

The ultimate husband in Chinese chapter 701-705

Chapter 701 On the

other side, Donghai City. Picking the Star Building.

At this time, near the Xingxing Building, the ground has been stained red with blood, and the disciples of the major sects fell into the pool of blood one by one!

The two continents have been fighting here for three days and three nights!

During these three days, the major sects continued to suffer casualties. There were originally more than 200,000 people, but after three days of fighting, only 5,000 people remained!

On the side of the Tianqi army, although half of its troops were lost, there are still 100,000 people left!

Five thousand people, against one hundred thousand people, this is hitting a stone with an egg!

The major sects of the Earth Circle Continent can no longer hold on! But there are only 5,000 people left, still gritting their teeth!

The major families in Donghai City also rushed to support at this time. For example, sister and brother Yang Long and Yang Jing, the Yue family, the Liu family, the Qin family of Qin Shousheng, and the family of Hao Jian, etc. It can be said that most of the families have come to support!

Chunjiang Huayueye boss, to the sun and the moon!

The CEO of Heihu Real Estate Company, Li Heihu!

These people are all business giants, and their bodyguards are all fighting on the battlefield at this time!

However, despite the presence of so many families, there are too many people.

In the eyes of the Tianqi army with strict military discipline, these forces, like a gang of rabble, are simply ignored.

Moreover, these families who came to support are not all of them. They are wholeheartedly defending Donghai City. There are many families who come here just to pretend.

For example, Liu Zhiyuan and others from the Liu family did not dare to take a step forward. They held swords in their hands and pretended to be.

This chapter is provided by . Visit for daily update.

Another example is Yue Chen of the Yue family, who commanded the disciples of the Yue family to form the Big Dipper Array. Seeing the amazing power, he was not afraid to move forward.

Therefore, the support of the major families has not reversed the situation, and the casualties are still increasing!

After another two hours of fierce battle, there were only 3,000 people left on the Earth Circle Continent!

In the end, these 3,000 people stood still, and they were fighting against an army of 100,000 Apocalypse!

In this situation, the defeat is almost certain, but these three thousand people did not give up in the slightest, still gritted their teeth and fought their lives to resist.

Each of them knew it in their hearts.

If they fall, Donghai City will be over, completely over!

At this time, in the mid-air, the sun was eclipsed, as if it was dyed red by blood.

In front of Zhaixinglou, the battle between 3,000 people and 100,000 people is still going on!

In the melee, there is a figure, brave and unusual!

It's Duan Feng!

At this moment, Duan Feng was already covered in blood, from head to toe, there was no intact place, there were more than 100 wounds, like a bloody man!

In front of him, countless Apocalypse soldiers, one after another, surrounded him, unable to kill him at all.

Duan Feng's hands were weak, and the long knife was cut and curled, but he still gritted his teeth and insisted with his last breath.

Not far from Duan Feng, the second general of Hengha, the top ten heavenly kings, almost exhausted the last ounce of strength and could not stand firm, but each one had a firm expression and did not retreat in the slightest, still holding the sword in his hand.

In this fierce battle, the major sects suffered heavy losses! Tianmen is the same. From the tens of thousands of disciples at the beginning, to now, there are only more than 30 people who can stand up!

Not far from the battlefield, Master Miaoyuan, Master Lingbao, and others have already withdrawn from the battlefield. Their injuries were not light. At this time, they were sitting on the top of a mountain not far away, practicing cross-legged and recovering their internal strength.

While recovering his inner strength, Master Miaoyuan and others looked at the battlefield with anxiety on his face.

“Ah!”

At this moment, at the very center of the battlefield, there was a painful howl!

Duan Feng was stabbed again!

At this time, there are more and more enemies around Feng! An Apocalypse soldier walked around behind Duan Feng, holding a spear in his hand, and stabbed at Duan Feng's lower abdomen at once!

“Puchi!” The

spear penetrated Duan Feng directly!

Blood swarmed out all of a sudden!

Pfft!

Duan Feng only felt that all the strength in his body was taken away in an instant.

Chapter 702 But at the

same time, there are several Apocalypse soldiers, taking the opportunity to rush forward, the long swords in their hands, stab Duan Feng in unison!

“Puch! Puff!”

Duan Feng's mouth was full of blood! His body seems to have been stabbed into a hornet's nest!

Snapped!

At this moment, Duan Feng didn't know where the strength came from, so he sank into his dantian and pulled out all the spears on his body! At the same time, the other hand

suddenly waved out, and the soldiers of the apocalypse who stabbed themselves were smashed into the air!

“Ah!” Duan Feng roared and stood up staggeringly. Although his face was pale, he was still not afraid of the soldiers of the Apocalypse in front of him!

“Come on! What skills do you have, come on!” Duan Feng howled desperately with red eyes!

The soldiers of the Apocalypse Continent looked at each other in dismay! A trace of fear rose in my heart.

This... isn't this person afraid of death?

With such a serious injury, can you still stand up? !

Master Miao Yuan, Master Lingbao and other martial arts masters were shocked when they saw this scene!

Is this the gate of heaven? ! In order to defend Donghai City, I would rather risk my life and fight until my body is wounded, rather than stand back a bit!

“Duan Feng!”

“Boss!”

Seeing that Duan Feng was covered in blood, Duan Lei and the other three brothers, their faces changed greatly, and they exclaimed in unison!

While shouting, Duan Lei wanted to rush over and make a clearance for Duan Feng. But there were too many enemies around, and before he rushed a few steps, he was intercepted by other Apocalypse soldiers, and he couldn't rush forward at all!

At this time, Duan Feng, who was seriously injured, was surrounded by Apocalypse soldiers. His eyes were extremely blood red, and he was completely mad. He roared up to the sky: “People from Tianqi Continent, listen to me! With my Tianmen, you will never want to step into Donghai City!” The

voice fell, and the steel knife in Duan Feng's hand suddenly Sweep out and cut down a few Apocalypse soldiers again!

At this moment, Duan Feng has already exhausted his last strength, and he can still stand here at this moment, completely relying on one breath!

“Don't be fooled by him, he's out of strength. Let's go together!” At this moment, there was an angry shout from the enemy army.

In the next second, more than a dozen Apocalypse soldiers armed with spears rushed over screaming

!

Duan Feng lost his strength and couldn't dodge in time. A dozen spears all stabbed Duan Feng's body at once.

This time, Duan Feng couldn't hold it any longer, and blood gushed out!

"Duanfeng God of War!"

"Boss!"

Seeing this scene, everyone's heart was stunned. The Duan brothers' eyes were blood-red and blood-red, and they screamed wildly, and the tears finally couldn't be held back, and they kept flowing!

Duan Feng used all his strength, wiped the blood from his mouth, and smiled weakly: "Brothers. I may not be able to do it, you must guard... guard the East China Sea... protect the people of the East China Sea... Don't embarrass Brother Feng, don't give Shame on Tianmen!" The

voice fell, and Duan Feng roared in the sky: "Defend the homeland and die in battle, I, Duan Feng, die without regrets!"

Roar!

This heroic, soaring to the sky!

"I don't allow you to die!"

However, at this moment, a loud and long howl came, and then, a big snow-white eagle suddenly appeared in the sky!

On the back of the big eagle, a figure stood proudly.

Tears gleamed faintly in his eyes.

It is Yue Feng!

"Brother Feng..."

"Brother Feng is here!"

At this time, the second general and others shouted!

And the masters of the major sects not far away are frowning one by one.

“Yue Feng, you traitor, you dare to show up!” Master Miao Yuan gritted his teeth, pointed at Yue Feng and shouted: “Now Donghai City is about to fall, you are very happy, you lackey?! I was seriously injured today. , or else, I will definitely kill you scum!”

Yue Feng, the traitor, dared to appear! Especially the masters of the six major factions gritted their teeth with hatred. Until now, they still thought that Yue Feng was the lackey of Apocalypse Continent!

Chapter 703

Yue Feng’s face was expressionless, and he didn’t make sense of the wonderful teacher.

At this time, he jumped up in anger!

Yue Feng stood on Xue Ying’s back and looked down at the ground. He could see that the brothers of Tianmen were crossing the hillside, dying and hurting!

“Hurt my brother, you all deserve to die!” A cold voice came from Yue Feng’s mouth, and in the next instant, Yue Feng raised his hands suddenly! I saw nine long dragons in mid-air, surrounding Yue Feng!

“Nine Dragons Ascension!”

Yue Feng almost roared out, pointing to the Tianqi Camp!

“Roar!”

A loud dragon roar came, and nine golden dragons swept down! Go straight to the ground!

“Ah...”

In an instant, under the ravages of nine golden dragons, hundreds of Apocalypse soldiers screamed and fell into a pool of blood!

At this moment, the martial arts masters of the Earth Circle Continent were speechless! Shocked!

How could Yue Feng’s strength be so terrifying? !

And Yue Feng, didn’t he take refuge in the Apocalypse Continent... Could it be... Could it be that he was wrong... Master

Miao Yuan bit his lip too hard and couldn't say a word.

"Yue Feng." At this moment, only a cold voice was heard from the Tianqi military camp. It was Xing Yao.

At this time, Xing Yao was wearing a battle armor, which was absolutely stunning!

In this battle, no less than ten thousand people died at the hands of Xing Yao! No wonder she was called the goddess of war by the soldiers of the Apocalypse Continent! No wonder the soldiers of the Apocalypse Continent are both respectful and afraid of her!

"Yue Feng, you dare to betray me?" Xing Yao asked with cold eyes, word by word.

betray?

Yue Feng smiled coldly, met Xing Yao's gaze, fearless, and his voice spread throughout the audience: "Commander Xing Yao, I, Yue Feng, were born from the Earth Circle Continent, and died as the soul of the Earth Circle Continent! How come? Betrayal?!"

"You are courting death."

Three cold words came out of Xing Yao's mouth.

Yue Feng smiled, and leaned down on the snow eagle: "You Tianqi Continent, if you want to occupy the East China Sea, pass me first!"

"

"Okay, good, very good."

Xing Yao stared at Yue Feng tightly, her beautiful face, cold as frost, raised her hand and waved: "All the officers and men obey the order, and give all the remaining 3,000 people to the Earth Circle Continent. I killed it! Also, capture this Yue Feng alive for me."

"Yes!" The

voice fell, and the army of nearly 100,000 Apocalypse, armed with spears, rushed up like a tide.

Xing Yao stood quietly in the air, her expression did not fluctuate.

Even if Yue Feng came, there were only a few thousand people who could continue to fight in the Earth Circle Continent.

To rely on these thousands of people to block his army of 100,000 people is simply a fool's dream.

“Hahaha...”

Looking at the swarming Apocalypse soldiers, Yue Feng laughed loudly, and the blood-drinking sword instantly appeared in his hand!

“As long as I, Yue Feng, have a breath left, you will never try to break through the East China Sea!” Yue Feng howled desperately, his eyes blood red, and turned to look at the disciples of Tianmen: “Brothers of Tianmen, kill me!”

As soon as the words fell, there were only a few dozen disciples left in Tianmen, as if they had been beaten with blood! Those Tianmen disciples who had fallen down could no longer stand up, but at this time, they didn't know where the strength came from, and they stood up one by one! At this moment, there were hundreds of Tianmen disciples beside Yue Feng!

“Brother Feng, we will accompany you to fight to the end!”

“Kill!”

Although the number of people in Tianmen is insignificant compared to the other side's Tianqi army, there are hundreds of people. But they all looked resolute, completely putting life and death aside!

Seeing this scene, Miao Yuan Shi Tai and others have extremely complicated eyes.

Yue Feng.. He is not a lackey.

He...he is a strong man!

Also, what is the relationship between Yue Feng and Tianmen...

Could he be... Yue Wudi? !

All the martial arts masters in the Earth Circle Continent have wonderful expressions on their faces.

“Kill!” A

burst of howls came, Yue Feng held the blood-drinking sword and rushed into the enemy army!

“Apocalypse Continent, you invade my homeland and kill my brothers! I will let you pay the debt with blood!” A cold voice came from Yue Feng's mouth.

In the next second, a violent aura burst out from Yue Feng's body! At the same time, Yue Feng suddenly stretched out a finger and pointed at the sky!

“Great Heaven-breaking Technique, one finger at the universe!”

These eight words were uttered from Yue Feng's mouth, like a blast of thunder!

boom!

The moment the voice fell, the surrounding air was instantly distorted, and an extremely terrifying storm was spinning in the air!

“Buzz!”

Centered on the Xingxing Building, the radius is hundreds of miles, and the dust is filled!

“Hu! Hu!”

Everyone closed their eyes, and the circle of storms rolled thousands of soldiers from the Apocalypse Continent into the sky!

The weather army that was like a rainbow at first turned into a mess in an instant!

“Ah!”

Then, screams came, and the storm was still raging! The whole building of picking stars is like hell on earth!

I don't know how long it took for this storm to stop! At least three thousand soldiers died under this skill!

Yue Feng's face was pale. This skill took more than half of his internal strength!

quiet!

Deathly silence!

At this moment, the entire Xingxing Building was silent! Even if a needle fell on the ground, you could hear it clearly!

Whether it is the Tianqi army, the major sects, and the major families, everyone's eyes are focused on Yue Feng, with a shocking expression, which is very incredible.

fear.

This.. this is simply horror!

A skill that ruined the lives of 3,000 soldiers!

This...is this still human? !

“Brothers, kill me!” Yue Feng screamed desperately, holding a blood-drinking sword and rushing directly into the enemy camp!

Chapter 704

At this time, his eyes were extremely blood red. Under the urging of internal force, the blood-drinking sword flickered with red lights, like a blood-red dragon, and he would slash when he saw it!

“The Gate of Heaven will not be destroyed, the battle will not stop, kill!”

Kill! kill! kill!

Hundreds of Tianmen disciples, all crazy at this time, followed Yue Feng closely!

But the difference between the numbers of the two sides is too great. In just ten seconds, dozens of disciples of Tianmen fell!

At this time, not far from the battlefield, the children of the Yue family were standing there. They kept saying that they came to support Donghai City, but they were hiding here, how could they have the slightest intention to go to the battlefield?

Now that he saw the Earth Circle Continent, he couldn't hold it any longer. Wang Yan held a long knife tightly, his whole body was full of blood, and shouted at Yue Chen, “Big brother, let's kill it!” As soon as he finished speaking, he was about to

rush to join in. fighting.

However, just two steps away, Yue Chen stopped him.

Yue Chen looked helpless, frowned and said: “Wang Yan, are you stupid? You must be unable to hold the Star Picking Tower today, Yue Feng, who wants to be a hero, let him go. Our Yue family can't go there. Die!”

Alas.

Hearing this, Wang Yan let out a long sigh, he couldn't say anything else, he just watched and worried.

At this time, on the battlefield, the battle situation is getting more and more intense!

Yue Feng was already covered in blood, and around him, the fallen soldiers of Apocalypse were almost piled up into a hill.

But there are too many enemies. Can't kill it at all!

Under the fierce battle, Yue Feng gradually became powerless.

Finally, an Apocalypse soldier found the opportunity and stabbed Yue Feng in the chest!

"Push!"

In an instant, blood swarmed out!

"Brother Feng!"

Seeing this scene, the second generals behind him and the others roared in unison, their eyes blood red instantly!

"Kill!"

Yue Feng roared like crazy, regardless of his injury, he swung the blood-drinking sword fiercely, and another soldier fell!

But at this moment, another group of soldiers came, raised their spears, and stabbed from behind Yue Feng!

"Puchi! Puchi!"

Yue Feng couldn't dodge in time, and his whole body was pierced! Blood spit out! All of a sudden fell to the ground!

"Yue Feng!"

At this moment, a heart-piercing voice came with a cry!

Looking at the voice, I saw Xiao Yuruo standing there not far away, tears streaming down her face!

Just now, when Xiao Yuruo heard about the battle outside the city, she rushed over with the Xiao family to see if she could help.

Who would have thought that when Xiao Yuruo just arrived, he would see Yue Feng covered in blood, pierced all over his body, and collapsed in a pool of blood!

At this moment, Xiao Yuruo stomped her feet in a hurry, crying heartbreakingly!

“Yue Feng, you are not allowed to die, I beg you not to leave me... I can't live without you...” Xiao Yuruo's tears, like broken pearls, could not be stopped at all.

At this moment, Xiao Yuruo wanted to rush over, but was blocked by the surrounding people.

There are so many Apocalypse soldiers around Yue Feng, she will definitely die if she rushes over!

Yue Feng's face was pale, and at this moment he fell to the ground, unable to hear Xiao Yuruo's words at all. He only felt that the strength in his body disappeared little by little.

Yue Feng forced a smile, without the slightest fear of death, and said word by word, “I, Yue Feng, are worthy of the heaven and the earth, and the earth is worthy of the earth! Even if I am buried here today, I will die without regrets!

” The words, like thunder, spread throughout the audience!

“Yes, even if I die without regrets!”

At the same time, the Tianmen disciples behind Yue Feng also roared loudly.

At this time, Duan Lei was also covered in blood. The blood belonged to the enemy and his own.

Just like Yue Feng, Duan Lei also tried his last strength, and at this time he was holding on with one breath.

In Duan Lei's hands, the Nine Dragons Banner of the Heavenly Dao, which is more than ten meters high, still stands there. The golden flag, already dyed red with blood, fluttered fiercely in the cold wind!

Heaven is immortal!

The dragon flag will not fall!

Not far away, Lingbao Zhenren and Master Miaoyuan too were all looking weak and pale.

Tianmen can't hold it anymore, and Zhaixinglou can't hold it anymore.

Donghai City is about to fall, and this catastrophe on Earth Circle is inevitable!

“Soldiers, the Earth Circle Continent is exhausted, kill these remnants of defeated generals!”

At this moment, Xing Yao raised his dantian and shouted.

“Kill!” The

voice fell, and tens of thousands of Apocalypse soldiers were all excited and imposing like a rainbow.

Seeing this scene, the major sects were completely desperate.

Yue Feng knelt there on one knee, his blood-stained face was full of tears.

myself... try my best.

Really tried my best.

Thinking to himself, Yue Feng let out a long sigh of relief and slowly closed his eyes. Completely desperate.

“Fengzi, brother, I’m late!”

At this moment, a loud shout came!

From a distance, tens of thousands of people are coming! The man at the head, holding a double axe, looks like a god of war!

If it’s not Sun Dasheng, who else is it!

“Great Sage!”

Seeing Sun Dasheng leading Huaguo Mountain to charge, Yue Feng’s nose was sore, and he almost cried.

At the same time, only another voice was heard, ringing from the southeast!

“Fengzi, big brother is here to help you too!”

Looking at the voice, I saw that there were tens of thousands of people striding from the east of the battlefield!

The leader is dressed in white robes, holding a folding fan, gentle and elegant!

Lord of the Palace of Longevity, Wen Chou Chou!

Under the sun, the three brothers looked at each other and smiled, their smiles were particularly dazzling.

Chapter 705

“Great Sage, Brother Wen...”

Yue Feng spat out a mouthful of blood, and his eyes were instantly moist.

In a blink of an eye, Huaguo Mountain and the Hall of Longevity had already walked in front of them. It was not until this time that Sun Dasheng and Wen Chou Chou saw Yue Feng’s appearance.

At this time, Yue Feng has been chopped up like no one, and his body is covered in blood!

Seeing this scene, Sun Dasheng’s eyes instantly turned red!

“Huaguoshan disciple obey the order, kill me! Kill me!” Sun Dasheng almost roared, the giant axe in his hand flipped, and he directly entered the Tianqi army!

“The disciples of the Hall of Longevity obey the orders, protect my homeland, defend the people of Donghai City, and kill me!” Wen Chou Chou clenched his fists. Seeing his brother being chopped up like this, his bookish anger instantly disappeared, and instead, he was filled with evil spirits. !

“Kill!”

Huaguo Mountain, the Hall of Longevity, a total of more than 100,000 disciples, like a tide, poured into the enemy camp, all of them were red-eyed!

Not far away, Spirit Treasure Master, Miao Yuan Shi Tai and others, looked at each other and couldn’t say a word! In their mouths, the heinous Hall of Longevity, the scum of the rivers and lakes, Yue Feng, is now desperately defending the East China Sea!

Those experts in the rivers and lakes all had complicated expressions at this time, and no one spoke.

On the battlefield, a howl kept ringing!

“Ah!”

People kept falling down, and this world was completely dyed red with blood!

...

On the other side, the First Hospital of Donghai City.

Outside the city, there was chaos, and people in the city were panicking.

In the ward, Qin Rongyin was sitting on the hospital bed, her face was very calm, but she had an ominous premonition in her heart.

Since that night, Yue Feng said that he would buy porridge for her, but as soon as he left, there was no news.

Fortunately, Dean Xue Li has taken good care of her these days, almost meticulous.

Qin Rongyin can be discharged tonight, but Yue Feng still hasn't come back. Madam knew that Yue Feng would not abandon himself for no reason, something must have happened.

Today Madam is restless, and her mind is full of Yue Feng.

At this time, two little nurses passed by the door of the ward and were talking in a low voice.

"Have you heard? The Apocalypse army is about to break through the star-picking building. You said, if Donghai City falls, how will the Apocalypse army treat us people?" The little nurse asked softly.

"Donghai City is not necessarily occupied." Another nurse said, "Let me tell you, I have a cousin who is a disciple of the Emei School. I heard just now that the major schools would not be able to resist the Tianqi army. But there was a man named Yue Feng who suddenly called in more than 100,000 people to support the East China Sea. It should be able to last for a while. It is said that the situation was very tragic and many people were sacrificed. I also heard that Master Jueyuan and Lingbao Zhenren both He was seriously injured. Tianmen's Duan Feng, the God of War, and that Yue Feng may not survive." "Alas

... these heroes who resisted the Apocalypse army, we must not forget..."

Far away, Qin Rongyin froze there.

What..

the Apocalypse army is calling.

Yue Feng he...he fought bloody and bloody in Zhaixinglou...

Qin Rongyin's tears instantly blurred his vision, he stood up from the bed and ran quickly to Zhaixinglou.

"Yue Feng, don't worry about anything..."

Qin Rongyin's heart was cut like a knife, and she kept praying. Since leaving Tongtian Island, her heart has been tied to Yue Feng.

In Madam's heart, she will follow Yue Feng all her life, and there is no second man in the world who can enter her heart.

Even if Zhaixinglou fell and Yue Feng really died in battle, he would never live alone. Die and die together.
