

The ultimate husband in Chinese chapter 166-170

Chapter 166

“Yue Feng?”

At this moment, Zhao Shanhe, who was sitting beside him, couldn't help shouting in surprise.

What's the matter, he's here too?

At the last class reunion, this kid rode an electric car, and this is vivid in my mind. Can he come to the banquet too?

Oh, he's here to accompany his wife to give gifts!

A door-to-door son-in-law, surrounded by a woman all day long, that's all.

Muttering in his heart, Zhao Shanhe couldn't help but look at Liu Xuan a few more times.

What a beautiful woman! Perfect body proportions, extremely sexy! That beautiful face is no less than those of the popular stars.

This kid, Yue Feng, is really lucky. But I heard that this kid has never touched his wife for three years of marriage. Everyone in Donghai City knows this. Ha ha!

“Old monitor!” Yue Feng walked over with a smile and greeted him warmly.

“You know each other?” Sun Dasheng asked curiously.

Haha.. Before Yue Feng could speak, Zhao Shanhe smiled coldly in his heart, and then said in a strange tone of yin and yang: “The Liu family's famous son-in-law, who doesn't know the

whole Donghai City.”

Classmates, shame on you! It's too humiliating to meet this kid on such a high-end occasion.

This sentence made Yue Feng stunned. Didn't you mess with him? Old classmates for several years, what are you doing?

This chapter is provided by . Visit for daily update.

At this time, the people around also burst into laughter.

After a long time, it turned out to be the son-in-law of the Liu family.

Liu Xuan, who was on the side, looked a little unhappy, and asked Yue Feng in a low voice, "Who is he?"

Yue Feng smiled lightly, and wrote lightly, "Just a clown jumping on the beam."

Since he was full of feces, he didn't need to give it to him. Face it.

Zhao Shanhe sneered. This evil pen Yue Feng! It's just something that eats soft rice, but it's still challenging yourself? !

On the other side, the old man Sun also looked over with great interest.

Hearing from his grandson, he made a friend named Yue Feng, who should be the young man in front of him.

Seeing Yue Feng, he couldn't help but think of himself when he was young.

I used to be poor and looked down upon by others. But if someone bullies him, he has to do it with his life! Now he just wanted to see if this Yue Feng was cowardly or not. Look at this Yue Feng, whether he is worthy of making friends with his grandson.

"Yue Feng, who is the clown jumping on the beam between us?" Under his anger, Zhao Shanhe said coldly: "If I guessed correctly, you are here to give gifts to your wife, right? I tell you, you are also touched Only the light of the Liu family can come here, if there is no Liu family, you are not a bullshit, you are not even qualified to speak."

Yue Feng laughed and said, "Listen to you, you are here to give gifts?" "I..." Zhao Shanhe blushed slightly, straightened his chest and said, "Of course, I'm here to give gifts for my godmother .

Do you know who my godmother is? I'm afraid it will shock you."

mom?

Haha... For such a big person, he actually recognized a godmother.

Moreover, giving gifts for others is so righteous and superior.

This kid is so funny.

Yue Feng was instantly happy, and asked with a smile: "Who is your godmother? Tell me and let me know?"

Zhao Shanhe sneered: "Just because you want to know my godmother's name? Even if you say it, you can't stand high, and you are worthy of doing housework at home."

At this moment, everyone else in the room nodded.

When Zhao Shanhe presented the gift just now, they all saw the signature on the gift.

Indeed, this kid's godmother has an extraordinary history.

And this Yue Feng in front of him, as a door-to-door son-in-law, is indeed a little stupid to challenge others.

If you have a low social status, you must learn to endure it. If someone scolds you, you can endure it.

After saying this, Zhao Shanhe pointed to the side: "Did you see it, that was given by my godmother." His face was full of pride.

On the table with his fingers, there is a set of exquisite porcelain, which is lustrous and lustrous, and the flower pomelo is exquisite, and it is worth a lot of money.

Yue Feng glanced at it.

Porcelain is genuine, and this set costs millions. It seems that his godmother does have some strength.

Chapter 167 At the

last class reunion, this Zhao Shanhe said that he was a successful person, so he recognized a good godmother.

"How's it going? How about my godmother's gift?" Zhao Shanhe looked at Yue Feng triumphantly, with a proud upper hand.

Yue Feng smiled lightly: "It is indeed a good thing, but... no matter how good it is, it is not from you, what can you be proud of?"

Take his godmother's gift and show off your strength here, and your face is also It's pretty thick." Huh

!

This time, the eyes of everyone in the hall converged on Zhao Shanhe.

Yes, no matter how much this kid shows off, it's a gift from his godmother.

Nima.

Aware of the gaze next to him, Zhao Shanhe suddenly became angry, but he didn't attack, but smiled coldly: "Who said I didn't have a gift?"

After saying that, Zhao Shanhe stood up, strode to Sun Dasheng, and took it from his body. Comes out in an exquisite gift box.

"Mr. Sun, it's my honor to be here today to congratulate the old man on his birthday. This is a little bit of my heart, and I'd like to ask Mr. Sun to accept it with a smile." When he got to the front, Zhao Shanhe opened the gift box and said respectfully.

After saying this, he did not forget to tilt his head to give Yue Feng a provocative look.

wow.

At this moment, when they saw the contents of the gift box, several people present immediately stood up.

In the gift box, there was a pair of white jade pendants quietly.

The jade pendant is white and lustrous, without a trace of impurities, and the birds and beasts on it are very delicately carved and lifelike.

"Look at the carving technology of this jade pendant, is it from the Ming Dynasty?" Someone said.

The people present were all social elites, and they all understood a little bit about antiques.

Hearing this, the rest of the people also nodded.

The price of this jade pendant is probably not less than two million. This young man is not bad. If he is willing to give such a gift to others, something will happen.

"Your eyesight is really good, yes, this is from the Ming Dynasty." Zhao Shanhe smiled: "I know Sun Lao is interested in antiques, so I bought this pair of jade pendants from a private collector. I hope the old man is interested in antiques. I will like it." I

have to say that this pair of jade pendants is so exquisite that even people who don't understand antiques will love it when they see it.

"Have you spent a lot of money on this jade pendant?" At this time, someone asked.

Zhao Shanhe smiled slightly, and said lightly: "Not much, just five million."

Five million?

This young man can do it. He knows that with these five million, he can exchange for this connection of the Sun family, which is definitely worth it.

Several guests nodded silently and continued to appreciate it. Even Liu Xuan, who was beside him, couldn't help but glance at it.

Only Yue Feng was silent, seeing everyone's praise, and finally shook his head and smiled.

"What are you laughing at?" Zhao Shanhe suddenly became angry.

The corners of Yue Feng's mouth twitched, and he said lightly, "I want to ask, how much did you spend to buy this pair of jade pendants?"

Zhao Shanhe was stunned for a moment, and then reported a number: "Are you deaf? Five million, listen to me. Can't see? What? Five million is an astronomical figure for your son-in-law who came to your door?"

Yue Feng shook his head secretly, with a look of disdain: "Too much."

Liu Xuan hurriedly pulled him away as soon as the words fell. After a while, he said in a low voice, "Yue Feng, stop talking nonsense..."

Although he has a good relationship with Sun Dasheng, the people who come here today are all congratulating the old man Sun, and the situation is special.

Besides, these people present said that this is good for jade pendant, so don't come out and mess with it.

And at this moment, everyone present looked at Yue Feng! Several women looked puzzled.

too much?

What does it mean? Did you buy at a loss?

This jade pendant is very beautiful. Even if it is a little expensive to buy 5 million, it is not too expensive, right?

Zhao Shanhe said with a sullen face, "Yue Feng, what do you mean? Then tell me, how much is my jade pendant worth?"

Yue Feng stretched out two fingers.

What?

“Two million?” Zhao Shanhe sneered: “You know what, my jade pendant is worth two million? Are you stupid?”

Sun Dasheng was full of surprise, and asked curiously: “Fengzi? Do you still care about antiques? Do you have research?”

My brother knows a lot.

Yue Feng nodded and smiled: “I understand a little bit.”

Chapter 168

“Yue Feng, shut up if you don’t understand!” Zhao Shanhe was directly angry, pointing at Yue Feng’s nose and shouting: “What are you doing?! Why is it worth two million?”

Madd, this man has a sick mind. This jade pendant was bought from my uncle. Uncle has been playing with antiques for decades! The actual price of this jade pendant cost more than three million! I deliberately said five million just now, but I actually wanted to pretend.

But Yue Feng said that it is only worth two million, which is pure fart!

Yue Feng shook his head: “There is another name for this pair of jade pendants. Do you know what it is called?”

Everyone was full of curiosity and shook their heads.

Yue Feng sighed and said slowly: “This pair of jade pendants was called ‘Yuanyang pendant’ in ancient times. It was the most special dowry for women in the Ming Dynasty when they got married. The Ming Dynasty paid the most attention to etiquette, so this kind of The mandarin duck pendant was very prosperous in the Ming Dynasty.”

“After the jade pendant was brought to the husband’s house by a woman, one piece was handed over to the husband, and the other piece was worn by herself, and the other party’s name would be engraved on it, which means eternal tie and concentricity. Meaning.”

When talking about this, Yue Feng picked up two jade pendants and looked at them carefully: “So, this kind of mandarin duck pendant in the Ming Dynasty will have engraving on it, and you... It’s a pity that it doesn’t. It’s fake. Yes .”

Yue Feng’s voice was not loud, but everyone in the entire hall could hear it clearly!

Everyone was stunned.

This paragraph about the knowledge description of the mandarin duck pendant is well-founded and full of emotion, and it is more detailed than what those treasure appraisers have said!

When they sighed in their hearts, everyone came back to their senses, and doubts arose in their hearts.

Could it be that this pair of mandarin ducks and jade pendants is really fake?

“Sure enough, there is no lettering.” At this moment, Sun Dasheng took the jade pendant in Yue Feng’s hand, looked at it carefully, and said with a frown.

For a time, several people around immediately gathered around to take a look. Liu Xuan also stepped on high heels and moved up.

Sure enough, except for those fine carvings, there are no traces of lettering on this pair of jade pendants.

This...

Zhao Shanhe blushed, his eyes flickered, completely unacceptable, and then pointed at Yue Feng and sneered: “What can you prove without the lettering? You just said that this kind of mandarin duck is a dowry for a woman’s marriage. If The hostess of this pair of jade pendants died before they got married? She has no husband, where did she get the lettering?”

At this time, Zhao Shanhe was very impressed with his wit.

Yes.

What if the woman is not married?

At this time, several of the guests also calmed down and cast inquiring glances at Yue Feng.

Yue Feng laughed and stared at Zhao Shanhe like a fool: “What you said is very logical, but I can tell you that this kind of mandarin duck is a skillful craftsman specially hired by the mother’s family within half a month before the woman gets married. Made it for her.”

Having said that, Yue Feng shrugged: “If you insist on raising the bar with me, saying that the woman died of a sudden illness in the half month before she got married, then I can say something.”

Zhao Shanhe was not talking, and a layer of cold sweat oozes out of his forehead.

“Also, I’ll correct you a mistake.” Yue Feng took a step forward and said with a smile.

“What’s wrong?”

Yue Feng’s mouth turned up: “I just stretched out two fingers, but I didn’t say it was worth two million. What I said was that this jade pendant is worth two hundred. If you don’t believe me, see for yourself.”

“Crack!

” When it fell, he instantly threw the jade pendant to the ground, shattering it!

The jade pendant is broken, and it can be clearly seen that there is plastic glue in the jade, which is obviously a counterfeit!

quiet! The whole hall was silent!

Zhao Shanhe shook his body, and his face was as ugly as it was shriveled.

“Crack, snap, snap!”

At this moment, Li Nan couldn’t bear it any longer and clapped. Followed by thunderous applause!

Wonderful, so wonderful!

Zhao Shanhe clenched his fists tightly and shouted loudly, “Yue Feng, even if I am an imitation product, it is considered a courtesy and affectionate. What about you? Have you brought a gift?” It’s

all this scumbag Yue Feng, you make me embarrassed, and I won’t make you feel better!

call!

Yue Feng took a deep breath and glanced at Zhao Shanhe helplessly: “You are wrong, I really brought a gift this time.”

When he went downstairs just now, Yue Feng sent a text message out.

It is estimated that people should arrive by now.

What?

He also brought gifts?

“Yue Feng...” Liu Xuan stomped her feet anxiously: “You just found out about Old Sun’s birthday, where did you get the gift?”

Chapter 169

Liu Xuan is really in a hurry, Yue Feng can't take out the gift for a while, and will be laughed at again.

Even if you have a good relationship with Sun Dasheng, it is not convenient to make up nonsense.

"Haha, Yue Feng, where is your gift? Are you still bragging? Your wife doesn't believe it!" Zhao Shanhe laughed, his eyes full of jokes: "Come here, take your gift out and let me see it. "

"It should be coming soon." Yue Feng looked at the time and said lightly: "I sent it over."

Someone sent it over? Hahaha, too special code is funny!

Zhao Shanhe clutched his stomach and laughed loudly: "Haha, everyone! You don't know anything, a few days ago at our class reunion, this Yue Feng was riding a broken tram. No one paid him any attention! He had no friends, who would help He's here to deliver a gift? Did you order a takeaway? Haha..."

Hearing this, a few girls couldn't hold back their mouths and laughed lightly.

"Mr. Chen is here!"

At this moment, a voice came from outside the hall, and immediately, everyone's eyes looked out the door!

I saw Chen Shishi wearing a formal suit, a hip skirt, and high heels, walking quickly.

I have to say that Chen Shishi is very beautiful, and the hip-packed skirt perfectly shows her body curve, and at the same time she is sexy, she has the aura of a high queen.

After all, she is a famous strong woman. Today's Estée Company is booming in the cosmetics industry!

But at this moment, Chen Shishi looked anxious.

"Godmother! Why are you here?"

Zhao Shanhe stood up suddenly, his face full of astonishment.

what's going on?

The godmother said that she had something important to deal with today, so she asked herself to help her give gifts. So seeing the godmother coming, Zhao Shanhe was very stunned.

However, Chen Shishi was very anxious, didn't look at Zhao Shanhe at all, walked past him directly, and put the congratulatory gift in his hand on the table.

Heli is a set of high-end tribute tea.

"This tribute tea seems to be from the Tiancha series? A set is worth several million..."

"Did Mr. Chen ask her to be her son and come to give a gift? Why did you give another one?"

Everyone in the hall was stunned. . Look at each other face to face!

Just as everyone was talking, they saw Chen Shishi turn around and walk in front of Yue Feng.

"Brother Feng, I'm sorry, there is a traffic jam on the road. I put the congratulatory gift you asked me to prepare on the table."

Chen Shishi said in a very careful tone, bowing slightly!

Whoa!

The whole hall was in an uproar! Everyone present was dumbfounded, all of them opened their mouths wide, their faces full of incredulity.

Wind... brother wind? !

Chen Shishi calls this door-to-door son-in-law, Brother Feng? !

She is several years older than Yue Feng!

At this moment, Liu Xuan's delicate body trembled! My legs are so weak I can't stand!

This.. what's going on here? !

On the other side, Zhao Shanhe, his face turned pale at this time!

Godmother called him Brother Feng? !

Three years ago, he recognized Chen Shishi as his godmother. Although this woman is only five years older than him, without her, he is not even a fart! It was she who nurtured herself.

I have followed my godmother for years, and I have never seen her be so polite to anyone!

This..this..

“It’s not too late, just right.” At this moment, Yue Feng’s faint voice sounded. With a half-smile, he asked: “Zhao Shanhe, is that your godson?”

Chen Shishi nodded immediately: “Yes.”

Chen Shishi and Yue Feng have known each other for many years, and know his temper well.

So while responding, he tilted his head and glared at Zhao Shanhe.

“You can be a god son, but with your godmother’s backing, he is invincible. No one will take it seriously.” Yue Feng said slowly.

In the huge living room, there is no sound at this time!

What?

Sure enough, this bastard caused trouble for himself.

Chen Shishi’s delicate face turned white all of a sudden, her legs were soft, and she quickly apologized: “Brother Feng... I’m sorry, I’m sorry, it’s my poor discipline.”

“Godmother, why are you apologizing to him? Ah.” At this moment, Zhao Shanhe came to his senses, with a suspicious look on his face, and shouted: “He is a door-to-door son-in-law, he...”

“Shut up for me!”

As soon as he finished speaking, Chen Shishi became cold. With a face, she snorted. Then walked briskly on high heels.

Snapped!

Chapter 170

A slap without warning slapped Zhao Shanhe’s face fiercely.

With this slap, five finger prints appeared on Zhao Shanhe’s face in an instant!

“God...Godmother. What are you beating me for?”

Zhao Shanhe was completely stunned, covering his face, choked up when he spoke.

In recent years, the godmother has been particularly fond of herself, treating herself as her own son. He was suddenly beaten, and his face was full of grievances.

“What did you say to beat you? You almost got into trouble.” Chen Shishi was so angry that he slapped him twice.

You can't provoke anyone, you have to provoke Yue Feng! Without Yue Feng, there would be no me today!

“Go, kneel down and apologize to Brother Feng.” After a few slaps, Chen Shishi scolded angrily.

Zhao Shanhe was shocked, and he dared to ask again at this moment. He walked over and knelt in front of Yue Feng, squeezing out a smile: “I... I was wrong, I'm sorry...” The

other guests present couldn't help but suck. Cold breath.

Chen Shishi's aura was really too strong, and the aura just now made men feel ashamed.

In the face of such a strong woman, who would dare to speak.

Yue Feng, who was sitting there, didn't have the slightest expression on his face, just looked at Zhao Shanhe so coldly.

quiet!

At this moment, the whole hall was silent.

All eyes are on Yue Feng.

Chen Shishi stood aside, and seeing Yue Feng did not speak, she bit her lip, not daring to say a word more.

Jingle Bell...

At this moment, Yue Feng's cell phone suddenly rang!

He took out his cell phone and saw that it was his mother Su Yue calling. I went out for an outing these few days, and I didn't see my parents. Why did my mother suddenly call today?

He picked up the phone, and before he could speak, he heard Su Yue on the other side of the phone, and burst into tears.

“Xiaofeng, hurry up... come, save your dad, save your dad!”

Hearing this, Yue Feng’s hair stood up instantly!

“Mom, don’t worry, what’s the matter? Where are you!”

Isn’t my father being treated in the hospital?

Is it getting worse?

“At Yue’s house, at Yue’s house. Come on, your father is dying, come on!” Su Yue’s tears fell, and the phone was hung up when she finished speaking!

hum! At this moment, Yue Feng’s mind went blank!

“Fengzi, what’s wrong?” Sun Dasheng walked quickly and asked Yue Feng.

Huh..

“My parents have an accident.”

....

The sun is shining today, and the men and women on the street are wearing cool clothes.

But in the Yue family villa, there is a cold atmosphere.

Mr. Yue sat on the chair with no expression on his face! Beside him, there are nearly a thousand people! Everyone in the Yue family is present!

Under the stage, Yue Feng’s father was firmly held down, his lips were white!

Behind him, a strong man was standing, waving a cane in his hand.

The cane was soaked in oil, very tough, and had barbs on it, and if you slapped it on your body, it would bring a bloody mouth.

“Crack!” The strong man’s rattan slapped Yue Tianheng! The blood has soaked through the clothes!

Su Yue was also being pulled tightly, tears clouding her eyes, and she almost burst into tears.

“Tianheng, I’ve been in seclusion for all these years, and I didn’t pay attention to the Yue family’s affairs. That’s how you taught your son? Defilement of younger brothers

and sisters is something that can be done! Also, where are the others in Yue Feng?" asked.

Even if it was his own son in front of him, Mr. Yue was not soft-hearted and disciplined his family. Mr. Yue was always very strict.

Yue Tianheng shook his head, his lips were pale: "Xiaofeng wouldn't do such a thing, he wouldn't do it!"

"You're still stubborn!" Chen Yun stepped forward and said, "What do you mean, we are all lying? The Yue family, Yue Feng is a good guy, and we are all villains out of nothing? That beast, Yue Feng, tarnishes his younger siblings, this is a fact, you still want to deny it?!"

"Bah!" Yue Tianheng gritted his teeth tightly and spat. One bite.

"You still admit your mistake, right? Keep calling me until he admits his mistake!" Mr. Yue was so angry that he shouted angrily.

Immediately, the strong man behind him waved the rattan in his hand again.

Snapped!

The loud thrashing sounded, Yue Tianheng's body twitched suddenly, he clenched his teeth tightly, but did not shout out, but his face was covered in cold sweat!

"Stop hitting, you guys don't hit..." Su Yue on the side, wailing loudly, wanted to rush over to protect her, but was pulled tightly by several people, unable to move, and tears fell down her cheeks.
