venerable was suppressed by the Lock Immortal Array just now, and the power of the Yuan God was almost exhausted, and he was very weak at this time, and he needed to recover as soon as possible.

"Alright!"

Arctic Immortal Venerable nodded, got up and was about to send Yue Feng away, but as a result, he took two steps, his body suddenly trembled, and he fainted directly to the ground.

Yue Feng's perception is good, the Arctic Immortal Venerable not only exhausted his divine power, but also received a heavy blow from the Yuan God, and he has been holding on to it just now, and at this time, he finally can't hold on.

"Immortal Venerable..."

"Master!"

Seeing this scene, Yue Feng and Ziyun Fairy were shocked and exclaimed one after another.

Immediately, Yue Feng quickly walked over, picked up the Arctic Immortal Venerable, placed it on the stone bed, and frowned secretly after taking the pulse: "Yuanshen is injured, it seems that there is some trouble."

As soon as the

words fell, the Purple Cloud Fairy pushed him away and said coldly: "Master's Arctic Immortal Art is extremely mysterious, even if the Yuan God is injured, it can recover quickly." Saying

that, the Purple Cloud Fairy issued an eviction order at Yue Feng: "Okay, you can go." "

Uh...

Yue Feng was stunned and said embarrassed: "Immortal Venerable's situation is critical, I'd better stay and see the situation." If

it was usual, the other party was so disgusted, Yue Feng would never stay, but the current situation is special, the Arctic Immortal Venerable is unconscious, how can he leave?

However, the Purple Cloud Fairy was full of resistance and said coldly: "You are not needed here." Saying

that, the Purple Cloud Fairy no longer paid attention to Yue Feng, quickly walked to the niche not far away, took out a few bottles of spirit pills, poured out a few, and prepared to give them to the Arctic Immortal Venerable.

"Slow down!"

However, at this moment, Yue Feng, who was standing on the side, hurriedly stopped it.

Swish!

Seeing that he still didn't leave, Ziyun Fairy's pretty face was cold, and he was very displeased: "What's wrong with you?" Why don't you go yet?

Yue Feng secretly exhaled and said patiently: "Your master's Yuan God was severely damaged by the cold qi in the Locked Immortal Array, and these pills you took out can't cure the root at all, I'm afraid it will be aggravated."

When

he said this, Yue Feng's face was full of seriousness.

Ziyun Fairy already had an opinion about him, and when he saw him say this, he couldn't listen to it at all, but he was even more disgusted, and immediately frowned: "Don't think that you are an emperor master, I will respect you, my master's cultivation of the Arctic Immortal Art, I know best, it is not your turn to dictate." The ultimate husband in Chinese chapter 6962—When the words fell, the Purple Cloud Fairy no longer paid attention to Yue Feng, picked out two pills, and gave them to the Arctic Immortal Venerable.

Call!

After doing this, the Purple Cloud Fairy breathed a sigh of relief, and then quietly waited for the effect.

Yue Feng secretly shook his head.

This purple cloud fairy is not only proud, but also a little conceited, advise you not to listen, wait for the time when you regret it.

Airplanes!

More than ten seconds later, I saw that the Arctic Immortal Venerable not only did not wake up, but trembled, his face was pale, and he looked even more dangerous.

How so?

Seeing this situation, the Purple Cloud Fairy was originally full of expectation, but at this time, his face changed, and he suddenly panicked, and said to himself: "How so?"

"Master, don't scare me..."

As she spoke, the Purple Cloud Fairy almost cried.

Subsequently, the Purple Cloud Fairy hurriedly urged the power of the Yuan God to stabilize the Arctic Immortal Venerable, but to her surprise, the Yuan God in the Arctic Immortal Venerable's body was very unstable.

For a while, the Purple Cloud Fairy was a little at a loss.

Seeing this scene, Yue Feng shook his head.

"Yue Feng!"

At this moment, the Purple Cloud Fairy reacted and said anxiously at Yue Feng, "Do you know how to save my master?"

At this time, the Purple Cloud Fairy was very regretful, and he did not heed Yue Feng's dissuasion just now.

Since he knew that the elixir was ineffective, there must be a way to cure it.

"Know!" Yue Feng nodded.

"Then you are fast!"

The Purple Cloud Fairy was completely anxious, and couldn't help but say, "What are you still stunned for?" Save my master." His tone was anxious, with a hint of command.

Yue Feng glanced at the Arctic Immortal Venerable and said lightly: "You just said that you don't need my help, and now you want me to make a move, what are you and me?" Is it a lingering subordinate? The

tone is unhurried, making it difficult to refute.

“I....”

Hearing this, Ziyun Fairy's face turned red, and he was speechless for a while.

At the same time, I was a little annoyed in my heart.

This Yue Feng, didn't he have a bad tone for you before, and he took the opportunity to make things difficult for me.

Thinking of this, the Purple Cloud Fairy endured his anger and said softly: “Your Majesty the Emperor Master, I was a little offended before, I hope you don't be strange, and quickly save my master.”

Although he was very reluctant in his heart, the master was very important, and he could only temporarily relent.

Hehe!

Seeing his appearance, Yue Feng smiled lightly.

Although the Ziyun Fairy began to soften, Yue Feng could see that she was unconvinced, and immediately said slowly: “Okay, if you want me to make a move, you have to help me do something.”

At this time, the Arctic Immortal Venerable seemed dangerous, but in fact, there was no fear of life.

Speaking of which, Yue Feng didn't want to deal with the Purple Cloud Fairy, but she was too proud and conceited, and now she took this opportunity to teach her some lessons.

“You....”

At this moment, the Purple Cloud Fairy bit her lips, very angry.

This Yue Feng is really hateful, the master is in danger, he doesn't want to hurry to save people, and he also takes the opportunity to put forward conditions.

But the current situation did not allow her to calculate, and immediately nodded: “Okay, what conditions.” Phew

!

Yue Feng took a deep breath, sat on the stone bench with a big thorn, and shook his neck: “Before and the Tiankui God sent them, all the way to the Arctic Mountain, tired can’t do, sore, you pinch me.”

As

he spoke, Yue Feng looked at the Purple Cloud Fairy with a smile.

Swish!

At this moment, the delicate face of the Purple Cloud Fairy suddenly turned red, and at this time he finally couldn’t bear it, and said coquettishly: “Yue Feng, you don’t have to step in, I apologize, what else do you want?” At

this time, the Purple Cloud Fairy was so angry that he couldn’t do it.

I had heard that this Yue Feng acted debauchedly, but now it seems that there is nothing wrong at all.

Alas!

Seeing her so excited, Yue Feng sighed softly and said slowly: “Okay, I know that this is a bit difficult, but I need to use the power of the Red Lotus to help your master expel the cold qi inside.”

“Now I’m so tired, don’t blame me if something goes wrong later.”

After speaking, Yue Feng shook his head pretending to be disappointed, and then got up and prepared to strike.

This.....

Hearing this, the Purple Cloud Fairy bit her lip tightly, and her heart fell into a tangle.

If it was really as Yue Feng said, during the treatment process, because Yue Feng was physically and mentally exhausted and made a mistake, causing the master to fail to save him, he regretted it too late.

Thinking about it, the Purple Cloud Fairy spoke, “Okay, I serve you.” When the words fell, the Purple Cloud Fairy walked behind Yue Feng, put her jade hands on his shoulders, and gently kneaded them.

Call!

At this moment, Yue Feng breathed a deep sigh of relief, squinting his eyes, and his body was full of indescribable relief.

The feeling of being served by a fairy is really good.

After pinching for a while, Ziyun Fairy bit her lips lightly and whispered, "How is it?" Isn't it better? She was worried about the Arctic Immortal Venerable in her heart, and she just wanted Yue Feng to hurry up and save people.

However, Yue Feng did not stand up, but put his leg on the stone table: "My leg is also a little sore, you give me a hammer." "

Yikes!

Hearing this, Ziyun Fairy's delicate body trembled, but it was difficult to attack, so he had to squat in front of Yue Feng and help him beat his legs.

At this moment, from Yue Feng's perspective, he could just see the graceful curves of the Purple Cloud Fairy, and he couldn't help but admire in his heart.

I have to say that this purple cloud fairy is not only beautiful, but also has a figure, but unfortunately his personality is a little worse.

"Hmm!"

Seeing that the Purple Cloud Fairy was about to run out of patience, Yue Feng took it better, stretched his waist, and stood up satisfied: "The fairy technique is really wonderful, after you squeeze it like this, it is really relaxed." When

the words fell, Yue Feng walked over, urging the power of the Red Lotus of the Law Master to help the Arctic Immortal Venerable drive away the cold of the Yuan God.

Hooohoo...

After a while, he saw a layer of cold qi appear around the Arctic Immortal Venerable, and then the cold dissipated, and the face of the Arctic Immortal Venerable also returned to blood.

Call....

Seeing this scene, the Purple Cloud Fairy bit her lip and looked at Yue Feng with a shocked heart.

Although this Yue Feng is annoying, I have to say that he really has the ability.

“Hmm!”

Just as the Purple Cloud Fairy muttered secretly, the Arctic Immortal Venerable woke up leisurely.

The Purple Cloud Fairy was full of joy and hurriedly walked over: “Master, you are awake.” Saying that, he carefully helped the Arctic Immortal Dragon up.

Yue Feng also showed a smile: “Immortal Venerable is awake?”

“I...”

Arctic Immortal Venerable nodded, his eyes a little confused: “What happened to me just now?” Suddenly, nothing was known. “The incident happened suddenly, and the Arctic Immortal Venerable didn’t have time to react at all.

Hehe!

Yue Feng smiled slightly, and was about to describe the situation just now: “Immortal Venerable just now...”

Just after saying a few words, he was interrupted by the Purple Cloud Fairy: “Master, your Yuanshen was injured, and you were in a coma just now, and it was the Emperor Master Venerable who came out to wake you up.”

When

he said this, the Purple Cloud Fairy did not dare to look at Yue Feng, and his heart was also a little complicated.

Just now, he didn’t heed Yue Feng’s stopping, and it was too reckless to give the master pills rashly, moreover, pinching Yue Feng’s shoulders and beating his legs later, this matter was too shameful, and he must not let the master know.

I see!

Hearing this, the Arctic Immortal Venerable nodded, and then thanked Yue Feng: “Thank you Emperor Master.” The emperor master saved each other twice, and the old man was really grateful.

Yue Feng smiled and waved his hand: “Immortal Venerable is polite, but it’s just a show of hands.”

Saying that, Yue Feng saw that the time was almost over, and it was inconvenient to stay for a long time, so he said goodbye to the Arctic Immortal Venerable and left the Arctic Mountain.

.....

On the other side, the West Cangcontinent.

At this time, night has just fallen, and on the streets of Xicanghuangcheng, the street lights are on, showing prosperity and liveliness everywhere.

In a courtyard northeast of Huangcheng Street, it is brightly lit and lively.

This compound is the prime minister's mansion of Tian Buyou, which has just been given by Hong Sanqi.

At this time, Tian Buyou was dressed in a gorgeous robe, sitting very comfortably on the Taishi chair, and the two beautiful maids behind him were rubbing their shoulders and beating their backs, carefully serving.

On the side, a captain of the guard, with a flattering face.

The captain of this guard is called Tong Qing, who was selected by Tian Buyou from the palace guards and is responsible for the safety of the Prime Minister's House, Tong Qing is good at detecting words and colors, can speak well, and soon became Tian Buyou's confidant.

"Prime Minister!"

At this moment, Tong Qing's face was full of flattery, and he smiled at Tian Buyou: "The adult has won the post of prime minister, and the civil and military officials are rushing to come and stubbornly, just now, there have been several invitations, wanting the adults to go to the banquet."

While speaking, Tong Qing carefully paid attention to Tian Buyou's face.

Hearing this, Tian Buyou smiled proudly, but still waved his hand, and said very boringly: "Going to the banquet or something, the most uninteresting, listening to those sycophants, Laozi might as well stay in the house for a while."

"That's what the adults said." Tong Qing nodded and quickly echoed: "Those people are too superficial, how can they know the elegance of adults?"

Saying that, Tong Qing thought of something, came up and smiled: "Lord, I heard that in the north lane of the imperial city, a new wind and moon field has opened, and the girls in it are all from the Nanyun Continent. Do adults want to play fresh?"

When he spoke, Tong Qing's face was full of flattery.

Tong Qing knew very well in his heart that this newly appointed Prime Minister did not have much pursuit of money and status, and his only hobby was beauty.

In this way, you can better do things under them.

Ha ha...

Hearing this, Tian Buyou couldn't help but laugh out loud, and praised Tong Qing: "Very good, you kid has a future, hurry up and arrange it."

"Yes, my lord."

After receiving the praise, Tong Qing was full of pride, and hurriedly walked out of the prime minister's house after answering.

Two hours later, Tian Buyou changed into civilian clothes, and under the secret escort of Tong Qing and several guards, arrived at the newly opened place, and lavished thousands of dollars to cover the entire place.

Afterwards, Tian Buyou gathered all the girls in a large room, drinking wine and having fun at the same time.

At this moment, on the Imperial City Street outside, an uninvited guest came.

Dressed in a gray-blue Daoist robe, fairy wind Dao bone, the instrument is extraordinary.

It was the Holy Sect Elder, Qingyun Dao Elder.

A few days ago, Tian Buyou caused Zhu Xiansheng and Danzong to fight, but fortunately, Lu Dongbin arrived in time, which did not cause the situation to worsen, and when the news came out, all sects were angry and sent masters to hunt down Tian Buyou throughout the rivers and lakes.

The same is true of the Qingsong Daomaster, who chased Tian Buyou with the masters of various sects a day ago, but when he reached the border of the Western Cang Continent, he lost Tian Buyou's whereabouts.

At that time, the Qingsong Daoist discussed with the masters of various sects and searched separately, and at this time he came to the Western Canghuang City.

Call!

At this time, the head of Qingsong Dao circled around the Imperial City Street, and he couldn't help but muttered secretly in his heart.

Nata Ayuyu is very cunning, he will definitely hide in a hidden place, and it is impossible to come here. Thinking about it, he approached the alley next to him and prepared to leave.

However, as soon as he took a few steps, two big men with knives came out in front of him, blocking the way.

“Go, go!”

The two big men with knives looked Qingsong Daolong up and down, and their tones were proud: “It's not allowed here.” “These two big men are the guards of the Prime Minister's Mansion.

In order to make it easier for Tian Buyou to have fun and not be disturbed, Tong Qing specially arranged his subordinates to block the road near the place.

Well?

The Qingsong Daoist frowned and said lightly: “The road is half in the sky, why don't you let it go?”

“Black? You miscellaneous Taoist. Hearing

the question, one of the guards immediately scolded: “Don't let it, just don't let it, where is so much nonsense?” When

the words fell, another guard said coldly: “Look at you like this, you just came, tell you that our newly appointed Prime Minister is investigating the case nearby, and no one can pass by, understand?” Go and go, hurry up. Of

course, the matter of the prime minister coming out to seek pleasure cannot be said, and he claims to be investigating the case.

Investigate the case?

At this moment, the Qingsong Daoist frowned, and then heard the laughter of a group of women Yingying Yanyan in a place not far away.

Hearing this, Governor Qingsong immediately understood something, and immediately sneered: “The investigation of the case is false, and the search for pleasure is the truth.” The tone was very cold.

Although the head of Qingsong Province is in the Daomen, he is jealous like a hater, and the most hated thing in his life is corrupt officials.

Swish!

At this moment, the two guards looked at each other, both furious.

“Find death!”

“Stinky Taoist, really nosy.”

When the words fell, the two guards did not hesitate, pulled out their long knives one after another, and slashed towards the chief of Qingsong Dao.

Looking at the two guards who rushed over, Chief Qingsong Dao did not panic at all, and said coldly: “Helping to mistreat, you two are not a good thing, today I met me, count you unlucky.” —

When the words fell, the figure of the leader of Qingsong Dao burst out and met the two guards.

Just in the blink of an eye, before the two guards could understand what was going on, they fell in a pool of blood.

Killing the two guards, Chief Kiyomatsu flicked his long sleeves and strode towards the place.

At this time, in the elegant room of the place, a warbler singing and dancing.

Dozens of beautiful women, some accompanied Tian Buyou to drink, and some danced in the scene, showing their charm.

Hahaha....

Tian Buyou hugged left and right, enjoyed it very much, and laughed: “I have served the adults well today, and every reward is indispensable.”

“Thank you, my lord!”

“The adults are so nice.....”

For a while, the women smiled and waited harder.

Duh!

At this moment, the door of the private room was kicked open, and then a figure strode in.

Dressed in a Taoist robe, his eyes are like torches, and his aura is good.

It was Kiyomatsu Michi.

Swish!

Interested in being disturbed, Tian Buyou was very furious, and immediately stood up and looked angrily at Qingsong Daolong: "What are you?" Dare to break into here and look for death? The

women around were all panicked.

At the same time, Tong Qing, who was in another box, also led several guards and quickly rushed over.

Seeing the Qingsong Daoist, Tong Qing was furious: "So bold, dare to disturb the adults, come, quickly take it." When the last word fell, Tong Qing pulled out his long knife and took the lead in rushing towards Qingsong Daolong.

Crash...

The other guards followed.

"Get out of here!"

Tong Qing and several guards rushed over, and the chief of Qingsong Dao did not look at it, and when he shouted angrily, his long sleeves waved, and suddenly a strong force swept out.

Bang bang.

In an instant, Tong Qing and several guards only felt a wave of overwhelming power rushing towards them, and they were immediately shocked out.

After several guards landed, they all passed out.

Tong Qing's strength is slightly stronger, although he is not unconscious, he is also surging with qi and blood, and he has temporarily lost his combat effectiveness.

Marde, here comes a master of the rivers and lakes.

Seeing this scene, Tian Buyou's face became gloomy, and he said coldly: "Who is Your Excellency?" Because of the slight change in appearance, Tian Buyou is not afraid of being exposed.

"Holy Sect, Chief Qingsong Dao." Qingsong Daolong spoke coldly.

Saying that, the Qingsong Daoist looked at Tian Buyou coldly: "You are the new prime minister?" Only for your own selfish interests, poor and extravagant, it seems that you are also a corrupt official. "

Lying grove, the people of the Holy Sect.

At this moment, Tian Buyou secretly swallowed his spit, a little panicked, but quickly calmed down and nodded: "Not bad!" Saying

that, Tian Buyou squeezed out a smile and said slowly: "But the words behind the Dao Chief are wrong, I didn't bully men and women, I completely spent money on pleasure, they are also willing, is this also wrong?"

As

he spoke, Tian Buyou secretly paid attention to the door.

Determined that there was only one person in the head of Qingsong Road, Tian Buyou completely let go of his heart.

The Holy Sect is famous all over the world, but with the various royal families in Kyushu, the well water has always not violated the river water, and he is just looking for pleasure here, and he has not done evil, so the other party should not be overly difficult.

Hearing this, Chief Qingsong was a little dumbfounded.

But in the next second, carefully distinguishing Tian Buyou's face, Qingsong Dao's eyes suddenly sharpened: "Good you Tian Buyou, it turns out to be hidden here, and you look like you."

Although Tian Buyou's appearance changed, Kiyomatsu Michi could still distinguish from his silhouette.

Oops, discovered.

Hearing this, Tian Buyou was shocked in his heart, and immediately wanted to seize the window and escape, but after thinking about it, he had drunk alcohol just now, resulting in the poison skill could not be fully performed, in this case, I am afraid that it would be difficult to escape the pursuit of the Qingsong Daomaster.

“What?”

After weighing the pros and cons, Tian Buyou decided to gamble, and immediately made a very shocked look: “What Tian Buyou? I don’t understand what the Taoist chief said.

I have to say that Tian Buyou looks very similar, and for a while the chief of Qingsong Dao frowned secretly and couldn’t help muttering.

Don’t... I confessed my mistake.

This lecherous prime minister just looks similar to Tian Buyou?

Muttering in his heart, Qingsong Daolong approached step by step, carefully looking at Tian Buyou at the same time, he also made up his mind in his heart, waiting for the next surprise to strike, if this person resists, and performs poisonous skills, it is Tian Buyou undoubtedly.

Watching Qingsong Daolong approach step by step, Tian Buyou also had some indescribable apprehension in his heart.

What is he going to do? You don’t want to test my strength, do you?

If that’s the case, it’s troublesome.

Speaking of which, if it is usual, Tian Buyou is not afraid of a Qingsong Daoist at all, but he has drunk a lot of alcohol just now, and the poison skill cannot be fully exerted, in this case, if he really wants to fight with the Qingsong Daoist, there is no chance of victory at all.

Boom!

Just when Tian Buyou was flustered, Governor Qingsong had already arrived, and when he unexpectedly pulled out his long sword, he scolded violently: “Tian Buyou, you must pretend to be a ghost and suffer death.” When

the words fell, the long sword cut a cold light and stabbed straight towards Tian Buyou’s heart.

“Be bold!”

“Stop....”

Seeing this scene, Tong Qing, who fell to the ground, and those guards were all taken aback, and they all shouted, and at the same time wanted to rush up to stop it.

It's just that he was defeated by the palm of the Qingsong Daoist before, and they all lost their combat effectiveness, and at this time, under the anger, they were also powerless.

Nima!

Seeing the power of this sword, Tian Buyou was also taken aback, and instinctively wanted to fight back, but he still endured it, and decided to gamble.

“Oops!”

In the next second, Tian Buyou pretended to be panicked, quickly lay on the ground, and shouted: “Dao Chang spare your life, Your Excellency must have recognized the wrong person, as a prime minister, I should not come out to seek pleasure, but I can't sin to death.”

Saying that, Tian Buyou's eyes turned quickly and continued to shout: “Dao Chief, are you looking for someone who looks similar to me?” “

Yikes!

Seeing that his legs were soft, not like he was pretending to be, Chief Qingsong put away his long sword and secretly said in his heart: It seems that he really recognized the wrong person, if it was really Tian Buyou, he would never be scared like this.

Thinking of this, Chief Qingsong Daoist looked at Tian Buyou coldly: “Not bad!” Have you seen him?

When

asked, Kiyomatsudo's face was full of urgency and excitement.

“Yes... Yes...”

Tian Buyou's face was full of panic, his forehead was full of sweat, and he wanted to say nothing: “That person does have some acquaintance with me, his strength is unfathomable, I don't know... Is it the person you are looking for.

When

he said this, Tian Buyou's face was full of nervousness, but his eyes flashed a little cunning.

Tian Buyou was very cunning, and in order to divert the attention of the Qingsong Governor, he deliberately made up a lie.

Call!

Hearing this, Chief Qingsong suddenly became excited: "Where is the person."

Tian Buyou made a look of jealousy and said in a low voice: "In... On my prime minister's house. Huh

?

At this moment, Chief Qingsong Dao was stunned and frowned, "In your house?"

Tian Buyou quickly nodded.

Chief Qingsong Daoist was not a fool, thought about it, and said coldly: "You don't play tricks on me, honestly, what's going on?"

"Dao Chang breathes anger!"

Tian Buyou looked honest and hurriedly said, "That person suddenly broke into my Prime Minister's Mansion last night, saying that he was being hunted down and wanted to hide in the Prime Minister's Mansion for a while.

"According to the man, because I look similar to him, even if the people who hunted him found here, he would be able to get out easily."

Speaking of this, Tian Buyou said with a bitter face: "I'm ashamed to say it, that person's strength is too strong, the guards in my house are not opponents, moreover, he also gave me poison, if I don't agree, I will die of poison, so I can only compromise." This

remark, Tian Buyou said in a good way, no one can doubt it.

Ha ha...

At this moment, Governor Qingsong was convinced and very excited in his heart.

It's really nowhere to find a place to step on iron shoes, Tian Buyou, this scum, is really hiding in this Xicang'a Palace.

Thinking about it, the governor of Qingsong Daoist said to Tian Buyou: "Is the person still in the prime minister's house now?"

"Yes!" Tian Buyou quickly nodded. On the surface, I was panicked, but my heart was extremely excited, hahaha... He was really witty and casually made up a lie, and he deceived him.

Qingsong Daolong didn't have time to think much: "Quick, take me!" Like other sect masters, he chased Tian Buyou for several days, and there was no news, and now he finally got a clue, and he just wanted to kill Tian Buyou as soon as possible.

If you directly agree, it will inevitably arouse suspicion, and a little dissuasion can completely dispel the other party's doubts, Sure enough, seeing Tian Buyou say this, Qingsong Daoist completely lost his doubts, and immediately said: "Don't worry, that person is injured,

and I have the confidence to take him down." This

.....

Tian Buyou pretended to hesitate, and finally gritted his teeth and nodded: "Okay, the Taoist commander is chivalrous and benevolent, I am naturally obliged, and I hope that after the Daoist chief catches him, he can find the antidote and save my life." Seeing

his mother-in-law and mother-in-law, Chief Qingsong Daoist had lost patience: "Don't worry, as long as you cooperate with me to catch him, I will definitely find out the antidote for you."

"Thank you, Chief!"

At this moment, Tian Buyou was very excited, and after thanking Tong Qing, he shouted at Tong Qing: "Quick, prepare to go back to the house, remember not to make a disturbance."

As he spoke, Tian Buyou secretly winked at Tong Qing.

Tian Buyou is not only cunning, but also very meticulous, when he first moved into the Prime Minister's House, he secretly deployed traps in a room in the backyard in case of emergency.

After that, Tian Buyou specifically told Tong Qing that if he encountered an emergency, he would lead people to that room.

At this moment, Tong Qing got the hint, immediately understood, and immediately nodded: "Yes, my lord." When the words fell, he stood up with his stomach covered, beckoned a few guards, and left first.

"Chief, please."

At this moment, Tian Buyou accompanied the smile and led the Qingsong Daoist to leave.

The governor of Qingsong did not have the slightest doubt, and followed Tian Buyou to the prime minister's house.

Ten minutes later, under the leadership of Tian Buyou, Chief Qingsong came to a hidden room in the backyard of the Prime Minister's Mansion.

I saw that there was a light inside, and I could vaguely see a figure, sitting inside, as if meditating and cultivating.

"Dao Chief!"

At this moment, Tian Buyou lowered his voice and said to the Daoist of Qingsong: "This person is inside, the Daoist must be extremely careful."

As

he spoke, Tian Buyou slowly stepped back and made a very jealous look.

Seeing him like this, Governor Qingsong Daoist was very disdainful.

The prime minister of the Western Cang Continent was so afraid of death, he really threw it into the face of the Xicang royal family.

Thinking about it, Chief Qingsong Dao was too lazy to talk nonsense, just nodded, then pulled out his long sword, quickly rushed over, kicked the door open, and shouted: "Tian Buyou, see where you are running today." "

Bang!

The moment the door was kicked open, Chief Kiyomatsu saw a man meditating there with his back to the door. It's just that there is such a big movement, but this person does not move.

If it were usual, the governor of Qingsong Dao might have calmed down, but at this time, he was eager to eliminate harm for the rivers and lakes, and did not notice that something was wrong, and said coldly at that time: "Go and die." Whoosh

!

When the words fell, the long sword of Qingsong Dao burst out and stabbed towards the back of the man's heart.

The man was still motionless, and the long sword instantly passed through his chest, but not the slightest bit of blood flowed out.

What the?

At this moment, Chief Qingsong Daoist frowned, and finally realized that something was wrong, and immediately pulled out the long sword, and was about to look at the man's face, but the moment he pulled out the long sword, a green poisonous juice erupted from the man's body.

Whoops....

The poisonous juice splashed, instantly forming a poisonous mist in the air, quickly shrouding the Qingsong Dao Chief.

The elder of Qingsong Dao was shocked and realized that he had been fooled, and he was about to retreat, but he was still one step late and inhaled the poisonous mist, and he was suddenly dizzy.

Pedaling...

In a fit of vertigo, Kiyomatsu stumbled back and hit the table next to him.

It was at this time that the head of Qingsong Daoji finally saw the man's face clearly, and he was immediately furious, and he saw that this was completely a dummy made of cloth bags, and the dummy had poisonous juice hidden inside, and as long as it was attacked, the poisonous juice inside would splash out and form a poisonous mist...

Marde, it's so vicious.

In anger, Qingsong Daolong shook his head, trying to sober himself up, and then turned back to look angrily at Tian Buyou in the courtyard outside: "You.... You framed me...."

When the words fell, Tian Buyou changed his appearance just now, and his face was full of pride: "Chief Qingsong Dao, because you are still a figure with a head and a face

in the Holy Sect, this little trick of carving insects has deceived you, you really lost Lu Dongbin's face." When

the words fell, Tian Buyou clapped his hands.

Crash!

The applause fell, and the guards who were ambushed around rushed out one after another, and Zhang Bow aimed an arrow at the Qingsong Daoist.

At this time, Tian Buyou's mood is indescribably cheerful, what Saint Sect master, in the end, did not fall into my hand? He was not worried about the Qingsong Daoist fleeing, because he had just inhaled the poisonous mist, and in a moment, the poison would disperse into the internal organs.

Unless it is an antidote personally prepared by Tian Buyou, it is difficult for the immortals to save.

"You!"

At this moment, Chief Qingsong Daoist was furious, his eyes were blood-red and blood-red, and he looked at Tian Buyou angrily: "You are Tian Buyou!" When he spoke, Chief Kiyomatsu was very angry and remorseful.

Careless!

When I was in that place just now, I should have determined that this person was Tian Buyou, but I listened to his lies in a daze.

It's too late to say anything.

"Hey, hey!"

Tian Buyou laughed evilly and nodded: "It's me, you had the opportunity to kill me just now, but it's a pity that you are too conceited to give me an opportunity."

Saying that, Tian Buyou waved his hand: "Kill!" Swish

!

Hearing the order, those guards who had already prepared their feather arrows shot out one after another, heading towards Qingsong Dao.

Call!

Looking at the flying feather arrows, Qingsong Daoist gritted his teeth and shouted angrily: "Just because of these lackeys under you, you want to kill me?" Saying that, the long sword swung out of the Dao Cold Radiance, forming a sword curtain, blocking all the flying feather arrows.

Marde!

Stinky Taoist, still want to do the battle of trapped beasts?

Seeing this scene, Tian Buyou's face turned gloomy and shouted: "Don't let go of the arrow, go up and kill him." "Tian Buyou originally wanted to personally take action and kill the governor of Qingsong Daoist quickly, but he just drank alcohol and did not use poison skills.

Brush brush brush...

Hearing the order, the guards present dropped their bows and arrows, drew their long knives, and swarmed away, surrounding the chief of Qingsong Province.

"Come on!" The chief of Qingsong Dao howled, clutched his long sword and fought fiercely with the guards.

I saw that the long swordsmanship of Qingsong Dao was exquisite, and his figure was extremely fast, constantly shuttling back and forth in the crowd, and in the blink of an eye, many guards were defeated and lost their combat effectiveness.

It's just that Qingsong Daolong inhaled the poisonous mist, and as he continued to exercise, the poison also spread rapidly in his body, and in this case, the speed gradually slowed down.

Whoosh!

Finally, a guard found an opportunity, rushed over from behind, and slashed at the body of the Qingsong Daojiao, and in an instant, the blood was dripping, and the Qingsong Daoist gasped, and his body stumbled and almost fell to the ground.

"Hey, hey!"

Seeing this, Tian Buyou's face was full of pride, and he said coldly: "You alone dare to chase and kill me, and I don't know who gave you the courage." Qingsong

Daolong gritted his teeth and did not respond, at this time he clearly felt that his body had become numb and stiff under the attack of poison, and his life was bleeding rapidly.

"Kill!"

At this moment, several guards quickly rushed over, and their long knives slashed at the head of Qingsong Dao.

Whoops, whoops...

In an instant, Qingsong Daolong was covered in blood, almost becoming a bloody person, and at this time he finally couldn't bear it, his body stumbled, and he was half kneeling on the ground.

But his eyes were full of unyielding.

Crash!

At this moment, the Qingsong Daoist stared at Tian Buyou, and he didn't know where the strength came from, he sank his dantian, and with a wave of his big sleeve, an incomparably thick Taoist true qi burst out, shaking the surrounding guards out.

"Today is death, and I will also pull you to hell together."

The cold voice came from the mouth of the Qingsong Dao chief, and then he stumbled to his feet and slowly walked towards Tian Buyou, dragging out a scarlet blood stain behind him.

Boom....

Seeing this scene, the guards who were shocked back looked at each other one by one, and a trace of jealousy could not help but come out in their hearts.

With such a serious injury, he can still stand up.

Is this the Holy Sect?

Tian Buyou was also full of gloomy, watching the Qingsong Dao approach step by step, and his heart was also shocked.

"Scum, die!"

At this moment, Qingsong Dao shouted angrily, flew up, and the long sword cut a cold light, like a shooting star, and quickly stabbed towards Tian Buyou.

This sword was extremely fast and powerful, and Tian Buyou hardly had time to dodge.

“Come on!”

Faced with this situation, Tian Buyou was furious, and he couldn't care so much at that time, shouted, ran the “Poison Divine Code” exercises, and rushed forward.

In the blink of an eye, the two sides fought fiercely together.

Seeing this, the surrounding guards were shocked and retreated to avoid it.

Laugh at!

In less than two rounds, the long sword of Qingsong Dao turned and stabbed Tian Buyou's heart, speaking of which, Qingsong Daolong is already the end of the strong crossbow, but the Holy Sect's sword technique is really exquisite and extraordinary, and it is impossible to prevent, even Tian Buyou is difficult to dodge.

When the sharp pain came, Tian Buyou took a deep breath of cold air, and his face suddenly turned fierce: “Stinky Taoist, you give me death.” The

words fell, and his right hand raised and slapped it fiercely on the long sword.

Crash!

A dull sound was heard, and the long sword suddenly shattered and scattered all over the place.

Immediately afterwards, Tian Buyou struck the second palm with his other hand, right in the middle of the long heart of Qingsong Dao.

Bang!

This palm directly shattered the Qingsong Dao Chang's heart pulse, and the whole person did not have time to scream, and was directly shocked and flew out, flying tens of meters away, and finally smashed on the wall of the yard before falling down heavily.

The moment he landed, Qingsong Daolong spurted out a mouthful of blood, and died of anger, but his eyes were round, obviously he was dead and unwilling.

For a while, the entire courtyard was silent.

Crash!

A few seconds later, several guards quickly ran over and checked the situation of the chief of the Lower Qingsong Road, and they were all immediately relieved, and then reported loudly to Tian Buyou.

“Dead!”

“Lord Shenwei, this stinky Taoist priest is dead.”

Listening to the report of these guards, Tian Buyou showed a smile, Ma De, finally got rid of this big enemy.

Pedaling...

With a happy heart, Tian Buyou's eyes turned black for a while, and he stumbled back a few steps, almost falling. Just now, he was drunk and did not wake up, forcibly performed poisonous skills, and just now he was stabbed by the sword of the Qingsong Dao Chang, and he was very weak at this time.

“Lord!”

Seeing this scene, all the guards exclaimed, and they rushed up to help Tian Buyou.

Tian Buyou waved his hand: “Don't worry about me, you carry the body of this stinky Taoist priest into the room, and then retreat.”

“Also, don't tell anyone about tonight's incident, and if you let me know who leaked the wind, I won't spare him, understand?”

The tone is weak, but unquestionable.

After all, this Qingsong Dao Elder is a person from the Holy Sect and has a special status, so tonight's incident must not be known to the jianghushang. Otherwise, the position of this prime minister will not be done for long.

“Subordinates understand.”

Hearing the order, the guards present responded in unison, and then carried the body of the chief of Qingsong Road into the room, and then cleaned up the blood stain in the courtyard, and then quickly retreated.

For a while, in the entire backyard, Tian Buyou was left alone.

Call!

Tian Buyou took a deep breath, sat cross-kneeled on the spot, and silently ran the poison skill to recover.

I don't know how long it took, Tian Buyou slowly opened his eyes, only then stood up and slowly walked into the room.

Closing the door, Tian Buyou opened the curtain inside, and saw that there was a large tank inside, and the tank was filled with water. This was what Tian Buyou asked Tong Qing to prepare in advance.

Subsequently, Tian Buyou put the body of the chief of Qingsong Daolong into the water tank, and watched the water submerge the body, so he took out a package of black medicine and poured it in.

Whoops....

The drug mixed into the water, and instantly the lungs hurt, and at the same time an unpleasant smell filled the room.

I saw that the body of the chief of Qingsong Dao, along with his clothes, slowly melted, and finally became a piece of blood.

This medicine is exactly the corpse powder refined by Tian Buyou, and the corpse is disposed of without knowing it.

Well?

At this moment, Tian Buyou was in a very comfortable mood, and immediately discovered something, and was stunned.

In the next second, Tian Buyou found two long branches and picked up something from the bottom of the tank, and saw that this thing was irregular in shape, like jade and not jade, and the whole body was flowing with a multicolored luster.

Obviously, this thing is a close thing of the Qingsong Dao, because it is more special, it has not been dissolved by the corpse powder.

“Strange!”

Tian Buyou washed it with clean water, held it in his hand and looked at it over and over, and was very surprised: “This jade actually shows a multicolored color, which is a little interesting.”

At this time, Tian Buyou did not know that this stone was a peerless treasure, a colorful stone that Nuwa Niangniang made up for the sky back then. When Lü Dongbin had not yet founded the Holy Sect, he traveled around the world and accidentally obtained this colorful stone, carved a Daomen inscription on it, and carried it close to him.

Later, Lü Dongbin gave this multicolored stone to the governor of Qingsong Province.

At this time, Tian Buyou looked at it for a long time, but did not see any clues, so he didn't think much about it and put away the colorful stone.

.....

On the other side, the Holy Sect.

In the back mountain forbidden land, outside a secret room, dozens of elite disciples of the Holy Sect stood there neatly, one by one, with solemn faces.

In front of them, Lu Dongbin, dressed in a moon-white robe, sat there with a solemn expression, and kept chanting the Daomen mantra in his mouth. Nalan stood quietly on one side, and his delicate face was also anxious that could not be concealed.

“The ceiling scatters the rain, and the drums vibrate the maze.”

“Heavens are good, golden boy dancing Yaoqin.”

“May the eight rays of light be poured out, and the heart will be followed.”

“Scratch the Dharma Draft, Wing Attendant Five Clouds Deep.”

“Exorcising evil spirits, urgent as a command...”

The sound of the incantation continued to sound, echoing throughout the forbidden land of the back mountain, indescribably sacred and solemn, but in the secret room in front of him, there was a continuous howl of misery.

“I'm right, let me out...”

“Ah, don't read it, stop, stop...”

The howling sound is like a ghost, which contrasts sharply with the sound of incantations.

Yes, it was Zhu Xiansheng who was locked up in the secret room, and at that time in Danzong, Zhu Xiansheng was stimulated, the whole person lost his mind and Sun Dasheng, and the ugly and ugly battles were fierce, and finally the power of the demon soul hidden in the body was stimulated.

At the critical moment, Lü Dongbin arrived in time, subdued the recalcitrant disciple, and then brought him back to the Holy Sect.

However, after Zhu Xiansheng woke up, he did not regain his senses, he was still crazy, and Lu Dongbin had no choice but to lock him up in the forbidden place in the back mountain, and chant the Qingxin mantra outside, hoping that he could restore his purity.

However, it seems that this approach has had little effect.

“Master!”

At this moment, Nalan was pleased to hear the screams in the secret room becoming more and more poignant, and his heart was panicked and worried, and he couldn't help but say: “Will the little junior brother be fine?” What the hell is wrong with him?

Lu Dongbin pondered for a moment and sighed: “He is too angry and gives birth to a heart demon, this matter is not trivial, we need to be extremely cautious, otherwise, he will fall into a situation of irreparable disaster.”

In Lu Dongbin's heart, Zhu Xiansheng was a child less than two years old, and it was impossible to be related to the demon race, thinking that he had given birth to a heart demon.

Hearing this, Nalan became even more anxious.

“A few of you!”

At this time, hearing the howl inside getting stronger and stronger, Lu Dongbin said to the several disciples behind him: “Go in and subdue him reasonably, seal the cave path, and don't knock him unconscious.”

“Yes, Master!”

Hearing the order, several elite disciples answered, and then opened the stone door and rushed in.

Bang bang.....

However, as soon as several disciples entered, they heard a fighting sound, and immediately after that, they heard several disciples snorting, and one by one they were shocked out.

Immediately, Zhu Xiansheng's young figure appeared at the door, and I saw his eyes blood-red, his expression fierce, and he shouted wildly in his mouth: “You guys want to trap me, ah...”

After a howl, Zhu Xiansheng burst out, like a cannonball, heading straight for Lu Dongbin.

“Little Junior Brother!”

Seeing this, Nalan trembled with joy, and couldn't help but exclaim: “You are calm down...” She never expected that Zhu Xiansheng would take action against the master when he lost his mind.

That's a big contrarian.

“Scoundrel!”

Lu Dongbin also frowned, coldly scolded, and then gently raised his hand, and a majestic force gushed out, directly shaking Zhu Xiansheng back into the secret room.
