

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 118

Alexander North

I slide my arms to find Angel but I felt nothing. I opened my eyes to see the empty space beside me. I got up from the bed and scanned my room but she's not here. I walked to the bathroom to see if she's there but none too, now I'm getting frustrated. I walked downstairs and scanned everywhere but I can't believe she's gone.

"Doris!" I called my maid.

"Yes sir?"

"Do you see Angel?" I asked and her face suddenly turned pale.

"Tell me."

"Uhhh she got your car and went out around 40 minutes ago." She said in a nervous tone. I closed my eyes and sighed.

I walked up to my room to take my phone, I quickly dialed Angel's phone. This woman!

"Yes baby?" She answered in a really sweet tone and I can't help but not bursting at her.

"Where are you?"

"Back to my house." She answered shortly and I wanted to be angry but there's a part of me that can't get angry at this woman.

"You took my car." I heard my gate was being open and I walked out to see her in my car. She ended the call and stopped the car in front of me. She got off and I saw her already change her clothes into a gray sleeveless crop top and a black short. She walked to me and gave me a peck on my cheek.

"Stop worrying about your car will you?" She said as she walked inside my house again. I realized that she brought a big plastic bag with her, she walked into the kitchen and I can't help but checking out her long legs from the back.

"What did you buy?"

"We're going on a picnic today remember?"

"I didn't agree to that." I said and she turned to me with her cold expression.

"Fine, I can ask someone else to company me." She stated and I sneaked my arms to her waist.

"Who?" I whispered to her ear.

"Nathan maybe or Sean or-"

"Fine, I'll come with you!" I don't like it when she mentioned other guys name, I know guys are in love with her. I even saw a view articles about people stating that Angelia Selosvone is their ideal type. I don't like it a bit.

"Good boy." She said as she pushed away my hands and started taking out some ham, cheese, lettuce and some other stuff.

"What is this for?"

"Picnic Alex, have you even ever go to picnic?" She looked at me disbelief and I shook my head.

"Oh God, you're missing life!" She shook her head as she washed the lettuce, cucumber and tomatoes.

"Is this one of your dates?" I asked.

"Of course and I have 1 date left." She stated and I looked at her confuse.

"3 more." I said and she turned to me.

"Are you bipolar or something? I thought you say 2 more times and now you said 3 more times." She said in an annoy tone, I walked to her and caught her lips to mine. Kissing her slowly and looked into her blue grayish eyes.

"I'm the boss here, little Angel." I smirked and she shook her head.

"Whatever, you're the boss who sleeps like a bear." She stated and that made me laugh.

"Why a bear sweetheart?" I asked.

"You completely hugging me tightly and you're choking me all the time." She stated and that got me laughing out loud.

She was right though. Last night, I force her to sleep with me on my bed. She doesn't like the idea of it and I hugged her tightly. I slept off with her in my arms so she can't get away from me. She has a really nice scent and I like smelling it. I even love the way she fit in my arms.

"You like that."

"Yeah you almost choked me to death." She glared at me.

"I won't be like that if you just listen to me." I said as I looked at her while she's cutting the tomatoes.

"You're not even my boyfriend, why would I listen to you?" She glared.

"Well you're my girlfriend right now," I stated.

"Fake, you pushed me to hell and ready to give me to Jonathan or Nate or whatever he is. A good boyfriend will never push their girlfriend like that!" Now she's in piss mode.

"Baby, didn't I told you that I will make sure that he won't touch you?" I walked to her and kissed the back of her neck, I felt her tense.

"You will never know if something will happen Alex."

"He won't touch you, I'll guarantee that. All you have to do is stick with me." I kissed the back of her neck again and slowly trailing kisses to her cheek.

"Yeah right, like I will stick to you 24/7."

"That's a good idea, how about you move in here?" I said and she turned to me like I just grow 2 heads.

"No."

"Move in here babe." I gave her a peck on the lips.

"No." She glared at me and I chuckled. Her blue grey eyes got furious and I like that. I gave a peck on her lips again.

"Should I go to your house and tell your parents?" I asked.

"Alexander no.. do you understand english?" She asked annoy and how I love to push that button. I chuckled.

"I don't babe." I said and she ignored me. She continued her activity and I decided to take a shower to go with her to the Central Park.

Why did I agree to her? Argh!
