

The ultimate husband in Chinese chapter 726-730

Chapter 726

The corners of Duan Yu's mouth were twitching: "You are from the Yue family."

"Yes!" Chen Yun thought he was afraid, and her voice suddenly became confident.

Duan Yu's fist clenched tightly, and he almost squeezed a few words out of his teeth: "Yue Feng, who are you?"

Chen Yun gritted her teeth and thought: Now the name Yue Feng is famous in the arena loud. After all, in the battle of the Star Zhailou, the Wuji Fortune Palm released by Yue Feng was famous in the world. Saying Yue Feng's name would definitely scare him.

Thinking to herself, Chen Yun smiled and said, "Yue Feng is my second brother, and I am his sister-in-law. If you are acquainted, you should get out of my way."

"You are Yue Feng's sister-in-law." Duan Yu's body was exposed with blue veins. Eyes are red!

At this moment, Duan Yu suddenly shot, pointed like lightning, and directly touched Chen Yun's acupoint!

Chen Yun didn't have time to react at all, so she couldn't move.

"You!" Chen Yun clenched her teeth, she really didn't expect that the man in front of her would dare to do it when she reported Yue Feng's name!

"Yue Feng's sister-in-law, right. She's in good shape." Duan Yu set off the boat with red eyes and drove to the middle of the sea. Then he carried Chen Yun to the deck of the ship and admired Chen Yun up close.

In the vast sea, there is only this ship, and there are only two people on board, Duan Yu and Chen Yun.

Duan Yu's gaze was like a beast, staring at Chen Yun.

At this time, Chen Yun, wearing a short skirt, has a sexy curve, showing a sultry state.

"Huh? What is this?"

At this moment, Duan Yu's eyes flashed and he saw Chen Yun's arms holding a bag.

This chapter is provided by . Visit for daily update.

Duan Yu took the bag, opened it, and was stunned.

This... is this the Taixuan scripture? !

Seven? !

Duan Yu's mind went blank!

"Haha, God really cares for me, not only caught Yue Feng's sister-in-law, but also the whole set of Taixuan Zhenjing!" After being stunned for a few seconds, Duan Yu couldn't help laughing up to the sky, indescribably excited. All of a sudden, he kissed Chen Yun's red lips.

"Get out!" Chen Yun shouted loudly, but she was tapped and couldn't move at all. She really wants to die!

Along with Duan Yu's movements, it became more and more excessive, only to hear the voices of refusal coming from the vast sea.

But it didn't take long for Chen Yun to hold back. Under Duan Yu's offensive, she couldn't hold back.

.....

On the other side, the Ouyang family.

In the hall of the inner courtyard, there is a warm and lively atmosphere.

The table is full of delicious food. There were six people sitting around. Ouyang Zhennan's family of four, as well as Yue Feng's parents.

Yue Tianheng and Ouyang Zhennan have been friends for 20 years. Now that the brothers meet, they seem to have endless things to say.

Meihui likes Yue Feng's parents very much, and the uncles and aunts shout at each other, which is endearing.

But Jing Wen, who was sitting there, was full of unwillingness. It was annoying enough to let Yue Feng live at home before. Now Yue Feng's parents are here again, and their clothes are so dirty that they look like country buns. Jingwen became more and more unpleasant, sitting there with a straight face.

After three rounds of drinking, Ouyang Zhennan laughed, put down the wine glass, and said to Yue Tianheng: "Tianheng, have you forgotten something? Back then, we were married. Logically speaking, Jingwen should marry Xiaofeng."

Yue Feng was famous all over the world during the battle at Zhaixinglou. If the eldest daughter Jingwen could marry him, it would be a blessing for three lifetimes.

“Fingering is marriage, do you remember this?” Yue Tianheng said with a smile.

Ouyang Zhennan looked serious: “Of course I remember, we made an oath at the time, not just talking about it.” After the

voice fell, Ouyang Zhennan waved at Jingwen: “Quick, Jingwen, come here and serve tea to your uncle and aunt. , After a while, you may change your name to Mom and Dad. Hahaha!”

At that time, Ouyang Jingwen’s face turned pale in an instant. Looking at Yue Feng’s parents, she was full of disgust.

Chapter 727

Jing Wen stomped her feet anxiously and couldn’t help saying: “Dad, I already said, I won’t marry Yue Feng, what I like is Xiaotian...”

After saying that, she turned around and ran out .

Before in Donghai City, Yue Feng’s deeds of resisting the Tianqi army had spread all over the rivers and lakes.

Ouyang Jingwen also knew about this. But in her heart, no matter how powerful Yue Feng is, if she doesn’t like it, she just doesn’t like it.

“You...”

Ouyang Zhennan was very angry, and in front of Yue Feng’s parents, it was not easy for him to attack.

“My daughter is a bit stubborn, but she has a good heart, which made my brother laugh.” Ouyang Zhennan looked at Yue Tianheng and smiled awkwardly.

Yue Tianheng smiled and nodded: “It’s alright, young man, that’s how you are.”

At this time, Jingwen ran outside the door, looking at the vast night, feeling very aggrieved.

She didn’t understand why her father kept letting herself marry Yue Feng.

It seems that Yue Feng’s parents are going to live here for a long time.

No, this house can’t last.

Thinking to herself, Ouyang Jingwen took out her mobile phone and called Bai Xiaotian: "Xiaotian, can you take me away..."

.....

On the other side, the main altar of Tianmen.

Yue Feng sat there, feeling extremely irritable.

Just now, Yue Feng issued an order to Duan Feng and others to find Chen Yun.

As a result, more than three hours have passed, and there is still no clue.

"metropolitan!"

At this moment, a Tianmen disciple walked in quickly and respectfully said, "Sect Master, there is a Taoist priest outside asking for an interview."

Taoist priest?

Is it a Wudang faction?

With a murmur in his heart, Yue Feng waved his hand: "Let him come in."

The disciple responded and walked out quickly. After a while, he brought an old Taoist in.

I saw this old Taoist priest, with a thin air and thin bones. Although his Taoist robe was very worn, it was very clean, and he was holding a Buddha dust in his hand.

Obviously, this is a wandering Taoist priest who walks the rivers and lakes.

When he reached the front, the old Taoist arched his hands towards Yue Feng and said politely, "Pin Dao Yunjizi, I have seen the Sect Master of Tianmen."

His tone was neither humble nor arrogant, but very tolerant.

Yue Feng looked him up and down, and couldn't help but ask, "This Taoist priest, what are you looking for from me?"

Yue Feng clearly felt that the strength of this Yunjizi was only a fifth rank general. That kind of free and easy temperament, but let people appreciate it.

"I heard that Tianmen Sect Master is generous and generous. As long as you are a disciple who joins Tianmen, you will be rewarded with medicinal pills. And I heard that

Tianmen Sect Master has a lot of immortal pills in your hands.” Yun Jizi smiled slightly and said slowly: “I, Yunjizi, came here specially to ask

for the Immortal Pill.” It turned out that this Taoist priest came for the pill.

Yue Feng looked at him and said indifferently: “In this case, you can go to the registration office. When you officially become a disciple of my Tianmen, I will naturally give you the Immortal Pill.”

Chapter 728

said, Yue Feng waved his hand: “Go.”

However, Yun Jizi did not move, but said with a smile: “Sect Master misunderstood, I was Xianyun Yehe, and I never thought of joining any sect.”

What?

If you don't join Tianmen, do you want an immortal pill?

This is intentional to make trouble.

Yue Feng frowned, suddenly a little unhappy.

At this time, Duan Lei, who was standing by the side, couldn't help shouting angrily: “Okay, you old man, let's make fun of us. If you join the Tianmen, the sect master can reward you with an immortal pill. If you don't want to join the sect, just open your mouth. Are you crazy for the Immortal Pill? Let's go...” The

voice fell, and Duan Lei walked forward and started to drive away.

“Sect Master Yue, I don't want your immortal pill for nothing, and I can exchange it for something.” Yu Jizi didn't panic at all, and shouted at Yue Feng: “I'm used to being unfettered, and I don't want to join any sect. I'm here today, just to ask for an immortal pill, let me step into the realm of Wuhou. If I can step into Wuhou, I will die without any regrets. I can use this thing in exchange for your immortal pill.”

Said, the Taoist slapped his wrist. Fan, a spell, appeared in his hand.

Seeing that above the spell, there is a faint light flowing.

Seeing this, Yue Feng was stunned for a moment, and couldn't help but ask, “You made this spell yourself?”

When he said this, Yue Feng stared at Yun Jizi.

That's right, there are many techniques in the process of cultivation. For example, alchemy, talisman, weapon refining, etc.

People who can alchemy are relatively common. But refining talismans, refining weapons, is really rare.

Yun Jizi smiled slightly, shook his head and said, "Poor Daoist doesn't have the ability to practice talismans. This talisman was passed down to me by my grandfather."

Yue Feng asked curiously, "Then tell me, what is the use of this talisman? Why can I exchange for the Immortal Pill?"

You know, the Immortal Pill is worthless to Yue Feng. But for other cultivators, that is something they can only dream of!

Yun Jizi looked at Yue Feng and said with a smile: "Sect Master Yue, this talisman of mine is called the 'God Walking Talisman'. When you encounter danger, you can inject your inner strength into this talisman, and you can teleport away instantly. With this talisman, you can save your life in times of crisis."

Speaking of which, Yun Jizi continued, "I don't know, can this talisman of mine be exchanged for an Immortal Pill..."

It's so amazing?

Yue Feng frowned and said, "In case of danger, as long as you put your inner strength into the spell, it will be instantly teleported away?"

"Yes." Yun Jizi nodded.

"Where will that send me?" Yue Feng asked.

"I don't know." Yun Jizi stroked his beard green and said, "The sky and the earth are big, and it can be teleported randomly. It may be teleported to any corner of the world..."

Random teleportation? !

Yue Fengqi laughed, what if he encounters danger, instills his inner strength into the spell and sends it to me into the sea?

Or teleport me to an altitude of 10,000 meters. I still don't get killed. The world is

huge, and there are too many dangerous places. This random teleportation, teleportation to dangerous places, has a high probability.

“Forget it, I don’t want your spell.” Yue Feng waved his hand.

Now that he has the Heavenly Silkworm Treasure Armor, coupled with the strength of Martial Saint, the possibility of encountering danger is very small. What’s the use of this shit?

That Yun Jizi was in a hurry, and with a flick of his wrist, he saw two more talismans appearing on his hand: “Sect Master Yue, I will add two more ‘obedient talismans’, and I just want to exchange for an immortal pill!”

Chapter 729

Obedient Talisman?

Yue Feng suddenly became interested. What is an obedient sign?

Yun Jizi laughed and said, “Sect Master Yue, these two obedient talismans are good things. As long as you stick the obedient talismans on someone’s body, that person will obey you! The spell can last for ten minutes. !”

Yun Jizi stayed in the fifth rank military commander for a long time, and he still couldn’t break through. He dreamed of getting the Immortal Pill!

To be honest, two obedient talismans, plus a divine run talisman, are all his possessions.

These two obedient characters are quite interesting. Yue Feng laughed: “Okay, I’ll change it with you.”

What?

Does Brother Feng really want to change him?

Duan Lei’s face changed, and he couldn’t help but whisper: “Brother Feng, isn’t this old man a liar?”

Yue Feng waved his hand. This old man is just a military general who dares to lie to the Sect Master of Tianmen, unless he doesn’t want to live anymore.

Yu Jizi was excited in her heart, stepped forward quickly, and handed three talismans respectfully.

Yue Feng also took out an Immortal Pill and handed it over.

Not to mention how happy Yu Jizi was, she thanked her and left quickly.

After he left, Duan Lei couldn't help it, and asked, "Sect Master, his three spells are indeed very rare, but it's a bit of a loss to exchange one for the Immortal Pill..."

Yue Feng laughed. In the eyes of others, it is a big loss for me to exchange three talismans with one immortal pill.

After all, the Immortal Pill is a cultivator's dream pill.

But for Yue Feng, there is nothing to lose, because it is very easy for him to refine the Immortal Pill.

Duan Lei stopped talking.

At this time, Yue Feng put the three spells in his clothes, and then ordered: "Duan Lei, wait for you to pass my order, Tianmen disciple, be sure to find Chen Yun. After finding her, put her in the Tianmen main altar.!" The

voice fell, and Yue Feng left the main altar of Tianmen.

The most important thing now is to go to the Apocalypse Continent and save the sect master's wife and Yuruo.

I originally thought that the three brothers would go to the Apocalypse Continent together, but now, the Great Sage will definitely not be able to go, after all, Li Nan was seriously injured. He has to take care of Li Nan.

So I had to go to Donghai City first and go with Wen Chou Chou.

.....

the other side.

On the vast sea, a sailboat sails alone.

There are only two people on this big boat. It was Duan Yu and Chen Yun.

After some cloud and rain, Duan Yu put on his clothes, took out a cigarette from his pocket, lit it and took a deep breath.

Not far away, Chen Yun curled up there, tears streaming down her face, looking at Duan Yu, wishing she could kill him.

Himself...self defiled by him.

After smoking a cigarette, Duan Yu threw the cigarette butt into the sea, walked over with a smile, and stretched out his hand to lift Chen Yun's chin: "Beauty, don't stare at

me like that, here is a long way from the Apocalypse Continent, on this way, We have to take care of each other, haha..." I

have to say, Yue Feng's sister-in-law is so sexy.

Especially just now, that feeling is unforgettable.

"Get out, get out of here!" Chen Yun gritted her teeth, her eyes full of resentment.

At this time, Chen Yun can't wait to slash Duan Yu with a thousand knives!

"You told me to get out? Not only will I not get out, but I will torture you every day!" Duan Yu's eyes flashed coldly, and he slapped her with a backhand!

"Clap!"

With this slap, Duan Yu tried his best to hear Chen Yun cry out, a bright red handprint appeared on her face.

"You...you have to die..." Chen Yun was angry and wronged again, shouting at Duan Yu.

"Haha.. I can't die? One day, I will make your entire Yue family die!" Duan Yu sneered: "I tell you, you are Yue Feng's sister-in-law, and God sent it to me to make amends. Yes, understand?!" The

voice fell, and Duan Yu stepped forward again, slap after slap!

"Slap! Slap! Slap!"

Every slap made a crisp sound.

Chapter 730

The crisp sound made everyone tremble!

A slap is heavier than a slap!

Chen Yun kept screaming, she wanted to struggle, but the acupoints on her body were lit and she couldn't move at all!

At this moment, Duan Yu suddenly stretched out his hand, grabbed her by the hair, and said coldly, "To tell you the truth, my name is Duan Yu, the young master of the Duan family in Yunzhou City."

What?

For a moment, Chen Yun was dumbfounded and looked at Duan Yu blankly.

When the time period's family was destroyed, the news spread all over the place. No one in Donghai City knew about it, and Chen Yun naturally heard of it.

"Do you know that when I destroyed my Duan family, it was your second brother Yue Feng who did it. If it weren't for him, I wouldn't be wandering around, and I wouldn't live like a mourning dog!"

"Since you are Yue Feng's. Sister-in-law, say it yourself, how should I treat you?"

After saying the last sentence, Duan Yu clenched his fist tightly!

This...

Chen Yun stared blankly at Duan Yu, unable to say a word!

This bastard, Yue Feng, let himself take care of the trouble he caused himself. Why are you so unlucky.

"Yue Feng destroyed your Duan family, you can seek revenge from him." At this time, Chen Yun was incomparably sad and angry, tears kept flowing, and shouted at Duan Yu: "But you have tarnished me, a weak woman, What kind of man are you!"

Duan Yu suddenly laughed: "Come on, stop pretending to be pure with me. When I touched you just now, your expression didn't show pain. Don't worry, since you like that feeling, I Will make you taste more."

"You..."

Chen Yunqi's delicate body trembled, her pretty face flushed, and she was speechless for a moment. Desperate.

.....

the other side.

Yue Feng arrived in Donghai City and went to the Pearl of the Orient.

Just now, Yue Feng called Wen Chou Chou, and the two agreed to meet at the Pearl of the Orient and then go to the Apocalypse Continent.

At the entrance of the Pearl of the Orient, Yue Feng just got off the taxi, but the moment he got off, Yue Feng frowned.

He only felt a murderous aura coming from not far away. Yue Feng looked subconsciously, and saw that not far away, Master Miaoyuan brought several female disciples and greeted him aggressively.

“Yue Feng!”

Master Miao Yuan had a cold face and walked over quickly: “I ask you, where is Qin’er?!”

Zhou Qin?

Yue Feng was stunned for a moment, and said angrily: “I have nothing to do with Zhou Qin anymore, how do I know where she is?”

Originally, Yue Feng didn’t like Mrs. Miao Yuan. Seeing her this attitude at this time, I feel even more uncomfortable.

Master Miaoyuan was immediately angry, pointed at Yue Fengjiao and shouted: “Yue Feng, stop pretending to me! Last night, I asked Qin’er to give you a treasure armor, and she hasn’t come back yet. You say, what are you doing? What happened to her?!”

While speaking, in addition to anger, Master Miao Yuan’s eyes also showed a bit of anxiety.

You know, Zhou Qin is her most important disciple.

The voice fell, and several female disciples behind Shi Tai also came up to greet him.

“Come on, where is my Senior Sister Zhou?”

“You must have arrested my Senior Sister Zhou Qin!”

In their hearts, they all believed that Yue Feng had caught Zhou Qin.

After all, Zhou Qin killed Wen Chou Chou’s wife before, while Yue Feng and Wen Chou Chou were sworn brothers. Therefore, the disappearance of Zhou Qin, Yue Feng has the suspicion that he cannot escape.

However, they didn’t know that last night, Zhou Qin gave Yue Feng the treasure armor and wanted to beg Yue Feng’s forgiveness, but she was rejected and she was in a bad mood. She turned off her phone and sat on the beach in a daze, while the sea breeze was blowing.

Yue Feng laughed angrily and said, “Master Miaoyuan, did you forget to take your medicine when you went out today, your disciple disappeared, and you asked me for

someone? What's the reason? I don't have time to talk nonsense with you now, I still have important things to do. The good dog will stay out of the way, get out of the way."

After saying this, Yue Feng pushed the two Emei disciples away and strode away.

"Yue Feng, stop for me!"

Just after taking two steps, he heard the coquettish shout of Master Miao Yuan from behind.

In the next second, Master Miaoyuan flashed and rushed towards Yue Feng: "If you don't hand over Qin'er today, don't even think about leaving."
