

## The ultimate husband in Chinese chapter 656-660

### Chapter 656

“Father, that Fuyao Palace is all women?” Hu Linger asked curiously.

“Yes.” Hu Sanyang nodded: “The Fuyao Palace, never asks about the rivers and lakes. But the power of the Fuyao Palace is stronger than that of the six sects! As long as we go to the Fuyao Palace, we will be safe, and we will be safe.. “

While talking, Hu Sanyang didn't stop at his feet and ran desperately.

There was a bit of surprise on Hu Linger's delicate face, and she couldn't help but say: “Dad, what is the origin of that Swinging Palace? It's more powerful than the six sects? Also, will Swinging Palace take us in?”

Hearing After saying this, Hu Sanyang showed a smile: “Don't worry, we will definitely take in us..”

Fuyao Palace only accepts female disciples, there are tens of thousands of them!

Of course, there are also men in Fuyao Palace, but the men here are all slaves. Serving these female disciples every day has no human rights at all.

There are a total of seven people in the Palace Master of Fuyao Palace. People in the rivers and lakes are called the Seven Fairies.

A few years ago, Kunlun Mountain absorbed the spiritual energy of heaven and earth, and cultivated a spiritual tool called Baolian Lantern.

At that time, the Grand Palace Master of Fuyao Palace happened to pass by Kunlun Mountain and took the Lotus Lantern as his own.

Hu Sanyang, as the head of the Kunlun faction, was depressing. This treasure lotus lantern was produced in Kunlun Mountain, but it was taken away by others. He felt unbalanced, but he dared not speak out. Because he really can't provoke Fuyao Palace!

Of course, the Grand Palace Master of Fuyao Palace could not take away other people's things for nothing, so he gave Hu Sanyang a jade pendant and told him that if he encountered trouble one day, he could use this jade pendant to find her.

At that time, Hu Sanyang was upset. You must know that the lotus lantern is a top-quality spiritual weapon! And as the head of the Kunlun faction, how could he be in trouble?

After so many years, now that his heart is completely broken, he can no longer cultivate. He really has no choice but to go to Fuyao Palace now!

Hu Linger's face was pale, she was too tired, she stopped: "Dad, Linger really can't walk anymore.. I

'm really tired." , then squat down.

Treating outsiders, Hu Sanyang is extremely insidious and can be said to be unscrupulous.

But in the face of his daughter, he showed his father's love.

Hu Linger's face was overjoyed, and she lay on Hu Sanyang's back without hesitation.

Hu Sanyang couldn't hold on any longer, but in order to survive, he could only grit his teeth and hold on.

After noon, another night.

Hu Sanyang finally came to a mountain range.

This mountain range is very high, and there are clouds floating on the mountainside. From a distance, it looks like a fairyland.

On the top of this mountain, stands a majestic palace!

It is Fuyao Palace!

Seeing this palace, Hu Sanyang was overjoyed, and followed a winding mountain road and quickly went up the mountain.

As a result, after walking a dozen steps, I saw the entrance of the mountain road. There was a 100-meter-high stone tablet with a few big characters written on it: I am not a disciple of Fuyao Palace, anyone who trespasses will die.

Blood red font, vigorous and powerful, full of domineering!

"Father, this... It says that trespassers will die." Hu Linger felt the pressure of those eight characters, her delicate body trembled, she couldn't help but said, and at the same time she hugged Hu Sanyang's arm tightly.

Hu Sanyang smiled slightly and patted Hu Linger's shoulder: "Linger is not afraid, not afraid..."

Indeed, if outsiders come in, there is only one dead end. But back then, the Grand Palace Master gave himself a jade pendant, and with this jade pendant, he could enter Fuyao Palace.

...

At this moment, Fuyao Palace, Hundred Flowers Hall.

The Hundred Flowers Hall is the place where Fuyao Palace discusses its affairs. The entire hall, in the shape of a lotus flower, is particularly beautiful.

At the top of the hall, there are seven pure gold phoenix chairs. On the phoenix chairs, there are seven graceful and graceful figures. These seven women are really different. I am afraid that any man will look straight when they see it.

These seven women are exactly the seven palace masters of Fuyao Palace—the Seven Fairies.

They are not very old, the name of the main palace master is Bai Shengshui, and he is only about thirty years old. The little fairy Erqing has just turned twenty.

But the strength of the seven of them has actually reached the Martial Saint! Among them, the Grand Palace Master is already the pinnacle of the fifth rank of Martial Saint! It is only one step away from Emperor Wu!

fear! The strength of Fuyao Palace is really terrifying!

Seven Martial Saints, enough to hang any sect!

At this time, the seven fairies were gathering together and discussing their cultivation experience.

Chapter 657

At their feet, there are more than a dozen men. These men knelt on the ground, each holding a fruit plate for the seven fairies to enjoy. These men are captured slaves.

“Palace Master, someone is asking to see you outside the palace.”

At this moment, a female disciple walked in and said respectfully.

“Who?” Bai Shengshui’s red lips parted slightly.

As the lord of the palace, she is the most temperamental. Her aura made people dare not look at her, and made people willing to surrender to her.

“Report to the Great Palace Master, the other party claims to be the head of the Kunlun faction, Hu Sanyang.” The female disciple said with sincerity, “Here is his token.” After speaking

, she took out a jade pendant and handed it respectfully to Bai Shengshui’s hand. .

Hu Sanyang, the head of Kunlun?

Bai Shengshui took the jade pendant and nodded lightly: “Let him come in.”

“Yes, Grand Palace Master.” The

female disciple replied. After a while, Hu Sanyang and Hu Linger were brought in.

Wow...

this hall is so beautiful.

At this moment, seeing the elegant arrangement in the Hundred Flowers Hall, Hu Linger felt like she had entered the Heavenly Immortal Pavilion, and couldn’t help but admire her heartily.

With a smile on his face, Hu Sanyang bowed respectfully and said politely: “Hu Sanyang has seen all the palace masters.” After speaking

, his eyes fell on Bai Shengshui, extremely complicated: “Grand palace master, don’t be ill...you, Do you still remember me...”

“Remember.” Bai Shengshui smiled lightly, cherishing his words like gold: “Give me a seat.”

The voice fell, and several maids came over with chairs and let Hu Sanyang sit down.

“Sect Master Hu, suddenly visited, but encountered trouble?” Bai Shengshui asked softly.

A few years ago, I took away the lotus lantern from the Kunlun School. He personally promised him that he would come to him in trouble. People in all corners of the world have a lot of money, and if he really gets into trouble, he still has to help.

“There is indeed trouble!” Hu Sanyang clenched his fists, his face was very ugly!

“Grand Palace Master, my Kunlun faction has been wiped out. I just ask you to help me kill three people!” Hu Sanyang squeezed these words out of his teeth.

“Which three?” Bai Shengshui asked curiously.

The person who can make the head of Kunlun hate so much is not an ordinary person, right?

Hu Sanyang clenched his fists tightly: "Yue Feng, Sun Dasheng, Wen Chou Chou!"

Referring to these three people, he gritted his teeth with hatred!

Hearing these three names, the little fairy Erqing couldn't help laughing out loud: "Master Hu, I've never even heard of these three people. This kind of cat and dog, can you come to beg us? You are a dignified Kunlun faction. , won't be destroyed by these three cats and dogs?"

"Huh..." Hu Sanyang's face was ashen. Not a word could be said.

Bai Shengshui smiled lightly: "Okay, Head Hu, I will take the lives of these three people for you. But three years ago, I took your lotus lantern, and this matter was written off.

" Good!" Hu Sanyang nodded heavily, now he just wants to let the three brothers die!

.....

On the other side, Donghai City, the First Hospital.

In the corridor, Yue Feng's face was full of anxiety, and he kept walking up and down.

When he left Secret Garden KTV, Yue Feng brought Qin Rongyin to the hospital immediately.

Xue Li said that the situation was very serious, and the wife suffered a blow to the abdomen, which caused heavy bleeding. Now both adults and children may not be able to keep it!

At this time, Qin Rongyin had been sent to the gynecology department for more than three hours, but she still did not move.

"Madam, there are still children, you must not be in trouble." At this time, Yue Feng was as anxious as an ant on a hot pot, sweating profusely, and he kept muttering.

He can't hate it! Even if you cut Fatty Zhu and Zhuo Ting into adult sticks, that would not relieve the hatred!

Yue Feng was also very puzzled, how could his wife go to work in the secret garden?

The lady said that it was introduced by her sister-in-law. Which sister-in-law?

Chapter 658

Yue Feng is really restless in the corridor of the hospital.

The reason why Madam was in danger was, in the final analysis, because she didn't go to Tongtian Island to pick her up that night.

If something really happened to the wife and the child, I would regret it for the rest of my life! Now I only hope that in the operating room, my wife will definitely get through this difficult time.

Yue Feng only feels that he is going crazy. On the bench in the hospital, every second is like a year.

...

On the other side, the Yue family.

In the hall, sister-in-law Chen Yun was sitting in front of the dressing table, putting on makeup with a smile on her face.

This set of cosmetics is the latest product of Estee Company. The price is terribly expensive, enough to buy half a villa.

"Wife, don't put on makeup, it's already pretty enough. If you still wear makeup, you won't let other women live." Yue Chen walked over with a smile.

Don't look at him as a strict wife, but this mouth can always make his wife happy.

However, after Yue Chen sighed, he sighed, sat there, and lit a suffocating cigarette.

Seeing his gloomy look, Chen Yun couldn't help but ask: "I usually praise me for more than ten minutes. What's wrong with me today? If you are frowning, you won't praise me if you praise me."

Alas.

Yue Chen sighed and said irritably, "Wife, you didn't see that Wang Yan's daughter-in-law, Zhang Jiajia, is getting bigger every day."

After speaking, Yue Feng's face was bitter: "You said, if she I was really born, didn't I reveal my stuff..."

During this period of time, every time Yue Chen saw Zhang Jiajia's belly, he felt uneasy. It's like there is a piece of cotton stuck in my heart, and I can't sleep well.

Hearing this, Chen Yun said coldly, "At first I only cared about being happy for a while, but now I know I regret it?" When

it came to this matter, Chen Yun was very angry.

Why did you marry this bastard? Nothing but sweetness. Everything has to worry about him.

“My good wife, you have the brightest mind, please help me think of a way.” Yue Chen muttered in a low voice.

My wife has always had an idea, and this time I will definitely be able to think of a way for me.

Chen Yun breathed a sigh of relief and was silent for a long time before she said, “There is only one way now, that is to make Zhang Jiajia disappear completely.”

What?

disappeared completely.

Hearing this, Yue Chen was startled, couldn't help swallowing saliva, and looked at Chen Yun blankly: “Wife, you, what do you mean. Kill, kill her?” The

voice fell, Yue Chen's eyelids The child jumped, and there was some inexplicable fear in his heart.

I had suffocated my grandfather before, and had a nightmare for more than a month. If I kill Zhang Jiajia again, I will really go crazy.

Seeing that Yue Feng was a little timid, Chen Yun said coldly: “Are you still a man? You don't dare to do such trivial things. How can you be the patriarch and lead the entire Yue family in the future? No poison is not a husband, have you heard this sentence? How did I marry you, you bastard.”

After being scolded, Yue Chen gritted his teeth secretly. She clenched her fists tightly. After a struggle in her heart, she still nodded: “Okay!”

Chen Yun smiled and said lightly, “This matter should be sooner rather than later. It just so happened that Wang Yan was on a business trip and was not at home these few days. It's not too late.”

Yue Chen responded, clenching his fists.

Chapter 659

..... On the

other side, the back garden of Yue's family.

Zhang Jiajia is sitting on a bench, basking in the sun.

Since she became pregnant, Zhang Jiajia often came here for a walk. I heard that sunbathing is good for children.

“Brother and sister.”

At this moment, Chen Yun walked over with a smile and sat beside Zhang Jiajia: “How are you doing recently? Seeing that the child is about to be born, do you feel uncomfortable?”

Zhang Jiajia smiled and shook her head: “Sister-in-law, I don’t feel sick, but I often feel sleepy during this time. I don’t dare to sleep. The doctor said that I haven’t been able to sleep well, so I came out and walked around.” After speaking

, Zhang Jiajia asked casually, “Sister-in-law. Is there something wrong?”

Chen Yun said with a smile: “It’s not a big deal, your belly is getting bigger and bigger, and you haven’t been shopping for a long time, right? I went to Haiwang Street yesterday and bought you some maternity clothes, you Come with me and see if it suits me.”

“Thank you, sister-in-law.” Zhang Jiajia’s heart warmed. After she became pregnant, everyone in the family said that she was pregnant, and no one gave her a good look.

But now, the sister-in-law actually said that she bought a few sets of clothes for herself, can she be unhappy in her heart? It’s nice to have such a sister-in-law.

Chen Yun came over and supported Zhang Jiajia very intimately: “Sister-in-law help you. Let me tell you, Jiajia, the clothes I bought for you, don’t mention how beautiful they are.”

Now Zhang Jiajia has a big belly. Steps, you need someone to help.

Zhang Jiajia and Chen Yun talked and laughed, and walked forward slowly. As a result, what puzzled Zhang Jiajia was that Chen Yun did not take her to the bedroom, but to a grocery room in the backyard.

Usually no one comes to this grocery room.

“Sister-in-law, aren’t you going to try on clothes, why are you here?” Zhang Jiajia asked softly.

As a result, at this moment, Yue Chen didn’t know where he came from, he suddenly rushed out and pushed Zhang Jiajia directly into the grocery room!

Bang!

Immediately afterwards, Yue Chen and Chen Yun also walked in and locked the door.

Zhang Jiajia was bewildered, looked around the grocery room, and suddenly broke out in cold sweat. In the center of the grocery room, there was a new coffin.

Yue Chen stood in front of her with a half-smiling smile, and there was a hint of ruthlessness in his eyes.

“Brother, sister-in-law, you are...” Zhang Jiajia trembled as she spoke.

Before she could finish speaking, Yue Chen laughed evilly and interrupted her words: “My good brother and sister, don’t be nervous, we are sending you off.” As

he spoke, he patted the coffin.

Send off?

Zhang Jiajia was pale and trembling all over!

“Brother, you, what do you want to give me. Sister-in-law didn’t say, did you buy me new clothes? Sister-in-law asked me to try on clothes...” Zhang Jiajia whispered with red eyes.

“Haha, haha!”

Hearing this, Yue Chen suddenly laughed, sat on the coffin, lit a cigarette, took a deep breath, and said with a full face, “Brother and sister, I’ll tell you the truth. , the child is mine.” Speaking of which, he pointed to Zhang Jiajia’s belly.

hum!

Just this moment, Zhang Jiajia’s mind went blank! The whole person was stunned, and only felt that the body had no strength at all! Then the tears flowed freely!

Chapter 660

Tears fell, Zhang Jiajia glared at Yue Chen with incomparable shame and anger: “You...you beast, why do you treat me like this, why do you treat Wang Yan like this, you are his eldest brother. “...”

At this time, Zhang Jiajia never imagined that the eldest brother, whom he had always respected, turned out to be a beast in human skin!

“Hahaha...” Yue Chen’s face was indifferent, he chuckled lightly: “Wang Yan treats me as my eldest brother, but I don’t regard him as a brother, you know, he is my father’s adopted son, and he doesn’t have the blood of my Yue family. Speaking of

this, Yue Chen continued to say lightly: “Brother and sister, you know that I will be the head of the Yue family in the future, and the Yue family will rely on me to develop and inherit. My reputation must be good.

” Chen suddenly rushed over, grabbed Zhang Jiajia, and pushed her into the coffin!

Pfft!

Zhang Jiajia was pregnant, so how could she withstand such a push, she suddenly exclaimed and fell into the coffin all of a sudden, she only felt an excruciating pain in her stomach.

Before Zhang Jiajia could react, Yue Chen rushed over and flipped over Zhang Jiajia. Finally, she took out her phone. Then close the coffin lid! Hold the coffin lid with your hand to keep her from coming out. Take out the nails and seal the lid of the coffin.

Chen Yun, who was on the side, breathed a sigh of relief, and said to Yue Chen: “After a while, you imitate Zhang Jiajia’s handwriting, leave a letter to Wang Yan, and write that Zhang Jiajia is pregnant with Yue Feng’s evil seed, and the child is about to be born. After thinking about it left and right, I still felt that I had no face to face the Yue family, so I ran away from home.”

Hearing this, Yue Chen’s eyes lit up, and he couldn’t help but admire: “Wife, you are really amazing!”

While praising, Yue Chen looked for Paper and pen, imitating Zhang Jiajia’s handwriting, wrote a letter, forging the appearance of Zhang Jiajia running away from home.

As the result was being written, only a few loud noises were heard, suddenly coming from mid-air!

Woo—

that was a rush of horns! The sound of the horn is extremely loud, listen to the voice, it is from the martial arts college!

Hearing the sound of the horn, Yue Chen and Chen Yun looked at each other, shocked!

This loud horn sound, three long and two short, makes people panic when they hear it!

Yue Chen put down the pen in his hand and said to Chen Yun, "Wife. I heard that at the beginning of the establishment of Shangwu Academy, a huge horn was set up on the top of the building on the campus. This horn is dozens of meters high. , you can hear it clearly for thousands of miles! But this horn will only be sounded when there is a major danger. After the sound, people from the six sects have to go to the martial arts college to gather."

Speaking of this, Yue Chen Can't hide her curiosity: "Could it be... what happened to Shangwu Academy?"

Chen Yun kicked him angrily: "Okay, should you worry about these things? Write a letter quickly."

"Yes . That's right, my wife is right."

.... the

other side.

Shangwu Academy.

That's right, the loud horn sound came from the Martial Arts Academy.

At this time, in the conference room of Shangwu Academy, the principal Ye Yun, as well as the teachers and leaders of the academy, gathered there one by one with solemn expressions.

The atmosphere in the entire conference room was indescribably depressing, making it hard to kick up.

In front of them sat a beautiful woman.

It is Miss Peach Blossom Island, Huang Ling.

At this time, Huang Ling was covered in blood! Even the white hair was dyed red with blood.

Just three hours ago, Tianqi Continent suddenly sent troops!

Originally, there was a sea of death between the Apocalypse Continent and the Earth Circle Continent. This sea water is not buoyant, and a leaf will sink. Only strong practitioners can survive the sea of death.
