

The ultimate husband in Chinese chapter 456-460

Chapter 456 The

two skills were thrown out just now, and now he has no strength! There was no time to dodge at all, so he could only grit his teeth, mobilized the little remaining internal force in his body, and greeted him with a palm.

Bang!

At the moment when the palms collided, Yue Feng's power was directly defeated by Master Miao Yuan!

Master Miao Yuan, Tai Yu, flipped his hand and slammed another slap, hitting Yue Feng's heart.

"Pfft!"

Yue Feng only felt a terrifying force coming, and the whole body spurted blood, and his body was shaken and flew out, and finally fell heavily to the ground.

When the severe pain came, Yue Feng clearly felt that his meridians were all broken! In addition, it is still the heart pulse. In an instant, the whole person is weak, and the blood keeps spurting out of the mouth, and there is a sense of suffocation in the heart. It feels like the internal organs are torn apart!

"Husband..."

Seeing this scene, Liu Xuan couldn't help exclaiming, and she felt her legs go weak and fell directly to the ground.

"I ask you, do you know the guilt!" Master Miao Yuan looked at Yue Feng too coldly, with no emotion in his voice.

Convicted? Hehe..

"I want to ask, what's my guilt!" Yue Feng roared, he had no strength at that time, and he shouted, and another mouthful of blood spurted out!

There was silence all around, all eyes were focused on Yue Feng, there was no sympathy in his eyes, only indifference!

Death is imminent, are you still stubborn? ! The Hall of Longevity does all evil and harms the rivers and lakes. It is not a pity for Yue Feng to collude with them!

Seeing Yue Feng's eyes still flashing with stubbornness and arrogance, Master Miao Yuan was so angry that he had a long sword in his hand and walked over slowly. This long sword is the famous Xuanbing Sword, a purple-level weapon!

She walked very slowly, but every step seemed to be stepping on the hearts of everyone!

"Miao Yuan Shi Tai, for eliminating the evil in the martial arts arena, the merit is boundless, kill him quickly." In the crowd, I don't know who shouted.

When the voice fell, it immediately aroused the resonance of everyone around, and they all shouted!

"Yes, kill him..."

"This kind of scum, it's not a pity to die!"

Hearing everyone's shouts, Master Miaoyuan frowned and stabbed Yue Feng's neck with a sword!

"No..."

Xiao Yuruo's heart was cut like a knife, and she burst into tears in an instant.

She thought about it, if Yue Feng died today, she wouldn't be alive either!

Seeing this sword, it is already less than half a meter away from Yue Feng!

Yue Feng slowly closed his eyes, at this moment, he was completely desperate!

"Stop!"

And at this moment, a loud shout came, with a strong tone and majesty!

In the next second, a figure blocked in front of Yue Feng, shot like electricity, and two fingers pinched the tip of Master Miaoyuan's sword at once!

This figure is tall and straight, wearing a Chinese tunic suit, majestic!

It was Ouyang Zhennan!

"Foster father!"

Yue Feng was surprised and happy, and couldn't help shouting.

Ouyang Zhennan nodded, then looked at Master Miaoyuan in front of him, with a slight force on his hand.

clang.

With the sound of Jin Ming, Master Miao Yuan only felt a strong force coming, and the delicate body took a step back subconsciously.

The foster father is very strong.

At this moment, Yue Feng was secretly shocked!

The strength of Master Miaoyuan has been taught several times by himself.

That is close to the strength of Wu Sheng! The righteous father's blow, I can't see who is stronger between him and Master Miaoyuan, but at least he can tie with Master Miaoyuan!

Chapter 457 Master

Miaoyuan's eyes flashed with unwillingness and anger, and said coldly: "Mr. Ouyang, you want to cover up this scum?" After the

voice fell, Master Jueyuan and Master Lingbao's eyes also flickered. , gathered on Ouyang Zhennan's body.

Ouyang Zhennan smiled lightly: "The scum of the rivers and lakes? The rules of the lion slaughter conference are clearly stated, whoever wins the first place will have the right to dispose of it. , let it go or keep it, what does it have to do with you?!"

When he said this, Ouyang Zhennan's eyes slowly swept across the audience, his aura was astonishing.

This...

Hearing this, everyone around looked at each other, unable to speak.

At this moment, Master Miaoyuan retorted: "This matter is not considered for the time being, but what kind of formality is he making a big wedding today?"

Hearing this, Ouyang Zhennan couldn't help laughing and asked Miaoyuan back. Master: "Oh? It's just a big wedding, and you're going to kill him?"

"He's mad at his grandfather and sully his younger siblings. Are these things enough to kill him?!" Master Miaoyuan frowned. said coldly.

Ouyang Zhennan took a deep breath, and his deep voice instantly spread to every corner of Yu's Manor: "I don't care what everyone in the room thinks, I'll take my adopted son today!"

Ouyang Zhennan's voice When he fell, he jumped, grabbed Yue Feng, and flew out of the manor in an instant. In just one breath, he disappeared from everyone's sight.

above the sky.

Yue Feng was held tightly by Ouyang Zhennan. Hearing the wind coming from his ears, he couldn't be more anxious!

"Father, where are we going? No... I have to go back..."

After saying this, Yue Feng couldn't help coughing a few times. He was very weak, but his eyes flashed with determination.

Xiao Yuruo is still staying in the Yu Family Manor. She left, what should she do?

Ouyang Zhennan breathed a sigh of relief, what kind of weakness is this? While thinking about it, Ouyang Zhennan said, "I will take you to the Ouyang family. You are seriously injured and need recuperation. Stop talking."

This child is the son of his former friend.

I just recognized him as my adopted son, and I will never allow anything to happen to him.

Thinking to himself, Ouyang Zhennan continued: "If you go back now, you are courting death. I was able to rescue you just now, and it was entirely by luck. You injured so many people from the six major factions, and if you go back, they will not let them go. passed you."

Seriously, the situation just now was really dangerous.

I came a step late, and this adopted son who I just recognized was going to die on the spot!

"Father, I want to go back..." Yue Feng clenched his fists.

Before he could finish speaking, Ouyang Zhennan interrupted: "don't think about it, it's impossible to let you go back. Listen to the adoptive father, you should cultivate in the Ouyang family these days, and when the limelight is over, I will send someone to inquire about the East China Sea. The situation in the city, come back when there is no danger."

A good wedding was messed up by him.

Not only that, but he also fought with the six factions, and he went back rashly now, which is equivalent to dying.

Hearing Ouyang Zhennan's words, Yue Feng sighed deeply, his face full of despair.

.....

Yu's Manor.

It was originally a lively and festive scene, but after the fierce battle just now, there was chaos everywhere.

The citizens of Donghai City, who came to watch the wedding specially, walked cleanly in panic. At this time, only the six major factions and various families, as well as the Jianghu forces, were left in the field.

Chapter 458

Everyone has a gloomy face, and their hearts are shocked and angry.

Especially the people of the six major factions, their faces are even more ugly!

There are more than 100 people, and they can't even catch that scum. When the news spreads, the six major factions are still discredited?

Just when everyone looked at each other, Master Miaoyuan stood up, looked around and said, "Okay, even if you didn't catch that scum, you don't need to be annoyed, this scum, my heart was interrupted by me, his life I can keep it, but I won't be able to cultivate in this life." The

voice fell, and the mood of everyone present felt a little better.

At this moment, Yue Chen stood up with a face full of unwillingness: "Even if he can't cultivate, he is still alive."

After speaking, a trace of viciousness flashed in Yue Chen's eyes, and continued: "This traitor is not Except, Grandpa is in the spirit of heaven, and he will never rest in peace!"
No

matter what, he had to kill Yue Feng.

Yue Feng is immortal, he can't sleep and eat! Every day I sleep with anxiety, if I don't sleep well, I'm afraid that the death of Zhang Jiajia and grandpa will be exposed. But as long as Yue Feng is dead, there is no proof for this matter!

At this moment, I don't know who said: "Yue Feng, this scum, really shouldn't stay! However, now he has been taken away by Ouyang Zhennan. The Ouyang family is a hidden cultivation family with strong strength, so we can't come to the door. Do you want someone?"

At this moment, everyone around was silent, with complex expressions on their faces.

The strength of the Ouyang family is comparable to that of the six major factions, and the patriarch Ouyang Zhennan is very famous in the arena.

Master Miaoyuan frowned and said with a sneer, "Forget it, although Yue Feng saved a dog's life, he is already a waste. The Ouyang family can't protect him for the rest of his life, and there will be many opportunities to kill him in the future."

The voice fell, and everyone nodded. It was at this time that a fat man slowly walked out of the crowd.

It is the boss of Datong Entertainment Company, Zhu Datong!

Last time I was at the Mid-Autumn Festival party held on TV, because I wanted to hide the rules of Li Qin, I was slapped with urine by Yue Feng.

This shame, I will never forget it for the rest of my life! He still holds grudges! He also came to attend the wedding today. Originally, Zhu Datong's character was very flamboyant, and he liked to show off his wealth wherever he went. But today's scene is full of big people, all people in the world, and he has no part in speaking.

At this time, Zhu Datong, seeing everyone scolding Yue Feng, couldn't help but stand up: "You don't know... This Yue Feng has a lot of capital in Donghai City." After

speaking, he looked around. : "Everyone present doesn't know yet, this kid is the president of Ziyu Company."

What?

Yue Feng is the president of Ziyu Company?

At this moment, everyone present was stunned!

You must know that Ziyu Company is a major entertainment company that has risen in the past two years. It has several popular stars under its umbrella, and it can be said to be powerful!

Under the shock, many people looked at each other, unable to say a word of shock!

In particular, Hao Jian, Qin Shousheng, Liu Zhiyuan and the others have been unable to recover for a long time!

“That son-in-law who came to the door is actually so rich?”

“Yeah...”

Seeing everyone’s astonishment, Yue Chen smiled coldly: “You don’t have to be shocked. That Ziyu Company was the property he cheated from my Yue family, and it didn’t matter. You need to make a fuss. You all know that he was originally the second son of my Yue family, but he did something unconscionable and was kicked out. This company can be said to be given to him by us. “

“So that’s how it is...”

“No wonder, I said that he is a son-in-law who came to the door. How could he have such ability to serve as the president of Ziyu Company.”

Everyone looked suddenly realized.

Chapter 459

Yue Chen nodded and said again: “I have a proposal. Let’s Donghai City business community join hands to destroy all Yue Feng’s industries in Donghai City.

” Overjoyed.

Yu Yang was the first to stand up and agreed: “Yes, we can’t give him any chance to turn over.”

This kid must pay a heavy price for daring to disrupt his wedding.

After Yu Yang expressed his attitude, everyone else also expressed their support.

“That’s right, we have so many clan forces, it’s more than enough to bring down a Ziyu company.”

“Haha, without strong financial support, it will be difficult for this kid Yue Feng to turn over in his life!”

“Yeah, even if that happens. Yue Feng returned to Donghai City, he has no money and can’t cultivate anymore, isn’t he just a waste?”

Hahaha! Everyone hit it off and laughed in unison.

Master Jueyuan sighed, couldn't help but look at the aftershock and said, "Then, is today's wedding still going to be held?"

Phew!

This sentence made the scene quiet.

Yeah, is the wedding still going? This... this stage was blown up...

Aftershock took a deep breath, looked around, saw the mess in front of him, and said solemnly: "Well, my son and Xiao Yuruo's wedding will be in a month. I'm really sorry for holding it today, even if my Yu family was not well entertained."

"Mr. Yu is really polite."

"Everyone can understand what happened today, don't blame yourself too much."

As they spoke, the masters of the six major factions bid farewell to the father and son aftershock one after another.

Everyone was almost gone, and at this moment, I don't know who it was, and pointed at Liu Xuan and said: "By the way, this is Yue Feng's wife, she fainted, what should I do?"

At this time, Liu Zhiyuan and the other children of the Liu family have already left. For a time, the eyes of the people present all focused on Liu Xuan.

Although she is Yue Feng's wife, Liu Xuan has always been modest and courteous, and she is also gentle and kind. How to deal with her is indeed a headache.

Seeing that everyone didn't speak, Yue Chen squinted, looked at Liu Xuan who was still in a coma, and said, "She is Yue Feng's wife and my younger brother and sister, although Yue Feng is a heinous person, she is innocent. Well, now that the Liu family has left, I will take her back to the Yue family first. When she wakes up, I will send her back to the Liu family."

When he was talking, Yue Chen had a look of duty.

All of a sudden, the praise came one after another!

"As expected of the eldest young master of the Yue family, the grievances are clear and admirable!"

"Yeah, in the future with the Yue family under your leadership, why can't you carry it forward!"

Hearing everyone's admiration, Yue Chen's mouth twitched, and he walked slowly to Liu Xuan's side .

"Gudong!"

He couldn't help swallowing a mouthful of saliva. I didn't expect Yue Feng's wife to be so beautiful. This body. .

Song Qian, Yue Feng's sister-in-law before, had never tasted it.

Don't miss this one today!

Thinking to himself, Yue Chen stretched out his hand and was about to hug Liu Xuan.

However, at this moment, the sound of high-heeled shoes came, followed by a woman standing in front of him, it was Chen Yun!

At this moment, Chen Yun glared at Yue Chen with a pretty face, and said angrily, "Husband, you are injured, you can't hold her, let me come."

Others don't know him, but she knows this husband too well . Now, when I see a beautiful woman, my legs can't move anymore. He was going to take Liu Xuan back to Yue's house, and he must have no good intentions. It's just that with so many people around, it's not easy to expose it in person.

Thinking to herself, Chen Yun bent down slightly and helped Liu Xuan up.

Zhongzhou City, Ouyang family.

The other courtyard of the Ouyang family is located in the center of Zhongzhou City. It is a quaint garden, famous in the local area!

This house covers an area of tens of thousands of acres, and it is filled with buildings of Ming and Qing Dynasties. While showing luxury and elegance, it also gives a sense of tranquility and peace.

When entering Ouyang's mansion, Yue Feng couldn't help taking a deep breath.

This house is simply too high-end.

It is picturesque and really beautiful!

Chapter 460

I muttered in my heart, and Yue Feng couldn't help but said, "Foster father...Is this the Ouyang family? It's really big, it's spectacular..." Before the

words were finished, Yue Feng only felt a burst of pain in his heart. Come on, he spit out a mouthful of blood, his eyes darkened, and he fell into a coma.

Master Miao Yuan used all his strength with that palm at that time. Fortunately, Yue Feng had the Heavenly Silkworm Treasure Armor, but even so, Yue Feng's heart was broken and all his internal organs were injured!

Along the way, Yue Feng supported with tenacious willpower, but at this moment, he finally couldn't stand it anymore.

"Xiaofeng!"

Seeing this situation, Ouyang Zhennan was anxious, shouted, and walked quickly to the hall with him in his arms.

The Ouyang family's mansion is divided into an inner courtyard and an outer courtyard.

The outer courtyard is the area where guests are received.

The inner courtyard is the place where the children of the Ouyang family live and practice, and outsiders are not allowed to enter. Unless there is an invitation from the patriarch Ouyang Zhennan, even a distinguished guest cannot step in.

Ouyang Zhennan took Yue Feng into the wing of the inner courtyard, and then shouted at the door: "Quick, go and invite Mr. Liang." The

voice fell, and a servant outside the door quickly responded and ran away.

After a while, an old man came in a hurry with a medicine box on his back.

The old man's name is Liang Zifang. He is a famous doctor in Zhongzhou City. He has a good relationship with Ouyang Zhennan.

After taking Yue Feng's pulse, Liang Zifang was full of sadness and pondered.

Ouyang Zhennan was so anxious that he couldn't help asking, "Mr. Liang, how is my adopted son?"

Liang Zifang smiled bitterly and said slowly: "This child's life is saved, but his heart is broken. I'm afraid it will be difficult to cultivate in the future." After

speaking, Liang Zifang looked ashamed: "I have tried my best."

Ouyang Zhennan was stunned for a while, and said anxiously: "Mr. Liang, if I use my inner strength and cooperate with your medical skills, can I connect his meridians?"

As a cultivator, if you can't cultivate, then your life in the future will be difficult. has no meaning?

As long as he can save Yue Feng and lose some internal strength, it's fine.

Liang Zifang shook his head: "You are too imaginative. How can you continue to connect the meridians with only internal strength? Now the most important thing is to let him take care of his body and cultivate. Don't think about it."

After saying this, Liang Zi Fang clasped his fists and said goodbye to leave.

Ugh.

Ouyang Zhennan quietly looked at Yue Feng in a coma, let out a long sigh, and turned around and walked out of the room.

.....

Yue Feng felt like he had a very long dream.

As if in a dream someone was chasing him, he kept running and running.

what!

Finally, Yue Feng screamed and sat up in shock, sweating profusely.

The next second, seeing the environment in front of him, Yue Feng was stunned. The refined and elegant room, with tables, chairs and beds, has an antique feel everywhere, and there is a landscape painting on the wall.

where is this?

Did you die and go to heaven?

No, no. Yue Feng calmed down and couldn't help but patted his forehead! I almost forgot that it was my adoptive father who rescued him. This should be Ouyang's mansion.

After muttering, Yue Feng gritted his teeth and slowly got out of bed.

The heart pulse was broken, although the pain was gone, but the body was still weak.

At this moment, there was a sound of laughter playing in the water, which was very close.

Who is taking a shower outside.

With such a nice voice, she must be a beautiful woman.

Yue Feng's heart moved, and he didn't know what to think at the time, so he walked out.

Turning around a bamboo forest, I saw a clear pond. Sure enough, in the pond, two graceful figures were playing in it.

But when he saw the appearance of the two women playing in the water in the pond, at that moment, Yue Feng was stunned.
