

## The ultimate husband in Chinese chapter 196-200

Chapter 196 It's

Over!

Luo Zehao's head buzzed, he didn't dare to look at the little girl at all!

With a three percent success rate, isn't that the equivalent of death?

What can I do, the Luo family is over!

At this moment, a voice came from the crowd: "In the case of the old man, it's useless to send it to the hospital. I'm afraid there is not even a 10% success rate. It's better not to send it."

Xue Li frowned . .

Who is so boring?

He is the only doctor here, and in this matter, he has absolute authority to speak.

If you don't send it to the hospital, are you waiting to die here? After all, there is a tenth chance of being sent to the hospital!

Thinking to herself, Xue Li looked back with anger on her face, and was stunned.

Brother Feng?

At this moment, Xue Li felt a little uncomfortable. I came here today without any makeup. I had no makeup at this time, but I actually met Brother Feng. After being

in contact with Yue Feng, Xue Li knew deeply in her heart that this man made people feel particularly secure. He said not to be sent to the hospital, there must be his reasons.

wow.

Everyone around looked at Yue Feng, their eyes filled with doubts!

This chapter is provided by . Visit for daily update.

Who is this kid?

Could it be a big man in the medical world? During the auction just now, this kid said that the Immortal Pill was invalid. He was really right!

“Who are you?” At this moment, the little girl looked at Yue Feng and asked coldly, “Since you didn’t let my grandfather go to the hospital, it seems that you have a way to save my grandfather.”

The girl stared closely at Yue Feng, her voice was not loud, but there was a palpating pressure, and she said word by word: “Then tell me, how can I save my grandfather.”

This girl has a strong aura.

Muttering inwardly, Yue Feng smiled, walked to the old man in Tang suit, observed it carefully, and said slowly, “What Dr. Xue said just now is right, your grandfather is indeed blocked in a cerebral blood vessel, but the situation is a bit special.”

“It’s useless to send it to the hospital for surgery, because the invalid elixir contains some toxicity. This toxicity will affect the circulation of blood, and the equipment in the hospital cannot be detected at all.”

“Your grandfather just took the elixir, At present, the poison has not spread to the internal organs, so according to my method, it is to seal the ‘Shindao’ and ‘Xinshu’ points on his chest. Good.”

Yue Feng talked eloquently, explaining every detail in great detail.

When everyone present was stunned, many people whispered.

Does this Liu family’s door-to-door son-in-law really understand or fake it?

If he had such ability, would he still be a door-to-door son-in-law?

But he is not Hu Lielie, otherwise how would he know that the Immortal Pill is invalid?

At this moment, Zhang Quan stepped forward: “Yue Feng, listen to you, high-tech medical methods are not enough, can you save me? Tsk tsk, genius doctor, according to what you said, the hospital will be closed in the future. Forget it, whoever has incurable diseases will just come to you.” The

girl didn’t speak, her face changed.

She understands everything Yue Feng said, but she doesn’t dare to try it.

The girl looked at Yue Feng tightly: “The ‘Shendao acupoint’ and ‘Xinshu acupoint’ you just mentioned are very important degrees. If they are sealed at the same time, it will cause qi and blood disorders.”

Yue Feng laughed, with a calm expression on his face: “Of course I know, so you have to believe me.”

Of course, Yue Feng is not talking nonsense. In “Wu Ji Pill Technique”, there are many ways to refine medicinal herbs. Various medicinal herbs and various symptoms caused by wrong use are written in detail.

Take the immortal pill as an example, what will happen to the ineffective immortal pill, and how to solve it, the above is clear.

Just knowing this, Yue Feng will come out.

Otherwise it wouldn't be so risky.

After all, life is at stake.

call.

Hearing Yue Feng's words, the girl breathed a sigh of relief and said, “But I'll be slandering the front. If something happens to my grandfather, I'll make you regret coming into this world. No, I'll make your whole family. , I regret coming into this world.”

Alas, such a beautiful girl, how can she speak ruthlessly at every turn.

Can't you be gentle?

“If you love to save it or not, you will be sent to the hospital if you don't.” Yue Feng shrugged his shoulders and said with a smile.

Yes, I came to save people with good intentions, and even threatened me with a meal.

“You!” The girl's pretty face flushed with anger, and her anger was not light.

Chapter 197 The

girl has a gloomy face. After being sent to the hospital, the grandfather has only a ten percent chance. Where can she bet? She glared at Yue Feng, but went to Grandpa's side, stretched out her finger, and did as Yue Feng said.

However, at this moment, an aroma came from behind, and her arm was pulled.

It was Xiao Yuruo.

“Yue Feng, you, are you talking nonsense, now life is at stake.” Xiao Yuruo was nervous, bit her lip and whispered, her tone full of worry.

“It's okay.” Yue Feng smiled and said nothing more: “It's better to do it my way than to send it to the hospital.”

Listening to Yue Feng's words, the little girl squatted in front of the old man with her left hand sealed.' The Shinto acupoint, the right hand seals the 'Xinshu acupoint', and then uses the cultivator's internal force to flow into the old man's body through his hands, and begins to help him to expel the poison.

The people around did not speak, but many practitioners shook their heads secretly.

In their opinion, Yue Feng is talking nonsense!

As the little girl said, sealing these two acupoints at the same time is a big taboo in cultivation!

If it doesn't work well, I'm afraid it will kill people! Can these two acupuncture points be arbitrarily ordered? Unless you don't want to live anymore!

The most nervous is Luo Zehao, his whole heart is suspended, and he is sweating profusely.

If the old man is not cured, not only will he be unable to get rid of the relationship, but the entire Luo family will suffer! The special code is really strange, how can a good magic elixir fail.

Luo Zehao clenched his fists tightly and could only pray that the old man would wake up soon. Now there is no other way, the chance of being sent to the hospital and being rescued is less than 10%. Now we can only do it according to Yue Feng's method!

Ten minutes later, I saw the old man's face, slowly returning to normal, and breathing evenly.

hiss.

Did it work? !

This scene, the practitioners present, can see clearly, and suddenly many people can't help gasping!

Although the old man hasn't woken up yet, he should be fine.

"Huh.." The

girl breathed a sigh of relief: she walked slowly to Yue Feng's side and nodded slightly.

"Thank you, what's your name?"

Although Yue Feng saved her grandfather, she was grateful, but her tone was cold and arrogant.

After saying this, she took the old man and left.

“The real special code had a bad luck and saved people by mistake.” At this time, Zhang Quan was still talking coldly.

Sun Dasheng, who had been silent for a long time, finally couldn't bear it anymore, and scolded angrily: “You have a lot of special codes? Everyone has been saved, how many times are you still beeping? Are you kidding me? Hurry up and get out of here. , I will be annoyed when I see you.”

At this time, Sun Dasheng was very angry.

Today, I have a good temper, but this bad pen is buzzing like a fly, and it is endless?

Zhang Quan was full of shame and anger, and stared at Sun Dasheng: “Who are you calling for having a sick mind?”

This kid punched himself before, and the account hasn't been settled yet!

Sun Dasheng didn't say a word, just took out a switchblade and walked over at once.

Li Nan next to him quickly grabbed him: “Husband, don't be angry, don't be angry.”

Li Nan knew too well what her husband's temper was. If you don't agree with each other, it's not to scare people. If Sun Dasheng were not so ruthless, his position would not be so stable.

“Okay, okay, you wait for me. You wait for me...” Zhang Quan was really frightened, and he didn't have the confidence to speak.

Seeing this scene, Yue Feng smiled and said nothing.

Zhang Quan's family is engaged in jewelry, even if his father comes forward, he has to be respectful with Sun Dasheng.

“Brother, thank you so much.” At this moment, Luo Zehao in a suit came over and said to Yue Feng.

At this time, he was grateful and full of curiosity about Yue Feng.

“My name is Luo Zehao, what happened just now is thanks to you, brother, haha...” Luo Zehao stretched out his hand with a big smile: “If brother doesn't mind, how about we make friends? Just call me Haozi.”

“Okay.”

Yue Feng nodded with a smile and shook hands with him.

As soon as Luo Zehao opened his mouth, Yue Feng could feel that he was also a man with a true temperament.

The two chatted for a while, very speculative.

At this time, Yue Feng remembered something and couldn't help but ask: "Haozi, who are the two grandfathers and grandsons just now? Why did you see that token and just..."

Chapter 198 Before the

words were finished, Luo Zehao's face became solemn, and he made a silent gesture.

Then he took Yue Feng to a place with few people, and said with a serious face: "That grandson is not simple just now, Fengzi, do you know the Hall of Longevity?"

Hall of Longevity?

There are two religions in this world.

One is the Tongtian Sect, and the other is the Hall of Longevity.

Comparable to Tongtian Sect, this Hall of Longevity is naturally powerful, with as many as hundreds of thousands of disciples! It is said that the main members of the Hall of Longevity are all master cultivators, and their whereabouts are secretive, and they are ruthless.

It turned out that the grandfather and granddaughter belonged to the Hall of Longevity.

Luo Zehao took a deep breath: "The grandfather and granddaughter are not ordinary disciples of the Hall of Longevity. If you guess correctly, their status in the Hall of Longevity should be very high. Because their tokens are pure gold, as far as I know, the tokens of ordinary disciples are all silver."

It turned out to be so. Yue Feng nodded.

While talking, the auction is almost over.

Luo Zehao picked up a pair of vases and handed them to Yue Feng: "Fengzi, thank you for today's affairs. You keep the vases, I have something else to do, so I'll go first."

Yue Feng didn't refuse. Is this vase okay? It was used by the Ming court. It is estimated to be worth more than two million?

He walked to the front of the car with the vase in hand, threw it into the back seat, and closed the door.

Last time Xue Li crashed the car and took it to the 4S shop to have it repaired. It was only repaired today. However, after the repair, I always feel that the steering wheel is a little heavy, and it seems that the car needs maintenance.

He drove out of the parking lot, only to bump into Xiao Yuruo and Zhang Quan. Of course, Xiao Qingshan was also beside him.

Seeing this son-in-law driving a luxury car, Zhang Quan was stunned for a moment, and then he knocked on his window: "Hey, did you drive out your wife's car?" Too lazy to talk nonsense, and no longer save face for him: "I'm sorry, I let you down. This car is mine. I don't want to be too high-profile, so I bought this Audi r8, low-key."

What?

Driving an Audi R8 is a low-key thing?

Yue Feng's voice was quite loud, and many people looked over here.

Xiao Qingshan sighed, this Yue Feng was completely helpless. Who does not know in the entire Donghai City, he is the son-in-law of the door, but he can still boast so much. How can such a frivolous young man be worthy of his own daughter?

"Zizuzou, you can really brag." Zhang Quan laughed suddenly: "Then you are so rich, why didn't you give a shit at the auction just now? I didn't see anything you photographed."

Just as he was talking, he saw Han Yue walking over quickly with her high heels on.

"President, the 'Crystal Love' we have auctioned off this time."

Han Yue respectfully handed it over to Yue Feng. When she got Crystal Love just now, she secretly took two photos, and she was very satisfied.

Yue Feng nodded: "Well, you go back to the company first, I still have something to do."

"Okay, President."

Han Yue replied respectfully, then turned and took a taxi to leave.

What?

This, isn't this Miss Han who just photographed Crystal Love? She, she called President Yue Feng?

Zhang Quan's head buzzed, his face as if he was slumped.

How could this be?

Isn't that the door-to-door son-in-law? How did he suddenly become the president of Ziyu Company? !

Under the huge psychological gap, Zhang Quan's face instantly turned into a pig's liver color, and he was speechless for a long time.

"You...you're the president of Ziyu Company?" Xiao Yuruo asked softly with a twinkle in her eyes.

This, how is this possible! Never heard Yue Feng mention it!

Everyone said he was a jerk, but, but he turned out to be the president? !

Yue Feng smiled and said indifferently: "No surprise, this company used to be the property of the Yue family, but now I have been expelled from the family."

After speaking, he handed over the crystal shoe in his hand. : "For you."

"For me?"

At this moment, Xiao Yuruo's heartbeat suddenly accelerated, and her face flushed!

On the side of Xiao Qingshan, an old face is also gray and white! This, 100 million high heels, send, send, send to your daughter? !

## Chapter 199

Holding the crystal love box, Xiao Yuruo's delicate body trembled. She only felt that as long as she was with Yue Feng, everything would be so beautiful.

The love of crystals, that is the love of crystals that I have longed for.

At this time, she really wanted to hug Yue Feng and give her a kiss!

But her father was still by her side. She blushed and said softly, "Yue Feng, you, you gave me shoes. I'll invite you to dinner. The difference between the two is so big, I don't think you will refuse.

" Isn't it, this pair of shoes was auctioned for 100 million yuan, how much is a meal?

In fact, she wanted to invite Yue Feng to dinner, not only to thank him. In fact, there is another very important reason, that is, I want to stay with him for a while. Even one more hour of spending time together is enough and satisfying.

Yue Feng thought for a while, then smiled and nodded: "Okay."

Anyway, it's okay now, so let's accompany her to find a place to sit for a while.

However, just as the two were about to get into the car, the phone in Yue Feng's pocket suddenly rang.

Who is calling at this juncture.

What a disappointment.

After muttering, he took out his mobile phone and saw that it was Zhou Qin who was calling.

"Officer Zhou, what's the matter?" Yue Feng asked when he answered the phone.

"Good brother, are you free now? I'm in a hurry. I want to ask you a favor." Zhou Qin said softly.

A good brother, shouted Yue Feng's bones to crisp.

what's going on? Every time I ask this woman to call me brother, it is more difficult than ascending to the sky. Why is she so happy today?

Yue Feng said with a smile: "Good sister, what's the hurry?"

Hearing the ridicule in Yue Feng's tone, Zhou Qin bit her lip on the phone.

What's wrong with yourself?

Why do you call him good brother as soon as you come up?

She is the captain of the criminal investigation team. She is usually aloof. How can she talk to Yue Feng like a child? She blushed when her good brother called out.

Thinking to herself, Zhou Qin calmed herself down and said quickly, "It's a very important matter. I'm waiting for you in a coffee shop. Come over and let's talk about it."

After saying this, she hung up the phone.

A few seconds later, Zhou Qin sent the location.

Looking at the address she sent, Yue Feng sighed helplessly. Looking at Xiao Yuruo

tangled, she said, "I wanted to relax, but I couldn't relax for a moment. Someone invites you to drink coffee. Let's go together."

Yeah." On the

phone just now, when Yue Feng called, he was a good brother and a good sister.

Xiao Yuruo couldn't tell who it was at all, she only knew that it was a woman, and it was definitely not Liu Xuan. It sounded like the two had a very close relationship. So at this moment, she felt a little lost, but she still wanted to know who the other party was.

Noticing the change in Xiao Yuruo's expression, Yue Feng wanted to say it was Zhou Qin.

But after thinking about it, he smiled casually: "A friend."

After saying this, Yue Feng couldn't help muttering to himself: Strange, how did he start to care about her thoughts?

"Then I won't go. On the phone just now, your friend seemed to be in a hurry, so I won't disturb you to talk about business!" Xiao Yuruo whispered.

Yue Feng nodded: "Okay then, I'll take you home."

This Xiao Yuruo was really considerate.

I don't know who will be so lucky in the future to marry her back home.

But Xiao Yuruo was in a hurry!

This, how did this send me home. I'm in disbelief! I also want to go, to see who is so close to you!

But at this time, Yue Feng had already started the car.

Xiao Yuruo bit her lip, this Yue Feng, doesn't she know that women are duplicitous!

Yue Feng really didn't think about it so much. At this time, he concentrated on driving, and after a while, two WeChat messages came, both from Zhou Qin.

'Good brother, hurry up, it's really urgent. '

....

Yue Family Villa.

In the secret room, Mr. Yue sat there with a smile on his face.

On the coffee table next to Chapter 200

, two cups of tea were fragrant.

Opposite Mr. Yue, a man sat. This man can't tell his age, he seems to be in his thirties, and he looks like he is in his fifties. He wears a Taoist robe and has a Taoist bun.

This person's name is Yang Bu'er, and the people in the rivers and lakes call him: Buer Taoist priest.

"Fellow Daoist came from a long distance, it's a great honor for this old man." At this time, Mr. Yue picked up the teacup and spoke very politely.

Two days ago, Mr. Yue sent a message to Yang Buer. He thought he was very busy and would arrive a few days later, but he did not expect to arrive the next day.

Yang Bu'er smiled slightly, waved his hands and said, "What kind of polite words are we talking about in our friendship? What's the matter with calling me over in such a hurry?"

Huh!

Father Yue took a deep breath and said, "I want to lead the entire Yue family to practice." As

he spoke, he couldn't help but think of Yue Feng's riot, and the more he thought about it, the more angry he became.

Yang Bu'er's eyes flashed, and he said with a smile, "Then what?"

Old Man Yue smiled bitterly: "Fellow Daoist, in fact, I brought you here today because I really wanted to ask you something. You know, if you want to become a cultivator, I need 'Spiritual Building Pills'. There are hundreds of people in my Yue family, and I need hundreds of Spirit Building Pills."

Speaking of which, Mr. Yue said with sincerity, "Fellow Daoist, you just need to help me and provide me with Hundreds of spirit-building pills, if you have any orders from fellow Daoists in the future, this old man will never refuse to go through fire and water."

Yang Bu'er pondered, his eyes flickering constantly, and slowly said: "Okay, I can promise you, but you have to promise. I have one condition."

Is this a promise?

Mr. Yue was overjoyed: "What are the conditions for fellow Daoists, just say it."

As long as the entire family can be cultivated, not to mention one condition, even a hundred conditions will be fine!

Yang Bu'er laughed: "Don't agree so happily, my condition is not easy."

Old Man Yue frowned secretly and said nothing.

Yang Bu'er took a sip of his tea and said word by word, "I want your entire Yue family to join the Hall of Longevity, how about it? Can you agree?"

What?

Join the Hall of Longevity?

Old Man Yue froze suddenly, the teacup in his hand stopped in mid-air, his eyes were full of surprise.

The Hall of Longevity, one of the two major sects, is notorious for all evils!

It is completely incompatible with the six major factions!

And he is a Shaolin disciple, famous and decent!

The old man Yue was shocked: "Fellow Daoist, you are the elder of the Wudang faction, how...how could you let me join the Hall of Longevity?"

Yang Buer laughed and said very relaxedly: "The Wudang faction, I have already retired! These are Over the years, I have sent a saddle for Wudang, but what have I gained? In fact, I have already joined the Hall of Longevity, but I have never had a chance to tell you." The old man

Yue was suddenly stunned, but his mood was gloomy and uncertain.

"You can think about it. I have something to do. I'll leave first, and I'll be back in a few days. You will give me an answer then." At this time, Yang Bu'er stood up and said to Father Yue with a smile, "If You Yue family, all of you have joined the Hall of Longevity, so there are some spiritual building pills! If you don't join, you will not have one!" The old man

Yue nodded and sent Yang Buer out of the Yue family villa.

Watching him leave, Mr. Yue fell into deep thought.

If you bring your clan to join the Hall of Longevity, you will betray the Shaolin faction. This is a taboo in the cultivation world. But at present, only Yang Buer can help him. If he doesn't agree, the whole family's cultivation will come to nothing!

....

Island Cafe, especially famous in Donghai City.

The coffee here is good and the environment is even better! Many young men and women, dating places, will choose here.

This coffee shop is very popular, and it is already full of people at this time. But the people who come here are very qualified, and it is very quiet here.

When Yue Feng arrived here, Zhou Qin had been waiting for a long time.

"This way." Seeing Yue Feng appearing, Zhou Qin quickly stood up to say hello.

Zhou Qin is so beautiful today, with a pair of flared jeans, which outlines her body very tightly.

I have to say, Zhou Qin's figure is really arrogant!

"What are you looking at?"

Zhou Qin said angrily. His eyes were so presumptuous that no one dared to look at him so directly.

"Don't look at it." Yue Feng waved his hand and sat down: "What are you looking for me for?"

"Good brother, I'm looking for you today, I want you to do me a favor." Zhou Qin couldn't wait to speak. .

I wanted to call him by his name, but he made a slip of the tongue and called out good brother again.
